Right To Appeal

Students who have been classified as non-residents have the right to a review of their classification (Title 5, Section 54010 (a)). Any student, following a final decision of residence classification by the Admissions Office, may make written appeal to the Vice President of Student Services or designee within 30 calendar days of notification of final decision by the college regarding classification.

Appeal Procedure

The appeal is to be submitted to Admissions Office, which must forward it to the Vice President of Student Services or designee within five working days of receipt. Copies of the original application for admission, the residency questionnaire, and evidence or documentation provided by the student, with a cover statement indicating upon what basis the residence classification decision was made, must be forwarded with the appeal.

The Vice President of Student Services or designee shall review all the records and have the right to request additional information from either the student or the Admissions Office.

Within 30 calendar days of receipt, the Vice President of Student Services or designee shall send a written determination to the student. The determination shall state specific facts on which the appeal decision was made.

Approved by the Board of Trustees: August 13, 2002

Amended by the Board of Trustees: August 14, 2007

Reclassification

A student previously classified as a non-resident may be reclassified as of any residence determination date. A residence determination date is that day immediately preceding the opening day of instruction for any session during which the student proposes to attend.

Petitions are to be submitted to the Admissions Office.

Petitions must be submitted prior to the semester for which reclassification is to be effective. Extenuating circumstances may be considered in cases where a student failed to petition for reclassification prior to the residency determination date. In no case, however, may a student receive a non-resident tuition refund after the date of the first census.

Written documentation may be required of the student in support of the reclassification request.

A questionnaire to determine financial independence must be submitted with the petition for reclassification. Determination of financial independence is not required for students who were classified as non-residents by the University of California, the California State University, or another community college District. (Education Code Section 68044)

A student shall be considered financially independent for purposes of residence reclassification if the applicant meets all of the following requirements:

- Has not and will not be claimed as an exemption for state and federal tax purposes by his or her parent in the calendar year prior to the year the reclassification application is made;
- Has not lived and will not live for more than six weeks in the home of his or her parent during the calendar year the reclassification application is made;

9.

A student who has established financial independence may be reclassified as a resident if the student has met the requirements of Title 5, Sections 54020, 54022 and 54024.

Failure to satisfy all of the financial independence criteria listed above does not necessarily result in denial of residence status if the one-year requirement is met and demonstration of intent is sufficiently strong.

Financial dependence in the current or preceding calendar year shall weigh more heavily against finding California residence than financial dependence in the preceding second and third calendar years. Financial dependence in the current or preceding calendar year shall be overcome only if (1) the parent on whom the student is dependent is a California resident, or (2) there is no evidence of the student's continuing residence in another state.

The Vice President of Student Services or designee will make a determination, based on the evidence and notify the student not later than 14 days of receipt of the petition for reclassification.

Students have the right to appeal according to the procedures above.

Non-Citizens

The District will admit any non-citizen who is 18 years of age or a high school graduate.

If non-citizens are present in the United States illegally or with any type of temporary visa, they will be classified as non-residents and charged non-resident tuition unless they meet the exceptions contained below.

If, for at least one year and one day prior to the start of the semester in question, a non-citizen has possessed any immigration status that allows him or her to live permanently in the United States and she or he meets the California residency requirements, the student can be classified as a resident.

A prerequisite is a measure of readiness for a course or program that a student is required to meet as a condition of enrolling in a course or program. Successful completion (a grade of "C" or better) of the prerequisite is required.

Course Advisory

An advisory is a measure of readiness for a course or program that is recommended a student meet in order to enroll in a course or program. Successful completion with a "C" or better is strongly recommended.

How Course Prerequisites are Established

Course prerequisites are developed by faculty members and accepted by the Gavilan College Curriculum Committee with the intent of promoting student success. Courses are individually reviewed to assure that prerequisites are a valid measure of readiness for student success. Criteria used to establish prerequisites include, but are not limited to, the following:

1. Most prerequisites are in degree programs within sequential content areas. A course may be established as a prerequisite for another course provided that skills, concepts and/or information taught in the first course are presupposed in the second course;
2. The course for which the prerequisite is required is one in which the student might endanger his or her own health and safety or the health and safety of others if the prerequisite is not met; or
3. A course may be established as a prerequisite for another course because appropriate faculty and the Curriculum Committee have established it as equivalent to the prerequisite established by at least three campuses of the University of California and/or the California State University.
4. Other prerequisite criteria may be developed and utilized by Gavilan College. These are available through the office of the Vice President of Instructional Services.

How Course Advisories are Established

Course advisories are developed by faculty members and accepted by the Gavilan College Curriculum Committee with the intent of promoting student success. Courses are individually reviewed to assure that the advisories assist a student to efficiently and successfully complete the course. The departments and the Curriculum Committee have concluded, after review of content, that the advisory or its equivalent is strongly recommended for student success.

Challenge of Prerequisite

Students who have reason to believe that they have already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, may challenge the prerequisite. The student is responsible to provide compelling evidence to substantiate the challenge claim.

Challenge forms are available at the Admissions Office and must be completed and returned to the Vice President of Instructional Services prior to the first day of classes.

The College must respond to a completed challenge submitted by a student within a period of five working days or the challenge is valid. Although the student may register in the class for which the prerequisite is being challenged, if the challenge is denied, the student will be dropped from the class. No prerequisite that is successfully challenged will receive academic credit. For further information regarding the prerequisite challenge, contact a counselor.

Students who engage in any of the above are subject to the procedures outlined in AP 5520 titled Student Discipline Procedures.

Academic honesty depends upon the integrity of the students and faculty. The College itself is defrauded if faculty and/or students knowingly or unwittingly allow dishonest acts to be rewarded academically. It is the faculty's responsibility to make every reasonable effort to foster honest academic conduct. If the faculty member believes that there is evidence of academic dishonesty on the part of a student it is the faculty member's responsibility to take appropriate action in accordance with this policy.

Students at Gavilan College have the right to know what constitutes academic honesty at the College and in each course in which they are enrolled. Faculty members will apprise their classes of the ethical standards required in their courses and the permissible procedures in class work and examinations. A statement referring to this information as a reference for the class will be presented in the course outline (green sheet)* and/or on the individual examination questionnaires. Students will be informed of the consequences of violating these standards, their rights of appeal, and the procedures to be followed in the appeal.

At Gavilan, cheating is the act of obtaining or attempting to obtain credit for academic work through any dishonest, deceptive, or fraudulent means. Cheating at Gavilan includes, but is not limited to:

- a. Copying, in part or in whole, from another's test or other evaluation instrument or obtaining answers from another person during the test without instructor's approval.
- b. Submitting work previously presented in another course, if contrary to the written rules of the course.
- c. Using or consulting, during an examination, sources or materials not specifically authorized
- d. Intentionally altering, changing, and/or misusing documents or records. Knowingly furnishing false information or generally interfering with grading procedures or instruction of a class.

- b. Representing another's artistic/scholarly works such as musical compositions, writings, computer programs, photographs, paintings, drawings, scriptures, or similar works as one's own.

2.0 Student Evaluation and Reporting

When a Gavilan faculty member, responsible for a course, has reason to believe, and has evidence to substantiate, that the behavior of a student or students falls within one or both of the above sets of definitions, it is an instructor's responsibility to take the following steps:

- a. Arrange an office conference with the student and at that time advise the student of the allegations and make him or her aware of the supporting evidence and the probable consequences. Any classroom confrontation should be as discreet as possible. If, as a result of this meeting, the instructor believes that the student's response is insufficient to offset the charge of academic dishonesty to the extent that the student may be excused, the instructor will inform the student of the sanctions to be recommended or assessed in accordance with Section 3.0 of this policy.
- b. At the discretion of the instructor, a written report of the infraction and the action taken may be submitted to the Vice President of Student Services with a copy to the appropriate area dean.
- c. When a student, who has been informed in writing of an impending conference to discuss the alleged dishonesty, fails to attend, or when the apparent dishonesty is detected near the end of the semester and the instructor makes a good faith effort to contact the student but is unable to do so, the instructor may impose the recommended penalty and make the report called for in Section 3.1 without a conference. In either case, the student's right to appeal is preserved.

3.0 Sanctions

There shall be two major classifications of sanctions that may be imposed for violations of this policy: Academic and Administrative. Academic sanctions will be defined as those actions related to the coursework and grades, which is the province of the instructor. Administrative sanctions concern a student's status on campus and are acted on by the Vice President of Student Services. The imposition of one variety of sanction (Academic or Administrative) will not preclude the addition of the other.

3.1 Academic Sanctions

Faculty is responsible for the type of academic sanction to be applied to students involved in incidents of cheating or plagiarism. Usually a form of "grade modification" will be employed. Before sanctions can be employed, the faculty member must have verified the instances of academic dishonesty by personal observation and/or documentation. In all cases the violation should be reported to the Vice President of Student Services with a copy provided to the appropriate dean. A student may be:

- a. Reprimanded orally. A student may be referred for counseling but cannot be required to seek counseling.
- b. Failed in the evaluation instrument (paper or exam).
- c. Reduced course grade equal to the failed instrument.
- d. Referred for Administrative Sanctions

A faculty member may choose to refer a student to the Vice President of Student Services for disciplinary action in lieu of any academic sanction or in addition to the academic action the faculty member has taken.

- e. Faculty Discretion

Cases involving the careless or inept handling of quoted material but falls short of the definitions of the acts of cheating and/or plagiarism as defined in items 1.1 and 1.2 of this policy may be dealt with at the discretion of the faculty member concerned.

- f. Recommended Academic Sanctions

- Violations of quoted material, but falls short of the definitions of the acts of cheating and/or plagiarism as defined in Items 1.1 and 1.2 of the policy may be dealt with at the discretion of the faculty member concerned.
- For violation of Section 1.b, the recommended sanction shall be 3.1.b, reduction in grade or failure of that evaluation instrument.
- For violations of Sections 1.1.d and 1.1.e it is recommended that the student be referred to the Vice President of Student Services for Administrative sanction in accordance with 3.1.e. For violations of Section 1.2.b of this Policy, the recommended sanction shall be 3.1.c - reduction in course grade.

3.2 Administrative Sanctions

As stipulated in the California Administrative Code, Sanction 41301, cheating or plagiarism in connection with an academic program at a campus may warrant expulsion, suspension, probation or a lesser sanction. Administrative action involving academic dishonesty at Gavilan is the responsibility of the Vice President of Student Services according to the Standards of Student Conduct and Disciplinary and Due Process Procedures.

Nor is it intended to deny the right to appeal, through appropriate college channels, any decision resulting from such a meeting.

- a. Academic sanctions may be appealed through the Vice President of Student Services in accordance with college policy.
- b. When disciplinary suspension or expulsion is being recommended as an administrative sanction, the student has the right to a formal hearing by the Gavilan College Board of Trustees (Education Code 66017).

In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask people present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. Tape recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape-recorded is not unavailable.

Within ten (10) school days following the close of the hearing, the hearing panel shall prepare and send to the President of the College a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

President's Decision:

Long-term suspension. Within ten (10) school days following receipt of the hearing panel's recommended decision, the President of the College shall render a final written decision. The President of the College may accept, modify or reject the findings, decisions and recommendations of the hearing panel. Board of Trustees Decision:

The Board of Trustees shall consider any recommendation from the President of the College for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. (Education Code Section 72122)

The student shall be notified in writing, by registered or certified mail or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board's meeting.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify or reject the findings, decisions and recommendations of the President of the College and/or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision, which contains specific factual findings and conclusions. - Sex discrimination as prohibited by Title IX of the Higher Education Amendments of 1972
- Sexual harassment

- The exercise of rights of free expression protected by state and federal constitutions and Education Code Section 76120.

This procedure does **not** apply to:

- Student disciplinary actions, which are covered under separate Board policies and Administrative Procedures.
- Police citations (i.e. "tickets"); complaints about citations must be directed to the County Courthouse in the same way as any traffic violation.

President. The President of the College or a designated representative of the President.

Student. A currently enrolled student, a person who has filed an application for admission to the college, or a former student. Approved by the Board of Trustees August 13, 2002

Informal Resolution:

Each student who has a grievance shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a grievance hearing, and shall attempt to solve the problem with the person with whom the student has the grievance, that person's immediate supervisor, or the local college administration.

The President of the College shall appoint an employee who shall assist students in seeking resolution by informal means. This person shall be called the Grievance Officer. The Grievance Officer and the student may also seek the assistance of the Associated Student Organization in attempting to resolve a grievance informally.

Informal meetings and discussion between persons directly involved in a grievance are essential at the outset of a dispute and should be encouraged at all stages. An equitable solution should be sought before persons directly involved in the case have stated official or public positions that might tend to polarize the dispute and render a solution more difficult. At no time shall any of the persons directly or indirectly involved in the case use the fact of such informal discussion, the fact that a grievance has been filed, or the character of the informal discussion for the purpose of strengthening the case for or against persons directly involved in the dispute or for any purpose other than the settlement of the grievance.

Any student who believes he or she has a grievance shall file a Statement of Grievance with the Grievance Officer within 10 (ten) business days of the incident on which the grievance is based, or 10 (ten) business days after the student learns of the basis for the grievance, whichever is later. The Statement of Grievance must be filed whether or not the student has already initiated efforts at informal resolution, if the student wishes the grievance to become official. Within two days following receipt of the Statement of Grievance Form, the Grievance Officer shall advise the student of his or her rights and responsibilities under these procedures, and assist the student, if necessary, in the final preparation of the Statement of Grievance form.

If at the end of 10 (ten) business days following the student's first meeting with the Grievance Officer, there is no informal resolution of the complaint which is satisfactory to the student, the student shall have the right to request a grievance hearing.

Grievance Hearing Committee:

The President of the College shall at the beginning of each semester, including any summer session, establish a standing panel of 14 (fourteen) members of the college community, including 6 (six) students, 6 (six) faculty members and 2 (two) administrators, from which one or more Grievance Hearing Committees may be appointed. The panel will be established with the advice and assistance of the Associated Students Organization and the Faculty Senate, who shall each submit 2 (two) names to the President of the College for inclusion on the panel. A Grievance Hearing Committee shall be constituted in accordance with the following:

- It shall include 2 (two) students, 2 (two) instructors, and 1 (one) college administrator selected from the panel described above.
- No person shall serve as a member of a Grievance Hearing Committee if that person has been personally involved in any matter giving rise to the grievance, has made any statement on the matters at issue, or could otherwise not act in a neutral manner.

Any party to the grievance may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge to the President of the College who shall determine whether cause for disqualification has been shown. If the President of the College feels that sufficient ground for removal of a member of the committee has been presented, the President of the College shall remove the challenged member or members and substitute a member or members from the panel described above. This determination is subject to appeal as defined below.

- The Grievance Officer shall sit with the Grievance Hearing Committee but shall not serve as a member or vote. The Grievance Officer shall coordinate all scheduling of hearings, shall serve to assist all parties and the Hearing Committee to facilitate a full, fair and efficient resolution of the grievance, and shall avoid an adversary role.

Request for Grievance Hearing:

Any request for a grievance hearing shall be filed on a Request for a Grievance Hearing within 10 (ten) business days after filing the Statement of Grievance as described above.

Within 10 (ten) business days following receipt of the Request for Grievance Hearing, the President of the College shall appoint a Grievance Hearing Committee as described above, and the Grievance Hearing Committee shall meet in private and without the parties present to select a chair and to determine on the basis of the Statement of Grievance whether it presents sufficient grounds for a hearing.

The determination of whether the Statement of Grievance presents sufficient grounds for a hearing shall be based on the following:

The statement contains facts which, if true, would constitute a grievance under these procedures;

The grievant is a student as defined in these procedures, which include applicants and former students;

The grievant is personally and directly affected by the alleged grievance;

The grievance was filed in a timely manner;

The grievance is not clearly frivolous, clearly without foundation, or clearly filed for purposes of harassment.

If the grievance does not meet each of the requirements, the Hearing Committee chair shall notify the student in writing of the rejection of the Request for a Grievance Hearing, together with the specific reasons for the rejection and the procedures for appeal. This notice will be provided within 10 (ten) business days of the date the decision is made by the Grievance Hearing Committee.

If the Request for Grievance Hearing satisfies each of the requirements, the College Grievance Officer shall schedule a grievance hearing. The hearing will begin within 10 (ten) business days following the decision to grant a Grievance Hearing. All parties to the grievance shall be given not less than 10 (ten) business days notice of the date, time and place of the hearing.

Hearing Procedure:

The decision of the Grievance Hearing Committee chair shall be final on all matters relating to the conduct of the hearing unless there is a vote of a majority of the other members of the panel to the contrary.

Approved by the Board of Trustees August 13, 2002

The members of the Grievance Hearing Committee shall be provided with a copy of the grievance and any written response provided by the respondent before the hearing begins.

Each party to the grievance may call witnesses and introduce oral and written testimony relevant to the issues of the matter.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the Grievance Hearing Committee determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant(s) shall make the first presentation, followed by the respondent or respondents. The grievant(s) may present rebuttal evidence after the respondent(s)' evidence. The burden shall be on the grievant(s) to prove by substantial evidence that the facts alleged are true and that a grievance has been established as specified above.

Each party to the grievance may represent him or herself, and may also have the right to be represented by a person of his or her choice; except that an attorney shall not represent a party unless, in the judgment of the Grievance Hearing Committee, complex legal issues are involved. If a party wishes to be represented by an attorney, a request must be presented not less than 5 (five) business days prior to the date of the hearing. If one party is permitted to be represented by an attorney, any other party shall have the right to be represented by an attorney. The hearing committee may also request legal assistance through the President of the College any legal advisor provided to the hearing committee may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

Hearings shall be closed and confidential unless all parties request that it be open to the public. Any such request must be made no less than 5 (five) business days prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the committee agree to the contrary.

The Grievance Officer shall record the hearing either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the Grievance Hearing Committee Chair shall, at the beginning of the hearing, ask each person present to identify him or herself by name, and thereafter shall ask witnesses to identify themselves by name. The tape recording shall remain in the custody of the District, either at the college or the District office, at all times, unless released to a professional transcribing service. Any party may request a copy of the tape recording.

All testimony shall be taken under oath; the Grievance Hearing Committee Chair shall administer the oath. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape-recorded shall be considered to be unavailable.

Within 10 (ten) business days following the close of the hearing, the Grievance Hearing Committee shall prepare and send to the President of the College a written decision. The decision shall include specific factual findings regarding the grievance, and shall include specific conclusions regarding whether a grievance has been established as defined above. The decision shall also include a specific recommendation regarding the relief to be afforded the grievant, if any.

Approved by the Board of Trustees August 13, 2002

The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original grievance, any written response, and the oral and written evidence produced at the hearing.

President's Decision:

Within 10 (ten) business days following receipt of the Grievance Hearing Committee's decision and recommendation(s), the President of the College shall send to all parties his or her written decision, together with the Hearing Committee's decision and recommendations. The President of the College may accept or reject the findings, decisions and recommendations of the Hearing Committee. The factual findings of the Hearing Committee shall be accorded great weight; and if the President of the College does not accept the decision or a finding or recommendation of the Hearing Committee, the President of the College shall review the record of the hearing, and shall prepare a new written decision, which contains specific factual findings and conclusions. The decision of the President of the College shall be final, subject only to appeal as provided below.

Appeal:

Any appeal relating to a Grievance Hearing Committee decision that the Statement of Grievance does not present a grievance as defined in these procedures shall be made in writing to the President of the College within 5 (five) business days of that decision. The President of the College shall review the Statement of Grievance and Request for Grievance Hearing in accordance with the requirements for a grievance provided in these procedures, but shall not consider any other matters. The President's decision whether or not to grant a grievance hearing shall be final and not subject to further appeal.

Time Limits:

Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.

BP 5800 Prevention of Identity Theft in Student Financial Transactions

Reference:

Fair and Accurate Credit Transactions Act, (15 U.S.C. 1681m(e))

The District is required to provide for the identification, detection, and response to patterns, practices, or specific activities (“Red Flags”) that could indicate identity theft of students when the District serves as creditor in relation to its students. When applicable, the Superintendent/President, Vice President of Administrative Services or designee is directed to develop procedures to implement an Identity Theft Prevention Program (ITPP) to control reasonably foreseeable risks to students from identity theft.

AP 5800 Prevention of Identity Theft in Student Financial Transactions

Reference:

Fair and Accurate Credit Transactions Act, (15 U.S.C. 1681m(e))

1. The Purpose of the Identity Theft Prevention Program

The purpose of this Identity Theft Prevention Program (ITPP) is to control reasonably foreseeable risks to students from identity theft by providing for the identification, detection, and response to patterns, practices, or specific activities ("Red Flags") that could indicate identity theft.

2. Definitions

- a. Identity Theft - A fraud attempted or committed using identifying information of another person without authority.
- b. Creditor - A "creditor" includes government entities who defer payment for goods (for example, payment plans for a bookstore account, or parking tickets) issued loans or issued student debit cards. Government entities that defer payment for services provided are not considered creditors for purposes of this ITPP.
- c. Deferring Payment - Refers to postponing payments to a future date and/or installment payments on fines or costs.
- d. "Covered Account" - An account that involves multiple payments or transactions.
- e. Person - Any individual who is receiving goods, receives a loan, and/or is issued a debit card from the District and is making payments on a deferred basis for said goods, loan, and/or debit card.

Detection or discovery of a "Red Flag" implicates the need to take action under this ITPP to help prevent, detect, and correct identity theft.

3. Detecting "Red Flag" For Potential Identity Theft

a. Risk Factors for Identifying "Red Flags"

The District will consider the following factors in identifying relevant "Red Flags":

1. The types of covered accounts the District offers or maintains
2. The methods the District provides to open the District's covered accounts
3. The methods the District provides to access the District's covered accounts; and
4. The District's previous experiences(s) with identity theft.

b. Sources of "Red Flags"

The District will continue to incorporate relevant "Red Flags" into this ITPP from the following sources

1. Incidents of identity theft that the District has experienced
2. Methods of identity theft that the District identifies that reflects changes in identity theft risks; and
3. Guidance from the District's supervisors who identify changes in identity theft risks.

c. Categories of "Red Flags"

The following "red Flags" have been identified for the District's covered accounts:

1. *Alerts Notifications, or Warnings from A Consumer Reporting Agency*
 - A fraud or active duty alert is included with a consumer report the District receives as part of a background check.
 - A consumer reporting agency provides a notice of credit freeze in response to a request for a consumer report.
 - A consumer reporting agency provides a notice of address discrepancy. An address discrepancy occurs when a address provided by a student substantially differs from the one the credit reporting agency has on file. See Section (V)(9) for specific steps that must be taken to address this situation.
 - A consumer report indicates a pattern of activity that is inconsistent with the history and usual pattern of activity of an applicant, such as:
 - A recent and significant increase in the volume of inquiries
 - An unusual number of recently established credit relationships.
 - A material change in the use of credit, especially with respect to recently established credit relationships; or
 - An account that was closed for cause or identified for abuse of account privileges by creditor or financial institution.
2. *Suspicious Documents*
 - Documents provided for identification appear to have been forged or altered.
 - The photograph of physical description on the identification is not consistent with the appearance of the applicant or customer presenting the identification.
 - Other information on the identification is not consistent with information provided by the person opening a new covered account or customer presenting the identification
 - Other information on the identification is not consistent with readily accessible information that is on file with the District, such as a signature card or a recent check.
 - An application appears to have been altered or forged, or gives the appearance of having been destroyed or reassembled.
3. *Suspicious Personally Identifying Information:*
 - Personal identifying information provided is inconsistent when compared against external information sources used by the District. For example:
 - The address does not match any address in the consumer report, or
 - The Social Security Number (SSN) has not been issued, or is listed on the Social Security Administration's Death Master File.
 - Personal identifying information provided by a person is not consistent with other personal identifying information provided by the person. For example: there is a lack of correlation between the SSN range and date of birth.
 - Personal identifying information is associated with known fraudulent activity as indicated by internal or third-party sources used by the District. For example:
 - The address on an application is the same as the address provided on a fraudulent application;
 - The phone number on an application is the same phone number provided on a fraudulent application;
 - The SSN provided is the same as that submitted by other persons currently being served by the District
 - The address or telephone number provided is the same or similar to the account number or telephone number submitted by an unusually large number of other persons being served by the District.

- The person opening the covered account fails to provide all required personal identifying information on an application or in response to notification that the application is incomplete.
 - Personal identifying information provided is not consistent with personal identifying information that is on file with the District.
 - The person opening the covered account cannot provide authenticating information beyond that which generally would be available from a wallet or consumer report.
4. *Unusual Use of – or Suspicious Activity Relating to – A Covered Account*
- A new covered account is used in a manner that is commonly associated with known patterns of fraud patterns. For example, a person makes a first payment, but there are no subsequent payments made.
 - A covered account is used in a manner that is not consistent with established patterns of activity on the account. For example, there is:
 - Non-payment when there is no history of late or missed payments; or
 - A material change in electronic fund transfer patterns in connection with a payment.
 - A covered account that has been inactive for a reasonably lengthy period of time is suddenly used or active.
 - Mail sent to the person holding the covered account is returned repeatedly as undeliverable although transactions continue to be conducted in connection with the person's covered account.
 - The District is notified that the person is not receiving paper account statements.
 - The District is notified of unauthorized transactions in connection with a person's covered account.
5. *Notices from Customers/Persons, Victims of Identity Theft, Law Enforcement Authorities, or Other Businesses About Possible Identity Theft in Connection with Covered Accounts*
- The District is notified by a person with a covered account, a victim of identity theft, a law enforcement authority, or any other person, that it has opened a fraudulent account for a person engaged in identity theft.

4. Measures to Detect “Red Flags”

The District shall do the following to aid in the detection of “Red Flags”

- a. When a new covered account is open, the District shall obtain identifying information about, and information verifying the identity of, the student or other person seeking to open a covered account. Two forms of identification shall be obtained (at least one of which must be a photo identification)

The following are examples of the types of valid identification that a person may prove to verify the identity of the person seeking to open the covered account: valid state-issued driver's license, valid state-issued identification card, current passport, a home or invoice/statement for property taxes

- b. Persons with covered accounts who request a change in their personal information on file, such as a change of address will have the requested changes verified by the District.
