In the opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California ("Bond Counsel"), under existing statutes, regulations, rulings and judicial decisions, and assuming certain representations and compliance with certain covenants and requirements described herein, interest (and original issue discount) on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals and corporations. In the further opinion of Bond Counsel, interest (and original issue discount) on the Bonds is exempt from State of California personal income tax. In addition, the difference between the issue price of a Bond (the first price at which a substantial amount of the Bonds of a maturity is to be sold to the public) and the stated redemption price at maturity with respect to the Bond constitutes original issue discount. See "TAX MATTERS" herein with respect to tax consequences relating to the Bonds.

The Gavilan Joint Community College District (Santa Clara and San Benito Counties, California) General Obligation Bonds, Election of 2004, Series C (the "Bonds") were authorized at an election of the registered voters of the Gavilan Joint Community College District (the "District") held on March 2, 2004 at which more than fifty-five percent of the persons voting on the proposition voted to authorize the issuance and sale of $108,000,000 principal amount of general obligation bonds of the District (the "Authorization"). The Bonds are being issued to finance the construction and modernization of certain District property and facilities, the acquisition of equipment and to pay the costs of issuance associated with the Bonds.

The Bonds are general obligations of the District, payable solely from the proceeds of ad valorem property taxes. The Boards of Supervisors of Santa Clara County and San Benito County are empowered and obligated to levy ad valorem taxes, without limitation as to rate or amount, upon all property within the District subject to taxation by the District (except certain personal property which is taxable at limited rates), for the payment of principal of and interest on the Bonds when due.

The Bonds will be issued in book-entry form only, and will be initially issued and registered in the name of Cede & Co. as nominee for The Depository Trust Company, New York, New York (collectively referred to herein as "DTC"). Purchasers will not receive certificates representing their interest in the Bonds.

Interest with respect to the Bonds accrues from the date of their delivery and is payable semiannually on February 1 and August 1 of each year, commencing August 1, 2008. The Bonds are issuable in denominations of $5,000 or any integral multiple thereof.

Payments of principal of and interest on the Bonds will be made by U.S. Bank National Association, as the designated paying agent, bond registrar and transfer agent (the "Paying Agent"), to DTC for subsequent disbursement to DTC Participants (defined herein) who will remit such payments to the beneficial owners of the Bonds. See "APPENDIX F - Book-Entry Only System."

The Bonds are subject to optional redemption and to their stated maturity dates as described herein.

The scheduled payment of principal of and interest on the Bonds maturing on August 1 of the years 2012 to 2032, inclusive (the "Insured Bonds") when due will be guaranteed under an insurance policy to be issued concurrently with the delivery of the Insured Bonds by FINANCIAL SECURITY ASSURANCE INC. (the "Insurer" or "FSA"). (See "THE BONDS - Bond Insurance" and "APPENDIX G - Form of Municipal Bond Insurance Policy.") Payments of principal and interest on the Bonds maturing on August 1 of the years 2008 to 2011 (the "Uninsured Bonds") are not insured.
