Action Item

Proposal:

That the Board of Trustees approve a Kitchell Project Assignment Amendment (PAA) – Art, Art Lecture & Humanities Buildings

Background:

At the February 14 2006 Board meeting, the Board ratified an On-Going Construction Management Services Agreement with Kitchell CEM. The Agreement stipulates that for each individual District project, a separate Project Assignment Amendment (PAA) will be entered into. The attached PAA is for the Art, Art Lecture & Humanities Buildings' Project.

All three buildings will be reconfigured and modernized. The current Art Lecture building will house the music program. The buildings' infrastructure will be replaced and upgraded. New heating and air-conditioning, information technology, plumbing, lighting, fire alarm, and phone system will be installed. The buildings will be made ADA compliant. New finishes will be installed including flooring, ceilings and paint. Toilet rooms will be made ADA compliant.

Budgetary Implications:

This agreement will be paid out of the proceeds of Measure E funds.

Follow Up/Outcome:

Implement the project.
