I. Work to be performed this week (June 23 – June 27, 2014):

*Water Storage Tank, Distribution and Well Improvements:*
- The contractor will continue to layout the main pipeline run on the loop road and continue excavation. There will be traffic control measures in place during this time. Access will be limited to Parking Lot H. Early in the week there will be no access to Parking Lots D, E, and F through the college’s south entrance. Later in the week the contractor will start to layout the main pipeline run through Parking Lot H and continue to excavate. There will be traffic control measures in place during this time.

*Parking Lot C Extension:*
- The contractor will import and compact the aggregate base. Trucks will access the site through the south entrance. Contractor will pour concrete at sidewalks, pad, and parking lot entrance curb. Contractor will start on electrical work.

*GECA:*
- The contractor will continue to work on site subgrade, underground utilities, surveying, paving Modular pad, and working on concrete Stairs.

*Native Garden:*
- No work is scheduled.

*Pond Overlook:*
- No work is scheduled.

II. Work to be performed next week (June 30 – July 4, 2014):

*Water Storage Tank, Distribution and Well Improvements:*
- The contractor will continue to layout the main pipeline run through Parking Lot H and continue to excavate. There will be traffic control measures in place during this time.

*Parking Lot C Extension:*
- The contractor will continue to import and compact the aggregate base, start ac paving of the parking lot and entrance, apply seal coat on the ac paving and start stripping the parking lot.

*GECA:*
- The contractor will continue to work on site subgrade, underground utilities, surveying, paving Modular pad, and working on concrete Stairs.

*Native Garden:*
- No work is scheduled.

*Pond Overlook:*
- No work is scheduled.

III. General Notes:
- Parking Lot C will be closed to the public and staff from June to August. There will be limited access for Gavilan maintenance staff, construction workers and equipment, & the Motorcycle Safety Foundation courses.
