Hello everyone,

Please be advised that we will be sending out a test message through GavALERT (Emergency Alert System) to all staff and students this afternoon around 4 p.m. The message will include a link to the FAQ page: www.gavilan.edu/gavalert, and instructions for changing contact information. This will be the first GavALERT test sent to students.

###

Jan Bernstein Chargin  
Director, Public Information  
Gavilan College

jbchargin@gavilan.edu
GavALERT: There was a reported abduction from campus this afternoon. The Santa Clara County Office of The Sheriff is investigating, and is seeking a Light Blue Ford Astrovan.

Witnesses are sought. Please respond to this email if you were at registration or in Parking Lot F between 1:50 and 2:30 pm today, or call the Sheriff's department at (408) 808-4900.

More information will be shared with the Gavilan College community when it becomes available.
Dear Gavilan College Faculty and Staff,

There has been conflicting information released about the first day of Saturday classes.

Although the official instructional calendar states that Saturday, Sept. 3 is an instructional day, the Schedule of Classes states that there will not be classes over Labor Day weekend.

Therefore, Saturday-only classes will begin on Saturday, Sept. 10. Students can add late or process add codes for these Saturday-only courses until end of business on Tuesday, September 13.
GavALERT, July 5: Due to a power outage in Morgan Hill, all classes normally held in Morgan Hill this evening will be cancelled. Gilroy and Hollister classes are not affected.
GavAlert Update: Power has been restored to the Gilroy campus. The graduation ceremony will take place at 6 pm in the gym as planned.

To: jgopp@gavilan.edu
Subject: Power Outage

GavALERT: There is a power outage on the Gilroy Campus (and other areas of Gilroy), which should be fixed by 5:15 p.m. if not sooner.

Staff should remain on campus until further notice.

The graduation ceremony will proceed as scheduled. Another update will be sent at 4 p.m.
GavALERT TEST: This is a test of the GavAlert system. Go to the GavALERT button on the "Campus Services" tab in MyGav to customize your contact information.

In case of an emergency, we will be able to contact you by email, voice message, or text. This system will only be used for emergencies, and not for special events or non-urgent updates. You will be able to click on "GavALERT" to update your information at any time (Hint: if your contact information changes, update it in Banner too!)
GavALERT TEST: This is a test of the Rave Alert system. Please disregard.
GavALERT TEST: This is a test of the Rave Alert system. Please disregard.
This is a test of the RaveAlert system. In the event of an emergency you would be receiving vital information. This is only a test. You do not need to respond.
Hi there,

We sent an automated text message to your cell phone and email using the RAVE mobile alert system to begin testing the system.

Thank you for participating in our initial testing. If you received the email and/or text, would you please send an email to Dave at dphillips@gavilan.edu today or tomorrow and let me know if you received both a text and an email?

Thanks,

Dave.
