"Classes will meet face-to-face on campus during scheduled days and times. In case of COVID-19 outbreak or shelter-in place order, classes will move to online. See instructor for more information."

AMT 120: Aviation Powerplant Technology
Transferable: CSU
This course is part of the curriculum required by the Federal Aviation Administration to obtain certification as an aircraft powerplant maintenance technician. This certificate allows the rated technician to perform maintenance, preventive maintenance repairs and alterations to USA FAA certificated aircraft powerplants. This Section covers the theory and practical application of operation, overhaul practices, inspection, installation, testing and troubleshooting techniques covering the subject areas of reciprocating and turbine engines, ignition, induction, supercharging, cooling and exhaust systems. PREREQUISITE: Successful completion of AMT 100 and AMT 101. Basic hand tools required. Details at the first class meeting.
JPA FIRE TECHNOLOGY

JFT 10: Fire Fighter II
Transferable: CSU
This course is the second in a series of courses that provides the skills and knowledge needed for entry level professional fire fighter to perform his/her duties safely, effectively, and competently. The five overarching themes of the California State Fire Fighter II curriculum are: general knowledge germane to the profession, fire department communications, fireground operations, rescue operations, and prevention, preparedness, and maintenance. PREREQUISITE: Fire Fighter I

JFT 17: Emergency Medical Technician
Transferable: CSU
This course is designed to prepare students to render pre-hospital basic life support services, including cardiopulmonary resuscitation, with emphasis on field application, practices, and techniques vital to the interaction of EMT-I personnel with all levels of emergency medical personnel. PREREQUISITE: First Aid CPR Responder
ADVISORY: Eligible for English 280 or English 1A

JPA LAW ENFORCEMENT

JLE 100: Basic Police Academy
Transferable: CSU
This 880 - 1240 variable unit course satisfies all minimum required training mandates governed by the Commission on Peace Officer Standards and Training (POST) entry level Peace Officers. The course includes fundamental principles, procedures and techniques of law enforcement, including: Criminal Law, Patrol procedures, Cultural Diversity, Investigative procedures, Report Writing, Defensive Tactics, Firearms, Leadership, Ethics, Community Relations, Police Vehicles Operations, Traffic Enforcement, Accident Investigation and First Aid/CPR. This course is open to those students who meet and satisfy entry requirements including written examination, physical fitness examination, DOJ fingerprint clearance, medical clearance and medical insurance. This course requires significant time commitments and outside course work including uniform preparation, homework assignments and equipment maintenance as well as mandated field trips as needed to cover all material.

Online Classes - To start your course, go to: https://my.gavilan.edu. You must login by 11:59 p.m. the 1st day of the course and late adds must login within 24 hours of adding or you may be dropped. For help, email your instructor.
JLE 142: Basic Police Academy Modular Level III
Transferable: CSU

This is a 164 hour course certified by the Commission on Peace Officers Standards and Training (POST) and meets the content and hour requirements established by POST for Level III Reserve Police Officers. This course also includes mandated field trips to cover all the material. This course combined with current PC 832 certificate, Level I and Level II certificates meet the regular basic academy Application process including medical clearance, proof of medical insurance, DMV history and DOJ Firearms Clearance.

JLE 158: Canine Update
Transferable: CSU

Students will learn basic and advanced techniques to properly develop K-9 performance and problem solving. The student will also learn the proper use of hard and soft sleeves, hidden sleeve, muzzle, and bite suit. The student will also learn safety techniques in working with Law Enforcement K-9s. This is a pass/no pass course.

PREREQUISITE: POST Certified basic law enforcement academy or equivalent as determined by the Dean of Academy Instruction. Note: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency. Prior to beginning this course students must already be familiar with, and be able to demonstrate all of the skills listed below. These will not be taught in the course, rather they will be the starting point for advanced officer training that builds upon them. These minimum knowledge and skill levels are regarding:
1. Officer safety
2. Proper and safe tactical movement
3. Proper and safe arrest and control techniques
4. Proper and safe ground fighting techniques
5. Proper and safe handling and use of chemical weapons
6. Proper and safe handling and use of nonlethal weapons
7. Familiarity with Penal codes used in policing
8. Familiarity with Vehicle codes used in policing
9. Familiarity with Health and Safety codes used in policing
10. Familiarity with Welfare and Institutions codes used in policing
11. Effective verbal communication used in policing
12. Familiarity with case law pertinent to policing
13. Proper CPR and First Aid Techniques
