  - NURS 499S Community Health Nursing with Laboratory (3+3=6) (GE D4)
- 

\*Students with a previous bachelor's degree, see a CSUMB Nursing adviser for CSUMB graduation requirements.

\*Students interested in this collaborative track should see their Nursing advisor at Gavilan College for details. If demand exceeds capacity, other admission criteria may be put in place. An ADN degree does not guarantee admission to CSUMB. Students beginning the final year at CSUMB should maintain at least a 3.0 grade point average in nursing courses, have passed the NCLEX, be GE certified by their CC, and have completed all BSN prerequisites.
