Big Time Education, Hometown Location!

Get ahead at Gavilan College.

There’s no question that today’s economy poses many challenges, both for students and job-seekers. Gavilan College makes your dreams affordable. You can save money by completing the first two years of college close to home, or gain the job skills that help you move ahead in your career.

You may be aware of some of our better-known programs, such as nursing, cosmetology, and law enforcement. Gavilan College also offers outstanding opportunities in career fields like aviation technology, biotechnology, and industrial technology. Students in all fields can benefit by adding computer applications or digital media to their skills, and Gavilan College offers a wide range of options.

Whether your goal is to transfer to a four-year university, to complete an associate’s degree, to achieve career certification, or to improve your skills, Gavilan College has what you need to make your dreams a reality. You don’t have to travel a long distance to go far. We hope to remain your “College of Choice.”

Steven M. Kinsella, D.B.A., C.P.A.,
Superintendent-President

Mission
In an environment that cultivates creativity, stimulates curiosity and emphasizes student learning, Gavilan College serves its community by providing high quality educational and support services that prepare students for transfer, technical and public service careers, life-long learning and participation in a diverse global society.

Visionary Educational Values and Goals

Values
- An imaginative and nurturing community of learners, fostered through rigorous scholarship, creativity, and personal and professional development.
- A college environment and social climate characterized by inclusiveness and mutual respect for all of our students, staff and community.
- Excellence in and promotion of comprehensive programs, services and activities.
- Partnerships that support the educational, economic and social development of the college and the communities we serve.

Goals
- To be known for educational excellence.
- To demonstrate involved and responsive community leadership.
- To increase our accessibility.
- To encourage innovative instruction.
- To lead in the application of appropriate educational technology.
- To promote a harmonious learning and working environment.
Philosophy

Gavilan College is committed to educational excellence. The college aspires to be an exemplary, student-centered community college through leadership, planning, and a commitment to ongoing improvement. Its services and programs are designed to instill the values of critical thinking, life-long learning, cultural understanding, and community service. Gavilan’s quality of service to students is closely bound to the quality of the college staff.

Gavilan College strives to accomplish its mission with creativity and innovation and with a proactive, accessible and sensitive presence in the diverse communities it serves. The college is dedicated to fulfill its mission with compassion, caring and understanding and holds, in high regard, the respect and worth of all individuals.

Purpose

Gavilan College offers a wide range of services, including programs of community education, study in the liberal arts and sciences, and study in the pre-professional, business, vocational, and technical fields. To support student success, we offer services that strengthen and augment the learning environment. Courses and programs of study are offered days, evenings, weekends, and online. All offerings are designed to assist students in meeting their educational and life goals.

Background

Gavilan College’s course of studies includes a two-year lower division program that prepares students for transfer to a four-year college or university. Gavilan College also offers a variety of one-and two-year technical and occupational and pre-professional courses of study that lead to employment. Currently, 26 Associate Degree programs and 24 certificate and career programs are offered.

Currently, more than 6,000 day, evening and online students are enrolled at Gavilan College, and approximately 400 degrees and certificates are awarded annually. The communities served by Gavilan College have experienced rapid growth in recent years, which has brought both economic and structural change to the region. The District is divided into two distinct sub-regions. The northern region (South San Jose and Morgan Hill) is now more technical and industrial, and demographically higher income. The southern part of the district, in San Benito County, is still largely agricultural. Unemployment is high and social services are constrained by ongoing budget problems. The center of the district, Gilroy, has seen rapid growth in residential construction and a booming retail economy providing large numbers of service jobs. The high price of real estate in the Silicon Valley is also having an impact on the District. As families have looked southward for affordable housing while remaining employed in Santa Clara County, large numbers of district residents commute long distances for work.

Orienting a curriculum to meet the needs of this diverse population is challenging. High school students continuing on to post-secondary education, students returning for skills or career grades, and life-long learners represent a substantial, and growing, portion of Gavilan College’s enrollment. However, the number of students needing English language and basic skills acquisition is also increasing.

Organizational Structure

A seven-member Board of Trustees governs the Gavilan Community College District. Voters within the district elect the Trustees for a four-year term. Board meetings are held monthly and are open to the public.

The administrative structure of the college operates under the direction and oversight of the college president, who oversees vice president positions that carry responsibility for administrative, instructional and student services. Deans and Directors provide direct oversight for the tasks related to the provision of administrative, instructional and student services.

Campus and Facilities

Every aspect of the 150-acre Gavilan College campus has been planned to emphasize the student-centered philosophy adopted by the Board of Trustees and the college staff.

The main campus is located south of Gilroy against the hills that form the western boundary of the Santa Clara Valley.

Buildings have been designed and constructed to serve the needs and interests of college students and are equipped with the most recently developed aids to enhance teaching and learning.

Many live oaks native to the area have been preserved, and a series of ponds and waterfalls have been developed to emphasize a pleasant, tranquil setting.

Off-Campus Sites

Gavilan College has off-campus satellite instructional sites at the Briggs building in Hollister, at the Morgan Hill Community Center, and at the Hollister airport. In addition selected credit classes are offered at local high schools, and non-credit classes are offered at senior centers and other community locations.

Accreditation

Gavilan College is accredited by the Accrediting Commission for Community and Junior Colleges and the Western Association of Schools and Colleges, which is listed by the United States Commissioner of Education as a nationally recognized accrediting agency. The college program is approved for veterans’ training. Students who attend Gavilan College can receive full credit in major colleges and universities throughout the United States for appropriate courses completed with a grade of “C” or better.

Services for Students with Disabilities

The Disability Resource Center (DRC) provides services and classes that equalize educational opportunities for students with disabilities as they move toward their educational or vocational goals.

Students requiring academic or physical accommodations because of visual, physical, learning and/or other verified disabilities should contact the DRC at (408) 848-4865.

Services include note taking, academic, career and personal counseling, referral services, learning skills assessment, vocational classes, academic and educational tutoring, registration assistance, mobility assistance, vocational interest exploration, sign language interpreting, real-time captioning, job training and placement, assistive computer technology, accommodations and alternate media services.

AIDS/HIV

“The Gavilan Joint Community College District is committed to providing a safe as well as fair, sensitive and nondiscriminatory environment which is in compliance with Federal, State and local restrictions. The Gavilan Joint Community College District will treat all employees and students equally without regard to their HIV-antibody status or the presence of AIDS disease. An individual with AIDS, or who tests positive for the HIV antibody, will not be denied employment or enrollment for instruction in the district as long as he/she is able to perform in accordance with the respective standards of each position. The District will not deny a person who has AIDS, or tests positive for the HIV antibody, any benefits to which he/she is eligible. Persons with AIDS, or who are perceived to have such conditions, are considered protected under state and federal law and shall be provided with accommodations necessary to meet their disability-related needs. A student with AIDS may be served through state-funded Disability Resource Center if the condition imposes functional limitations that impede access to the educational process. The medical records of a student are confidential and such information may not be related without the written consent of the individual, except as provided by law.

There is no medical necessity to advise co-workers or students of the presence of a person with AIDS or a positive HIV-antibody test. Persons with AIDS or a positive HIV-antibody test result shall not be denied equal access to student unions, cultural or athletic events, dining areas, gymnasium, swimming pools, recreation facilities, or other common areas. Persons with AIDS or a positive HIV-antibody test result shall be given assistance in obtaining referrals to appropriate medical care and counseling.

The Gavilan College Child Development Center shall follow guidelines developed by the Centers for Disease Control for education and care of children with AIDS or a positive HIV-antibody test result.

Open Enrollment

Reference: Title V, sections 58106, 58108

Unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets all prerequisites. Class enrollment is limited by size of facility and program content. Gavilan College is in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

Vocational English Skills

Limited English language skills will not be a barrier to admission to and participation in vocational education programs.

Non-Discrimination

The District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

Prohibition of Harassment and Hate Crimes

Reference: Education Code sections 212.5; 66252; 66281.5

The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment and hate crimes, including those which are based on any of the following statuses; race, color, religion, ancestry, national origin, disability, sex (i.e., gender), sexual orientation, or the perception that a person has one or more of the foregoing characteristics.

Americans With Disabilities Act (ADA) Compliance

If you have a verified disability and need academic materials in an alternate format or other services, contact the Disability Resource Center at 408-848-4865 or the Vice President of Student Services for assistance.
Policies and procedures are subject to Board review and may change. Students are invited to review current policies and procedures by visiting the Gavilan College website at www.gavilan.edu.
Family Educational Rights and Privacy

Gavilan College is in compliance with the Federal Education Rights and Privacy Act of 1974 as amended (sometimes called the Buckley Amendment) and California Title V regulations (SB 182). The following is in effect:

1. Official academic, discipline, and other necessary records are maintained on all students who have applied to attend Gavilan College.
2. Official records are maintained by and in the Admissions and Records Office.
3. Official records will be released only on written request or written permission of the student and upon payment of any and all fees and charges due the college, except as provided by law.
4. The following directory information may be released by Gavilan College without written consent of the student:
   a. name of student
   b. dates of enrollment/attendance at Gavilan College
   c. date of graduation and degree or certificate awarded.

The release of any further information will require written permission of the student, except as provided by law. Students may notify the Admissions and Records Office in writing within the first week of each term that such information indicated in (a), (b), and (c) above is not to be designated as directory information with respect to that student.

5. Students have the right to review their own records. Challenges to these records are required in writing to the Vice President of Student Services. Challenges will be acted upon by the Vice President, and action will be filed with the student’s records, but not released with said records. In the case of disagreement, the Students’ Problem Resolution Process of the college will be followed.

Copies of the complete Federal and State Regulations and the Students’ Problem Resolution Process are available through the Admissions and Records Office and may be reviewed by students by appointment with the Vice President of Student Services or Director of Admissions and Records. The Students’ Problem Resolution Process is available in the appendix of this catalog, online and in the Student Rights, Responsibilities and Academic Standards booklet available through the office of the Vice President of Student Services.

Policy for Children on Campus

Reference: AP 6800

Gavilan College welcomes children to our campus when they are enrolled in course offerings or are accompanied by a parent, legal guardian, or adult caregiver and under appropriate supervision. Our facilities are open to the public, a situation which might present risks to children. It is the College’s goal to maintain a safe and welcoming environment for both children and adults.

The following guidelines exist:

- A child not yet in high school must be under the supervision of an adult who assumes responsibility for him or her unless the child is officially enrolled/participating in a Gavilan course or program.
- Except in situations where young people are officially enrolled/participating, parents, guardians and adult caregivers are responsible for being with children at all times and must monitor all activities and behavior of their children while on campus.
- Any child found unattended will be reported to the Gavilan Security Office and/or the Sheriff’s Department.
- Adult students and employees should plan for childcare as children are not intended to be a part of the classroom learning environment or workplace at Gavilan College.

Campus Posting Policy

Reference: AP 5550

Students shall be provided with bulletin boards for use in posting student materials at campus locations convenient for student use. All materials displayed on a bulletin board shall clearly indicate the author or agency responsible for its production and shall be dated with the date of posting by the Office of the Vice President of Student Services, ASB advisor or designee. Materials displayed shall be removed after the passage of ten (10) days.

Parking

There are two types of campus parking permits - daily and semester. Daily parking permits are available from machines located near each entrance to the campus. No parking fees are charged at the Morgan Hill or Hollister sites. Semester permits are purchased from Admissions and Records during registration and throughout the year.

Student parking is permitted on campus in designated areas only. Traffic rules and regulations are available from the Gavilan College Security Department. Parking regulations are strictly enforced and tickets are issued for violations.

The California Vehicle Code applies to all vehicles on campus and is enforced by local law enforcement and campus security.

Smoke-Free Buildings

Reference: Education Code BP 6500

Smoking is prohibited inside all public buildings, within twenty feet of all entrances/exits, operable windows or ventilation air intake. Smoking is also prohibited in all college-owned vehicles.

Tobacco products shall not be sold on campus either through vending machines or campus establishments.

Implementation of the campus smoke-free environment policy will be the responsibility of every student, faculty member, staff person and visitor on campus.
Transcripts of a student’s permanent academic record are released only with written authorization of the student. Telephone and email requests are not accepted. The first two copies are free. Additional copies may be ordered for a fee.

Withholding Records for Non-Payment of Financial Obligations

Gavilan College may withhold grades, transcripts, diplomas, registration privileges, or any combination thereof, from any student or former student who has been provided with written notice that he or she has failed to pay a proper financial obligation due to the college (e.g., returned checks, book loan payments, outstanding library books, etc.). Any item or items withheld shall be released when the student satisfactorily meets the financial obligation.

Academic Honesty

Reference: Education Code Section 66300, AP5500

Academic honesty depends upon the integrity of the students and faculty. The College itself is defrauded if faculty and/or students knowingly or unwittingly allow dishonest acts to be rewarded academically. It is the faculty's responsibility to make every reasonable effort to foster honest academic conduct. If the faculty member believes that there is evidence of academic dishonesty on the part of a student it is the faculty member’s responsibility to take appropriate action in accordance with these procedures.

Students at Gavilan College have the right to know what constitutes academic honesty at the college and in each course in which they are enrolled.

• Faculty members will apprise their classes of the ethical standards required in their courses and the permissible procedures in class work and examinations.

• A statement referring to this policy as a reference for the class will be presented in the course outline (green sheet)* and/or on the individual examinations.

• Students will be informed of the consequences of violating these standards, their rights of appeal, and the procedures to be followed in the appeal.

ACADEMIC HONESTY PROCEDURES

Reference: BP 5500

The purpose of this procedure is to expand, clarify, and set forth clear levels of authority and disciplinary protocols in response to violations of the Standards of Student Conduct, specifically as it relates to academic honesty. These procedures guarantee the student or students involved the due process rights extended to them by state and federal constitutional protections. The procedures will be used in a fair and equitable manner, and not for purposes of retaliation.

Definition of Academic Dishonesty: The act of deliberately exhibiting a set of unacceptable behaviors that defy ethical and scholarship standards.

Examples include but are not limited to:

- Purposely allowing another student to copy from another student during a test.
- Giving homework, term paper or other academic work to another student to plagiarize.
- Having another persons work submitted in another’s name.
- Lying to an instructor or college official to improve a grade.
- Altering graded work after it has been returned, then submitting the work for re-grading (without knowledge of the instructor).
- Removing test(s) from classroom or any other place without instructor’s approval.
- Stealing tests or keys to tests.
- Forging signatures on drop/add slips or other college documents.

Definition of Cheating: The act of obtaining or attempting to obtain credit for academic work through any dishonest, deceptive, or fraudulent means.

Examples include, but are not limited to:

- Copying, in part or in whole, from another’s test or other evaluation instrument or obtaining answers from another person during the test without instructor’s approval.
- Submitting work previously presented in another course, if contrary to the written rules of the course.
- Using or consulting, during an examination, sources or materials not specifically authorized by the instructor.
- Intentionally altering, changing, misusing documents or records. Knowingly furnishing false information or generally interfering with grading procedures or instruction of a class.
- Any other act committed by student(s) in the course of academic work, which defrauds or misrepresents, including aiding or abetting, in any of the actions defined above.

Definition of Plagiarism: The act of incorporating the ideas, words, sentences, paragraphs, or parts thereof, or the specific substance of another’s work without giving appropriate credit, and representing the product as one’s own work. An example can include, but is not limited to:

- Representing another’s artistic/scholarly works such as musical compositions, writings, computer programs, photographs, paintings, drawings, scriptures, or similar works as one’s own.

REPORTING PROCEDURES

When a Gavilan faculty member, responsible for a course, has reason to believe, and has evidence to substantiate, that the behavior of a student or students falls within one or both of the above sets of definitions, it is an instructor’s responsibility to take the following steps:
1. Arrange an office conference with the student and at that time advise the student of the allegations and make him or her aware of the supporting evidence and the probable consequences. Any classroom confrontation should be as discreet as possible. If, as a result of this meeting, the instructor believes that the student’s response is insufficient to offset the charge of academic dishonesty to the extent that the student may be excused, the instructor will inform the student of the sanctions to be recommended or assessed in accordance with this policy.

2. At the discretion of the instructor, a written report of the infraction and the sanction taken may be submitted to the Vice President of Instruction with a copy to the appropriate area Dean.

3. When a student, who has been informed of an impending conference to discuss the alleged dishonesty, fails to attend, or when the apparent dishonesty is detected near the end of the semester and the instructor makes a good faith effort to contact the student but is unable to do so, the instructor may impose the recommended sanctions and file a written report to the area Dean and Vice President of Instruction without a conference. In either case, the student’s right to appeal is preserved.

SANCTIONS

There shall be two major classifications of sanctions that may be imposed for Academic Honesty violations: Academic and Administrative. The imposition of one variety of sanction (Academic or Administrative) will not preclude the addition of the other.

- Academic sanctions will be defined as those actions related to coursework and grades. Faculty are responsible for the type of academic sanction to be applied to students involved in incidents of cheating or plagiarism. Usually a form of “grade modification” will be employed.

- Administrative sanctions concern a student’s status on campus and are acted on by the Vice President of Instruction.

Faculty Discretion: Cases involving the careless or inept handling of quoted material but falls short of the definitions of the acts of cheating and/or plagiarism as defined in this policy, may be dealt with at the discretion of the faculty member concerned.

Academic Sanctions: Before sanctions can be employed, the faculty member must have verified the instance(s) of academic dishonesty by personal observation and/or documentation. In all cases the violation should be reported to the area Dean. A student may be:

1. Reprimanded orally. A student may be referred for counseling but cannot be required to seek counseling.
2. Failed in the evaluation instrument (paper or exam).
3. Reduced course grade, including possible failure of course.
4. Referred for administrative sanctions. A faculty member may choose to refer a student to the Vice President of Instruction for disciplinary action in lieu of any academic sanction or in addition to the academic action the faculty member has taken.

Administrative Sanctions: As stipulated in the California Administrative Code, Sanction 41301, cheating or plagiarism in connection with an academic program at a campus may warrant expulsion, suspension, probation or a lesser sanction. Administrative action involving academic dishonesty at Gavilan is the responsibility of the Vice President of Instruction according to the Standards of Student Conduct (Student Discipline Procedures, AP5520). The Vice President of Instruction will notify faculty members involved when action has been taken.

The Vice President of Instruction will respond to:

1. referrals from the dean
2. flagrant violations of academic standards; and
3. repeat violations as brought to his/her attention by the faculty or through the written reports filed with the Vice President of Instruction.

PROTECTION OF RIGHTS

Nothing in this procedure is intended to deny students who come within its scope appropriate "due process". Students have the right to be informed of the charges, the nature of the evidence supporting the charges, and to have a meeting with the faculty member, Vice President of Instruction, or other decision-makers. Students have the right to appeal any decision resulting from such a meeting.

1. Academic sanctions may be appealed through the Vice President of Instruction in accordance with the Students' Problem Resolution Process.
2. Administrative sanctions resulting in disciplinary suspension or expulsion can be appealed through the Student Discipline Procedures. (Student Discipline Procedures, AP5520) (Education Code 66017).

Standards of Student Conduct

Reference: Education Code Section 66300 and BP 5500

Gavilan College is dedicated to promoting a harmonious learning and social environment characterized by mutual respect for all our students, staff and community. A student enrolling at Gavilan College assumes an obligation to act in a manner compatible with the college's function as an educational institution. Students and visitors are expected to obey all federal laws that pertain to behavior on a college campus or at a campus-sponsored event.

The following standards of conduct represent reasonable expectations of student behavior and violations shall constitute good cause for discipline, including but not limited to the removal, suspension or expulsion of a student.

1. Causing, attempting to cause, or threatening to cause physical injury to another person.
2. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including, but not limited to, any facsimile firearm, knife or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a district employee, which is concurred in by the Superintendent/President of the College.
3. The manufacture, possession, use, sale, offer to sell or furnishing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.

4. Committing or attempting to commit robbery or extortion.

5. Caus[ing or attempting to cause damage to district property or to private property on campus.

6. Stealing or attempting to steal district property or private property on campus, or knowingly receiving stolen district property or private property on campus.

7. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the college or the District.

8. Committing sexual harassment as defined by law or by District policies and procedures.

9. Engaging in harassing or discriminatory behavior based on race, sex (i.e., gender), religion, age, national origin, disability or any other status protected by law.

10. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing or other injury to any real or personal property owned by the District or on campus.

11. Disruptive behavior, willful disobedience, habitual profanity or vulgarity or the open and persistent defiance of the authority of, or persistent abuse of, college personnel.

12. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty.

13. Dishonesty; forgery; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the District.

14. Unauthorized entry upon or use of college facilities.

15. Lewd, indecent or obscene conduct on District-owned or controlled property, or at District-sponsored or supervised functions.

16. Engaging in expression which is obscene; libelous or slanderous; or which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.

17. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.

Students who engage in any of the above are subject to the procedures outlined in Student Discipline Procedures (Administrative Procedures 5520, Education Code section 66300, 72122, 76030.)

---

**Student Discipline Procedures**

Reference: Education Code Section 66300, 72122, 76030, AP5520

The purpose of this procedure is to provide a prompt and equitable means to address violations of the Standards of Student Conduct (BP5500). The procedure guarantees the student or students involved the due process rights extended to them by state and federal constitutional protections. The procedure will be used in a fair and equitable manner, and it is not extended to substitute for criminal or civil proceedings that may be initiated by other agencies.

In all disciplinary actions the student will be notified of the nature of the charges against him/her, that he/she is given a fair opportunity to refute them, and that the institution will not be arbitrary in its action.

**DISCIPLINARY ACTIONS AND PROCEDURES**

The type of sanction rendered for a violation of the Standards of Conduct shall be determined by the appropriate college officials or committee. Penalties are listed in the degree of severity, but not in chronological administration. They are:

1. **Admonition:** An oral statement to student offender who has violated college rules.

2. **Warning:** Notice to student, oral or in writing, that continuation or repetition of wrongful conduct may be cause for additional disciplinary action. Written warnings may be considered in the event of future violations.

3. **Reprimand:** Written statement of violation of a specified regulation including the possibility of more severe disciplinary action. Reprimands may be considered in the event of future violations.

4. **Disciplinary Action:** Exclusion from participation in privileges or extracurricular activities as set forth in the notice of disciplinary action.

5. **Restitution:** Reimbursement by the student for misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.

6. **Removal from Class:** [Education Code Section 76032] An instructor may remove a student from his/her class when the student has interfered with the instructional process. Duration will be for the day of the removal and the next class meeting.

   a. Instructors must complete the Student Removal from Class form and submit the form to the area Dean.

   b. The Dean shall arrange for a conference between the student and the instructor regarding the removal. If the instructor or the student requests, the Dean shall attend the conference.

   c. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the Dean from recommending further disciplinary procedures in accordance with these procedures based on the facts which led to the removal.
7. Summary Suspension: A summary suspension is for the purpose of investigation. It is the means of relieving the campus of tension due to serious misconduct, removing a threat for the well-being of students, or removing a student or students whose presence would prevent the continued normal conduct of the college community. Summary suspension is limited to that period of time necessary to ensure that the investigation is accomplished. This summary suspension shall not exceed ten (10) school days.

8. Disciplinary Suspension: Exclusion from classes and other privileges or activities as set forth in the notice of suspension for definite period of time. Conditions for readmission will be stated in the notice of suspension.
   - A short term suspension is exclusion from one or more classes for a period of up to ten (10) consecutive school days.
   - A long-term suspension is exclusion from one or more classes for the remainder of the school term, or from classes and activities of the college for one or more terms.

9. Expulsion: Termination of student status for an indefinite period. The conditions of readmission, if permitted, shall be stated in the order of expulsion.

ADMINISTRATIVE CORRECTIVE MEASURES FOR MISCONDUCT

1. Immediate Interim Suspension [Education Code Section 66017]: The President of the College or designee may order immediate suspension of a student where he or she concludes that immediate suspension is required to protect lives or property and to ensure the maintenance of order. In cases where an immediate interim suspension has been ordered, the time limits contained in these procedures shall not apply. The right to a Disciplinary Appeal Hearing (when a long-term suspension or expulsion is recommended) will be afforded to the student within ten (10) school days of the disciplinary action.

2. Withdrawal of Consent to Remain on Campus. The Vice President of Student Services or designee may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he or she must promptly leave or be escorted off campus. If consent is withdrawn by the Vice President of Student Services a written report must be promptly made to the President of the College. The person from whom consent has been withdrawn may submit a written request for a Disciplinary Appeal Hearing within ten (10) school days of the withdrawal. The hearing will be conducted in accordance with the provisions of this procedure relating to Immediate Interim Suspensions. In no case shall consent to remain of campus be withdrawn for longer than twenty (20) school days from the date upon which consent was initially withdrawn. Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest. [Penal Code Section 626.4]

DISCIPLINARY APPEAL HEARING PROCEDURES

1. Request for Hearing. Within five (5) school days after receipt of the President's decision regarding a long-term suspension or expulsion, the student may request a formal hearing. The request must be made in writing to the President of the College or designee. Appeals are only heard for long-term suspensions and expulsions.

2. Schedule of Hearing. The formal hearing shall be held within five (5) school days after a formal request for hearing is received.

3. Composition of the Hearing Panel. The hearing panel for any disciplinary action shall be composed of one administrator, one faculty member, and one student.

4. Selection of the Hearing Panel Members. The President of the College, the President of the Academic Senate, and the ASB President shall each, at the beginning of the academic year, establish a list of at least five (5) persons who will serve on student disciplinary hearing panels. The President of the College shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

5. Hearing Panel Chair. The President of the College shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.

6. Conduct of the Hearing. The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins. A college representative who shall be the Vice President of Student Services shall present the facts supporting the accusation.
   a. The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.
   b. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted. Unless the hearing panel determines to proceed otherwise, the college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by substantial evidence that the facts alleged are true.
7. Representation. The student may represent him or herself, and may also have the right to be represented by a person of his or her choice. The student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student wishes to be represented by an attorney, a request must be presented not less than five (5) school days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the college representative may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

8. Confidentiality. Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than five (5) school days prior to the date of the hearing.
   a. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.
   b. The hearing shall be recorded by the District either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask people present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. Tape recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.
   c. All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape-recorded is not available.

9. Decision. Within ten (10) school days following the close of the hearing, the hearing panel shall prepare and send to the President of the College a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

**APPEAL PROCESS AFTER HEARING PANEL DECISION**

Long-term suspension. Within ten (10) school days following receipt of the hearing panel’s recommended decision, the President of the College shall render a final written decision. The President of the College may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the President of the College modifies or rejects the hearing panel’s decision, the President of the College shall review the record of the hearing, and shall prepare a new written decision, which contains specific factual findings and conclusions. The decision of the President of the College shall be final.

Expulsion. Within ten (10) school days following receipt of the hearing panel’s recommended decision, the President of the College shall render a written recommended decision to the Board of Trustees. The President of the College may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the President of the College modifies or rejects the hearing panel’s decision, he or she shall review the record of the hearing, and shall prepare a new written decision, which contains specific factual findings and conclusions. The President of the College decision shall be forwarded to the Board of Trustees.

The Board of Trustees shall consider any recommendation from the President of the College for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

- The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. (Education Code Section 72122)
- The student shall be notified in writing, by registered or certified mail or by personal service, at least three (3) school days prior to the meeting, of the date, time, and place of the Board’s meeting.
- The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.
- Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.
- The Board may accept, modify or reject the findings, decisions and recommendations of the President of the College and/or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision, which contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.
**Students’ Problem Resolution Process**

Reference: AP5530

Conflict and miscommunication are, unfortunately, a fact of life. Choosing how we deal with difficult issues becomes a personal choice we all must make.

In the educational environment, there are also times when a student and a college employee (faculty/teacher/instructor, support staff, or administrator) may have a problem or issue which needs some clarification and resolution. Therefore, Gavilan College has a procedure to help students address problems and work on solutions that hopefully benefit all the people involved.

The following process for resolving issues is called THE STUDENTS’ PROBLEM RESOLUTION PROCESS and applies to specific situations on campus.

There are also times when the students’ attempt to resolve problems must follow laws determined by the Federal Office of Civil Rights. These situations include alleged discrimination or harassment around race/ethnicity, sexual harassment, disability, religion, gender, color, national origin and age. If you feel you have experienced discrimination based upon any of these actions, you must follow a separate procedure available from the Gavilan College affirmative action officer. Consult with the staff at the office of the Vice President of Administrative Services located in HR 101.

The areas covered by the STUDENTS’ PROBLEM RESOLUTION PROCESS can include an issue with a grade (within Education Code 76224 limitations), poor communication or negative behavior between you and a staff member, etc. We encourage you to speak with a counselor for assistance in clarifying your issues and understanding the correct process to follow.

If your problem is with a faculty member, you need to be aware of the concept and rights surrounding “academic freedom.”

**ACADEMIC FREEDOM**

It shall be the policy of the college to maintain and encourage full freedom for its faculty, to teach, research and pursue knowledge subject to the applicable provisions of law.

In the exercise of this freedom the faculty member may, as provided in the U.S. and California Constitutions and other applicable laws, discuss his/her own subject or area of competence in the classroom, as well as any other relevant matters, including controversial matters, so long as she/he distinguishes between personal opinions and factual information.

Faculty shall be free from unlawful harassment or from unlawful interference or restrictions based on political views.

Faculty shall be free from any and all forms of electronic or other listening or recording devices, except with his/her express and non-continuing consent, except where allowed otherwise by law.

The Board shall not unlawfully inquire into, nor predicate any adverse action upon a faculty member’s personal, political or organizational activities or preferences.

The Board shall not interfere with a faculty member’s freedom of speech or use of materials in any teaching assignment, except as allowed by law.

The intent is to allow those activities protected by constitutional freedom of speech and other forms of academic freedom protected by the laws of the State of California and the laws of the United States. (From the Gavilan College Faculty Contract, Article VII, Academic Freedom.)

The college also recognizes and understands the hesitation you may feel when considering addressing a problem with an instructor. You may fear that your grade in the class may suffer, you may later need to take another course from this instructor, or that “nothing will change, so why bother?”

Because of these perceptions, you may sometimes think it is not worth trying to clear up a misunderstanding or resolve a conflict. We hope that you do try to resolve any problems, as unresolved issues take energy away from other aspects of your life.

The basic premise of any problem-solving is that you must discuss the problem with the person who is directly involved. Although this is sometimes difficult, it is the best way to resolve a problem.

This PROBLEM RESOLUTION PROCESS also requires this first step. Preparation for your problem-solving session includes asking yourself the following:

1. What was the specific behavior with which I have a problem?
2. How did this behavior make me feel?
3. What specific actions do I want to see as part of a possible resolution?

Too frequently our emotional reactions to an incident cloud the actual behavior to which we are reacting. These common reactions can also prevent us from clearly stating what we would like to have happen as a resolution.

You can work on identifying the problem alone or work through it with a counselor, staff member or friend. This preliminary thinking should help you present your concerns in a clear and concise manner.

**STEPS FOR STUDENTS’ PROBLEM RESOLUTION PROCESS:**

The purpose of this procedure is to provide a prompt and equitable means to address complaints as applied to and regarding academic, administrative, and instructional matters relating to students, and including, but are not limited to, any complaints dealing with any certificated, classified, or management employee of Gavilan College.

The areas covered by this procedure can include, but is not limited to poor communication, negative behavior between the student and a college representative. Students with issues regarding grades must be aware of the Education Code Section 76224 (a) which govern grievances relating to course grades. The code states: “When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the students’ grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final.”
This procedure is not appropriate for situations regarding alleged discrimination or harassment around race/ethnicity, sexual harassment, disability, religion, gender, color, national origin, and age (please refer to AP 5530).

This procedure guarantees to the student or students involved the due process rights guaranteed to them by state and federal constitutional protections. This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by other agencies.

**Step 1** Within ten (10) school days of an incident, a student must meet with the person with whom they have a problem. The student may bring another person of their choice (i.e., staff, friend, student) to the meeting. This person is not to speak for the student, but can provide support and quiet encouragement. If the student is still dissatisfied, the student must notify the staff person that they will be taking the problem to the next step.

**Step 2** Within ten (10) school days of Step 1, the student must meet with the department chairperson or supervisor of the person with whom they have the problem. The department chairperson or supervisor can ask the student, the students' supporter, and the staff member to meet together, or meet separately with the student and the staff person with whom there a problem. The department chairperson/supervisor can meet with the student again to discuss the problem, review what occurred at the previous meeting (Step 1) and discuss the students' proposed resolution. The student may bring to the meeting the same person from the first meeting to act as a supporter. If the student is still dissatisfied, the student will move to Step 3 of the process.

**Step 3** The student must meet with the dean of the related area within ten (10) school days of Step 2. This meeting will include the student, the department chairperson/supervisor, and the dean of the related area. During this meeting the outcomes of prior discussions will be reviewed and proposed resolutions discussed. If the student is still dissatisfied, the student will move to Step 4 of the process.

**Step 4** Within ten (10) school days of Step 3, the student must meet with the Vice President of the area. During this meeting the outcomes of prior discussions will be reviewed and proposed resolutions discussed. If the student is still dissatisfied, within five (5) school days, the student must notify the Vice President with whom they met in step 4, that a hearing committee review is requested to resolve the issue. This request will be forwarded to the Superintendent/President of the College who, within five (5) school days from receiving the request, will convene a hearing committee at a time to be determined by the college President.
Step 5 Within five (5) school days after receiving a request, the Superintendent/President of the College will convene a committee to hear the issue.

This committee will be composed of:

a) A student appointed by the ASB
b) One faculty member from an unrelated discipline appointed by the Faculty Senate
c) One faculty member appointed by the Counseling Department chairperson
d) One member of the classified staff from an unrelated area appointed by the Professional Support Staff President
e) One area Dean or vice president from an unrelated area appointed by the college Superintendent/President
f) The department chairperson or supervisor from the area involved.

The Hearing Committee will conduct the hearing in private. They will call the student or related personnel if they think it will help resolve the problem. The committee will make recommendations for a win-win resolution and forward these recommendations to all the involved parties and the Superintendent/President of the College.

If either the student or the college staff member is not satisfied with the recommendations of the Hearing Committee, the next step in the process, an appeal, will follow. The student must request an appeal within five (5) school days after the Hearing Committee’s recommendations were received by the student and the related college staff member. If not, the resolution process is closed and there is no appeal.

Step 6 An appeal may be made to the college Superintendent/President.

This step requires that the student or the other staff member involved write a letter outlining the action taken so far and the hoped-for resolution. The College Superintendent/President will review this letter and the recommendations from the Hearing Committee. She/he will schedule and hold a private meeting with the student to discuss and, hopefully, resolve the problem.

If the student or the staff member does not feel satisfied with the President’s resolution, a final step may be taken.

Step 7 A written appeal may be made to the college’s Board of Trustees.

The Board must respond in writing within thirty-five (35) school days of receiving the written appeal. This is the last step in the college’s Problem Resolution Process. Decisions at this level are final.

School Day: For the purposes of this procedure, a ‘school day’ is any Monday through Friday that all normal college business is conducted, both in the classroom and in the administrative offices. All weekend and college holidays are not considered school days.
**Student Services and Instructional Support**

**Student Support Programs/Services**
- Basic Skills Program
- CalWORKs
- Disability Resource Center (DRC)
- Extended Opportunity Programs & Services (EOPS)
- CARE
- First Year Experience
- Learning Communities
- Math, Engineering, Science Achievement (MESA)
- Puente
- TRIO

**Instructional Support**
- High Tech Center (DRC)
- Learning Skills Lab (DRC)
- ESL Computer Lab
- Library and Information Technology
- Math Lab
- Printing Services
- Tutoring Services and Computer Place
- Writing Center
Student Learning Outcomes

The Student Services Division offers numerous programs and services to help students with their success. By taking advantage of these services students will be able to:

• identify and use appropriate support programs and services
• create achievable educational goals
• identify and advocate for their personal and educational needs

Academic Skills Assessment (Placement Assessment)

Placement assessment will help ensure that students are enrolled in courses that match their abilities in language and computational skills. Placement scores, together with other indicators of a student's abilities, are used by counselors to recommend appropriate course placements.

First-time college students are expected to complete the college skills assessment designed to measure their achievement in reading, language usage, and mathematics. This placement assessment is administered in English and is not intended for applicants to the English as a Second Language (ESL) program.

Students must have completed the eighth grade to be eligible for assessment services

ABILITY TO BENEFIT

Federal regulations require students who do not have a high school diploma, General Educational Development (GED) certificate or California High School Proficiency Exam (CHSPE) and who are applying for financial aid, to take an “ability to benefit” assessment. If you have a high school diploma (or equivalent) from another country you are exempt. See page 24 (Ability to Benefit Test) for information on assessment for non-English speakers.

RE-ASSESSMENT SESSIONS:

Students who have previously taken the placement assessment may re-test after thirty (30) days. You may re-assess once per semester. Call the Assessment Office to confirm dates, times and locations or visit the Assessment website at http://www.gavilan.edu/admit/assess.html.

For additional information about assessment see page 32.

PROCTORING

Gavilan College Student Services and the Assessment Office are committed to offering outstanding customer service. We want to be a part of your educational success. The Assessment Office offers test proctoring services for students enrolled in correspondence or online courses at other institutions. There is an hourly fee charged for these services. Contact the Assessment Office for more information.

Assessment for Disability Resource Center

The Disability Resource Center (DRC) provides individualized assessments of students’ strengths and weaknesses in reading, mathematics, written language, reasoning, oral language, perception and memory. The results are used to determine the students’ eligibility for services of the Learning Skills Lab and/or other DRC services.

Career Services

The Career/Transfer Resource Center offers numerous resources to help in making career decisions, plan for college, obtain specialized training or enter an academic or vocational program at Gavilan College. Career-related services are available to currently enrolled students, prospective students, faculty, staff, and community members.

The computerized career guidance program, EUREKA, aids in researching occupations, identifying which colleges offer specific majors, and investigating financial aid and scholarships. EUREKA (California Career Information System) contains information on hundreds of occupations, programs of study, financial aid, short-term training, colleges and universities, and scholarships.

Career/Vocational Planning

A number of assessment inventories are available through enrollment in GUID 1/PSYC 5 (Self-Assessment/Career Development) course.

Child Development Center/Preschool/Infant Toddler

The Child Development Center provides care for preschool children in two state-funded programs for families whose monthly income meets eligibility criteria. In addition, a fee based preschool/infant toddler program is available to all parents. These programs serve children with disabilities and special needs as well as children who are limited or non-English speaking. The Center is the only facility in Gilroy that is accredited by the National Association for the Education of Young Children (NAEYC)

Counseling Services

Gavilan College provides a staff of full-time professional counselors to assist students in meeting educational, career and life goals by offering guidance courses and workshops in career planning, study skills, general transfer requirements and other topics. Counselors also help students with Transfer Admissions Agreements (TAA’s), and ensuring that students meet their transfer goals in a timely manner. Career counseling is available to enable students to understand their values, interests, and skills and to research a variety of career options. The career planning process also assists students in learning to manage job/life transitions.

Counseling is available to students who are uncertain about their plans for the future, who are experiencing difficulty in making appropriate decisions, or who have any other personal or social problem which is interfering with
adjustment to college. Personal counseling is available on a short-term basis. Counseling is also available in the DRC, TRIO and EOPS/CalWORKs Departments and from the college health nurse when concerns are health-related. In addition, the counselors make appropriate referrals to various community agencies.

Students may seek assistance of any counselor by scheduling an appointment or by dropping in during day or evening hours. Students can schedule their own appointment by using the computer system outside the counseling secretary’s office (SC 113).

Many of the counselors are bilingual (Spanish/English).

ACADEMIC COUNSELING
The Counseling Department provides academic counseling services. The counseling faculty help students develop an educational plan early in their college years so that transfer to a four-year university, the completion of a career certificate or degree, or the identification of an educational goal, if a student is undecided, can be accomplished in a timely manner. With an educational plan, students are able to register and progress through their program with more independence. Periodic updates of the educational plan with a counselor will keep a student on track for graduation. Four-year universities and Gavilan College A.A./A.S. degrees have many different requirements. Knowing which general education pattern to follow and selecting the correct courses can be accomplished through academic counseling. Appointments and drop-in services are available. For additional information on counseling see page 32.

Health Services
Gavilan College provides a full-time College Health Nurse who provides health services, information and referrals in a quiet, confidential setting for students enrolled in credit classes.

Health Services is a comprehensive “one-stop” center for a variety of health services and is located in Student Center 118. Services are free and available Monday through Friday. Students receive confidential personal health counseling with a Master's prepared Registered Nurse for numerous health concerns, e.g., birth control, sexually transmitted diseases, wellness, lifestyle changes, etc. Health Services provides first aid treatment, blood pressure screening, tuberculin skin testing for work/study students, HIV testing referrals, condoms and over-the-counter medications such as aspirin.

Health education pamphlets are available on over 100 topics. Classes and workshops on nutrition, hepatitis, stress management, AIDS and other health topics are provided in small group settings. Referrals for health conditions including alcohol and drug intervention are also available. The website with a Virtual Health Center is available at www.gavilan.edu/health.

Health Services provides first aid kits on campus for student use and responds to campus emergencies. Information regarding low cost health insurance for the college students is also available at www.wellsfargo.com/student insurance. Students are encouraged to utilize the Health Center.

The health fee paid as part of registration fees helps support these services in addition to supporting accident insurance for students.

DRUG PREVENTION AND INTERVENTION PROGRAMS
Gavilan College, in cooperation with alcohol and drug service agencies within Santa Clara County and San Benito County, provides students with a drug education and prevention program.

Student-to-Student Mediation
Mediation services will provide students with an opportunity to problem-solve together in a safe environment. Trained student mediators will work with two or more students who are in conflict to reach mutually agreeable solutions. Mediation services are free and confidential.

Students wishing to become mediators can register for Introduction to Conflict Resolution (Psychology 6).

To obtain mediation services, contact the Counseling Department.

Transfer Services
The Career/Transfer Resource Center is designed to provide support services to students who are interested in transferring to a four-year college.

Services include specific transfer information, information on university majors and graduation requirements, assistance with filling out applications, scheduled meetings with university representatives and applications for the CSU and UC systems (a limited number of private school applications are also available.)

The center also provides a resource library of college catalogs and books, referrals to transfer counselors to assist with planning and CSU application fee waivers.

An annual Transfer Day is held each fall with over 40 colleges and universities participating.

ASSIST
ASSIST is a computerized student-transfer information system that can be accessed over the internet. It displays reports of how course credits earned at one California college or university can be applied when transfered to another. ASSIST provides the most accurate and up-to-date information available about student transfer in California. www.assist.org.

Transfer Institute
The Transfer Institute (TI) is a selective program designed for students who want to transfer to a public or private university in two years. Recent high school graduates who are academically prepared for college level work with placement in college level English and Math 233 are eligible.

The Transfer Institute will guide the student through the transfer process in the most efficient and effective means possible.

As a part of the Transfer Institute students will save time and money by completing the freshman and sophomore years at Gavilan College. Students will also meet and get to know other students who share their goals and ambitions.
Transfer Institute students receive:

- early registration
- a dedicated counselor to guide and monitor you through the transfer process
- pre-transfer events and activities with four-year universities
- access to activities designed to ensure your success at Gavilan College
- assistance with the identification of and preparation for a college major
- a two-year agreement guaranteeing transfer goals.

Contact the Counseling Department for additional information.

---

**Financial Aid Office**

Gavilan College participates in several types of financial aid programs. These programs are designed to assist students who need financial support in order to pursue their college education. Financial aid programs are funded through various sources: federal, state and private agencies.

**APPLICATION PROCEDURE**

The FAFSA (Free Application for Federal Student Aid) determines your eligibility for the financial aid programs listed below. Students may complete and submit the FAFSA through a paper application or online at www.fafsa.ed.gov. Be sure to include the Gavilan College school code on your FAFSA so that the Financial Aid Office can receive your processed application. Our school code is 001202.

Applications for each academic year are made available in January. Deadlines for the various programs vary considerably. You are encouraged to call or visit the Financial Aid Office for more information.

**Grants**

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant
- Federal Work Study Grant
- Academic Competitiveness Grant
- Cal Grant B
- Cal Grant C
- Chafee Grant
- Child Development Grant
- Extended Opportunity Programs & Services Grant
- Cooperative Agencies Resources for Education Grant
- TRIO Grant

**Board of Governors (BOG) Fee Waiver**

The BOG waives tuition for California residents who meet program guidelines. More information can be found at www.gavilan.edu/finaid/apply/waiver.html.

For Gavilan College students registered in credit classes:

**Services include:**

Health education information • First aid • Over the counter medication • Access to low cost health insurance • Confidential counseling • Birth control information • Condoms • Alcohol and drug information • TB skin testing (call for scheduling) • AIDS/STD information • Referrals to numerous agencies and for various issues such as physical health, wellness concerns, mental health, family planning and others.

**Health Services** is located in the Student Center, Room SC 118 (near Admissions and Records)

(408) 848-4791
www.gavilan.edu/health
**Loans**
- Subsidized Stafford Loans
- Unsubsidized Loans
- Parent Plus Loans

**Ability to Benefit (ATB) Assessment and Combined English Language Skills Assessment (CELSA)**
Federal regulations require students who do not have a high school diploma, general educational development certificate (GED), or California High School Proficiency Exam (CHSPE) to take and pass an assessment to satisfy this requirement to qualify for certain financial aid programs.

Native English speakers who do not have a high school diploma, GED, or CHSPE are required to take the ATB assessment. Contact the Financial Aid Office for an appointment for the ATB.

Students with limited English language skills who are enrolled in English as a Second Language courses and do not have high school diploma, GED, or CHSPE are required to take and pass the CELSA. Contact the Financial Aid Office to schedule an appointment for the CELSA.

**SATISFACTORY ACADEMIC PROGRESS POLICY**

**Background**
The Financial Aid Office at Gavilan College is required to measure your academic progress toward a Certificate, Associate degree, or Transfer program. If you are not pursuing one of these educational goals, you are not eligible for federal student aid and certain state aid at Gavilan College.

The Financial Aid Office will review your academic history at Gavilan College after we receive your processed FAFSA (Free Application for Federal Student Aid) and for each term/session thereafter in the academic year. Your academic status will be determined according to the guidelines set forth in this policy. These standards apply to all periods of enrollment whether or not you have received financial aid. These requirements differ from and are separate than those policies set forth by Admissions & Records.

Should you be placed on disqualification, you will be ineligible for Pell Grants, Supplemental Educational Opportunity Grants, Academic Competitiveness Grants, Federal Work Study, Federal loans programs as well as the following state financial aid programs: Cal Grants. These SAP standards do not apply to the Board of Governors Fee Waiver (BOG).

**Minimum Standard Requirements**

- **Requirement #1:** Maintain a cumulative grade point average of at least 2.0.
- **Requirement #2:** Complete the required number of units each semester, session.

The number of units you must complete each semester, session depends on your enrollment status. Your enrollment status is determined by the number of units you attempt each semester. Any course that appears permanently on your academic transcript is an attempted course.

**Unit Completion Requirement Chart for Fall, Spring Semesters**

**Maximum Time frame Requirement**
A maximum allowable time frame of 150% of your educational goal/program length is permitted. For an A.A., A.S., or Transfer Degree program, this is equivalent to 3 years or six semesters of full-time enrollment. For a Certificate program, this is equivalent to 1.5 years or 3 semesters of full-time enrollment. Programs that vary in length will be taken into consideration.

- **Remedial Courses and/or ESL Courses**: If you must take remedial and/or ESL courses in order to achieve your educational goal, your maximum allowable time frame will be extended by up to 30 units of remedial coursework and all required ESL coursework.
- **Prior College/University Units**: Prior units from other colleges/universities for which you seek credit towards your major at Gavilan College are subject to the "Maximum Allowable Timeframe."
- **Course Repetition**: You may repeat courses in accordance with the Admissions & Records policy; however, all coursework attempted is included in the maximum allowable timeframe.

**Financial Aid Academic Progress Statuses**

- **Satisfactory**: Students in any of the following three categories are considered to be in a "satisfactory" financial aid status:
  - **New Students**: Students who have no previous academic history at Gavilan College.
  - **Continuing/Returning Students**: Students who have taken courses at Gavilan who are meeting the minimum standard requirements and have not reached or exceed the maximum time frame for their program.
Students who reach or exceed the Maximum Time Frame of their program will be placed on disqualification. Students who have extenuating circumstances may appeal a disqualification status due to exceeding the maximum time frames.

### Probation:

Students in any of the following two categories are considered to be ON financial aid "probation":

- Students who have not met the minimum standard requirements (GPA, unit completion). These students are eligible to receive financial aid while on probation, but are required to meet the minimum standards by the end of the subsequent term for which the student enrolled and completed. At the end of such term, if the student does not meet GPA or unit completion requirements, they will be placed on disqualification. Students who will meet GPA and unit completion requirements will be moved to a satisfactory status.

- Students who have an approved "Maximum Time Frame Appeal" are placed on probation for the duration of their program. These students are required to maintain the Minimum Standards Requirements to continue receiving financial aid. If the Minimum Standards Requirements are not met, they become ineligible.

### Disqualification:

Students in any of the following two categories are considered to be in financial aid "disqualification":

- Students who are on financial aid probation and who do not meet the Minimum Standards Requirements will be placed on disqualification. Students who have extenuating circumstances may submit an "Appeal of Disqualification Status" and an "SAP Quiz" to be reconsidered for financial aid. The Financial Aid Office will review appeals and quizzes to decide whether to approve or deny financial aid for the semester in which the appeals forms are submitted. Students who appeal their status if they had extenuating circumstances. While on disqualification, students will not be eligible for federal student aid and certain state grants.

- Students who reach or exceed the Maximum Time Frame of their program will be placed on disqualification. Students are not eligible to receive certain financial aid while on disqualification. For a listing of grant and loan programs affected by a disqualified status, please see the section titled "Background." Students who have extenuating circumstances may appeal a disqualification status due to exceeding the maximum time frames.

### Ineligible:

The following students are considered to be in an "ineligible" academic progress status with financial aid:

- Students who have an approved "Maximum Time Frame" appeal AND do not meet the minimum standards requirements become ineligible, cannot appeal and will not be eligible for reinstatement.

### Financial Aid Appeal Process

Students who are placed on financial aid disqualification will be notified via Banner Self-Service. Any student on disqualification may appeal their status if they had extenuating circumstances. The Financial Aid Office will review the Appeal Form and determine whether to approve or deny financial aid for the semester in which the forms are submitted. Students will be notified by mail or email as to the decision on their appeal. Deadlines to submit Financial Aid Appeals, Quizzes and Education Plans are the Monday before the last day of instruction for each term.

### Appeals Which are Approved

If your appeal is approved, you will be awarded for the semester in which your appeal was approved. Eligibility is not retroactive to previous semesters in the award year. Once on an approved appeal, your status moves to "Probation." If you do not make progress in the following term, you will be disqualified again. Students who make progress after their probationary semester are moved to "satisfactory."

### Appeals Which are Denied

Should your appeal be denied, you must successfully complete at least one semester without federal student aid and certain state aid. If eligible for a BOG fee waiver, you will be awarded one while on a denied appeal. You may petition for "Reinstatement" after you have met the reinstatement requirements:

1. Complete at least 6 units with letter grades during the fall or spring semester OR
2. Complete at least 3 units with letter grades during the summer session AND
3. Earn a term GPA of at least 2.0
**Financial Aid Reinstatement Process**

Students who have submitted a Financial Aid Appeal which was denied must complete the following for reinstatement:

1. Complete required units (listed above) in one term without certain financial aid.
2. Earn a term GPA of at least 2.0.
3. Develop an Education Plan with an Academic Counselor and submit copy to the Financial Aid Office.

If students meet the Reinstatement requirements, they will be placed on Probation for the following term. Once on probation, these students are required to meet all SAP requirements to avoid further disqualification.

**SCHOLARSHIPS**

Scholarships are funded through many organizations, and require a separate application. Scholarships are awarded on the basis of academic achievement and/or financial need. Information on scholarship opportunities is available at the Financial Aid Office as well as on our website www.gavilan.edu/finaid/.

The Gavilan College offers scholarships through the Educational Foundation Scholarship Application, which is released in the fall.

**VETERANS’ AFFAIRS EDUCATION BENEFITS**

The Financial Aid Office assists veterans in the application process for Veterans Affairs (VA) education benefits on the Montgomery G.I. Bill. Academic counselors assist veterans in planning their educational goals and completing an Education Plan. Gavilan College certifies the Montgomery G.I. Bill, Veterans Educational Assistance Program, or Selected Reserve Education Assistance Program. Educational benefits may also be available to dependents of veterans.

Federal regulations require that students on VA educational benefits (veterans, reservists, dependents) must maintain satisfactory academic progress. Students who receive VA benefits and whose GPA is below 2.0 for two consecutive semesters at Gavilan College are placed on unsatisfactory progress status and benefits are suspended. To reinstate benefits, students must complete one semester with a GPA of 2.0 or higher.

**Federal Work Study Grant**

Gavilan College participates in the Federal Work Study Program, which offers a limited number of part-time employment opportunities to students. To qualify for a FWS grant, students are required to file a FAFSA, express interest in FWS on the FAFSA, meet SAP requirements, have a complete financial aid file, and demonstrate financial need. FWS grants are offered to students who meet this criteria. FWS offers are made as early as June, for students interested in work starting in Fall term. If students demonstrate academic progress, FWS may extend into Spring term. Reapplication is required each year with a renewal FAFSA.

**Student Support Programs and Services**

**Basic Skills Program**

The Basic Skills Network targets students who, based on their assessment test scores, are placed into pre-collegiate, non-transferable levels of English and/or Math courses and provides them with support and services to ensure they have every opportunity to be successful with their academic goals. Studies show that many of these students have little knowledge or experience of how to navigate the academic system or ask for assistance and they often become discouraged and have a higher likelihood of dropping out of college before they have completed the basic level courses.

Students who require these pre-collegiate course(s) are identified and assisted with obtaining appropriate services and resources, on and off campus, that may enable them to become academically successful and on track to achieving their goals. Students are referred to categorical programs on campus such as DRC, EOPS, MESA, Puente and TRIO and those who do not qualify are offered one-on-one counseling services with a designated counselor.

Partnering with English, ESL and Math instructors, in-class workshops on topics such as study skills, time management, math “fear no more” and goal setting provide students with practical tools and strategies to be successful, and individualized counseling and an “early alert” system help to identify and resolve student issues early.

The Basic Skills Network strives to empower students and fosters student success and academic goal achievement within a nurturing, non-judgmental, confidence building environment.

**CalWORKs**

CalWORKs helps students who receive public assistance to become self-sufficient through the provision of education, employment and supportive services. The occupational programs for CalWORKs students are linked to the demands of the local labor market and can assist students with a career track that will lead to a family-supporting income. The support services that CalWORKs provides include academic, personal and career counseling, textbooks, employment assistance and job placement and liaison with county departments of social services.

CalWORKs 75/25, a subsidized employment program is available to assist students with job related skills.
Disability Resource Center (DRC)

The Disability Resource Center (DRC) provides a variety of services to equalize educational opportunities for students with temporary or permanent disabilities. Services include academic advising, career and vocational counseling, college campus orientation, educational tutoring, four-year college transfer assistance, job training and placement, learning skills assessment, liaison with the State Department of Rehabilitation, mobility assistance, notetakers, referral services, registration assistance, sign language interpreters, real-time captioning, support classes, test taking facilitation and assistive computer technology and training.

Bilingual (English/Spanish) staff members are available.

ACCESSIBILITY

Gavilan College is an accessible campus. The classroom buildings, the Library/Tutoring Center, the administrative buildings, and the Student Center are accessible to individuals with physical disabilities. Ramps provide access to upper and lower levels. Mobility assistance can be provided for students with disabilities. Designated parking is provided for vehicles displaying a state issued disability placard/parking permit. Call (408) 848-4823 or (408) 848-4865 for tram service.

CLASSES AND PROGRAMS

Adapted Physical Education - A wide range of classes are specifically designed for students with physical disabilities in order to increase flexibility and strength, improve range of motion and joint movement, and help improve cardiovascular conditioning and related health matters. These classes are provided by qualified instructors through a number of water and gym activities. See the class schedule for dates and times.

Assistive Computer Technology and Training - The Disability Resource Center High Tech Center provides assistive computer technology and training. The state-of-the-art equipment, software and trained staff empower students with disabilities to meet their educational goals. The skills and knowledge a student gains in the High Tech Center can be taken to other campuses, universities and ultimately, to the workplace.

CareerPrep - This program is offered on campus for the high school special education class graduate or equivalent who may require additional special education and vocational training for appropriate entry-level employment in the community. Practical employment skills as well as interpersonal skills are emphasized in a series of classes designed for individual progress.

Computer Access Evaluation - CSIS 570 provides the student with an in-depth computer access evaluation in order to determine an appropriate access environment for a student with a disability or multiple disabilities.

Learning Skills Assessment - Guidance 557 provides an individual assessment of a student’s strengths and weaknesses in reading, mathematics, written language reasoning, oral language, perception, and memory. The results are used to determine eligibility for services of the Learning Skills Lab and other DRC accommodations.

Learning Skills Lab - The Learning Skills Lab provides support services and instruction to students with verified disabilities. Individualized and small group instruction, specialized tutoring in basic academic subjects, and support for students who are taking college courses are offered in the Learning Skills Lab, Library 116.

Vocational Skill Development for Adults with Developmental Disabilities - The program promotes self reliance in the activities for maximum independence and employment. Classes are offered at the HOPE Rehabilitation facilities in Gilroy and in Hollister in conjunction with a work activity program.

WorkAbility III Program - This program provides job readiness, instruction, and job placement services for students eligible for the Department of Rehabilitation. WA III responds to the needs of local employers by matching a student's interests, skills and abilities to specific jobs.

Extended Opportunity Programs and Services (EOPS)

Extended Opportunity Programs and Services provides support to students experiencing economic, social and educational challenges. EOPS helps students to achieve their educational goals by increasing access, retention and transfer. To be eligible for EOPS, students must demonstrate a financial and educational need, and be enrolled in at least 12 units.

Counselors provide academic advising and class scheduling, career and vocational counseling, personal problem-solving and crisis intervention. EOPS program services include orientation to college resources, grants and book vouchers, a book lending library, priority registration, field trips to major four-year universities and student success workshops.

Spanish-speaking staff are available.

CARE

The Cooperative Agencies Resources for Education assists single parents who attend or would like to attend Gavilan College. CARE is a joint effort between the Department of Social Services, EOPS and Gavilan College. To be eligible for CARE, a student must be at least 18 years of age, single parent head of household, receiving cash aid from the Department of Social Services and have at least one child under 14 years of age.

Services provided include transfer and vocational education and counseling, priority registration, academic tutoring, financial assistance with childcare, transportation, textbooks, supplies and other support services.

Students interested in participating in the CARE Program should contact the Gavilan College EOPS Office and meet with a staff member. Spanish-speaking staff are available.
First Year Experience

Gavilan College offers a program for “first-time”, new students who want to strengthen their reading, writing and study skills while at the same time becoming familiar with the campus and its resources. Teachers and counselors work together to help students develop connections between the courses and their college experience. The goal is to help students build a strong foundation and place them on the road for college success.

Learning Communities

Students learn better when they learn together. In learning community courses, you work and study with others so you’ll be more successful in the course. Also, by linking two or more courses together, you’ll begin to see greater connections between the disciplines. Research shows that when you take a learning community course, you become a stronger student and do better in your other college courses.

Mathematics, Engineering and Science Achievement Program (MESA)

The MESA Undergraduate Program is a partnership between the University of California (UC) and California Community College Chancellor’s Office. The program provides academic support services to qualified students who are majoring in math-based fields and who plan to transfer to four-year universities. Open to all eligible students, MESA emphasizes participation by educationally underserved students. MESA provides a Study Center, Academic Excellence Workshops, trips to universities, Academic Advising, workshops and much more. MESA is the winner of the Presidential Award for Excellence in Math and Science, National Science Foundation (NSF) recipient, and the Innovations in American Government Award, a project of the Kennedy School of Government at Harvard University and the Ford Foundation.

Puente Program - Bridge to Success

The mission of the Puente Program is to increase the number of educationally underserved students who plan to transfer to four-year colleges and universities, earn degrees and return to the community as leaders and mentors to future generations. Research indicates that Puente students transfer at a high rate and succeed academically. The program is open to all students.

English Instruction: Puente students take two consecutive writing classes, English 250 (Practical Writing) and English 1A (Composition). These classes provide a supportive and stimulating environment to build confidence in writing skills through an exploration of the Mexican-American/Latino experience.

Counseling: Puente students work closely with their Puente counselor until they graduate, exploring career options, developing an academic educational plan and identifying lifetime goals. Students visit University of California and California State University campuses and attend an annual Puente student transfer conference. All Puente students are also required to enroll in Guidance 6 (Life Skills for Higher Education) and Guidance 1 (Self-Assessment and Career Development).

Mentors: Each Puente student is matched with a mentor from the business or professional community. Mentors share their personal, academic and career experiences and provide a window into “real-life” work environments. The network of trained Puente mentors provides many resources for the Puente nts, their families, their colleges and their communities.

TRIO Program

The TRIO Student Support Services Program is funded by the U.S. Department of Education to specifically identify and support students who fit at least one of the following criteria: first in their family to attend college (first-generation college students), low income students, or students with verified disabilities. TRIO seeks to assist students to stay in college, graduate and transfer to four-year universities.

TRIO provides a variety of services including academic and personal counseling, tutoring in English & mathematics, supplemental grant aid, textbook lending library, laptop lending program, Summer Bridge Program, informational workshops, cultural & social activities, volunteer opportunities and visits to four-year universities.

INSTRUCTIONAL SUPPORT

Disability Resource High Tech Center and Learning Skills Lab

For information on the Disability Resource Center’s High Tech Center and Learning Skills Lab, refer to page 26.

ESL Computer Lab

The ESL Program has its own dedicated computer lab with a variety of software programs for all levels and classes. Students, at their convenience, practice and enhance language learned in class.

Library and Information Technology

The Gavilan College Library delivers an array of print and electronic resources to the college community. Augmenting the 60,000 title printed book collection are 19,000+ e-books, and over 2,500 magazine titles, many available online in electronic databases. The Library staff prides itself on being a leader in information literacy projects and web-based instruction and has received several State grants supporting that effort. The Library faculty also teaches various courses on Internet use, and works in tandem with other faculty in planning and revising courses with an information literacy component. The Library homepage at www.gavilan.edu/library/ provides an online catalog of our book collection, links to various class websites and key online resources.
Math Lab

The Math Lab provides a place for students to practice math skills and receive individualized help with math problems at every level, from Basic Mathematics to Calculus. Students can work with math instructors, the math lab assistant or other students. Computers in the lab provide tutorial software as well as math software for Geometry, Statistics and Calculus projects.

Printing Services

Gavilan College offers printing services in all computer labs. You will receive an allocation of free prints when you register every semester, and can purchase additional prints at any time. Print credits are stored on a GoPrint Card system.

Tutoring Services and Computer Place

Tutoring services are designed to assist students to increase their success in college courses and in the development of their learning skills. This is accomplished by providing students with an opportunity to work with trained tutors who engage students in the examination of concepts and processes; discussion of ideas and theories; hands on practice; and summarization of findings. It is in this collaborative learning environment that students develop their confidence and independence as a learner. Tutoring services are free to all Gavilan Students. Tutoring services are available in two locations: The Tutorial Center in LI 116 and the Computer Place in LI 168.

Writing Center

The Gavilan College Writing Center serves the campus community by fostering, celebrating and encouraging writers and the varied and multiple purposes and audiences that writing serves.

Come to the center for consultation with our specially trained student assistants. They help writers start and strengthen all kinds of class assignments as well as poetry, short stories, song lyrics, business letters and resumes. Enjoy a cup of coffee or tea in the center’s welcoming atmosphere and meet other writers from across the Gavilan campus. The center also offers space for writing discussions, meetings, workshops and study groups. Special events include activities with acclaimed writers from our Visiting Writers and Scholars in Residence programs. Call or drop by the center for information about scheduling. We can also provide self-directed mini-lessons and writing prompts. Work at your own pace and learn how to get your ideas on paper. Write more powerfully, be creative, enjoy writing, and practice using correct grammar, spelling and punctuation.

The center also collaborates with faculty across the curriculum to increase the likelihood of students’ academic success, providing links to assignments and effective research and writing strategies. We also offer specially tailored assistant led in-class workshops upon request. Find us on the web at http://www.gavilan.edu/writing/.

STUDENT ACTIVITIES

Associated Student Body (ASB)

Rho Alpha Mu - Honor Society
Theatre Productions

Associated Student Body (ASB)

The collective voice of students is an important and powerful component in the college’s participatory governance process.

The ASB is the official student organization on campus and provides the majority of student input and recommendations on critical campus issues to faculty, staff, administration and the Board of Trustees.

The Student Senate is a representative body of students who meet weekly to plan, implement and evaluate college activities and services that meet the needs of Gavilan College students.

Any student who meets the requirements of the ASB’s by-laws may become a voting member of the Student Senate. The elected and appointed officers provide a liaison between the students and academic departments and student services. The variety of leadership positions allows for different levels of involvement so that students can balance their academic and extracurricular loads effectively.

The political and practical leadership skills that students develop through the ASB are supplemented through a leadership course offered through the Political Science and Psychology Departments (POLS 27; PSYC 27). The curriculum includes practical skills that are applicable to college-related opportunities and other professional and personal environments. The curriculum is an interdisciplinary approach to contemporary leadership. This is an elective course that is
transferrable to the CSU system and meets a GE requirement for the Gavilan College A.A./A.S. degree. Although the UC system does not accept the units for the class, it gives added consideration to those students who have been involved in student government and other college governance activities. Employers also look favorably upon a student’s involvement in college leadership. There are many reasons to become involved in the ASB: the skills learned in the academic environment are transferrable to outside involvements; it provides a good way to meet other students with similar interests, and it provides a vehicle for activities which often have no other forum.

ASSOCIATED STUDENT BODY - CARDS
The benefits of buying a student body card are many. The revenue supports social and cultural activities on campus in addition to providing the purchaser with discounts at athletic and cultural events and free bluebooks and scantrons (testing supplies) in the bookstore. Your ASB card also comes loaded with free prints for the Gavilan College computer labs. Many businesses in Gilroy, Morgan Hill and Hollister offer discounts to card holders. Support your college ASB.

Campus Clubs
A variety of clubs and organizations have been established to provide opportunities for students to participate in scholastic, social, political, cultural and recreational pursuits. Club activities are coordinated and supported through the Student Senate. Students are encouraged to start clubs if they have a particular interest not represented currently on campus.

College Colors and Mascot
The official colors of Gavilan College are dark blue, red, and white. The official mascot is the Ram.

Intercollegiate Athletics
As a member of the California Community College Athletics Association, Gavilan College is proud of its rich tradition in intercollegiate athletics. Representing the Coast Conference, Gavilan College offers six (6) intercollegiate athletic programs: Volleyball, Basketball and Softball; and for men: Baseball, Football, Basketball and Soccer.

Students wishing to participate in any of the intercollegiate athletic programs must be enrolled in and attending a minimum of 12 units during the season of competition with nine units applying towards a degree program. To be eligible for a second season of competition, students must have passed a minimum of 24 units, have 18 apply towards a degree program, and maintained a cumulative 2.0 grade point average. In addition, second year participants must also have an official Student Education Plan on file within the Director of Athletics’ Office prior to the start of the second season. Coordinate with the Athletic Counselor to complete your Student Education Plan.

In addition to meeting the above requirements for student-athlete eligibility, all participants must adhere to all rules outlined by Gavilan College, the Coast Conference and the California Community College Athletics Association. Failure to do so may result in forfeiture of eligibility.

Athletic scholarships are not given in California community colleges; however, Gavilan College provides qualified students with financial aid opportunities.

Publications
The Gavilan Press, an independent student newspaper, has provided students with a real world journalism experience and a public forum for their ideas and opinions since 1967. The newspaper covers the events, issues and people that shape, reflect and define the college and the world.

The Gavilan College Literary Journal provides a forum for creative writers, helping to model and sustain the practice of writing poetry and prose.

Rho Alpha Mu - Honor Society
Rho Alpha Mu is the Gavilan College chapter of Alpha Gamma Sigma, the California Community College Honor Scholarship Society. Its purpose is to recognize student scholarship, contribute to the social and cultural life of the campus and to provide and promote active involvement with the larger community through voluntary community service activities.

Membership is open to all those with at least a 3.0 grade point average. There are a number of financial award possibilities for members in good standing.

Theatre Productions
The Gavilan College Theatre offers a range of plays, including childrens’ plays, musicals and Shakespearean productions. In addition to performing on stage, students learn backstage and technical production skills. For more information visit www.gavilan.edu/theatre.

TADA Productions - The Gavilan ASB Theatre Club sponsors several social and cultural events during the school year including: Fiesta Mexicana, a Folklorico Concert; Historias de mi Madre a Community Solutions event for Domestic Violence Awareness month; One Night Stand(s), fall & spring stand-up workshops and Comedy Night(s); and other student generated performances.

In 1985, the Gavilan College Summer Theatre Arts Repertory (STAR) Program was created to give Gavilan College Theatre Arts students an opportunity to share their passion for the performing arts with South County youth. Students from the academic program serve as STAR leaders, often directing and producing plays. The Theatre Arts Program provides academic credit, production experience, and the opportunity for individual growth through the arts. For more information, call 408-848-4764 or visit www.gavilan.edu.star.
"Matriculation" means to enroll as a student with the intent of graduating or completing a program of study. As part of the statewide effort to enhance student success and to increase transfer to four-year institutions, Gavilan College offers a variety of matriculation services which help students identify and successfully complete their educational goals.

Matriculation services include:

- A clear and accessible ADMISSIONS process and
- An ORIENTATION to the college and the services we offer
- ASSESSMENT of your academic skill level through placement assessment and consideration of other related factors
- COUNSELING AND ADVISING so you can complete your program in the quickest possible time with all the correct requirements
- FOLLOW-UP on your progress so you can both feel and be successful

The above is our commitment to you. Your part of the partnership is to:

- Identify and declare an educational goal and major
- Meet with a counselor to make and update your educational plan so you can stay on track
- Seek out services on campus that will support you and help you stay in school
- Make progress towards your goal
Orientation

Online orientation is an easy, convenient and productive way to become familiar with Gavilan College. The orientation will introduce you to what is different about college - the expectations and challenges you will face. Whether you plan on transferring to a four-year university or are on a career path, there are important things you need to know before you begin. General education patterns, transfer issues, certificate and major requirements, homework expectations and the critical support services are only some of the aspects included. Those who complete orientation have an easier introduction to college and move towards their goal with more confidence and in a reasonable amount of time. To access the online orientation, go to the college’s homepage at www.gavilan.edu/orientation.

You may choose not to participate in orientation: however, you will not be eligible for priority registration.

Assessment and Course Placement

Students' language and computational skills are measured by a placement assessment. Placement assessment scores, along with additional indicators of students' abilities, are used by counselors and advisors to recommend appropriate placement in English and mathematics courses and other college transfer courses that require reading, writing and computational skills. For more information see page 21.

Students must have completed the eighth grade to be eligible for assessment services.

RE-ASSESSMENT SESSIONS:

Students who have previously taken the placement assessment may re-test after thirty (30) days. You may re-assess once per semester. Call the Assessment Office to confirm dates, times and locations.

Counseling and Educational Planning

Prior to registration, counselors are available to meet with students and interpret assessment results, discuss course selection, and assist with the development of the educational plan. An educational plan is an important factor in promoting timely progress toward a student's completion of certificate, degree, or transfer programs. Students develop an educational plan with a counselor when they first enroll at Gavilan and then meet on a regular basis with their counselor to update their plan and to review progress. Counselors are available to meet with students throughout the year to discuss academic and personal concerns and to refer students to other types of needed assistance. For more information see page 22.

Follow-up Support Services

Helping you stay in college is important to us. We realize that there are many reasons that students fall behind in their work, drop classes and perform below an acceptable academic standard. Counselors and other support staff will work with students who are experiencing difficulty. Other special programs (TRIO, EOPS, DRC, MESA, etc.) will help you to stay on track and to reach your educational goals.

Yet, there will be times when some students will fall below the required academic or progress levels required—2.0 GPA and completion of at least 50% of units attempted. The standards for probation and dismissal (see page 43) will be reviewed with students and a plan to regain good standing will be developed. Multiple visits with a counselor will provide the strategies and support needed to accomplish this. Taking advantage of additional support services may also be included in the plan: financial aid, childcare, personal counseling, tutoring, writing and math labs, computer skills, etc.

Exemptions From Services

Sometimes a student does not want to take advantage of matriculation services. That is a right you have. In order to be exempt from assessment and orientation you must meet one of the following criteria:

- have an associate's degree or higher
- have accumulated less than 12 units in transfer courses
- be presently enrolled in less than six units
- not plan to earn a certificate or degree
- formally waive your rights to assessment and orientation at the Admissions & Records Office. If you waive your rights to assessment and orientation, you will not be eligible for priority (early) registration.

You still have the right to use the other matriculation services. We encourage you to do so.
Admission Eligibility
High School Students’ Concurrent Enrollment Opportunities Program
Out-of-State Students
International Students
Admission Requirements

Transfer Credit
Residence Requirements
Fees
Resident Enrollment Fees for Non-Immigrant Students (AB540)
Refund Policy and Procedure
Admission Eligibility

Any high school graduate or individual with a GED or high school proficiency certificate may be admitted to Gavilan College.

NON-HIGH SCHOOL GRADUATES

A person 18 years of age or older who has not received a high school diploma may be admitted to the college to take courses for the purpose of general education or to enroll in specialized vocational programs. The student may prepare for transfer to a four-year institution without the high school diploma. All non-high school graduates should request special counseling from the Counseling Department.

High School Students’ Concurrent Enrollment Opportunities Program

Gavilan College may admit as a special part-time student any high school student who can benefit from advanced scholastic or vocational work. Authorization for such attendance is dependent upon recommendation of the student’s high school principal and a written permit to attend.

Admitted high school students must maintain their full-time high school status when concurrently enrolled at Gavilan.

The college course load shall be determined on an individual basis by the students and their assigned counselors at Gavilan College and their high school in accordance with college policy.

Students will be expected to provide their own texts, instructional supplies and pay fees. All students shall conform to the college’s academic rules, regulations and codes of conduct.

Additional information regarding requirements and admission procedures is available in the class schedule.

Out-of-State Students

Out-of-state applicants may be admitted to the college on the same basis as California residents except that they will be required to pay tuition prescribed by the Governing Board to cover the costs of instruction. After a student has been present in California for one year and one day and has manifested clear intent to become a California resident, she/he may apply for reclassification as a California resident. State law requires consideration of financial independence for students seeking reclassification.

International Students

International applicants must submit the following documents to the Admissions and Records Office (by May 15th for the fall semester and by September 15th for the spring) prior to being issued the I-20 to apply for a student visa (F-1):

1. A completed application form with photograph of applicant.
2. A $100 nonrefundable, one-time filing fee.
3. Official transcripts of secondary and post-secondary school work, translated in English and evaluated by an approved agency.
4. Test of English as a Foreign Language (TOEFL) with a minimum score of 550 on the paper-based exam or a computer-based test score of 213 for placement in English 420 or 440 or 79 on the internet-based test.
5. The financial statement indicating that the student has the means to support his or her costs of attendance either from personal, family or governmental sources, plus a bank statement or other proof thereof.
6. A photocopy of the I-20 if issued by another school and F-1 visa.

Health insurance is mandatory and must be purchased from the Student Insurance International Student Plan, available through Gavilan College.

International students cannot be admitted to the certificate or degree programs in Registered Nursing or Cosmetology.

Admission Requirements

Students shall complete the following requirements prior to registration:

1. File an Application for Admission with the Admissions and Records Office.
2. Submit official transcripts of all previous high school and college work. The transcripts should be mailed directly to the Admissions and Records Office by the school issuing them. It is the responsibility of the student to arrange for official transcripts to be sent to the college.
3. Complete Gavilan College skill assessment and orientation. Dates are available in the Admissions and Records Office, the schedule of classes and online.
4. Meet with a counselor to discuss placement and educational goals.
5. All students who are younger than 18 and have not graduated from high school must submit appropriate contracts at the time of registration.

Transfer Credit

Official transcripts from institutions fully accredited by appropriate accrediting associations will be evaluated for transferable lower division coursework. Appropriate units and subject content will be applied to major and general education requirements to meet prerequisites or graduation requirements. Courses taken at other California Community Colleges, California State Universities or any University of California will be transferred to Gavilan with the same general education designation as that of the issuing institution. Courses with letter grades of less than “C” will not be transferred.

Questions about resident status or non-resident tuition fees should be directed to the Admissions and Records Office. Call (408) 848-4736.
Students who wish to transfer coursework from foreign institutions must submit official transcripts to a college-approved foreign evaluation service for translation and evaluation.

Coursework from a foreign institution cannot be used for certification to a four-year institution. Students should contact the institution to which they wish to transfer to inquire about the acceptance of foreign coursework.

**Residence Requirements**

At the time of registration each student is required to furnish a statement of legal residence. Students are qualified to attend Gavilan College if they are:

1. Residents of California.
2. Out-of-state students who meet admission requirements and pay tuition and fees as set by the Gavilan College Board of Trustees.
3. International students who meet the special admission procedures and pay tuition and fees as set by the Gavilan College Board of Trustees.

**LEGAL RESIDENCE**

Students are legal residents of California if one of the following requirements is fulfilled:

1. The students are at least 19 and have been legal residents of California for more than one full year immediately preceding the first day of instruction for the term they propose to attend.

2. Unmarried students between 18 and 19 years of age shall have their residency classification determined by considering:
   a. The residency status of their parents prior to age 18, and
   b. Their own residency after they became 18. The total time (a) plus (b) must be more than one year as in number 1 above. Unmarried students who are under 18 years of age must prove they have been entirely self-supporting and present in California for more than two years.

3. Students on active military duty based in California (and not assigned for educational purposes to a state-supported institution of higher education) or are the spouse or a child of a California resident. Persons under this classification shall be tentatively classified residents for the first year they are stationed in California. After that time they must have taken steps to become California residents (i.e., have a California driver’s license, have voter registration in California, pay state income tax on earnings).

4. Students who are employed by a community college district in a full-time certificated position are classified tentatively as residents for the first year they reside in California. After that time they must have taken steps to become California residents.

5. Public California college or university employees, their spouses, or children, are classified tentatively as residents for the first year they reside in California. After that time they must have taken steps to become California residents.

6. They are apprentices.

7. They are adult aliens who have had permanent U.S. residence (as determined from the date on alien registration card) for more than one year and have been a resident of California for more than one year. Adult aliens who are between 18 and 19 years of age shall have the residency classification determined by considering:
   a. The residence status of their parents while they were under 18, and
   b. Their own residency after becoming 18. The total time (a) plus (b) must be more than one year.

8. They are minor aliens whose parent(s) have been admitted for permanent residence to the U.S. and the parent(s) have resided in California for more than one year. The parent’s immigrant visa may be required to be seen.

9. They are students who are younger than 19 years old and have been under the direct care and custody of an adult other than their parents for a period of not less than two years, provided the adult is a legal resident of California.
10. They are students or parent(s) who earn their livelihood by performing agricultural labor for hire and have performed such labor for at least two months per year in each of the preceding two years.

11. They are minor students. They may not by their own act, by the appointment of a guardian, or by release of control by the parent, change residency while either parent is living.

12. They are students who are adult aliens. They shall be entitled to resident classification if they are refugees who have been granted parolee status or indefinite voluntary departure status in accordance with all applicable laws of the United States; provided that they have lived in the state one year.

(EC68076)

NON-RESIDENT CLASSIFICATION

For purposes of the non-resident tuition fee, a community college district shall disregard the time during which a student living in the district resided outside the state, if:

1. The change of residence to a place outside the state was due to a job transfer and was made at the request of the student's or parent's employer in the case of a student who resided with, and was dependent on, the student's parent, and

2. Such absence from the state was for a period of not more than four years, and

3. At the time of application for admission to a college maintained by the district, the student would qualify as a resident if the period of the student's absence from the state was disregarded.

A non-resident tuition fee shall not be charged to a student who meets each of the conditions specified in subdivision 1 to 3, inclusive.

All other students shall be classified as non-residents and be required to pay the non-resident tuition at the time of registration. Classifications shall be based on evidence presented in residence questionnaires. Students must further certify these residency statements under oath to an employee of the college who is authorized to receive oaths by the governing Board.

Fees

Resident and non-resident enrollment fees are subject to change each year. Consult the Schedule of Classes for current information. Payment of all fees are required upon registration.

Resident Enrollment Fees for Non-Immigrant Students (AB540)

On Jan. 1, 2002, Gavilan College implemented AB540 as required by California law. This bill provides an exemption from payment of non-resident tuition for nonimmigrant students who have attended high school in California for a minimum of three years and have received a high school diploma or its equivalent in California. To be eligible, a student must have attended a California high school for three full years and have graduated from a California high school or have received the equivalent of a California diploma (GED, CHESPE). The exemption does not grant residency status and the qualifying student may not be eligible for state aid programs such as BOG or EOPS or federal financial aid. The student must sign an affidavit affirming that he or she has filed or will file an application with INS to legalize his or her immigration status as soon as he or she is eligible to do so. Contact the Admissions and Records Office for more information.

Refund Policy and Procedure

Gavilan College shall not issue refunds for courses dropped past the second week of instruction in the regular terms, not beyond the first week of instruction during the summer session and, for short term courses, not beyond 10% of the course meetings. A $10 processing fee will be assessed.

<td>None</td>
</tr>
</tbody>
</table>

* Less processing fee

Refund Date for short-term courses: Short-term courses must be dropped before 10% of the course meeting times have passed. For one- or two-day courses, this date will occur before the start of the course.

Refunds of less than $10 will remain on the student's account as a credit unless the Admissions and Records Office receives a Request for Refund form from the student. Refund checks are mailed.

REFUNDs OF STUDENT BODY CARDS

Students may select to “opt out” of purchasing an ASB Card when registering for classes in person or online using Self-Service Banner. Anyone requesting an ASB card fee refund must obtain the written approval of the ASB advisor within ten days of registering. Please see the advisor in SC 161 if you have any questions.

**Student Classification**

Students at Gavilan College are classified by the following definitions:

FRESHMAN - Student who has completed 29-1/2 semester units or less of college credit

SOPHOMORE - Student who has completed 30 or more semester units of college credit.

FULL-TIME - Student enrolled in 12 or more semester units. (4 units for summer session)

PART-TIME - Student enrolled in less than 12 semester units.

**Definition of a Semester**

An academic year at Gavilan is comprised of two sixteen-week semesters, fall and spring. Classes are also offered during summer and winter intersessions.

**Course Availability**

Every course, course section or class, the average daily attendance of which is to be reported for State aid, wherever offered and maintained by the district, shall be fully open to enrollment by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title V of the California Administrative Code, unless specifically exempted by statute.

Gavilan College provides special registration assistance to students with disabilities and disadvantaged students in compliance with Title V of the California Administrative Code, Section 504 of the Federal Rehabilitation Act and the Americans with Disabilities Act.

**Attendance Standards**

Students at Gavilan College are expected to attend all classes for which they are enrolled.

Students missing one more class hour than the unit value for a particular course without making prior arrangements may, at the instructor’s option, be dropped without possibility of credit.

Students who do not attend the first class session may be dropped from class in order to admit other students desiring to enroll. If it is necessary for a student to miss more than three consecutive class periods, a Leave of Absence Petition Form should be obtained from the Admissions and Records Office.

The petition must be approved by all the student’s instructors and returned to the Admissions and Records Office. Ordinarily, a petition for leave of absence will not be granted for more than two weeks. Prolonged absence, even when excused, may result in grade penalties, since the student is still responsible for course requirements.

**Catalog Rights**

Students who maintain continuous attendance status may, for purposes of meeting graduation requirements, elect to meet the requirements in effect at:

1. The time of entrance to Gavilan College, or
2. Any catalog year thereafter

Developing new course curricula is an ongoing process. After the catalog has been printed, new and revised courses and majors may be available. These changes will be available on the web version of the catalog, as it is a “living document.” Consult with a counselor if your area of study has changed.

Continuous attendance is defined as enrollment in at least one credit course per academic year, including summers at any accredited college or university.

Attendance at another accredited institution of higher learning is not considered an interruption, providing the absence does not exceed four (4) years.

A student who is absent for at least three (3) consecutive terms, including summer, is considered to be a returning student for purposes of "catalog rights" and must follow the graduation requirements in effect at the time he or she returns or any catalog year thereafter.

**Course Repetition**

Course Repetition There are limitations on the number of times a student may repeat a course. All courses listed in this publication with no repeat notation following the description may be repeated twice without filing a petition if a grade of D, F, NC or NP was earned. A student may file a petition to repeat a course a third time if a grade of D, F, NC or NP is earned again. To file a petition, the student must meet with a counselor to evaluate circumstances and receive written approval. The student’s transcript and grade point average will reflect the last grade the student receives in the course. A student may petition to repeat the course a fourth time by filing a Request to Repeat a Course Under Special Circumstances and providing the necessary documentation to support the special circumstances claim.

To repeat a course in which the student has received a final grade of “C” or better, a student must file a Request to Repeat a Course Under Special Circumstances prior to registering for the course again. Units and grade points for the repeated course are not computed in the grade point average unless the course is being repeated to meet legally mandated training requirements as a condition of continued paid or volunteer employment. This request must also be approved by a counselor.

**Withdrawal Policy**

Students may withdraw from a course by notifying Admissions & Records either online or in person. The following grading practices apply when withdrawing from a course:

- A student who withdraws from a course prior to 30% of the class meetings being held will receive no grade of record.
• A student may withdraw from a course and receive a grade of “W” prior to completion of 75% of the class meetings for the course; thereafter, the student will receive whatever grade they would have earned, based upon the entire semester’s work.

• A student may withdraw from a course up to four times and receive a grade of “W”; after a fourth “W”, the student will receive the grade they would have earned, based upon the entire semester’s work.

• A withdrawal may be excluded from the four-time maximum limit in the case of extenuating circumstances such as natural disasters or other circumstances beyond the control of the student including verified cases of accident or illness.

Course Prerequisite

A prerequisite is a measure of readiness for a course or program that a student is required to meet as a condition of enrolling in a course or program. Successful completion (a grade of “C” or better) of the prerequisite is required.

HOW COURSE PREREQUISITES ARE ESTABLISHED

Course prerequisites are developed by faculty members and accepted by the Gavilan College Curriculum Committee with the intent of promoting student success. Courses are individually reviewed to assure that prerequisites are a valid measure of readiness for student success. Criteria used to establish prerequisites include, but are not limited to the following:

1. Most prerequisites are in degree programs within sequential content areas. A course may be established as a prerequisite for another course provided that skills, concepts and/or information taught in the first course are presupposed in the second course;

2. The course for which the prerequisite is required is one in which the student might endanger his or her own health and safety or the health and safety of others if the prerequisite is not met; or

3. A course may be established as a prerequisite for another course because appropriate faculty and the Curriculum Committee have established it as equivalent to the prerequisite established by at least three campuses of the University of California and/or the California State University.

4. Other prerequisite criteria may be developed and utilized by Gavilan College. These are available through the Office of the Vice President of Instruction.

CHALLENGE OF PREREQUISITE

Students who have reason to believe that they have already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, may challenge the prerequisite. The student is responsible to provide compelling evidence to substantiate the challenge claim. Challenge forms are available at the Admissions and Records Office and must be completed and returned to the Vice President of Instruction prior to the first day of classes.

The college must respond to a completed challenge submitted by a student within a period of five (5) school days or the challenge is valid. Although the student may register in the class for which the prerequisite is being challenged, if the challenge is denied, the student will be dropped from the class. Academic credit will not be awarded for successfully challenged prerequisites. For further information regarding the prerequisite challenge, contact a counselor.

Course Advisory

An advisory is a measure of readiness for a course or program that is recommended a student meet in order to enroll in a course or program. Successful completion with a “C” or better is strongly recommended.

HOW COURSE ADVISORIES ARE ESTABLISHED

Course advisories are developed by faculty members and accepted by the Gavilan College Curriculum Committee. Courses are individually reviewed to assure that the advisories assist a student to efficiently and successfully complete the course. The departments and the Curriculum Committee have concluded, after review of content, that the advisory or its equivalent is strongly recommended.

Units

DEFINITION OF A UNIT

Units of credit are based upon the Carnegie Unit, which requires a minimum of 3 hours of course-related work per unit of credit each week throughout a 16-week semester.

During a 16-week semester at Gavilan College, a typical 3 unit lecture class will meet an average of 3.3 hours per week for classroom instruction and require an additional 6.7 hours per week of outside work (reading, library research, problem-solving, projects, term papers, etc.) for a total of approximately 10 hours of course-related work per week (or 160 total hours for the course). This time requirement increases to 27 hours per week during a 6-week summer session.

Units of credit earned in laboratory/activity classes are also based upon the 3 hours per week per unit ratio.

A typical full-time load is approximately 15 units per semester, requiring a minimum of 720 hours of course-related work when class lectures, labs and outside homework are combined. This will vary somewhat, based upon assignments, individual goals and academic ability, but each student is encouraged to budget adequate time for required study.
DEGREE VERSUS NON-DEGREE UNITS

Gavilan College has designated certain courses “non-degree appropriate.” This means that units earned in selected courses will not count toward an associate’s degree. This information is contained in the course descriptions in this catalog.

Full-term Semester Unit Loads:

<table>
<thead>
<tr>
<th>Units</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-5</td>
<td>Less than half-time student</td>
</tr>
<tr>
<td>6-8</td>
<td>Half-time student</td>
</tr>
<tr>
<td>9-11</td>
<td>Three-quarter time student</td>
</tr>
<tr>
<td>12+</td>
<td>Full-time student (12 units is the minimum number of units to be eligible for full veteran’s benefits, Dean’s List and intercollegiate athletic competition)</td>
</tr>
<tr>
<td>15</td>
<td>Full-time student (President’s Honor Roll eligibility).</td>
</tr>
<tr>
<td>18</td>
<td>Must have minimum GPA of 2.5 and counselor’s approval.</td>
</tr>
<tr>
<td>19</td>
<td>Counselor’s approval required. Appeals by students will be directed to the Vice President of Student Services or designee.</td>
</tr>
</tbody>
</table>

Summer and Intersession Unit Loads:

<table>
<thead>
<tr>
<th>Units</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>4-5.99</td>
<td>Full-time student</td>
</tr>
<tr>
<td>6</td>
<td>Must have a 2.5 GPA and counselor’s approval</td>
</tr>
<tr>
<td>more than 6</td>
<td>Counselor’s approval required. Appeals by students will be directed to the Vice President of Student Services or designee.</td>
</tr>
</tbody>
</table>

Computing Grade Point Average (GPA)

To determine current or cumulative grade point average, divide the total number of grade points earned by the total number of units attempted.

Grade point values:

- A = 4 points
- A- = 3.7 points
- B+ = 3.3 points
- B = 3 points
- B- = 2.7 points
- C+ = 2.3 points
- C = 2 points
- D = 1 point
- F = 0 point

Example:

<table>
<thead>
<tr>
<th>CLASS</th>
<th>UNITS</th>
<th>GRADE/VALUE</th>
<th>GRADE POINTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>ACCT</td>
<td>4</td>
<td>X (A)</td>
<td>16</td>
</tr>
<tr>
<td>ENGL</td>
<td>3</td>
<td>X (B)</td>
<td>9</td>
</tr>
</tbody>
</table>

7 units attempted

25 points

Placing values into formula above:

25 points ÷ 7 units attempted = 3.57 GPA

Pass/No Pass units are not computed in the grade point average.

Semester to Quarter Conversion Formula

Some colleges and universities operate on a “quarter” calendar of three twelve-week terms; fall, winter and spring. The following formula shall be used when converting quarter hours to semester hours or semester hours to quarter hours in order to compute graduation requirements, grade points for the required standards of scholarships, non-resident student regulations, and the college calendar.

Semester credit hours (or semester units of credit) are converted to quarter credit hours (or quarter units of credit) by multiplying the number of semester credit hours by one and a half. Example: 15 Semester credits x 1-1/2 = 22.5 quarter credits.

Quarter credit hours are converted to semester credit hours by multiplying the number of quarter hours by two-thirds. Example: 22.5 quarter credits x 2/3 = 15 semester credits

Grading Options

Courses offered under the pass/no pass (P/NP) grade option are determined by the Gavilan College Board of Trustees and cited in this catalog.

Students receiving the pass (P) grade must have achieved the course objectives equivalent to at least a “C” grade in order to receive the units of credit assigned to the course. The grade point average of a student receiving a pass (P) or no pass (NP) grade will not be influenced. A pass/no pass course is not included in consideration for honors such as Dean’s List or President’s Honor Roll. See page 43 for additional information.

For some courses, students have the option of selecting a final grade of pass/no pass or a traditional letter grade of “A”, “B”, “C”, etc. Review the course description in this Catalog to determine which courses are designated as having this option.

Before selecting a grading option, students should consider the following:

- Once the option has been selected, the student’s decision is final and irreversible.
- To select one option over another, a student must complete the Grading Option form and file it with the Admissions & Records Office prior to the NRS (No Record Shown) date for the course. This date is 30% of the course length. Short-term classes are calculated differently (See Admissions and Records).
- If the student opts for a P/NP final grade, the units are not included in the semester GPA but are considered for the purposes of probation and dismissal.
- A P/NP grade is not used in consideration of honors.
- A total of 20 units of P/NP graded units (not including those courses required by the major which are designated P/NP only) may be applied to an associate’s degree or certificate.
- The student should carefully consider the transferability of P/NP units to other institutions. Some universities may not accept any P/NP courses and others limit the amount of P/NP units that will be accepted. Please consult a counselor before selecting the Pass/No Pass option.

*Approximate times indicated. Specific dates are printed in the Schedule of Classes. These times are applicable only to semester-long courses.

Non-Traditional Credit

Students may be granted nontraditional academic credit (e.g., military service, credit by examination, USAFI, CLEP, AP, etc.) upon proper application and, with the exception of Advanced Placement, the successful completion of 12 credit units at Gavilan College with a cumulative grade point average of no less than 2.0.

University of California does not grant credit for College Level Examination Program (CLEP) exams. CLEP credit WILL NOT be used to certify the Intersegmental General Education Transfer Curriculum. Some California State Universities will grant credit for certain areas and some will not grant credit at all. Transfer students are advised to contact the university they will be attending for specific information regarding CLEP credit.

CREDIT BY EXAMINATION (“TEST OUT”)

Students who have a cumulative GPA of 2.0 or higher in at least 12 units of college work completed at Gavilan College may petition for credit by examination during any term in which they are enrolled.

Procedures:

1. Students who may qualify for credit by examination are:
   a. Students who have never taken the class for credit.
   b. Students of exceptional ability who have studied on their own.
   c. Students with experiential background who can meet the objectives of the course.

2. Students will pay enrollment fees for the challenged class. An additional fee may be incurred if a specialized location and/or materials are required to conduct the examination. The exact fee will be based upon the actual costs of providing the exam.

3. Applications for Credit by Examination are available from the Admissions and Records Office and require the signature of the appropriate instructor, department chairperson, and appropriate dean.

4. A copy of the graded challenge examination will be submitted to the appropriate dean’s office. The type of examination is to be determined by the instructor and the department chairperson in concert with the appropriate dean.

5. The final grade will be submitted to the Admissions and Records Office for posting on the student’s transcript.

6. Students desiring to take the Challenge Examination who, due to extenuating circumstances, do not meet the above qualifications may submit a written appeal for waiver to the appropriate dean.

The previously used CR and NC grades have been replaced by the P and NP grades of record.
PROCEDURES FOR CREDIT BY EXAMINATION - NURSING PROGRAM

Students will receive the following orientation regarding Credit by Examination:

1. All nursing program students will sign a statement that they have been made aware of the college policies on Credit by Examination.
2. Students challenging a nursing course must be eligible for the course and must have met all program entry prerequisites, including admission procedures for the nursing program.
3. The college reserves the right to deny challenge to any specific course.

INTERNATIONAL BACCALAUREATE (IB)

A score of 5, 6, or 7 on Higher Level exams is required to grant credit for IGETC certification. An acceptable IB score for IGETC equates to either 3 semester or 4 quarter units for certification purposes.

Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.

* IB exam may be used in either area regardless of where the certifying CCC’s discipline is located.

ADVANCED PLACEMENT (AP)

Gavilan College grants up to six semester units of transfer credit for each College Board Advanced Placement (AP) Test on which a student receives a score of 3 or higher. The AP results must be submitted to the Office of Admissions and Records with a request for evaluation. Students receiving a score of 3, 4 or 5 on the Math and English AP exams will be exempt from the placement assessment test. AP units will not apply toward financial aid, nor can they be used to satisfy the residency unit requirement.

</table>

* AP exams may be used in either area regardless of where the certifying CCC’s discipline is located. Example: US History at a CCC is approved for Area 3B. The US History AP may be used in either Area 3B or 4F.

** Scores of “3” may not be accepted for all courses by some 4 year colleges and universities.

Advanced Placement exams in Biology, Chemistry or Physics B allow California Community College campuses to apply 4 semester or quarter units. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification. Therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for area 5.
DEAN’S LIST
Special recognition is accorded students who maintain a 3.0 (B) grade point average during any semester in which they accumulate at least 12 graded (A, B, C, D, F) units at Gavilan College. Dean’s List achievement shall be noted on the student’s transcript.

PRESIDENT’S HONOR ROLL
Special recognition is accorded to students who earn a 3.5 or higher grade point average during any semester in which they accumulate at least 15 graded units (A, B, C, D, F) at Gavilan College. President’s Honor Roll achievement shall be noted on the student’s transcript, and additional special recognition shall be given.

STANDARDS FOR PROBATION

Academic Probation: A student who has attempted at least 12 semester units as shown by the official academic record shall be placed on academic probation if the student has earned an accumulated grade point average below 2.0.

Progress Probation: A student who has enrolled in a total of at least 12 semester units as shown by the official academic records shall be placed on progress probation when “W,” “I,” “NC” and “NP” recorded entries reach or exceed fifty percent (50%) of all units in which a student has enrolled.

Removal from Probation: A student who is on academic probation for a grade point deficiency shall be removed from probation when the student’s accumulated grade point average is 2.0 or higher.

A student on progress probation because of an excess of units for which entries of “W,” “I,” “NC” and “NP” are recorded shall be removed from probation when the percentage of units in this category drops below fifty percent (50%).

STANDARDS FOR DISMISSAL
A student who is on academic probation shall be subject to dismissal from the college if the student earned a cumulative grade point average of less than 2.0 in all units attempted in each of three consecutive semesters.

A student who has been placed on progress probation shall be subject to dismissal if the percentage of units in which the student has been enrolled for which entries of “W,” “I,” “NC” and “NP” are recorded in at least three consecutive semesters reaches or exceeds fifty percent (50%).

A student who has been dismissed may petition for reinstatement with a written petition. The petition will be reviewed by a counselor. A decision can include continued enrollment, continued enrollment with a reduced unit load for a predetermined period or dismissal from the college for a predetermined period of time. Petitions are available from the counselors and the Admissions and Records Office.

A student deficient in grade points who transfers to Gavilan College from another college will be admitted on probationary status and allowed to remain as long as a 2.0 or higher grade point average is maintained.

ACADEMIC RENEWAL
In accordance with state guidelines, academic renewal may be accomplished in one of two ways:

1. Repeat a course graded “D”, “F”, “NC” or “NP”. The grade and units of the first attempt will remain on the student’s permanent record but will be annotated to show that they are no longer computed in the grade point average.

2. Petition for renewal of a maximum of three terms of substandard course work which is not reflective of the student’s demonstrated ability. To be eligible for renewal, the following criteria must be met:
   a. A period of two years has elapsed between the time of the petition and the date of the course work to be renewed.
   b. Subsequent to the semester being renewed, the student must complete either:
      • 30 or more units with a grade point average of 2.0 or
      • 24 units with a grade point average of 2.5 or
      • 18 units with a grade point average of 3.0

No grade or course will be removed from the student’s permanent record. However, the record will be annotated to show that the coursework for that term is not computed in the grade point average. Subject completion, but not unit value, will be allowed for any course completed satisfactorily in the term(s) to be renewed for the purpose of satisfying requirements for a certificate or degree. (All work, including the semester(s) for which academic renewal has been granted, will be computed in determining honors (3.50) at graduation.)

Cooperative Work Experience
The Cooperative Work Experience Program provides an opportunity for the application and integration of specific knowledge and skills to current workplace practices.

Cooperative internships emphasize the development of individualized performance objectives. Insights obtained in an actual occupational internship and the experience obtained from business and industry result in skills that are essential to fast track career futures.

A student may earn from 1 to 16 units which may be accepted in certain vocational programs as electives and as elective transfer credit by four-year colleges and universities. Students should consult with counselors for specific transferability guidelines. Students must have a volunteer or paid job and a “C” grade point average to enroll.
Distance Learning Program

Distance learning refers to instruction delivered through technology to students at a distance from their instructors. All distance learning courses are academically equivalent to traditional classroom instruction. They are not easier, as some students think. In fact, they may be more difficult, if we consider the amount of technical ability needed, plus the self-discipline needed to keep current.

Methods of instruction include:

- Online classes, using a computer with an individual email account and access to the internet. Class meetings and the majority of coursework are done primarily online. However, one or more optional on-campus meetings may be held. Online courses require students to have an email account. Please go to www.gavilan.edu/disted for instructions on how to obtain an email account prior to registering for an online course.

- Telecourses, using a set of videos which can be checked out from the Gavilan Library or either the Hollister or Morgan Hill branch campuses. Videos are also cablecast on GavTV (channel 18 in Gilroy, Hollister and San Juan Bautista). There may be 3 or fewer required meetings for classes.

- Hybrid courses are a mix of online meetings plus face-to-face meetings, usually in a 50/50 ratio.

For information, contact the Distance Education Coordinator via email at disted@gavilan.edu. For a list of courses currently offered through the Distance Learning Program, visit the website at http://www.gavilan.edu/disted.

Evening Program

The evening program at Gavilan College is an extension of the day program. Courses meeting the requirements for the Associate of Arts and Associate of Science degrees and for transfer in most majors to four-year institutions and a variety of occupational/technical courses are available at all three locations. A student may choose to attend only at night, or combine day and evening courses.

Many college facilities are available on the main campus to students enrolled in the evening program. These include the college library, counseling services, tutoring services, the science, arts, business and occupational laboratories, the student bookstore, cafeteria and the Student Center. The satellite sites in Hollister and Morgan Hill are also open in the evening.

Study Abroad Programs

Gavilan College will be offering students the opportunity for world-wide learning experiences through various travel and study programs. These programs may be offered during summer sessions or the regular fall or spring semesters.

Gavilan has previously offered programs that have included travel and study in Mexico, England, Spain and other countries.

For a current list of course opportunities, see the Class Schedule or the College Website or contact the Office of the Vice President of Instruction at (408) 848-4761.

South Bay Regional Public Safety Training Consortium

As a member of the South Bay Regional Public Safety Training Consortium, Gavilan College offers courses for students who are interested in Correctional Officer, Law Enforcement, Reserve Police Officer, Dispatcher, Fire Technology, Probation Officer, or Juvenile Hall Counselor careers. The Consortium is funded by all colleges regionally to provide vocational specific training which may require special facilities, special training conditions or is presented outside of the regular schedule of college classes.

The application and registration process is completed at the South Bay Regional Public Safety Training Consortium Center located in south San Jose. Although open to the public, the majority of these courses are intended to serve the “already employed”. If you have questions about these courses, or if you would like information about a career in any of these programs, please call (408) 270-6458 or visit the webpage at www.theacademy.ca.gov.

General Education

Gavilan’s general education (GE) requirements introduce students to a variety of disciplines through which they comprehend and interact with the modern world. The GE requirements are central both to the college’s mission and to its associate’s degrees.

Completion of the GE requirements will develop students’ abilities to think and communicate clearly, both orally and in writing; to use mathematics and employ the scientific method; to understand the modes of inquiry in major disciplines; to be aware of other cultures and other eras; to apply critical thinking to ethical and social issues; and to develop the capacity for self understanding and improvement. The student will also develop a depth of knowledge in a specific field of interest. In completing the requirements, students will come to understand basic principles, concepts and methodologies that may be unique to a specific discipline or universal in the quest for knowledge.

General Education Learning Outcomes

AREA A  English Language, Communication and Critical Thinking
After completing courses in Area A, students will be able to do the following:
- Receive, analyze, and effectively respond to verbal communication.
- Formulate, organize and logically present verbal information.
- Write clear and effective prose using forms, methods, modes and conventions of English grammar that best achieve the writing’s purpose.
- Advocate effectively for a position using persuasive strategies, argumentative support, and logical reasoning.
- Employ the methods of research to find information, analyze its content, and appropriately incorporate it into written work.
- Read college course texts and summarize the information presented.
- Analyze the ideas presented in college course materials and be able to discuss them or present them in writing.
- Communicate conclusions based on sound inferences drawn from unambiguous statements of knowledge and belief.
- Explain and apply elementary inductive and deductive processes, describe formal and informal fallacies of language and thought, and compare effectively matters of fact and issues of interpretation and opinion.

AREA B  Scientific Inquiry and Quantitative Reasoning
After completing courses in Area B, students will be able to do the following:
- Explain concepts and theories related to physical and biological phenomena.
- Identify structures of selected living organisms and relate structure to biological function.
- Recognize and utilize appropriate mathematical techniques to solve both abstract and practical problems.
- Utilize safe and effective laboratory techniques to investigate scientific problems.
- Discuss the use and limitations of the scientific process in the solution of problems.
- Make critical judgments about the validity of scientific evidence and the applicability of scientific theories.
- Utilize appropriate technology for scientific and mathematical investigations and recognize the advantages and disadvantages of that technology.
- Work collaboratively with others on labs, projects, and presentations.
- Describe the influence of scientific knowledge on the development of world’s civilizations as recorded in the past as well as in present times.

AREA C  Arts and Humanities
After completing courses in Area C, students will be able to do the following:
- Demonstrate knowledge of the language and content of one or more artistic forms: visual arts, music, theater, film/television, writing, digital arts.
- Analyze an artistic work on both its emotional and intellectual levels.
- Demonstrate awareness of the thinking, practices and unique perspectives offered by a culture or cultures other than one’s own.
- Recognize the universality of the human experience in its various manifestations across cultures.
- Express objective and subjective responses to experiences and describe the integrity of emotional and intellectual response.
- Analyze and explain the interrelationship between self, the creative arts, and the humanities, and be exposed to both non-Western and Western cultures.
- Contextually describe the contributions and perspectives of women and of ethnic and other minorities.

AREA D  Social Sciences
After completing courses in Area D, students will be able to do the following:
- Identify and analyze key concepts and theories about human and/or societal development.
- Critique generalizations and popular opinion about human behavior and society, distinguishing opinion and values from scientific observation and study.
- Demonstrate an understanding of the use of research and scientific methodologies in the study of human behavior and societal change.
- Analyze different cultures and their influence on human development or society, including how issues relate to race, class and gender.
- Describe and analyze cultural and social organizations, including similarities and differences between various societies.

**AREA E  Lifelong Learning and Self-Development**

After completing courses in Area E, students will be able to do the following:

- Demonstrate an awareness of the importance of personal development.
- Examine the integration of one’s self as a psychological, social, and physiological being.
- Analyze human behavior, perception, and physiology and their interrelationships including sexuality, nutrition, health, stress, the social and physical environment, and the implications of death and dying.

**AREA F  Cultural Diversity**

After completing courses in Area F, students will be able to do the following:

- Connect knowledge of self and society to larger cultural contexts.
- Articulate the differences and similarities between and within cultures.

**Additional Associate’s Degrees**

An Associate of Arts or an Associate of Science degree will be awarded to those currently possessing an associate’s degree provided:

1. the second degree major includes a minimum of 18 new units,
2. courses used to satisfy major requirements for the previous degree(s) are not used to satisfy any of the new 18 major units, and
3. the student completes the last 12 units or has completed a total of 48 units at Gavilan College.

For continuing students, the general education and major requirements for the additional degree are those listed in the college catalog for the academic year in which the student first takes courses for the first degree or any subsequent catalog thereafter.

Continuous attendance is defined as enrollment in at least one regularly transcripted course per year, including summer.

For returning students, the requirements are those listed in the college catalog for the year in which the student returns or any subsequent catalog thereafter.

**Gavilan College Graduation Requirements**

An associate’s degree (A.A. or A.S.) at Gavilan College can be achieved by completing a combination of general education courses and a specific major selected from the Gavilan Catalog. A minimum of 60 degree-applicable units (courses numbered 1-299) are required to earn a degree at Gavilan College.

To be eligible for graduation a student must:

1. Complete a minimum of 60 overall units, to include major course requirements, general education, and electives when necessary to add up to 60 total units. A student may select any of the options below to satisfy the general education requirements:
   - Option A: Gavilan College AA/AS General Education Pattern.
   - Option B: The California State University (CSU-GE Breadth) Pattern.
   - Option C: The Intersegmental General Education Transfer Curriculum (IGETC) Pattern.

   All three patterns above lead to an associate degree. Two are transfer level patterns (CSU-GE Breadth and IGETC), and one designed for those students who may not be interested in transferring to a university. It is possible to complete an AA/AS degree while also preparing for transfer. Consult a counselor for details.

   To earn a Certificate a student must complete only major course requirements.

2. Complete all major requirements courses with a grade of "C" or better in each course.

3. Maintain a cumulative grade point average of 2.0 ("C") or higher for all work attempted. A grade of "C" or better is also required in each course in Area A and Area B-4 (mathematics), of the general education pattern.*

4. Complete the last 12 units or have completed 48 units at Gavilan College.

5. Complete a graduation petition for each associate degree, Certificate of Achievement, Certificate of Proficiency and award of achievement they wish to receive. These petitions must be filed with the Admissions and Records office by mid-April for spring or summer graduation and mid-October for fall graduation.

**NOTE:** Effective fall of 2009, the new Gavilan College graduation requirements will include ENGL 1A (Area A2 of the A.A./A.S. Gavilan College General Education Pattern) and Math 233 (Area B4).

**DOUBLE COUNTING RULE**

Reference: Title V, Section 55063 C

While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement. Whether it may be counted again for a different degree requirement is a matter for each college to determine. Students may use the same course to meet a general education requirement for the associate degree and to partially satisfy a general education requirement at the California State University, if such course is accepted by that system to satisfy a general education requirement.
## GAVILAN COLLEGE

### ASSOCIATE’S DEGREE GENERAL EDUCATION REQUIREMENTS (2009-2010)

1. File a Petition to Graduate with the Admissions and Records Office by April 1 for Spring or Summer graduation, and by October 1 to graduate at the end of the Fall Semester. One petition must be filed for each Associate degree, Certificate of Achievement or Certificate of Proficiency the student expects to receive.

2. Maintain a cumulative grade point average of 2.0 (“C”) or higher for all work attempted and a grade of "C" or higher in each major or certificate courses.
   
   3. Complete a minimum of 18 units of coursework in a major. Refer to the Double Counting Rule on page 47.

4. Complete a minimum of 60 semester units. Within the (60) unit requirement, the (9) units in Area A, and B-4 must be completed with a grade of "C" or better in each course. Complete the last 12 units, or a total of 48 units, at Gavilan College.

### AREA A

ENGLISH LANGUAGE, COMMUNICATION AND CRITICAL THINKING

Select one course from each category. All courses must be completed with a grade of "C" or better.

- **6 Semester Units**
  - A - 1 ORAL COMMUNICATION
    - CMUN 1A Introduction to Public Speaking (3)
    - CMUN 5 Fundamentals of Comm Studies (3)
    - CMUN 8 Interpersonal Communication (3)
    - CMUN 10 Small Group Communication (3)
  - A - 2 WRITTEN COMMUNICATION
    - ENGL 1A* Composition (3)
  - A - 3 READING
    - ENGL 260 or SSCI 270A or SSCI 270B with a grade of "C" or better, or demonstrate reading proficiency at the college level. (Competency may be verified by an approved test.)

### AREA B

SCIENTIFIC INQUIRY AND QUANTITATIVE REASONING

Select one course from each category. The Physical or Life Science course must include a laboratory (indicated in BOLD).

- **9 Semester Units**
  - B - 1 PHYSICAL SCIENCE
    - ASTR 1 Intro to General Astronomy (3)
    - CHEM 1A, B General Chemistry (5)(5)
    - CHEM 12A, B Organic Chemistry (5)(5)
    - CHEM 30A Elementary Chemistry (4)
    - CHEM 30B Elem Organic & Biochemistry (4)
    - GEOG 1 Physical Geography (3)
    - GEOL 1 Introduction to Geology (4)
    - GEOL 13 Environmental Geology (3)
    - PHYS 1 Introduction to Physics (4)
    - PHYS 2A, B General Physics (4)(4)
    - PHYS 4A Physics for Sci & Engineers (Mechanics / Fluids / Waves) (4)
    - PHYS 4B Physics for Scientists and (4)

### AREA C

ARTS & HUMANITIES

Select one course from each category.

- **5 Semester Units**
  - ART 11 Creativity, Imagination, & Innovation (3)
  - ART 21 Ancient Americas: A History (3)
  - CMUN 2; HUM 10 or any Art. Journalism, Music or Theatre course (other than Area C-2)

### LABORATORY ACTIVITY

- **Minimum of Math 233 or equivalent.* (Competency may be verified by an approved test.)**

* NOTE: Effective fall of 2009, the new Gavilan College graduation requirements will include ENGL 1A (Area A2 of the A.A./A.S. Gavilan College General Education Pattern) and Math 233 (Area B4).
### AREA C cont.

</table>
The Gavilan Community College District has entered into a mutual agreement with seven other community Colleges to accept the general education of these colleges. The participating colleges are:

- Chabot College (Hayward)
- De Anza College (Cupertino)
- Evergreen Valley College (San Jose)
- Foothill College (Los Altos Hills)
- Gavilan College (Gilroy)
- Las Positas (Livermore)
- Mission College (San Jose)
- Ohlone College (Fremont)
- San Jose City College (San Jose)
- West Valley College (Saratoga)

Students who obtain a Certification of Completion of Associate Degree General Education or complete an associate degree at any of the participating colleges will have both their general education course work and graduation proficiencies accepted as completed at any one of the participating campuses. No additional general education course work will be required if the certification is officially presented. Students will still be required to complete all major courses and prerequisites needed for a degree.

The process for obtaining a Certification of Gavilan College General Education is as follows:

1) The student requests General Education Certification from the Gavilan College Admissions and Records Office.
2) If transcripts are to be used from other colleges, official copies must be on file with the Records Office.
3) A copy of the certification will be given to the student.
4) Gavilan College will honor the certification presented from the participating colleges only if it is transmitted in the same manner as an official transcript. Student copies will not be honored.

Please note that only the colleges listed above participate in this agreement and these agreements are subject to change. Check with a counselor.
Articulation Agreements

Gavilan College has completed lower division course-to-course, major-to-major, and general education agreements with all California State University (CSU), University of California (UC) and a number of private university campuses. These agreements ensure that participating universities will accept certain courses taken at Gavilan College to satisfy general education, major, or elective university requirements.

The articulation officer, counselors and the Career/Transfer Resource Center staff have lists of participating institutions. Articulation agreements are also available online. See information on www.assist.org.

UC ADMISSION POLICY

The university considers you a transfer applicant if you enrolled in a regular session at another college or university. Do not disregard your previous college record and apply as a first-time student.

If you plan to attend a California community college before applying to the university, you should take courses that satisfy university and college requirements and fulfill prerequisites in your selected major. University and community college counselors can help you with your planning.

UC TRANSFER REQUIREMENTS

CALIFORNIA RESIDENTS: There are basically several ways in which you can meet UC’s minimum admission requirements as a transfer student. These requirements are described below. In all cases, you must have at least a “C” (2.0) average in all transferrable coursework.

1. If you were eligible for admission to UC when you graduated from high school, satisfying the Subject, Scholarship and Examination Requirements - you are eligible to transfer if you have a “C” (2.0) average in your transferrable college coursework.

2. If you met the Scholarship Requirement but did not satisfy the Subject Requirement, you must take transferrable college courses in the missing subjects, earning a “C” or better in each required course, and an overall “C” (2.0) average in all transferrable coursework to be eligible to transfer.

3. If you met the Scholarship Requirement but not the Examination Requirement, you must complete a minimum of 12 semester (18 quarter) units of transferrable work and earn an overall “C” (2.0) average in all transferrable college coursework completed.

4. If you were not eligible for admission to UC when you graduated from high school because you did not meet the Scholarship Requirement, you must:
   A. Complete 60 semester units or 90 quarter units of transferrable college credit with a grade point average of at least 2.4, and;
   B. Complete the following course pattern requirement, earning a grade of “C” or better in each course:
      - two transferrable college courses (3 semester or 4-5 quarter units each) in English composition, and;
      - one transferrable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning, and;
      - four transferrable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, the physical and biological sciences.

Students who satisfy IGETC prior to transferring to UC will satisfy Option 4B of the transfer admission requirements.

NON RESIDENTS: The minimum admission requirements for non-resident transfer applicants are the same as those for residents, except that non-residents must have a grade point average of 2.8 or higher in all transferrable college coursework.
Transfer Patterns

Students planning to transfer to a four-year institution such as the University of California, California State University or a private university or college can generally complete the freshman and sophomore level work at Gavilan College and enter the four-year institution with junior standing.

The requirements of universities vary. It is therefore advisable that students consult their counselor for more detailed information. Students should choose their courses at Gavilan in accordance with the lower division requirements of the university of their choice in order to be prepared for their major at the university. (The Counseling Office is located in SC113, (408) 848-4723.)

College catalogs which describe specific admissions and graduation requirements for the four-year colleges and universities are located at the Gavilan Career/Transfer Resource Center, SC 101.

Intersegmental General Education Transfer Curriculum (IGETC)

The IGETC can be used by community college transfer students to fulfill lower division general education requirements in either the CSU or UC system without the need, after transfer, to take additional lower division general education courses, as long as your IGETC completion is certified at the community college. Obtain the Certification form from Admissions and Records.

Students are strongly encouraged to complete all IGETC requirements prior to transfer.

Partial IGETC Certification: If you are approaching readiness for transfer and are unable to complete one or two IGETC courses, you may be eligible to complete IGETC after transferring.

Warning: Students need Area 1 and 2 completed to meet minimum transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in Area 1 and/or 2 may also indicate a student does not meet minimum transfer requirements. Community colleges should make every effort to notify students of this potential problem.

If your petition for partial certification of IGETC is approved, you may be able to complete IGETC in one of the following ways:

1) Take an approved IGETC course, in the area(s) to be completed, at any California Community College, at a time that does not require concurrent enrollment, such as during the summer.

2) Take a course approved by the UC or CSU campus of attendance in the area(s) to be completed at a U.S. regionally accredited institution at a time that does not require concurrent enrollment, such as during summer school.

3) Take an approved IGETC course, in the area(s) to be completed, at any California Community College while concurrently enrolled at a UC or CSU campus. The student will be subject to the UC or CSU campus rules regarding concurrent enrollment, so this option may not be available.

4) Take a course approved by the UC or CSU campus of attendance at a United States regionally accredited institution in the area(s) to be completed while concurrently enrolled at a UC or CSU campus. The student will be subject to the UC or CSU campus rules regarding concurrent enrollment, so this option may not be available.

5) Take a comparable course at a UC or CSU campus in the area(s) to be completed. This option is at the discretion of each UC or CSU campus, so it may not be a choice available to the student.

You will be expected to complete IGETC before the beginning of the second full year of enrollment at your UC or CSU campus. Check with your campus advisor after you transfer for more information, including which options are available and which UC or CSU courses may be comparable to the IGETC courses remaining to be completed.

All UC and CSU campuses will accept IGETC with the exception of Fifth and Revelle Colleges at UC, San Diego. Since all majors are available at each of the five colleges at UC, San Diego, students will not be restricted in their choice of major if they use the IGETC.

A course cannot be used to satisfy more than one subject area of the IGETC (general education). However, major prerequisite courses can be used (double counted) to satisfy IGETC requirements.

CSU campuses’ limitations on double counting of general education courses toward major preparations are not changed by IGETC.

Students who wish to be certified for both CSU and UC systems should take CMUN 1A, 5, 8 or 10 in Area 1 for CSU and meet the foreign language requirement for UC. Completing both provides flexibility and choices.

The courses for all IGETC areas must be completed with a grade of “C” or better before IGETC can be certified. A grade of “C-” is not acceptable.

CLEP EXAMS

University of California does not grant credit for College Level Examination Program exams. CLEP credit CANNOT be used to certify IGETC. Some California State Universities will grant CLEP credit for certain areas and some will not. Transfer students are advised to contact the university they will be attending for specific information regarding CLEP credit.
### UC/CSU Intersegmental General Education Transfer Curriculum IGETC - 2009-2010

Completion of all the requirements in the IGETC will permit a student to transfer from a community college to the California State University or the University of California without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. All areas must be satisfied, and all courses must be completed with a grade of "C" or better before the IGETC can be certified. See requirements for partial IGETC certification in catalog. A student is strongly advised to complete a total of 60 transferable units before transferring. These will include the IGETC requirements, "major" prerequisites, and elective courses if needed. (Students should request an IGETC certification from the Office of Admissions and Records before transferring.)

#### AREA 1

**ENGLISH COMMUNICATION**
- CSU - 3 courses required, one each from Group A, B, and C
- UC - 2 courses required, one each from Group A and B

1-A English Composition
   - ENGL 1A Composition (3)

1-B Critical Thinking / English Composition
   - ENGL1C Critical Reasoning and Writing (3)
   - PHIL 4 Critical Thinking and Writing (3)

1-C Oral Communication (CSU requirement only)
   - CMUN 1A Introduction to Public Speaking (3)
   - CMUN 5 Fund of Communication Studies (3)
   - CMUN 8 Interpersonal Communication (3)
   - CMUN 10 Small Group Communication (3)

#### AREA 2

**MATHEMATICAL CONCEPTS AND QUANTITATIVE REASONING**
- 1 course, 3 semester, 4-5 quarter units

2-A Math
   - CSIS 26 Discrete Mathematics (4)
   - + ECON 11 Statistics for Business & Economics (4)
   - + BUS 11 Statistics for Business & Economics (4)
   - + MATH 1A Single Variable Calculus & Analytic Geometry (4)
   - MATH 1B Single Variable Calculus & Analytic Geometry (4)
   - MATH 1C Multivariable Calculus (4)
   - MATH 2 Linear Algebra (3)
   - MATH 2C Differential Equations (3)
   - MATH 5 Introductions to Statistics (3)
   - + MATH 6 Calc for Bus / Social Sci (3)
   - MATH 7 Finite Mathematics (3)
   - + MATH 8A First Half of Precalculus (4)
   - + MATH 8B Second Half of Precalculus (4)
   - MATH 14 Math for the Liberal Arts (3)

#### AREA 3

**ARTS AND HUMANITIES**
- At least 3 courses, with at least one course from the Arts and one course from the Humanities.

3-A Arts
   - ART 1A,B Art History (3)
   - ART 6 Art Appreciation (3)
   - ART 21 Ancient Americas: A History Through Art (3)
   - HIST 21 Ancient Americas: A History Through Art (3)
   - HUM 6 Foreign Cinema (3)
   - MUS 1A,B Music History and Literature (3)
   - MUS 6** Intro to World Music (3)
   - THEA 1 Theater History (3)
   - THEA 3 El Teatro Campesino (3)
   - THEA 7 Theater Appreciation (3)

3-B Humanities
   - ENGL 1B Composition and Literature (3)
   - ENGL 2A Introduction to Poetry (3)
   - ENGL 2B Intro to Multi-Cultural Literature (3)
   - ENGL 2C Introduction to Film and Fiction (3)
   - ENGL 2E Introduction to Women Writers (3)
   - ENGL 2F Children's Literature ** (3)
   - ENGL 2H Mexican-American Literature (3)
   - ENGL 2J Mythology (3)
   - ENGL 4A British Literature - 449 through 1798 (3)
   - ENGL 4B British Literature - 1798 to present (3)
   - ENGL 5A Survey of American Literature - 1620 - 1865 (3)
   - ENGL 5B Survey of American Literature - 1865 to present (3)
   - * HIST 1 U.S. Hist through Reconstruction (3)
   - * HIST 2 U.S. Hist Reconstruction to Present (3)
   - * HIST 3 History of California (3)
   - * HIST 4A Hist of World Societies Before 1500 (3)
   - * HIST 4B History of World Societies - 1500 to Present (3)
   - * HIST 5 Women's Lives in Early U.S. Hist (3)
   - * HIST 6 Women's Lives in Recent U.S. Hist (3)
   - HIST 7A History of Western Civilization (3)
   - HIST 7B History of Western Civilization (3)
   - * HIST 10 African American History (3)
   - * HIST 12 Cult Hist. of the Mexican American (3)

#### AREA 4

**SOCIAL AND BEHAVIORAL SCIENCES**
- Three courses from at least two disciplines or an interdisciplinary sequence.
- 9 semester, 12-15 quarter units.

4-A Anthropology and Archeology
   - ANTH 2 Introduction to Archeology (3)
   - ANTH 3 Intro to Cultural Anthropology (3)
   - ANTH 5 Magic, Witchcraft and Religion (3)
   - ANTH 8 Intro to New World Archeology ** (3)
   - ANTH 10 Native American Culture (3)

4-B Economics
   - + ECON 1 Principles of Macroeconomics (3)
   - + ECON 2 Principles of Macroeconomics (3)
   - + ECON 10 Fundamentals of Economics (3)

4-E Geography
   - GEOG 2 Cultural Geography (3)

4-F History
   - * HIST 1 U.S.Hist through Reconstruction (3)
   - * HIST 2 United States History: Reconstruction to the Present (3)
   - * HIST 3 History of California (3)
   - * HIST 4A History of World Societies Before 1500 (3)
### General Education - Transfer Programs

#### 4-F History - Cont.
- **HIST 4B** History of World Societies
  - 1500 to Present
  - (3)
- **HIST 5** Women’s Lives in Early U.S. History
  - (3)
- **HIST 6** Women’s Lives in Recent U.S. History
  - (3)
- **HIST 10** African American History

- *Courses listed in multiple areas shall not be certified in more than one area except for courses in Languages Other Than English, which can be certified in both areas 3B and 6A.
- **Approved for fall 2008**

### CSU Graduation Requirement in U.S. History, Constitution, and American Ideals.

Not Part of IGETC (May be completed prior to transfer.)

For the baccalaureate degree, CSU requires one of the following combinations:

- HIST 1 & 2 or
- POLS 1 with either HIST 1 or 2

CSU campuses have the discretion whether to allow courses used to satisfy the CSU US History, Constitution and American Ideals (AI) graduation requirement to count in both Area 3B or 4F and to meet the graduation requirement.

### Supplementary Notes

1. A single course, even though listed in more than one place, can only be used to satisfy one subject area of the IGETC.
2. IGETC is not advisable for high-unit majors, e.g. sciences, engineering.
3. Eleanor Roosevelt and Revelle Colleges at UC San Diego do not accept the IGETC.
4. IGETC may not be appropriate for students who have completed courses at a CSU or UC campus.
5. "Double counting" of courses toward the major is not limited by the IGETC, but may limited by other directives. The UC will also allow IGETC courses to count toward major requirements. CSU campus limitations on double-counting of general education courses toward major preparation are not changed by the IGETC.

- *Transfer credit may be limited by either UC or CSU or both. Please consult with a counselor.*
Transfer to the California State University System (CSU)

The California State University system includes the following campuses:

- Bakersfield
- Channel Island
- Chico
- Dominguez Hills
- East Bay
- Fresno
- Fullerton
- Humboldt
- Long Beach
- Los Angeles
- Maritime Academy
- Monterey Bay
- Northridge
- Pomona
- Sacramento
- San Bernardino
- San Diego
- San Francisco
- San Jose
- San Luis Obispo
- San Marcos
- Sonoma
- Stanislaus

Gavilan College courses numbered 1-99 are transferable to all of the 23 CSU campuses. Courses numbered 100-199 are occupational and may transfer to CSU institutions (see below). Consult a counselor for complete information.

Academic units transferred from Gavilan College to CSU institutions may be applied to one of the following three areas by the receiving campuses:

1. Credit toward the major
2. General education credit
3. Elective credit

A study of the receiving institution’s catalog or exploring ASSIST will aid students in determining where transferable courses completed at Gavilan College will be applied at the CSU campus. Students should consult with a counselor regarding transfer requirements.

CSU Transfer Requirements

Students transferring to the California State University system will qualify for admission as upper division transfers if they have completed 60 transferable semester units with a GPA of 2.0 (“C”) or better (non-residents 2.4 or better.) Within the 60 unit requirement, the 9 units in Area A, Area B-4 (Mathematics), and 18 additional semester units of general education course work must be completed with a grade of 2.0 or better in each course.

Students who complete the CSU General Education Breadth pattern will be considered to have satisfied the lower division general education requirements for the California State University B.A./B.S. degree. A minimum of 9 semester units of general education coursework must be completed at the upper division level after transfer. Some CSU campuses require more than 9 units.

Students should request a General Education Certification from the Office of Admissions and Records before transferring. See a counselor for further information.

AREA A: ENGLISH LANGUAGE, COMMUNICATIONS AND CRITICAL THINKING:

Courses will cover the principles and applications of language towards logical thought, clear precise expression, and critical evaluation of communication. English composition courses will include both expository and argumentative writing. In this area, courses emphasize oral and written communication skills, and sharpen analytical thinking.

AREA B: SCIENTIFIC INQUIRY AND QUANTITATIVE REASONING:

These courses examine the physical universe, its life forms, and its natural phenomena. Courses will help students develop appreciation and understanding of the scientific method, mathematics, and statistics, and encourage understanding of the relationship between science, technology, and other human activities.

AREA C: ARTS AND HUMANITIES:

These courses study the cultural activities and artistic expression of human beings. Courses will increase student awareness of ways in which people through the ages and in different cultures have responded to both their own internal landscapes and to the world around them in artistic and cultural creation. Humanities courses will also develop in student’s aesthetic understanding, logical thinking skills, and an ability to make sound value judgments.

AREA D: SOCIAL SCIENCES:

These courses focus on people as members of societies. Courses will acquaint students with methods of inquiry used in the social and behavioral sciences. The courses will stimulate critical thinking about people’ actions and interests on the local, national, and global levels, and will promote appreciation of social and cultural pluralism.

AREA E: LIFELONG LEARNING AND SELF DEVELOPMENT:

Courses in this area will equip students for lifelong understanding and development as physiological, social, and psychological beings. These courses have universal and durable utility in aiding students to make choices which will contribute to personal and social well-being, and to the achievement of self-actualization through the integration of physical, emotional, social, technological, and intellectual development.
# CSU General Education (Breadth) Requirements 2009-2010

certified by Gavilan College

Students transferring to the California State University system will qualify for admission as upper division transfers if they have completed (60) transferable units with a GPA of 2.0 ("C") or better (non-residents 2.4 or better). Within the (60) unit requirement, the (9) units in Area A, Area B-4 (Mathematics), and (18) additional semester units of general education coursework must be completed with a grade of 2.0 or better in each course. Students who complete the following pattern will have satisfied the lower division General Education requirements for the California State University BA / BS degree. A minimum of (9) semester units of General Ed coursework must be completed at the upper division level after transfer; some CSU campuses require more than (9) units. (See a counselor for further information.)

(Students should request a general education certification from the office of Admissions and Records before transferring.)

## AREA A

**ENGLISH LANGUAGE, COMMUNICATION AND CRITICAL THINKING**

Select one course from each category. All courses must be completed with a grade of "C" or better.

9 semester units or 12-15 quarter units

cursos listados de manera más que una disciplina o área pueden ser utilizados solo una vez para satisfacer una área.

* = aprobado para el otoño 2008 ± = aprobado retroactivamente para el otoño 2005

NOTA: “o” o “±” . PSYC 2 + 3 acceptable for AREA E only if taken as combination.
NOTA: Transfer credit of certain courses (especially Science and Math) may be limited by UC or CSU or both. Consult with a counselor.
Transfer Admissions Agreement (TAA)

A Transfer Admissions Agreement is a formal agreement between a student in attendance at Gavilan College and a receiving baccalaureate granting institution to which the student intends to transfer. The agreement guarantees admission to a transfer university a year in advance for the fall semester. It may also guarantee admission into a major.

Gavilan College has Transfer Admission Agreements with several colleges and universities. Please check our website for specifics at www.gavilan.edu/counseling/Transfer-Services.html.

Because the requirements of universities vary, it is advisable that students consult a counselor for more detailed information.

Transfer (Articulation) Agreements with Private Universities

Certain private universities have completed course agreements with Gavilan College to facilitate student transfer. The following universities have provided Gavilan students with a course transfer pattern for students who plan to attend these private institutions:

- Academy of Art University (San Francisco)
- Boston University (Engineering Program)
- Brigham Young University (BYU)
- Brigham Young University (Hawaii)
- Cleveland Chiropractic College
- Cogswell Polytechnical College
- Embry-Riddle Aeronautical University
- Golden Gate University
- Indiana University
- Loma Linda College (nursing agreement)
- Los Angeles College of Chiropractic
- Menlo College
- Mills College (Oakland)
- Monterey Institute of International Studies
- National University
- Samuel Merritt College (Nursing)
- United States International University (USIU)
- University of Phoenix
- University of San Francisco (USF)
- University of Santa Clara
- University of the Pacific (School of Pharmacy and Health Sciences)

Career Education Options

Gavilan offers three types of career education options:

Associate's Degree
Certificate of Achievement (generally requires 18 or more units)
Certificate of Proficiency (requires fewer than 18 units)

All provide instruction in the skills and knowledge needed to enter a skilled or semi-professional occupation. Associate’s degree programs require completion of general education requirements. Certificate programs vary in the number of units required. Occupational certificate programs are developed in close cooperation with advisory committees made up of representatives from business and industry. These advisory committees review courses and make recommendations about technical content so that students will be prepared for the current technology of the job market.

Gavilan offers a number of Certificates of Proficiency, designed with 3-17 units to allow students to achieve job-market proficiencies in a variety of fields. Students must earn a “C” or better in each course for the Certificate of Proficiency, and must take 60 percent of the required courses at Gavilan College in order to earn a certificate here. Students earning certificates will have their fulfillment of requirements verified by a college counselor. Certificates of achievement will appear on the student’s transcript while certificates of proficiency will not.

Note: Certificate of Proficiency and Certificate of Achievement require a grade of 2.0 (“C”) or better in each course.

General Education

Along with the major course requirements listed in each degree major in the following pages, students must complete all general education and legal requirements described in General Education Requirements to be eligible for the associate’s degree. To complete General Education requirements a student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern. See page 47 of this catalog for details.

REMINDER: Courses completed to satisfy general education requirements for an associate’s degree can also be used for the major unless otherwise specified and beyond the 18-unit minimum.

Need For Specialized Training

It is often difficult to secure employment or to advance to increased responsibility and better paying jobs without specialized training. In the early stages of one’s career it is the specific, technical skills that an employer seeks. Your college record is the best evidence that this specialized training has been secured.

Students may combine work toward a certificate or an associate’s degree with courses leading to advanced standing at a four-year college or university. Many students have thus acquired a marketable skill with which they could support themselves and their families while they continue to work for a baccalaureate degree.

“Pending Approval” Statements

Certain degrees and certificates published in this catalog are pending Chancellor’s Office approval. While the college believes that each of these programs will be approved, there is a possibility that some will be denied. If approved the pending certificates and degrees will take effect in fall of 2009. Please check the Gavilan College website for current status or consult a counselor for more information.
Below is a quick reference of degrees and certificates available at Gavilan College. For more information, call the Counseling Office at (408) 848-4723 or the related department. See program listings beginning on page 66. Regional Occupational Programs (ROP) certificates are listed on pages 228-229.

### Gavilan College Degrees and Certificates

- **Pending approval - see Pending Approval Statements on previous page.**

#### Degree and Certificate Titles (effective fall of 2008): All certificates previously called "Certificates of Completion" are now called "Certificates of Achievement" and certificates previously called "Certificates of Achievement" are called "Certificates of Proficiency". These are title changes only and do not affect certificate requirements nor certificates previously awarded.

### Degree and Certificate Titles (effective fall of 2008): All certificates previously called "Certificates of Completion" are now called "Certificates of Achievement" and certificates previously called "Certificates of Achievement" are called "Certificates of Proficiency". These are title changes only and do not affect certificate requirements nor certificates previously awarded.
PROGRAM LEARNING OUTCOMES: After completing the Administration of Justice major a student will be able to:

- define and utilize key terms, concepts, and theories in the criminal justice system.
- demonstrate an understanding of the history, structure, and processes of law enforcement, the judicial system, correctional system, and the juvenile justice system.
- reflect critically on developments in criminal justice policy and the relationship of these policies to the wider political and social environment.
- compare and evaluate diverse and competing arguments and analysis in disciplinary (justice system) and interdisciplinary contexts.
- interpret, assess and compare competing types of evidence and data.
- demonstrate an ability to effectively communicate orally and in writing the results of their analysis and understanding.

After completing the Administration of Justice major, students transferring to a four-year institution will be prepared for additional study in the following areas: Administration of Justice, Law Enforcement, Correctional Administration, Social Science, Pre-Law.

South Bay Regional Public Safety Training Consortium

As a member of the South Bay Regional Public Safety Training Consortium, Gavilan College offers courses for students who are interested in Correctional Officer, Law Enforcement, Reserve Police Officer, Dispatcher, Fire Technology, Probation Officer, or Juvenile Hall Counselor careers. The Consortium is funded by all colleges regionally to provide vocational specific training which may require special facilities, special training conditions or is presented outside of the regular schedule of college classes.

The application and registration process is completed at the South Bay Regional Public Safety Training Consortium Center located near the Evergreen Valley College campus. Although open to the public, the majority of these courses are intended to serve the “already employed”. If you have questions about these courses, or if you would like information about a career in any of these programs, please call (408) 270-6458 or visit the webpage at www.theacademy.ca.gov.
Law Enforcement, Option 1  

**A.A. Degree and Certificate of Achievement**

To receive an ASSOCIATE’S DEGREE complete:

- **REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS:**

Total Units Required: 28 UNITS
Corrections is that part of the criminal justice system that deals with both juveniles and adults who have been charged with or convicted of a criminal offense. It involves working with the individual at the local, state, or federal level of government.

Corrections professionals subscribe to the philosophy of protecting society and aiding in the rehabilitation of the offender. The Corrections Option is designed to expose the student to different aspects of the correctional system.

**Corrections Option  A.A. Degree**

| AJ 10 | Introduction to the Administration of Justice | 3 units |
| AJ 12 | Criminal Procedures | 3 units |
| AJ 14 | Criminal Law | 3 units |
| AJ 170 | Introduction to Corrections | 3 units |
| AJ 171 | Institutional Supervision & Treatment of the Offender | 3 units |

Choose 6 units:

| AJ/CMUN/POLS/PSYC 6 | Introduction to Conflict Resolution | 3 units |
| AJ 19 | Introduction to Investigation | 3 units |
| AJ 20 | Juvenile Law and Procedure | 3 units |
| AJ 21 | Narcotics and Drug Abuse | 3 units |
| AJ 24 | Administration of Justice Interviewing & Report Writing | 3 units |
| AJ 32 | Crime and Delinquency | 3 units |
| AJ 173 | Fundamentals of Probation and Parole | 3 units |
| AJ 176 | Criminal Street Gangs | 3 units |

Total Units Required: 21 UNITS

Plus completion of general education requirements: units vary

Total Units Required: minimum of 60 UNITS

**Corrections Option  Certificate of Achievement**

| AJ 170 | Introduction to Correctional Administration | 3 units |
| AJ 171 | Institutional Supervision and Treatment of the Offender | 3 units |
| AJ 172 | Fundamentals of Interviewing and Counseling | 3 units |
| AJ 173 | Fundamentals of Probation and Parole | 3 units |
| AJ 32 | Crime and Delinquency | 3 units |
| AJ 190* | Occupational Work Experience/Administration of Justice | 3 units |

Total Units for Certificate of Achievement: 18 UNITS

Recommended AJ electives: AJ 19, 20, 21, 24

* Students may substitute one of the recommended electives or obtain approval from the instructor to substitute another course (A course substitution form must then be submitted to the Admissions and Records Office.)

General Education Requirements: A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern. Pattern requirements are listed on pages 47-57. See a counselor for details.
The sequence of courses for students interested in careers in Allied Health is shown below. The sequence is designed to offer maximum flexibility in achieving educational goals, while providing for entry into the next level of the program.

**PREREQUISITES:**

- **AH 3**  The Person in the Life Cycle ...........................................3 units
- **AH/BIO 11**  Nutrition .................................................................3 units
- **AH/BIO 15**  Survey of Human Anatomy and Physiology  
  (or BIO 7 and BIO 9) .................................................................5 units
- **AH 32**  Basic Cardiac Life Support ........................................1 unit
- **AH 180**  Fundamentals of Nursing--Convalescent ......................8 units
- **ENGL 1A**  Composition .............................................................3 units
- **PSYC 1A**  Introduction to Psychology ......................................3 units
- **ENGL 260**  Preparation for College Reading ................................3 units
- **MATH 233**  Intermediate Algebra ............................................5 units

* May be satisfied by coursework or Gavilan College Placement Test. Two year recency and a minimum grade of "C" required.

** Overall GPA of 2.5 in specified courses. Minimum of "C" in all courses.

Courses listed above and the following Clinical courses are required for Advanced Standing.

- **AH 51**  Medical-Surgical Nursing .............................................11 units
- **AH 52**  Medical-Surgical Nursing .............................................11 units
- **AH 53**  Medical-Surgical - Maternal-Neonatal Nursing ................11 units
- **AH 54**  Medical-Surgical/Pediatric Nursing .................................11 units

**LVN LICENSING EXAM**

Students completing AH 51-54 will be eligible to take the NCLEX-VN Licensing Exam and apply for Advanced Standing in the Registered Nursing Program. Additional courses must be taken to meet general education requirements for A.S. degree. Please consult a counselor. To schedule an appointment, call 408-848-4723.

**ADVANCED STANDING/REGISTERED NURSING REQUIREMENTS**

Courses listed above and the following are required for Advanced Standing:

- **AH/BIO 8***  General Microbiology .............................................5 units
- **AH/BIO 9***  Human Physiology .................................................5 units
- **AH 16***  Intravenous Therapy/Blood Withdrawal ..........................2 units
- **CHEM 30A**  Elementary Chemistry (recommended) ......................4 units
- **CMUN 1A***  Introduction to Public Speaking ...............................3 units
- **SOC 1A***  Introduction to Sociology ........................................3 units

***Prerequisites for admission to Advanced Standing. Students must meet recency requirements and maintain an overall GPA of 2.5 in specified courses. Minimum of "C" in all courses. Please consult a counselor. To schedule an appointment, call 408-848-4723.

Students admitted to Advanced Standing will complete the following clinical courses and be eligible to take the NCLEX-RN Licensing Examination:

- **AH 55**  Interactive and Mental Health Nursing ............................10 units
- **AH 56**  Compensatory Nursing Practice .....................................10 units

**Students completing AH 51-56 will be eligible to take the NCLEX-RN Licensing Exam. Additional courses must be taken to meet general education requirements for A.S. degree. Please consult a counselor. To schedule an appointment, call 408-848-4723.
Registered Nursing  A.S. Degree and Certificate of Achievement

PREREQUISITES (Students planning to enter the Registered Nursing Program must complete the following prerequisites):

<table>

</table>

*** Prerequisites for admission to Advanced Standing. Students must meet recency requirements and maintain an overall GPA of 2.5 in specified courses. Minimum of "C" in all courses. Please consult a counselor. To schedule an appointment, call 408-848-4723.

ASSOCIATE DEGREE: Associate Degree Registered Nursing requires completion of the clinical courses listed below together with general education requirements. Students are then qualified for a Certificate of Achievement in Registered Nursing and an Associate of Science Degree.

CLINICAL REQUIREMENTS:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>AH 55**</td>
<td>Interactive and Mental Health Nursing</td>
<td>10</td>
</tr>
<tr>
<td>AH 56**</td>
<td>Compensatory Nursing Practice</td>
<td>10</td>
</tr>
</tbody>
</table>

** Overall GPA of 2.5 in specified courses. Minimum of "C" in all courses.

Program Learning Outcomes: After completing this degree or certificate a student will:

- take and pass the licensure exam.
- function within the scope of practice of the registered nurse as outlined by the California Board of Registered Nursing.
- practice within professional and legal standards, ethical principles and demonstrate sensitivity to the cultural differences of clients.
- apply principles of oral, written and verbal communication to convey relevant, accurate and complete information.
- demonstrate an ability to practice safely.
- apply the nursing process by assessing, planning, implementing and evaluating nursing care and teaching the maintenance of health and prevention of disease.

At the present time, the Registered Nursing program is open to licensed vocational nurses or those who have successfully completed a vocational nursing program and are exam eligible.

After completing the Registered Nursing program and passing the National Council Licensure Examination, students will have job entry skills for registered nursing. The Associate’s degree in Registered Nursing requires completion of the Allied Health clinical courses listed plus general education requirements. Students are then qualified for a Certificate of Achievement in Registered Nursing and an Associate of Science degree.

NOTE: A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.

Students interested in a Bachelor of Science in Nursing program are encouraged to consult the catalog from the college they plan to attend. See a counselor regarding transfer requirements.
30 Unit Option  Certificate of Achievement

Completion of the courses listed below will qualify students for a Certificate of Achievement in Registered Nursing. This option is available to Licensed Vocational Nurses only. Please consult a counselor. To schedule an appointment, call 408-848-4723.

CERTIFICATE OF ACHIEVEMENT REQUIREMENTS:
AH/BIO 8**  General Microbiology  5 units
AH/BIO 9**  Human Physiology  5 units
AH 55**  Interactive and Mental Health Nursing  10 units
AH 56**  Compensatory Nursing Practice  10 units
Certificate Requirements:  30 UNITS

Nurse Assistant - Convalescent  ROP Certificate

AH 180  Fundamentals of Nursing Convalescent  8 units
ROP Certificate Requirements:  8 UNITS

Home Health Aide  ROP Certificate

AH 180  Fundamentals of Nursing--Convalescent  8 units
AH 182  Home Health Aide  2 units
ROP Certificate Requirements:  10 UNITS

Clinical Medical Assisting  ROP Certificate

AH 170  Basic Clinical Medical Assisting  6 units
AH 171  Advanced Clinical Medical Assisting  6 units
ROP Certificate Requirements:  12 UNITS

Completion of the courses listed below will qualify students for a Certificate of Completion as a Clinical Medical Assistant. Students receiving their certificate will have the job entry skills needed to apply for a clinical medical assistant position.

Completion of these courses will qualify students for State Certification as a Home Health Aide. Students receiving the certificate of completion will have job entry skills for home health aide.

Completion of this course will qualify students to apply for certification by taking the written and performance Nurse Assistant Competency Exam. Students receiving the certificate will have job entry skills for nurse assistant in the convalescent facility.
Gavilan College, in cooperation with the Carpenter Training Committee for Northern California, conducts a Drywall/Lathing Apprenticeship Program which can lead to a Certificate of Achievement and/or Associates of Arts Degree. An apprenticeship program is a formal system of occupational training lasting from two to five years that combines paid employment, on-the-job training and job-related college level instruction in order to develop highly skilled workers.

Enrollment in an apprenticeship course is limited to registered apprentices. However, anyone meeting the apprenticeship requirements can apply for acceptance. Information on admission to apprenticeship programs can be obtained by going to www.ctcnc.org.

Drywall/Lathing Apprenticeship

To receive an ASSOCIATE’S DEGREE complete:

- REQUIRED COURSES listed below.
- GENERAL EDUCATION REQUIREMENTS, plus sufficient electives to meet a 60 unit total. See Gavilan College General Education graduation requirements on pages 47-57.

REQUIREMENTS:

DRLT 200 Introduction to the Trade ................................................. 2.0 units
DRLT 202 Basic Applications .................................................. 1.5 units
DRLT 205 Mathematics for Drywall/Lathing ................................. 2.0 units
DRLT 210 Residential Metal Framing ........................................ 1.5 units
DRLT 212 Doors, Windows, Exterior Systems/Building Documents .... 1.5 units
DRLT 220 Blueprint Reading I .................................................. 1.5 units
DRLT 221 Blueprint Reading II .................................................. 1.5 units
DRLT 222 Blueprint Reading III ............................................. 1.5 units
DRLT 230 Welding I .......................................................... 1.5 units
DRLT 231 Welding II .......................................................... 1.5 units
DRLT 240 Exterior/Advanced Fire Control System and Partitions .. 1.5 units
DRLT 242 Exterior Systems and Trims ...................................... 1.5 units
DRLT 250 Interior Metal Lathing System and Sound Control ........ 1.5 units
DRLT 260 Ceilings, Shaft Protection and Demountable Partitions .... 1.5 units
DRLT 262 Arches, Furring and Advanced Systems ....................... 1.5 units
DRLT 270 Advanced Construction Techniques ............................ 1.5 units

And a minimum of 16 units from the following:

DRLT 290 Occupational Work Experience/Drywall-Lathing ........ 16 units

Total Units Required: 41 UNITS

*This degree and certificate are pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status.

Gaviton College, in cooperation with the Carpenter Training Committee for Northern California, conducts a Drywall/Lathing Apprenticeship Program which can lead to a Certificate of Achievement and/or Associates of Arts Degree. An apprenticeship program is a formal system of occupational training lasting from two to five years that combines paid employment, on-the-job training and job-related college level instruction in order to develop highly skilled workers.

This apprenticeship program is a cooperative effort between the Joint Apprenticeship Training Committee (JATC) and the college. The JATC is composed of representatives from both labor and management from each apprenticeship area, and their purpose is to oversee apprenticeship training. The Gavilan College apprenticeship program is approved by the Division of Apprenticeship Standards of the California Department of Industrial Relations.

Enrollment in an apprenticeship course is limited to registered apprentices. However, anyone meeting the apprenticeship requirements can apply for acceptance. Information on admission to apprenticeship programs can be obtained by going to www.ctcnc.org.

The Dry Wall/Lathing Apprenticeship program concentrates on training apprentices to the specific levels required for the construction industry and has been approved by the State of California Department of Apprenticeship Standards. Training emphasis includes safety, metal framing, blueprint reading, exterior/interior wall finishes, welding, residential and commercial construction process, building codes, estimation and various construction topics.
Carpentry Apprenticeship  A.A. Degree or Certificate of Achievement

Total Units Required: 38.00 UNITS

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

To receive a CERTIFICATE OF ACHIEVEMENT complete the:

- REQUIRED COURSES listed below.

The Carpenter Apprenticeship Program is a state-approved four year course of study preparing apprentices for courses in specialty crafts such as carpenters, millwrights, pile drivers, hard wood floor layers, acoustical installers, scaffold erectors, insulators and shinglers. Students will acquire journey level skills including those skills necessary to build all concrete infrastructures that comprise the California transportation system.

Gavilan College, in cooperation with the Carpenters Training Committee for Northern California, conducts a Carpenter Apprenticeship Program which can lead to a Certificate of Achievement and/or Associates of Arts Degree. An apprenticeship program is a formal system of occupational training from two to five years that combines paid employment, on-the-job training and job related college level instruction in order to develop highly skilled workers.

This apprenticeship program is a cooperative effort between the Joint Apprenticeship Training Committee (JATC) and the college. The JATC is composed of representatives from both labor and management from each apprenticeship area and their purpose is to oversee apprenticeship training. The Gavilan College apprenticeship program is approved by the Division of Apprenticeship Standards of the California Department of Industrial Relations.

Enrollment in an apprenticeship course is limited to registered apprentices, however anyone meeting the apprenticeship requirements can apply for acceptance (CARP 200 is open to everyone meeting eligibility requirements). Information on admission to apprenticeship programs can be obtained by going to www.ctcnc.org.

The Carpenter Apprenticeship program concentrates on training apprentices to the specific levels required for the construction industry. Training emphasis includes safety, blueprint reading, residential and commercial construction processes, building codes, estimation and various carpentry topics.

Program Learning Outcomes: Upon completion of the Carpenter's apprenticeship certificate students will:

- demonstrate journey level skills, including those skills necessary to build all concrete infrastructures that comprise the California transportation system.
A.S. Degree and Certificate of Achievement
Aviation Maintenance Technology

Certificates of Achievement
Airframe
Powerplant

The Aviation Program is accredited by the Federal Aviation Administration. The college grants a Certificate of Achievement for completion of the two-year course with a minimum GPA of 2.00 ("C"). The FAA requires a minimum of 1,150 hours of instruction to qualify for either the airframe license or the powerplant license. To qualify for both, 1,900 hours are required. These hours include both academic work and shop experience. Following completion of the Gavilan program, students are prepared for the FAA Mechanics Examination.

The skills learned in the program also prepare graduates for employment in fields such as welding, sheet metal, electrical systems, hydraulics, fuel systems, and automotive repair.

**Total Units Required:** 70.0 UNITS

**Recommended Electives:** AFT 122; CSIS 1; CGD 1, 144

**To receive a CERTIFICATE OF ACHIEVEMENT complete:**
- **REQUIREMENTS** listed below.

Students will have job entry skills for the following occupations: aviation mechanic, aircraft serviceperson, repair or sales of aircraft accessories, airframe specialist.

Courses in the Aviation Technology Department are currently offered only during the day.

Students who have completed all of the AMT coursework will have satisfied Areas B-1, B-2, B-3 and B-4 of the general education requirements for the associate’s degree using the Gavilan College and CSU Breadth General Education patterns or the IGETC (Areas 2 and 5) for an associate's degree only.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.

Biological Science

**A.S. Degrees**

Biological Science

Health Science

**Certificate of Achievement**

Biotechnology

*Certificate of Achievement*

* Change from certificate of proficiency to certificate of achievement is pending Chancellor's Office approval. Refer to page 64.

The Biological Science Program at Gavilan Community College provides a quality education that emphasizes critical thinking skills for all students (Majors and Non-majors). Our primary goals are to prepare students to transfer to a 4-year college, enter programs that require our courses as prerequisites, and prepare students for possible employment upon completing certificate and/or graduating with an A.S. degree. It is also our intent to encourage our students to gain practical experience in biological science by working with our faculty and local industry.

**REQUIREMENTS:**

<table>

</tbody>
</table>

Total Units Required: 30 UNITS

Plus completion of general education requirements: units vary

Recommended Electives:

BIO 7, AH/BIO 8, 9, AH 13, AH/BIO 15 (AH/BIO 15 may only be taken before BIO 7 and AH/BIO 9), BIO 21; BIOT 105; ECOL 1; MATH 1A/B

Students completing the courses will have satisfied requirements for physical and biological sciences. See the Gavilan general education requirements on page 47.

Recommended preparation for the major requirements listed.

1. One year of high school chemistry or CHEM30A (Elementary Chemistry) or equivalent, and/or Bio 10 or equivalent.
2. At a minimum be eligible to enter ENGL 250 and ENGL 260.
3. Two years of high school math or MATH 233.

**Program Learning Outcomes:** After completing the Biological Science major a student will be able to:

- Use raw experimental data to conduct statistical analysis, present conclusions in a graphical and narrative form.
- Find, select and evaluate various types of scientific information including primary research articles, mass media sources and world-wide web information.
- Effectively communicate scientific concepts in both written and oral formats.
- Identify the evolutionary processes that lead to adaptation and biological diversity.
- Describe the relationship between life forms and their environment and ecosystems.
- Explain the basic structures and fundamental processes of life at molecular, cellular and organismal levels.
- Demonstrate the correct operating procedures in the use of common lab equipment such as compound microscopes, spectrophotometer, pH meter, electrophoresis gel apparatus, micropipetters, and centrifuges.

**Note:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Biotechnology  Certificate of Achievement*

REQUIREMENTS:
BIOT 103  Biotechnology Lab Skills and Instrumentation  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 4 units
BIOT 104  Seminar in Biotechnology  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 1 unit
BIO 10   Principles of Biology  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 4 units
CHEM 30A Elementary Chemistry  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 4 units
CHEM 30B Elementary Organic and Biochemistry  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 4 units
Total Units Required for Certificate of Achievement: 17 UNITS

* This certificate was formerly a certificate of proficiency. Pending Chancellor’s Office approval it will show on students’ transcripts as a certificate of achievement. Please check the Gavilan College website or consult a counselor to check current status.

Students completing requirements will receive a Certificate of Proficiency if the Chancellor’s Office does not approve as Certificate of Achievement.

Health Science  A.S. Degree

REQUIREMENTS:
AH 3  The Person in the Life Cycle  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 3 units
AH/BIO 11 Nutrition  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 3 units

Choose one of the following:
CHEM 1A or 1B General Chemistry  (5 units)
CHEM 30A Elementary Chemistry  (4 units)
CHEM 30B Elementary Organic and Biochemistry  (4 units)
BIO 1   General Biology  (4 units)
BIO 10  Principles of Biology  (4 units)
AH/BIO 15 Survey Human Anatomy and Physiology  (5 units)  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 4-5 units

Choose two of the following:
BIO 7   Human Anatomy  (4 units)
AH/BIO 8 General Microbiology  (5 units)
AH/BIO 9 Human Physiology  (5 units)  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  . 4-5 units

Total Units Required: 19-21 UNITS

Plus completion of general education requirements:  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  vary

Recommended Electives: AH/BIO 11; MATH 233 or higher; ECOL 1; PSYC 1A

This certificate program allows students to achieve job-market proficiencies in biotechnology and provides opportunities to learn basic laboratory procedures, how to record data, perform basic calculations and write laboratory reports. Students also learn about careers and ethical issues in biotechnology.

Career Options: Careers for those with a Biotechnology Certificate of Achievement would be animal care technician, assay analyst, laboratory assistant or technician, manufacturing technician, QA/QC technician. In addition to the biotechnology industry, jobs for technicians may be found in environmental testing labs, forensic labs, hospitals, plant pathology labs, research labs and wineries.

The degree in Health Science is intended for students who plan to pursue a more advanced degree or certificate in a health career.

Career Options: Careers for those with an Associate's Degree in Health Science will be able to work as a health educator, pre-professional in X-ray technology, dental hygienist, physician’s assistant or in another related health career.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
**BUSINESS**

**A.A. Degrees and Certificates of Achievement**

- Accounting
- General Business
- General Office Skills
- Medical Office
- Real Estate
- Retail Management*

* This degree is pending Chancellor's Office approval. Refer to page 64.

**A.S. Degrees and Certificates of Achievement**

- Economics Option
- Business Computer Applications**
  
  ** This Business Computer Applications is an A.S. degree in Computer Science & Information Systems or a Certificate of Achievement in either CSIS or Business

**Certificate of Proficiency**

- Computerized Accounting

**ROP Certificates** see page 228

- Computerized Accounting - Quickbooks
- General Office Accounting
- Medical Billing
- Medical Coding
- Medical Office Procedures
- Medical Terminology
- Payroll Accounting

---

General Education Requirements: A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern. Pattern requirements are listed on pages 47-57. See a counselor for details.
BUSINESS CORE COURSES: The following business core courses are required for the Accounting, General Office Skills and Medical Office Associate’s Degree and Certificate of Achievement options. Additional requirements for these options are listed alphabetically on the following pages.

**BUSINESS CORE COURSES:**

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>CSIS 8</td>
<td>Introduction to the Internet</td>
<td>1 unit</td>
</tr>
<tr>
<td>MATH 402</td>
<td>Pre-Algebra (or eligible for higher math)</td>
<td>0-3 units</td>
</tr>
</tbody>
</table>

Choose one:

- **ACCT 20** Financial Accounting (4 units)
- **ACCT 101** Occupational Accounting (4 units)
- **ACCT 103** General Office Accounting (2 units)

........................................... 2-4 units

Choose one:

- **CSIS 1** Computer Literacy - MS Office* (2 units)
- **CSIS 2** Computers in Business - MS Office (4 units)
- **CSIS 2L** Computers in Business Lab - MS Office (1 unit)

........................................... 1-4 units

Choose one:

- **ECON 1** Principles of Macroeconomics (3 units)
- **ECON 10** Fundamentals of Economics (3 units)
- **BUS 1** Fundamentals of Business (3 units)

........................................... 3 units

One of the following: BOT 191A, B, C  Work Place Skills ............................. 1 unit

Choose one:

- **CMUN 11** Business Communication (3 units)
- **ENGL 250** Practical Writing* (3 units)
- **BUS 100** Business Correspondence (3 units)
- Eligible for English 1A (test score)

........................................... 0-3 units

Core Courses Unit Total: 8-19 UNITS

Completion of the core courses and the additional requirements in a selected area will qualify students for an Associate’s degree or Certificate of Achievement in Business.

1. Students who can provide evidence of competency in required skill areas should consult with a counselor for possible course waiver or substitution.

2. Regardless of the number of courses waived or transferred, certificate students will still need to meet the minimum “residing” unit requirements (minimum 12 units) at Gavilan College.

When required certificate courses are applied against associate’s degree general education requirements, the unit requirements for the certificate are reduced by the same number of units. However, students will still need to meet all the requirements for graduation including a minimum of 18 units in the major.

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

General Education Requirements: A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern. Pattern requirements are listed on pages 47-57. See a counselor for details.
Accounting Option  **A.A. Degree or Certificate of Achievement**

**To receive an ASSOCIATE’S DEGREE** complete:
- BUSINESS CORE COURSES (listed on page 79).
- ADDITIONAL REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**To receive a CERTIFICATE OF ACHIEVEMENT** complete:
- BUSINESS CORE COURSES (listed on page 79).
- ADDITIONAL REQUIREMENTS listed below.

**BUSINESS CORE COURSES** (listed on page 79): ................. 8.0-19.0 units

**ADDITIONAL REQUIREMENTS:**
ACCT 20   Financial Accounting .............................................. 4.0 units
Choose one:
ACCT 105   Payroll Accounting  *(3 units)*
ACCT 111   Introduction to Income Tax  *(3 units)* .......................... 3.0 units
ACCT/CSIS 120  Computerized Accounting - QuickBooks .................... 2.0 units
BOT 112  Business Computation with Machines  0.5 units
ACCT/CSIS 121  Spreadsheet - MS Excel 1.0-2.0 units
CSIS 128  Database - MS Access ................................................. 2.0 units
Total Units Required:  20.5 - 32.5 UNITS

**Recommended Electives:** ACCT 21; BUS 80; CSIS 122; ACCT 190

**Program Learning Outcome:** After completing this degree or certificate a student will be able to apply accounting theory to accumulate and summarize financial data. Common business software will be used.

Students will have job entry skills for these occupations: accounting clerk, accounts receivable/payable, full charge bookkeeping, general ledger accounting, general office accounting.

For those who do not already have a degree, the A.A. option is preferred by employers.

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

---

**Computerized Accounting  Certificate of Proficiency**

**REQUIREMENTS** (Business Core is not required):
ACCT/CSIS 121  Spreadsheet - MS Excel .............................................. 2 units
CSIS 2L  Computers in Business Lab – MS Office .................................. 1 unit
ACCT 20  Financial Accounting ...................................................... 4 units
ACCT 21  Managerial Accounting .................................................. 4 units
ACCT/CSIS 120  Computerized Accounting – QuickBooks 2 units
Choose one:
ACCT 103  General Office Accounting  *(2 units)*
ACCT 105  Payroll Accounting  *(3 units)*
ACCT 111  Introduction to Income Tax  *(3 units)*

Total Units Required for Certificate of Proficiency: 15-16 UNITS

Students receiving the certificate will have entry-level computerized bookkeeping skills for a modern office.
Business Computer Applications  

To receive an ASSOCIATE’S DEGREE in COMPUTER SCIENCE & INFORMATION SYSTEMS complete:

- REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS** (Business Core is not required):

Choose 21 units from the following list of courses:

- Choose only one of the following two courses:
  - CSIS 1  Computer Literacy - MS Office (2 units)
  - CSIS 2  Computers in Business - MS Office (4 units)
- CSIS/DM/LIB 6  Web Page Authoring I (2 units)
- CSIS 8  Introduction to the Internet (1 unit)
- CSIS 10  BASIC Programming (2 units)
- CSIS/DM 72  Desktop Publishing - QuarkXPress (3 units)
- CSIS/DM 73  Desktop Publishing - Adobe InDesign (3 units)
- CSIS/DM 75  PhotoShop I - Adobe PhotoShop (3 units)
- ACCT/CSIS 121  Spreadsheet - MS Excel (1-2 units)
- CSIS 124  Windows Fundamentals (1 unit)
- CSIS 126  Word Processing - MS Word (2 units)
- CSIS 128  Database - MS Access (2 units)
- CMUN/CSIS 129  Presentation Graphics - MS PowerPoint (1 unit)
- CSIS 132  Intermediate Word Processing - MS Word (2 units)
- CSIS 134  Intermediate Excel (2 units)
- CSIS 181  PC Hardware (4 units)
- CSIS 182  Operating Systems (4 units)

Total Units Required: ................................................. 21 UNITS

**Recommended Electives:**  CSIS 7, 72, 73; DM 7, 72, 73

---

**Program Learning Outcome:** After completing this degree or certificate a student will be able to use a variety of business software, including word processors and spreadsheets to create business letters, reports and other business documents.

The Computer Applications Option prepares students for positions utilizing a wide variety of popular operating systems and business application software. The computer applications taught are used in most business environments including word processing, spreadsheets, databases, graphics, and desktop publishing. This degree is also appropriate for retraining and for improving promotional opportunities.

Career opportunities include general office work, document preparation, technical support, help desk training and support, word processing, administrative secretary and administrative services.

**Transfer Students:** Four-year colleges may differ in their major preparation requirements for transfer. Consult with a counselor regarding transfer requirements.

---

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

---

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.
Economics  *A.S. Degree or Certificate of Achievement*

To receive an **ASSOCIATE’S DEGREE** complete:

- **REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS** (Business Core is not required):

- **ECON 1**  Principles of Macroeconomics ........................................... 3 units
- **ECON 2**  Principles of Microeconomics ........................................... 3 units

Choose one:
- **MATH 5**  Introduction to Statistics  (3 units)
- **BUS/ECON 11**  Statistics for Business and Economics  (4 units)

Choose one:
- **MATH 1A**  Single-Variable Calculus and Analytic Geometry  (4 units)
- **MATH 6**  Calculus for Business/Social Science  (3 units)

Choose two:
- **MATH 1B**  Single-Variable Calculus and Analytic Geometry  (4 units)
- **MATH 7**  Finite Mathematics  (3 units)
- **ACCT 20**  Financial Accounting  (4 units)

Total Units Required: 19-22 UNITS

To receive a **CERTIFICATE OF ACHIEVEMENT** complete:

- **REQUIREMENTS** listed below.

**Program Learning Outcomes:** After completing this degree a student will be able to:

- derive the appropriate profit maximizing price and quantity decisions of firms under different competitive conditions by selecting and applying the appropriate microeconomic principles.
- calculate equilibrium price and output of markets and the equilibrium GDP deflator and equilibrium real GDP of the whole economy by applying the appropriate economic tools and principles.

Students completing this option will have the necessary lower division courses for an economics major at a four-year institution. Four-year colleges may differ in their major preparation requirements for transfer. Consult with a counselor regarding transfer requirements.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.

Visit the Gavilan College website to view the current Catalog

[www.gavilan.edu/catalog](http://www.gavilan.edu/catalog)
**General Business A.A. Degree or Certificate of Achievement**

To receive an **ASSOCIATE’S DEGREE** complete:

- **REQUIREMENTS** listed below.
- **ELECTIVES** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS** (Business Core is not required):

- **ACCT 20** Financial Accounting ......................................................... 4 units
- **ACCT 21** Managerial Accounting ....................................................... 4 units
- **ECON 1** Principles of Macroeconomic ................................................ 0-3 units
- **ECON 2** Principles of Microeconomics ................................................ 0-3 units

Choose one:
- **MATH 5** Introduction to Statistics *(0-3 units)*
- **BUS/ECON 11** Statistics for Business and Economics *(4 units)*

Total Units Required: 18-31 UNITS

The **Associate's Degree** program is designed for students pursuing a four-year degree in business.

**Associate's Degree Program Learning Outcomes:** After completing the degree a student will be able to:

- analyze common business transactions and link them to the appropriate financial statements.
- analyze the impact of shifts in supply and demand upon equilibrium price and quantity.
- Students who transfer to four-year colleges will have the appropriate background to successfully pursue a four-year Business degree.

**ELECTIVES** ................................................ 0-9 units

The **Certificate of Achievement** program is designed for students desiring a broad introduction to business rather than a specialized area of concentration. It should also be considered by students who think they may continue their education as a business major.

**Certificate of Achievement Program Learning Outcomes:** After completing the Certificate of Achievement a student will be able to:

- analyze common business transactions and link them to the appropriate financial statements.
- analyze the impact of shifts in supply and demand upon equilibrium price and quantity.

**TRANSFER STUDENTS:**

Four-year colleges differ substantially in their lower division requirements for business transfer majors. Before enrolling you should refer to four-year college catalogs and consult with business faculty or counselor.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

**Recommended Business Electives:** BUS 1, 80; CMUN 11; MATH 1A, 1B, 1C, 2, 2C, 6, 7, 8

**Recommended General Education Electives:** ANTH 3; HIST 7A/B; PHIL 2; PSYC 1; SOC 1A

Consult with a counselor regarding other courses which are appropriate to your major.

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.
General Office Skills Option  
**A.A. Degree or Certificate of Achievement**

To receive an **ASSOCIATE’S DEGREE** complete:
- **BUSINESS CORE COURSES** (listed on page 79).
- **ADDITIONAL REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**BUSINESS CORE COURSES** (listed on page 79): ........................... 8-19 units  

**ADDITIONAL REQUIREMENTS:**
- CSIS 112  Keyboard Speed Building ................................. 0.5 units  
- CSIS 122  Computer Keyboarding .................................. 1.5 units  
- CSIS 124  Windows Fundamentals ................................. 1.0 unit  
- BOT 112  Business Computations with Machines. ............... 0.5 units  
- CSIS 126  Word Processing - MS Word ............................ 2.0 units  

Choose six units from the following list:
- ACCT 105  Payroll Accounting  (3 units)  
- ACCT 111  Introduction to Income Tax  (3 units)  
- ACCT/CSIS 120  Computerized Accounting – QuickBooks  (2 units)  
- ACCT/CSIS 121  Spreadsheet - MS Excel  (1-2 units)  
- BOT 160  Medical Terminology for the Office  (3 units)  
- CSIS 132  Intermediate Word Processing - MS Word  (2 units)  
- CSIS 134  Intermediate Excel  (2 units)  
- CSIS/DM/LIB 6  Web Page Authoring I  (2 units)  
- CSIS/DM 7  Web Page Authoring II  (2 units)  
- CSIS/DM 73  Desktop Publishing - Adobe InDesign  (3 units)  
- ART/CSIS/DM 74  Advanced Photoshop  (3 units)  
- CSIS/DM 75  Photoshop I - Adobe Photoshop  (3 units)  
- ART/CSIS/DM 85  Web Design I: Dreamweaver  (2 units)  
- BUS/ECON 14  Personal Finance  (3 units)  

........................................... 6.0 units  

Total Units Required: .............................................. 19.5-30.5 UNITS  

**Recommended Elective:** CSIS 169

**Program Learning Outcome:** After completing this degree or certificate a student will demonstrate the ability to solve mathematical problems involved in common business applications, using electronic calculator and/or computer.  
Students will have entry-level office skills.  
For those who do not already have a degree, the A.A. option is preferred by employers.

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Medical Office Option  
**A.A. Degree or Certificate of Achievement**

To receive an **ASSOCIATE’S DEGREE** complete:
- **BUSINESS CORE COURSES** (listed on page 79).
- **ADDITIONAL REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**BUSINESS CORE COURSES** (listed on page 79): .......................... 8-19 units

**ADDITIONAL REQUIREMENTS**:
- CSIS 122  Computer Keyboarding ................................... 1.5 units
- CSIS 124  Windows Fundamentals ..................................... 1.0 unit
- CSIS 126  Word Processing - MS Word .............................. 2.0 units
- BOT 180  Medical Terminology for the Office .................. 3.0 units
- BOT 181  Medical Billing - MediSoft ................................. 2.0 units
- BOT 182  Medical Office Procedures ............................... 3.0 units

Choose one:
- ACCT/CSIS 120  Computerized Accounting - QuickBooks (2 units)
- ACCT/CSIS 121  Spreadsheet - MS Excel (2 units)
- CSIS 128  Database - MS Access (2 units)

...................................................... 2.0 units

Total Units Required: .......................... 22.5-33.5 UNITS

To receive a **CERTIFICATE OF ACHIEVEMENT** complete:
- **BUSINESS CORE COURSES** (listed on page 79).
- **ADDITIONAL REQUIREMENTS** listed below.

**Program Learning Outcome**: After completing this degree or certificate a student will demonstrate the ability to perform common tasks for the medical office, such as patient record management and billing and be able to explain the meaning of common medical terms.

Students will have entry-level job skills for the medical front office. For those who do not already have a degree, the A.A. option is preferred by employers.

Real Estate  
**A.A. Degree or Certificate of Achievement**

To receive an **ASSOCIATE’S DEGREE** complete:
- **REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS** (Business Core is not required):
- RE 160  Real Estate Principles ........................................ 3 units
- RE 162  Real Estate Practice .......................................... 3 units

Select at least twelve (12) units from the following courses:
- RE 163  Real Estate Finance  ......................................... 3 units
- RE 164  Real Estate Appraisal  ...................................... 3 units
- RE 165  Legal Aspects of Real Estate  ......................... 3 units
- RE 168  Real Estate Escrow .......................................... 3 units
- BUS 80  Business Law .................................................. 3 units

Choose one:
- RE 167  Real Estate Economics  .................................... 3 units
- ACCT 20  Financial Accounting .................................... 4 units

.................................................................... 3-4 units

Total Units Required: ........................................ 21-22 UNITS

**Recommended Electives**: CSIS 1, 2; BUS 1; ECON 2; MGMT 102; MKTG 100, 102; MATH 233

The state sets the requirements for the Real Estate Salesperson’s and Broker’s License. A state licensing test is required. Consult your business advisor for current state licensing requirements.

Four-year colleges may differ in their major preparation requirements for transfer. Consult with a counselor regarding transfer requirements.

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.

**NOTE**: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Retail Management  

**A.A. Degree or Certificate of Achievement***

To receive an **ASSOCIATE'S DEGREE** complete:

- **REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS** (Business Core is not required):

Choose one:

- **ACCT 20** Financial Accounting *(4 units)*
- **ACCT 21** Management Accounting *(4 units)*

Total Units Required: 32 UNITS

* This new degree and certificate are pending Chancellor's Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64.

This certificate is developed in cooperation with the Western Association of Food Chains (WAFC). The program has been fully endorsed by the WAFC and its member companies. The certificate's curriculum was developed out of a collaborative effort between several industry and college professionals and encompasses several business essentials, including the “soft skills” of management and communication required for career success in the retail industry.

Although the program was developed by the food retail industry, its completion will help students to acquire necessary knowledge and skills to manage retail stores of any kind.

**Program Learning Outcomes:** After completing this degree/certificate the student will be able to:

- discuss the purpose, context, concepts, and processes of retailing and the retail environment and the responsibilities of the retail operations function.
- explain the basic terms and concepts of accounting, and the content of financial statements and be able to understand and interpret the information they contain.
- develop a general understanding of retail management/business concepts related to sales and marketing of services and/or products.
- determine appropriate and inappropriate interview, hiring, and employee supervision procedures.

Students are expected to complete the courses or show competency in skill area. See a counselor regarding the course waiver or substitution process.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

Carpentry Apprenticeship

See Apprenticeships on page 73.

* This certificate is pending Chancellor’s Office approval. Refer to page 64.

** Name change from Foster/Family Day Care to Family Child Care is pending Chancellor’s Office approval. Refer to page 64.

Spanish Language Early Childhood Education Certificate of Proficiency

The Child Development and Educational Studies Program (CDES) offers students an Associate of Arts degree in two main areas:

1) Child Development: Students completing the Associate’s Degree in Child Development may apply to become a teacher, master teacher, or site supervisor within the California Child Development and School Age Matrix.

2) Liberal Arts with Emphasis in Elementary Education: The Associate’s Degree in Liberal Arts prepares students to transfer to 4-year colleges and universities, and begins a sequence of classes that leads to careers in child development, and elementary and secondary education. See page 121.

The CDES program also offers Certificates which serve as introductory sequences of classes preparing students to work in the field of early childhood education, recreation, and before and after school age care. Students completing the certificates may be employed as infant toddler, preschool, or school age professionals, as well as tutors, childcare specialists or other paraprofessionals for public and private agencies.

Contact:
408) 848-4719
cte@gavilan.edu

Emphasis in Educational Studies and Emphasis in School Age Care: Associate’s Degrees inactivated and replaced by Liberal Arts with Elementary Education Emphasis. See page 121.
Child Development  A.A. Degree

REQUIREMENTS  (Core courses not required):

CD 1  Principles and Philosophies of Early Childhood Education ..............3 units
CD 2  Early Child Development .................................................3 units
CD 4  Observing and Assessing Children .......................................3 units

Choose one:
CD 5  Child/Family and Community (3 units)
CD 7  Cultural Context of Child and Family in a Diverse Society (3 units)

CD 9  Child Health/Nutrition and Safety ........................................3 units
CD 19  Introduction to Careers with Children ...................................2 units
CD 20  Children’s Language and Literature .....................................3 units
Electives - Any CD courses .........................................................6 units

Student Teaching Practicum:
CD 30A  Practicum 1: Curriculum in the Early Childhood Classroom ......3 units
CD 30B  Teaching Practicum 2: Reflective Practice in the Classroom ...3 units
CD 190  Occupational Work Experience/Child Development ............2-4 units

Total Units Required: 34-36 UNITS

Plus completion of general education requirements: minimum of 60 UNITS

Program Learning Outcomes: After completing the Associate’s Degree in Child Development a student will be able to:

- articulate five major child development theories and translate these theories into appropriate classroom environments that include learning centers and materials.
- plan developmentally appropriate curriculum activities in the four domains of development: Cognitive (intellectual), Affective (social-emotional), Psychomotor (physical) and Language Development.

Graduates will:
- function within the scope of approved state and nationally accredited early childhood and childcare competencies.
- practice within professional and legal standards, ethical principles, and demonstrate a sensitivity to language and cultural differences of the children, families, and staff where they will be working or completing their cooperative work experiences.
- apply principles of written and verbal communication, and research to communicate relevant, accurate and complete information.
- apply child development principles and sensitivity to theory and applications of working with families of children with special needs.
- demonstrate an ability to design, develop and implement curriculum, appropriate educational environments, and successful teaching practices that enhance development in children in the early years.

General Education Requirements: A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern. Pattern requirements are listed on pages 47-57. See a counselor for details.

Student Teaching Practicum:

Associate Degree students are required to complete a two-semester Student Teaching Practicum in an approved child development site under the supervision of a Gavilan College instructor.

The Student Teaching Practicum consists of CD30 A & B, a two-semester curriculum course, (CD 30A - Practicum 1: Curriculum in the Early Childhood Classroom and CD 30B - Teaching Practicum 2: Reflective Practice in the Classroom, 3/3 units), and concurrent enrollment in a supervised Child Development Work Experience class (CD 190, Occupational Work Experience/Child Development, 1-4 units each semester). It is recommended that students complete CD 1, 2 and CD 5 or 7 before beginning the Student Teaching Practicum. CD 190 (Occupational Work Experience/Child Development) may also be taken as an independent class throughout the student’s program (1-4 units per semester, for a total of 4-16 units). Students enrolled in a Cooperative Work Experience class must be enrolled in at least seven units each semester.

NOTE: A course may be used to satisfy both general education and major courses. See *Double Counting Rule* on page 41.

The Associate Degree prepares students to transfer to four year colleges and universities and provides an introductory sequence of classes leading to careers in child development and elementary and secondary education. Students completing an A.A. degree are also eligible to apply for a California Child Development permit at the Teacher level. The Child Development Permit Matrix was developed to ensure a career pathway for child development professionals in state or federally funded programs. See page 92. Completion of the Associate’s Degree in Child Development: Associate degree students need to complete the required courses and student teaching practicum previously listed and General Education requirements. In order to qualify for the California Child Development Permit, coursework in required classes must be completed with a letter grade of “C” or higher. A copy of the Permit Matrix may be viewed on page 92 of this catalog.
Child Development Options

Two of the following certificates of achievement - Early Childhood Education (this page) and School Age Child Care (page 91) - require a combination of **CORE COURSES** (listed below) and additional requirements:

**CORE COURSES:**
- CD 1  Principles and Philosophies of Early Childhood Education .................................. 3 units
- CD 2  Early Child Development ................................................................. 3 units

Choose one:
- CD 5  Child/Family and Community  (3 units)
- CD 7  Cultural Context of Child and Family in a Diverse Society  (3 units)

- CD 9  Child Health/Nutrition and Safety ................................................. 3 units
- CD 19  Introduction to Careers with Children ........................................ 2 units

Core Courses Unit Total: ........................................................................... 14 UNITS

---

**Early Childhood Education**

*Certificate of Achievement*

**CORE COURSES:** ................................................................. 14 units

**ADDITIONAL REQUIREMENTS:** Choose 10 units from list below:

Select 10 units from any of the following Child Development classes:
- CD 4  Observing and Assessing Children  (3 units)
- CD 5  Child/Family and Community  (3 units)
- CD 7  Cultural Context of Child and Family in a Diverse Society  (3 units)
- CD 10  Children with Special Needs  (3 units)
- CD 12  Computer Education for Teachers  (3 units)
- CD 13  Infant and Toddler Development and Care  (3 units)
- CD 15  Music and Movement for Children  (1 unit)
- CD 16  Exploring Mathematics with Children  (1 unit)
- CD 17  Exploring Science with Children  (1 unit)
- CD 18  Outdoor Environments for Children  (3 units)
- CD 20  Children's Language and Literature  (3 units)
- CD 21  Creative Art Experiences for Young Children  (2 units)
- CD 22  Field Work and Service  (.5-1 unit)
- CD 23  Independent Study  (1-2 units)
- CD 97  Introduction to Service Learning with Children  (3 units)
- CD 98  Special Topics  (.5-3 units)

Total Units for Certificate of Achievement: ........................................... 24 UNITS

Although some Child Development courses are cross-listed with other departments, it is highly recommended that students enroll in coursework under the Child Development (CD) option.

---

**Program Learning Outcomes:** After completing the Certificate of Achievement for Early Childhood Education graduates will:

- be eligible to apply for the Assistant Teacher Permit and the Associate Teacher Permit for the California Child Development Permit Matrix.
- function within the scope of approved state and nationally accredited early childhood and childcare competencies.
- practice within professional and legal standards, ethical principles, and demonstrate a sensitivity to language and cultural differences of the children, families, and staff where they will be working or completing their cooperative work experiences.
- apply principles of written and verbal communication, and research to communicate relevant, accurate and complete information.
- apply child development principles and sensitivity to theory and applications of working with families of children with special needs.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

---

**General Education Requirements:**
A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern. Pattern requirements are listed on pages 47-57. See a counselor for details.

Completion of the core courses and the additional requirements in a selected area will qualify students for the Certificate of Achievement in Child Development.

**Any Child Development class** *(3 units)*

**Total Units for Certificate of Achievement:** 18 UNITS

* Name change from Foster/Family Day Care to Family Child Care is pending Chancellor's Office approval. Please see a Gavilan counselor or check the college website for current status.

Completion of this certificate exceeds the licensing requirements for Family Child Care providers, including a variety of topics that are relevant for a provider running a child care business in the home. The certificate is designed to provide a balance of business, curriculum, and child development issues for a new or experienced family child care provider.

Although some Child Development courses are cross-listed with other departments, it is highly recommended that students enroll in coursework under the Child Development (CD) option.
School Age Child Care  Certificate of Achievement

CORE COURSES  (see page 89): ............................... 14 units

ADDITIONAL REQUIREMENTS:

Select 10-12 units from any of the following Child Development classes:

CD 3  Child Growth and Development During the School Years  (3 units)
CD 8A  American Education in a Changing World  (3 units)
CD 14A  Working with School Age Children  (3 units)
CD 14B  Behavior Management & Guidance of School Age Children  (3 units)
CD 31  Tutoring School-Age Children  (1 unit)
CD 97  Introduction to Service Learning with Children  (3 units)

.......................................................... 10-12 units

Total Units for Certificate of Achievement: ................................. 24-26 UNITS

The knowledge and skills in this certificate are designed to prepare students to work as leaders in programs for children aged 6-18. Work settings might include before and after school programs, youth sports activities, residential or day camps, dramatic arts programs, youth centers, and academic enrichment.

Spanish Early Childhood Education  Certificate of Proficiency

REQUIREMENTS  (Core courses not required):

CD 1  Principles and Philosophies of Early Childhood Education  ....... 3 units
CD 2  Early Child Development ........................................ 3 units
CD 5  Child/Family and Community .................................. 3 units
CD 9  Child Health/Nutrition and Safety ............................. 3 units
CD 13  Infant and Toddler Development and Care ....................... 3 units
CD 160  Child Care First Aid and CPR ............................... 1 unit
CD 219  Spanish Introduction to Child Development at Gavilan College .... 1 unit

Total Units Required for Certificate of Proficiency: ........................... 17 UNITS

The knowledge and skills required for this certificate prepare students to work in child care and development programs in which the children speak Spanish.

Although some Child Development courses are cross-listed with other departments, it is highly recommended that students enroll in coursework under the Child Development (CD) option.

**NOTE:** All units requirements listed above are semester units. All course work must be completed with a grade of C or better from a regionally accredited college. Spanish translation of matrix available.

*One course in each of the four general education categories, which are degree applicable: English Language Arts, Math or Science, Social Sciences, Humanities and/or Fine Arts.*

**Core courses include child/human growth & development, child/family/community, and child/family relations, and programs/curriculum. You must have a minimum of three semester units or four quarter units in the core areas of child/human growth & development and child/family/community.**

***Holders of the Administrative Services Credential may serve as a Site Supervisor or Program Director.***

****A valid Multiple Subject or a Single Subject in Home Economics.***

"Professional growth hours must be completed under the guidance of a Professional Growth Advisor. Call (209) 572-6085 for assistance in locating an advisor."  

---

* CD Core courses = Child Growth and Development, Child/Family/Community, and Programs/Curriculum.
** SA Core courses = Child Growth and Development, Child & Youth, Family & Community, Programs/Curriculum including school-age instructional practices

To view the school-age permit matrix, go to the website above.
Communication is a vital part of today’s world, whether used professionally, socially or in your personal life. We welcome you to explore one of the many areas of Communication Studies by taking a class at Gavilan College.

The Communication Studies Faculty at Gavilan is dedicated to providing students with the knowledge and skills of human communication that can be applied to various contexts in your life. Whether it be improving your public speaking skills, working with a culturally diverse group at work or communicating with family and friends, our curriculum is academically structured to meet your needs based on the specific course that you choose.

Communication scholars and students work in a variety of fields, among them journalism, law, education, film and television, non-profit organizations, marketing, theater, business, and public relations. Effective communication skills are essential for any career and you will learn how to develop your own communication skill set by taking coursework at Gavilan.

Gavilan offers an A.A. Degree in Communication Studies, a Certificate of Achievement in Communication Studies, and a Certificate of Achievement in Interpersonal Communication.

Program Learning Outcomes: After completing an A.A. and/or Certificate(s), a student will be able to:

- Apply theory and research findings in communication studies to their professional and personal relationships.
- Engage in professional public discourse with application of research, organization, reasoning and oral presentation.
- This A.A. and/or certificate(s) will inform future employers, college admission offices and professional institutions that you have received specialized training in communication skills.

General Education Requirements: A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern. Pattern requirements are listed on pages 47-57. See a counselor for details.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
Communication Studies  
**Certificate of Achievement**

This certificate does not require the core courses.

Choose 4 classes (12 units) from the following list:
- CMUN 1A  Introduction to Public Speaking  
- CMUN 2/THEA  Oral Reading  
- CMUN 4  Intercultural Communication  
- CMUN 5  Fundamentals of Communication Studies  
- CMUN 8  Interpersonal Communication  
- CMUN 10  Small Group Communication  
- CMUN 11  Business Communication  
- CMUN/CSIS 129  Presentation Graphics - MS Powerpoint

Total Units Required for Certificate of Achievement: 12 UNITS

The knowledge and skills gained by completing this Certificate of Achievement are designed to promote positive communication and increase problem-solving skills in work and personal environments. Those interested in psychology will also benefit.

**Program Learning Outcomes:** After completing this Certificate, a student will be able to:
- practice and analyze democratic civic engagement.
- demonstrate and evaluate relationships between local and national issues, movements, and ideas as they relate to local communities.
- demonstrate a range of skills including: research, documentation, analysis, evaluation, communication, contextualization, teamwork, observation, and cultural competency by relating social science concepts and theories to issues of importance to local communities.
- identify, develop, use, and assess tools and methods for community change and social justice.

Interpersonal Communication  
**Certificate of Achievement**

This certificate does not require the core courses.

Choose eighteen (18) units from the following list:
- CMUN 5  Fundamentals of Communication Studies  
- AJ/CMUN/POLS/PSYC 6  Introduction to Conflict Resolution  
- CMUN 8  Interpersonal Communication  
- CMUN 11  Business Communication  
- PSYC 1A  Introduction to Psychology  
- PSYC/POLS 27  Contemporary Leadership  
- SOC 1A  Introduction to Sociology

Total Units Required for Certificate of Achievement: 18 UNITS

The knowledge and skills gained by completing this Certificate of Achievement are designed to promote positive communication and increase problem-solving skills in work and personal environments.
Computer Graphics and Design

A.S. Degrees* and Certificates of Achievement*

Advanced Technical Computer Graphics Option
Computer Graphics for Environmental Design Option
Technical Desktop Publishing & Graphics Option

* CGD degree and certificate options have changed and are pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64.

An AS Degree or Certificate of Achievement in Computer Graphics & Design (CGD) provides technical skills and multidisciplinary knowledge required by diverse design careers. CGD graduates can describe ways projects presented within their electronic portfolio incorporate design principles, use appropriate materials, apply sustainable practices and integrate ergonomic features. CGD learning outcomes prepare graduates for proposing, manufacturing and marketing real and/or virtual products. Projects completed by CGD graduates’ demonstrate competencies in creative problem solving, sketching, drafting, 3D graphics (including animating and rendering projects) - skills expected of entry level design technicians and/or engineering, architecture, environmental planning, animation, industrial, product and other design transfer students.
Computer Graphics & Design Options

Completion of the core courses and the additional requirements in a selected area (below) will qualify students for a Degree or Certificate of Achievement in Computer Graphics & Design.

**CORE COURSES:**
- CGD 2  2D/3D Technical Computer Graphics I ......................... 3 units
- CGD 4  2D/3D Technical Computer Graphics II ..................... 3 units
- CGD 8  Advanced Computer Graphics for Design Application I .. 3 units
- CGD 9  Advanced Computer Graphics for Design Application II .. 3 units

**Core Unit Total:** 12 UNITS

**ADDITIONAL REQUIREMENTS:**
- CGD 6  Advanced Technical Computer Graphics .................. 3-4 units

Choose one:
- CGD 30  Introduction to Environmental Design (3 units)
- CGD 160  Technical Desktop Publishing/Graphics (3 units)
- CSIS 45  C++ Programming I (4 units)

**Total Units for Required:** 18-20 UNITS

* The requirements for this degree and certificate option have changed and are pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64.

Advanced Technical Computer Graphics Option*

**A.S. Degree or Certificate of Achievement**

**To receive an ASSOCIATE’S DEGREE** complete:
- **CORE COURSES** (listed above).
- **ADDITIONAL REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**To receive a CERTIFICATE OF ACHIEVEMENT** complete:
- **CORE COURSES** (listed above).
- **ADDITIONAL REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**ADDITIONAL REQUIREMENTS:**
- CGD 6  Advanced Technical Computer Graphics .................. 3-4 units

Choose one:
- CGD 30  Introduction to Environmental Design (3 units)
- CGD 160  Technical Desktop Publishing/Graphics (3 units)
- CSIS 45  C++ Programming I (4 units)

**Total Units for Required:** 18-20 UNITS

This option supports students seeking careers in technical design. Graduates with this degree/certificate produce electronic portfolios that show the ability to design and develop real and virtual world products that are cost effective and functional. Demonstrating knowledge of technical design practices and specialized computer graphics skills helps graduates transfer to universities and obtain entry level technician positions in precision manufacturing, computer aided drafting, and related technical design fields.

**Program Learning Outcomes:** After completing this degree/certificate the student will be able to:
- describe specialized skills for entry and success in desired technical graphics career and prepare samples of work that demonstrate entry level proficiencies.
- use design problem solving to propose an aesthetically pleasing design that satisfactorily addresses clients’ needs.
- apply design principles and color theory when developing presentations.
- design and present consumer products using 3D graphic models and multimedia applications (audio, video, graphics and text.)
- develop an electronic portfolio to present to potential clients/employers.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
## Computer Graphics for Environmental Design Option*

### A.S. Degree or Certificate of Achievement

This option supports students seeking careers in environmental design fields. Demonstrating knowledge of sustainable design practices and specialized computer graphics skills helps graduates transfer to universities and obtain entry level technician positions in human environment design fields such as architecture (including interior and landscape design), environmental planning, construction management, civil engineering and animation within human environments. Graduates with this degree/certificate produce electronic portfolios that include animated models of rendered facilities and LEED (“green”) design features within a set of industry standard construction documents generated using AutoCAD and/or other computer aided drafting software.

### To receive an ASSOCIATE’S DEGREE complete:

- **CORE COURSES** (listed on page 96).
- **ADDITIONAL REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

### CORE COURSES:

- CGD 30 Introduction to Environmental Design **3 units**

### ADDITIONAL REQUIREMENTS:

Choose one:

- CGD 160 Technical Desktop Publishing/Graphics **3 units**
- CSIS/DM 75 Photoshop I - Adobe Photoshop **3 units**
- ART/CSIS/DM 76 Digital Illustration **3 units**
- ART 2A Two-Dimensional Design **3 units**
- ART 3A Drawing and Composition **3 units**
- ART 13 Three-Dimensional Design **3 units**

Total Units for Required: **18 UNITS**

*This degree and certificate option is pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64.*

### Program Learning Outcomes: After completing this degree, or certificate a student will be able to:

- describe specialized skills for entry and success in desired environmental career and prepare samples of work that demonstrate entry level proficiencies.
- use design problem solving to propose an aesthetically pleasing sustainable environment that satisfactorily addresses clients needs.
- apply design principles and color theory when developing presentations.
- design environments that that demonstrate knowledge of human factors and ergonomic principles.
- develop an electronic portfolio to present to potential clients/employers.
- specify materials that are cost effective and environmentally sound.
- prepare drawings that are consistent with architectural standards.
Technical Desktop Publishing and Graphics Option*

A.S Degree or Certificate of Achievement

To receive an ASSOCIATE’S DEGREE complete:

- CORE COURSES (listed on page 96).
- ADDITIONAL REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

To receive a CERTIFICATE OF ACHIEVEMENT complete:

- CORE COURSES (listed on page 96).
- ADDITIONAL REQUIREMENTS listed below.

CORE COURSES: ................................................................. 12 units

ADDITIONAL REQUIREMENTS:

CGD 160  Technical Desktop Publishing/Graphics ....................... 3 units

Choose one:

- CSIS/DM 73  Desktop Publishing - Adobe InDesign  (3 units)
- CSIS/DM 75  Photoshop I - Adobe PhotoShop  (3 units)
- ART/CSIS/DM 76  Digital Illustration  (3 units)

................................................................. 3 units

Total Units for Required: ........................................ 18 UNITS

* This degree and certificate option is pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64.

This option supports students seeking careers in technical desktop publishing. Graduates with this degree/certificate produce electronic portfolios that show the ability to integrate typography, design and color theory to effectively present work customized for the target audience. Demonstrating knowledge of design and color theory and creative problem solving prepares graduates for transfer to universities and for entry level positions in technical publishing and related fields.

Program Learning Outcomes: After completing this degree/certificate the student will be able to:

- Describe specialized skills for entry and success in desired desktop publishing career and prepare samples of work that demonstrate entry level proficiencies.
- Use design problem solving to propose an aesthetically pleasing design that satisfactorily addresses clients needs.
- Apply design principles and color theory when developing presentations.
- Thoughtfully use typography to create attractive, readable text.
- Develop an electronic portfolio to present to potential clients/employers that integrates typography, design and color theories to showcase work samples.

NOTE: A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
A.S. Degrees and Certificates of Achievement

- Business Computer Applications
- Computational Preparation for Bioinformatics*
- Computer Networking
- Computer Programming
- Programming for the Internet
- Scientific Programming
- UNIX Operating System

* This degree and certificate are pending Chancellor’s Office approval. See page 64.

Certificates of Proficiency

- Computer Hardware
- Introduction to Computer Networking

ROP Certificates  see page 228

- Operating Systems
- PC Hardware

Contact:
(408) 848-4719
cte@gavilan.edu

Business Computer Applications  
A.S. Degree or Certificate of Achievement

To receive an ASSOCIATE’S DEGREE in COMPUTER SCIENCE & INFORMATION SYSTEMS complete:

- **REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS:**

Choose 21 units from the following list of courses:

Choose only one of the following two courses:

- CSIS 1  Computer Literacy - MS Office  (2 units)
- CSIS 2  Computers in Business - MS Office  (4 units)
- CSIS/DM/LIB 6  Web Page Authoring I  (2 units)
- CSIS 8  Introduction to the Internet  (1 unit)
- CSIS 10  BASIC Programming  (2 units)
- CSIS/DM 72  Desktop Publishing - QuarkXPress  (3 units)
- CSIS/DM 73  Desktop Publishing - Adobe InDesign  (3 units)
- CSIS/DM 75  PhotoShop I - Adobe PhotoShop  (3 units)
- ACCT/CSIS 121  Spreadsheet - MS Excel  (1-2 units)
- CSIS 124  Windows Fundamentals  (1 unit)
- CSIS 126  Word Processing - MS Word  (2 units)
- CSIS 128  Database - MS Access  (2 units)
- CMUN/CSIS 129  Presentation Graphics - MS PowerPoint  (1 unit)
- CSIS 132  Intermediate Word Processing - MS Word  (2 units)
- CSIS 134  Intermediate Excel  (2 units)
- CSIS 181  PC Hardware  (4 units)
- CSIS 182  Operating Systems  (4 units)

**Total Units Required:** ................................................. 21 UNITS

**Recommended Electives:**  CSIS 7, 72, 73; DM 7, 72, 73

Program Learning Outcome:  After completing this degree or certificate a student will be able to use a variety of business software, including word processors and spreadsheets to create business letters, reports and other business documents.

The Computer Applications Option prepares students for positions utilizing a wide variety of popular operating systems and business application software. The computer applications taught are used in most business environments including word processing, spreadsheets, databases, graphics, and desktop publishing. This degree is also appropriate for retraining and for improving promotional opportunities.

Career opportunities include general office work, document preparation, technical support, help desk training and support, word processing, administrative secretary and administrative services.

**Transfer Students:**  Four-year colleges may differ in their major preparation requirements for transfer. Consult with a counselor regarding transfer requirements.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

Computer Hardware  Certificate of Proficiency

**REQUIREMENTS:**

- CSIS 181  PC Hardware .................. 4 units
- CSIS 182  Operating Systems .................. 4 units

**Total Units Required for Certificate of Proficiency:** 8 UNITS

**Recommended Electives:**  CSIS 122, CSIS 2 or 2L

Students receiving this certificate will have job entry skills in computer hardware repair. Students will be eligible to take the industry A+ hardware exam for certification.
Computational Preparation for Bioinformatics

A.S. Degree or Certificate of Achievement*

To receive an ASSOCIATE’S DEGREE complete:

- REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

REQUIREMENTS: Choose at least 18 units from the following list of courses:

Choose only one of the following two courses:
- CSIS 18/18L UNIX/C++ Programming (4 units)
- CSIS 45 C++ Programming I (4 units)
- CSIS 24 Java Programming I (4 units)
- CSIS 48 UNIX/Linux Operating System (4 units)
- CSIS 54/54L Perl Programming/Perl Programming Lab (3-1 units)
- CSIS 88 PHP Programming (4 units)
- CSIS 78 Web Sites with SQL and PHP (4 units)
- CSIS 151 Introduction to XML Authoring (3 units)

Total Units Required: ................................................. 18 UNITS

This degree or certificate of achievement will prepare students for computational work in the Bioinformatics industry and is for 4-year college transfer students. Students will need a B.A. or higher in Biology, Computer Science or a related discipline to use these computational skills in bioinformatics.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

* This degree and certificate are pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64.

To receive a CERTIFICATE OF ACHIEVEMENT complete:

- REQUIREMENTS listed below.

Computer Networking A.S. Degree or Certificate of Achievement

To receive an ASSOCIATE'S DEGREE complete:

- REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

REQUIREMENTS:

- CSIS 48 UNIX/Linux Operating System ......................... 4 units
- CSIS 178 Applied Networking ................................. 4 units
- CSIS 179 Introduction to Information Security ............ 4 units
- CSIS 181 PC Hardware ........................................ 4 units
- CSIS 182 Operating Systems .................................. 4 units
- CSIS 183 Introduction to Microsoft Servers .............. 4 units

Total Units Required: ................................................. 24 UNITS

Computer Networking is designed to provide entry-level skills and knowledge for students to enter the networking profession. Students will be eligible to take the industry A+ hardware exam. The program also provides a solid foundation in network technology for students who plan to pursue further education in the networking field at a four year college.

Career Opportunities: network technician, network maintenance, network help desk, assistant network administrator, PC/network installation.

Program Learning Outcomes: After completing this degree or certificate of achievement a student will be able to:

- work individually and in teams.
- install and test hardware and software necessary for network connectivity.
- set up a connection with a remote host, employing appropriate commands.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

To receive a CERTIFICATE OF ACHIEVEMENT complete:

- REQUIREMENTS listed below.

Introduction to Computer Networking Certificate of Proficiency

CSIS 178 Applied Networking ................................. 4 units
CSIS 179 Introduction to Information Security ............ 4 units
CSIS 183 Introduction to Microsoft Servers .............. 4 units

Total Units Required for Certificate of Proficiency: ...... 12 UNITS

Recommended courses to be taken before starting (or concurrent with) the Networking sequence: CSIS 2L, 48, 181, 274; MATH 205

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Computer Programming  **A.S. Degree or Certificate of Achievement**

To receive an **ASSOCIATE'S DEGREE** complete:

- **REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

To receive a **CERTIFICATE OF ACHIEVEMENT** complete:

- **REQUIREMENTS** listed below.

**REQUIREMENTS:**

- CSIS 46  C++ Programming II ...................................... 4 units
- CSIS 48  UNIX/Linux Operating System ............................... 4 units

Choose one:

- CSIS 45  C++ Programming I  (4 units)
- CSIS 5  C++ Scientific Programming  (3 units)

................................. 3-4 units

Choose 10 units:

- CSIS/DM/LIB 6  Web Page Authoring I  (2 units)
- CSIS 12/12L  Assembly Language Programming  (4 units)
- CSIS 24  Java Programming I  (4 units)
- CSIS 44  C#.NET Programming  (4 units)
- CSIS 51  Visual Basic .NET Programming  (4 units)
- CSIS 54/54L  Perl Programming/Perl Programming Lab  (3-1 units)
- CSIS 78  Web Sites with SQL and PHP  (4 units)

................................. 10 units

**Total Units Required:** 21-22 **UNITS**

**Recommended Electives:**

- For transfer majors: MATH 1A and MATH 1B
- For non-transfer majors: MATH 233

Computer Programming prepares students for entry-level programming in a wide variety of occupations. Many of the courses will be needed for students transferring to a university to study Computer Science. Students planning to transfer need to research lower division major requirements at the transfer destination of their choice.

**Career Opportunities:** computer programming, application programming, help desk technical support, data base specialist and Web programmer.

**Program Learning Outcomes:** After completing this degree, a student will be able to:

- create programs in three different languages that use control flow statements such as if and switch statements.
- create programs in three different languages that use loop statements such as for and while statements.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

Total Units Required: 19-20 UNITS

**Recommended Elective:** MATH 233

To receive a CERTIFICATE OF ACHIEVEMENT complete:

- REQUIREMENTS listed below.

Programming for the Internet prepares students for entry-level positions developing and maintaining Internet and Intranet web pages. The courses prepare students to create, modify, and program web pages, such as those used in electronic commerce. Students will gain knowledge in both technical and artistic sides of this profession.

**Career Opportunities:** web page developer, web programmer, technical support, webmaster

**Program Learning Outcomes:** After completing this degree, a student will be able to:

- create, modify, and program web pages with images and forms.
- create programs in three different languages that use loop statements such as for and while statements.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Scientific Programming  **A.S. Degree or Certificate of Achievement**

To receive an **ASSOCIATE’S DEGREE** complete:
- **REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**REQUIREMENTS:**

Choose one:

- CSIS 5   | C++ Scientific Programming (3 units)    | 4 units |
- CSIS 45  | C++ Programming I (4 units)             | 3-4 units |

Choose two:

- CSIS 24  | Java Programming I (4 units)            |         |
- CSIS 47  | Visual C++ Programming (4 units)        |         |
- CSIS 51  | Visual Basic.NET Programming (4 units)  |         |
- CSIS 54/54L | Perl Programming/Perl Programming Lab (3-1 units) | 8 units |

Choose two:

- MATH 1B  | Single-Variable Calculus and Analytic Geometry (4 units) |         |
- MATH 5   | Introduction to Statistics (3 units)     |         |
- MATH 7   | Finite Mathematics (3 units)             |         |
- CSIS-26  | Discrete Math (4 units)                  |         |

Total Units Required: 25-28 UNITS

Scientific Programming prepares students for entry-level scientific programming in a wide variety of occupations. Many of the courses will be needed for students transferring to a university to study Computer Science. Students planning to transfer need to research lower division major requirements at the transfer destination of their choice.

**Career Opportunities:** scientific programming, computer programming, statistical programming, research.

**Program Learning Outcomes:** After completing this degree, a student will be able to:
- create programs in three different languages that use control flow statements such as if and switch statements.
- create scientific programs in three different languages that use loop statements such as for and while statements.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

</tbody>
</table>

**Choose two:**

- COS 204 Job Entry Skills (3 units)
- MGMT 111** Starting a Small Business (3 units)
- CMUN 1A Introduction to Public Speaking (3 units)
- CMUN 10 Small Group Communication (3 units)

Total Units for Certificate of Achievement: 22 UNITS

---

**Program Learning Outcomes:**

- be eligible to take the State Board of Barbering and Cosmetology Examination for competency in employment.
- be able to practice client services through skin analysis, treatments and application of products.
- have the opportunity to manage a salon, become a propietor, or a sales consultant.

---

The Cosmetology Department offers a 1600 hour course of instruction to both men and women in all phases of cosmetology. If fulfills the requirements set forth by the State of California Department of Consumer Affairs, Board of Barbering and Cosmetology. The Western Association of Schools and Colleges also accredits this program.

Gavilan College offers the required hours in a four module sequence of classes.

Career opportunities include cosmetologist, assistant stylist, manicurist, color specialist, esthetician, platform artist, educator and salon owner/manager.

Students completing the certificate of achievement and AS degree will become eligible to become a vocational instructor by completing a supplemental teacher training course. See a Cosmetology instructor or counselor for details.

Gavilan College offers a comprehensive skin care program that will meet the State of California Department of Consumer Affairs, Board of Barbering and Cosmetology requirements for licensure. State Licensing requires 600 hours for the practice of Esthetics.

Two courses are offered to meet the requirements for Licensure: Scientific Skin Care and Advance Scientific Skin Care. The curriculum includes, but is not limited to, the study of skin, its appendages, massage, masks and peels, use of skin care machines, product knowledge, light therapy, botanical and chemical therapy, sanitation, salon operation, and Cosmetology State Board regulations. Instruction also includes client services. Scientific Skin Care and Advanced Scientific Skin Care are offered in two consecutive semesters. An additional 6 units in electives is required to receive a Certificate of Achievement of Esthetics.

Gavilan College offers a comprehensive skin care program that will meet the State of California Department of Consumer Affairs, Board of Barbering and Cosmetology requirements for licensure. State Licensing requires 600 hours for the practice of Esthetics.

**Program Learning Outcomes:**

- be eligible to take the State Board of Barbering and Cosmetology Examination for competency in employment.
- be able to practice client services through skin analysis, treatments and application of products.
- have the opportunity to manage a salon, become a propietor, or a sales consultant.
Digital Media

A.A. Degrees and Certificates of Achievement

Digital Art and Imaging Option
Digital Audio/Video Option
Interactive Media & Authoring Option

Certificates of Proficiency

Digital Imaging/Graphics Production Specialist
Digital Print Production Specialist
Digital Video Editor Specialist
Web Page Production Specialist

Digital Media is the use of computer technology in communication: to create, manipulate, and combine different media whether it be text (words, equations), graphics (photography, art and design images, charts and graphs, animation), audio (spoken words, music, sound effects) and video (motion picture/film, animation, visual effects) sometimes with links (connections) that let the user navigate, interact, create, and communicate.

Gavilan College has developed this Digital Media program complete with state of the art technology and studio to provide students with the opportunity to acquire or enhance job skills in this contemporary art, satisfy major requirements for transferring to a college or university, or for personal enrichment in an exciting technology-based field that is changing our lives on a daily basis.

Gavilan’s students studying Digital Media learn fundamental concepts and complex techniques applicable to digital media; related programs in multimedia, new media, digital film/video, digital art; and almost any other work situation in this technologically equipped world in which we live. A variety of degree and certificate options are provided so that one may pursue their desired specialty within this truly multidisciplinary field.

Program Learning Outcomes: After completing the A.A. degree or Certificate of Achievement in Digital Media a student will:

- analyze the relationship of aesthetics, content, user needs and/or interactivity of projects suitable for implementing and using digital media or order to synthesize a design, produce development guidelines incorporating techniques such as storyboards and flow charts and render their design using good design principles and contemporary digital technology.
- be able to perform and communicate ideas within a team environment and contribute significant work related to their option area of study.

Digital Art and Imaging Option  A.A. Degree or Certificate of Achievement

To receive an ASSOCIATE’S DEGREE complete:

- CORE COURSES (listed above).
- ADDITIONAL REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

To receive a CERTIFICATE OF ACHIEVEMENT complete:

- CORE COURSES (listed above).
- ADDITIONAL REQUIREMENTS listed below.

This degree or certificate of achievement will enable a graduate to obtain jobs as a digital photographer, animator, or graphic designer/artist for computer games, motion graphics, the web, CD-ROMs, DVDs, and digital print.

Program Learning Outcome: After completing this option a student will demonstrate an ability to use Digital Media technology and concepts to design, produce, and integrate aesthetically pleasing 2D/3D visual and animated material for film, video, web pages, CD/DVDs, video games or digital print.

NOTE: A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
Digital Audio/Video Option

A.A. Degree or Certificate of Achievement

To receive an ASSOCIATE’S DEGREE complete:
- CORE COURSES (listed on page 108).
- ADDITIONAL REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

To receive a CERTIFICATE OF ACHIEVEMENT complete:
- CORE COURSES (listed on page 108).
- ADDITIONAL REQUIREMENTS listed below.

This degree or certificate of achievement will enable a graduate to obtain jobs as a digital audio/video editor, web streaming media producer, podcast specialist, videographer, or sound designer for games, animation, or film/video.

Program Learning Outcomes: After completing this option a student will be able to:
- create and produce time-based visual art and sound.
- analyze project definitions (including scripts or storyboards) in order to (using digital technology) creatively and logically edit video; design sound and motion graphics for broadcast or to be incorporated into websites, CD/DVDs, video/film, video games, or cell phones.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

CORE COURSES: ................................................................. 15 units

ADDITIONAL REQUIREMENTS:

Choose 9 units from the following list:

- ART 2A Two Dimensional Design  (3 units)
- DM 60 3D Animation I  (3 units)
- DM 111 Sound Design for Digital Media  (3 units)
- ART/CSIS/DM 113 Introduction to Digital Video  (3 units)
- ART/CSIS/DM 116 DVD Authoring  (2 units)
- ART/CSIS/DM 117 Visual Effects/Motion Graphics  (3 units)
- HUM 25A Film Production  (3 units)
- MUS 21 Electronic Music/Sound Design  (3 units)
- THEA/MCTV 16 Television History and Practice  (3 units)
- THEA/MCTV 17A or THEA/MCTV 17B Television and Video Workshop  (3 units)
- THEA 98 Special Topics: GavTV Production  (1-2 units)

................................................................. 9 units

Elective course in any other DM option area. ........................................ 3 units

Total Units Required: ........................................ 27 UNITS

The certificate will enable a graduate to obtain entry level jobs as a digital audio/video producer/director, video or sound editor, web streaming media designer/producer.
Interactive Media and Authoring Option

**A.A. Degree or Certificate of Achievement**

To receive an **ASSOCIATE’S DEGREE** complete:

- **CORE COURSES** (listed on page 108).
- **ADDITIONAL REQUIREMENTS** listed below.
- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

**CORE COURSES:** ................................................................. 15 units

**ADDITIONAL REQUIREMENTS:**

Choose 9 units from the following:

- DM 60 3D Animation I (3 units)
- CSIS/DM 109 Interactive Animation and Authoring: Director (3 units)
- ART/CSIS/DM 110 Interactive Animation: Flash (3 units)
- ART/CSIS/DM 116 DVD Authoring (2 units)
- CSIS 24 Java Programming I (4 units)
- CSIS 45 C++ Programming I (4 units)
- CSIS 56 Game Programming (3 units)
- CSIS 84 JavaScript Programming (2 units)
- CSIS 151 Introduction to XML Authoring (3 units)

Choose only one of the following two courses:

- ART/CSIS/DM 85 Web Design I: Dreamweaver (2 units)
- CSIS/DM 7 Web Page Authoring II (2 units)

................................................................. 9 units

Elective course in any other DM option area ........................................... 3 units

Total Units Required: 27 UNITS

To receive a **CERTIFICATE OF ACHIEVEMENT** complete:

- **CORE COURSES** (listed on page 108).
- **ADDITIONAL REQUIREMENTS** listed below.

This degree or certificate of achievement will enable a graduate to obtain jobs as a web designer, web architect, information designer, webmaster; CD-ROM, DVD, or video game designer/developer.

**Program Learning Outcomes:** After completing this option a student will be able to:

- analyze requirements and proposals for an interactive project.
- describe the relationship of content elements and synthesize aesthetic interactive projects such as video games, web sites, CD/DVD, educational multimedia, or interactive TV in line with current theories in human cognition.

The certificate will enable a graduate to obtain entry level jobs as a web designer, web architect, information designer, webmaster; CD-ROM, DVD, or video game designer/developer.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
# Digital Imaging/Graphics Production Specialist

**Certificate of Proficiency**

Does NOT require completion of core courses.

**REQUIREMENTS:**

- **ART 2A** Two Dimensional Design ........................................ 3 units
- **CSIS/DM 75** PhotoShop I - Adobe PhotoShop ........................... 3 units
- **ART/CSIS/DM 76** Digital Illustration ......................................... 3 units
- **ART/CSIS/DM 77** Introduction To Digital Media ......................... 3 units

Choose one:

- **ART/CSIS/DM 114** Digital Media Production (2 units)
- **JOUR 18A** Working on the Newspaper (2 units)

Choose one:

- **ART 8A** Beginning Photography from Analog to Digital (3 units)
- **ART/DM 48A** Computer Art I (3 units)
- **ART/DM 48B** Computer Art II (3 units)
- **ART/CSIS/DM 80** Digital Photography (3 units)
- **ART/CSIS/DM 110** Interactive Animation: Flash (3 units)
- **CGD 110** Computer Graphics Lab (3 units)

Total Units Required for Certificate of Proficiency: 17 UNITS

---

# Digital Print Production Specialist

**Certificate of Proficiency**

Does NOT require completion of core courses.

**REQUIREMENTS:**

- **ART/CSIS/DM 77** Introduction to Digital Media ........................ 3 units
- **CSIS 126** Word Processing - MS Word .................................... 2 units
- **CSIS 169** Adv. Word Processing w/Desktop Publishing - MS Word .... 2 units

Choose one:

- **ART/CSIS/DM 114** Digital Media Production (2 units)
- **JOUR 18A** Working on the Newspaper (2 units)

Choose one:

- **CSIS/DM 75** PhotoShop I - Adobe PhotoShop (3 units)
- **ART/CSIS/DM 76** Digital Illustration (3 units)

Choose one:

- **CSIS/DM 72** Desktop Publishing—QuarkXpress (3 units)
- **CGD 160** Technical Manual Desktop Publishing/Graphics (4 units)

Total Units Required for Certificate of Proficiency: 15-16 UNITS

---

This certificate will enable a graduate to obtain jobs preparing graphics, touching up photos, and working with other artwork for print, video, animation, or web use.

Digital Print Production Specialist - Digital illustration by Polly Garieaff.
### Digital Video Editor Specialist  Certificate of Proficiency

Does NOT require completion of core courses.

**REQUIREMENTS:**
- ART/CSIS/DM 77  Introduction to Digital Media..........................3 units
- ART/CSIS/DM 113 Digital Video/Audio .........................................3 units
- THEA 98  Special Topics: GavTV Production .............................1-2 units

Choose one:
- ART/CSIS/DM 110  Interactive Animation: Flash  (3 units)
- MUS 21  Electronic Music/Sound Design  (3 units)
- THEA/MCTV 16  Television History and Practice  (3 units)

This certificate will enable a graduate to obtain jobs working as a video/film editor’s assistant, sound mixer, or visual effects assistant.

### Web Page Production Specialist  Certificate of Proficiency

Does NOT require completion of core courses.

**REQUIREMENTS:**
- CSIS/DM/LIB 6  Web Page Authoring I .......................................2 units
- ART/CSIS/DM 77  Introduction to Digital Media..........................3 units
- CSIS 126  Word Processing - MS Word .................................2 units

Choose one:
- ART/CSIS/DM 114  Digital Media Production  (2 units)
- JOUR 18A  Working on the Newspaper  (2 units)

Choose one:
- CSIS/DM 7  Web Page Authoring II  (2 units)
- ART/CSIS/DM 85  Web Design I: Dreamweaver  (2 units)

Choose one:
- ART/CSIS/DM 110  Interactive Animation: Flash  (3 units)
- CSIS/DM 109  Interactive Animation & Authoring: Director  (3 units)

Choose one:
- CSIS/DM 75  Photoshop I - Adobe PhotoShop  (3 units)
- JOUR 16A  Writing for Media  (3 units)

Total Units Required for Certificate of Proficiency: 17 UNITS

This certificate will enable a graduate to obtain jobs maintaining web sites or assisting web designer/developer.
The credit ESL Program offers all levels of ESL courses ranging from basic to advanced in the areas of listening, speaking, grammar, reading, and composition. The program provides language skills for students with a variety of goals, from personal enrichment to academic preparation for students who want to pursue higher education in college instructional and/or vocational programs.

In learning the English language, students learn to communicate in areas important to their personal lives, interact with native English speakers, read and understand the main ideas of a text and the supporting details that illustrate them, understand the rules and use of different grammar structures, and write about a topic with support and clarity.

Students in the ESL Program come from a wide variety of educational, cultural, and native language backgrounds and contribute that richness to the study of English as a second language. Because of the multiple factors involved in language learning, progress in the learning of English varies from student to student. The program provides a sequence of courses that challenge students to review and expand skills previously learned in an atmosphere of intensity, professionalism, support, and respect. We take pride in our students and in our program.

Total units for the certificate: 14 UNITS

Program Learning Outcomes: After completing this certificate a student will be able to:
- demonstrate a strong aural/oral fluency through one-on-one communication, small group discussion, oral presentations and debates.
- demonstrate advanced level academic/study skills.
- read fiction and nonfiction prose and poetry and utilize a wide range of reading and critical thinking skills.
- write well structured academic paragraphs and essays in a variety of rhetorical patterns.
- express opinions and ideas using increasingly accurate and fluent English.

Visit the Gavilan College website to view the current Catalog

www.gavilan.edu/catalog
As a member of the South Bay Regional Public Safety Training Consortium, Gavilan College offers courses for students who are interested in Correctional Officer, Law Enforcement, Reserve Police Officer, Dispatcher, Fire Technology, Probation Officer, or Juvenile Hall Counselor careers. The Consortium is funded by all regional colleges to provide specific vocational training which may require special facilities, special training conditions or is presented outside of the regular schedule of college classes.

The application and registration process is completed at the South Bay Regional Public Safety Training Consortium Center located near the Evergreen Valley College campus in San Jose. Although open to the public, the majority of these courses are intended to serve those “already employed” in these fields. If you have questions about these courses, or if you would like information about a career in any of these programs, please call (408) 270-6458 or visit the webpage at www.theacademy.ca.gov.

Certificates of Achievement

CSU General Education Pattern
Intersegmental General Education Transfer Curriculum (IGETC)

General Education Requirements: A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern, plus sufficient electives to meet a 60 unit total. See pages 47-57 or see a counselor for details.
California State University (CSU) General Education Pattern

Certificate of Achievement

AREA A – English Language, Communication and Critical Thinking ......................................................... 9 units
Select one course from each category. All courses must be completed with a grade of “C” or better.
A-1 Oral Communication: CMUN 1A, 5, 8 or 10
A-2 Written Communication: ENGL 1A
A-3 Critical Thinking: PHIL 2, 4 or ENGL 1C

AREA B – Scientific Inquiry and Quantitative Reasoning ................................................................. 9 units
Once course from each category. The Physical or Life Science course must include a laboratory section (lab courses are underlined)
B-1 Physical Science: ASTR 1; CHEM 1A, 1B, 12A, 12B, 30A, 30B; GEOG 1; GEOL 1, 13; PHYS 1, 2A, 2B, 4A, 4B, 4C; PSCI 1, 2
B-2 Life Science: AH 8, 9, 15; ANTH 1; BIO 1, 4, 5, 7, 8, 9, 10, 13, 15; ECOL 1
B-3 Laboratory Activity: Lab courses are underlined and included in B-1 and B-2
B-4 Mathematics / Quantitative Reasoning (Grade “C” or better): ECON/BUS 11; MATH 1A, 1B, 1C, 2, 2C, 5, 6, 7, 8A, 8B, 12, 14; CSIS 26

AREA C – Arts and Humanities ................................................................. 9 units
ENGL 1B: Composition and Literature (3 units) (required)
Choose one course from the following list:
C-1 Arts (Art, Dance, Music, Theatre) – minimum of 2 units from one of these courses:
ART 1A, 1B, 2A, 3A, 6, 8A, 10A, 13, 14, 21, 25A; CD 25A; CMUN 2; HIST 21; HUM 6, 10; MUS 1A, 1B, 3A, 4A;
THEA 1, 3, 4, 7, 12A, 20
Choose one course from the following list:
C-2 Humanities (Literature, Philosophy, Foreign Languages): ART 11, 21; ENGL 2A, 2B, 2C, 2E, 2F, 2H, 2J, 4A, 4B, 5A, 5B, 9A-C; FRNH 1A, 1B; JPN 1A, 1B; SPAN 1A, 1B, 2A, 2B, 9A, 12A, 12B; HIST 1, 2, 3, 4A, 4B, 5, 6, 7A, 7B, 10, 12, 14, 21; HUM 3, 4, 5, 10; JOUR 10; PHIL 1, 3A, 3B, 6, 7A, 9; SOC 10

AREA D – Social Sciences ................................................................. 9 units
Select one course from Requirement 1:
Requirement 1: HIST 1, 2; POLS 1
Note: For the baccalaureate degree, one of the following combinations is required: HIST 1 & 2, POLS 1 with either HIST 1 or 2
Select two courses from Requirement 2:
Requirement 2:
D-1 Anthropology and Archaeology: ANTH 2, 3, 5, 8, 10
D-2 Economics: ECON 2, 10
D-3 Ethnic Studies: CMUN 4; HIST 10, 12; SOC 3
D-4 Gender Studies: HIST 5, 6; SOC 4
D-5 Geography: GEOG 2
D-6 History: HIST 1, 2, 3, 4A, 4B, 5, 6, 10, 12, 14
D-7 Interdisciplinary Social and Behavioral Science: ANTH 9; CMUN 4; AJ/CMUN/POLS/PSYC 6; PSYC/CD 7; SSCI 1
D-8 Political Science, Government and Legal Institutions: POLS 1, 3, 4; POLS/PHIL 12
D-9 Psychology: PSYC 1A, 1B; PSYC/CD 2, 3
D-0 Sociology and Criminology: SOC 1A, 1B, 3, 4; SOC/JOUR 10

AREA E – Lifelong Understanding and Self-Development ................................................................. 3 units
1. One unit from any Physical Education activity course
2. Select two units from the following list: AH 3, 11; BIO 11; CD/PSYC 2+3 (acceptable for Area E only if taken in combination);
   GUID 1, 6; HE 1, 2; PSYC 5, 41; SOC 21

Total Units Required for CSU Certificate of Achievement: ................................................................. 39 UNITS

Students will qualify for a Certificate of Achievement in California State University (CSU) General Education by completing the pattern listed here. A minimum of 30 general education units taken in areas A through E must be completed with a grade of “C” or better, including all units in Area A (9 units) and Area B-4 (3-5 units). Students must meet Gavilan College GPA and residency requirements.

Courses listed under more than one discipline or area may be used only once to satisfy an area.
Intersegmental General Education Transfer Curriculum (IGETC)

**Certificate of Achievement**

**AREA 1 – English Communication** .............................................. 6-9 units
CSU: Three courses required, one each from A, B, and C
UC: Two courses required, one each from A and B
   A: English Composition – ENGL 1A (required)
   B: Critical Thinking – ENGL 1C; PHIL 4 (required)
   C: Oral Communication – CMUN 1A, 5, 8 or 10 (CSU requirement only)

**AREA 2 – Mathematical Concepts and Quantitative Reasoning** ............... 3 units
One course: ECON/BUS 11; MATH 1A, 1B, 1C, 2, 2C, 5, 6, 7, 8A, 8B, 14; CSIS 26

**AREA 3 – Arts and Humanities** .................................................. 9 units
Three courses, at least one in the Arts and one in the Humanities
   Art: ART 1A, 1B, 6, ART/HIST 21; HUM 6; MUS 1A, 1B; THEA 1, 3, 7
   Humanities: ENGL 1B, 2A, 2B, 2C, 2E, 2F, 2H, 2J, 4A, 4B, 5, 5B;
                HIST 1, 2, 3, 4A, 4B, 5, 6, 7A, 7B, 10, 12, 14; HUM 3, 4, 5, 10;
                PHIL 1, 3A, 3B, 6, 7A, 9; SPAN 2A, 2B, 9A

**AREA 4 – Social and Behavioral Sciences** ...................................... 9 units
Three courses from at least two disciplines or an interdisciplinary sequence:
   ANTH 2, 3, 5, 8, 10; CD/PSYC 2. 3; CMUN 4; ECON 1, 2, 10; GEOG 2;
   HIST 1, 2, 3, 4A, 4B, 5, 6, 10, 12, 14; JOUR/SOC 10; POLS 1, 3, 4;
   POLS/PHIL 12; PSYC 1A, 1B; SOC 1A, 1B, 3, 4; SSCI 1

**AREA 5 – Physical and Biological Science** .................................. 7-9 units
Two courses (minimum of 7 units), one Physical Science course and one Biological
Science course, one of which must include a lab (lab courses are underlined)
   Physical Science: ASTR 1; CHEM 1A, 1B, 12A, 12B, 30A, 30B, GEOG 1;
                   GEOL 1, 13; PSCI 1, 2; PHYS 1, 2A, 2B, 4A, 4B, 4C
   Biological Sciences: AH 8, 9, 15; ANTH 1; BIO 1, 4, 5, 7, 8, 9, 10, 13, 15; ECOL 1

Total Units Required for IGETC Certificate of Achievement: .................. 34-39 UNITS

Courses listed in multiple areas shall not be certified in more than one area except for courses in Language Other Than English (see right column), which can be certified in both Areas 3B and 6A.

**Supplementary Notes for Transfer Students:**

CSU Graduation Requirement in U.S. History, Constitution and American Ideals
   Not Part of IGETC (May be completed prior to transfer.)

For the baccalaureate degree, CSU requires one of the following combinations:
   HIST 1 & 2 or POLS 1 with either HIST 1 or 2

CSU campuses have the discretion whether to allow courses used to satisfy the CSU US History, Constitution and American Ideals (AI) graduation requirement to count in both Area 3B or 4F and to meet the graduation requirement.

**AREA 6-A Language Other Than English (UC requirement only)**. Proficiency equivalent to two years of high school study in the same language:
   FRNH 1B Elementary French .................. (5)
   JPN 1B Elementary Japanese .................. (5)
   SPAN 1B Elementary Spanish .................. (5)
   SPAN 2A,B Intermediate Spanish ............... (5)
   SPAN 12A Spanish for Spanish Speakers ...... (5)
   SPAN 12B Spanish for Spanish Speakers - Intermediate / Advanced ........ (5)

**Health Science**
The Associate's Degree in Health Science is now listed under Biological Science.

**Industrial Technology**
Courses required to complete the Industrial Technology major will not be offered during this catalog cycle.

**Interpersonal Communication**
Degrees and Certificates are now listed under Communication Studies. See page 94.

**Language Arts**
Degree is now listed under Liberal Arts, Language Arts and Humanities Emphasis See page 122.

**Humanities/Humanities and Social Science**
These two Associate's Degrees were retired and replaced with Liberal Arts, Language Arts and Humanities option and Liberal Arts, Social Science option.
Liberal Arts - Areas of Emphasis include:
- Administration of Justice
- Business
- Computer Science & Information Systems
- Elementary Education
- Expressive Arts
- Language Arts & Humanities
- Natural Science
- Social Science (two options)

Liberal Arts - Multiple Subjects

**AREAS OF EMPHASIS**
- Complete a minimum of 18 units from one of the areas of emphasis listed below; where indicated, choose courses from the disciplines listed.
- Students should select general education courses from the two options presented to satisfy either IGETC or CSU breadth requirements
- Courses selected can be used/double counted to fulfill GE areas.
- Students may have to complete additional elective courses to total the 60 overall units necessary for the Associate Degree.

---

**Administration of Justice Emphasis**

Choose any combination of courses for a minimum of 18 units:

Total Units for Area of Emphasis: 18 UNITS

Plus completion of general education requirements: units vary

Total Units Required: minimum of 60 UNITS

**Program Learning Outcomes:** Students will demonstrate an understanding of the history, structure, and processes of law enforcement, the judicial system, correctional system and the juvenile justice system.

They will reflect critically on developments in criminal justice policy and the relationship of these policies to the wider political and social environment. Students will demonstrate an ability to effectively communicate orally and in writing the results of their analysis and understanding.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
A.A. Degrees in Liberal Arts  continued...

Business Emphasis

Choose any combination of courses for a minimum of 6 units:

**Business**: BUS 1
**Economics**: ECON 1, ECON 2, ECON 10

Choose any combination of courses for a minimum of 12 units:

**Accounting**: ACCT 20, ACCT 21
**Business**: BUS 11, BUS 14, BUS 80

**Computer Science & Information Systems**: CSIS 1, CSIS 2, CSIS 2L
**Economics**: ECON 1, ECON 2, ECON 10, ECON 11

Total Units for Area of Emphasis: 18 UNITS

Plus completion of general education requirements: units vary

Total Units Required: minimum of 60 UNITS

The Business emphasis is designed to provide students with a broad background in business.

**Program Learning Outcomes**: Students will develop a solid foundation in economic theory and practice. They will examine market forces and gain financial management analytical experience. Students will learn to use technical skills to analyze, synthesize and report data so that it can be used to make informed decisions.

**NOTE**: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

---

General Education Requirements:
A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern.
See pages 47-57 or see a counselor for details.

---

Computer Science & Information Systems Emphasis

Choose any combination of courses for a minimum of 18 units:

**Computer Science & Information Systems**: CSIS 5, CSIS/DM/LIB 6, CSIS/DM 7, CSIS 8, CD 12/CSIS 9, CSIS 10, CSIS 12, CSIS 12L, CSIS 18, CSIS 18L, CSIS 24, CSIS 26, CSIS 43, CSIS 44, CSIS 45, CSIS 46, CSIS 47, CSIS 49, CSIS 51, CSIS 52, CSIS 53, CSIS 54, CSIS 54L, CSIS 56, CSIS 61, CSIS 84, CSIS 88

**Digital Media**: DM 60 or DM 61, CSIS/DM 73, ART/CSIS/DM 74, ART/CSIS/DM 75, ART/CSIS/DM 76, ART/CSIS/DM 77, ART/CSIS/DM 80, ART/CSIS/DM 85, ART/CSIS/DM 113, ART/CSIS/DM 114

Total Units for Area of Emphasis: 18 UNITS

Plus completion of general education requirements: units vary

Total Units Required: minimum of 60 UNITS

Students will have the opportunity to explore several areas of computer science, including programming, web page design, system administration and desktop publishing.

**Program Learning Outcomes**: Students will develop an appreciation of both the technical and artistic sides of the profession. Students will be able to communicate ideas in a team environment.

**NOTE**: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Elementary Education Emphasis

**Area A**  Complete the following required courses (6 units)

- **Child Development**: CD 8A, CD 8B

**Area B**  Choose any combination of courses for a minimum of 6 units:

- **Child Development**: CD/PSYC 2, CD/PSYC 3, CD 7/PSYC 7/ANTH 9, CD 14A, CD 14B, CD 31, CD 97

**Area C**  Choose any combination of courses for a minimum of 6 units:

- **Administration of Justice**: AJ 20
- **Allied Health**: AH 3
- **Art**: CD 25A or ART 25A
- **English**: ENGL 2F
- **History**: HIST 3
- **Mathematics**: MATH 12
- **Physical Education**: CD 6 or PE 6
- **Theater**: THEA 2A

Total Units for Area of Emphasis: 18 UNITS

Plus completion of general education requirements: .................. units vary

Total Units Required: minimum of 60 UNITS

This emphasis recognizes that teachers play a vital role in the development of children, introducing them to numbers, language, science, and social studies. Elementary teachers facilitate student learning through interactive class discussions, educational activities, "hands-on" learning, and one-on-one assistance. This emphasis offers a core of interdisciplinary and specialized courses that provide students with the knowledge and skills necessary for communicating concepts to children, and an introduction to social, political and economic issues that influence the field of public education.

**Program Learning Outcomes**: Students who complete this emphasis will be able to use their understanding of young childrens’ characteristics, needs and multiple interacting influences to create learning environments that are healthy, respectful, supportive, and challenging for all children. Since students will have experienced actual classrooms with actual children, they will be able to decide if a career in teaching young children is right for them.

**NOTE**: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Expressive Arts Emphasis

Choose at least one course from two or more of the areas below for a minimum of 6 units:
- **Art**: ART 1A, ART 1B, ART 6, ART/HIST 21
- **Music**: MUS 1A, MUS 1B
- **Theater**: THEA 1, THEA 3, THEA 7

--------------------------------------------------------------------------------------- 6 units

Choose a minimum of 3 units from each area below:

**Creativity and Innovation**: ART 11

--------------------------------------------------------------------------------------- 12 units

The Expressive Arts Emphasis provides the knowledge base and experiences for students interested in the study of cultural and humanistic activities as experienced through the artistic expression of human beings.

**Program Learning Outcomes**: Students completing this emphasis will be able to critically analyze and interpret the ways in which people through the ages have responded, to themselves and others around them, through artistic and cultural expression. Through a study of art, history and theater, this emphasis will provide students with the ability to recognize, value and nurture aesthetic understanding and incorporate these concepts when constructing value judgments. The foundation of this emphasis is to foster divergent thinking with the aim of optimizing students’ capacity for producing new and innovative ideas.

**NOTE**: A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.

Language Arts & Humanities Emphasis

Choose at least 1 course from each area for a minimum of 18 units: (You may select an additional course from any of the areas to complete the 18 unit minimum requirement.)

**Communication**: CMUN 1A, CMUN/THEA 2, CMUN 4, CMUN 5, AJ/CMUN/POLS/PSYC 6, CMUN 8, CMUN 10, CMUN 11, CMUN/CSIS 129

**Philosophy**: PHIL 1, PHIL 2, PHIL 3A, PHIL 3B, PHIL 4, PHIL 6, PHIL 7A, PHIL 9, PHIL/POLS 12

**English**: ENGL 1B, ENGL 2A, ENGL 2B, ENGL 2C, ENGL 2E, ENGL 2F, ENGL 2H, ENGL 2J, ENGL 4A, ENGL 4B, ENGL 5A, ENGL 5B, ENGL 9A

**Foreign Language**: SPAN 1A, SPAN 1B, SPAN 9A, SPAN 12A, SPAN 12B, FRNH 1A, FRNH 1B, JPN 1A, JPN 1B

**Journalism**: JOUR 10 or SOC 10, JOUR 16A

--------------------------------------------------------------------------------------- 18 UNITS

The Language Arts & Humanities Emphasis provides a knowledge base for students interested in the study of cultural, literary, and artistic expression of human beings. This area of emphasis develops students’ analytical and expressive skills, their ability to read, write and think clearly through coursework that spans over five different disciplines.

**Program Learning Outcomes**: Students completing this area of emphasis will be able to analyze and interpret the ways in which people through the ages have reflected upon themselves and their place in the world, and the communication of this reflection through language.

**NOTE**: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Natural Science Emphasis

Choose any combination of courses for a minimum of 18 units. You must select at least one course from Mathematics and one course from one of the Science disciplines:

**Biology:** BIO 1, BIO 4, BIO 5, BIO 7, AH/BIO 8, AH/BIO 9, AH/BIO 15, BIO 21

**Chemistry:** CHEM 1A, CHEM 1B, CHEM 12A, CHEM 12B

**Ecology:** ECOL 1

**Geology:** GEOL 1

**Mathematics:** MATH 1A, MATH 1B, MATH 1C, MATH 2, MATH 2C, MATH 5, MATH 7, MATH 8A, MATH 8B

**Physics:** PHYS 2A, PHYS 2B, PHYS 4A, PHYS 4B, PHYS 4C

Total Units for Area of Emphasis: 18 UNITS

Plus completion of general education requirements: ................. units vary

Total Units Required: minimum of 60 UNITS

The Area of Emphasis for Studies in Natural Science recognizes the integrated role that Biology, Chemistry, Physics, and Mathematics play in the description and understanding of our everyday world.

**Program Learning Outcomes:** Employing the scientific method as a basis for evaluating theoretical and laboratory derived information, students will gain an understanding of the biological and/or physical worlds. Students will also gain a working familiarity with mathematics and an understanding of mathematics as it applies to modeling in the sciences and as an elegant stand-alone discipline.

Social Science Emphasis

**Option A: Cultural and Historical Social Sciences:**

Choose any combination of courses for a minimum of 18 units:

**Administration of Justice/Political Science/Psychology:** AJ/CMUN/POLS/PSYC 6

**Anthropology:** ANTH 1, ANTH 2, ANTH 3, ANTH 5, ANTH 10

**Art:** ART 10, ART 21

**Child Development:** CD 5, CD/PE 6

**Economics:** ECON 1, ECON 2

**Geography:** GEOG 2

**History:** HIST 1, HIST 2, HIST 3, HIST 4A, HIST 4B, HIST 5, HIST 6, HIST 7A, HIST 7B, HIST 10, HIST 12, HIST 21

**Philosophy:** PHIL 7A

**Political Science:** POLS 1, POLS 2

**Sociology:** SOC 1A, SOC 1B, SOC 3, SOC 4

Total Units for Area of Emphasis: 18 UNITS

Plus completion of general education requirements: ................. units vary

Total Units Required: minimum of 60 UNITS

In this emphasis students will analyze theories and concepts related to the development of cultural and historical development of societies. Students will study social science theory and practice to analyze, compare and contrast and synthesize aspects of societies and events from different regions and eras.

**Program Learning Outcomes:** Students completing this emphasis will be able to critically examine contemporary social, economic, and political environments. Through social science methods students will explain the influences individuals, social groups, and governments have upon one another; and will document and evaluate models of social stratification based on class, ethnicity, and gender; and assess their impact.
Social Science Emphasis  

Option B: Behavioral and Organizational Social Sciences:

Choose any combination of courses for a minimum of 18 units:

- **Administration of Justice**: AJ 10, AJ 18
- **Allied Health**: AH 3, AH/BIO 15
- **Biology**: AH/BIO 15
- **Child Development**: CD/PSYC 2, CD/PSYC 3
- **Economics**: ECON 1, ECON 2
- **Journalism**: JOUR 10
- **Mathematics**: MATH 5, MATH 6
- **Philosophy**: PHIL/POLS 12
- **Political Science**: POLS 1, POLS 3, POLS 4, AJ/CMUN/POLS/PSYC 6, POLS/PHIL 12
- **Psychology**: PSYC 1A, PSYC 1B, AJ/CMUN/POLS/PSYC 6, CD 7/PSYC 7/ANTH 9, PSYC 41
- **Sociology**: SOC 1A, SOC 1B, SOC 3, SOC 4, SOC 10, SOC 21
- **Social Sciences**: SSCI 1

Total Units for Area of Emphasis: 18 UNITS

Plus completion of general education requirements: . . . . . . . . . . . . . . . . . . . . . . . . units vary

Total Units Required: minimum of 60 UNITS

In this emphasis students will analyze theories and concepts related to social and psychological development, and political organizations. Students will study the scientific method and use research methodologies to analyze, compare and contrast, and synthesize psychological, political and social structures.

**Program Learning Outcomes:** Students who complete this emphasis will be able to use their understanding of behavioral and organizational social sciences to document and evaluate models of personal, social, economic and political dynamics. In addition they will employ social sciences to propose means of resolving problems, and assess methods for making change.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
## Multiple Subjects

### A.A. Degree

**AREA 1 - ENGLISH & COMMUNICATION SKILLS**

<table>

**Total Units Required:**

- Minimum of 19 UNITS

**Recommended Electives:** Any transfer course

**Major Requirements:**

Complete one course from each area. Any remaining units needed to reach a minimum of 19 units may be completed by selecting any course from areas 1-5.

The major will prepare students for many professional programs. Students planning to transfer to a 4-year institution (such as San Jose State University) for the purpose of seeking the Multiple Subjects Teaching Credential (Elementary Education) should complete Allied Health 3 and both Child Development 2 and Child Development 3, and may expect to transfer no more than 7 additional units of Child Development lower division classes as electives. For further advice, consult with an advisor at the intended university and see the “major-to-major” articulation agreement between Gavilan College and that university.

Courses listed under more than one discipline or area may be used to satisfy only one area.

**Recommended Electives:** Any transfer course

**General Education Requirements:**

A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern, plus sufficient electives to meet a 60 unit total. See pages 47-57 or see a counselor for details.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
Mathematics  A.S. Degree

After completing the Mathematics major, students transferring to a four-year institution will be prepared for additional study in the following areas: actuarial science, applied mathematics, computer science (programming), statistics, theoretical mathematics.

Mathematics  A.S. Degree

ENGR 5    C++ Scientific Programming  3 units
MATH 1A   Single-Variable Calculus and Analytic Geometry  4 units
MATH 1B   Single-Variable Calculus and Analytic Geometry  4 units
MATH 1C   Multivariable Calculus  4 units
MATH 2*   Linear Algebra  3 units
MATH 2C   Differential Equations  3 units
Total Units Required: 21 UNITS

Plus completion of general education requirements: units vary
Total Units Required: minimum of 60 UNITS

Recommended Electives: MATH 5; PHYS 4A, B, C

Program Learning Outcomes: After completing this degree a student will be able to:

► identify and utilize appropriate mathematical operations in the simplification of expressions and solution of equations.
► compare and contrast various mathematical models and then apply the appropriate model to real world problems.
► describe, compare and contrast various mathematical functions using everyday language.
► describe, compare and contrast various mathematical properties and operations for real and imaginary numbers using everyday language.

Mathematics majors are encouraged to consult four-year college catalogs during their first semester at Gavilan College. See Gavilan General Education requirements on page 47.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
The Philosophy Discipline offers learners a unique opportunity to take a variety of courses from different philosophical perspectives, yet all rich in the voices of global cultures and religions. Philosophy concerns the investigation of the fundamental questions of the human experience, such as “Is knowledge possible?”, “Do we have free will?”, “What is the meaning of life?” to “Is social justice possible?” In attempting to answer these questions, the discipline of Philosophy has provided the foundation of many other fields of inquiry, from psychology to sociology, law, and even business. At the core, Philosophy develops critical thinking skills, but in applying those skills, learners realize that philosophical inquiry has spanned the development of science, the birth of civilizations, religions, and ethical debates about when life begins and ends, principles of justice, environmental issues, animals rights, global warming, immigration, and even ideas about art, music, and the economy. Ultimately, Philosophy provides a learner pursuing any major an opportunity to enhance critical thinking skills while engaging in the analysis of arguments and theories about issues that has spanned the ages and still affect contemporary life.

Career opportunities for Philosophy majors:
Learners who have taken Philosophy courses are good candidates for jobs requiring liberal arts education. Employers often look for people who can solve problems and can write and think critically. These are skills that philosophy enhances. Examples of careers include: communications, education, journalism, law, management and business, and politics.

Program Learning Outcomes: After completing Philosophy courses, a student will be able to:
► Analyze and critique an argument
► Effectively argue in support of an opinion
► Write an argumentative essay
► Define key terms of philosophical vocabulary relevant to the course
► Distinguish different areas of philosophy
► Understand some of the diverse assumptions and the values and attitudes that shape our lives

Classical and Contemporary World Philosophies and Religions
Certificate of Proficiency

PHIL 1 Introduction to Philosophy ..................................................3 units

Choose nine (9) units from the list below:
PHIL 3A Ethical Theory (3 units)
PHIL 3B Contemporary Ethics (3 units)
PHIL 6 World Religions (3 units)
PHIL 9 Philosophy of Religion (3 units)
PHIL/POLS 12 Political Philosophy (3 units)
PHIL 23 Independent Study (1-3 units)

...............................................................9 Units

Total Units Required for Certificate of Proficiency: 12 UNITS
Physical Education and Athletics

A.A. Degrees

Education Option*
Sports Management Option*
Sports Medicine Option*

* These degree options are pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64.

The Physical Education & Athletics Department provides opportunities for students to participate in activity classes, pursue a professional career, transfer and compete in intercollegiate athletics. A variety of activity courses are offered to meet the interest and needs of all students as they fulfill the general education requirements, physical education graduation requirements, or their desire to maintain lifetime fitness.

An Associate of Arts Degree with three options of study, Education, Sports Management and Sports Medicine, is available. The A.A. degree can be obtained by completing a total of 61-69 units, including the 24-28 unit major general education requirements and electives. This program is also designed to allow students to transfer into baccalaureate programs in physical education or related areas.

Professional fields include teaching, coaching, athletic training, physical therapy, exercise physiology, motor learning, sports management, sports psychology, and personal fitness trainer. These careers would involve employment with educational institutions, commercial health clubs and other private and public fitness and sports centers, working in recreation departments, and working with sports teams.

Gavilan College offers a variety of intercollegiate sports for men and women. We compete in the Coast Conference which is a member of the California Community College Athletic Association. Students participate for a variety of reasons, including the desire to compete at the intercollegiate level and for the opportunity to earn an academic or athletic scholarship to a 4-year level college or university.

Program Learning Outcomes: After completing the Physical Education major a student will be able to:

- List and describe 5 career options available in the field of physical education.
- Explain the importance of lifetime fitness in today’s society.
- Discuss the concentration area (option) that is their major emphasis of study. This will include the history, role within the work setting, and skill demonstration where appropriate (athletic training and CPR).
- Select a sport and explain an appropriate tournament format or describe the basic skills required to participate in that sport.
- Apply selected motor development skills to the structures of the human body.
The Education option is for those students wishing to pursue a degree in teaching and/or coaching. It provides a core set of courses designed to allow individuals to earn an AA Degree or enter a baccalaureate program leading to a teaching credential.

Students completing the major will have satisfied requirements for Biological Science List 1 and the Physical Education Activity classes in the general education requirements for the A.A. degree.

* Will satisfy major prerequisites at most 4-year institutions. Students planning to transfer should consult with a counselor.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Sports Management Option  **A.A. Degree**

**AH 32** Basic Cardiac Life Support ............................................. 1 unit
**HE 1** Health Education ......................................................... 3 units
**PE 2** Introduction to Physical Education .................................... 3 units
**PE 3** Introduction to Athletic Training ...................................... 4 units
**PE 5** Individual and Dual Sports .............................................. 3 units
**PE 7** Theory of Sports Management ........................................... 3 units

Choose one of the following:

**PE 1** Orientation for Student Athlete Success (1 unit)
**CD/PE 6** Games and Rhythms for Children (3 units)
**PE 8** Psychology of Coaching (3 units)
**PE 9** Fundamentals of Soccer (2 units)
**PE 10** Fundamentals of Softball (2 units)
**PE 11** Fundamentals of Baseball (2 units)
**PE 12** Fundamentals of Football (2 units)
**PE 13** Fundamentals of Volleyball (2 units)
**PE 14** Fundamentals of Basketball (2 units)

................................................................. 1-3 units

Physical Education Activity Courses: A minimum of 6 units from at least 4 different activities (may include Intercollegiate Athletics) ................. 6 units

Total Units Required for Major: 24-26 UNITS

Plus completion of general education requirements: ................. units vary

Total Units Required: minimum of 60 UNITS

*This degree option is pending Chancellor's Office approval. Please see a Gavilan counselor or check the college website for current status.

Sports Medicine Option  **A.A. Degree**

**AH 32** Basic Cardiac Life Support ............................................. 1 unit
**AH/BIO 15** Survey of Anatomy and Physiology ......................... 5 units
**HE 1** Health Education ......................................................... 3 units
**PE 2** Introduction to Physical Education .................................... 3 units
**PE 3** Introduction to Athletic Training ...................................... 4 units
**PE 5** Individual and Dual Sports .............................................. 3 units

Choose one of the following:

**PE 1** Orientation for Student Athlete Success (1 unit)
**PE 3A** Athletic Training Field Experience (2 units)
**CD/PE 6** Games and Rhythms for Children (3 units)
**PE 7** Theory of Sports Management (3 units)
**PE 8** Psychology of Coaching (3 units)
**PE 9** Fundamentals of Soccer (2 units)
**PE 10** Fundamentals of Softball (2 units)
**PE 11** Fundamentals of Baseball (2 units)
**PE 12** Fundamentals of Football (2 units)
**PE 13** Fundamentals of Volleyball (2 units)
**PE 14** Fundamentals of Basketball (2 units)

................................................................. 1-3 units

Physical Education Activity Courses: A minimum of 6 units from at least 4 different activities (may include Intercollegiate Athletics) ................. 6 units

Total Units Required for Major: 26-28 UNITS

Plus completion of general education requirements: ................. units vary

Total Units Required: minimum of 60 UNITS

*This degree option is pending Chancellor's Office approval. Please see a Gavilan counselor or check the college website for current status.
The A.S. degree in Engineering and Physical Science has two options.

The **Physical Science and Engineering** option provides a broad background in the sciences. Students completing this degree will have learned to integrate math and science to solve problems, have proficiency in laboratory techniques and analysis of experimental data, and will have demonstrated an ability to communicate effectively using written, oral, electronic, and graphical means. This degree will prepare students interested in transferring to four-year colleges or universities to pursue degrees in any of the natural or physical sciences (astronomy, chemistry, geology or geophysics, general science, meteorology, oceanography, physics, etc). Students electing this major are encouraged to consult the catalogs of the four-year schools to which they plan to transfer early in their Gavilan course work as requirements for transfer vary by institution.

Engineers are responsible for designing and building everything that we use – airplanes, roads, machines, computers, buildings, artificial limbs.

The **Physical Science and Engineering: General Engineering** option constitutes the lower-division core classes suggested by the Engineering Liaison Council (ELC), an organization composed of representatives from two- and four-year colleges and universities. Students completing this degree will have learned to identify various engineering problems and integrate math and science to solve them, have proficiency in the design, execution, analysis, and interpretation of experiments, demonstrate familiarity with the engineering design process, and will have demonstrated an ability to communicate effectively using written, oral, electronic, and graphical means. This degree will prepare students to transfer to four-year colleges or universities to pursue degrees in any of the engineering disciplines (aeronautical, chemical, civil, computer, electrical, industrial, materials, mechanical, etc.). Students electing this major are encouraged to consult the catalogs of the four-year schools to which they plan to transfer early in their Gavilan course work as requirements for transfer vary by institution.

---

**General Education Requirements:** A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern, plus sufficient electives to meet a 60 unit total. See pages 47-57 or see a counselor for details.

---

Please note that not all courses required for the degree are offered on a regular basis.

Contact:
(408) 848-4701
las@gavilan.edu
Physical Science and Engineering  

**A.S. Degree**

Program Learning Outcomes: After completing this degree a student will be able to:

- demonstrate appropriate integration of math and science to solve real-world problems.
- demonstrate appropriate design and execution of experiments, as well as analysis and interpretation of the data.
- demonstrate an ability to communicate clearly using written, oral, electronic, and graphical means.

Students are strongly advised to consult the appropriate college catalogs and their counselors to determine the specific lower division requirements if you are transferring to a 4-year institution.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

Physical Science and Engineering: General Engineering  

**A.S. Degree**

Program Learning Outcomes: After completing this degree a student will be able to:

- identify, compare and contrast engineering problems and demonstrate integration of math and science to solve them.
- demonstrate appropriate design and execution of experiments, as well as analyze and interpret of the data.
- demonstrate the engineering design process by designing a system, component or process to meet a desired need.
- demonstrate an ability to communicate clearly using written, oral, electronic and graphical means.

Students are strongly advised to consult the appropriate college catalogs and their counselors to determine the specific lower division requirements if you are transferring to a 4-year institution.

- SPAN 12B  Spanish for Spanish Speakers (5 units)

Degree requirements continued on page 136.

Majors in Social Science with Emphasis on Global Studies gain durable tools to enrich and empower the global community by promoting social justice. By taking courses in anthropology, cultural geography, economics, history, political science, psychology, and sociology, students become competent to analyze, contextualize, and change global realities. In the process, students create linkages between local and national issues, movements, and ideas as they relate to the rest of the world, and prepare both for a variety of careers and for all-important responsibilities as global citizens.

Students completing this AA degree will be able to transfer to four-year colleges or enter professions in public service, policy, law, international relations, international business, politics, environmental policy, media, anthropology, history, economics, urban planning, political science, and more.

**Program Learning Outcomes** After completing this degree students will:

- define and analyze global citizenship strategies in the context of globalization.
- demonstrate and evaluate relationships between local and national issues, movements, and ideas as they relate to the global community.
- demonstrate a range of skills including: research, documentation, analysis, evaluation, communication, contextualization, teamwork, observation, and cultural competency by relating social science concepts and theories to issues of global importance.
- identify, develop, use, and assess methods and tools to bring about social justice.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
Area C

Choose six (6) units from the following list of electives:

- ANTH 1  Introduction to Physical Anthropology (3 units)
- ANTH 3  Introduction to Cultural Anthropology (3 units)  If not taken in Area A
- ANTH 5  Magic/Witchcraft and Religion (3 units)
- ART 10A  Cultural History of Ceramics (3 units)
- ART 21/HIST 21  Ancient Americas: A History Through Art (3 units)
- CMUN 4  Intercultural Communication (3 units)
- ECOL 1  Conservation of Natural Resources (4 units)
- ECON 1  Principles of Macroeconomics (3 units)
- ECON 2  Principles of Microeconomics (3 units)
- ENGL 2B  Introduction to Multicultural Literature (3 units)
- GEOG 2  Cultural Geography (3 units)  if not taken in Area A
- GEOL 13  Environmental Geology (3 units)
- HIST 4A  History of World Societies, Before 1500 (3 units)  if not taken in Area A
- HIST 4B  History of World Societies, 1500 to Present (3 units)  if not taken in Area A
- PHIL 6  Comparative Religions (3 units)
- PHIL 7A  History of Philosophy: Ancient to Medieval Times (3 units)
- POLS 3  Introduction to Comparative Politics (3 units)  if not taken in Area A
- POLS 4  Introduction to International Relations (3 units)  If not taken in Area A
- AJ/POLS/PSYC/CMUN 6  Introduction to Conflict Resolution (3 units)
- CD 7/PSYC 7/ANTH 9  Cultural Context of Child and Family in a Diverse Society (3 units)
- SOC 3  Sociology of Race, Ethnicity and Cultural Identity (3 units)
- SOC 4  Sociology of Women and Men (3 units)

Total Units Required for Major (Areas A-C): 23 UNITS

Plus completion of general education requirements: units vary

Total Units Required: minimum of 60 UNITS
**Spanish**

**A.A. Degrees and Certificates of Achievement**

Non-Native Speakers Options 1-3  
Native Speakers Option 4

The Spanish Department at Gavilan College is committed to providing an environment that makes learning Spanish fun, exciting, yet challenging at the same time. The study of Foreign Languages not only enables a person to communicate in another language but also opens new doors to different cultures. Many of our students study Spanish to fulfill general education requirements, some study because of the need to communicate at work and many simply study Spanish for the enjoyment of learning another language.

The Spanish Department at Gavilan offers a wide range of courses for all students. Our department focuses in the areas of reading, writing, speaking and listening as well as having a basic awareness of different Hispanic cultures. The Spanish curriculum provides a program for non-native and native students who wish to (1) pursue an advanced degree in Spanish, (2) broaden a general knowledge of Spanish, (3) develop listening and speaking skills, (4) prepare for a career as a Spanish educator. Our experienced instructors create an environment that both fulfills General Education Requirements and offers students exemplary preparation for transfer into both university and vocational level programs.

**Program Learning Outcomes:**

Upon completion of the program, students will demonstrate

- basic proficiency in speaking, reading and writing in Spanish.
- ability to identify elements of Spanish: verb tenses, grammar.
- ability to identify different Hispanic cultures, including historical periods, colloquialisms, food, dress and dialects.
- ability to analyze and discuss Hispanic literature including authors from different Hispanic cultures.

Total Units Required: 20 UNITS

To receive a CERTIFICATE OF ACHIEVEMENT complete:

- **REQUIREMENTS** listed below.

Program Learning Outcomes: After completing this degree a student will:

- be able to converse in Spanish at the basic level.
- demonstrate proper conjugation of verbs; in the written and oral form.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
Spanish Non-Native Speakers Option 2  

A.A. Degree or Certificate of Achievement

To receive an ASSOCIATE’S DEGREE complete:
- REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

REQUIREMENTS:
SPAN 1B Elementary Spanish .............................................. 5 units
SPAN 2A Intermediate Spanish ............................................. 5 units
SPAN 2B Intermediate Spanish ............................................. 5 units

Choose one course from following list:
SPAN 12A Spanish for Spanish Speakers (5 units)
SPAN 12B Spanish for Spanish Speakers - Intermediate/Advanced (5 units)
SPAN 23 Independent Study (3 units minimum) ................................ 3-5 units

Total Units Required: ............................................. 18-20 UNITS

Program Learning Outcomes: After completing this degree a student will:
- be able to converse in Spanish at the basic level.
- demonstrate proper conjugation of verbs; in the written and oral form.

Note: Students with two years of high school Spanish are advised to take this option.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

Spanish Non-Native Speakers Option 3  

A.A. Degree or Certificate of Achievement

To receive an ASSOCIATE’S DEGREE complete:
- REQUIREMENTS listed below.
- GENERAL EDUCATION REQUIREMENTS (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

REQUIREMENTS:
SPAN 2A Intermediate Spanish ............................................. 5 units
SPAN 2B Intermediate Spanish ............................................. 5 units

Choose a minimum of 8 units from following list:
SPAN 12A Spanish for Spanish Speakers (5 units)
SPAN 12B Spanish for Spanish Speakers - Intermediate/Advanced (5 units)
SPAN 23 Independent Study (2/1 units) ................................ 8 units

Total Units Required: ............................................. 18 UNITS

Program Learning Outcomes: After completing this degree a student will:
- be able to converse in Spanish at the basic level.
- demonstrate proper conjugation of verbs; in the written and oral form.

Note: Students with four years of high school Spanish are advised to take this option.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Spanish Native Speakers Option 4  

**A.A. Degree or Certificate of Achievement**

To receive an ASSOCIATE’S DEGREE complete:

- **REQUIREMENTS** listed below.

- **GENERAL EDUCATION REQUIREMENTS** (Gavilan, IGETC or CSU pattern), plus sufficient electives to meet a 60 unit total. See pages 47-57.

Choose 2 courses from following list:

- ART/HIST 21 Ancient Americas: A History through Art (3 units)
- HIST 12 Cultural History of the Mexican American (3 units)
- ENGL 2H Mexican-American Literature (3 units)

Total Units Required: 18 UNITS

Program Learning Outcomes: After completing this degree a student will:

- be able to converse in Spanish at the basic level.
- demonstrate proper conjugation of verbs; in the written and oral form.

**Note:** Students with native fluency can take this option.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
“Every child is an artist. The problem is how to remain an artist once he grows up”

- Pablo Picasso
To complete the Art major program, the student must complete the minimum units specified in each category, plus a minimum of three (3) additional units of Art electives to complete a minimum total of 24 units.

**REQUIRED:**
- ART 2A  Two Dimensional Design ........................................... 3 units
- ART 13  Three Dimensional Design ........................................... 3 units
- ART 3A  Drawing and Composition ........................................... 3 units

**ART HISTORY**  Choose 3 units:
- ART 1A  Art History  (3 units)
- ART 1B  Art History  (3 units)
- ART/HIST 21  Ancient Americas: A History through Art  (3 units)

**DRAWING AND PAINTING**  Choose 6 units:
- ART 3B  Drawing and Composition  (3 units)
- ART 14  Beginning Mural Painting  (3 units)
- ART 15A  Beginning Painting: Form and Composition  (3 units)
- ART 15B  Beginning Painting: Imagination and Expression  (3 units)
- ART 16A  Watercolor Painting: Form and Composition  (3 units)
- ART 16B  Watercolor Painting: Imagination and Expression  (3 units)
- ART 34A  Life Drawing  (3 units)
- ART 34B  Life Drawing  (3 units)

**SCULPTURE**  Choose 3 units:
- ART 10A  Cultural History of Ceramics  (3 units)
- ART 10B  Ceramics  (3 units)
- ART 12A  Sculpture  (3 units)
- ART 12B  Sculpture  (2 units)

**ART ELECTIVES:**  Choose 3 units:
In addition to satisfying the requirements outlined above, students may take any class within the Art discipline to satisfy this elective requirement, with the exception of: ART/CSIS/DM 108 (Digital Media Lab) and ART 190 (Work Experience).

Total Units Required: .................................................. 24 UNITS

**Program Learning Outcomes:**  After completing the Art major a student will be able to:
- analyze and describe the historical and contemporary implications of art in terms of aesthetics, content and meaning.
- create artworks using a variety of two dimensional art media, tools and equipment.
- create artworks using a variety of three dimensional art media, tools and equipment.
- demonstrate color theory and use color schemes. Students will be able to apply color theory to a variety of art media.
- demonstrate and articulate social, political, and community issues as they relate to art.

**General Education Requirements:**  A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth, or the IGETC pattern. Pattern requirements are listed on pages 47-57. See a counselor for details.

6 units

Choose a minimum of 9 units of any performance list. 9 units

Total Units Required: 24 UNITS

Plus completion of general education requirements: units vary

Total Units Required: minimum of 60 UNITS

**Recommended Electives:** ANTH 3, CSIS 1 or 2, any English Literature, HIST 7, any Journalism

**Performance Courses:** In addition to completing the core courses, an emphasis in Art, Music or Theatre must be completed with a minimum of 6 units of activity courses in that area. Three units of electives from the other performance areas should be taken to complete the 9 unit minimum.

- **Music Performance Courses:** MUS 3A, 3B, 4A, 4B, 8A, 8B, 8C, 9A, 9B, 12, 14A, 14B, 14C
- **Theatre Performance Courses:** THEA 2A, 2B, 10, 11, 12A, 12B, 13A, 13B, 17A, 17B, 19; MCTV 17A, 17B, 19

The General Fine Arts Degree provides the knowledge base and experiences for students interested in the study of art, theatre and music. Students completing this degree will be able to critically analyze and interpret various mediums of fine arts. Students will have the ability to recognize, value and nurture aesthetic forms of fine arts and build a foundation to foster further artistic thought and endeavors.

Students transferring to a four-year institution will be prepared for additional study in the fields of creative arts, elementary & secondary teaching, Fine Arts, Humanities, Interdisciplinary Studies and Liberal Studies.

**Program Learning Outcomes:** After completing this degree a student will be able to:

- critique and evaluate the performance and execution of artistic endeavors in art, theatre and music.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Media Arts Options

The Broadcast TV and Journalism Media Arts Associate’s Degree options require a combination of **CORE COURSES** (below) and additional requirements:

**CORE COURSES:**
- JOUR/SOC 10  Mass Media & Society 3 units
- JOUR 16A  Writing for Media 3 units
- THEA/MCTV 16  Television History and Practice 3 units
- THEA/MCTV 17A  Television & Video Workshop 3 units

Core Courses Unit Total: 12 UNITS

**ADDITIONAL REQUIREMENTS** (12 units minimum):
- THEA/MCTV 17B  Television and Video Workshop 3 units
- THEA 20  Introduction to Scriptwriting 3 units

Choose six (6) units from courses below:
- CMUN 2/THEA 4  Oral Reading (3 units)
- THEA/MCTV 6  Introduction to Audio Production (3 units)
- THEA 14  Stage Production (1-3 units)
- THEA/MCTV 19  Television and Film Acting (3 units)
- ART/CSIS/DM 117  Visual Effects/Motion Graphics (3 units)

6 units

Total Units Required: 24 UNITS

Plus completion of general education requirements: varies

Total Units Required: minimum of 60 UNITS

* This degree was formerly called Video Arts/Technical Production. Requirements have changed and are pending Chancellor's Office approval. Please see a Gavilan counselor or check the college website for current status.

**Broadcast Television Option**  **A.A. Degree**

**CORE COURSES:** 12 units

**ADDITIONAL REQUIREMENTS** (12 units minimum):
- THEA/MCTV 17B  Television and Video Workshop 3 units
- THEA 20  Introduction to Scriptwriting 3 units

Choose six (6) units from courses below:
- CMUN 2/THEA 4  Oral Reading (3 units)
- THEA/MCTV 6  Introduction to Audio Production (3 units)
- THEA 14  Stage Production (1-3 units)
- THEA/MCTV 19  Television and Film Acting (3 units)
- ART/CSIS/DM 117  Visual Effects/Motion Graphics (3 units)

6 units

Total Units Required: 24 UNITS

**Program Learning Outcomes:** After completing a Media Arts Broadcast Television Degree a student will be able to:
- perform confidently and safely in set-up and operation of video and audio equipment in live or live to tape studio or field production.
- demonstrate knowledge and skills in digital editing for broadcast television.
- discuss and critique production values in film and television including: lighting, set design, make-up.
- demonstrate and apply best practices in working on a television/video production crew.
- describe and perform the knowledge, skills and abilities related to the production process including: pre-production, production and post-production.

The Gavilan College Media Arts Program educates students in multiple forms of media, such as television, print and film.

In the program, the history and development of human communication is studied and explored as students critique and create media.

Total Units Required: ........................................................................... 24 UNITS

Plus completion of general education requirements: .................................. units vary

Total Units Required: minimum of 60 UNITS

* There are times when a course listed as a requirement for a major or certificate cannot be offered in a reasonable timeframe. Course substitutions and waivers will be considered by the department. Please contact the department chairperson. This information is available from the Office of Instruction - (408) 848-4761.

Students have the option of receiving a Broadcast Television Certificate of Achievement by completing 17 units.

Program Learning Outcomes: After completing this certificate a student will be able to:
- perform confidently and safely in set-up and operation of video and audio equipment in live or live to tape studio or field production.
- demonstrate knowledge and skills in digital editing for broadcast television.
- discuss and critique production values in film and television including: lighting, set design, make-up.
- demonstrate and apply best practices in working on a television/video production crew.
- perform with the knowledge, skills and abilities related to the production process including: pre-production, production and post-production.

Program Learning Outcomes: After completing this degree a student will be able to:
- plan, formulate and compose news stories, requiring them to restate facts, describe people and conditions and explain and report on current events as well as describe and translate constitutionally guaranteed freedom of speech into practical language and define libel and best ethical journalistic practices, differentiating between standard and sub-standard ethics.
- define and apply standard journalistic practices and work with each other to appraise and revise each other’s stories as well as interpret current events, campus organizational structures and human beings to demonstrate a common understanding of news values, choosing and selecting interesting stories to cover.

Students who choose the Journalism option prepare for transfer to four-year institutions in journalism, communications and technical writing.

NOTE: A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.
Music  A.A. Degree

After completing the Music major, students transferring to a four-year institution will be prepared for additional study in the following areas:

Commercial music, drama, education, fine arts, music education, music history, music performance, music theory, music as a minor for recreation.

**REQUIRED:**

- MUS 1A  Music History & Literature  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .3 units
- MUS 1B  Music History & Literature  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .3 units
- MUS 3A  Harmony/Theory  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .4 units
- MUS 3B  Harmony/Theory  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .4 units
- MUS 4A *  Beginning Piano  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .3 units
- MUS 4B *  Beginning Piano  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .2 units
- MUS 8A *  Beginning Voice  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .2 units
- MUS 8B *  Beginning Voice  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .  .2 units

Choose one:

- MUS 12  Vocal Ensemble  (2 units)
- MUS 14A  Instrumental Ensemble  (2 units)

Total Units Required: 25 UNITS

**Program Learning Outcomes:** After completing this degree a student will:

- be able to hear, identify, and work conceptually with the elements of music: rhythm, melody, harmony, and structure.
- demonstrate ability in areas of performance appropriate to his/her needs and interests, including historical and modern music.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

**General Education Requirements:** A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern, plus sufficient electives to meet a 60 unit total. See pages 47-57 or see a counselor for details.

**Recommended Electives:** ART 1 or 2A, CSIS 1 or 2, PSYC 1A, SPAN, THEA 1
Theatre and Television

A.A. Degrees
Acting Option
Technical Production Option
Television Performance Option*

Certificate of Achievement
Television Performance*

*This degree and certificate of achievement are pending Chancellor’s Office approval. Please see a Gavilan counselor or check the college website for current status. Refer to page 64..

The following three Theatre/Television Associate of Arts degrees require completion of the following

las@gavilan.edu
Acting Option  **A.A. Degree**

**CORE COURSES** (listed on page 146): ......................... 13-14 units

**ADDITIONAL REQUIREMENTS** (11 unit minimum):

- THEA 13 B-D Actor’s Workshop  ......................... 3-9 units

Choose additional units from the seven courses listed below:

- MUS 8A-D  Beginning/Intermediate Voice  (2-2-2-2 units)
- THEA 7   Theatre Appreciation  (3 units)
- THEA 11  Dance and Movement for the Theatre  (2 units)
- THEA 78  Dance Repertory  (.5-1 units)

Choose two of the following four courses:

- CMUN 2/THEA 4  Oral Reading  (3 units)
- THEA 2B  Children’s Theatre Repertory  (2-3 units*)
- THEA 12B  Acting Techniques  (2 units)
- THEA/MCTV 19  Television and Film Acting  (3 units)

......................... 1-7 units

Total Units Required: minimum of 23 UNITS

Plus completion of general education requirements: units vary

Total Units Required: minimum of 60 UNITS

* Pending Curriculum Committee approval THEA 2B will be a 3 unit class effective spring 2010.

General Education Requirements: A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern, plus sufficient electives to meet a 60 unit total. See pages 47-57 or see a counselor for details.

The Acting Option is designed to give a sound basic knowledge in acting and public performance. Students take a variety of courses including Theatre History (THEA1) and Stage Production (THEA 14). Gavilan offers a variety of performance-related courses including Acting (THEA 12 a/b), Children’s Theatre (THEA 2A/B) and Actor’s Workshop (THEA 13) – our spring production course. For those interested in educational theatre, the program also offers hands on experience through the spring Arts Back in the Classroom (ABC) Internship Program.

Acting students perfect teamwork skills and gain self confidence through projects and public performances. Acting and theatre shows one how to take risks, how to focus and concentrate, and the tremendous power of commitment to a project or a play. Studying acting allows one to change themselves, using their own personal experiences to create new characters and existences.

The Acting option prepares students for a career in the public eye, whether onstage, in front of a classroom or television camera, or making presentations for large groups or conventions. Students completing the Acting Option are also prepared to transfer to a four year B.A. program in Acting or Performing Arts. Gavilan theatre arts students have recently been accepted for transfer to San Jose State, Cal State Hayward, U.C. Davis and U.C. Berkeley.

Program Learning Outcomes: after completing this degree the student will be able to:

- describe significant movements or genres in theatre history, and to elaborate on their social and cultural significance.
- work effectively in a team, having developed collaboration and teamwork skills through class exercises, assignments and performances.
- articulate the differences in theatrical styles and modes of creation. Students participate in both the organic creative process (in which the students participate in the creation of the performance or play) and the more traditional approaches to theatre and performance using an established or already created text.
- discuss and critique theatrical performances, articulating the playwright’s view and director’s interpretation of the text. Students can evaluate the various technical elements of the production (costume, sets, lights & sound), to determine whether they support or detract from the production and text.
- demonstrate practical knowledge regarding the responsibilities of the different technical and creative jobs related to theatre and theatre production.
- master fundamental concepts and vocabulary relating to acting through class exercises and public performances.

**NOTE:** A course may be used to satisfy both general education and major courses. See “Double Counting Rule” on page 41.
The Technical Production Option **A.A. Degree**

**CORE COURSES** (listed on page 146): ........................................ 13-14 units

**ADDITIONAL REQUIREMENTS:**
THEA 15  Introduction to Design for Stage, Film and Television. .............. 3 units

Choose eight units from classes listed below:

- ART 2A  Two Dimensional Design/Form and Color  (2-3 units*)
- THEA 7  Theatre Appreciation  (3 units)
- ART 8A  Photography  (3 units)
- ART 10A/B  Cultural History of Ceramics/Ceramics  (3/3 units)
- ART 12A/B  Sculpture  (3/2 units)
- ART 13  Three Dimensional Design  (3 units)
- ART 14  Stage Production  (1-3 units)
- Any Music performance course or any Computer Graphics & Design course  (1-3 units)

.......................................................... 8 units

Choose one or more of the classes listed below:

- CMUN/THEA 2 Oral Reading  (3 units)
- THEA 2B  Children's Theatre Repertory  (2-3 units*)
- THEA 12B  Acting Techniques  (2 units)
- THEA 19  Television and Film Acting  (3 units)

.......................................................... 2-3 units

Total Units Required: minimum of 26 UNITS

Plus completion of general education requirements:. .................. units vary

Total Units Required: minimum of 60 UNITS

* Pending Curriculum Committee approval THEA 2A and THEA 2B will be 3 unit classes effective spring 2010.

The Technical Production Option is designed to provide a foundation for those interested in pursuing a career in Design and Technical careers in the entertainment industry, as well as those interested in becoming involved in creating live theatre in their community.

The degree offers practical courses in stagecraft (THEA 14), Introduction to design (THEA 15) as well as many opportunities for students to become involved in creative process of mounting live theatrical productions and events at Gavilan. Hands on experience in technical production is emphasized in the Gavilan Theatre Arts Program, including experience in stage management, lights, sound, costume & makeup, as well as scenic painting and construction.

Career opportunities for a graduate of the Technical Production Option include jobs at theatre facilities as well as convention and recreational centers. While most professional companies prefer further education (BAs or MAs), there are lucrative careers with the touring companies of live performances and musical events for specialists in technical theatre.

**Program Learning Outcomes:** Students completing this degree will:

- master vocabulary and a working knowledge regarding the different technical and creative jobs related to theatre and theatre production.
- develop creative proficiency in designing sets, costumes, lights or sound for Gavilan productions.
- work effectively in a team, having developed collaboration and teamwork skills through class exercises, assignments and performances.
- describe significant movements or genres in theatre history, and to elaborate on their social and cultural significance.
- discuss and critique theatrical performances, evaluating the various technical elements of the production (costume, sets, lights & sound), to determine whether they support or detract from the production and text.

**NOTE:** A course may be used to satisfy both general education and major courses. See "Double Counting Rule" on page 41.

**General Education Requirements:** A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern, plus sufficient electives to meet a 60 unit total. See pages 47-57 or see a counselor for details.
Television Performance Option*  

A.A. Degree

**CORE COURSES (listed on page 146):** 13-14 units

**ADDITIONAL REQUIREMENTS:**
- THEA/MCTV 16  Television History and Practice  3 units
- THEA/MCTV 17A  Television and Video Workshop  3 units
- THEA/MCTV 19  Television and Film Acting  3 units

Choose one or more:
- THEA/MCTV 17B  Television and Video Workshop  (3 units)
- THEA 20  Introduction to Scriptwriting  (3 units)
- HUM 25A  Film Production  (3 units)

Total Units Required:  25-32 UNITS

Plus completion of general education requirements:  units vary

Total Units Required:  minimum of 60 UNITS

* This degree is pending Chancellor's Office approval. Please see a Gavilan counselor or check the college website for current status.

---

The Gavilan Theatre and Television Program opens the doors for students to become producers, actors, writers, editors and directors for television/video/film production.

Students in the Gavilan Television program participate in learning experiences that teach skills in pre-production, production and post-production including: writing, acting, camera operation, editing, audio, directing in studio and field production scenarios for television production.

The projects created and produced by students are prepared for broadcast on GavTV-Cable Channel 18, the Gavilan Educational Channel, Blip.TV, You-tube and streaming on the Web. GavTV programming includes: music, theater, dance, arts, sports, news and special events. Original programs aired on the GavTV 18 are: News & Views Live!, Art is Essential, The Gavilan Hour, Gavilan Rams Football and Let's Ask Alice.

Academic pathways for an AA degree in Television Performance may lead to a Bachelor of Arts in Dramatic and Tele-dramatic Arts, in addition to degrees in Cinema and Film.

**Program Learning Outcomes:** After completing this degree/certificate a student will be able to:
- perform confidently and safely in set-up and operation of video and audio equipment in live or live to tape studio or field production.
- demonstrate knowledge and skills in digital editing for broadcast television.
- discuss and critique production values in film and television including: lighting, set design, make-up.
- demonstrate and apply best practices in working on a television/video production crew.
- describe and perform the knowledge, skills and abilities related to the production process including: pre-production, production and post-production.
- identify key movements in theatre history, and to elaborate on their social and cultural significance.
- develop teamwork skills through class exercises, assignments and performances

---

The following Certificate of Proficiency does not require the core courses:

**Television Performance Certificate of Achievement***

Total Units for Certificate of Achievement: 16-17 UNITS

* Pending Chancellor's Office approval, this certificate will show on students' transcripts as a certificate of achievement. Please check the Gavilan College website or consult a counselor to check current status.

Students completing the requirements will receive a Certificate of Proficiency if the Chancellor's Office does not approve as Certificate of Achievement.

---

**General Education Requirements:** A student may complete the Gavilan College AA/AS general education, the CSU-GE Breadth or the IGETC pattern, plus sufficient electives to meet a 60 unit total. See pages 47-57 or see a counselor for details.
Announcement of Course Offerings

Some of the courses listed in this catalog will not necessarily be offered during the course of an academic year. Additional courses may be added to the curriculum and scheduled when appropriate. An updated list of courses is available in the office of the Vice President of Instruction. Gavilan College reserves the right to discontinue, postpone, or reorganize courses when circumstances warrant such changes. Further, it reserves the right to cancel classes which do not reach a minimum enrollment.

Course Numbering System

A major mission of Gavilan College is assisting in the transfer function. As a result, Gavilan College belongs to a consortium of colleges developing a common set of course numbers known as California Articulation Numbering (CAN). CAN numbers, where available, are found above the course description under “transferable”. See page 58 for a complete list of CAN numbers.

Courses numbered from 1 to 99 are recommended for transfer to all campuses of the California State University and the University of California systems. Students transferring to a campus in the University of California system should review the course-by-course articulation agreement available in the office of the Vice President of Student Services or from all counselors.

Courses Numbered 22, 122, 23, 123, 98, 198

These courses are also called “Field Work and Service”, “Independent Studies”, “Special Topics”, etc.. Credit for variable topics courses is given only after a review of the scope and content of the course by the receiving institution. This usually occurs after transfer and may require recommendations from faculty.

1-99 Baccalaureate level courses which will receive transfer credit at most four-year colleges and universities.

100-199 Transferrable to four-year schools in certain areas. Students transferring to a university should study the catalog of the campus to which they wish to transfer. Students should consult with a counselor.

200-299 Associate degree applicable.

200-299 Non-transferrable credit courses.

300-399 Non-transferrable, not degree applicable courses that apply only to Occupational Certificates.

400-499 Developmental courses (30 unit limitation applies.)

500-599 Developmental credit courses for students with disabilities and/or other specific populations, not restricted by standard limits on repeatability.

600-699 Noncredit courses (including training and developmental courses for disabled students and/or other specific populations).

700-799 Noncredit courses for remedial, developmental, occupational and general education opportunities.
Special Courses

The following transferrable courses* are designed for individual study under faculty supervision. They may be offered in the class schedule under each discipline in the college curriculum that is transferrable to the baccalaureate level.

Interested students must have sufficient background in the discipline, from previously completed course work or equivalent experience, to enable them to meet their specific objectives in their individual contracts.

A specific contract for each course must be developed by the student, and approved by a faculty supervisor, department chair and appropriate dean. To register, the contract must be completed and filed with the Admissions and Records Office at the time of registration. Contract forms are available in the Admissions and Records Office.

These courses are also called “Independent Studies”, “Special Studies”, “Special Topics”, “Internships”, etc. Credit for variable topics courses is given only after a review of the scope and content of the course by the receiving institution. This usually occurs after transfer and may require recommendations from faculty.

NOTE: Transfer institutions (i.e., UC/CSU) reserve the right to deny credit for special courses. See a counselor for details.

**  These courses may transfer to UC or CSU. Check with a counselor.

COURSE NUMBER 22*, 122 - Field Work and Service (0.5 or 1 unit)

Supervised field work within the college and/or local agencies. Students serve in useful group activities in leadership roles prescribed for them by the faculty supervisor, and when appropriate, community agencies. A maximum of six units may be earned. These courses do not transfer to UC. They may transfer to CSU. Check with a counselor.

COURSE NUMBER 23*, 123* - Independent Study (1 or 2 units)

Designed to afford students specialized opportunities to continue study in a discipline at the independent study level. Working with faculty supervision, the studies may involve extensive library work, research, laboratory work or special projects. A maximum of six units may be earned. These courses are also called “Independent Studies”, “Special Studies”, “Special Topics”, “Internships”, etc. Credit for variable topics courses numbered 23 is given only after a review of the scope and content of the course by the enrolling UC campus. This usually occurs after transfer and may require recommendations from faculty. These courses have the option of a letter grade or pass/no pass.

COURSE NUMBER 98, 198** - Special Topics (.05 to 3 units)

Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. May be repeated for credit with different topics.

* These courses may transfer to UC or CSU. Check with a counselor.
Special Courses

The following transferrable courses* are designed for individual study under faculty supervision. They may be offered in the class schedule under each discipline in the college curriculum that is transferrable to the baccalaureate level.

Interested students must have sufficient background in the discipline, from previously completed course work or equivalent experience, to enable them to meet their specific objectives in their individual contracts.

A specific contract for each course must be developed by the student, and approved by a faculty supervisor, department chair and appropriate dean. COURSE NUMBER 22*, 122 - Field Work and Service (0.5 or 1 unit)

Supervised field work within the college and/or local agencies. Students serve in useful group activities in leadership roles prescribed for them by the faculty supervisor, and when appropriate, community agencies. A maximum of six units may be earned. These courses do not transfer to UC. They may transfer to CSU. Check with a counselor.

COURSE NUMBER 23*, 123* - Independent Study (1 or 2 units)

Designed to afford students specialized opportunities to continue study in a discipline at the independent study level. Working with faculty supervision, the courses may involve extensive library work, research, laboratory work or special projects. A maximum of six units may be earned.

These courses are also called “Independent Studies”, “Special Studies”, “Special Topics”, “Internships”, etc.. Credit for variable topics courses numbered 23 is given only after a review of the scope and content of the course by the enrolling UC campus. This usually occurs after transfer and may require recommendations from faculty. These courses have the option of a letter grade or pass/no pass.

COURSE NUMBER 98, 198** - Special Topics (.05 to 3 units)

Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. May be repeated for credit with different topics.

** These courses may transfer to UC or CSU. Check with a counselor.

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.

ACCOUNTING

ACCT 20  Financial Accounting
Units: 4.0  Hours: 4.0 Lecture
Transferable: CSU, UC; CAN:BUS2, BUS SEQ A

An introduction to accounting principles and concepts. The course includes the application of accounting theory to accumulate and summarize financial data. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250, English 260 and Mathematics 233. Microsoft Excel or other computer spreadsheet knowledge.

ACCT 21  Managerial Accounting
Units: 4.0  Hours: 4.0 Lecture
Transferable: CSU, UC; CAN:BUS4, BUS SEQ A

This course covers internal uses of accounting information for managerial decision making. Includes coverage of managerial control methods, cost accounting, cost-volume-profit relationships, variable costing, budgeting, and other related topics. This course has the option of a letter grade or pass/no pass. ADVISORY: Accounting 20. Microsoft Excel or other computer spreadsheet knowledge.

ACCT 101  Occupational Accounting
Units: 4.0  Hours: 3 lecture 3.0 Laboratory
Transferable: CSU

An introduction to accounting principles and procedures and their application to service businesses, including the basic accounting cycle, financial statements, adjustments, specialized journals and ledgers. Emphasis is placed on learning bookkeeping procedures for both manual and computer assisted accounting systems. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for Mathematics 205 or GBUS 102; eligible for English 250 and Mathematics 250.

ACCT 103  General Office Accounting
Units: 2.0  Hours: 1.5 lecture 1.5 Laboratory
Transferable: CSU

This course is designed to prepare students for entry-level office accounting positions. Emphasis is on practical accounting applications. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for Mathematics 205.

ACCT 105  Payroll Accounting
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU

This is an introductory course in payroll accounting. Topics include: payroll laws and regulations, computation of wages and salaries, Social Security taxes, income tax withholding, employer taxes, payroll tax filing and reporting, and other related topics. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for Mathematics 205.

ACCT 111  Introduction to Income Tax
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU

A study of theory, philosophy, and principles of income tax law and procedures for computing the tax liability. It includes practice in solving typical individual tax problems. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250, English 260 and Mathematics 205.
AJ 14    Criminal Law
Units: 3.0     Hours: 3.0 Lecture
Transferable: CSU, UC; CAN:AJ4
Historical development, philosophy of law and constitutional provisions; definitions, classifications of crime, and their applications to the system of administration of justice; legal research, review of case law, methodology, and concepts of law as a social force. Explores crimes against persons, property, and the state. ADVISORY: Eligible for English 250 and English 260.

AJ 16    Introduction to Evidence
Units: 3.0      Hours: 3.0 Lecture
Transferable: CSU; CAN:AJ6
Origin, development, philosophy and constitutional basis of evidence; constitutional and procedural considerations affecting arrest, search and seizure; kinds and degrees of evidence and rules governing admissibility; judicial decisions interpreting individual rights and case studies viewed from a conceptual level. ADVISORY: Eligible for English 250 and English 260.

AJ 18    Community and Human Relations
Units: 3.0      Hours: 3.0 Lecture
Transferable: CSU, UC
The relationship of criminal justice agents and the community; causal and symptomatic aspects of community understanding; lack of cooperation and mistrust; study of behavioral causes; ways to develop and maintain amicable relationships. ADVISORY: Eligible for English 250 and English 260.

AJ 19    Introduction to Investigation
Units: 3.0      Hours: 3.0 Lecture
Transferable: CSU
Fundamentals of investigation; techniques of crime scene search and recording; collection and preservation of physical evidence; modus operandi processes; sources of information; interview and interrogation, and follow-up investigation. ADVISORY: Eligible for English 250 and English 260.

AJ 20    Juvenile Law and Procedure
Units: 3.0      Hours: 3.0 Lecture
Transferable: CSU
Techniques of handling juvenile offenders and victims; prevention and repression of delinquency; diagnosis and referral; organization of community resources. Juvenile law and juvenile court procedure. ADVISORY: Eligible for English 250 and English 260.

AJ 21    Narcotics and Drug Abuse
Units: 3.0      Hours: 3.0 Lecture
Transferable: CSU
Designed to explore the Administration of Justice system and drug problems: drug identification, drug user recognition, drug effects, narcotic enforcement, drug prosecution, drug treatment, rehabilitation and education. ADVISORY: Eligible for English 250 and English 260.

AJ 24    Administration of Justice Interviewing & Report Writing
Units: 3.0      Hours: 3.0 Lecture
Transferable: CSU
General course using various methods to develop students' abilities in note taking, interviewing, information gathering, report writing mechanics and organization and critical evaluation. Students will interview individuals and will write and analyze police reports to meet the standards of the Criminal Justice System. ADVISORY: Eligible for English 250 and English 260.

AJ 32    Crime and Delinquency
Units: 3.0      Hours: 3.0 Lecture
Transferable: CSU
An introduction to major types of criminal behavior, characteristics of offenders, factors which contribute to crime and delinquency; the criminal justice process: the function of law enforcement, the courts, probation, parole and institutions; changes in crime control and treatment processes, the role of society. ADVISORY: Eligible for English 250 and English 260.
AJ 100A  Basic Police Academy  
Units: 22.5  
Hours: 25.7 lecture 13.3 Laboratory  
Transferable: CSU  
A Basic Police Academy consisting of 900 hours meeting the standards established by the Commission on Peace Officer Standards and Training (P.O.S.T.) for peace officer training. This Basic Police Academy is being requested by the Santa Clara County Sheriff's Office. REQUIRED: P.O.S.T. requirement.

AJ 105P  Standards and Training for Corrections  
Units: .5 OR 1.0  
Hours: 5.0 OR 10.0 Lecture, 15.0 OR 30.0 Laboratory  
Transferable: CSU  
This is a 32 to 40 hour variable unit course designed to meet advisory board, state standards, and agency education and training objectives. REQUIRED: Title 15, Division 1, Chapter 1, Subchapter 1, Sections 100 through 358 of the California Code of Regulations states in part: Agencies eligible for participation in STC include those of any county, city and county, or city defined as: county probation departments; county or city jails designated as Types I, II, III or IV by Title 15 CCR; or, juvenile institutions that operate as a separate entity or under jurisdiction of a county probation department, as described in Section 872 and 885 of the Welfare and Institutions Code. Staff deemed eligible for inclusion in the STC Program (those regulated by STC), are those that occupy regular budgeted positions in an agency.

AJ 129P  PC 832 Without Firearms  
Units: 1.0  
Hours: 10.0 lecture 30.0 Laboratory  
Transferable: CSU  
This class is designed for “defined” peace officers other than sworn law enforcement personnel. This course satisfies PC 832 requirements for entry level but does NOT include firearms. REQUIRED: Title 15, Division 1, Chapter 1, Subchapter 1, Sections 100 through 358 of the California Code of Regulations states in part: Agencies eligible for participation in STC include those of any county, city and county, or city defined as: county probation departments; county or city jails designated as Types I, II, III or IV by Title 15 CCR; or, juvenile institutions that operate as a separate entity or under jurisdiction of a county probation department, as described in Section 872 and 885 of the Welfare and Institutions Code. Staff deemed eligible for inclusion in the STC Program (those regulated by STC), are those that occupy regular budgeted positions in an agency. May be repeated once for credit.

AJ 172  Fundamentals of Interviewing and Counseling  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU  
A survey of the basic theories and techniques employed in interviewing and counseling by the correctional worker, traces the development of a meaningful relationship between client and caseworker, explores the various types of counseling employed with a correctional relationship, including group counseling. ADVISORY: Eligible for English 250 and English 260.

AJ 173  Fundamentals of Probation and Parole  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU  
Theory and techniques of probation/parole supervision, including historical development with emphasis on recent programs, research, and development in the field. ADVISORY: Eligible for English 250 and English 260.

AJ 176  Criminal Street Gangs  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU  
This course is designed to explore historical developments, origins, philosophy and current trends and activities in criminal street gangs within California; explore areas of violence, recruitment, drug use, graffiti and attire; emphasis placed on organization within gangs and racial backgrounds including types of solutions in the criminal justice system use to combat street gangs. ADVISORY: Eligible for English 250 and English 260.

AJ 179P  Juvenile Counselor Core  
Units: 4.0  
Hours: 30.0 lecture 14.0 Laboratory  
Transferable: CSU  
The Juvenile Counselor Core Course is designed to meet the California Board of Corrections requirements, entry level. Also listed as JLE 179.

AJ 190  Occupational Work Experience/Administration of Justice  
Units: 1.0 TO 4.0  
Hours: 5.0 TO 20.0 Laboratory  
Transferable: CSU  
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

AH 3  The Person in the Life Cycle  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE: E2; GAV-GE: E2, F  
Interaction of social, emotional, intellectual, and physical attributes related to the development and realization of human potential across the life span. PREREQUISITE: Eligible for English 250 and English 260.

AH 8  General Microbiology  
Units: 5.0  
Hours: 4.0 lecture 3.0 Laboratory  
Transferable: CSU, UC; CSU-GE: B2, B3; IGETC: 5B; GAV-GE: B2, B3; CAN: BIO:14  
An introduction to microbiology with an emphasis on bacteriology. Includes the study of morphology and physiology of microorganisms, a survey of infectious diseases, immunology and techniques for culture and control of microorganisms. This course is also listed as BIO 8. PREREQUISITE: Biological Science 10 or 15 with a grade of credit or C or better. ADVISORY: Chemistry 30A; eligible for English 250, English 260 and Mathematics 205.
AH 9  Human Physiology
Units: 5.0  Hours: 4.0 lecture 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:B2, B3, IGETC:SB; GAV-GE:B2, B3; CAN:BI012
A study of the functions of the major organs and organ systems of the human body, emphasizing control at the cellular level, integration of systems and homeostasis of the human body. This course is also listed as BIO 9. PREREQUISITE: Biological Science 7 or 15 with a grade of credit or C or better or equivalent. ADVISORY: Chemistry 30A; eligible for English 250 and English 260 and Mathematics 205.

AH 11  Nutrition
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:E2; GAV-GE:E2, F; CAN:FCS2
This course is designed to meet the needs of the Allied Health student and the general education student alike. The major aim of this course is to help the student acquire relevant information about nutrition which they can use professionally and/or personally. The course will cover the practical aspects of normal nutrition, ways to promote sound eating habits throughout the life cycle, and physiological contribution nutrients make to body structure and function. This course is also listed as BIO 11. PREREQUISITE: Eligible for English 250 and English 260. ADVISORY: Chemistry 30A and Mathematics 205.

AH 15  Survey of Human Anatomy and Physiology
Units: 5.0  Hours: 4 lecture 3.0 Laboratory
An introductory study of the structure and function of the human body. Includes study at the cellular and organ system levels, emphasizing integration of systems. Note that a cadaver will be observed in this course. This course is also listed as BIO 15. ADVISORY: Eligible for English 250, English 260, Biological Science 10 and Mathematics 205. Course will include viewing of a cadaver.

AH 16  Intravenous Therapy/Blood Withdrawal
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
Theoretical applications and clinical experience to safely administer intravenous therapy. Principles and practices in intravenous therapy. (Approved by the Board of Vocational Nursing for certification in IV Therapy and Blood Withdrawal.) Approved for 36 hours of continuing education credit. (BRN #00892) PREREQUISITE: Successful completion of Allied Health 64, Allied Health 44, (with a grade of C or better) or equivalent. $150.00 course materials fee, payable at registration.

AH 30  Standard First Aid and Cardiopulmonary Resuscitation
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU, UC; GAV-GE:E2
First aid training to prepare people to meet the needs of emergencies when medical assistance is delayed. Incorporates the techniques of cardiopulmonary resuscitation. Includes information on the care of wounds, fractures, burns, poisoning, shock, as well as elementary rescue transportation. A satisfactory grade qualifies the student for a Red Cross Standard First Aid card and the Red Cross CPR card. May be repeated three times for credit.

AH 32  Basic Cardiac Life Support
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Course designed to teach students skills in adult, child and infant cardiopulmonary resuscitation. Specifically designed for health professionals. Successful completion will result in certification by the American Heart Association or American Red Cross. This is a pass/no pass course. May be repeated up to three times for credit. $12.00 course material fee. Additional $5.00 due upon completion for certification card.

AH 51  Medical-Surgical Nursing
Units: 11.0  Hours: 6.0 lecture 15.0 Laboratory
Transferable: CSU
Course is designed to provide a basic introduction to patient care within the role of the nurse. Emphasizes principles and skills necessary for safe, effective care. Content includes introduction to health care, effective communication, client rights and needs, asepsis, personal care, safety, and gerontology. Related pharmacology is included. $100 course material fee, payable at registration. PREREQUISITE: Admission to the nursing program.

AH 52  Medical-Surgical Nursing
Units: 11.0  Hours: 6.0 lecture 15.0 Laboratory
Transferable: CSU
Course is designed to provide both theoretical and clinical experience in the care of adult, medical-surgical clients. This course will further refine basic nursing skills and introduce more complicated nursing situations. Content includes pre-operative and post-operative care of the client with pain, cancer, and care of the client with disorders of musculoskeletal, integument, gastrointestinal, and respiratory systems. Related pharmacology is included. $100 course material fee, payable at registration. PREREQUISITE: Completion of AH 51.

AH 53  Medical-Surgical - Maternal-Neonatal Nursing
Units: 11.0  Hours: 6.0 lecture 15.0 Laboratory
Transferable: CSU
Course contains two components to provide theoretical and clinical experience in medical-surgical and maternal-neonatal nursing. Content includes care of clients with disorders of the circulatory, urinary and reproductive systems, normal pregnancy and birth, common or major complications, care of the normal newborn, and neonate with special problems. Related pharmacology is included. $100 course material fee, payable at registration. PREREQUISITE: Completion of AH 51 and AH 52.

AH 54  Medical-Surgical/Pediatric Nursing
Units: 11.0  Hours: 6.0 lecture 15.0 Laboratory
Transferable: CSU
Course contains two components to provide theoretical and clinical experience in medical surgical and pediatric nursing. Content includes care of clients with disorders of the endocrine and neurosensory systems, mental health, emergency nursing and care of the child, including preventative measures and health teaching. A leadership component is included to prepare the student for the realistic work assignment of the nurse. $100 course material fee, payable at registration. PREREQUISITE: Completion of AH 51, 52 and 53.

AH 55  Interactive and Mental Health Nursing
Units: 10.0  Hours: 5.5 lecture 13.5 Laboratory
Transferable: CSU
The dynamics of leadership and management in nursing, including concepts of basic mental health. Progresses from basic mental health knowledge and skills to the refinements involved in psychiatric nursing practice as it relates to all age groups. Incorporates nursing concepts and nursing experiences relative to human sexuality, child abuse and cultural and ethnic diversity. $100 course material fee, payable at registration. PREREQUISITE: Admission to advanced standing / RN program and California IV Certification and successful completion of AH 51, 52, 53 and 54 or equivalent.

AH 56  Compensatory Nursing Practice
Units: 10.0  Hours: 5.5 lecture 13.5 Laboratory
Transferable: CSU
Concepts and principles of the nursing process applied to preventative, remedial, supportive, rehabilitative, and teaching aspects in meeting the health needs of the patient requiring compensatory nursing interventions. Incorporates nursing concepts and experiences with all age groups, including senior adults. $100 course material fee, payable at registration. PREREQUISITE: Successful completion of AH 55 and an active valid, unrestricted California LVN.
AH 130  Internet and Consumer Health
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
This course is designed to give the lay person the ability to find and evaluate information from medical literature from the perspective of the client. We will examine websites from the Internet verifying currency and reliability, as well as professional journal literature and reference sources. This course is also listed as LIB 130.

AH 140  Online Health Research
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
A beginning course on how to find reliable, current health-related information, using the Internet and other electronic resources. This course is also listed as LIB 140.

AH 141  Advanced Search Techniques for Health Care Professionals
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Course is designed for health care professionals and includes an in-depth examination of the Medline database and other online medical sources and examination of related controversies and ethical issues. This course is also listed as LIB 141. ADVISORY: LIB/AH 140, LIB/AH 130, or basic Internet search skills.

AH 170  Basic Clinical Medical Assisting
Units: 6.0  Hours: 4.0 lecture 6.0 Laboratory
Transferable: CSU
Course provides a basic introduction to clinical medical assisting. Emphasizes principles, understanding of skills necessary to perform basic clinical medical assisting procedures safely and effectively. PREREQUISITE: Eligible for English 250, English 260 and Mathematics 205.

AH 171  Advanced Clinical Medical Assisting
Units: 6.0  Hours: 4.0 lecture 6.0 Laboratory
Transferable: CSU
Course provides instruction and clinical experience in advanced concepts of clinical medical assisting including specialty procedures and treatments. PREREQUISITE: AH 170 with a grade of C or better or equivalent. Equivalency determined by written and performance exams.

AH 180  Fundamentals of Nursing--Convalescent
Units: 8.0  Hours: 6.0 lecture 7.0 Laboratory
Transferable: CSU
A course to provide a basic introduction to patient care in the convalescent setting. Emphasizes principles, understanding of skills necessary to perform basic nursing procedures safely and effectively. Includes introduction to health care, planning, safety, infection control, personal care, basic procedures, rehabilitation, nutrition and clients’ rights and needs. At the completion of this course students will qualify for state certification as a nursing assistant. PREREQUISITE: Eligible for English 250 and English 260. Clearance from the Department of Health Services (Form HS283), fingerprint and health clearance required prior to clinical placement. Clinical in Morgan Hill or Hollister, as assigned.

AH 182  Home Health Care
Units: 2.0  Hours: 1.5 lecture 1.5 Laboratory
Transferable: CSU
Course is designed to prepare students to provide basic health care in the home. Includes interpretation of medical/social needs, personal care services, cleaning tasks, nutrition, and the scope of limitations of a home health aide. All students who achieve a grade of “C” or better will be eligible for a Home Health Aide certificate from the State of California. PREREQUISITE: California CNA certification or concurrent enrollment in AH 180 or equivalent. Equivalency determined by written and performance exams. Also, eligible for English 250 and English 260. Clearance from the Department of Health Services (Form HS283), fingerprint and health clearance required prior to clinical placement.
ART 1A  Art History
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, IGETC:3A; GAV-GE:C1; CAN:ART2, ART SEQ A
A critical survey of the influences and development of painting, architecture, sculpture, and minor arts from pre-history to the Byzantine/Romanesque eras, including the art of primitive people. ADVISORY: Eligible for English 250 and English 260.

ART 1B  Art History
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, IGETC:3A; GAV-GE:C1; CAN:ART4, ART SEQ A
The history of western painting, sculpture, architecture and minor arts from the Romanesque, the Gothic and Renaissance eras to the present. ADVISORY: Eligible for English 250 and English 260.

ART 2A  Two-Dimensional Design
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; CSU-GE:C1, GAV-GE:C1; CAN:ART14
An introduction to the basic elements and principles of two-dimensional design. Lettering and graphics applications of design are included. Traditional and experimental materials and techniques are applied to a variety of individual projects and exercises.

ART 3A  Drawing and Composition
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; CSU-GE:C1; GAV-GE:C1; CAN:ART8
A course that can teach you how to draw. Students learn basic drawing skills through the exploration of a variety of drawing materials such as pencil, inks, charcoal and pastels; processes include doodling, gesture and schematic drawing.

ART 3B  Drawing and Composition
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Drawing in pencil, ink, pastel and variety of experimental materials and processes. Cultural awareness and historical foundations are integrated with classroom explorations of expressive drawing. Students develop a variety of drawing approaches and a greater understanding of personal expression. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 2A or 3A.

ANTH 5  Magic/Witchcraft and Religion
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D1, IGETC:4A; GAV-GE:D2
Explores and analyzes, from a cross-cultural and comparative perspective, religious traditions in diverse cultural contexts with particular focus on the effects of globalization on religious beliefs and practices. Cross-cultural analysis of the concepts of magic, witchcraft, and religion. Examination of connections among the concepts of race, nation, and religion. Exploration of the above through ethnographic readings, class discussions, films, short papers, and a final research paper based on original fieldwork in a local religious or spiritual community. ADVISORY: English 250 and English 260.

ANTH 8  Introduction To New World Archaeology
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D1; IGETC:4A; GAV-GE:D2
The primary focus of this course is the study of cultural development in the New World, as reflected in archaeological sites and data. Materials will be examined from sites which are characteristic of different stages in prehistory: from the first people in the New World and hunter-gatherer societies to the origins of agriculture and the Inca and Aztec civilizations. A secondary focus of the course will be the study of historical anthropology, archaeological data collection and analysis, cultural reconstruction. ADVISORY: Eligible for English 250 and English 260.

ANTH 9  Cultural Context of Child and Family in a Diverse Society
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D7; GAV-GE:D2, F
Examines cultural influences on child-rearing practices, family values, and human development. Perspectives from social sciences are used to critique and review theoretical and practical implications of oppression and privilege as they apply to families, schools, and communities, including historical and socio-cultural factors. The processes of socialization and identity development, and the importance of respectful, reciprocal relationships that support and empower families. Self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. Also listed as CD 7 and PSYC 7. ADVISORY: Eligible for English 250 and English 260.

ANTH 10  Native American Culture
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D1, IGETC:4A; GAV-GE:D2, F
Introduction and anthropological survey of Native Peoples and cultures of North America, including American Indians, Aleuts and Eskimos, and emphasizing the range of variation in Native American cultures before Euro-American contact, and since. Includes prehistory, contact history, religion and healing practices, myth, folklore, ecology, subsistence, political organization, gender roles of many regional native American groups. Examines the origins of present day conditions of native communities, and contemporary issues of Native Americans. Cross cultural, holistic perspectives of anthropology. This course has the option of a letter grade or pass/no pass.

ART 10A  Cultural History of Ceramics
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; CSU-GE:C1; GAV-GE:C1; CAN:ART6
An introduction to the historical developments and cultural influences of ceramic art. Development of a personal expression is realized through the combination of historical elements, observation and actual creations in clay.

ART 10B  Ceramics
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Emphasis on development of wheel throwing and advanced ceramic techniques. Glaze testing, clay body development, kiln stacking and firing are introduced. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 10A
ART 11  Creativity/Imagination and Innovation
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; GAV-GE:C1
This course is designed to explore the variety of ways in which humans demonstrate their creative, imaginative and innovative abilities. This course will examine the creative process, visual literacy, the development of creative and imaginative performance and theories pertaining to insight, inspiration, intuition, originality and genius. This class draws on materials from a variety of sources including, biographies, intellectual histories, psychological studies, and educational research. Studies will include ideas and beliefs about creativity from a diverse range of disciplines and cultures. Students will be encouraged to explore and express their own creativity. ADVISORY: English 250 and English 260.

ART 12A  Sculpture
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
An introduction to expressive and technical sculptural processes of selected media such as clay, plaster and wood. May be repeated twice for credit. This course has the option of a letter grade or pass/no pass.

ART 12B  Sculpture
Units: 2.0  Hours: 1.0 lecture 3.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Continued sculptural development of form and technique using a variety of selected media such as welded and cast metal, ceramics and wood. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 12A

ART 13  Three-Dimensional Design
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
A fundamental course focused on the technical and historical aspects of three dimensional design and sculpture. Development of personal artistic expression and visual perception through the use of various sculpting media such as plaster, paper, wood, clay, metal, etc. Introduction to the design elements and principles as they relate to space and form in visual art and design will be studied. ADVISORY: English 250 and English 260.

ART 14  Beginning Mural Painting
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Studio practice in the design, methods and materials of mural painting through the production of individual and collaborative murals. The course will also provide a historical survey of mural painting, from pre-historic cave painting to contemporary urban murals, with particular focus on the muralists of Mexico. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

ART 15A  Beginning Painting: Form and Composition
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
This is an introductory painting course. Students will study traditional, contemporary and experimental painting techniques using acrylics and/or oils as the primary media. Emphasis will be placed on foundational concepts and approaches including color, form and composition. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 2A or Art 3A, or portfolio review of student’s work.

ART 15B  Beginning Painting: Imagination and Expression
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
This is an introductory painting course. Students will study traditional, contemporary and experimental painting techniques and media. Social, cultural and historical awareness are integrated with classroom explorations of expressive painting. Students develop a variety of painting approaches and a greater understanding of personal expression. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 2A or Art 3A or Portfolio Review

ART 16A  Watercolor Painting: Form and Composition
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
This is an introductory painting course using watercolor and aqueous media. The student will study traditional and contemporary painting techniques. Emphasis will be placed on the development of composition and form. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 2A or Art 3A, or portfolio review of student’s work.

ART 16B  Watercolor Painting: Imagination and Expression
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
This is an introductory watercolor painting course. Students will study traditional, contemporary and experimental watercolor painting techniques and media. Social, cultural and historical awareness are integrated with classroom explorations of expressive painting. Students develop a variety of watercolor painting approaches and a greater understanding of personal expression. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 2A or Art 3A or Portfolio Review

ART 21  Ancient Americas: A History through Art
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, C2, IGETC:3A; GAV-GE:C2, F
A critical survey of history through the arts of pre-Columbian natives of North, Central and South America. The course will cover major societies and events from the appearance of major civilizations through the initial colonization efforts of European nations. Due to the distinct history of the Americas, this course uses the arts - architecture, sculpture, ceramics and painting, among others - of ancient societies as a primary source material. This course has the option of a letter grade or pass/no pass. This course is also listed as HIST 21. ADVISORY: Eligible for English 250.

ART 25A  Art Methods
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Art methods and learning theory for those planning to work with preschool, elementary and secondary school students. Includes art therapy as well as gifted and special learner projects. Two dimensional work in printing, drawing, collage. Also listed as CD 25A.

ART 25B  Art Methods
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Art methods, creativity and learning theory for those planning to work with preschool, elementary, and secondary school students. Includes art therapy as well as gifted and special learner projects. Three dimensional work in sculpture, bas relief, mobiles, paper mache’, plaster, and various 3-D materials. Also listed as CD 25B.

ART 34A  Life Drawing
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1; CAN:ART24
Fundamentals of anatomy and representation of the human figure. Drawing from life. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 3A or review of student’s portfolio.

ART 34B  Life Drawing
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Further studies of the fundamentals of anatomy and representation of the human figure. Emphasis is placed on personal expression; abstract and experimental processes. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Art 34A or review of student’s portfolio.
ART 40  Art Gallery Assistance  
Units: 1.0  Hours: 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Individualized course in art gallery exhibition techniques and procedures. Students assist in design, installation, publicity, cataloguing and removal of exhibitions in the college gallery. May be taken until 4 units are accrued.

ART 48A  Computer Art I  
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
A survey course focused on digital art and the technical and historical aspects of digital imaging. Students will engage in the development of personal artistic expression and visual perception in the creation of a unified body of digitally generated artwork utilizing creative digital image processing software. The course will include lectures and discussions on composition and content, computer hardware and peripheral use, digital image processing software, digital materials, input and output devices, and presentation techniques. Lectures will include advanced animation, 3-D graphics, and web ready graphics. Also listed as Digital Media 48A. ADVISORY: Eligible for English 250 and English 260; concurrent enrollment in CSIS 1 recommended.

ART 48B  Computer Art II  
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Advanced digital art and the technical and historical aspects of advanced digital imaging. Students will engage in the development of personal artistic expression and visual perception in the creation of a unified body of digitally generated artwork utilizing creative digital image processing software. The course will include lectures and discussions on composition and content, computer hardware and peripheral use, digital image processing software, digital materials, input and output devices, and presentation techniques. Lectures will include advanced animation, 3-D graphics, and web ready graphics. Also Listed as Digital Media 48B. ADVISORY: Art 48A

ART 74  Advanced Photoshop  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU; GAV-GE:C1  
This course is for the Photoshop-experienced student and explores Photoshop’s advanced features in depth. Students work on projects, which challenge their creativity and technical ability, and will be encouraged to develop complex projects for the web and for the printed page. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as CSIS 74 and DM 74. ADVISORY: CSIS 75 Photoshop I

ART 75  Photoshop I  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
This course is based on the software Adobe Photoshop. Students learn to scan photographs and manipulate them using Photoshop tool box and special effects filters. They will learn to color correct photos; mask image using channels; create duotone, tritone, and quaditone images; prepare photos for use in printing and on the web. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 124 (Windows Fundamentals), CSIS 2L

ART 76  Digital Illustration  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Illustration techniques using computer Bezier curve-based illustration software tools to do diagrams and graphics for use in art, desktop publishing, web graphics, multimedia, and computer presentations. This basic Illustrator course is focused on the technical and historical aspects of digital design and illustration as well as the development of personal artistic expression and visual perception through the use of the digital illustration medium. The course will include lectures and discussions about color, composition and content, computer and illustration program use, printing and presentation techniques. This course has the option of a letter grade or pass/no pass. This course is also listed as CSIS 76 and DM 76. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

ART 77  Introduction to Digital Media  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; UC; GAV-GE:C1  
An introduction to the field of digital media, including history, social impact, concepts, career options and industry trends. Applying learned visual and aural design principles, students will explore the use of computer-based tools in the design and production of digital media by creating and editing digital images, sounds, video, animation and text. A comprehensive term project for publication on the web or CD ROM will be required. This course is also listed as CSIS 77 and DM 77. This course has the option of a letter grade or pass/no pass. May be repeated twice for credit. ADVISORY: CSIS 124, CSIS 1, CSIS 2.2L, CSIS 3, or familiarity using the Macintosh or Windows operating systems.

ART 79  Portfolio Development  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU; GAV-GE:C1  
The planning and production of personal portfolios and self-promotion materials, including online, print, slides, and e-media (CD ROM, DVD) portfolios; cover letters; and resumes. Focuses on self-promotion for jobs, self-employment, or advanced education in the fields of Digital Media, Art, and Computer Graphic Design. Students will leave the class with one or more portfolios representing their work. This course has the option of a letter grade or pass/no pass. This course is also listed as CSIS 79 and DM 79.

ART 80  Digital Photography  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; UC; GAV-GE:C1  
The study of digital photography from digital camera to the computer-based printer or digital media. Artistic, theoretical, and technical aspects will be considered. Topics include information about types and purchasing of digital cameras; theory, mechanics, and art of digital imagery; digital darkroom; eccentricities of digital photo taking; stitching photos for virtual reality; and preparing digital images for print, World Wide Web and other digital media. This course has the option of a letter grade or pass/no pass. This course is also listed as DM 80 and CSIS 80. ADVISORY: CSIS 1 or CSIS 2.2L or ART 8A or equivalent computer experience.

ART 85  Web Design I: Dreamweaver  
Units: 2.0  Hours: 2.0 Lecture  
Transferable: CSU; GAV-GE:C1  
Basic and intermediate principles of designing Web pages/sites using the Dreamweaver web design software and HTML. Emphasis will be on good design and the use of tables, frames, forms, rollovers, DHTML, XHTML, behaviors, and CSS. Also includes site maintenance and the integration of multimedia components such as graphics, sound, animation, and video. This course is for the content person to design, develop, and maintain effective Web sites. This course is also listed as CSIS 85 and DM 85. This course has the option of a letter grade or pass/no pass. May be repeated twice for credit. ADVISORY: CSIS 6 or basic knowledge of HTML.

ART 98  Special Topics  
Units: .5 TO 3.0  Hours: .5 TO 3.0 Lecture  
Transferable: CSU; GAV-GE:C1  
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topic content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. This course may have the option of a letter grade or pass/no pass.

ART 107  Digital Media Design  
Units: 2.0  Hours: 1.5 lecture 1.5 Laboratory  
Transferable: CSU; GAV-GE:C1  
Fundamentals of design for visual, time-based, interactive, and sound arts as applied to digital media. Includes basic storytelling, graphic design, information architecture, and human factors. Page layout, scriptwriting, storyboards, and flow charts will be used as tools applicable to the design and development of business presentations, interactive media, educational multimedia, animation, web sites, video games, and film/video. This course has the option of a letter grade or pass/no pass. Also listed as CSIS 107 and DM 107. ADVISORY: CSIS 1 or CSIS 2.2L or equivalent computer experience.
ART 108  Digital Media Lab  
Units: 5 TO 3.0  Hours: 1.5 TO 9.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Supervised practice and individualized computer assisted learning of software applications and techniques commonly found in the design and production of digital media (e.g., digital art and imaging, digital photography, digital print, digital audio/video, web design/authoring, DVD/CD ROMs, animation). Supplements lecture courses. Open entry/exit, so may be added at anytime during the semester. This is a pass/no pass course. May be repeated three times for credit. Also listed as DM 108 and CSIS 108. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

ART 110  Interactive Animation: Flash  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
The production of vector graphics, animation, and interactive multimedia in Shockwave-Flash format for web pages and other digital media. Design of highly interactive web site interfaces and animated games using Flash actions (scripting). Useful for web designers/developers, animators, and multimedia authors. This course has the option of a letter grade or pass/no pass. Also listed as CSIS 110 and DM 110. May be repeated three times for credit. ADVISORY: CSIS 1, CSIS 2/2L, CSIS 124 or basic computer knowledge.

ART 113  Introduction to Digital Video  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Introduction to the aesthetic and technical aspects of digital video recording, non-linear editing, special effect generation, and production of video (and associated audio) using the personal computer equipped with specialized software such as iMovie, Final Cut Pro, and After Effects. Also considered will be the preparation of digital video for use in interactive media such as CD, DVD, and the World Wide Web. Students will produce a final digital video project on DVD. This course has the option of a letter grade or pass/no pass. May be repeated twice for credit. Also listed as CSIS 113 and DM 113. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

ART 114  Digital Media Production  
Units: 2.0  Hours: 2.0 Lecture  
Transferable: CSU; GAV-GE:C1  
A team oriented practicum that focuses on the application of learned skills to the production of digital media and digital print projects, such as web sites, CD ROM, and DVDs. Project development will be accomplished according to team derived master schedules. Lectures will be on project management, work coordination and production techniques, client-team interface, asset management and integration, budget estimate, testing, and copyright infringement. Please note that this is very much a team oriented class. This course has the option of a letter grade or pass/no pass. This course is also listed as CSIS 114 and DM 114. ADVISORY: At least one of the following: ART 75, GBUS 80, CGD 2, JOUR 18A, MUS 21, CSIS 7, CSIS 71 OR CSIS 77, or students must possess equivalent skills from any one of the following areas: digital media, computer graphics, digital print, journalism (publishing), film, TV/video, drawing or illustration, web design/development, business/marketing, or programming.

ART 116  DVD Authoring  
Units: 2.0  Hours: 1.5 lecture 1.5 Laboratory  
Transferable: CSU; GAV-GE:C1  
Study of the artistic and technical aspects of authoring interactive DVDs (Digital Video/Versatile Disk). Special attention will be given to interactive design and the integration and conversion (encoding) of time-based media (e.g., multi-angle video, animation, Dolby sound) special to this media format. Students will be able to produce their own DVD of video, slide shows, and/or interactive games. This course has the option of a letter grade or pass/no pass. May be repeated two times for credit. Also listed as CSIS 116 and DM 116. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

ART 117  Visual Effects-Motion Graphics  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Study of the design of visual effects and motion graphics used in digital video, film, web, multimedia, and interactive games. Includes video/graphics compositing techniques, 2D animation, basic 3D animation, and effects commonly done in digital post-production. Software such as Adobe After Effects and Apple’s Motion and Shake will be used. May be repeated 3 times for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as CSIS 117 and DM 117. ADVISORY: DM/ART/CSIS 113 or DM/ART/CSIS 140 or DM/ART/CSIS 77 or THEA 17A or basic knowledge of digital video/film editing.

ART 140  Basic Digital Film/Video Production  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU, UC; GAV-GE:C1  
An on-line self-paced course covering the basics of film/video production and post production (editing) using “easy to use” computer software such as Apple’s iMovie. Beneficial for students who are producing a video/film project as a requirement for another college course, extra skills development, or for self interest. Completion of the associated class or personal project in DVD format using either personal video equipment or the equipment in the Digital Media Studio is required. May be repeated twice for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as DM 140 and CSIS 140.

ASTRONOMY  

ASTR 1  Introduction to General Astronomy  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE-B1, IGETC-5A; GAV-GE:B1  
An introduction to the realm of astronomy and space science. Topics to be covered include the historical development of astronomy, the physics of gravitation and radiation, the solar system, stellar astronomy, galactic and extragalactic astronomy, and cosmology. ADVISORY: Mathematics 205 and eligible for English 250 and English 260.

ATHLETICS: see Physical Education (PE)

AVIATION FLIGHT TECHNOLOGY  

AFT 121  Aviation Fundamentals  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Principles of aerodynamics and flight, radio communications, aircraft engines and systems and aircraft performance characteristics including federal aviation regulations and air navigation. Students who satisfactorily complete the course will be eligible to take the Federal Aviation Administration Private Pilot Airplane written test. ADVISORY: Eligible for English 250, English 260 and Mathematics 205.
### COURSE OFFERINGS

#### AVIATION MAINTENANCE TECHNOLOGY

**AMT 100 General Aircraft Technology**  
Units: 7.5  
Hours: 5.0 lecture  7.5 Laboratory  
Transferrable: CSU  
This course will provide the student with a thorough understanding of the use of basic hand tools and measuring devices, aircraft hardware, materials, and processes, mathematics and physical science for aircraft, aircraft weight and balance, aircraft drawing and blueprint reading. Both theory and practical application to aircraft systems is taught. ADVISORY: Mathematics 205 Meets at Gavilan College Aviation Department, 490 Skylane Drive, Hollister Airport, Hollister. Basic hand tools required. Details at the first class meeting.

**AMT 101 General Aircraft Technology**  
Units: 7.5  
Hours: 5.0 lecture  7.5 Laboratory  
Transferrable: CSU  
This course will provide the student with a thorough understanding of the use of maintenance publications, maintenance forms and records with emphasis on A & P mechanic privileges and limitations. Basic electricity for aircraft from Ohm’s Law through transistor theory will be taught as well as ground operation and servicing of aircraft. ADVISORY: Mathematics 205 Meets at Gavilan College Aviation Department, 490 Skylane Drive, Hollister Airport, Hollister. Basic hand tools required. Details at the first class meeting.

**AMT 110 Airframe Maintenance Technology**  
Units: 13.5  
Hours: 9.0 lecture  13.5 Laboratory  
Transferrable: CSU  
Study of aircraft aerodynamics, rigging and assembly, aircraft sheet metal structures and welding technology. Also the study of cabin atmosphere systems, fuel systems, and line maintenance, level information on aircraft instruments. Each of these areas will be accompanied with appropriate laboratory time. Meets at Gavilan College Aviation Department, 490 Skylane Drive, Hollister Airport, Hollister. Basic hand tools required. Details at the first class meeting.

**AMT 111 Airframe Structures**  
Units: 13.5  
Hours: 9.0 lecture  13.5 Laboratory  
Transferrable: CSU  
Aircraft wood, fiberglass construction, fabric covering, testing and repair, aircraft inspection, painting techniques and procedures. Also the study of basic hydraulic systems of anti-skid systems, pneumatic, fixed landing and retractable landing gear systems. Basic aircraft systems familiarization along with advanced laboratory projects from topics covered in AMT 110 are a part of this course. Meets at Gavilan College Aviation Department, 490 Skylane Drive, Hollister Airport, Hollister. Basic hand tools required. Details at the first class meeting.

**AMT 120 Aviation Powerplant Technology**  
Units: 14.0  
Hours: 9.0 lecture  15.0 Laboratory  
Transferrable: CSU  
The theory of operation, maintenance, repair, and trouble-shooting procedures of powerplant systems and their relationship to the total powerplant package. To include lubrication, electrical, instrument, fuel metering, fire protection, starting, control systems, and the aerodynamics, theory and maintenance of propellers and their control systems. ADVISORY: Successful completion of AMT 120. Meets at Gavilan College Aviation Department, 490 Skylane Drive, Hollister Airport, Hollister. Basic hand tools required. Details at the first class meeting.

**AMT 121 Aviation Powerplant Systems Technology**  
Units: 14.0  
Hours: 9.0 lecture  15.0 Laboratory  
Transferrable: CSU  
This course is part of the curriculum required by the Federal Aviation Administration to obtain certification as an aircraft powerplant maintenance technician. This certificate allows the rated technician to perform maintenance, preventive maintenance repairs and alterations to USA FAA certificated aircraft powerplants. This Section covers the theory and practical application of operation, overhaul practices, inspection, installation, testing and troubleshooting techniques covering the subject areas of reciprocating and turbine engines, ignition, induction, supercharging, cooling and exhaust systems. ADVISORY: Successful completion of AMT 101 and AMT 111. Basic hand tools required. Details at the first class meeting.

**AMT 132 Private Pilot Flight Technology**  
Units: 13.5  
Hours: 9.0 lecture  13.5 Laboratory  
Transferrable: CSU  
Flight instrument usage, regulations, meteorology, chart reading and flight planning to prepare the student to begin flight training in flight solely by reference to flight instruments. ADVISORY: AFT 121 or 131, or have passed the FAA Private Pilot written exam.

**AMT 133 Commercial Flight Operations**  
Units: 3.0  
Hours: 3.0 Lecture  
Transferrable: CSU  
Air traffic control procedures, meteorology, regulations, aircraft performance, and aerodynamics for students preparing for their Federal Aviation Administration (FAA) commercial pilot’s license. ADVISORY: Hold private pilot certificate or AFT 121 with a grade of “C” or better. Eligible for English 250 and 260.

**AMT 134 Aviation Flight Technology**  
Units: 3.0  
Hours: 3.0 Lecture  
Transferrable: CSU  
This course includes all aerodynamics, navigation, regulations, airport and airspace requirements, meteorology, and emergency procedures necessary to qualify for a private pilot certificate. ADVISORY: Completion of English 250 and English 260.

### BIOLOGICAL SCIENCE

**BIO 1 General Biology**  
Units: 4.0  
Hours: 3.0 lecture  3.0 Laboratory  
Transferrable: CSU, UC; CSU-GE:B2, B3, IGETC:5B; GAV-GE:B2, B3; CAN:BIOL2, BIOL SEQ A  
A general biology course with an emphasis on the structure and function of cells, cell respiration, photosynthesis, cell cycle, Mendelian and non-classical genetics, evolution and diversity of life. The course is required for students majoring in biology and/or its subcategories (e.g., plant or animal sciences). PREREQUISITE: Biological Science 10 with a grade of ‘C’ or better and Mathematics 233 with a grade of ‘C’ or better. ADVISORY: Chemistry 30A; eligible for English 250 and English 260.

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
BIO 4  General Zoology  
Units: 4.0  Hours: 3.0 Lecture  3.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3; CAN:BIOL4; BIOL SEQ A  
The classification, ecology, evolution and systems analysis of biological functions in major  
taxonomic groups of animals from Protists through to Chordata. PREREQUISITE: Mathematics  
233 with a grade of ‘C’ or better. ADVISORY: Eligible for English 250 and English 260.

BIO 5  General Botany  
Units: 4.0  Hours: 3.0 Lecture  3.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3; CAN:BIOL6; BIOL SEQ A  
This course is designed for students majoring in botany and/or its related disciplines. The course  
includes the study of the ecology, evolution, anatomy, physiology and systematics of plants as  
well as the use of plants in biotechnology and agriculture. PREREQUISITE: Mathematics 233  
with a grade of ‘C’ or better. ADVISORY: Biological Science 10, eligible for English 250 and  
English 260.

BIO 7  Human Anatomy  
Units: 4.0  Hours: 2.0 Lecture  6.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3; CAN:BIOL10, BIOL SEQ B  
A functional approach to the gross and microscopic structure of the major systems of the human  
body. Includes dissection in lab. A cadaver is observed in this course. PREREQUISITE: Biological  
Science 10 or 15 with a grade of credit or C or better. ADVISORY: Eligible for English 250,  
English 260 and Mathematics 205.

BIO 8  General Microbiology  
Units: 5.0  Hours: 4.0 Lecture  3.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3; CAN:BIOL14  
An introduction to microbiology with an emphasis on bacteriology. Includes the study of  
morphology, physiology and classification of microorganisms, a survey of infectious disease,  
immunology and techniques for culture and control of microorganisms. This course is also  
listed as Allied Health 8. PREREQUISITE: Biological Science 10 or 15 with a grade of credit  
or C or better. ADVISORY: Chemistry 30A; eligible for English 250, English 260 and  
Mathematics 205.

BIO 9  Human Physiology  
Units: 5.0  Hours: 4.0 Lecture  3.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3; CAN:BIOL12, BIOL SEQ B  
A study of the functions of the major organs and organ systems of the human body, emphasizing  
control at the cellular level, integration of systems and homeostasis of the human body. This  
course is also listed as Allied Health 9. PREREQUISITE: Biological Science 7 or 15 with a  
grade of credit or C or better. ADVISORY: Chemistry 30A; eligible for English 250, English  
260 and Mathematics 205.

BIO 10  Principles of Biology  
Units: 4.0  Hours: 3.0 Lecture  2.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3  
An introductory biology course covering functions at the cellular and organismal levels. Includes  
study of the basic principles of metabolism, heredity, evolution and ecology. Primarily for  
non-biological science majors. ADVISORY: Eligible for English 250, English 260 and  
Mathematics 205.

BIO 11  Nutrition  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU; UC; CSU-GE:E2; GAV-GE:E2, F; CAN:FCS2  
This course is designed to meet the needs of the Allied Health student and the general education  
student alike. The major aim of this course is to help the student acquire relevant information  
about nutrition which they can use professionally and/or personally. The course will cover the  
practical aspects of normal nutrition, ways to promote sound eating habits throughout the life  
cycle, and physiological contribution nutrients make to body structure and function. This course  
is also listed as Allied Health 11. PREREQUISITE: Eligible for English 250 and English 260 ADVISORY:  
Chemistry 30A and Mathematics 205

BIO 13  Marine Biology  
Units: 4.0  Hours: 3.0 Lecture  3.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3  
An overview of the ocean as an ecosystem. This course will include segments on the ocean as a  
physical environment; marine ecology; marine habitats, plant and animal taxonomy. There will  
be an emphasis of evolutionary adaptations which organisms have for their habitat.

BIO 15  Survey of Human Anatomy and Physiology  
Units: 5.0  Hours: 4.0 Lecture  3.0 Laboratory  
Transferable: CSU; UC; CSU-GE:B2, B3; IGETC:5B; GAV-GE:B2, B3  
An introductory study of the structure and function of the human body. Includes study at the  
cellular and organ system levels, emphasizing integration of systems. Note that a cadaver will  
be observed in this course. This course is also listed as Allied Health 15. ADVISORY: Biological  
Science 10, Eligible for English 250, English 260 and Mathematics 205. Course will include the  
viewing of a cadaver.

BIO 21  Field Ecology  
Units: 1.0 TO 4.0  Hours: 1.0 TO 4.0 Lecture  
Transferable: CSU  
Introduces concepts in ecology, plant and animal identification, natural history, and habitat  
assessment in a field setting. The class will have a two hour preliminary meeting to prepare for  
two successive meetings to local habitats. Camping is not required. Outings will be rescheduled in  
the case of inclement weather. This course has the option of a letter grade or pass/no pass. May  
be repeated twice for credit. ADVISORY: Eligible for English 250 and Math 205.

BIOTECHNOLOGY

BIOT 103  Biotechnology Lab Skills and Instrumentation  
Units: 4.0  Hours: 2.0 Lecture  6.0 Laboratory  
Transferable: CSU  
Introduction to biotechnology laboratory skills. Techniques will include measuring, aseptic  
technique and transfer skills, preparation of buffers and other solutions, basic media preparation  
and dilutions, electrophoresis. Includes use and care of instruments such as microscope,  
spectrophotometer, centrifuge, pH meter, mechanical and micropipettes, autoclave, and electronic  
balance. Will also include keeping of a notebook, report writing and calculations. ADVISORY:  
Completion of any high school science course with a grade of ‘C’ or better; eligible for English  
250; eligible for Math 205.

BIOT 104  Seminar in Biotechnology  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU  
This course will survey careers in biotechnology and ethical issues in biotechnology.

BIOT 105  Advanced Biotechnology Laboratory  
Units: 4.0  Hours: 2.0 Lecture  6.0 Laboratory  
Transferable: CSU  
This course is part of the Biotechnology program, and builds on skills learned in Biotechnology  
103. Students will learn and apply techniques used in biotechnology research, investigation and  
production. This course provides hands-on experience with current techniques including DNA  
 isolation and electrophoresis, immunological assays, PCR, cell culture, cloning and gene mapping,  
DNA extraction and purification, chromatography, and analysis of proteins. PREREQUISITE: BIOT  
103, Biotech Lab Skills and Instrumentation.

Business Accounting: see Accounting
BUSINESS OFFICE TECHNOLOGY

BOT 112 Business Computations with Machines
Units: 5  Hours: 1.5 Laboratory
Transferable: CSU
Self-paced course in the operation of the electronic printing calculator. This course provides theory and practice in business applications with emphasis on mathematical problem solving. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Eligible for Mathematics 402.

BOT 160 Records Management
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
Principles covering records management in business including alphabetic, numeric, geographic, and subject systems; an understanding of how records are created, classified, stored, retrieved, transferred, and disposed of; organizing and managing both manual and automated records systems are explained. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

BOT 180 Medical Terminology for the Office
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
This course introduces fundamentals of medical word building used in the health profession (prefixes, word roots, suffixes and abbreviations) as well as review of body systems, with emphasis on analysis, definition, spelling and pronunciation. This course had the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

BOT 181 Medical Billing - MediSoft
Units: 2.0  Hours: 1.0 lecture 3.0 Laboratory
Transferable: CSU
This course in computerized billing procedures for a medical office uses MediSoft software. Students will learn the patient billing features of this software and complete a capstone simulation giving them hands-on realistic medical front office practice. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Eligible for English 250. Some computer experience.

BOT 182 Medical Office Procedures
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
This specialized course includes medical office procedures, patient record management, coding/billing for private/government health insurance programs, and professional ethics. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. PREREQUISITE: BOT 180 and CSIS 126 with credit or a grade of C or better or experience using Microsoft Word. ADVISORY: Eligible for English 250 and Mathematics 402.

BOT 183 Medical Coding
Units: 2.0  Hours: 1.0 lecture 3.0 Laboratory
Transferable: CSU
This course will introduce the student to the theory and procedure of coding for medical diagnoses, an increasingly essential and specialized healthcare communication system. The course is not a certification course. CPT coding is covered, with an overview of ICD-9 coding. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: BOT 180.

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.

BOT 190 Occupational Work Experience/Business Office Technology
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: CSU
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school enrollment in one other class is required). Minimum 2.00 G.P.A.

BOT 191A Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Workplace Skills teaches skills vital to workplace success. The topic for 191A is Interpersonal Communication. Need not be taken in sequence. This is a pass/no pass course.

BOT 191B Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Workplace Skills teaches skills vital to workplace success. The topic for 191B is Team Building. Need not be taken in sequence. This is a pass/no pass course.

BOT 191C Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Workplace Skills teaches skills vital to workplace success. The topic for 191C is Problem-Solving. Need not be taken in sequence. This is a pass/no pass course.

BUSINESS, GENERAL

BUS 1 Fundamentals of Business
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; GAV-GE:D2
This course introduces students to business and the array of opportunities that it offers. The course will help students recognize careers that will be of interest to them with consideration of their own skills and aptitudes. Different facets of business will be covered and students will learn about establishing their own business. This course has the option of a letter grade or pass/no pass. Previously listed as GBUS 1. ADVISORY: Eligible for English 250 and English 260.

BUS 11 Statistics for Business and Economics
Units: 4.0  Hours: 4.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGTC:2A; GAV-GE:B4
Statistical methods for business/economics analysis; descriptive statistics, inference, correlation and regression, probability, time series analysis. This course has the option of a letter grade or pass/ no pass. This course is also listed as ECON 11. Previously listed as GBUS 11. PREREQUISITE: Mathematics 233.

BUS 14 Personal Finance
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
This course is designed to assist individuals to analyze their financial affairs for lifelong decision making. Elements and concepts of financial planning and decision making in the areas of budgeting, taxes, borrowing, money management, insurance, investments, retirement, and estate planning will be examined. This course is also listed as ECON 14. This course has the option of a letter grade or pass/no pass. Previously listed as GBUS 14. ADVISORY: Math 400
BUS 80  Business Law  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC, CANBUS12  
Introduction to the law applicable to business institutions and their operations; social forces and their effect upon the development of law; sources of law, agencies for enforcement, and court procedure and administration agencies. Substantive law, that law which includes rights and duties, will include contracts, agency employment relationships, torts and crimes. This course has the option of a letter grade or pass/no pass. Previously listed as GBUS 80. ADVISORY: Eligible for English 250 and English 260.

BUS 100  Business Correspondence  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Development of business writing techniques and English usage skills for effective communication through various forms of business correspondence. Emphasizes the public relations function of correspondence; covers a review of grammar, punctuation, and job application techniques. This course has the option of a letter grade or pass/no pass. Previously listed as GBUS 100. ADVISORY: Eligible for English 1A;

BUS 102  Business Mathematics  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Basic concepts of business mathematics with emphasis on problem solving. Covers arithmetic fundamentals, business applications, percentages, merchandising, accounting, and measuring business performance and success. This course has the option of a letter grade or pass/no pass. Previously listed as GBUS 102. ADVISORY: Eligible for Mathematics 402 and English 260.

BUS 190  Occupational Work Experience General Business  
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory  
Transferable: CSU  
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. Previously listed as GBUS 190. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school enrollment in one other class is required.) Minimum 2.00 G.P.A.

CARP 203  Construction Math and Introduction to Working Drawings  
Units: 2.0  Hours: 30.0 Lecture 6.0 Laboratory  
Transferable: No  
This course covers mathematics applications to the construction trade with specific focus on mathematical processes in carpentry. Topics include an introduction to elements of working drawings used in the construction process. May be repeated once for credit.

CARP 204  Foundations and Floors  
Units: 1.0  Hours: 6.0 Lecture 30.0 Laboratory  
Transferable: No  
This course covers layout, forming, and framing of foundations, joist and sub-flooring construction. May be repeated once for credit.

CARP 205  Residential Blueprint Reading  
Units: 2.5  Hours: 30.0 Lecture 6.0 Laboratory  
Transferable: No  
This course is an introduction to residential blueprints. Topics include conventions, lines, symbols, measurements, and specifications used for residential construction. May be repeated once for credit.

CARP 206  Structural Framing  
Units: 1.0  Hours: 6.0 Lecture 30.0 Laboratory  
Transferable: No  
This course covers basic framing systems and layout of walls, ceilings and stairwells. May be repeated once for credit.

CARP 207  Form Detailing, Construction and Erection  
Units: 1.0  Hours: 6.0 Lecture 30.0 Laboratory  
Transferable: No  
This course covers planning and building of form work, construction and erection of various concrete forms, and construction materials and methods. May be repeated once for credit.

CARP 208  Exterior Finish  
Units: 1.0  Hours: 6.0 Lecture 30.0 Laboratory  
Transferable: No  
This course covers exterior design, materials, and methods of application and finishes in building construction. Students will complete the tasks required in planning and installing exterior finish and trim materials in a safe and efficient manner. May be repeated once for credit.

CARP 209  Blueprint Reading - Commercial and Industrial  
Units: 2.0  Hours: 30.0 Lecture 6.0 Laboratory  
Transferable: No  
This course is an introduction to commercial and industrial blueprints. Topics include conventions, lines, symbols, measurements, and specifications used for commercial and industrial construction. Complete construction material take-off calculations commonly used on the job. May be repeated once for credit.

CARP 210  Concrete - Precast & Prestressed  
Units: 1.0  Hours: 6.0 Lecture 30.0 Laboratory  
Transferable: No  
This course covers concrete components and the effect of component proportions on the workability and strength of concrete. The type of cement and admixtures to use in a given situation are discussed. Detail and build tilt-up panel forms. Construct a bridge deck and the forms for a box beam girder. May be repeated once for credit.
CARP 211  Interior Finish
Units: 1.0  Hours: 6.0 lecture  30.0 Laboratory
Transferable: No
This course covers interior designs, materials, and methods of application in building construction. Students will complete the tasks required in planning and installing interior materials in a safe and efficient manner. May be repeated once for credit.

CARP 212  Level and Layout Instruments
Units: 1.0  Hours: 24.0 lecture  12.0 Laboratory
Transferable: No
This course covers the use of leveling devices. It includes reading and interpreting an engineer’s rod, horizontal and vertical setting circles, and vernier scale. Additional topics include construction layout of horizontal and vertical angles. May be repeated once for credit.

CARP 213  Engineered Structural Systems
Units: 1.0  Hours: 6.0 lecture  30.0 Laboratory
Transferable: No
This course covers the design of heavy timber construction, lamination, dams, bridges and trusses. Construct, in proper sequence, a panel roof system having hinge connectors, steel caps, beam seats, and sawn lumber roof members. Construct a truss roof system. Tie the basic knots used in rigging. Direct a crane using university recognized hand signals. May be repeated once for credit.

CARP 214  Interior Systems
Units: 1.0  Hours: 6.0 lecture  30.0 Laboratory
Transferable: No
This course is a comprehensive study of materials, work processes and the proper use of tools necessary to install layout and material application for metal framing, drywall, suspended ceilings, metal frames and doors, door hardware, and access floors. May be repeated once for credit.

CARP 215  Stair Building
Units: 1.0  Hours: 6.0 lecture  30.0 Laboratory
Transferable: No
This course covers types, designs, nomenclature and Uniform Building Codes requirements for building stairs. Topics include mathematical calculations and layout procedures, constructing stairs, landings, newels and handrails. May be repeated once for credit.

CARP 216  Roof Framing
Units: 1.0  Hours: 6.0 lecture  30.0 Laboratory
Transferable: No
This course covers roof framing, layout and construction. Topics include planning and building several styles of roofs using accepted terminology, technical information, construction materials and methods, and meeting accepted industry standards. May be repeated once for credit.

CARP 217  Introduction to Welding and Cutting
Units: 1.0  Hours: 6.0 lecture  30.0 Laboratory
Transferable: No
This course covers welding methods, brazing, flame cutting, and shielded arc welding. Topics include thermo forming and thermo setting plastics applicable to the building construction industry. Perform basic welding tasks in a safe manner. May be repeated once for credit.

CARP 290  Occupational Work Experience/Carpenter
Units: 1.0 TO  4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: No
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. PREREQUISITES: Required: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

CHEM 1A  General Chemistry
Units: 5.0  Hours: 4.0 lecture  3.0 Laboratory
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3; CAN:CHEM2, CHEM SEQ A
This is the first semester of a year-long general chemistry course designed for science, engineering and pre-professional majors. Topics include properties of matter, atomic structure, the Periodic Table, stoichiometry, elements and compounds, bonding, molecular structure, chemical reactions, states of matter, as well as the properties of gases and solutions. PREREQUISITE: Chemistry 30A with a grade of 'C' or better, or high school chemistry with a grade of 'B' or better completed within the last five years, and Mathematics 233 with a grade of 'C' or better. ADVISORY: Eligible for English 250 and English 260.

CHEM 1B  General Chemistry
Units: 5.0  Hours: 4.0 lecture  3.0 Laboratory
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3; CAN:CHEM4, CHEM SEQ A
This is the second semester of a year-long general chemistry course designed as a continuation of Chemistry 1A. Topics include solutions, thermodynamics, chemical kinetics, the equilibria of acids and bases, solubility systems, complex ions, electrochemistry, the chemistry of metals and nonmetals, as well as nuclear chemistry. PREREQUISITE: Chemistry 1A with a grade of C or better.

CHEM 12A  Organic Chemistry
Units: 5.0  Hours: 3.0 lecture  6.0 Laboratory
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3
This is the first semester of a year-long organic chemistry course designed for chemistry majors, pre-professional medical, biological, and science majors. Topics include nomenclature, stereochemistry, mechanisms, reactions and spectroscopic studies of organic compounds. Lecture and laboratory methods will focus on synthesis, isolation, purification, elucidation, and identification of organic structures, as well as instrumental methods and data interpretation. PREREQUISITE: Chemistry 1B

CHEM 12B  Organic Chemistry
Units: 5.0  Hours: 3.0 lecture  6.0 Laboratory
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3
This is the second semester of a year-long organic chemistry course designed as a continuation of Chemistry 12A. Topics include nomenclature, stereochemistry, mechanism, reactions, and spectroscopic studies of the various organic functional groups. Lecture and laboratory methods will focus on synthesis, isolation, purification, elucidation and identification of organic structures as well as instrumental methods and data interpretation. PREREQUISITE: Chemistry 12A

CHEM 30A  Elementary Chemistry
Units: 4.0  Hours: 3.0 lecture  3.0 Laboratory
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3; CAN:CHEM6, CHEM SEQ B
This is a first semester college chemistry course designed for majors preparing to take Chemistry 1A, nursing and allied health students, as well as general education. The course will cover the principles of chemistry including properties of matter, energy, atomic theory, the Periodic Table, stoichiometry, elements and compounds, the properties of bonding, molecular structure, chemical reactions, states of matter, acidity, solutions and gases, as well as an introductory to organic chemistry. ADVISORY: Mathematics 205; eligible for English 250 and English 260.

CHEM 30B  Elementary Organic and Biochemistry
Units: 4.0  Hours: 3.0 lecture  3.0 Laboratory
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3; CAN:CHEM8, CHEM SEQ B
This is the second semester of a year-long elementary chemistry course designed as a continuation of Chemistry 30A. It is designed for science majors, nursing and allied health students. The course will cover the principles of organic and biochemistry including hydrocarbons, alcohols, aldehydes and ketones, carboxylic acids, amines and amides, carbohydrates, lipids, proteins and their functions in physiological systems, as well as organic chemical reactions. PREREQUISITE: Chemistry 30A with a grade of C or better.
CD 1  Principles and Philosophies of Early Childhood Education
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
An overview of current educational theories and research, as well as an historical perspective on the development of early childhood education. Observations in schools are to be arranged. ADVISORY: Eligible for English 250 and English 260.

CD 2  Early Child Development
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D9, E, IGETC:4I; GAV-GE:D2
A systematic study of the child from prenatal life through the preschool years. The course integrates the basic concepts of physical, cognitive and psychosocial development at each major stage of life during this period. This course is also listed as PSYC 2. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260; transfer students consult with advisor.

CD 3  Child Growth and Development During the School Years
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D9, E, IGETC:4I; GAV-GE:D2
Continuation of the study of the principles of child development with emphasis on children from six years through adolescence. Includes developmental theories and topics relevant to these ages. This course is also listed as PSYC 3. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260; Child Development 2; transfer students consult with advisor.

CD 4  Observing and Assessing Children
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
Provides training in a variety of naturalistic and formal observation techniques, and discusses the use of standardized testing in children. Students learn to use formal observation tools, make a case study portfolio and give a parent conference. Observing children in classroom settings is required. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260 and completion of CD 2.

CD 5  Child/Family and Community
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU

CD 6  Games and Rhythms for Children
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
Nature, function and organization of physical activities for the preschool and elementary school age child. Emphasis is given to the understanding of psychomotor development and spatial awareness. Designed for those planning to work with children. Also listed as Physical Education 6. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
CD 11B Administration of Publicly Funded Child Care Programs  
**Units:** 3.0  
**Transferable:** CSU  
This course is designed to meet the State Department of Education requirements for directors of publicly funded child development programs, and the Supervisory Child Development Permit. Topics covered include development of personnel policies that reflect the philosophy and goals and objectives of the program, development of a staff development plan, classroom management and record keeping, assessment and curriculum planning, and parent involvement/education. Financial record keeping will be discussed from the perspective of the granting agency. ADVISORY: Completion of 12 units in Child Development or working in an administrative capacity in a children's program.

CD 11C Supervision of Adults: The Mentor Teacher  
**Units:** 2.0  
**Transferable:** CSU  
A study of the methods and principles of supervising adults in early childhood settings. Emphasis is on the role of the experienced classroom teacher who functions as a "mentor/supervisor" to teachers, aides, and other adults. This course meets the requirements for the State Child Development Permit Matrix: "2 unit adult supervision class" and the Mentor Teacher Program. Lectures, discussions, in class and out of class activities, role-play simulations, readings, individual and group assignments as well as videos and guest presenters will be used. ADVISORY: Prefer that students meet the requirements for the State Child Development Teacher Permit or completion of a college-level course of study in child development or early childhood education, or equivalent, or permission of instructor.

CD 12 Computer Education for Teachers  
**Units:** 3.0  
**Transferable:** CSU  
The history, uses and development of computers in education. Basic computer skills and terminology will be taught in the context of teacher education. Students who successfully complete this course will understand general and specific skills and knowledge required to meet the Technology Standard for Multiple and Single Subject Credential Candidates. This course has the option of a letter grade or pass/no pass. This course is also listed as CSIS 3. ADVISORY: CSIS 122 Computer Keyboarding, or equivalent; English 250 with a grade of C or better.

CD 13 Infant and Toddler Development and Care  
**Units:** 3.0  
**Transferable:** CSU  
Students will study the developmental stages of growth specific to infants and toddlers and learn how to foster positive techniques for nurturing infants and toddlers in group settings. Students will study the RIE philosophy and learn how to observe children in child care and home day care settings. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260. Child Development 2.

CD 14A Working with School Age Children  
**Units:** 3.0  
**Transferable:** CSU  
Students will learn the developmental characteristics of school aged children, issues relating to before and after school programs for children from kindergarten to grade eight, and specific details of administering and leading such a program. Other topics include recreation versus academic enrichment, staffing requirements, age groupings, program content, and community resources. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and 260. Child Development 3.

CD 14B Behavior Management & Guidance of School Age Children  
**Units:** 3.0  
**Transferable:** CSU  
The nature of children’s development stages causes school age children to act in different ways at different ages. This course helps students understand the relationship of development, environment, culture and social circumstances to children’s behavior. An overview of guidance theories offers strategies to reinforce positive behaviors, encourage communication & cooperation, and establish age-appropriate and consistent limits in a variety of circumstances. This course has the option of a letter grade or pass/no pass. ADVISORY: English 250, English 260, and CD 3

CD 15 Music and Movement for Children  
**Units:** 1.0  
**Transferable:** CSU  
Techniques for the non-musician to incorporate music and movement activities in a variety of curriculum areas and reflecting cultural awareness. Practice building simple rhythm instruments and using rhythm in song instruction and movement activities. An extensive list of children's music CDs and resources will be provided to each student. ADVISORY: Eligible for English 250 and English 260.

CD 16 Exploring Mathematics with Children  
**Units:** 1.0  
**Transferable:** CSU  
Introduces the excitement and extensiveness of math experiences for children and presents an organized, sequential approach for developing a math curriculum. Students develop a folder of math activities for children aged 2-8. ADVISORY: Eligible for English 250 and English 260.

CD 17 Exploring Science with Children  
**Units:** 1.0  
**Transferable:** CSU  
Learn to teach a coordinated science curriculum covering life, natural and physical science concepts familiar and interesting to children age 2-8. Using easily found or low-cost materials and the Socratic method of questioning are primary strategies for developing reasoning skills and science concepts in children. ADVISORY: Eligible for English 250 or 260.

CD 18 Outdoor Environments for Children  
**Units:** 3.0  
**Transferable:** CSU  
Designing and constructing outdoor play environments for young children that provide opportunities for large and small muscle activities, social, quiet, and noisy play, and creative experiences. ADVISORY: Eligible for English 250 and 260.

CD 19 Introduction to Careers with Children  
**Units:** 2.0  
**Transferable:** CSU  
An overview of Department of Social Services and Department of Education regulations regarding child care workers in California. Self-assessment techniques with emphasis on teacher-child and teacher-adult relationships and personal evaluations. Basic principles of curriculum development and discipline techniques. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

CD 20 Children's Language and Literature  
**Units:** 3.0  
**Transferable:** CSU  
A developmental view of children’s language and literacy learning in a framework of children’s literature. Students will be presented with steps in children’s literacy learning in order to help them organize classrooms and plan activities to support the growth of writing and reading. Students will study historical trends in children’s literature and participate in practical experiences and activities that use a wide range of techniques and materials for advancing language comprehension and usage. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

CD 21 Creative Art Experiences for Young Children  
**Units:** 2.0  
**Transferable:** CSU  
Design curriculum that is creative and uses children's art activities in the early childhood classrooms that meet the development needs of all children in social, emotional, cognitive, language and physical development. Guidelines for designing effective classrooms, art activities, dramatic play areas, and circle time will be covered. Students will design and facilitate original creative learning experiences that foster positive development and relationships during art, music, dramatic play, block play, health and safety, cooking, multicultural, and seasonal activities. Students will compile an activity binder and practice leading activities in the Gavilan Child Development Center. ADVISORY: Eligible for English 250 and English 260.
CD 25A  Art Methods  
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory  
Transferable: CSU; CSU-GE:C1; GAV-GE:C1  
Art methods and learning theory for those planning to work with preschool, elementary, and secondary students. Includes art therapy as well as gifted and special learner projects. Two dimensional work in painting, printing, drawing, collage. Also listed as ART 25A.

CD 25B  Art Methods  
Units: 3.0  Hours: 2.0 lecture 4.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Art methods, creativity and learning theory for those planning to work with preschool, elementary, and secondary school students. Includes art therapy as well as gifted and special learner projects. Three dimensional work in sculpture, bas relief, mobiles, paper mache’, plaster, and various 3-D materials. Also listed as ART 25B.

CD 28A  Child Dev & Guidance for Family Child Care/ Foster Care  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU  
An overview of the development of young children from pre-birth through age twelve, primarily designed for the family child care provider or foster parent. Students will be exposed to appropriate expectations and developmentally appropriate learning experiences for each stage of development. Six 3-hour sessions, or may be taught on three Saturdays. This course has the option of a letter grade or pass/no pass.

CD 28B  Dev Learning Activities for Family Child Care & Foster Care  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU  
A practical curriculum development course for child care providers. The course includes a brief overview of children’s learning processes and practical activities. Students will study appropriate curriculum for infants, toddlers, preschool, and school-age children in all areas of development. Students will learn how to set up a family child care environment. This course has the option of a letter grade or pass/no pass.

CD 28C  Administering A Family Child Care Home  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU  
Learning to establish and enforce contracts and policies, marketing your business, being professional in a caring profession, child abuse reporting requirements, licensing regulations for family child care, and the basics of record keeping techniques for family child care. Six 3-hour sessions, or may be taught on three Saturdays. This course has the option of a letter grade or pass/no pass.

CD 30A  Practicum 1 - Curriculum in the Early Childhood Classroom  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Designing, developing and implementing contemporary curriculum and instructional methods for early childhood education. Completion of 30A and 30B each with concurrent in at least 2 units of CD 190, satisfies the associate degree requirement for student teaching. ADVISORY: Completion of Child Development 1, 2, 5 and 9 with a grade of “C” or higher. Concurrent enrollment in at least 2 units of CD 190.

CD 30B  Teaching Practicum 2 - Reflective Practice in the Classroom  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Continuation of CD 30A with emphasis on assessment, conferencing and planning skills. Completion of 30A and 30B, each with concurrent enrollment in 2-4 units of CD 190, satisfies the associate degree student teaching requirements. ADVISORY: Completion of Child Development CD 30A with a grade of “C” or higher. Concurrent enrollment in at least 2 units of CD 190.

CD 31  Tutoring School-Age Children  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU  
An introductory course for students who wish to work as tutors in classroom settings. Students will gain and apply skills needed to function within a public school setting and develop effective strategies for helping children learn to read and write. Additionally, students will be encouraged to explore related career options, while developing and practicing social awareness and the ability to learn from field experiences in a self-directed manner. This course has the option of a letter grade or pass/no pass.

CD 35  Establishing Positive Behavior in the Classroom  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Introduces the student to realistic and effective strategies for guiding all young children’s behavior. This course demonstrates best practices for establishing and maintaining age and developmentally-appropriate productive behaviors among all children in a classroom setting. Course topics include environmental, developmental and special needs sources of maladaptive and challenging behaviors, guidelines for selecting and implementing strategies for positive behavior change for all children, and developing healthy communication strategies with families, program staff and children. ADVISORY: Eligible for English 1A.

CD 36  Curriculum Strategies for Inclusive Classrooms  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
This course gives the early education teacher or interventionist specific curricular skills to meet the needs of all children in the classroom. Emphasis is placed on working with the child within his/her family system and culture. Students will review typical and atypical development in all domains, home observation and documentation skills, learn how to design and implement intervention strategies and communicate effectively with parents and para-professionals. ADVISORY: Eligible for English 1A.

CD 97  Introduction to Service Learning with Children  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Service Learning is a method through which community participation, academic subjects, skills, and awareness are linked. Through a combination of community-based learning experiences, reading and writing assignments, and classroom-based learning experiences, this course seeks to foster the development of self-reflective, culturally aware and responsive community participants. Students will complete a minimum of 30 hours of community service work during the semester. This course has the option of a letter grade or pass/no pass.

CD 98  Special Topics  
Units: .5 TO 3.0  Hours: .5 TO 3.0 Lecture  
Transferable: CSU  
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topic content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. This course has the option of a letter grade or pass/no pass and may be repeated three times for credit with different topics.

CD 160  Child Care First Aid and CPR  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU  
First aid training to prepare child care professionals to meet the need of emergencies when medical assistance is delayed. Includes information on the prevention of childhood injuries and the prevention of communicable diseases including HIV/AIDS and the use of Universal Precautions. (Satisfies the California Community Care Licensing requirement for 15 hours of specialized health and safety training.) This is a pass/no pass course. May be repeated three times for credit. $12.00 course material fee.
CD 190  Occupational Work Experience/Child Development
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: CSU
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

CD 191A  Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Workplace Skills teaches skills vital to workplace success. The topic for 191A is Interpersonal Communication. Need not be taken in sequence. This is a pass/no pass course.

CD 191B  Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Workplace Skills teaches skills vital to workplace success. The topic for 191B is Team Building. Need not be taken in sequence. This is a pass/no pass course.

CD 191C  Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
Workplace Skills teaches skills vital to workplace success. The topic for 191C is Problem Solving. Need not be taken in sequence. This is a pass/no pass course.

CD 219  Spanish Introduction to Child Development at Gavilan College
Units: 1.0  Hours: 1.0 Lecture
Transferable: No
This course will orient mono-lingual (Spanish) Child Development students to Gavilan College and the Child Development and Educational Studies (CDES) departments. Students will be provided an overview of campus academic and support services and programs, explore the professional opportunities in the field of Child Development and learn effective strategies for college success. This course has the option of a letter grade or pass/no pass.

CHINESE

CHN 1A  Elementary Mandarin
Units: 5.0  Hours: 5.0 lecture 2.5 Laboratory
Transferable: CSU
A comprehensive introduction to elementary Mandarin as a foreign language for students with no background in Mandarin. Emphasis is on listening, speaking and reading Mandarin as a medium of communication within a rich cultural framework, resulting in an active vocabulary of no less than 500 Chinese words and 100 phrases and idiomatic expressions. Writing and translation will be introduced. This course corresponds to one year of high school study. This course has the option of a letter grade or pass/no pass.

CHN 1B  Elementary Mandarin
Units: 5.0  Hours: 5.0 lecture 2.5 Laboratory
Transferable: CSU
A continuation of Chinese 1A, an introduction to elementary Mandarin as a foreign language, this is a second level of elementary Mandarin. Equal emphasis is on listening, speaking, reading and writing. Students will acquire an active vocabulary of no less than 1000 Chinese words, 200 phrases and idiomatic expressions in rich cultural context. Mandarin will be the primary medium of instruction. This course has the option of a letter grade or pass/no pass. PREREQUISITE: CHN 1A or equivalent.

COMMUNICATION STUDIES

CMUN 1A  Introduction to Public Speaking
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:A1, IGETC:1C; GAV-GE:A1; CAN:SPCH4
Basic principles of effective human communication and their function in contemporary public settings; emphasis is on the speech to inform, with special consideration given to fundamental communication skills, including organization, reasoning, explanation and listening. ADVISORY: Eligible for English 250 and English 260.

CMUN 2  Oral Reading
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1; GAV-GE:C1
An introduction to the analysis, preparation and dramatic reading of literature, including classical and contemporary prose, poetry and drama. Students will prepare, analyze and orally present and interpret great works of drama and literature for an audience. This course is also listed as THEA 4. ADVISORY: Eligible for English 250 and English 260.

CMUN 4  Intercultural Communication
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D3, D7, IGETC:4G; GAV-GE:D2, F
This course will explore the dynamics of communication as it applies to people from different cultures. Course content focuses on the application of theory and research to intercultural communication contexts. Increasing the awareness and understanding of diversity, the perception process, culture, verbal and non-verbal communication and the obstacles that prevent one from becoming a competent intercultural communicator will be examined.

CMUN 5  Fundamentals of Communication Studies
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:A1, IGETC:1C; GAV-GE:A1
This course provides instruction and application of theory and practice in various communication contexts including the self concept, interpersonal, interviewing skills, small group dynamics, and public speaking. Emphasis is placed on analytical and organizational skills, listening, nonverbal and verbal communication, and public speaking communication methodology. ADVISORY: English 250 and English 260.

CMUN 6  Introduction to Conflict Resolution
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; CSU-GE:D7; GAV-GE:D2
Introduction to Conflict Resolution introduces students to conflict resolution and mediation. Integrating theory and practice, students will assess core concepts about the causes and resolution of conflict, and will practice communication skills for conflict resolution. Students will examine how ethnicity, gender, and class affect power in conflict situations. They will be able to formulate appropriate conflict resolution strategies, and will develop and practice various basic co-mediation skills. This course has the option of a letter grade or pass/no pass. This course is also listed as POLS 6, AJ 6 and PSYC 6. ADVISORY: English 250 and English 260.

CMUN 8  Interpersonal Communication
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:A1, IGETC:1C; GAV-GE:A1
This course studies the communication process in an interpersonal (dyadic) setting. This class will explore the ways in which we can improve our communication with others. Verbal and nonverbal messages, self-concept, cultural differences, gender differences, perception, listening and conflict management will be explored.

CMUN 10  Small Group Communication
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:A1, IGETC:1C; GAV-GE:A1; CAN:SPCH10
An introductory course that develops basic individual reasoning skills, insights and experiences in information-sharing, interacting, decision-making, problem-solving, resolution of disputes and other issues central to group processes. ADVISORY: Eligible for English 250 and English 260.
CMUN 11 Business Communication
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU
This course will explore business communication contexts by examining organizational cultures, strategic vision and goal setting, leadership managerial roles, and team building communication. Emphasis is placed on analytical and organizational skills, listening, nonverbal and verbal communication, public speaking communication methodology, and domestic and international relations through use of hybrid online and classroom environment for lecture and application. PREREQUISITE: English 250. ADVISORY: Communication 1A or English 1A.

CMUN 129 Presentation Graphics - MS Powerpoint
Units: 1.0 Hours: 1.0 Lecture
Transferable: CSU
This introductory course in presentation graphics will use Microsoft Office’s “PowerPoint” software to create a computerized presentation with text and objects. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. This course is also listed as CSIS 129. ADVISORY: CSIS 126 or word processing skills in the Windows environment.

Computer Art: see ART 48A/B, CGD, CSIS or Digital Media

COMPUTER GRAPHICS AND DESIGN

CGD 1 Industrial Sketching and Problem Solving
Units: 2.0 Hours: 1.0 lecture 3.0 Laboratory
Transferable: CSU
Graphical problem solving techniques used by professional designers in various fields of application using both traditional freehand and the computer. Emphasis is on developing the mental ability to visualize objects/shapes and their manipulation. This is an open entry exit supervised class. Students may concurrently enroll in CGD 110 or GCD 2L. May be repeated three times for a total of 8 units. ADVISORY: Eligible for English 250, English 260 and Mathematics 205. Computer lab work can be done both in lab and off-site.

CGD 2 2D/3D Technical Computer Graphics I
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
Introduction to graphic and design competencies architects, engineers, game/simulation developers, industrial designers and other careers use when producing and marketing real and/or virtual products. Prepares students to create consumer products, buildings and other designed objects by developing freehand sketches, creating SolidWorks models and/or other graphics while applying theory and knowledge of elements and principles of visual design, creative problem solving, typography, professional ethics and research skills. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: LIB 3 and MATH 404G.

CGD 4 2D/3D Technical Computer Graphics II
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
Intermediate computer graphics design course expands skills and concepts introduced in CGD 2. Develops design and graphic skills required to create, explain, model, render, and animate products using a problem solving process and knowledge of ergonomics, materials, design principles and color theories. Projects assigned integrate technology with design and focus upon creating, developing and marketing useful products by developing and visually communicating ideas that are necessary for succeeding in desired design career(s). May be repeated once for credit. ADVISORY: Completion of CGD 2 with a grade of C or better.

CGD 6 Advanced Technical Computer Graphics
Units: 4.0 Hours: 2.0 lecture 6.0 Laboratory
Transferable: CSU

CGD 8 Advanced Computer Graphics for Design Application I
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
Advanced course in applied computer graphics and associated interdisciplinary design proficiencies required by careers that design, engineer, manufacture and/or market products. Applies theories, principles and skills covered in CGD 4 and integrates business, sustainable design, and hybrid products. Design solutions reflect technical understanding, aesthetic principles and addresses societal needs in a cost effective manner. Presentations include animating and rendering models of real and/or virtual products that address human factors/ergonomics, usability, life cycle analysis and sustainability. Portfolios support advancement in student-selected career pathways by communicating competence in computer graphics and design. May be repeated once for credit. ADVISORY: Eligible for English 250, 260 and Mathematics 233.

CGD 9 Advanced Computer Graphics for Design Application II
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
Advanced computer graphics and design course that combines technical computer graphic skills with interdisciplinary design proficiencies including creating computer imagery, transformations, and rendering to create 3D model using geometric primitives, projections for computer animation and data visualization. Includes structural analysis and emphasis on developing products that include ergonomic features and sustainable materials. Work within electronic portfolio demonstrates skills and knowledge of technical graphic design to visualize, develop and present products to meet societal needs. ADVISORY: Satisfactory score on the English placement exam or a grade C or better in English 250, completion of Mathematics 233 or satisfactory Mathematics placement. Completion of CGD 2 and CGD 8 with a grade of C or better. Computer lab work can be done both in lab and off-site.

CGD 30 Introduction to Environmental Design
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
Develops skills and computer aided design (CAD) skills necessary for designing and producing a set of plans for an array of environmental projects, such as residential remodels, landscape projects, interior design and other small construction projects. Includes introduction to building codes, sustainable design concepts, specifications and other architectural construction document basics necessary for getting permits and entering environmental design careers.

CGD 110 Computer Graphics Lab
Units: 1.0 TO 4.0 Hours: 3.0 TO 12.0 Laboratory
Transferable: CSU
Complements computer graphics and art courses by providing additional competence in software applications, libraries, and graphical user interfaces to support computer graphics and design projects by providing supervised practice and individualized computer assisted learning on software and techniques commonly found in the computer graphic design field. This is an open entry/exit class and may be repeated three times for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Concurrent enrollment in corresponding computer graphic and design classes. Computer lab work can be done both in lab and off-site.

General Education Requirements, pages 47-57
COURSE OFFERINGS

CGD 160  Technical Desktop Publishing/Graphics
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU
Create multimedia presentations to effectively communicate ideas and market designs. Applies concepts, theories and principles of typography, color and design to create digitally based portfolios for application to four year colleges or for entry level employment. ADVISORY: Eligible for English 250, 260 and Mathematics 233. Familiarity with word processing, keyboarding, and DOS file management. Computer lab work can be done both in lab and off-site.

CGD 190  Occupational Work Experience/Computer Graphics & Design
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: CSU
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school enrollment in one other class is required). Minimum 2.0 G.P.A. Computer lab work can be done both in lab and off-site.

COMPUTER SCIENCE & INFORMATION SYSTEMS

CSIS 1  Computer Literacy - MS Office
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU, UC; GAV-GE:E2; CAN:CSCI2
An introduction to terminology, design, operation for the novice user. Student will gain experience using the Internet for searches and email. They will complete projects using various software including word processing, spreadsheets, database, presentation graphics, and integration. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260; completion of CSIS 122.

CSIS 2  Computers in Business - MS Office
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable: CSU; GAV-GE:E2; CAN:BUS6
Introduction to computerized business data processing, information management systems, computer hardware, office automation, telecommunications, computer languages, systems analysis and design; hands on experience with common business software packages including word processing, spreadsheets, data base management, presentation graphics as well as systems software and Internet applications. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for Mathematics 233, English 260 and English 250, and CSIS 122.

CSIS 2L  Computers in Business Lab - MS Office
Units: 1.0  Hours: 3.0 Laboratory
Transferable: CSU
Computer Lab emphasizing business application in Microsoft Word, Excel, Access, Power Point and Integration. Internet searches are included. This course has the option of a letter grade or pass/no pass. Since supervised repetition and practice enhance skills/proficiencies. This course may be repeated once for credit.

CSIS 3  Research Skills
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
Research and evaluation skills using the Internet and other electronic resources, as well as traditional printed materials. Also listed as LIB 3. This course has the option of a letter grade or pass/no pass. May be repeated once for credit. ADVISORY: Eligible for English 250 and 260.

CSIS 5  C++ Scientific Programming
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; CAN:CSCI4
An introduction to computer problem solving and programming using the C++ language for science and engineering majors. Students will write programs for a variety of scientific and mathematical applications. This course has the option of a letter grade or pass/no pass. PREREQUISITE: Mathematics 1A ADVISORY: Completion of CSIS 10.

CSIS 6  Web Page Authoring I
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU; GAV-GE:E2
An introduction to using Hypertext Mark-Up Language (HTML) and Extensible HTML (XHTML) to create web pages which can be uploaded and displayed on the World Wide Web. Students will use HTML/XHTML to create web pages with text in various sizes and colors, links to other sites, background color or patterns, graphics, tables and mailto links. Principles of design and color as they apply to screen presentations will be included. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. Also listed as LIB 6 and DM 6. ADVISORY: CSIS 1 or CSIS 2 or CSIS 3/LIB 3 advised.

CSIS 7  Web Page Authoring II
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
This course is a continuation of CSIS 6, Web Page Authoring I. Topics that will be covered include XHTML, frames, advanced tables, forms, scripting languages, image maps, Cascading Style Sheets (CSS), and new trends in web page technology. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. This course is also listed as DM 7. ADVISORY: CSIS 124

CSIS 8  Introduction to the Internet
Units: 1.0  Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:E2
This course will provide students the opportunity to learn to use the Internet and the World Wide Web. Topics to be covered include history of the Internet and development of the WWW, web browsers, search engines, tools to develop web pages, how to get connected and local Internet providers. This is a pass/no pass course. May be repeated three times for credit. ADVISORY: CSIS 124

CSIS 9  Computer Education for Teachers
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
The history, uses and development of computers in education. Basic computer skills and terminology will be taught in context of teacher education. Students who successfully complete this course will understand general and specific skills and knowledge required to meet the Technology Standard for Multiple and Single Subject Credential Candidates. This course has the option of a letter grade or pass/no pass. This course is also listed as CD 12. ADVISORY: CSIS 122 Computer Keyboarding, or equivalent; English 250 with a grade of C or better.

CSIS 10  BASIC Programming
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU, UC
This course is an introduction to programming using BASIC. No previous programming background is assumed. This is a good class for those new to programming and recommended for non-programmers that want to take other programming classes. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 1 or CSIS 2 or equivalent experience.

CSIS 12  Assembly Language Programming
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC
Fundamentals of assembly language programming concepts and techniques. Topics include internal representation of data, arithmetic operations, logic statements, and general assembly language commands. Introduce low level language architecture including assemblers, linkage editors, and loaders. This course has the option of a letter grade or pass/no pass. COREQUISITE: CSIS 12L Assembly Language Programming Lab ADVISORY: CSIS 45 (C++ Programming) or programming experience. Math 233 (Intermediate Algebra)
CSIS 12L  Assembly Language Programming Lab
Units: 1.0  Hours: 3.0 Laboratory
Transferable: CSU, UC
Supplemental practice in coursework associated with this course is provided. Concurrent enrollment in CSIS 12 is required. This is a pass/no pass course. COREQUISITE: CSIS 12 Assembly Language Programming

CSIS 18 UNIX/C++ Programming
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC
An introduction to the C++ programming language and the UNIX operating system. Topics include programming on a UNIX system, including C/C++ language, shell programming, and the interface between C++ and UNIX. This course has the option of a letter grade or pass/no pass. Concurrent enrollment in CSIS 18L is required. COREQUISITE: CSIS 18L UNIX/C++ Programming Lab ADVISORY: CSIS 48 UNIX Operating System, CSIS 10 BASIC Programming or other programming experience.

CSIS 18L UNIX/C++ Programming Lab
Units: 1.0  Hours: 3.0 Laboratory
Transferable: CSU, UC
Supplemental practice in coursework associated with this course is provided. Concurrent enrollment in CSIS 18 is required. This course has the option of a letter grade or pass/no pass. COREQUISITE: CSIS 18 UNIX/C++ Programming

CSIS 20 COBOL Programming
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable: CSU
An introductory course in the language COBOL. Suggested for students interested in business and commercial data processing. Structured COBOL statements, COBOL syntax, modular program planning techniques, and business data processing applications from initial job application phase through programming and testing will be studied. The student has the opportunity for extensive programming experience on the college computer. This course has the option of a letter grade or pass/no pass. ADVISORY: Other programming experience.

CSIS 24 Java Programming I
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
Introduction to Java programming. Includes learning the Java environment, using and creating Java applets, and writing stand-alone applications. Covers the Java environment, object-oriented programming, language basics, classes, interfaces, packages, threads, and exceptions. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 45 C++ Programming or equivalent programming experience.

CSIS 26 Discrete Mathematics
Units: 4.0  Hours: 4.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGETC:2A; GAV-GE:B4
Topics covered include set theory, logic, relations and functions, mathematical induction and recursion, combinatorics, discrete probability, trees and graphs, analysis of algorithms, algebraic structures. Emphasis on topics of interest to computer science majors. This course has the option of a letter grade or pass/no pass. Also listed as MATH 26. PREREQUISITE: Mathematics 10 with a grade of ‘C’ or better or equivalent.

CSIS 42 Python Programming
Units: 4.0  Hours: 3.0 lecture 3.0 Laboratory
Transferable: CSU, UC
Introduction to the interpreted language called Python. Study and create programs that perform various tasks, including text and file manipulation, internet scripting, data structures, testing, and practical problem solving with examples. Covers object oriented programming and the Python Standard Library. May be repeated two times for credit. ADVISORY: CSIS 10 or programming experience.

CSIS 43 C Programming
Units: 4.0  Hours: 3.0 lecture 3.0 Laboratory
Transferable: CSU, UC
This course introduces computer programming using the C programming language. Topics include variable and constant declarations, arithmetic operations, selection, input/output operations, repetition, functions and recursion, arrays, pointers, and other related topics. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 10 BASIC Programming, or other programming experience.

CSIS 44 C# .NET Programming
Units: 4.0  Hours: 3.0 lecture 3.0 Laboratory
Transferable: CSU
This class will teach the program using the state of the art C# (C Sharp) language provided in the Microsoft .NET framework. You will learn about variables and constants, expressions and statements, operators and namespaces. Most important, you will learn how to create classes and instantiate objects. This course will provide a solid foundation for exploring the .NET framework as well as advanced topics in C#. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 45 C++ Programming

CSIS 45 C++ Programming I
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; GAV-GE:E2; CAN:CSCI18
An introduction to the concepts and methods of computer programming using C++. Students will be introduced to procedural and object-oriented programming design methodology. Topics covered include variable and constant declarations, selection statements, repetition, functions and recursion, arrays, strings, pointers, and an introduction to classes and objects. This course will prepare students for the Programming II class. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 10 or equivalent. Math 205 (Elementary Algebra)

CSIS 46 C++ Programming II
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
This course is a continuation of CSIS 45, intended for students majoring in programming and/or planning to transfer to a 4-year college or university Computer Science program. The course will cover topics discussed in CSIS 45 in more detail. In addition the course will cover more advanced C techniques such as pointers, recursion, and linked lists. Special emphasis will be placed on C++ features such as classes, objects, templates and operator overload. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 45 or CSIS 5, and Mathematics 205.

CSIS 47 Visual C++ Programming
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC
Visual C++ Programming to create professional GUI based applications using app and class wizard, common controls, dialogs, menus, tool bars, status bars, file mechanism, and custom controls. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 45

CSIS 48 UNIX/Linux Operating System
Units: 4.0  Hours: 3.0 lecture 3.0 Laboratory
Transferable: CSU, UC
This course will provide the basics of the UNIX/Linux operating system, including the history and the use of UNIX/Linux with hands-on experience using commands and files. Topics to be covered include basic UNIX/Linux commands, text editing, files and directories, electronic mail, pipes and filters, and shell programming. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

CSIS 49 UNIX/Linux Shell Programming
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
A beginning course in UNIX/Linux shell programming using different commands including awk, sed, and Perl. The course will cover theory and concepts including interpretation of different quote characters, shell variables, decision-making commands, and looping mechanism. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 48
CSIS 51  Visual Basic .NET Programming
Units: 4.0  Hours: 3.0 lecture  3.0 Laboratory
Transferable:  CSU, UC, GAV-GE:E2
An introduction to the GUI software applications using Microsoft Visual Basic .NET. This course will give students the opportunity to learn how to create applications using Visual Basic programming in the .NET framework. This course will show the students to use forms, boxes, buttons, labels, menus, scroll bars, and drawing objects. This course will show the students how to develop professional looking and deployable Visual Basic .NET applications. This course has the option of a letter grade or pass/no pass. This course may be repeated three times for credit. ADVISORY: CSIS 10 or equivalent.

CSIS 52  Linux/UNIX System Administration
Units: 4.0  Hours: 3.0 lecture  3.0 Laboratory
Transferable:  CSU
This course introduces students to the fundamentals of Linux/UNIX system administration: the setup, configuration and maintenance of Linux/UNIX servers. Topics include managing file systems, devices and user accounts, maintaining system backups and system logs, and basic system security. Students will configure a web-server, install programs, configure networking, and learn to integrate new hardware into a system. This course has the option of a letter grade or pass/no pass. Previously CSIS 152. ADVISORY: CSIS 48

CSIS 53  UNIX/Linux Networking
Units: 4.0  Hours: 3.0 lecture  3.0 Laboratory
Transferable:  CSU
This class prepares students to perform the tasks and understand the strategies of UNIX/Linux network administration including DNS, various networking protocols, firewalls, proxy servers, virtual private networks, network file systems, file transfer protocols, email configuration, web servers/browsers and various network monitoring tools. This course has the option of a letter grade or pass/no pass. May be repeated two times for credit. ADVISORY: CSIS 48 and CSIS 175A

CSIS 54  Perl Programming
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC
Introduction to the interpreted language called PERL, the Practical Extraction and Report Language. Writing of programs that perform various tasks, including text, file and process manipulation. Semantics and syntax of the Perl language, including discussion of the practical kinds of problems that Perl can solve and provides examples. This course has the option of a letter grade or pass/no pass. Concurrent enrollment in CSIS 54L is required. COREQUISITE: CSIS 54L Perl Programming Lab ADVISORY: CSIS 45 C++ Programming or equivalent programming experience.

CSIS 54L  Perl Programming Lab
Units: 1.0  Hours: 3.0 Laboratory
Transferable:  CSU, UC
Supplemental practice in coursework associated with this course is provided. Concurrent enrollment in CSIS 54 is required. COREQUISITE: CSIS 54 Perl Programming

CSIS 56  Game Programming
Units: 4.0  Hours: 3.0 lecture  3.0 Laboratory
Transferable:  CSU
This course is an introduction to game programming using Windows game programming tools, using graphics, animation, sound and input devices. The class is a hands-on class where the student will use the basic tools and techniques to create original games. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 51 Visual Basic Programming or similar programming experience.

CSIS 61  Introduction to Geographic Information Systems
Units: 4.0  Hours: 3.0 lecture  3.0 Laboratory
Transferable:  CSU, UC
The Geographic Information Systems (GIS) class introduces students to and teaches them how to use desktop GIS software. GIS is a computer-based data-processing tool used to analyze and manage spatial information that combines computers and geography. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

CSIS 72  Desktop Publishing - QuarkXPress
Units: 3.0  Hours: 2.0 lecture  3.0 Laboratory
Transferable:  CSU
This course will provide students the opportunity to learn to use basic features of desktop publishing software to create all types of publications: flyers, brochures, newsletters, and advertisements. Included in the course will be the basic page layout and design principles and integrating text and graphics to create attractive business publications. The course will be taught with industry standard software. This course has the option of a letter grade or pass/no pass. This course may be repeated once for credit. This course is also listed as DM 72. ADVISORY: CSIS 124 and CSIS 126

CSIS 73  Desktop Publishing - Adobe InDesign
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU
This course will provide students the opportunity to learn to use basic features of desktop publishing software to create all types of publications: flyers, brochures, newsletters, and advertisements. Included in the course will be basic page layout and design principles and integrating text and graphics to create attractive business publications. The course will be taught with Adobe InDesign. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. Also listed as DM 73. ADVISORY: Completion of CSIS 1 or completion of CSIS 2

CSIS 74  Advanced Photoshop
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU; GAV-GE:C1
This course is for the Photoshop-experienced student and explores Photoshop’s advanced features in depth. Students work on projects, which challenge their creativity and technical ability, and will be encouraged to develop complex projects for the web and for the printed page. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 74 and DM 74. ADVISORY: CSIS 75 Photoshop I

CSIS 75  PhotoShop I - Adobe PhotoShop
Units: 3.0  Hours: 2.0 lecture  3.0 Laboratory
Transferable:  CSU; GAV-GE:C1
This course is based on the software application Adobe PhotoShop. Students learn to scan photographs and manipulate them using Photoshop tool box and special effects filters. They will learn to correct photos; mask image using channels; create duotone, tritone, and quadathone images; prepare photos for use in printing and on the web. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. Students who repeat this course will learn new and advanced features. This course is also listed as DM 75. ADVISORY: CSIS 124 (Windows Fundamentals), CSIS 2L

CSIS 76  Digital Illustration
Units: 3.0  Hours: 2.0 lecture  3.0 Laboratory
Transferable:  CSU; GAV-GE:C1
Illustration techniques using computer Bezier curve-based illustration software tools to do diagrams and graphics for use in art, desktop publishing, web graphics, multimedia, and computer presentations. This basic illustrator course is focused on the technical and historical aspects of digital design and illustration as well as the development of personal artistic expression and visual perception through the use of the digital illustration medium. The course will include lectures and discussions about color, composition and content, computer and illustration program use, printing and presentation techniques. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 76 and DM 76. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
CSIS 77  Introduction to Digital Media and its Tools  
**Units:** 3.0  **Hours:** 2.0 lecture 3.0 Laboratory  
**Transferable:** CSU, UC; GAV-GE:C1  
An introduction to the field of digital media, including history, social impact, concepts, career options and industry trends. Applying learned visual and aural design principles, students will explore the use of computer-based tools in the design and production of digital media by creating and editing digital images, sounds, video, animation, and text. A comprehensive term project for publication on the web or CD ROM will be required. This course is also listed as ART 77 and DM 77. This course has the option of a letter grade or pass/no pass. May be repeated twice for credit. ADVISORY: CSIS 124, CSIS 1, CSIS 2/2L, CSIS 3, or familiarity using the Macintosh or Windows operating system.

CSIS 78  Web Sites with SQL and PHP  
**Units:** 4.0  **Hours:** 3.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
Covers the programming of database-driven, web-based applications (such as an eCommerce web site) using PHP and MySQL. PHP is a powerful language for writing server-side Web applications. MySQL is the world's most popular open source database. Together these two technologies provide a powerful platform for building database-driven Web applications. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 128 Database - Access, or equivalent database experience.

CSIS 79  Portfolio Development  
**Units:** 1.0  **Hours:** 1.0 Lecture  
**Transferable:** CSU; GAV-GE:C1  
The planning and production of personal portfolios and self-promotion materials, including online, print, slides, and e-media (CD ROM, DVD) portfolios; cover letters, and resumes. Focuses on self-promotion for jobs, self-employment, or advanced education in the fields of Digital Media, Art, and Computer Graphic Design. Students will leave the class with one or more portfolios representing their work. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 79 and DM 79.

CSIS 80  Digital Photography  
**Units:** 3.0  **Hours:** 2.0 lecture 3.0 Laboratory  
**Transferable:** CSU, UC; GAV-GE:C1  
The study of digital photography from digital camera to the computer-based printer or digital media. Artistic, theoretical, and technical aspects will be considered. Topics include information about types and purchasing of digital cameras; theory, mechanics, and art of digital imagery; digital darkroom; eccentricities of digital photo taking; stitching photos for virtual reality; and preparing digital images for print, World Wide Web and other digital media. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 80 and DM 80. ADVISORY: CSIS 1 or CSIS 2/2L or ART 8A or equivalent computer experience.

CSIS 84  JavaScript Programming  
**Units:** 2.0  **Hours:** 2.0 Lecture  
**Transferable:** CSU, UC  
Fundamentals of JavaScript client-side programming for Web pages requiring data collection or other user interaction. Students will create Web pages that execute on the client (personal system) using JavaScript. This course may be repeated one time for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 6

CSIS 85  Web Design I: Dreamweaver  
**Units:** 2.0  **Hours:** 2.0 Lecture  
**Transferable:** CSU; GAV-GE:C1  
Basic and intermediate principles of designing Web pages/sites using the Dreamweaver web design software and HTML. Emphasis will be on good design and the use of tables, frames, forms, rollovers, DHTML, XHTML, behaviors, and CSS. Also includes site maintenance and the integration of multimedia components such as graphics, sound, animation, and video. This course is for the content person to design, develop, and maintain effective Web sites. This course is also listed as ART 85 and DM 85. This course has the option of a grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 6 or basic knowledge of HTML.

CSIS 88  PHP Programming  
**Units:** 4.0  **Hours:** 3.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
PHP is a programming language for writing server-side, cross platform, HTML-embedded scripts. Topics include introduction to PHP and syntax, configuring a Web server for use with PHP, programming in PHP using basic scripts with conditional constructs, loops, functions, operators, arrays, databases and data files, email, forms, and cookies. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 6 or HTML experience.

CSIS 107  Digital Media Design  
**Units:** 2.0  **Hours:** 1.5 lecture 1.5 Laboratory  
**Transferable:** CSU  
Fundamentals of design for visual, time-based, interactive, and sound arts as applied to digital media. Includes basic storytelling, graphic design, information architecture, and human factors. Page layout, scriptwriting, storyboards, and flow charts will be used as tools applicable to the design and development of business presentations, interactive media, educational multimedia, animation, web sites, video games, and film/video. This course has the option of a letter grade or pass/no pass. Also listed as ART 107 and DM 107. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

CSIS 108  Digital Media Lab  
**Units:** .5 TO 3.0  **Hours:** 1.5 TO 9.0 Laboratory  
**Transferable:** CSU; GAV-GE:C1  
Supervised practice and individualized computer assisted learning of software applications and techniques commonly found in the design and production of digital media (e.g., digital art and imaging, digital photography, digital print, digital audio/video, web design/authoring, DVD/CD ROMs, animation). Supplements lecture courses. Open entry/exit, so may be added at anytime during the semester. This is a pass/no pass course. May be repeated three times for credit. Also listed as ART 108 and DM 108. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

CSIS 109  Interactive Animation and Authoring: Director  
**Units:** 3.0  **Hours:** 2.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
Use of animation/interactive multimedia development software (MacroMedia Director) and techniques for designing business presentations, interactive multimedia, educational materials, interactive web animation, computer games, and video animation. The study of interactivity and integration of multiple types of art content such as 2D and 3D animation, digital video, graphics, and sound. Applicable to the design and production of CD-ROMs and web sites. This course has the option of a letter grade or pass/no pass. This course is also listed as DM 109. ADVISORY: CSIS 1/1L Computer Literacy (& Lab) or CSIS 2/2L Computers in Business (& Lab) CSIS 77 Intro. to Digital Media and its Tools

CSIS 110  Interactive Animation: Flash  
**Units:** 3.0  **Hours:** 2.0 lecture 3.0 Laboratory  
**Transferable:** CSU; GAV-GE:C1  
The production of vector graphics, animation, and interactive multimedia in Shockwave-Flash format for web pages and other digital media. Design of highly interactive web site interfaces and animated games using Flash actions (scripting). Useful for web designersdevelopers, animators, and multimedia authors. This course has the option of a letter grade or pass/no pass. Also listed as ART 110 and DM 110. May be repeated three times for credit. ADVISORY: CSIS 1, CSIS 2/2L, CSIS 124 or basic computer knowledge.

CSIS 112  Keyboard Speed Building  
**Units:** .5 TO 1.0  **Hours:** 1.5 TO 3.0 Laboratory  
**Transferable:** CSU  
This self-paced course is designed for students who know the alphabetic keyboard by touch and who want to develop their keyboarding speed. Students will use a microcomputer to keyboard a series of straight-copy timings, which will enable them to achieve a high level of skill. This is a pass/no pass course. May be repeated once for a total of 1 unit. ADVISORY: CSIS 122 or knowledge of keyboard with keyboarding speed of at least 25 wpm.
CSIS 113  Introduction to Digital Video
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU; GAV-GE:C1
Introduction to the aesthetic and technical aspects of digital video recording, non-linear editing, special effect generation, and production of video (and associated audio) using the personal computer equipped with specialized software such as iMovie, Final Cut Pro, and After Effects. Also considered will be the preparation of digital video for use in interactive media such as CD, DVD, and the World Wide Web. Students will produce a final digital video project on DVD. This course has the option of a letter grade or pass/no pass. May be repeated 2 times for credit. Also listed as ART 113 and DM 113. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

CSIS 114  Digital Media Production
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
A team oriented practicum that focuses on the application of learned skills to the production of digital media and digital print projects, such as web sites, CD ROM, and DVDs. Project development will be accomplished according to team derived master schedules. Lectures will be on project management, work coordination and production techniques, client-team interface, asset management and integration, budget estimates, testing, and copyright infringement. Please note that this is very much a team oriented class. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 147. ADVISORY: At least one of the following: ART 75, CGE 2, JOUR 18A, MUS 21, CSIS 7, CSIS 71, OR CSIS 77. or possess equivalent skills from any one of the following areas: digital media, computer graphics, digital print, film, TV/video, journalism (publishing), drawing or illustration, web design/ development, business/marketing, or programming.

CSIS 116  DVD Authoring
Units: 2.0  Hours: 1.5 lecture 1.5 Laboratory
Transferable: CSU
Study of the artistic and technical aspects of authoring interactive DVDs (Digital Video/Versatile Disk). Special attention will be given to interactive design and the integration and conversion (encoding) of time-based media (e.g., multi-angle video, animation, Dolby sound) special to this media format. Students will be able to produce their own DVD of video, slide shows, and/or interactive games. This course has the option of a letter grade or pass/no pass. May be repeated two times for credit. Also listed as ART 116 and DM 116. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

CSIS 117  Visual Effects-Motion Graphics
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU, UC
Study of the design of visual effects and motion graphics used in digital video, film, web, multimedia, and interactive games. Includes video/graphics compositing techniques, 2D animation, basic 3D animation, and effects commonly done in digital post-production. Software such as Adobe After Effects and Apple’s Motion and Shake will be used. May be repeated 3 times for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 117 and DM 117. ADVISORY: DM/ART/CSIS 113 or DM/ART/CSIS 140 or DM/ART/CSIS 77 or THEA 17A or basic knowledge of digital video/film editing.

CSIS 120  Computerized Accounting - QuickBooks
Units: 2.0  Hours: 1.0 lecture 3.0 Laboratory
Transferable: CSU
An introduction to computer assisted accounting. Hands-on use of a microcomputer menu-driven accounting package to do general ledger, sales journal, cash receipts journal, cash payments journal, purchases journal, payroll, receivables, payables and related financial reports. This course has the option of a letter grade or pass/no pass. Repeatable whenever a new software package is adopted. This course is also listed as ACCT 120. ADVISORY: CSIS 1 or CSIS 2 or the equivalent computer experience. ACCT 20 or ACCT 101 or ACCT 103 or ACCT 105 or the equivalent accounting experience.

CSIS 121  Spreadsheet - MS Excel
Units: 1.0 OR 2.0  Hours: 1.0 OR 2.0 Lecture
Transferable: CSU
Introduction to the computer spreadsheet software. A hands-on approach to learning terms, commands, and applications of a spreadsheet program. This course will help prepare students for taking the Excel MOUS (Microsoft Office User Specialist) exams. This course has the option of a letter grade or pass/no pass. May be repeated once for credit when the software changes. Also listed as ACCT 121. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

CSIS 122  Computer Keyboarding
Units: .5 TO 1.5  Hours: 1.5 TO 4.5 Laboratory
Transferable: CSU
A self-paced course for students who wish to master the alphabetic and numeric keyboard on the computer. This course is designed for students who do not know the alphabetic keyboard by “touch” and for those who want to improve their ability to type straight copy with increased speed and accuracy. The course provides “hands-on” instruction to help students reach optimum computer keyboarding skills within a limited time. This is a pass/no pass course. Course may be repeated up to three times for credit. ADVISORY: Basic keyboarding skill.

CSIS 124  Windows Fundamentals
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
This course provides fundamental information on the Windows environment for the computer. Introductory Windows operations and file management are covered. This is a pass/no pass course. This course may be repeated three times for credit. ADVISORY: Basic keyboarding skills.

CSIS 126  Word Processing - MS Word
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
This introductory course for word processing with Windows is designed for business and non-business majors. Students will develop word processing skills to create a document, select and edit text, move and copy text, use the spelling, grammar, and thesaurus features, format text, and create headers and footnotes for a research paper. This course has the option of a letter grade or pass/no pass and may be repeated for credit when the software changes. ADVISORY: Eligible for English 260 and basic keyboarding skills.

CSIS 128  Database - MS Access
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
Introduction to Microsoft Access, a relational database management software tool. Students will learn to create and manage a database. This course will help prepare students for taking the Access MOUS (Microsoft Office User Specialist) exams. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 1 or CSIS 2 or equivalent knowledge.

CSIS 129  Presentation Graphics - MS PowerPoint
Units: 1.0  Hours: 1.0 Lecture
Transferable: CSU
This introductory course in presentation graphics will use Microsoft Office’s “PowerPoint” software to create a computerized presentation (slide show) with text and objects. This course is also listed as CMUN 129. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 126 or word processing skills in the Windows environment.

CSIS 132  Intermediate Word Processing - MS Word
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU
This course covers formatting with macros and styles, mail merge techniques, sorting data in tables, preparing and protecting forms. These techniques will be applied to a variety of different documents: contracts, reports, surveys, manuscripts, and various types of letters. Other topics include working with shared documents in a workgroup, integrating applications and creating hyperlinks for workgroup settings using Microsoft Word. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 126 Word Processing - MS Word.
CSIS 134  Intermediate Excel  
**Units:** 2.0  **Hours:** 2.0 Lecture  
**Transferable:** CSU  
This course continues on where CSIS 121 Spreadsheet - MS Excel left off. Intermediate level training in spreadsheets using the Microsoft Excel program. The course includes graphing, formatting, database features, macros, and financial business calculations for decision making. This course has the option of a letter grade or pass/no pass. May be repeated once for credit. ADVISORY: CSIS 121 Spreadsheets - MS Excel

CSIS 140  Basic Digital Film/Video Production  
**Units:** 1.0  **Hours:** 1.0 Lecture  
**Transferable:** CSU, UC; GAV-GE:C1  
An on-line self-paced course covering the basics of film/video production and post production (editing) using "easy to use" computer software such as Apple’s iMovie. Beneficial for students who are producing a video/film project as a requirement for another college course, extra skills development, or for self interest. Completion of the associated class or personal project in DVD format using either personal video equipment or the equipment in the Digital Media Studio is required. May be repeated twice for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 140 and DM 140.

CSIS 142  Windows Vista  
**Units:** 1.0  **Hours:** 1.0 Lecture  
**Transferable:** CSU  
This course provides fundamental information on the new Windows Vista environment for the computer. Introductory Windows Vista operations and file management are covered. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

CSIS 151  Introduction to XML Authoring  
**Units:** 3.0  **Hours:** 2.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
This course provides an introduction and overview of eXtensible Markup Language (XML) and XML related technologies used to develop content and manipulate data for commercial web sites. XML is a revolutionary language which is rapidly becoming a Web development standard for business-to-business transactions, and for database manipulation and searching. The class will cover well-formed and valid XML documents, namespaces, schemas, cascading style sheets (CSS), and XSLT. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 6

CSIS 155  Microsoft FrontPage  
**Units:** 2.0  **Hours:** 2.0 Lecture  
**Transferable:** CSU  
Students will learn how to use the Web authoring software FrontPage to create and modify Web pages. Topics include formatting text, using tables, frames, images, and links. Also, the class will cover the syntax and use of HTML commands for modifying Web pages. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

CSIS 169  Advanced Word Processing with Desktop Publishing - MS Word  
**Units:** 2.0  **Hours:** 1.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
This course will include advanced features of Microsoft Word: fonts, merging, columns, graphics, drawing, templates, and styles. Desktop publishing features will also be introduced. This course has the option of a letter grade or pass/no pass. May be repeated once for credit. PREREQUISITE: CSIS 126 or working knowledge of Microsoft Word ADVISORY: Eligible for English 250.

CSIS 175A  Networking Essentials  
**Units:** 4.0  **Hours:** 4.0 Lecture  
**Transferable:** CSU  
This course introduces network standards, concepts, topology and terminology including LANs, WANs, the OSI model, cabling, IP addressing, network hardware and various protocols. The content of this course aligns itself with the first course in the Cisco Systems Networking Academy (CCNA 1) and the Microsoft MCSE series. This course has the option of a letter grade or pass/no pass. Previously CSIS 91A. ADVISORY: Mathematics 205, CSIS 1 or CSIS 2 and CSIS 181.

CSIS 175B  Router Theory and Router Technologies  
**Units:** 4.0  **Hours:** 4.0 Lecture  
**Transferable:** CSU  
This course is the second of four courses in the Cisco Networking Academy curriculum. This course is an introduction to router concepts and terminology including Ethernet and Token Ring frames, RIP and IGRP routing protocols, distance vector and link state routing, routing loop issues, TCP/IP basics, IP addressing, and IP access lists. Students will get hands-on experience configuring Cisco routers. This course has the option of a letter grade or pass/no pass. PREREQUISITE: CSIS 175A ADVISORY: CSIS 48

CSIS 175C  Advanced Routing/Switching/WAN  
**Units:** 4.0  **Hours:** 4.0 Lecture  
**Transferable:** CSU  
This course is the third/last course in the Cisco Networking Academy curriculum. This course covers the advanced features of router and routing concepts including IPX access lists, LAN segmentation, network congestion issues, cut-through and store and forward switches, and the operation of the Spanning Tree protocol. Other topics include: Wide Area Network services including LAPB, Frame Relay, ISDN, HDLC, PPP, DDR, LMI's and maps and subinterfaces on the Cisco router. This class includes practice using the Cisco routers. This course has the option of a letter grade or pass/no pass. PREREQUISITE: CSIS 175B

CSIS 177  Operating System, Networking Lab  
**Units:** 1.0  **Hours:** 3.0 Laboratory  
**Transferable:** CSU  
This course provides students access to the Networking OS/Lab. Students have the opportunity to get hands-on access to routers and switches to help them prepare for Cisco certification exams or the more advanced CCNP courses. The course is self-paced, individualized instruction. Students from the Linux/UNIX classes and the Operating System class will also have the opportunity to practice on the software used for their classes. This is a pass/no pass course. May be repeated three times for credit. Students repeating this course will learn new and advanced features.

CSIS 178  Applied Networking  
**Units:** 4.0  **Hours:** 3.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
This course covers fundamental networking concepts and develops the skills and knowledge to set up and maintain small business/home networks. The course is not hardware or vendor specific. It helps students prepare for the “Network +” certification exam, an industry-wide, vendor-neutral certification program developed and sponsored by the Computing Technology Industry Association (CompTIA). This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 124

CSIS 179  Introduction to Information Security  
**Units:** 4.0  **Hours:** 3.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
This course introduces students to network security concepts and prepares them for computer systems and network management duties. This course covers security concepts, communications and infrastructure security, basic cryptography, and operational and organizational security. May be repeated twice for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 178.

CSIS 181  PC Hardware  
**Units:** 4.0  **Hours:** 3.0 lecture 3.0 Laboratory  
**Transferable:** CSU  
This course examines computing hardware, operating systems, and software applications from a technical side to enable students to select, install, maintain and optimize a computer system. This course will help prepare students to pursue the A+ Hardware Certification. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 124, CSIS 1 OR CSIS 2, or equivalent computer experience.
CSIS 182 Operating Systems
Units: 4.0  Hours: 3.0 lecture 3.0 Laboratory
Transferable: CSU
This course will survey current computer operating systems such as Microsoft Windows 98, NT, 2000 and XP. Linux will also be covered. Topics include file system management, systems requirements, network systems integration, security, and regular maintenance procedures. Course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

CSIS 183 Introduction to Microsoft Servers
Units: 4.0  Hours: 3.0 lecture 3.0 Laboratory
Transferable: CSU
This course introduces students to the fundamentals of Microsoft Server setup and administration. Topics include managing file systems (including Active Directories), devices, user accounts, backups, and basic security. Course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: CSIS 182.

CSIS 190 Occupational Work Experience/Computer Science
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: CSU
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

CSIS 274 Telecommunication and Network Cabling
Units: 2.0  Hours: 1.0 lecture 3.0 Laboratory
Transferable: No
This course provides an introduction to telecommunications and network cabling. Students will receive hands-on training in installing, terminating, testing, and troubleshooting both copper and fiber optic-based cabling systems. Course has the option of a letter grade or pass/no pass.

CSIS 570 Computer Access Evaluation
Units: 5  Hours: 1.5 Laboratory
Transferable: No
This course is intended to provide an in-depth computer access evaluation in order to determine an appropriate access environment for a student with a disability or multiple disabilities. This is a pass/no pass course. May be repeated as necessary based on measurable progress as documented in the Student Educational Contract. This is an open entry, open exit course. ADVISORY: This course is intended for students with a verified disability who show a need for the use of adaptive computer programs and/or equipment or demonstrated academic deficit.

CSIS 571 Computer Assisted Instruction
Units: 5 TO 2.0  Hours: 1.5 TO 6.0 Laboratory
Transferable: No
This course is an Assistive Computer Technology Lab designed for students who are eligible for Disability Services. The course is designed to improve basic academic skills and/or cognitive processes through the use of appropriate software or to learn assistive devices designed to make computers accessible. Course content is based on Student Educational Contracts which are developed for each student. This is a pass/no pass course. May be repeated as necessary based on measurable progress as documented in the Student Educational Contract. This is an open entry, open exit course. ADVISORY: This course is intended for students with a verified disability who show a need for the use of adaptive computer programs and/or equipment or demonstrated academic deficit.

CSIS 572 Adaptive Computer Basics
Units: 1.0  Hours: 3.0 Laboratory
Transferable: No
This course will include an introduction to the basic concept of how computers work, using the computer keyboard, word processing, beginning Internet and presentation graphics. This course will be self-paced and adjusted so that students with disabilities can learn a number of adaptive devices designed to make computers accessible. This is a pass/no pass course. May be repeated as necessary based on measurable progress as documented in the Student Educational Contract. ADVISORY: This course is intended for students with a verified disability who show a need for the use of adaptive computer programs and/or equipment or demonstrated academic deficit.

COS 191A Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: No
Workplace Skills teaches skills vital to workplace success. The topic for 191A is Interpersonal Communication. Need not be taken in sequence. This is a pass/no pass course.

COS 191B Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: No
Workplace Skills teaches skills vital to workplace success. The topic for 191B is team building. Need not be taken in sequence. This is a pass/no pass course.

COS 191C Workplace Skills
Units: 1.0  Hours: 1.0 Lecture
Transferable: No
Workplace Skills teaches skills vital to workplace success. The topic for 191C is Problem Solving. Need not be taken in sequence. This is a pass/no pass course.

COS 200 Beginning Cosmetology
Units: 12.0  Hours: 5.0 lecture 20.0 Laboratory
Transferable: No
Fundamental principles of the science/art of beauty culture including hair design, chemical services and cosmetic therapy. May be repeated once for credit. ADVISORY: Eligible for English 250, 260 and Mathematics 205.

COS 201 Intermediate Cosmetology
Units: 12.0  Hours: 5.0 lecture 20.0 Laboratory
Transferable: No
Extended studies and techniques in tinting, bleaching, permanent waving, shaping, styling, acrylic nail, pedicuring, chemical straightening, soft perming, waxing, care of skin and make-up. ADVISORY: Satisfactory completion of Cosmetology 200. Eligible for English 250, 260 and Mathematics 205.

COS 202 Advanced Cosmetology
Units: 12.0  Hours: 5.0 lecture 20.0 Laboratory
Transferable: No
Advanced techniques in tinting, lightening, hair design and cosmetic chemistry. May be repeated once for credit. PREREQUISITE: Completion of COS 200 & 201. ADVISORY: Eligible for English 250, 260 and Mathematics 205.
COS 203  
**Practicum**
Units: 0.5 TO 12.0  
Hours: 0.0 TO 5.0 Lecture, 0 TO 20.0 Laboratory  
Transferable: No  
Advanced techniques in tinting, lightening, hair and design and cosmetic chemistry. May be repeated once for credit. PREREQUISITE: Completion of COS 200, 201 and 202. ADVISORY: Eligible for English 250, 260 and Mathematics 205.

COS 204  
**Job Entry Skills**
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: No  
Skills for competing in the job market. Includes employment strategies, interpersonal skills, marketing personal services, teamwork and quality management. ADVISORY: Eligible for English 250 and 260.

COS 205  
**State Board Review**
Units: 2.0  
Hours: 1.0 lecture 4.0 Laboratory  
Transferable: No  
State Board exam procedures and standards. ADVISORY: Cosmetology 201.

COS 207  
**Contemporary Styling**
Units: 4.5  
Hours: 4.5 lecture 27.0 Laboratory  
Transferable: No  
Studies and techniques in braiding, weaving, glass nails, silk wrap, individual lash and brow tinting, corrective make-up and low lights. This is a 6 week class offered in summer session only. May be repeated once for credit. ADVISORY: Satisfactory completion of Cosmetology 200. Eligible for English 250, 260, and Mathematics 205. Intermediate and Advanced cosmetology enrollments only.

COS 208  
**Cosmetology Chemistry**
Units: 4.5  
Hours: 4.5 lecture 27.0 Laboratory  
Transferable: No  
Fundamental principles of cosmetic chemistry as it applies to chemical waving, straightening, coloring and lightening. This 6 week course is offered in summer session only. ADVISORY: Completion of Cosmetology 200. Eligible for English 250 and 260.

COS 209  
**Scientific Skin Care (Esthetics)**
Units: 4.0 TO 8.0  
Hours: 1.5 TO 3.0 Lecture, 7.5 TO 15.0 Laboratory  
Transferable: No  
An introductory course designed to provide the skills necessary to be employed as an Esthetician (Facialist). Skills taught include skin care and treatment, cosmetics, and the use of electrical modalities. REQUIRED: 17 years of age, completed 10th grade or equivalent, as per State Board of Cosmetology.

COS 211  
**Advanced Scientific Skin Care (Esthetics)**
Units: 4.0 TO 8.0  
Hours: 0.0 TO 3.0 Lecture, 0 TO 15.0 Laboratory  
Transferable: No  
An advanced in-depth study and training in the care and treatment of skin, cosmetics and manipulative electrical modalities as required by the State Board of Cosmetology. PREREQUISITE: Completion of COS 220 or equivalent.

COS 290  
**Occupational Work Experience/Cosmetology**
Units: 1.0 TO 4.0  
Hours: 5.0 TO 20.0 Laboratory  
Transferable: No  
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

**DIGITAL MEDIA**

DM 6  
**Web Page Authoring I**
Units: 2.0  
Hours: 2.0 Lecture  
Transferable: CSU; GAV-GE:E2  
An introduction to using Hypertext Mark-Up Language (HTML) and Extensible HTML (XHTML) to create web pages which can be uploaded and displayed on the World Wide Web. Students will use HTML/XHTML to create web pages with text in various sizes and colors, links to other sites, background color or patterns, graphics, tables and mailto links. Principles of design and color as they apply to screen presentations will be included. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. Also listed as CSIS 6 and LIB 6. ADVISORY: CSIS 1 or CSIS 2 or CSIS 3/LIB 3 advised.

DM 7  
**Web Page Authoring II**
Units: 2.0  
Hours: 2.0 Lecture  
Transferable: CSU  
This course is a continuation of CSIS 6, Web Page Authoring I. Topics that will be covered include XHTML, frames, advanced tables, forms, scripting languages, image maps, Cascading Style Sheets (CSS), and new trends in web page technology. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. This course is also listed as CSIS 7. ADVISORY: CSIS 6

DM 48A  
**Computer Art I**
Units: 3.0  
Hours: 2.0 lecture 4.0 Laboratory  
Transferable: CSU  
A survey course focused on digital art and the technical and historical aspects of digital imaging. Students will engage in the development of personal artistic expression and visual perception in the creation of a unified body of digitally generated artwork utilizing creative digital image processing software. The course will include lectures and discussions about composition and content, computer hardware and peripheral use, digital image processing software, digital materials, input and output devices, and presentation techniques. Lectures will include the basics of animation, 3-D graphics, and web ready graphics. Also listed as Art 48A. ADVISORY: Eligible for English 250 and English 260; concurrent enrollment in CSIS 1 recommended.

DM 48B  
**Computer Art II**
Units: 3.0  
Hours: 2.0 lecture 4.0 Laboratory  
Transferable: CSU  
Advanced digital art and the technical and historical aspects of advanced digital imaging. Students will engage in the development of personal artistic expression and visual perception in the creation of a unified body of digitally generated artwork utilizing creative digital image processing software. The course will include lectures and discussions about composition and content, computer hardware and peripheral use, digital image processing software, digital materials, input and output devices, and presentation techniques. Lectures will include advanced animation, 3-D graphics, and web ready graphics. Also Listed as Art 48B. ADVISORY: Art 48A

DM 60  
**3D Animation I**
Units: 3.0  
Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU  
Fundamentals and aesthetics of digital 3D animation, including modeling, animation and rendering. Focus on computer animation tools and techniques including workflow and storyboarding. Builds a solid foundation for developing character animation, architecture walkthroughs, and special-effect sequences. This course has the option of a letter grade or pass/no pass. May be repeated once for credit. ADVISORY: Any of the following: DM 77, DM 75, DM 76, DM 110, CGD 2, ART 48A, ART 48B, or equivalent.
### DM 61  3D Animation II
- **Units:** 3.0
- **Hours:** 2.0 Lecture 3.0 Laboratory
- **Transferable:** CSU

This class extends animation into character modeling, soundtrack synchronization, advanced shading, lighting, rendering and compositing techniques. May include topics such as particles, dynamics, and scripting. This course has the option of a letter grade or pass/no pass. ADVISORY: DM 60 or equivalent experience.

### DM 71 Desktop Publishing - Adobe PageMaker
- **Units:** 3.0
- **Hours:** 2.0 Lecture 3.0 Laboratory
- **Transferable:** CSU

This course will provide students the opportunity to learn to use basic features of desktop publishing software to create all types of publications: flyers, brochures, newsletters, and advertisements. Included in the course will be basic page layout and design principles and integrating text and graphics to create attractive business publications. The course will be taught with industry standard software. This course has the option of a letter grade or pass/no pass. May be repeated once for credit. This course is also listed as CSIS 71. ADVISORY: CSIS 124

### DM 72 Desktop Publishing - QuarkXPress
- **Units:** 3.0
- **Hours:** 2.0 Lecture 3.0 Laboratory
- **Transferable:** CSU

This course will provide students the opportunity to learn to use basic features of desktop publishing software to create all types of publications: flyers, brochures, newsletters, and advertisements. Included in the course will be basic page layout and design principles and integrating text and graphics to create attractive business publications. The course will be taught with industry standard software. This course has the option of a letter grade or pass/no pass. This course may be repeated once for credit. This course is also listed as CSIS 72. ADVISORY: CSIS 124 and CSIS 126

### DM 73 Desktop Publishing - Adobe InDesign
- **Units:** 3.0
- **Hours:** 3.0 Lecture
- **Transferable:** CSU

This course will provide students the opportunity to learn to use basic features of desktop publishing software to create all types of publications: flyers, brochures, newsletters, and advertisements. Included in the course will be basic page layout and design principles and integrating text and graphics to create attractive business publications. The course will be taught with Adobe InDesign. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. Also listed as CSIS 73. ADVISORY: Completion of CSIS 1 or completion of CSIS 2.

### DM 74 Advanced Photoshop
- **Units:** 3.0
- **Hours:** 3.0 Lecture
- **Transferable:** CSU; GAV-GE:C1

This course is for the PhotoShop-experienced student and explores PhotoShop’s advanced features in depth. Students work on projects, which challenge their creativity and technical ability, and will be encouraged to develop complex projects for the web and for the printed page. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 74 and CSIS 74. ADVISORY: CSIS 75 PhotoShop I

### DM 75 PhotoShop I - Adobe Photoshop
- **Units:** 3.0
- **Hours:** 2.0 Lecture 3.0 Laboratory
- **Transferable:** CSU; GAV-GE:C1

This course is based on the software application Adobe Photoshop. Students learn to scan photographs and manipulate them using Photoshop tool box and special effects filters. They will learn to correct photos; mask image using channels; create duotone, tritone, and quad-tone images; prepare photos for use in printing and on the web. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. Students who repeat this course will learn new and advanced features. This course is also listed as CSIS 75. ADVISORY: CSIS 124 (Windows Fundamentals), CSIS 2L

### DM 76 Digital Illustration
- **Units:** 3.0
- **Hours:** 2.0 Lecture 3.0 Laboratory
- **Transferable:** CSU; GAV-GE:C1

Illustration techniques using computer Bezier curve-based illustration software tools to do diagrams and graphics for use in art, desktop publishing, web graphics, multimedia, and computer presentations. This basic Illustrator course is focused on the technical and historical aspects of digital design and illustration as well as the development of personal artistic expression and visual perception through the use of the digital illustration medium. The course will include lectures and discussions about color, composition and content, computer and illustration program use, printing and presentation techniques. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 76 and CSIS 76. ADVISORY: CSIS 1 or CSIS 2 or equivalent computer experience.

### DM 77 Introduction to Digital Media and its Tools
- **Units:** 3.0
- **Hours:** 2.0 Lecture 3.0 Laboratory
- **Transferable:** CSU, UC; GAV-GE:C1

An introduction to the field of digital media, including history, social impact, concepts, career options and industry trends. Applying learned visual and aural design principles, students will explore the use of computer-based tools in the design and production of digital media by creating and editing digital images, sounds, video, animation, and text. A comprehensive term project for publication on the web or CD ROM will be required. This course is also listed as ART 77 and CSIS 77. This course has the option of a letter grade or pass/no pass. May be repeated twice for credit. ADVISORY: CSIS 124, CSIS 1, CSIS 2/2L, CSIS 3, or familiarity using the Macintosh or Windows operating system.

### DM 79 Portfolio Development
- **Units:** 1.0
- **Hours:** 1.0 Lecture
- **Transferable:** CSU; GAV-GE:C1

The planning and production of personal portfolios and self-promotion materials, including online, print, slides, and e-media (CD-ROM, DVD) portfolios; cover letters, and resumes. Focuses on self-promotion for jobs, self-employment, or advanced education in the fields of Digital Media, Art, and Computer Graphic Design. Students will leave the class with one or more portfolios representing their work. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 79 and CSIS 79.

### DM 80 Digital Photography
- **Units:** 3.0
- **Hours:** 2.0 Lecture 3.0 Laboratory
- **Transferable:** CSU, UC; GAV-GE:C1

The study of digital photography from digital camera to the computer-based printer or digital media. Artistic, theoretical, and technical aspects will be considered. Topics include information about types and purchasing of digital cameras; theory, mechanics, and art of digital imagery; digital darkroom; eccentricities of digital photo taking; stitching photos for virtual reality; and preparing digital images for print, World Wide Web and other digital media. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 80 and CSIS 80. ADVISORY: CSIS 1 or CSIS 2/2L or ART 8A or equivalent computer experience.

### DM 85 Web Design I: Dreamweaver
- **Units:** 2.0
- **Hours:** 2.0 Lecture
- **Transferable:** CSU; GAV-GE:C1

Basic and intermediate principles of designing Web pages/sites using the Dreamweaver web design software and HTML. Emphasis will be on good design and the use of tables, frames, forms, rollovers, DHTML, XHTML, behaviors, and CSS. Also includes site maintenance and the integration of multimedia components such as graphics, sound, animation, and video. This course is for the content person to design, develop, and maintain effective Web sites. This course is also listed as ART 85 and CSIS 85. This course has the option of a letter grade or pass/no pass. May be repeated twice for credit. ADVISORY: CSIS 6 or basic knowledge of HTML.

### DM 98 Special Topics
- **Units:** .5 TO 3.0
- **Hours:** .5 TO 3.0 Lecture
- **Transferable:** No

Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. May be repeated for credit with different topics. This course has the option of a letter grade or pass/no pass.
DM 107 Digital Media Design
Units: 2.0    Hours: 1.5 lecture 1.5 Laboratory
Transferable: CSU
Fundamentals of design for visual, time-based, interactive, and sound arts as applied to digital media. Includes basic storytelling, graphic design, information architecture, and human factors. Page layout, scripting, storyboards, and flow charts will be used as tools applicable to the design and development of business presentations, interactive media, educational multimedia, animation, web sites, video games, and film/video. This course has the option of a letter grade or pass/no pass. Also listed as ART 107 and CSIS 107. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 108 Digital Media Lab
Units: 5-30 3.0    Hours: 1.5 TO 9.0 Laboratory
Transferable: CSU; GAV-GE:C1
Supervised practice and individualized computer assisted learning or software applications and techniques commonly found in the design and production of digital media (e.g., digital art and imaging, digital photography, digital print, digital audio/video, web design/designing, Authoring, DVD/CD ROMs, animation). Supplements lecture courses. Open entry/exit, so may be added anytime during the semester. This is a pass/no pass course. Also listed as ART 108 and CSIS 108. May be repeated three times for credit. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 109 Interactive Animation and Authoring: Director
Units: 3.0    Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
Use of animation/interactive multimedia development software (Macromedia Director) and techniques for designing business presentations, interactive multimedia, educational materials, interactive web animation, computer games, and video animation. The study of interactivity and integration of multiple types of art content such as 2D and 3D animation, digital video, graphics, and sound. Applicable to the design and production of CD-ROMs and web sites. This course has the option of a letter grade or pass/no pass. Also listed as CSIS 109. ADVISORY: CSIS 1/1L Computer Literacy (Lab) or CSIS 2/2L Computers in Business (Lab); CSIS 77 Intro. to Digital Media and its Tools.

DM 110 Interactive Animation: Flash
Units: 3.0    Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU; GAV-GE:C1
The production of vector graphics, animation, and interactive multimedia in Shockwave-Flash format for web pages and other digital media. Design of highly interactive web sites and animated games using Flash actions (scripting). Useful for web designers/developers, animators, and multimedia authors. This course has the option of a letter grade or pass/no pass. Also listed as ART 110 and CSIS 110. May be repeated three times for credit. ADVISORY: CSIS 1, CSIS 2/2L, CSIS 124 or basic computer knowledge.

DM 111 Sound Design for Digital Media
Units: 3.0    Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU
Study and practice of the techniques and aesthetics of sound design especially for digital media (i.e., digital video/film, DVD, video games, WWW, and presentations.) Recording (including live audio), mixing and processing of Foley effects, ADR, voice-overs, sound tracks, and narration. This is not a music composition course, but use of sampled and electronic music/loops for creating background music will also be studied. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer knowledge.

DM 113 Introduction to Digital Video
Units: 3.0    Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU; GAV-GE:C1
Introduction to the aesthetic and technical aspects of digital video recording, non-linear editing, special effect generation, and production of video (and associated audio) using the personal computer equipped with specialized software such as iMovie, Final Cut Pro, and After Effects. Also considered will be the preparation of digital video for use in interactive media such as CD, DVD, and the World Wide Web. Students will produce a final digital video project on DVD. This course has the option of a letter grade or pass/no pass. May be repeated 2 times for credit. Also listed as ART 113 and CSIS 113. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 114 Digital Media Production
Units: 2.0    Hours: 2.0 Lecture
Transferable: CSU
A team oriented practicum that focuses on the application of learned skills to the production of digital media and digital print projects, such as web sites, CD ROM, and DVDs. Project development will be accomplished according to team derived master schedules. Lectures will be on project management, work coordination and production techniques, client-team interface, asset management and integration, budget estimates, testing, and copyright infringement. Please note that this is very much a team oriented class. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 114 and CSIS 114. ADVISORY: At least one of the following: ART 75, CGE 2, JOUR 18A, MUS 21, CSIS 7, CSIS 71, OR CSIS 77. or possess equivalent skills from any one of the following areas: digital media, computer graphics, digital print, film, TV/video, journalism (publishing), drawing or illustration, web design/ development, business/marketing, or programming.

DM 116 DVD Authoring
Units: 2.0    Hours: 1.5 lecture 1.5 Laboratory
Transferable: CSU
Study of the artistic and technical aspects of authoring interactive DVDs (Digital Video/Versatile Disk). Special attention will be given to interactive design and the integration and conversion (encoding) of time-based media (e.g., multi-angle video, animation, Dolby sound) special to this media format. Students will be able to produce their own DVD of video, slide shows, and/or interactive games. This course has the option of a letter grade or pass/no pass. May be repeated two times for credit. Also listed as ART 116 and CSIS 116. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 117 Visual Effects-Motion Graphics
Units: 3.0    Hours: 2.0 lecture 3.0 Laboratory
Transferable: CSU, UC
Study of the design of motion graphics and special effects used in digital video and film, web, multimedia, and interactive applications. Includes video/graphics compositing techniques, 2D animation, basic 3D animation, and special effects commonly generated in digital post-production. Software such as Adobe After Effects or Apple’s Motion will be used. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 117 and CSIS 117. ADVISORY: DM/ART/CSIS 113 or DM/ART/CSIS 140 or DM/ART/CSIS 77 or THEA 17A or basic knowledge of digital video/film editing.

DM 140 Basic Digital Film/Video Production
Units: 1.0    Hours: 1.0 Lecture
Transferable: CSU, UC; GAV-GE:C1
An on-line self-paced course covering the basics of film/video production and post production (editing) using “easy to use” computer software such as Apple’s iMovie. Beneficial for students who are producing a video/film project as a requirement for another college course, extra skills development, or for self interest. Completion of the associated class or personal project in DVD format using either personal video equipment or the equipment in the Digital Media Studio is required. May be repeated twice for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 140 and CSIS 140.

Drama: See MCTV, Theatre Arts

DRYWALL-LATHING
DM 107  Digital Media Design  
Units: 2.0  Hours: 1.5 lecture 1.5 Laboratory  
Transferable: CSU  
Fundamentals of design for visual, time-based, interactive, and sound arts as applied to digital media. Includes basic storytelling, graphic design, information architecture, and human factors. Page layout, scripting, storyboards, and flow charts will be used as tools applicable to the design and development of business presentations, interactive media, educational multimedia, animation, web sites, video games, and film/video. This course has the option of a letter grade or pass/no pass. Also listed as ART 107 and CSIS 107. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 108  Digital Media Lab  
Units: 5 TO 3.0  Hours: 1.5 TO 9.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Supervised practice and individualized computer assisted learning or software applications and techniques commonly found in the design and production of digital media (e.g., digital art and imaging, digital photography, digital print, digital audio/video, web design/design/authoring, DVD/CD ROMs, animation), Supplements lecture courses. Open entry/exit, so may be added anytime during the semester. This is a pass/no pass course. Also listed as ART 108 and CSIS 108. May be repeated three times for credit. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 109  Interactive Animation and Authoring: Director  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU  
Use of animation/interactive multimedia development software (Macromedia Director) and techniques for designing business presentations, interactive multimedia, educational materials, interactive web animation, computer games, and video animation. The study of interactivity and integration of multiple types of art content such as 2D and 3D animation, digital video, graphics, and sound. Applicable to the design and production of CD-ROMs and web sites. This course has the option of a letter grade or pass/no pass. Also listed as CSIS 109. ADVISORY: CSIS 1/1L Computer Literacy (& Lab) or CSIS 2/2L Computers in Business (& Lab); CSIS 77 Intro. to Digital Media and its Tools.

DM 110  Interactive Animation: Flash  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
The production of vector graphics, animation, and interactive multimedia in Shockwave-Flash format for web pages and other digital media. Design of highly interactive web site interfaces and animated games using Flash actions (scripting). Useful for web designers/developers, animators, and multimedia authors. This course has the option of a letter grade or pass/no pass. Also listed as ART 110 and CSIS 110. May be repeated three times for credit. ADVISORY: CSIS 1, CSIS 2/2L, CSIS 124 or basic computer knowledge.

DM 111  Sound Design for Digital Media  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU  
Study and practice of the techniques and aesthetics of sound design especially for digital media (i.e., digital video/films, DVD, video games, WWW, and presentations.) Recording (including live audio), mixing and processing of Foley effects, ADR, voice-overs, sound tracks, and narration. This is not a music composition course, but use of sampled and electronic music/loops for creating background music will also be studied. This course has the option of a letter grade or pass/no pass. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer knowledge.

DM 113  Introduction to Digital Video  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Introduction to the aesthetic and technical aspects of digital video recording, non-linear editing, special effect generation, and production of video (and associated audio) using the personal computer equipped with specialized software such as iMovie, Final Cut Pro, and After Effects. Also considered will be the preparation of digital video for use in interactive media such as CD, DVD, and the World Wide Web. Students will produce a final digital video project on DVD. This course has the option of a letter grade or pass/no pass. May be repeated 2 times for credit. Also listed as ART 113 and CSIS 113. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 114  Digital Media Production  
Units: 2.0  Hours: 2.0 Lecture  
Transferable: CSU  
A team oriented practicum that focuses on the application of learned skills to the production of digital media and digital print projects, such as web sites, CD ROM, and DVDs. Project development will be accomplished according to team derived master schedules. Lectures will be on project management, work coordination and production techniques, client-team interface, asset management and integration, budget estimates, testing, and copyright infringement. Please note that this is very much a team oriented class. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 114 and CSIS 114. ADVISORY: At least one of the following: ART 75, CGE 2, JOUR 18A, MUS 21, CSIS 7, CSIS 71, OR CSIS 77. or possess equivalent skills from any one of the following areas: digital media, computer graphics, digital print, film, TV/video, journalism (publishing), drawing or illustration, web design/development, business/marketing, or programming.

DM 116  DVD Authoring  
Units: 2.0  Hours: 1.5 lecture 1.5 Laboratory  
Transferable: CSU  
Study of the artistic and technical aspects of authoring interactive DVDs (Digital Video/Versatile Disk). Special attention will be given to interactive design and the integration and conversion (encoding) of time-based media (e.g., multi-angle video, animation, Dolby sound) special to this media format. Students will be able to produce their own DVD of video, slide shows, and/or interactive games. This course has the option of a letter grade or pass/no pass. May be repeated two times for credit. Also listed as ART 116 and CSIS 116. ADVISORY: CSIS 1 or CSIS 2/2L or equivalent computer experience.

DM 117  Visual Effects-Motion Graphics  
Units: 3.0  Hours: 2.0 lecture 3.0 Laboratory  
Transferable: CSU, UC  
Study of the design of motion graphics and special effects used in digital video and film, web, multimedia, and interactive graphics. Includes video/graphics compositing techniques, 2D animation, basic 3D animation, and special effects commonly generated in digital post-production. Software such as Adobe After Effects or Apple's Motion will be used. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 117 and CSIS 117. ADVISORY: DM/ART/CSIS 113 or DM/ART/CSIS 140 or DM/ART/CSIS 77 or THEA 17A or basic knowledge of digital video/film editing.

DM 140  Basic Digital Film/Video Production  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU, UC; GAV-GE:C1  
An on-line self-paced course covering the basics of film/video production and post production (editing) using "easy to use" computer software such as Apple’s iMovie. Beneficial for students who are producing a video/film project as a requirement for another college course, extra skills development, or for self interest. Completion of the associated class or personal project in DVD format using either personal video equipment or the equipment in the Digital Media Studio is required. May be repeated twice for credit. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 140 and CSIS 140.

Drama: See MCTV, Theatre Arts

DRYWALL-LATHING
COURSE OFFERINGS

DRLT 202  Basic Applications
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course is an introduction to basic gypsum wall covering and ceiling applications. Topics include knot recognition and application to rigging on construction job-sites.

DRLT 205  Mathematics for Drywall/Lathing
Units: 2.0  Hours: 36.0 Lecture
Transferable: No
This course covers mathematics applications to drywall and lathing trades with specific focus on mathematical processes related to construction. Basic topics include whole numbers, fractions, decimal fractions, ratios, proportions, percentages, areas and volumes. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 210  Residential Metal Framing
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers basic residential metal framing. It includes framing of floors, walls, doors, windows, roofs, trusses and stairs. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 212  Doors, Windows, Exterior Systems/Building Documents
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers doors, windows, door and window framing, and exterior wall covering systems. Topics include an introduction to blueprints and building codes. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 220  Blueprint Reading I
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers job specifications, blueprint structure and basic blueprint reading and interpretation. Topics include an introduction to construction drawings and sketching. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 221  Blueprint Reading II
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course is a continuation of Blueprint Reading I (DRLT 200). Topics include interpretation, problem solving, correlating specifications, prints, addenda, notes, sections and mathematics used with blueprints. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 222  Blueprint Reading III
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course is a continuation of Blueprint Reading II (DRLT 221). Topics include take-offs, material estimates, material requisition, job costs and layout from blueprints. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 230  Welding I
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers welding and welding concepts for construction job sites. Topics include welding safety, basic welding terms, definitions, positions, and cutting operations. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 231  Welding II
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course is a continuation of Welding I (DRLT 230). Topics include welding safety, concepts, process, symbols, and certification performance. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 240  Exterior/Advanced Fire Control System and Partitions
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers safety, principles, theory, and application of advanced fire control systems. Topics include principles and applications of partitions and metal framing. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 242  Exterior Systems and Trims
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers safety, principles, and application of exterior wall framing, coverings, and trims. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 250  Interior Metal Lathing System and Sound Control
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers materials, principles, theory, and installation of plaster interior hollow walls and partitions. Topics include principles, and application of sound control systems and an introduction to mathematics and layout for building arches. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 260  Ceilings, Shaft Protection and Demountable Partitions
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers safety, materials, principles, theory, and installation of ceiling systems, demountable partitions, and shaft systems. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 262  Arches, Furring and Advanced Systems
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers safety, materials, principles, theory, and installation of furring, arch systems, and fire retardant materials. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

DRLT 270  Advanced Construction Techniques
Units: 1.5  Hours: 21.0 lecture  18.0 Laboratory
Transferable: No
This course covers safety, materials, principles and theory of advanced construction techniques. Topics include following written and verbal directions, construction directly from blueprints, and research techniques. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
DRLT 290  Occupational Work Experience/Drywall-Lathing
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: No
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. PREREQUISITES: Required: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required.) Minimum 2.00 GPA.

ECON 11  Statistics for Business and Economics
Units: 4.0  Hours: 4.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGETC:2A; GAV-GE:B4
Statistical methods for business/economics analysis; descriptive statistics, inference, correlation and regression, probability, time series analysis. This course has the option of a letter grade or pass/no pass. This course is also listed as BUS 11. PREREQUISITE: Mathematics 233.

ECON 14  Personal Finance
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
This course is designed to assist individuals to analyze their financial affairs for lifelong decision making. Elements and concepts of financial planning and decision making in the areas of budgeting, taxes, borrowing, money management, insurance, investments, retirement, and estate planning will be examined. This course is also listed as BUS 14. This course has the option of a letter grade or pass/no pass. ADVISORY: Math 400

ECOL 1  Conservation of Natural Resources
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:B2, B3, IGETC:5B; GAV-GE:B2, B3
This course examines the fundamentals of ecology (the study of the relationships between organisms and their environment) with special emphasis on human effects on the environment. Topics of discussion will include ecosystem dynamics, resources, pollution, population growth, and the clash between economic and political policy and the environment. ADVISORY: Eligible for English 250 and English 260.

ECON 1  Principles of Macroeconomics
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D2, IGETC:4B; GAV-GE:D2; CAN:ENGR2
Introduction to the principles of macroeconomics, social organization of the economy; supply and demand; the determinants of national income and production, economic growth, the global economy and trade, employment, prices, savings and investment; the nature and effectiveness of monetary and fiscal policy. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 1A and Mathematics 233.

ECON 2  Principles of Microeconomics
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D2, IGETC:4B; GAV-GE:D2; CAN:ENGR4
Introduction to microeconomic principles and theory; supply, demand; product and factor price determination, resource allocation, costs, revenues, and profits under different competitive situations; international trade; government regulation and taxation. Note: Economics 1 is not a prerequisite for Economics 2. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 260, English 250 and Mathematics 233.

ECON 10  Fundamentals of Economics
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D2, IGETC:4B; GAV-GE:D2
A survey of economic concepts and systems. Topics to be covered include production and consumption, pricing and competition, economic growth, inflation, employment, money and banking, and international trade. Not open to students with credit in Economics 1 or 2. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250, English 260.

ENGR 1  Engineering Graphics
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; CAN:ENGR2
An introduction to the graphical and visual communication of the engineering design process. Topics will include the design process, visualization, free-hand sketching, orthographic projection, multi views, auxiliary views, section views, dimensioning and tolerances. Computer-aided-drafting (CAD) software will be used extensively in conjunction with traditional methods to highlight the strengths of multiple communication methodologies. ADVISORY: Eligible for English 250 and English 260; Mathematics 1A - may be concurrent, and CSIS 10 - May be concurrent.

ENGR 2  Statics
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CAN:ENGR8
Vector statics. Force, moment, couple, system isolation, adequacy of constraint, concentrated and distributed loads, fluid statics, flexible cables, friction and virtual work. Bridge design project. PREREQUISITE: Mathematics 1A and Mathematics 1B and Physics 4A with a grade of ‘C’ or better.

ENGR 3  Electrical Circuits/Devices and Systems
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CAN:ENGR12
Natural, forced, and steady-state response by impedance, exponential, pole-zero and phasor methods; solid state; digital circuits and laplace transform methods are introduced. PREREQUISITE: Mathematics 1A with a grade of ‘C’ or better. May be taken concurrently. ADVISORY: Physics 4B with a grade of “C” or better and Mathematics 2C.

ENGR 4  Properties Of Materials
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CAN:ENGR4
Basic principles of physics and chemistry are used to determine the quantitative relationships which describe the behavior of solids. Particular emphasis is placed upon the relationship between the structure and mechanical properties of crystalline solids. Applications consider control of properties as an engineering design variable. A term paper based upon review of the periodical technical literature is required. PREREQUISITE: Chemistry 1A and Physics 4A.

www.gavilan.edu
ENGR 5  C++ Scientific Programming  
Units: 3.0  Hours: 2.0 lecture  3.0 Laboratory  
Transferable: CSU, UC; CAN:CS14

An introduction to computer problem solving and programming using the C++ language for science and engineering majors. Students will write programs for a variety of scientific and mathematical applications. PREREQUISITE: Mathematics 1A ADVISORY: Completion of CSIS 10.

ENGR 10A  Introduction to Engineering I  
Units: 2.0  Hours: 1.5 lecture  1.5 Laboratory  
Transferable: CSU, UC

Engineering 10A introduces students to the engineering profession. Topics will include an introduction to the various engineering disciplines; the role of engineers and engineering in society; the curriculum requirements for the various engineering disciplines at different four-year institutions; academic success strategies; personal and professional development techniques; an introduction to the engineering design process; an introduction to engineering problem-solving methodologies; engineering ethics; communication skills; and working as a member of a team. Engineering 10A and 10B, together, are equivalent to Engineering 10 at San Jose State University. PREREQUISITE: Engineering 10A

ENGR 10B  Introduction to Engineering II  
Units: 2.0  Hours: 1.5 lecture  1.5 Laboratory  
Transferable: CSU, UC

Engineering 10B continues the introduction to the engineering profession begun in Engineering 10A. Topics will include an introduction to experimental methods and data analysis; continued introduction to the engineering design process with more challenging design problems and the introduction of analysis in engineering design; engineering problem-solving using the personal computer; continued personal and professional growth techniques; communication skills; and working as a member of a team. Engineering 10A and 10B, together, are equivalent to Engineering 10 at San Jose State University. PREREQUISITE: Engineering 10A

ENGL 1A  Composition  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:A2, IGETC:1A; GAV-GE:A2; CAN:ENGL2, ENGL SEQ A

This is a writing course which emphasizes expository writing, argumentative writing, and critical reading of expository prose. It is meant to train students in clear thinking and reasoned support of ideas. Students will be given the opportunity to read models of good expository and argumentative prose and learn the techniques of good writing. These include choosing appropriate subjects, developing restricted, unified, and precise theses and presenting supporting evidence in a logical, lucid, and effective manner. To achieve this end, students write no fewer than six essays and read at least five works, two of which are book length. PREREQUISITE: English 250 and English 260 or English 250 and SSCI 270A or English 250 and SSCI 270B with a grade of "C" or better or satisfactory score on the English placement examination.

ENGL 1B  Composition and Literature  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C, IGETC:3B; GAV-GE:C2; CAN:ENGL4, ENGL SEQ A

English 1B continues the work begun in 1A, but now the emphasis shifts to writing expository prose in conjunction with reading and analyzing imaginative literature. Students are to write as fledgling critics and use the text as a basis for other forms of reflection. The reading requirement includes short stories, poetry, drama, and at least two novels. Course work will also include fundamentals of research writing. PREREQUISITE: English 1A with a grade of "C" or better.

ENGL 1C  Critical Reasoning and Writing  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:A3, IGETC:1B; GAV-GE:C2

This course is designed to develop critical thinking, reading, and writing skills beyond the level achieved in English 1A. The emphasis is on critical analysis of arguments and the development of the ability to integrate the principles of critical thinking into essay writing. PREREQUISITE: English 1A with a grade of "C" or better.

ENGL 2A  Introduction to Poetry  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2, F

This is a transfer literature video course in which the student learns to analyze and discuss poetry. It is based on the acclaimed video series uVoices and Visions s which focuses on 13 American poets. PREREQUISITE: Eligible for English 1A.

ENGL 2B  Introduction to Multi-Cultural Literature  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2

Students will examine the concept of ethnicity in the context of contemporary American multi-ethnic literature: Native American, Hispanic American, Black American, Asian American. Students will critique this literature using the accepted elements of literary criticism. They will read and analyze selections from each literature and explain their results in journals, oral presentations, a research project and examinations. PREREQUISITE: Eligible for English 1A.

ENGL 2C  Introduction to Film and Fiction  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2

This is a literature course in analysis of the novel and film as art forms. The student will read several novels, view the films based on the novels, and discuss the difference in techniques, both orally and in writing. PREREQUISITE: Eligible for English 1A.

ENGL 2E  Introduction to Women Writers  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2, F

This is a transfer literature class which examines the history of women as writers and distinguishes themes in women's literature using the tools of literary criticism. PREREQUISITE: Eligible for English 1A.

ENGL 2F  Children's Literature  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2

A survey of texts for elementary and intermediate grades, with a focus on literary analysis, criticism and evaluation. Study of historical backgrounds and development of genres of children's literature in a cross section of cultures. This course has the option of a letter grade or pass/no pass. PREREQUISITE: English 1A.

ENGL 2H  Mexican-American Literature  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2

An interpretive analysis of Chicano literature from its origins to its contemporary status. Emphasis will be on short stories, essays, poetry, drama, and novels as a means of providing an expansive view of the Chicano experience and the literature that it creates. This course analyzes the interrelationships between drama, literature, art, music, dance, and folklore as a reflection of the Chicano. PREREQUISITE: Eligible for English 1A.

ENGL 2J  Mythology  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2

This course is a study of the masters of British literature. In English 4A the student studies the years 449 through 1798 A.D. PREREQUISITE: Eligible for English 1A.
ENGL 4B  British Literature - 1798 to Present
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2; CAN:ENGL10, ENGL SEQ B
This course is a study of the masters of British literature from 1798 to present. In this course we will read and analyze the literature of Blake, Wordsworth, Coleridge, Byron, Shelley, Keats, Tennyson, Browning, Arnold, Clough, Hopkins, Rossetti, Browning, Yeats, Joyce, Woolf, Lawrence, Eliot, and Forster. Note: this course need not be taken in sequence. PREREQUISITE: Eligible for English 1A.

ENGL 5A  Survey of American Literature - 1620 to 1865
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2; IGETC:3B; GAV-GE:C2; CAN:ENGL14
This course is a study of the masters of American literature covering the years 1620 to 1865 A.D. PREREQUISITE: Eligible for English 1A.

ENGL 5B  Survey of American Literature - 1865 to Present
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2; IGETC:3B; GAV-GE:C2; CAN:ENGL16
This course is a study of the masters of American literature covering the years 1865 A.D. to the present. Note: Need not be taken in sequence. PREREQUISITE: Eligible for English 1A.

ENGL 9A  Introduction to Creative Writing
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2; GAV-GE:C2; CAN:ENGL6
This course includes the writing, reading, and critical discussions of various forms of poetry and fiction. PREREQUISITE: Eligible for English 1A.

ENGL 9B  Advanced Creative Writing
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2; GAV-GE:C2
This class is a continuation of English 9A, with the emphasis shifting to publication. The genre of non-fiction will be the primary focus, but the genres of fiction will also be taught at a more comprehensive level than in English 9A. The process of finding a market for one’s work will be followed step by step. The class may compile and publish “Soaring”, Gavilan’s literary magazine, each spring semester. PREREQUISITE: English 9A with a grade of credit or C or better.

ENGL 9C  Poetry Writing
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2; GAV-GE:C2
This course includes the writing, reading, and critical discussions of various forms of poetry. PREREQUISITE: English 9A with a grade of credit or C or better.

ENGL 10  Writing for the Workplace
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
This course will introduce students to the field of technical writing. Students will learn industry standards of writing as well as copyediting, outlining, and revision techniques. Various types of technical communication will be examined for consistency, completeness, economy, and accuracy. PREREQUISITE: Eligible for English 250. ADVISORY: CSIS 126, Word Processing - MS Word, or equivalent.

ENGL 12A  Tutoring Writers: Training/Theory & Practice
Units: 1.0 TO 3.0  Hours: 1.0 TO 3.0 Lecture
Transferable: CSU
Fundamentals of compositional theory, the writing process, peer-to-peer communication, interacting with faculty and educational institutions and effective responses to writing will be covered. In addition, students will gain an understanding of the basic history, methodology and practice of writing pedagogy while developing a writing community that aids in connecting them to their own writing practice. ADVISORY: Eligible for English 1A.

ENGL 12B  Tutoring Writers: Training/Theory & Practice
Units: 1.0 TO 3.0  Hours: 1.0 TO 3.0 Lecture
Transferable: CSU
Fundamentals of compositional theory, the writing process, peer-to-peer communication, interacting with faculty and educational institutions and effective responses to writing will be covered. In addition, students will gain an understanding of the basic history, methodology and practice of writing pedagogy while developing a writing community that aids in connecting them to their own writing practice. ADVISORY: Eligible for English 1A.

ENGL 12C  Tutoring Writers: Training/Theory & Practice
Units: 1.0 TO 3.0  Hours: 1.0 TO 3.0 Lecture
Transferable: CSU
Fundamentals of compositional theory, the writing process, peer-to-peer communication, interacting with faculty and educational institutions and effective responses to writing will be covered. In addition, students will gain an understanding of the basic history, methodology and practice of writing pedagogy while developing a writing community that aids in connecting them to their own writing practice. ADVISORY: Eligible for English 1A.

ENGL 12D  Tutoring Writers: Training/Theory & Practice
Units: 1.0 TO 3.0  Hours: 1.0 TO 3.0 Lecture
Transferable: CSU
Fundamentals of compositional theory, the writing process, peer-to-peer communication, interacting with faculty and educational institutions and effective responses to writing will be covered. In addition, students will gain an understanding of the basic history, methodology and practice of writing pedagogy while developing a writing community that aids in connecting them to their own writing practice. ADVISORY: Eligible for English 1A.

ENGL 250  Practical Writing
Units: 3.0  Hours: 3.0 Lecture 1.0 Laboratory
Transferable: No; GAV-GE:A2
This course covers writing clear, correct, effective essays and learning preliminary research skills. PREREQUISITE: English 440 or ESL 563 with a grade of 'C' or better or satisfactory score on the English placement examination.

ENGL 260  Preparation for College Reading
Units: 3.0  Hours: 3.0 Lecture
Transferable: No; GAV-GE:A3
This is a course presenting strategies in the technique and practice of college level critical reading and thinking skills. PREREQUISITE: Completion of English 420 or ESL 562 with a grade of ‘C’ or better or Assessment recommendation.

ENGL 418  Basic Reading Skills
Units: 3.0  Hours: 9.0 Laboratory
Transferable: No
This is an individualized remediation course designed for students with low-literacy reading skills. Emphasis will be in the areas of word attack skills, word recognition, comprehension and vocabulary. The personal and practical values of reading are emphasized. This course may be repeated three times for credit. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. This is a pass/no pass course. ADVISORY: Appropriate ESL classes may be recommended for students for whom English is a second language, as determined by skill assessment.

ENGL 420  Reading Improvement
Units: 3.0  Hours: 3.0 Lecture 1.0 Laboratory
Transferable: No
This is a practical, “how to” course teaching various methods of learning and reading college material. Using group and individual instruction in vocabulary, comprehension, and study skills, the students will increase their ability to survive academically, to profit, grow and succeed in all college courses, and to enjoy reading and learning. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. PREREQUISITE: Satisfactory score on the English placement examination.
ENGL 439 Basic Grammar and Reading
Units: 4.0 Hours: 3.0 lecture 3.0 Laboratory
Transferable: No
This is a remediation course introducing basic reading and writing strategies, as well as study skills. Group and individual instruction will be used to build vocabulary, increase reading comprehension, develop study skills, and apply basic grammar to writing. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. This is a pass/no pass course. ADVISORY: Assessment recommendation.

ENGL 440 Basic Writing
Units: 3.0 Hours: 3.0 lecture 1.0 Laboratory
Transferable: No
This is an intensive study and application of basic grammar, sentence, and essay writing skills within the context of composing short essays. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. PREREQUISITE: Satisfactory score on the English placement examination.

ENGL 480 Spelling
Units: .5 Hours: 1.5 Laboratory
Transferable: No
This course is an individualized, self-paced course to introduce or review the principles of spelling. Students will learn basic spelling rules and practice them under the guidance of an instructor. This is a pass/no pass course. ADVISORY: Appropriate ESL courses.

ENGL AS A SECOND LANGUAGE

ESL 501 Survival ESL I
Units: 6.0 Hours: 4.0 lecture 6.0 Laboratory
Transferable: No
This is a course in survival English for students with little or no oral or written English competency. It will give students basic vocabulary and familiarity in life skill areas such as the family, food, health, and occupations. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL assessment recommendation

ESL 501A Survival ESL I First Half
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: No
This is the first half of a course in survival English for students with little or no oral or written English competency. It will give students basic vocabulary and familiarity in life skill areas such as the family, food, health, and occupations. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL assessment recommendation

ESL 501B Survival ESL I Second Half
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: No
This is a second half of a course in survival English for students with little or no oral or written English competency. It will give students basic vocabulary and familiarity in life skill areas such as the family, food, health, and occupations. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL 501A or ESL assessment recommendation

ESL 502 Survival ESL II
Units: 6.0 Hours: 4.0 lecture 6.0 Laboratory
Transferable: No
This is a second course in survival English for students with little oral or written English competency. It will give students expanded basic vocabulary and familiarity in life skill areas such as the weather, transportation, employment, and American holidays and customs. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL 501 or ESL 501A and 501B or ESL assessment recommendation

ESL 502A Survival ESL II First Half
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: No
This is the first half of a second course in survival English for students with little oral or written English competency. It will give students expanded basic vocabulary and familiarity in life skill areas such as the weather, transportation, employment, and American holidays and customs. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL 501 or ESL 501A and 501B or ESL assessment recommendation

ESL 502B Survival ESL II Second Half
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: No
This is the second half of the second course in survival English for students with little oral or written English competency. It will give students expanded basic vocabulary and familiarity in life skill areas such as the weather, transportation, employment, and American holidays and customs. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL 501 or ESL 501A and 501B or ESL assessment recommendation

ESL 503 Survival ESL III
Units: 6.0 Hours: 4.0 lecture 6.0 Laboratory
Transferable: No
This is a third course in survival English for students with beginning oral or written English competency. It will reinforce basic skills learned and continue to develop vocabulary and ease of communication in life skill areas such as the family, the larger community, health, employment, and leisure activities. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL 501 or ESL 501A and 501B or ESL assessment recommendation

ESL 503A Survival ESL III First Half
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: No
This is the first half of a third course in survival English for students with beginning oral or written English competency. It will reinforce basic skills learned and continue to develop vocabulary and ease of communication in life skill areas such as the family, the larger community, health, employment, and leisure activities. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL 501 or ESL 501A and 501B or ESL assessment recommendation

ESL 503B Survival ESL III Second Half
Units: 3.0 Hours: 2.0 lecture 3.0 Laboratory
Transferable: No
This is the second half of a third course in survival English for students with beginning oral or written English competency. It will reinforce basic skills learned and continue to develop vocabulary and ease of communication in life skill areas such as the family, the larger community, health, employment, and leisure activities. The course integrates listening, speaking, reading, and writing. (ESL 501, 502, and 503 are sequential courses that may be taken in full form or in halves, preferably A before B.) This is a pass/no pass course. ADVISORY: ESL 501 or ESL 501A and 501B or ESL assessment recommendation

Noncredit ESL classes are listed beginning on page 223.
ESL 510A  Basic ESL I  
Units: 9.0  Hours: 9.0 lecture 2.0 Laboratory  
Transferable: No  
This is an intensive, integrated-skill course for students with little English. Through listening, speaking, reading and writing activities, students learn to use the structures of English with increasing accuracy, while gaining basic life skills. ADVISORY: ESL Assessment Recommendation.

ESL 510B  Basic ESL II  
Units: 9.0  Hours: 9.0 lecture 2.0 Laboratory  
Transferable: No  
This course is a continuation of ESL 510A. This is an intensive, integrated-skill program for students who function in a limited way in English. Through listening, speaking, reading and writing activities, students continue learning to use the structures of English with increasing accuracy, while gaining further basic life skills. ADVISORY: ESL 510A or ESL assessment recommendation.

ESL 521  Beginning ESL Listening/Speaking  
Units: 4.0  Hours: 4.0 lecture 1.0 Laboratory  
Transferable: No  
This course develops basic listening and speaking skills, moving from a functional survival context to academic readiness. Activities are directed at providing practice through listening exercises, role-play, pair work, small and large group discussions, interviews, and oral presentations. ADVISORY: ESL 510B or ESL Assessment Test Recommendation. Recommended concurrent enrollment in ESL 522 and 523.

ESL 522  Beginning ESL Reading/Vocabulary  
Units: 3.0  Hours: 3.0 lecture 2.0 Laboratory  
Transferable: No  
This course begins the development of reading skills and vocabulary through the application of different reading strategies to a variety of selections on topics of interest to academically-bound students. ADVISORY: ESL 510B or 510C or Assessment recommendation. Recommended concurrent enrollment in ESL 521 and 523.

ESL 523  Beginning ESL Grammar/Writing  
Units: 5.0  Hours: 5.0 lecture 1.0 Laboratory  
Transferable: No  
This is a beginning grammar/writing course for students with very basic grammar. The focus is on basic grammatical structures, punctuation and sentence skills. ADVISORY: ESL 510B or ESL Assessment Test recommendation. Recommended concurrent enrollment in ESL 521 and 522.

ESL 527  Integrated Reading-Writing I  
Units: 6.0  Hours: 6.0 Lecture  
Transferable: No  
This is the first course in a series of integrated skills courses designed to develop the reading, writing and grammar skills of ESL students. This beginning course focuses on vocabulary development, basic reading strategies and comprehension, basic grammar and beginning writing skills (sentence level and basic paragraphs.) The aim of this course is to assist beginning level students in becoming more literate while participating in holistic reading and writing activities based on engaging multicultural topics. PREREQUISITE: ESL 510B or ESL 503, or ESL assessment recommendation.

ESL 528  Integrated Speaking/Listening I  
Units: 6.0  Hours: 6.0 Lecture  
Transferable: No  
This is the first in a series of integrated skills courses designed to develop the listening, speaking and pronunciation skills of beginning ESL students. Activities, which include listening exercises, role-play, pair work, small and large group discussions, interviews, oral presentations and pronunciation drills (focusing on English sounds and rhythm), are presented in the context of relevant, contemporary and intellectually challenging themes. This course is designed especially for students with academic objectives but is highly appropriate for students with personal language goals, as well. PREREQUISITE: ESL 510B or ESL 503 or ESL Assessment recommendation.

ESL 531  Intermediate ESL Listening/Speaking I  
Units: 4.0  Hours: 4.0 lecture 1.0 Laboratory  
Transferable: No  
In this course, listening and speaking skills are developed through extended listening exercises, open-ended dialogues, pair and group discussions, oral interviews, and oral reports. PREREQUISITE: ESL 521 with a grade of ‘C’ or better or ESL Assessment Recommendation. Recommended concurrent enrollment in ESL 532 and 533.

ESL 532  Intermediate ESL Reading/Vocabulary I  
Units: 3.0  Hours: 3.0 lecture 2.0 Laboratory  
Transferable: No  
This course continues the development of reading skills and vocabulary through the application of different reading strategies to a variety of selections on topics of interest to academically-bound students. PREREQUISITE: ESL 522 with a grade of ‘C’ or better or ESL assessment recommendation. Recommended concurrent enrollment in ESL 531 and 533.

ESL 533  Intermediate ESL Grammar/Writing I  
Units: 5.0  Hours: 5.0 lecture 1.0 Laboratory  
Transferable: No  
This course involves the practice and refinement of sentence and paragraph skills, structure and punctuation. Students will learn basic use of the computer as a writing tool. PREREQUISITE: ESL 523 with a grade of C or better or ESL Assessment Test recommendation. ADVISORY: Recommended concurrent enrollment in ESL 531 and ESL 532.

ESL 537  Integrated Reading/Writing II  
Units: 6.0  Hours: 6.0 Lecture  
Transferable: No  
This is the second course in a series of integrated skills courses designed to continue the development of reading, writing and grammar skills of low-intermediate ESL students. The course focuses on vocabulary development through the application of different reading strategies to a variety of selections of topics of interest to academically-bound students. It also involves the practice and refinement of sentence and paragraph skills, structure and pronunciation. PREREQUISITE: ESL 523 and ESL 522, or ESL 527, or ESL Assessment Recommendation.

ESL 538  Integrated Listening/Speaking II  
Units: 6.0  Hours: 6.0 Lecture  
Transferable: No  
This is the second in a series of integrated skills courses designed to develop the listening, speaking and pronunciation skills of low intermediate ESL students. Activities, which include listening exercises, role play, pair work, small and large group discussions, interviews, oral presentations, and pronunciation (focusing on English sounds, rhythm and intonation), are presented in the context of relevant, contemporary and intellectually challenging themes. This course is designed especially for students with academic objectives but is highly appropriate for students with personal language goals as well. PREREQUISITE: ESL 528 or ESL 521 or ESL assessment recommendation.

ESL 541  Intermediate ESL Listening/Speaking II  
Units: 4.0  Hours: 4.0 lecture 1.0 Laboratory  
Transferable: No  
This course expands listening and speaking skills through extended listening exercises, open-ended dialogues, pair and group discussions, oral interviews, and oral reports. Students broaden vocabulary while listening to and speaking in both formal and informal, conversational and academic situations. PREREQUISITE: ESL 531 with a grade of ‘C’ or better or ESL assessment recommendation. Recommended concurrent enrollment in ESL 542 and 543.

ESL 542  Intermediate ESL Reading/Vocabulary II  
Units: 3.0  Hours: 3.0 lecture 2.0 Laboratory  
Transferable: No  
This course begins the expansion of reading skills and vocabulary development through the application of different reading strategies to a variety of selections on topics of interest to academically-bound students including selections from literature. PREREQUISITE: ESL 532 with a grade of ‘C’ or better or ESL Assessment Recommendation. Recommended concurrent enrollment in ESL 541 and 543.
**COURSE OFFERINGS**

**ESL 543 Intermediate ESL Grammar/Writing II**
- **Units:** 5.0
- **Hours:** 5.0 Lecture 1.0 Laboratory
- **Transferable:** No
- **Advisory:** Recommended concurrent enrollment in ESL 541 and ESL 542.

This course involves the expansion of sentence and paragraph skills, structure, and punctuation. Students will learn basic use of the computer as a writing tool. **PREREQUISITE:** ESL 533 with a grade of C or better or ESL assessment recommendation.

**ESL 546 Introduction to Computers for ESL Students**
- **Units:** 1.0
- **Hours:** 0.5 Lecture 1.5 Laboratory
- **Transferable:** No
- **Advisory:** CSIS 122. Eligible for Gavilan College ESL Program Intermediate.

Introduction to basic computer hardware functions and terminology; overview of Windows operating environment and word processing for ESL students. **ADVISORY:** ESL 543 with a grade of 'C' or better or ESL Assessment Recommendation.

**ESL 547 Integrated Reading/Writing III**
- **Units:** 6.0
- **Hours:** 6.0 Lecture
- **Transferable:** No

This is the third course in a series of integrated skills courses designed to expand the development of reading, writing, and grammar skills of high-intermediate ESL students. The course focuses on vocabulary development through the application of different reading strategies to a variety of selections of topics of interest to academically-bound students. It also involves the further practice and refinement of sentence and paragraph skills, structure and punctuation. **PREREQUISITE:** ESL 533 and ESL 532, or ESL 537 or ESL assessment recommendation.

**ESL 548 Integrated Listening/Speaking III**
- **Units:** 6.0
- **Hours:** 6.0 Lecture
- **Transferable:** No

This is the third in a series of integrated skills courses designed to develop listening, speaking, and pronunciation skills of high-intermediate ESL students. Activities, which include listening exercises, role-play, pair work, small and large group discussions, interviews, oral presentations, and pronunciation drills (focusing on English sounds, rhythm and intonation), are presented in the context of relevant, contemporary, and intellectually challenging themes. This course is designed especially for students with academic objectives but is highly appropriate for students with personal language goals, as well. **PREREQUISITE:** ESL 538 or ESL 531 or ESL assessment recommendation.

**ESL 552 Advanced ESL Reading/Vocabulary I**
- **Units:** 4.0
- **Hours:** 4.0 Lecture
- **Transferable:** No

This course focuses on academic and critical thinking skills needed to increase reading comprehension and efficiency. Emphasis is on analyzing, making inferences, taking notes, supporting opinions, summarizing and expanding vocabulary. Readings are from academic texts and literature. **PREREQUISITE:** ESL 542 with a grade of 'C' or better or ESL assessment recommendation. Recommended concurrent enrollment in ESL 553 and 554.

**ESL 553 Advanced ESL Composition I**
- **Units:** 5.0
- **Hours:** 5.0 Lecture 1.0 Laboratory
- **Transferable:** No

This course is a composition course for ESL students that develops college composition skills through a review of the parts and elements of the English paragraph and an introduction to the essay form. The course focuses on the development of a paragraph and expands to the writing of multiple paragraphs in an essay. Basic rhetorical patterns and methods of organization are covered using the multiple-draft approach to writing. **PREREQUISITE:** ESL 543 with a grade of C or better or ESL Assessment Test recommendation. **ADVISORY:** Recommended concurrent enrollment in ESL 552 and ESL 554.

**ESL 554 Advanced ESL Grammar I**
- **Units:** 5.0
- **Hours:** 5.0 Lecture 1.0 Laboratory
- **Transferable:** No

This course is designed to help students improve their grammar usage so that they will be able to expand their use of grammar structures in oral and written communication. Students begin the study of more sophisticated grammar structures such as past and future perfect, passive voice, and modal auxiliaries for past time, and they review perfect and modals for present and future time. Students will enhance their understanding of grammar by comparing and contrasting new and previously encountered structures and better appreciate the subtleties of English grammar. **PREREQUISITE:** ESL 543 with a grade of 'C' or better or ESL Assessment Test Recommendation. **ADVISORY:** Recommended concurrent enrollment in ESL 552 and ESL 553.

**ESL 561 Advanced ESL Communication Skills**
- **Units:** 3.0
- **Hours:** 3.0 Lecture
- **Transferable:** No

This course is designed to help non-native students mainstream into regular college courses. Its purpose is to prepare for full class participation with emphasis on exposure to and awareness of a variety of instructional formats, note-taking techniques, discussions, and oral presentations. **ADVISORY:** ESL 552 and ESL 553 or ESL Assessment Test recommendation. Recommended concurrent enrollment in ESL 562 and 563.

**ESL 562 Advanced ESL Reading/Vocabulary II**
- **Units:** 4.0
- **Hours:** 4.0 Lecture
- **Transferable:** No

This course prepares ESL students for mainstream college classes by reviewing a variety of reading skills, strategies, and topics from different academic disciplines. Students expand their academic vocabulary and read short stories or a novel for literary appreciation. **PREREQUISITE:** ESL 552 with a grade of 'C' or better or ESL assessment recommendation. Recommended concurrent enrollment in ESL 561 and/or ESL 564 and ESL 563.

**ESL 563 Advanced ESL Composition II**
- **Units:** 5.0
- **Hours:** 5.0 Lecture 1.0 Laboratory
- **Transferable:** No

This course, which is designed for ESL students, refines and further expands college composition skills through the writing of essays using the multiple-draft approach to writing. The course focuses on the structuring and development of an essay with the use of personal examples. Students write in response to a variety of prompts using different rhetorical patterns such as classification, cause/effect, and comparison/contrast. **PREREQUISITE:** ESL 553 with a grade of "C" or better or ESL Assessment Test recommendation. **ADVISORY:** Recommended concurrent enrollment in ESL 562 and ESL 564.

**ESL 564 Advanced ESL Grammar II**
- **Units:** 5.0
- **Hours:** 5.0 Lecture 1.0 Laboratory
- **Transferable:** No

This course is designed to expand grammar usage to include adjective, noun, and adverb clauses in oral and written communication. Students learn the meaning and use of clause connectors and are introduced to conditionals, both real and unreal. These grammar structures constitute some of the most complex structures in English and expose students to a rich variety of structures that can effectively enhance their oral and written expression. **PREREQUISITE:** ESL 554 with a grade of 'C' or better or ESL Assessment Recommendation. **ADVISORY:** Recommended concurrent enrollment in ESL 562 and ESL 563.

**ESL 573 Transition to College: Writing**
- **Units:** 3.0
- **Hours:** 3.0 Lecture 1.0 Laboratory
- **Transferable:** No

This writing course is designed to provide a "bridge" for students from the ESL Program to mainstream college classes. It prepares ESL students to enter regular English classes by teaching them skills needed to succeed in a variety of college classes. It focuses on an introduction to the research paper, the MLA format, the use of quotations, paraphrasing, summarizing, and the rhetorical pattern of argumentation. **PREREQUISITE:** ESL 563 with a grade of 'C' or better or ESL Assessment Recommendation.

**General Education Requirements, pages 47-57**
ESL 581  ESL Pronunciation I  
Units: 2.0  Hours: 2.0 lecture 1.0 Laboratory  
Transferable: No  
This is a high-beginning/low-intermediate ESL Pronunciation Course. Students will participate in a variety of communicative activities designed to improve their pronunciation. This course focuses on clear pronunciation of vowels, consonants, diphthongs and clusters, accurate word stress and rhythm, and the connection between spelling and pronunciation. It also introduces the concept of sentence intonation. This is a pass/no pass course. ADVISORY: ESL 510B or ESL Assessment Test Recommendation.

ESL 582  ESL Pronunciation II  
Units: 2.0  Hours: 2.0 lecture 1.0 Laboratory  
Transferable: No  
ESL Pronunciation II is the second in a series of courses designed to give ESL students extra practice with their pronunciation. After reviewing vowel and consonant sounds, students will approach pronunciation through use of word stress, sentence rhythm, and discourse intonation. This is a pass/no pass course. ADVISORY: ESL 531, ESL 581, or ESL assessment recommendation.

ESL 584  Culture Through Film  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to practice listening and speaking skills through the use of selected films. The course highlights different intercultural issues and aspects of American culture, and students enhance their listening and speaking skills by means of authentic discourse. Because film provides a real sample of speech in a multi-dimensional experience, ESL learners can experience the language in a more complete manner while analyzing cultural issues. This is a pass/no pass course. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 585  Editing for ESL Writers  
Units: 3.0  Hours: 3.0 lecture 1.0 Laboratory  
Transferable: No  
This course is designed to help second language writers develop self-editing techniques to improve their writing. Students learn to identify and correct grammatical and usage errors in their writing as they become aware of general linguistic rules of English. Students learn to fix, and ultimately avoid, many errors commonly made by second language writers. ADVISORY: ESL 554 or ESL Assessment Recommendation.

ESL 586  ESL Pronunciation III  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation I  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation II  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation III  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation IV  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation V  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation VI  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation VII  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation VIII  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation IX  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation X  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation XI  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation XII  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.

ESL 580  ESL Pronunciation XIII  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: No  
This course is designed to give ESL students extra practice in pronunciation. Emphasis is placed on connecting pronunciation with meaning, and the students will continue to practice their pronunciation in a variety of communicative activities. This course has the option of a letter grade or pass/no pass. ADVISORY: ESL 541 or ESL Assessment Recommendation.
GUIDANCE

GUID 1 Self-Assessment and Career Development
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC, CSU-GE:B1, IGETC:S5A, GAV-GE:B1
This course is designed to assist the student in learning more about personal values, personality, interests, exploration of career choice, and occupational opportunities through the use of various personal assessment instruments. The delivery options for this course also include online and self-paced formats. This course is also listed as PSYC 5. ADVISORY: Eligible for English 250 and English 260. $12 fee will be charged for career assessment materials.

GUID 250 Supervised Tutoring
Units: 0.0 Hours: 1.0 Lecture
Transferable: No
Laboratory class emphasizing college learning skills, appropriate study techniques, and learning assistance utilizing one-on-one or small group tutorial. This is a non-credit class and will not appear on a student’s transcript.

GUID 251 College Survival Skills
Units: 1.0 Hours: 1.0 Lecture
Transferable: No
A course designed to assist students to adjust to the college environment and the learning process. This course will concentrate on the personal and academic skills necessary for educational success. This is a pass/no pass course.

GUID 530 Job Readiness
Units: 3.0 Hours: 3.0 Lecture
Transferable: No
This course is designed to provide a comprehensive, well-organized approach to assist individuals with the identification of occupational choices and the development of job readiness skills necessary to obtain and maintain employment in a competitive or supported work setting. May be repeated twice for credit. This course has the option of a letter grade or pass/no pass.

GUID 550 Supervised Tutoring
Units: 0.0 Hours: 1.0 TO 5.0 Laboratory
Transferable: No
Laboratory class emphasizing college learning skills, appropriate study techniques, and learning assistance utilizing one-on-one or small group tutorial.
GUID 557  Learning Skills Assessment
Units: 5  Hours: 1.0 Laboratory
Transferable: No
This course provides an assessment of the students' cognitive/perceptual abilities and basic skills academic achievement. The assessment results are used to determine the students' eligibility for Learning Disabilities Services, to develop individual educational plans, and/or to improve the students' understanding of their own learning strengths and weaknesses. The assessment is conducted on a one-to-one basis by appointment. Units earned in this course do not count toward the associate degree and/or certificate requirements. This is a pass/no pass course. May be repeated once for credit.

GUID 558  Learning Skills Laboratory
Units: 5 TO 2.0  Hours: 1.5 TO 6.0 Laboratory
Transferable: No
The Learning Skills Laboratory is designed to assist students who are eligible to receive Learning Disabilities Services and/or have demonstrated academic deficits. The course content is individualized and based on Student Educational Contracts which are developed for each student. Students receive supplemental instruction, academic support, and learning strategy suggestions appropriate for their individual cognitive, perceptual, and academic strengths and weaknesses. Units earned do not count towards the associate degree and/or certificate requirements. This is a pass/no pass course. ADVISORY: Completion of GUID 557 or demonstrated academic deficit.

GUID 561  Writing Skills
Units: 1.0  Hours: 0.5 Lecture 1.5 Laboratory
Transferable: No
This course is designed to teach basic writing skills to students who have demonstrated difficulty mastering written language and who are eligible to receive Learning Disability Services. Material is presented in a concrete, multi-sensory manner, and the class includes opportunity for immediate practice, repetition, and review. The course content includes grammar, sentence structure, and punctuation. Units earned do not count toward the associate degree and/or certificate requirements. This course has the option of a letter grade or pass/no pass. ADVISORY: Completion of Guidance 557 or demonstrated deficit in written language achievement. Recommended for students with verified learning disability.

GUID 562  Directed Study Lab in Arithmetic
Units: 1.0  Hours: 3.0 Laboratory
Transferable: No
This course is designed for students who have demonstrated difficulty mastering arithmetic and who are eligible to receive Learning Disability Services. Course content parallels Mathematics 400. Material is presented in a concrete, multi-sensory manner, and the lab allows opportunity for immediate practice, questions, repetition, and review. Units earned do not count toward the associate degree and/or certificate requirements. This is a pass/no pass course. COREQUISITE: Concurrent enrollment in MATH 400. ADVISORY: Completion of GUID 557 or demonstrated deficit in arithmetic. Recommended for students with verified learning disability.

GUID 563A  Directed Study Lab in Algebra
Units: 1.0  Hours: 4.0 Laboratory
Transferable: No
This course is designed for students who have demonstrated difficulty mastering elementary algebra and who are eligible to receive Learning Disability Services. Course content parallels Mathematics 205A. Material is presented in a concrete, multi-sensory manner, and the lab allows opportunity for immediate practice, questions, repetition, and review. This is a pass/no pass course. COREQUISITE: Concurrent enrollment in MATH 205A is required. ADVISORY: Completion of GUID 557 or demonstrated deficit in mathematics. Recommended for students with verified learning disability.

GUID 563B  Directed Study Lab in Algebra
Units: 1.0  Hours: 4.0 Laboratory
Transferable: No
This course is designed for students who have demonstrated difficulty mastering elementary algebra and who are eligible to receive Learning Disability Services. Course content parallels Mathematics 205B. Material is presented in a concrete, multi-sensory manner, and the lab allows opportunity for immediate practice, questions, repetition, and review. This is a pass/no pass course. COREQUISITE: Concurrent enrollment in MATH 205B is required. ADVISORY: Completion of GUID 557 or demonstrated deficit in mathematics. Recommended for students with verified learning disability.

GUID 564  Directed Study Lab in Pre-Algebra
Units: 1.0  Hours: 3.0 Laboratory
Transferable: No
This course is designed for students who are eligible to receive Learning Disability Services and/or who have demonstrated difficulty in mastering pre-algebra. The course content parallels Mathematics 402. The material is presented in a concrete, multi-sensory manner, and the lab environment allows opportunity for immediate practice questions, repetition and review. Units earned do not count towards the associate degree and/or certificate requirements. This is a pass/no pass course. COREQUISITE: Concurrent enrollment in MATH 402. ADVISORY: Completion of Guidance 557 and/or a demonstrated deficit in Mathematics. Recommended for students with verified learning disability.

GUID 565A  Directed Study Lab in Intermediate Algebra - 1st half
Units: 1.0  Hours: 3.0 Laboratory
Transferable: No
This course is designed for students who have demonstrated difficulty mastering intermediate algebra and who are eligible to receive Learning Disability Services. Course content parallels Mathematics 233A. Material is presented in a concrete, multi-sensory manner, and the lab allows opportunity for immediate practice, questions, repetition, and review. This is a pass/no pass course. COREQUISITE: Concurrent enrollment in MATH 233A is required. ADVISORY: Completion of GUID 557 or demonstrated deficit in mathematics. Recommended for students with verified learning disability.

GUID 565B  Directed Study Lab in Intermediate Algebra - 2nd half
Units: 1.0  Hours: 3.0 Laboratory
Transferable: No
This course is designed for students who have demonstrated difficulty mastering intermediate algebra and who are eligible to receive Learning Disability Services. Course content parallels Mathematics 233B. Material is presented in a concrete, multi-sensory manner, and the lab allows opportunity for immediate practice, questions, repetition, and review. This is a pass/no pass course. COREQUISITE: Concurrent enrollment in MATH 233B is required. ADVISORY: Completion of GUID 557 or demonstrated deficit in mathematics. Recommended for students with verified learning disability.

HE 1  Health Education
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE-E2; GAV-GE-E2
This course focuses on attaining individual awareness, critical-thinking skills and self-responsibility relating to personal health. The interaction of individual physical, psychological, social, emotional, spiritual and environmental factors in determining health status is developed through integration of major concepts. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.
HE 2 Human Sexuality
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:E2; GAV-GE:E2, F
Assists students in gaining increased knowledge, appreciation, and respect for their own sexuality, as well as others. Approved by the Board of Registered Nursing for 54 hours of continuing education credit (Provider #00892). ADVISORY: Eligible for English 250 and English 260.

HIST 1 United States History through Reconstruction
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D6, IGETC:3B, 4F, 7B; GAV-GE:C2, D2; CAN:HIST8, HIST SEQ B
History of the United States from the time before European contact with the Americas through Reconstruction. Emphasis will be placed on distinctive patterns of political, economic, social, intellectual, and geographic developments within their global context. At the conclusion of the course, the student should understand major themes in the history of the United States, and be able to explain various ways in which ideas about federal vs. state power, ethnicity, class, and gender divisions have influenced the nation’s development. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

HIST 2 United States History Reconstruction to the Present
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D6, IGETC:3B, 4F, 7B; GAV-GE:C2, D2; CAN:HIST10, HIST SEQ B
History of the United States from Reconstruction to the present. Emphasis will be placed on distinctive patterns of political, economic, social, intellectual, and geographic developments within their global context. At the conclusion of the course, the student should understand major themes in the history of the United States, and be able to explain various ways in which ideas about federal vs. state power, ethnicity, class, and gender divisions have influenced the nation’s development. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

HIST 3 History of California
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D6, IGETC:3B, 4F; GAV-GE:C2, D2, F
A study of California’s history from pre-contact with Europeans to the present day. Social, cultural, economic, political and environmental issues will be explored towards an understanding of California’s history. ADVISORY: Eligible for English 1A and English 260.

HIST 4A History of World Societies, Before 1500
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D6, IGETC:3B, 4F; GAV-GE:C2, D2
A study of major elements in the development of and interactions between world societies, from the first organization of community to the dawn of the Renaissance. Students will comparatively analyze social, cultural, geographic, economic, demographic, technological, environmental, and political developments that moved humans from nomadic to agrarian-technological and urban lives. This course has the option of a letter grade or pass/no pass. ADVISORY: English 250 and English 260.

HIST 4B History of World Societies 1500 to Present
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D6, IGETC:3B, 4F; GAV-GE:C2, D2
A study of major elements in the development of and interactions between world societies, from the dawn of the Renaissance to the modern day. Students will comparatively analyze the social, cultural, geographic, economic, demographic, technological, environmental, and political developments that moved humans from the Middle Ages to the modern era. This course has the option of a letter grade or pass/no pass. ADVISORY: English 250 and English 260.

HIST 5 Women’s Lives in Early United States History
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D4, D6, IGETC:3B, 4F; GAV-GE:C2, D1, D2, F
This survey course begins with pre-contact peoples and extends to the end of the nineteenth century. The class examines the construction of womanhood through United States history, and the effects of gender, ethnicity, class, and sexual orientation upon women’s experiences. Students will study the contributions of various individual women and groups of women in creating the modern United States, and will analyze social, political, economic, and cultural forces affecting women to both join and resist movements for social change. Students will also learn to apply contemporary feminist theory to traditional historical approaches. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

HIST 6 Women’s Lives in Recent United States History
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D4, D6, IGETC:3B, 4F; GAV-GE:C2, D2
The class examines the construction of womanhood in the US during the twentieth century. The class explores the effects of gender, ethnicity, class, and sexual orientation upon women’s experiences. Students will study the contributions of various individual women and groups of women in creating the modern United States, and will analyze social, political, economic, and cultural forces affecting women to both join and resist movements for social change. Students will also learn to apply contemporary feminist theory to traditional historical approaches. ADVISORY: English 250

HIST 7A History of Western Civilization
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2; CAN:HIST2, HIST SEQ A
A study of major elements in Western heritage from the ancient world to the eighteenth century. Course will survey intellectual, political, social, economic and cultural development of the Western World. ADVISORY: English 250 and English 260.

HIST 7B History of Western Civilization
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2; CAN:HIST4, HIST SEQ A
A study of major elements in western heritage from Renaissance Europe to the present. Emphasis is on ideas, attitudes and institutions basic to western civilization of enduring interest. ADVISORY: Eligible for English 250 and English 260.

HIST 10 African-American History
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D3, D6, IGETC:3B, 4F; GAV-GE:C2, D2
This class examines how social, political, cultural, intellectual, and economic aspects of African-American life developed in the course of United States history. Students will explore the early effects of race-based ideology, and will consider the legacies of slavery and African-American economic underdevelopment. Students will also learn about the contributions of various African-American individuals and groups to the modern United States, and will use various indicators to assess the current state of the nation’s ethnic relations. This course has the option of a letter grade or pass/no pass. ADVISORY: English 260, English 250

HIST 12 Cultural History of the Mexican American
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D3, D6, IGETC:3B, 4F; GAV-GE:D2, F
The Mexican American experience as influenced by society in the United States. Emphasis will be on the historical and contemporary contributions made by the Indian, Spanish, Mexican, and Mexican American. Emphasis will also be on the social, economic, and political milieu of the Mexican American within the context of the American society. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

General Education Requirements, pages 47-57
**HIST 14**  U.S. In the 20th Century: An Oral History Approach  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, D6, IGETC:3B, 4F; GAV-GE:C2, D2  
Students in this course will use oral history and traditional research methods to develop a collection of oral histories on family, community and twentieth century topics. Students will learn oral history skills, ethics, and applications. The course will also survey political, economic, social, and cultural history of the past century to provide interviewers with a context for their work. ADVISORY: History 2, 5, or 12  

**HIST 21**  Ancient Americas: A History through Art  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C1, C2, IGETC:3A; GAV-GE:C2, F  
A critical survey of history through the arts of pre-Columbian natives of North, Central and South America. The course will cover major societries and events from the appearance of major civilizations through the initial colonization efforts of European nations. Due to the distinct history of the Americas, this course uses the arts - architecture, sculpture, ceramics and painting, among others - of ancient societies as a primary source material. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 21. ADVISORY: Eligible for English 250.  

**HIST 98**  Special Topics  
Units: .5 TO 3.0  
Hours: .5 TO 3.0 Lecture  
Transferable: CSU  
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. May be repeated for credit with different topics.  

**HORT 20**  Principles of Horticulture  
Units: 3.0  
Hours: 2.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC  
This course will provide an introduction to horticulture and crop science. It will cover the biological principles of basic plant processes, classification, anatomy, physiology, and biotechnology. The course will also evaluate the global ecological/environmental and socioeconomical value of plants. Topics will also include the effect of the environment of plants and how we control it, an introduction to plant growth including propagation, media, irrigation, nutrition, management, harvest, and post harvest handling, and people’s use of plants. Field trip required.  

**HUMANITIES**  

**HUM 3**  Introduction to the Cinema  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2  
This course provides an introduction to the cinema. It includes a view of the inventors and the technological developments that led to the modern motion picture; an historical perspective on the growth and development of cinema including significant films that contributed to its establishment as an art form, a study of film genres such as the comedy, the musical, and the western; the technology of image and sound; and a look at the basic techniques of filmmakers when they attempt to convey meaning. ADVISORY: Eligible for English 250 and 260.  

**HUM 4**  Introduction to American Cinema  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2  
This introductory course in film studies is a survey of the American film industry as an art form, as an industry, and as a system of representation and communication. The course explores how Hollywood films work technically, aesthetically, and culturally to reinforce and challenge America’s national self-image. ADVISORY: English 440  

**HUM 5**  Humanities Through The Arts  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2  
A survey of the human condition as seen through film, drama, music, literature, painting, sculpture, and architecture, with an emphasis on the history, techniques, meaning, and evaluation of individual works of Western Art. ADVISORY: English 440  

**HUM 6**  Foreign Cinema  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C1, IGETC:3A; GAV-GE:C1  
This class is a survey of significant developments in narrative film outside Hollywood. Differing international contexts, theatrical movements, technological innovations, and major directors are studied. The class offers a global, historical overview of narrative content and structure, production techniques, audience, and distribution. Students screen a variety of rare and popular films, focusing on the artistic, historical, social, and cultural contexts of film production. Students develop critical thinking skills and address issues of popular culture, including race, class, gender, and equity.  

**HUM 10**  Approaches to Contemporary Film  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C1, C2, IGETC:3B; GAV-GE:C1, C2  
Approaches to Contemporary Film examines theories of film criticism as they apply to films from 1960 to the present. Students learn technical, visual, classical, historical, cultural, ideological, and aesthetic approaches to film and sample from a representative list of foreign and domestic movies. Special emphasis is given to new voices from non-American sources and to emerging voices in American cinema. ADVISORY: Eligibility for English 250 and 260.  

**HUM 25A**  Film Production  
Units: 3.0  
Hours: 2.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC  
In this class students are introduced to basic theory, concepts, and practice of video and film production, both in the studio and in the field. Students learn skills in camera operation, lighting, audio, and editing. Students will learn the tools of the narrative film/video director’s art. Working in production groups, students learn to break down scripted material in order to prepare to shoot dramatic scenes and sequences on camera. Students learn techniques for working with actors on camera. Students apply production planning and management skills. Students learn the basics of production lighting design, including script analysis, basic 3 point lighting, fill, key, differences between perceived light, and recorded light (video, film). Students learn the basics of production sound design, including the recording of sound, Foley, looping, and postproduction.  

**HUM 98**  Special Topics  
Units: .5 TO 3.0  
Hours: .5 TO 3.0 Lecture  
Transferable: CSU  
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. This course may have the option of a letter grade or pass/no pass.  

**INDUSTRIAL TECHNOLOGY**  

**IT 115**  Introduction to the Construction Industry  
Units: 3.0  
Hours: 3.0 Lecture  
Transferable: CSU  
This course is an introduction to the construction industry. It will cover the basic skill sets required to earn an entry-level position in various trades in construction. Students will learn basic math, vocabulary, blue print reading and safety skills along with the soft skills required to gain employment. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.
HIST 14  U.S. In the 20th Century: An Oral History Approach
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D6, IGETC:3B, 4F; GAV-GE:C2, D2
Students in this course will use oral history and traditional research methods to develop a collection of oral histories on family, community and twentieth century topics. Students will learn oral history skills, ethics, and applications. The course will also survey political, economic, social, and cultural history of the past century to provide interviewers with a context for their work. ADVISORY: History 2, 5, or 12

HIST 21  Ancient Americas: A History through Art
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, C2, IGETC:3A; GAV-GE:C2, F
A critical survey of history through the arts of pre-Columbian natives of North, Central and South America. The course will cover major societies and events from the appearance of major civilizations through the initial colonization efforts of European nations. Due to the distinct history of the Americas, this course uses the arts - architecture, sculpture, ceramics and painting, among others - of ancient societies as a primary source material. This course has the option of a letter grade or pass/no pass. This course is also listed as ART 21. ADVISORY: Eligible for English 250.

HIST 98  Special Topics
Units: .5 TO 3.0  Hours: .5 TO 3.0 Lecture
Transferable: CSU
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. May be repeated for credit with different topics.

HORT 20  Principles of Horticulture
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
This course will provide an introduction to horticulture and crop science. It will cover the biological principles of basic plant processes, classification, anatomy, physiology, and biotechnology. The course will also evaluate the global ecological/environmental and socioeconomical value of plants. Topics will also include the effect of the environment of plants and how we control it, an introduction to plant growth including propagation, media, irrigation, nutrition, management, harvest, and post harvest handling, and people’s use of plants. Field trip required.

HUM 3  Introduction to the Cinema
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2
This course provides an introduction to the cinema. It includes a view of the inventors and the technological developments that led to the modern motion picture; an historical perspective on the growth and development of cinema including significant films that contributed to its establishment as an art form, a study of film genres such as the comedy, the musical, and the western; the technology of image and sound; and a look at the basic techniques of filmmakers when they attempt to convey meaning. ADVISORY: Eligible for English 250 and 260.

HUM 4  Introduction to American Cinema
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2
This introductory course in film studies is a survey of the American film industry as an art form, as an industry, and as a system of representation and communication. The course explores how Hollywood films work technically, aesthetically, and culturally to reinforce and challenge America’s national self-image. ADVISORY: English 440

HUM 5  Humanities Through The Arts
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2
A survey of the human condition as seen through film, drama, music, literature, painting, sculpture, and architecture, with an emphasis on the history, techniques, meaning, and evaluation of individual works of Western Art. ADVISORY: English 440

HUM 6  Foreign Cinema
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, IGETC:3A; GAV-GE:C1
This class is a survey of significant developments in narrative film outside Hollywood. Differing international contexts, theoretical movements, technological innovations, and major directors are studied. The class offers a global, historical overview of narrative content and structure, production techniques, audience, and distribution. Students screen a variety of rare and popular films, focusing on the artistic, historical, social, and cultural contexts of film production. Students develop critical thinking skills and address issues of popular culture, including race, class, gender, and equity.

HUM 10  Approaches to Contemporary Film
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, C2, IGETC:3B; GAV-GE:C1, C2
Approaches to Contemporary Film examines theories of film criticism as they apply to films from 1960 to the present. Students learn technical, visual, classical, historical, cultural, ideological, and aesthetic approaches to film and sample from a representative list of foreign and domestic movies. Special emphasis is given to new voices from non-American sources and to emerging voices in American cinema. ADVISORY: Eligibility for English 250 and 260.

HUM 25A  Film Production
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
In this class students are introduced to basic theory, concepts, and practice of video and film production, both in the studio and in the field. Students learn skills in camera operation, lighting, audio, and editing. Students will learn the tools of the narrative film/video director’s art. Working in production groups, students learn to break down scripted material in order to prepare to shoot dramatic scenes and sequences on camera. Students learn techniques for working with actors on camera. Students apply production planning and management skills. Students learn the basics of production lighting design, including script analysis, basic 3 point lighting, fill, key, differences between perceived light, and recorded light (video, film). Students learn the basics of production sound design, including the recording of sound, Foley, looping, and postproduction.

HUM 98  Special Topics
Units: .5 TO 3.0  Hours: .5 TO 3.0 Lecture
Transferable: CSU
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. This course may have the option of a letter grade or pass/no pass.

IT 115  Introduction to the Construction Industry
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
This course is an introduction to the construction industry. It will cover the basic skill sets required to earn an entry-level position in various trades in construction. Students will learn basic math, vocabulary, blue print reading and safety skills along with the soft skills required to gain employment. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.
**IT 116  Introduction to Process Improvement**

Units: 2.0  
Hours: 2.0 Lecture  
Transferrable: CSU  

An introduction to quality environment in the work place. Students will learn how to work as a team, solve problems, communicate effectively, gather and record data and interpret a variety of charts. ADVISORY: Mathematics 205.

**IT 117  Statistical Methods for Improving Performance**

Units: 2.0  
Hours: 2.0 Lecture  
Transferrable: CSU  

An introductory course to improving performance in the work place. Students will learn to work as a team to apply statistical methods in business and industry. These methods include data collection, cause and effect analysis, frequency distributions, and the construction and interpretation of control charts. ADVISORY: Mathematics 205.

**ITALIAN**

**ITAL 8A  Conversational Italian**

Units: 3.0  
Hours: 3.0 Lecture  
Transferrable: CSU  

This beginning course emphasizes the sound system, pronunciation, and conversational skills used in everyday Italian but also covers vocational building and grammar as well. Students are introduced to the culture, customs, and history of the Italian world. This course has the option of a letter grade or pass/no pass.

**ITAL 8B  Conversational Italian**

Units: 3.0  
Hours: 3.0 Lecture  
Transferrable: CSU  

This second semester beginning course emphasizes the sound system, pronunciation, and conversational skills used in everyday Italian, but also covers vocabulary building and grammar as well. Students are introduced to the culture, customs, and history of the Italian world. This course has the option of a letter grade or pass/no pass. PREREQUISITE: ITAL 8A or equivalent.

**JAPANESE**

**JPN 1A  Elementary Japanese**

Units: 5.0  
Hours: 5.0 Lecture, 2.5 Laboratory  
Transferrable: CSU, UC; CSU-GE:C2; IGEC:C6; GAV-GE:C2  

Beginning course with emphasis on understanding and speaking Japanese; introduction to reading and writing Japanese. This course will also introduce students to Japanese culture and institutions. This course has the option of a letter grade or pass/no pass.

**JPN 1B  Elementary Japanese**

Units: 5.0  
Hours: 5.0 Lecture, 2.5 Laboratory  
Transferrable: CSU, UC; CSU-GE:C2; IGEC:C6; GAV-GE:C2  

Continue Japanese 1A with an emphasis on understanding, speaking, reading, and writing Japanese. This course will continue to introduce students to Japanese culture and institutions. This course has the option of a letter grade or pass/no pass. PREREQUISITE: Japanese 1A or equivalent.

**JOURNALISM**

**JOUR 10  Mass Media and Society**

Units: 3.0  
Hours: 3.0 Lecture  
Transferrable: CSU, UC; CSU-GE:C2, D0, IGETC:4J; GAV-GE:C2, D2; CAN:JOUR4  

This course helps students understand the 20th century revolution in mass media by focusing on the history, economics and social impact of the newspaper, book publishing, magazine, film, television, public relations, advertising and music industries. Students will study audience, propaganda and mass communication theory; and discuss new technology, ethnic media in the United States, ethical issues and attempts to regulate or control the media. Honors students will complete more in-depth analysis of media issues and will finish a media-related research project. This course is also listed as SOC 10. This course has the option of a letter grade or pass/no pass. ADVISORY: English 250, English 260.

**JOUR 16A  Writing for Media**

Units: 3.0  
Hours: 3.0 Lecture  
Transferrable: CSU; GAV-GE:C1; CAN:JOUR2  

Fundamentals of journalistic writing and analysis of news values and news writing. Stresses organization and structure of news stories; the language and style of news writing, the basic lead and story types for print and broadcast media. ADVISORY: Typing skill; English 1A eligibility.

**JOUR 16B  Reporting for Media**

Units: 3.0  
Hours: 3.0 Lecture 1.0 Laboratory  
Transferrable: CSU; GAV-GE:C1  

Fundamentals of reporting for print and broadcast media, with attention to research methods, cultivation of sources, and interviewing techniques. Students will practice gathering information from a variety of sources for presentation in print and broadcast media. ADVISORY: Journalism 16A.

**JOUR 18A  Working on the Newspaper**

Units: 2.0 TO 5.0  
Hours: .0 TO 3.0 Laboratory  
Transferrable: CSU; GAV-GE:C1  

Students interview, write, photograph and do computer assisted design and graphics for the college newspaper, The Gavilan Press. In doing this, they provide the community with an important first amendment forum, learn and educate about the first amendment rights and responsibilities, and acquire journalistic skills, ethics, and habits. ADVISORY: Eligible for English 1A. Typing ability.

**JOUR 18B  Working on the Newspaper**

Units: 2.0 TO 5.0  
Hours: .0 TO 3.0 Laboratory  
Transferrable: CSU; GAV-GE:C1  

Students interview, write, photograph and do computer assisted design and graphics for the college newspaper, The Gavilan Press. In doing this, they provide the community with an important first amendment forum, learn and educate about the first amendment rights and responsibilities and acquire journalistic skills, ethics and habits. ADVISORY: Journalism 18A.

**JOUR 18C  Working on the Newspaper**

Units: 2.0 TO 5.0  
Hours: .0 TO 3.0 Laboratory  
Transferrable: CSU; GAV-GE:C1  

Students interview, write, photograph and do computer assisted design and graphics for the college newspaper, The Gavilan Press. In doing this, they provide the community with an important first amendment forum, learn and educate about the first amendment rights and responsibilities and acquire journalistic skills, ethics and habits. ADVISORY: Journalism 18B.

**JOUR 18D  Working on the Newspaper**

Units: 2.0 TO 5.0  
Hours: .0 TO 2.0 Lecture, .0 TO 3.0 Laboratory  
Transferrable: CSU; GAV-GE:C1  

Students interview, write, photograph and do computer assisted design and graphics for the college newspaper, The Gavilan Press. In doing this, they provide the community with an important first amendment forum, learn and educate about the first amendment rights and responsibilities and acquire journalistic skills, ethics and habits. ADVISORY: Journalism 18C.
JOUR 190  Occupational Work Experience/Journalism
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: CSU
The application of learned theory, knowledge, and skills to a practical job setting related to the student's educational/occupational goal. Employment must be directly related to the student's college educational/occupational goal. Periodic interviews of the students and employers or their representatives will be required. Each student shall be assisted in the development of individualized performance objectives, toward which the learning experience shall be directed. REQUIRED: Enrollment in a minimum of seven (7) units, including Cooperative Work Experience, during regular semesters; enrollment in at least one other class in summer session.

JPA FIRE TECHNOLOGY
The application and registration process for JPA Fire Technology classes are completed at the South Bay Regional Public Safety Training Consortium located on the Evergreen Valley College campus in San Jose. Classes are open to the public, however the majority of courses are intended to support public safety training demands and serve the “already employed” student.

If you have questions about courses offered by The Academy, or would like additional information about public safety career training, please call (408) 270-6458 or visit the webpage at www.theacademy.ca.gov. For more information, see page 115.

JFT 1A  Fire Command 1A Command Principles for Company Officers
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is a required course for Level I Officer Certification. It is designed to provide emergency personnel with information and experience in command and control techniques used at the scene of an emergency. The course emphasizes decision making, the act of commanding, the authority or right to command, the personnel organization structure or area under an individual commander, and the preplanning and training requirements for effective performance as an officer. PREREQUISITE: Fire Fighter 1 Certification A & B, or equivalent. ADVISORY: Eligible for English 250 and English 420.

JFT 1B  Fire Command 1B - Haz Mat Command Prin for Company Officers
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed for first-in incident commander and company officers. It provides instruction in tactics and strategies and scene management principles for incidents involving hazardous materials. The course includes areas of discussion on identification and hazard mitigation, decontamination, protective clothing, environmental concerns, and legal issues. PREREQUISITE: Fire Command 1A - Command Principles for Company Officers, I-220 (Basic ICS). ADVISORY: Eligible for English 250 and English 420.

JFT 2A  Fire Command 2A - Command Tactics at Major Fires
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed for chief officers, company officers, and training officers. It will prepare the officer to use management techniques and the Incident Command System when commanding multiple alarms or large suppression forces. PREREQUISITE: Fire Command 1A and Basic ICS. ADVISORY: Eligible for English 250 and English 420.

JFT 2B  Fire Command 2B - Management of Major Haz Mat Incidents
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed for chief officers, company officers and training officers. It will include areas of discussion on information and data bases, organizations, agencies and institutions involved in hazardous materials response and research, planning for your community’s hazardous materials problems, legislation, regulations and liabilities of hazardous materials responses. PREREQUISITE: Fire Command 1B and Fire Command 2A, 1-200 (Basic ICS) ADVISORY: Eligible for English 250 and English 420

JFT 2C  Fire Command 2C - High Rise Fire Tactics
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed for chief officers and experienced company officers. It is approached from a system basis and is applied to both small and large high-rise buildings. Topics include: Prefire planning, building inventory, problem identification, ventilation methods, water supply, elevators, life safety, strategy and tactics, application of the ICS, and specific responsibilities. Case studies and simulation are used. PREREQUISITE: Fire Command 2A, I-200 (Basic ICS) ADVISORY: Eligible for English 250 and English 420

JFT 2D  Fire Command 2D - Planning for Large-Scale Disasters
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed for chief officers, company officers and planners. Key topics include: principles of disaster planning and management, fire service emergency plans, emergency operations centers, case studies of various material and man made disasters, and roles of local, state and federal OES and emergency management agencies, discussion of multi-hazard and ICS planning techniques, and principles of existing emergency management staff. PREREQUISITE: Fire Command 2A, I-200 (Basic ICS) ADVISORY: Eligible for English 250 and English 420

JFT 2E  Fire Command 2E - Wildland Fire Fighting Tactics
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed for fire officers who have command responsibilities at wildland fires. It contains such topics as California’s wildland fire problem, wildland fire safety, weather effects, wildland fuels, wildland fire behavior, initial attack methods, using support equipment, using topographic maps, strategy and tactics, and air attack operations. Involves class participation and simulation. PREREQUISITE: Fire Command 2A, I-220 (Basic ICS) ADVISORY: Eligible for English 250 and English 420

JFT 3  Fire Mgmt I - Management/Supervisor for Company Officers
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This is a required course for Level 1 Fire Officer certification. The curriculum includes management styles of leadership; promoting group cooperation; types of verbal orders; interpreting and implementing policies; methods of dealing with subordinates; duties and responsibilities of rank; line and staff function; emotional and behavioral characteristics of individuals and working groups; group behavior within the organization; personnel procedures; types of corrective action, personnel interviews and counseling. PREREQUISITE: Fire Fighter 1 Certification A & B or equivalent. ADVISORY: Eligible for English 250 and English 420

JFT 4A  Fire Mgmt 2A - Organizational Development & Human Relations
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed for chief officers, company officers, staff officers, training officers, and other fire service managers. It provides information on how to make the transition from supervisor to manager. It offers sound management principles in preparation for more intensified training in specific disciplines. Topics of discussion include internal and external influences, personality traits of your fire fighters, managing human relations, group dynamics, conflict solution and more. PREREQUISITE: Fire Management 1 ADVISORY: Eligible for English 250 and English 420.
This course is designed to provide the student with information on driver techniques for emergency vehicle operation. It provides insight into the cyclical nature of budgeting and financial management. As a management course, the student will become familiar with essential elements of the financial planning, budget preparation, budget justification, and budget controls. PREREQUISITE: Fire Management 1, Fire Management 2A. ADVISORY: Eligible for English 250 and English 420.

JFT 7A  Fire Apparatus Drive/Operator 1A-Emergency Vehicle Operation
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course is designed to provide the student with information on driver techniques for emergency vehicles and techniques of basic inspection and maintenance of emergency vehicles, including actual driving exercises under simulated emergency conditions. ADVISORY: Eligible for English 250 and English 420.

JFT 7B  Fire Apparatus Driver/Operator 1B - Pump Operations
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course provides the student with information, theory, methods, and techniques for operating fire service pumps. Subjects include: types of pumps, engine and pump gauges, maintenance, unsafe pumping conditions, pressure relief devices, cooling systems, water supplies, drafting, field hydraulics, and pumping operations. ADVISORY: Eligible for English 250 and English 420.

JFT 8  Fire Fighter I Academy
Units: 8.0 TO 10.0  Hours: .0 TO 26.0 Lecture, .0 TO 14.0 Laboratory
Transferable: CSU
This academy includes 320 hours of instruction on basic fire fighting skills, laws and regulations affecting the fire service. The course will provide the fire fighter with the knowledge and skills to safely perform, under minimal supervision, essential and advanced fire ground tasks, basic rescue operations, basic fire prevention and fire investigation tasks and to use, inspect, and maintain fire fighting and rescue equipment. Curriculum is intended to provide competent and comprehensive training in the field of Fire Technology as it relates to firefighters. ADVISORY: Eligible for English 250 and English 420.

JFT 9A  Fire Instructor 1A - Instructional Techniques Part I
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This course curriculum includes the identification of training needs; utilizing the occupational analysis; determining measurable student objectives in learning manipulative skills; development of levels of instruction; preparation and presentation of manipulative lesson plans; preparation of supplementary instruction sheets and methods of manipulative skills. PREREQUISITE: Fire Fighter 1 Certification ADVISORY: Eligible for English 250 and English 420

JFT 9B  Fire Instructor 1B - Instructional Techniques Part II
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This is a required course for Level 1 Fire Officer Certification. The curriculum identifies and provides the training needs with the emphasis on technical subjects; identification of course objectives and content; establishment of levels of instruction; development of measurable student performance goals; development of technical lesson plans’ teaching technical subject. PREREQUISITE: Fire Instructor 1A ADVISORY: Eligible for English 250 and English 420

JFT 11  Rescue Systems I - Fundamentals of Heavy Rescue
Units: 1.0  Hours: 8.0 Lecture 32.0 Laboratory
Transferable: CSU
This 40 hour course is designed for all emergency response personnel. Key topics include: Team organization, rescue and environmental considerations, use of ropes, knots, rigging and pulley systems, descending, repelling, and belaying tools and techniques, subsurface rescue techniques, use of cribbing, wedges, cutting/prying and hydraulic tools, use of fire service ladders in specialized rescue situations, and day and night simulated rescue exercises. PREREQUISITE: Fire Fighter Certification ADVISORY: Eligible for English 250 and English 420.

JFT 12  Rescue Systems II - Advanced Rescue Systems
Units: 1.0  Hours: 8.0 Lecture 32.0 Laboratory
Transferable: CSU
This 40 hour course is designed for all fire service and allied emergency response personnel. It provides advanced heavy rescue system techniques. Key topics include structural building types, wood and mechanical shores, crib capacities, floor weight calculations, building search, confined space considerations, damaged structure hazard assessment, use of small power and hand tools, air bags and USAR ICS. PREREQUISITE: Rescue Systems I, Basic ICS ADVISORY: Eligible for English 250 and English 420.

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
JFT 13  Public Educ 1A - Systematic Planning & Communication Skills  
Units: 1.0  Hours: 40.0 Lecture  
Transferable: CSU  
This course is designed for personnel involved with preparing and delivering public education and information programs. Key topics include: systematic planning process for public education, use of CFIRS to analyze local problems, communication skills, program evaluation, working with the media, integrating programs into schools, gaining community support, fire safety for children, interviewing and counseling juvenile firefighters, creating and using audio/visual resources, and idea and resource sharing. ADVISORY: Eligible for English 250 and English 420.

JFT 14  CDF Fire Academy - Seasonal  
Units: 2.0  Hours: 27.0 Lecture 13.0 Laboratory  
Transferable: CSU  
This course is department policy for the Entry Level CDF Firefighter 1. The training is designed to assist with competency-based group instruction, and the student is expected to demonstrate the skills necessary to be a safe and effective Firefighter 1. Students are required to meet the minimum standard as noted in the behavioral objective for each subject/topic. Candidates for qualification under this course must meet the basic requirements for employment as a CDF Firefighter 1. ADVISORY: Eligible for English 250 and English 420.

JFT 15  CDF Fire Academy - Seasonal Refresher  
Units: 1.0  Hours: 27.0 Lecture 13.0 Laboratory  
Transferable: CSU  
This is a refresher course for the Basic CDF Firefighter Academy. Returning firefighters must pass the returning firefighter written examination before working on an emergency incident. The subjects are intended to give the Firefighter 1 a basic knowledge which is needed prior to emergency response. Students are required to meet the minimum standard as noted in the behavioral objective for each subject/topic. Candidates for qualification under this course must meet the basic requirements for employment as a CDF Firefighter 1. ADVISORY: Eligible for English 250 and English 420.

JFT 16  Joint Fire Fighter Academy  
Units: 10.0  Hours: 26.0 Lecture 14.0 Laboratory  
Transferable: CSU  
This course is designed for firefighter recruits who have been hired by a county-wide multi-agency. It includes 320 hours of instruction on basic fire fighting skills, laws, and regulations affecting the fire service. It will provide the firefighter with the knowledge and skills to safely perform, under minimal supervision, essential and advanced fire ground tasks, basic rescue operations, basic fire prevention and fire investigation tasks and to use, inspect, and maintain fire fighting and rescue equipment. Curriculum is intended to provide competent and comprehensive training in the field of Fire Technology as it relates to entry level firefighters. PREREQUISITE: Employment with a Fire Department. ADVISORY: Eligible for English 250 and English 420.

JFT 17  Emergency Medical Technician I  
Units: 3.0  Hours: 21.5 Lecture 12.5 Laboratory  
Transferable: CSU  
This 135 hours course is designed to prepare personnel in the Fire/Safety and related fields to render pre-hospital basic life support including, but not limited to: Advanced First Aid and Cardiopulmonary Life Support for the ill or injured at the scene of an emergency in preparation for transport. It meets all the lecture requirements for certification as an Emergency Medical Technician I as specified in the regulations approved by the State of California Emergency Medical Services Authority and the Emergency Medical Services Officer of the County of Santa Clara and the Office of the State Fire Marshall. Students must successfully complete Fire Fighter Academy 1 to be eligible for certification. May be repeated three times for credit. PREREQUISITE: CPR Emergency Responder ADVISORY: Eligible for English 250 and English 420.

JFT 18A  Haz Mat Tech 1A - Basic Chemistry of Hazardous Materials  
Units: 1.0  Hours: 40.0 Lecture  
Transferable: CSU  
This course is designed to provide the students with a basic foundation in chemistry and physics as they relate to hazardous materials incidents. Topics include an overview of chemical and physical properties, chemical structures and formulas, covalent and ionic bonding, different types of chemical compounds, the DOT hazard classes, and the combustion process as it relates to hazardous materials. PREREQUISITE: OSFM approved Hazardous Materials First Responder (Operations Level) ADVISORY: Eligible for English 250 and English 420.

JFT 18B  Haz Mat Tech 1B - Applied Chemistry/Field ID of Chemicals  
Units: 1.0  Hours: 24.0 Lecture 16.0 Laboratory  
Transferable: CSU  
This course is designed for hazardous materials emergency responders. It teaches students how to apply information learned in Hazardous Materials 1A. Instruction includes the use of field monitoring and detection devices, sample collection equipment, and field identification procedures for verifying, identifying, and classifying unknown chemicals. PREREQUISITE: Hazardous Materials 1A (JFT 18A). ADVISORY: Eligible for English 250 and English 420.

JFT 18C  Haz Mat Technician 1C - Incident Considerations  
Units: 1.0  Hours: 40.0 Lecture  
Transferable: CSU  
This course is designed for hazardous materials emergency responders. It provides an introduction to the Haz Mat Incident Command System, concepts associated with haz mat response activities, and an in depth study of incident specific considerations influencing haz mat emergencies. Students are introduced to site planning, contingency planning, protective action options, and meteorological considerations. PREREQUISITE: Hazardous Materials 1A (JFT 18A), Hazardous Materials 1B (JFT 18B). ADVISORY: Eligible for English 250 and English 420.

JFT 18D  Haz Mat Tech 1D - Tactical Field Operations  
Units: 1.0  Hours: 20.0 Lecture 20.0 Laboratory  
Transferable: CSU  
This course is designed for hazardous materials emergency responders. It provides the students with "hands-on" training in haz mat confinement and control operations including diking dams, absorbent materials, methods and procedures of plugging, sampling, and over packing. Students are presented with an opportunity to utilize chemical protective equipment and decontamination methods and procedures. Information on other tactical considerations such as haz mat triage, sabotage, preservation of evidence, and EMS considerations is also provided. PREREQUISITE: Hazardous Materials 1A (JFT 18A), Hazardous Materials 1B (JFT 18B), and Hazardous Materials 1C (JFT 18C). ADVISORY: Eligible for English 250 and English 420.

JFT 18F  Haz Mat Tech 1F - Special Mitigation Techniques  
Units: 1.0  Hours: 20.0 Lecture 20.0 Laboratory  
Transferable: CSU  
This module is an intensive "hands-on" introduction to specialized mitigation techniques employed by the Hazardous Materials Specialist. Instruction includes plugging, patching, and repairing railroad cars, intermodal tanks, and highway cargo tank cars, advanced chemical field identification testing procedures, and fixed facility repair considerations. PREREQUISITE: Haz Mat 1A (JFT 18A), Haz Mat 1B (JFT 18B), Haz Mat 1C (JFT 18C) and Haz Mat 1D (JFT 18D). ADVISORY: Eligible for English 250 and English 420.

JFT 18G  Haz Mat Tech 1G - Advanced Field Operations  
Units: 1.0  Hours: 40.0 Laboratory  
Transferable: CSU  
This module brings together all of the information present in modules 1A-1F in an environment of "hands-on" full scale exercises. The students will be evaluated for their ability to perform as a member of a Haz Mat team in a series of simulated Haz Mat incidents. PREREQUISITE: Haz Mat 1A through 1F (JFT 18A-F) ADVISORY: Eligible for English 250 and English 420.

General Education Requirements, pages 47-57
JFT 20  Hazardous Materials - First Responder - Operational
Units: 5  Hours: 24.0 Lecture
Transferable: CSU
This course is designed for fire department personnel who may respond to releases or potential releases of hazardous materials as part of the initial response to the site for the purpose of protecting nearby persons, property, or the environment from the effects of the release. It will provide defensive tactics to contain the release from a safe distance and keep it from spreading and prevent exposures without trying to stop the release. It meets and exceeds the requirements of CFR 29 1910.120 and COR Title 8. ADVISORY: Eligible for English 250 and English 420.

JFT 21  Hazardous Materials Incident Commander Training
Units: 5  Hours: 24.0 Lecture
Transferable: CSU
This course is designed to provide the Incident Commander with the skills and competency necessary to mitigate an emergency incident, initiate action, and ensure the restoration of normal services with a comprehensive resource management approach. ADVISORY: Eligible for English 250 and English 420.

JFT 24  Hazardous Materials Investigations
Units: 1.0  Hours: 20.0 Lecture  20.0 Laboratory
Transferable: CSU
This course is designed to develop skills in the technical aspects of Hazardous Materials Investigations both for federal and state standards. ADVISORY: Eligible for English 250 and English 420.

JFT 26A  Fire Prevention 1A - Fire Inspection Practices
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This is a required course for Level 1 Fire Prevention Officer 1 Certification. Curriculum includes organization and function of fire prevention; fire and life safety inspections; codes and ordinances relating to the use and storage of flammable, combustible, toxic, reactive and radioactive materials; engineering and enforcing a solution of a fire hazard; fire extinguisher and fixed systems requirements. PREREQUISITE: Firefighter 1A and 1B Certification or equivalent. ADVISORY: Eligible for English 250 and English 420.

JFT 26B  Fire Prevention 1B Code Enforcement
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
This is a course in relationship of Life Safety Codes and requirements to building construction principles and building occupancy classifications. Curriculum includes fire rated construction; fire doors, windows, and shutters; stairwells and smokeproof enclosures; flame spread, smoke production and interior finish considerations for various occupancies; existing and egress requirements; basic electrical theory, electrical hazards and inspection considerations; basic heat, smoke and flame detection systems; sprinkler and fixed protection systems; municipal/residential alarm systems; fire drills and emergency evacuation procedures; inspection reports and filing techniques; processing of plans and specifications; handling fire prevention complaints. ADVISORY: Eligible for English 250 and English 420.

JFT 26C  Fire Prevention 1C - Flammable Liquids and Gases
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
Curriculum includes physical properties of flammable liquids and gases; outside storage requirements for flammable liquids and gases, bulk handling requirements for flammable liquids and gases; regulations and procedures for the installation of storage tanks and containers; regulations controlling the transportation of flammable liquids and gases; procedures for controlling compressed and liquid gas leaks. PREREQUISITE: Fire Prevention 1B, this is a required course for Level 1 Fire Officer and Fire Prevention Officer 1 Certification. ADVISORY: Eligible for English 250 and English 420.

JFT 200  Fire Rescue West
Units: 1.0  Hours: 40.0 Lecture
Transferable: No
This conference will provide mandatory updating of fire technology and methods of application. It will include the finest in motivational, educational and career advancement programs. Each attendee will be provided the knowledge, tools and ability to assist them in fulfilling their mission in common problems and those not so common and provide solutions. This class may be repeated annually. This is a pass/no pass course. ADVISORY: Eligible for English 250 and English 420.

JFT 201  I-100 Introduction & I-200 Basic ICS
Units: .5  Hours: 14.0 Lecture
Transferable: No
This 14 hours of curriculum is intended for personnel assigned to an incident or event who have a minimum requirement for understanding the Incident Command System. The modules review the ICS organization, basic terminology, and common responsibilities. It will provide enough information about the Incident Command System to enable personnel to work in a support role at an incident or event, or to support an incident from an off-site location. This module may also be used as a pre-course study program by personnel who will be continuing their training with additional modules. This course may be repeated 3 times for credit. This is a pass/no pass course. ADVISORY: Eligible for English 250 and English 420.

JFT 202  I-300 Intermediate Incident Command System
Units: .5  Hours: 27.0 Lecture
Transferable: No
A 27 hour class in the Incident Command System designed for Fire Officers who have a working knowledge of ICS. The class consists of five modules developed by the National Wildfire Coordinating Group to meet the needs of command officers managing complex emergency incidents. Intermediate ICS expands upon Basic ICS, but does not repeat any information. It provides more description and details of the organization and operation of the ICS, covers management of resources, describes the duties of all positions including the Air Operations organization, and provides examples of how the essential principles are used in incident event planning. This class may be repeated 3 times for credit. This is a pass/ no pass course. PREREQUISITE: I-200, Basic ICS or an equivalent working knowledge of ICS. Chief Officer rank or Captains who are qualified by their agency to serve as Acting Battalion Chief. ADVISORY: Eligible for English 250 and English 420.

JFT 203  I-400 Advanced Incident Command System
Units: .5  Hours: 22.0 Lecture
Transferable: No
A 22 hour class in the Incident Command System designed for Chief Officers. The class consists of four modules developed by the National Wildfire Coordinating Group to meet the needs of command officers managing complex emergency incidents. Advanced ICS expands upon much of the material covered in the I-300 class, but does not repeat any information. The course emphasizes large-scale organization development; roles and relationships of the primary staff, the planning, operational, logistical and fiscal considerations related to large and complex incident and event management. It describes the application of Area Command and the importance of interagency coordination on complex incidents and events. This class may be repeated 3 times. This is a pass/no pass course. PREREQUISITE: I-300, Intermediate ICS or an equivalent working knowledge of ICS. Chief Officer rank or Captains who are qualified by their agency to serve as Acting Battalion Chief. ADVISORY: Eligible for English 250 and English 420.

JFT 204  ICS-334 Strike Team Leader
Units: .5  Hours: 24.0 Lecture
Transferable: No
This 24 hours course is designed to meet the training requirements outlined in the Wildland Fire Qualification Subsystem Guide and the Position Task Book developed for the positions of Task Force Leader and Strike Team Leader. Curriculum is specific to wildland fire suppression. This is a pass/no pass course. PREREQUISITE: ICS-200 and ICS-300 ADVISORY: Eligible for English 250 and English 420.
JFT 206  Auto Extrication
Units: 5  Hours: 4.0 Lecture 12.0 Laboratory
Transferable: No
This 16 hour course provides students with hands-on experience in the procedures and systems utilized during an automobile extrication. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. ADVISORY: Eligible for English 250 and English 420.

JFT 209  Wildland Live Fire Burn
Units: 5  Hours: 16.0 Laboratory
Transferable: No
This course is designed for all fire service personnel by the State Fire Marshall’s Office. This course provides a hands-on experience in fighting wildland or agricultural crop fires. Field functions are engine company oriented and include structure protection in the urban interface, mobile fire attack, fire shelter deployment, progressive hose lays and pre-mobilization/de-mobilization activities. Command functions include training under live fire setting, command team training, multi-department communications, and resource tracking utilizing the Incident Company System. This class may be repeated annually as new technology is demonstrated and utilized. This is a pass/no pass course. ADVISORY: Eligible for English 250 and English 420.

JFT 210  Trench Rescue
Units: 5  Hours: 4.0 Lecture 12.0 Laboratory
Transferable: No
This 16 hours course is designed to train fire service personnel in hands-on application of the techniques necessary to safely effect a rescue from an excavation or trenching cave-in. Topics include critical considerations while responding to trenching emergencies, evaluation of cave-in scenes, basic life support procedures and temporary protection for victims, specialized tool usage, shoring techniques, and below grade rescue safety procedures. This is a pass/no pass course. ADVISORY: Eligible for English 250 and English 420.

JFT 215  Fire Officer Supervisor Academy
Units: 2.0  Hours: 40.0 Lecture
Transferable: No
This is an 80 hour management program designed to teach supervision and management skills to current first line officers in the fire service. Candidates are chosen from amongst eligible supervisors by department administrators. This is a pass/no pass course. PREREQUISITE: Employment with a Fire Department as a full time first line officer. ADVISORY: Eligible for English 250 and English 420.

JFT 299  Selected Topics in Fire Technology
Units: .5 TO 10.0  Hours: .0 TO 22.5 Lecture, .0 TO 22.5 Laboratory
Transferable: No
This course is designed to meet specific fire technology training needs in the college and community as they are identified. Selected topics are not covered by regular catalog offerings. Each class carries a specific title relating to the subject matter to be covered. Class may be offered as a seminar, lecture, or lecture/laboratory. This course may be repeated 3 times for credit. This is a pass/no pass course. ADVISORY: Eligible for English 250 and English 420.

**JPA LAW ENFORCEMENT**

See also Administration of Justice (AJ)

The application and registration process for JPA Law Enforcement classes are completed at the South Bay Regional Public Safety Training Consortium located on the Evergreen Valley College campus in San Jose. Classes are open to the public, however the majority of courses are intended to support public safety training demands and serve the “already employed” student.

If you have questions about courses offered by The Academy, or would like additional information about public safety career training, please call (408) 270-6458 or visit the webpage at www.theacademy.ca.gov. For more information, see page 115.

JLE 100  Basic Police Academy
Units: 22.0  Hours: 24.0 Lecture 16.0 Laboratory
Transferable: CSU
A basic police academy course consisting of 880 hours meeting standards established by the Commission on Peace Officer Standards and Training for peace officer training. ADVISORY: Academy placement examination.

JLE 101  Supervision and Leadership - Recruit Training Officer
Units: 12.0  Hours: 1.7 Lecture 38.3 Laboratory
Transferable: CSU
This twenty-four week course consists of 960 hours of practicum work. The course is designed to certify the completion of standards required of the Recruit Training Officer (RTO) as governed by the Commission on Peace Officer Standards and Training and/or Basic Course requirements. The course focuses on practicum skill development in the area of supervision and leadership including the RTO as role model, instructor, evaluator, counselor, problem solver, supervisor and agency liaison. ADVISORY: POST certified as a California Peace Officer

JLE 102  Supervisory Peace Officer Course
Units: 2.0  Hours: 76.0 Lecture 4.0 Laboratory
Transferable: CSU
Elements of supervision, teacher training, conference leadership, and related law enforcement subjects as outlined by Peace Officer Standards and Training. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. ADVISORY: JLE 100

JLE 103  Supervisory Update Course
Units: .5  Hours: 20.0 Lecture 4.0 Laboratory
Transferable: CSU
Course is designed for updating first-line field supervisors in areas including: liability issues, ethics, communication and counseling skills, handling critical incidents. Course may be repeated 3 times for credit once every 2 years due to significant updating of content as prescribed by changes in law, regulations and procedures. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. ADVISORY: JLE 102

JLE 104  Basic Jail Operations
Units: 1.5  Hours: 25.0 Lecture 8.0 Laboratory
Transferable: CSU
This course is designed for the Peace Officer who carries out the responsibilities of a corrections officer and has completed the POST Basic Course. It consists of a minimum of 66 hours of instruction in specific performance/instructional objectives. ADVISORY: Eligible for English 250 and English 420.

JLE 105  Corrections Officer Basic Training
Units: 5.0  Hours: 32.0 Lecture 8.0 Laboratory
Transferable: CSU
This core training course is designed to meet the State Board of Corrections regulations for entry-level training of Correctional Officers for adult institutions. This course presents the lecture and practical application skills and knowledge to work in local adult jail facilities. ADVISORY: Eligible for English 250 and English 420.

JLE 107  Basic Police Academy Re-qualification
Units: 3.0  Hours: 19.7 Lecture 26.0 Laboratory
Transferable: CSU
The Commission on Peace Officer Standards and Training (POST) certifies this 137 hour course of training. It meets the content and hour requirement established by POST for re-qualification of former officers who have not been working as full time enforcement officers in California for a period exceeding three (3) years.
### JLE 110  Crisis Intervention

**Units:** 1.0  
**Hours:** 32.0 Lecture 8.0 Laboratory  
**Transferable:** CSU

This course has been designed for officers to deal with the handling of crisis situations: domestic disputes, landlord/tenant disputes, suicide attempts, handling mentally disturbed persons, and other persons in crisis calls. The emphasis will be on control, objectivity, safety and professionalism. Legal, ethical and cultural issues will also be included. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements.  
**ADVISORY:** JLE 100

### JLE 111  Background Investigation

**Units:** 5  
**Hours:** 36.0 Lecture  
**Transferable:** CSU

A POST certified course designed to develop law enforcement officers with the skills to be an accomplished Background Investigator. This course includes the fundamentals of background investigation, interviewing, the use of psychological screening, Polygraphs, legal aspects of background investigation, and verbal/non-verbal communication.

### JLE 112  Sexual Assault Investigation

**Units:** 5  
**Hours:** 16.0 Lecture 8.0 Laboratory  
**Transferable:** CSU

The course is a balance between a police officer's duties in handling sexual assault cases and being sensitive and aware of the victim's needs. Attention is given to the psychological as well as physical trauma a rape victim encounters. The legal aspects of the case will also be emphasized. Course may be repeated 3 times for credit once every 2 years due to significant updating of content as prescribed by changes in law, regulations and procedures. This is a pass/no pass course.  
**ADVISORY:** JLE 100

### JLE 113  Livestock Theft/Rural Crime Investigations

**Units:** 1.0  
**Hours:** 30.0 Lecture 10.0 Laboratory  
**Transferable:** CSU

This 40 hour course includes instruction on basic livestock theft investigation. Breed and brand recognition, individual case studies, rural crime, criminal law, trespass law, expert testimony, Bureau of Livestock ID role and responsibilities, proactive road enforcement in livestock work, crop and commodity enforcement, heavy equipment theft and chemical theft.

### JLE 114  Abuse, Neglect & Sexual Exploitation of Children

**Units:** 5  
**Hours:** 24.0 Lecture  
**Transferable:** CSU

An intensive study in causes, recognition, identification of abuse, neglect and sexual exploitation of children. Emphasis will be placed on laws, procedures of handling cases, effective interviewing/ investigative techniques and action/referral. Course may be repeated 3 times for credit once every 2 years due to significant updating of content as prescribed by changes in law, regulations and procedures. This is a pass/no pass course.  
**ADVISORY:** JLE 100

### JLE 116  Police Report Writing for Trainers

**Units:** 5  
**Hours:** 24.0 Lecture  
**Transferable:** CSU

An intense study of the basic qualities of a good police report. Attention will be given to planning a proper investigation and note-taking system and recording facts in chronological order. Basic objectives will be to train officers to evaluate reports for the following qualities: clarity, accuracy, conciseness, completeness, legibility, proper grammar and spelling use. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements.  
**ADVISORY:** JLE 100

### JLE 117  Field Training Officer Seminar

**Units:** 1.0  
**Hours:** 28.0 Lecture 12.0 Laboratory  
**Transferable:** CSU

This course is designed for police officers that have been or will be accepted into field training officer programs in their respective law enforcement agencies. This course has certification from the California Commission on Peace Officers Standard and Training and follows the guidelines and standards under 832.3 of the Penal Code. It covers methods of teaching, training and evaluation of Police Officers.  
**ADVISORY:** JLE 100

### JLE 118  Field Training Officer Up-date

**Units:** .5  
**Hours:** 24.0 Lecture  
**Transferable:** CSU

This course is designed to update Field Training Officers in the following areas: evaluation, legal aspects, Peace Officers Standards and Training Commission changes. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. Course may be repeated 3 times for credit once every 2 years due to significant updating of content as prescribed by changes in law, regulations and procedures.  
**ADVISORY:** JLE 118

### JLE 119  Advanced Officer Training

**Units:** .5 TO 1.0  
**Hours:** 20.0 TO 40.0 Lecture  
**Transferable:** CSU

This course is designed to provide a mechanism whereby agencies may insure that the necessary new skills required of police officers have been provided and those previously learned skills are maintained and reinforced. It will enable the agency to provide a means of correcting deficiencies while satisfying State teaching requirements. New information and changes in the Criminal Justice System affecting policy officers and, when necessary, a review of previously acquired materials will be provided. This course satisfies Advanced Officer Training requirements established by the Commission on Peace Officer Standards and Training. This is a pass/no pass course.  
**ADVISORY:** Eligible for English 250 and English 420.

### JLE 120  Narcotic Enforcement and Influence

**Units:** .5  
**Hours:** 24.0 Lecture  
**Transferable:** CSU

This course is designed for the uniformed police officer for the building of probable cause to arrest in controlled substance crimes. It will cover the identification and use of controlled substances, enforcement of various crimes in Health and Safety Code, Business and Professions Code, Penal Code, Vehicle Code relating to drug crimes. This is a pass/no pass course. Course may be repeated 3 times for credit once every 2 years due to significant updating of content as prescribed by changes in law, regulations and procedures.  
**ADVISORY:** JLE 100

### JLE 121  Basic Fingerprint School

**Units:** 1.0  
**Hours:** 8.0 Lecture 32.0 Laboratory  
**Transferable:** CSU

An introduction to fingerprints, including the history, identification, classification and filing, courtroom testimony and practical application. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements.  
**ADVISORY:** JLE 100 or Field Evidence Technician.

### JLE 122  Advanced Fingerprint School

**Units:** 1.0  
**Hours:** 8.0 Lecture 32.0 Laboratory  
**Transferable:** CSU

A continuation of basic fingerprinting course with emphasis on practical application of lifting latent prints, print photography, comparison, chart preparation, courtroom preparation and testimony. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements.  
**ADVISORY:** JLE 124

### JLE 123  Police Chemical Agents

**Units:** .5  
**Hours:** 8.0 Lecture  
**Transferable:** CSU

This course of instruction includes types of non-lethal chemical agents, methods of dispersal and delivery, safety, first aid, tactics, use of gas masks and applicable penal codes sections. This course meets the requirements of PC 13514.  
**ADVISORY:** JLE 100, AJ 106, AJ 108

### JLE 124  PC 832 - Firearms

**Units:** .5  
**Hours:** 8.0 Lecture 16.0 Laboratory  
**Transferable:** CSU

This course is designed for public safety personnel attending annual updates, re-certification, or remediation mandated by the Commission on Peace Officer Standards and Training. Course covers the legal requirements for carrying and using a firearm within the scope of their job related duties. Participants are instructed in the safe handling of firearms and techniques of shooting. This is a pass/no pass course.  
**ADVISORY:** Eligible for English 250 and English 420.
JLE 132  PC 832 - Laws of Arrest/Search & Seizure
Units: 1.0  Hours: 32.0 Lecture  8.0 Laboratory
Transferrable: CSU
This 40 hour course curriculum covers professional orientation, laws of arrest, search, seizure, evidence, preliminary investigations, communications and arrest techniques. This course satisfies PC 832 requirements for entry level but does not include the firearms portion. This course may be offered as a component of Correctional Officer Core Course or as part of an 18 unit approved certificate for Reserve Police Officer. ADVISORY: Eligible for English 250 and English 420.

JLE 134  Self Defense/Arrest Techniques for Instructors
Units: 1.0 TO 5.0  Hours: .0 TO 8.0 Lecture, .0 TO 72.0 Laboratory
Transferrable: CSU
Physical self-defense and arrest tactics, including baton-designed defense, and directed toward officer safety. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. ADVISORY: JLE 100

JLE 135  Defensive Tactics Instructor Refresher
Units: 1.0  Hours: 10.0 Lecture  30.0 Laboratory
Transferrable: CSU
Technical areas covered include principles of arrest control legal aspects; liability and use of force; searches and handcuffing techniques including cursory, standing, kneeling, and prone; finding weapons, controls and take downs during search and handcuffing; compliance arrests, tactical arrests, dealing with combative suspects, fight situations and multiple suspects, gun retention, weapon take-away, carotid control hold, tactics in and around vehicles and baton tactics taught in the Basic Police Academy. The course will ensure that the Defensive Tactics Instructor maintains the skills to conduct and improve an on-going Defensive Tactics Program within the agency. This is a pass/no pass course. May be repeated a maximum of 3 times for credit. ADVISORY: JLE 134

JLE 136  Firearms Instructor Training
Units: 2.0  Hours: 46.0 Lecture  34.0 Laboratory
Transferrable: CSU
Designed for the experienced firearms person who wants to qualify as rangemaster. Students must supply equipment and ammunition. The course is P.O.S.T. certified. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. ADVISORY: JLE 100

JLE 137  Baton Instructor Course
Units: 1.0  Hours: 15.0 Lecture  25.0 Laboratory
Transferrable: CSU
A straight baton instructor course designed to qualify the participant to teach Police Baton Tactics. Participants will be prepared to teach all the baton techniques that are taught in the Basic Police Academy as well as more advanced techniques including: tactics for confined spaces, close range tactics, combination techniques, tactical situations, multiple and armed suspects, and baton retention. Participants will be prepared to teach Principles of Defensive Tactics, Legal Aspects, Liability and Use of Force as related to Baton Tactics. The participant will also learn teaching techniques, methodology, record keeping and methods of performance evaluation. Instructors that complete the course will have the skills needed to implement an on-going Baton Tactics Program. This is a pass/no pass course.

JLE 138  Police Baton Training
Units: 1.0  Hours: 8.0 Lecture  32.0 Laboratory
Transferrable: CSU
Baton training for police personnel. Course covers legal aspects of the use of baton, use of force, first aid for Baton injuries and practical skill training in the proper use of the baton. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements.

JLE 139  PR-24 Instructor Course
Units: 1.0  Hours: 8.0 Lecture  32.0 Laboratory
Transferrable: CSU
A complete instructor course in the use of the (PR-24) side-handle baton designed to qualify the participant to teach Police Side-handle Baton Tactics on the agency level. Participants will be prepared to teach basic level techniques as well as advanced techniques including: tactics for confined spaces, close range tactics, combination techniques, tactical situations, multiple and armed suspects, and baton retention, principles of defensive tactics, legal aspects, liability and use of force as related to baton tactics. The participant will also learn teaching techniques, methodology, record keeping and methods of performance evaluation. Instructors that complete the course will have the skills needed to implement an on-going Baton Tactics Program. This is a pass/no pass course. ADVISORY: JLE 100

JLE 140  Special Weapons and Tactics (SWAT)
Units: 1.0  Hours: 16.0 Lecture  24.0 Laboratory
Transferrable: CSU
This is a Basic SWAT course. The course will prepare the student to handle serious and dangerous arrest situations, single and multiple suspects, raids and hostage rescue techniques. In addition, students will participate in practical exercises designed to simulate SWAT Team missions. This is a pass/no pass course. ADVISORY: JLE 100 or possess POST basic training certificate to qualify for peace officer status.

JLE 141  Specialized Investigators Basic Course
Units: 12.0  Hours: 29.5 Lecture  10.5 Laboratory
Transferrable: CSU
The Specialized Investigators Basic Course curriculum is designed to meet the needs of the specialized investigators of state, county and municipal special investigation units. The curriculum covers thirteen learning domains including ethics, criminal law, search and seizure, arrest and control techniques and the collection and preservation of evidence. The course meets state required mandates for training in domestic violence, sudden infant death syndrome, hate crimes, sexual harassment awareness, and cultural diversity. The course also includes advanced investigative techniques, procedures for the preparation and execution of warrants and orders, surveillance techniques and case management techniques. PREREQUISITE: Basic Academy matriculation process OR employment with an approved agency. ADVISORY: Eligible for English 250 and English 420

JLE 142  Basic Police Academy Modular Level III
Units: 4.5  Hours: 25.0 Lecture  19.0 Laboratory
Transferrable: CSU
This is a 176 hour course of training that is certified by the Commission on Peace Officers Standards and Training and meets the content and hour requirements established by POST. This course includes the PC 832 certificates to meet the requirements for a Level III Reserve Police Officer. PREREQUISITE: POST approved pre-entry English skill assessment examination provided by the Academy. Criminal history clearance as provided by the Penal Code. ADVISORY: Eligible for English 250 and English 420.

JLE 143  Basic Police Academy Modular, Level II
Units: 7.0  Hours: 29.4 Lecture  10.6 Laboratory
Transferrable: CSU
This is a 280 hour course of training that is certified by the Commission on Peace Officer Standards and Training and meets the content and hour requirements established by POST. This course combined with current PC 832 certificates, meets the requirements of a Level II Reserve Police Officer. The Level II certificate is a prerequisite for Level I Reserve Police Officer. PREREQUISITE: Completion of Level III, Parts I and II with current PC 832. ADVISORY: Eligible for English 250 and English 420.

JLE 144  Basic Police Academy Modular, Level I
Units: 12.5  Hours: 21.2 Lecture  17.3 Laboratory
Transferrable: CSU
This is a 500 hour course of training that is certified by the Commission on Peace Officers Standards and Training and meets the content and hour requirements established by POST. This course combined with Level III and II certificates meets the requirements of a Level I Reserve Police Officer. PREREQUISITE: Completion of Level III and II with current PC 832 certificate with firearm endorsement, POST approved comprehensive exam provided by academy. Medical examination/clearance by a licensed physician. ADVISORY: Eligible for English 250 and English 420.

All courses listed here are part of Gavilan College's approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
COURSE OFFERINGS

JLE 145  Countersniper
Units: 1.0  Hours: 20.0 Lecture  2.0 Laboratory
Transferable: CSU
The course is designed for local law enforcement officers to provide instruction in the basic and advanced principles and techniques necessary to become an expert rifle shooter with emphasis on the tactical deployment of a police officer as a sniper assigned to a specialized tactical unit being utilized in a crisis situation. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. ADVISORY: JLE 100

JLE 150  Accident Investigation
Units: 1.0  Hours: 32.0 Lecture  8.0 Laboratory
Transferable: CSU
This course is designed to provide officers with necessary investigative skills which will enable them to properly conduct thorough preliminary and follow-up investigations of vehicular collisions. The course is structured to augment training in vehicle accident investigation which officers have already received in the basic (recruit school) course, and to provide specialized, advanced training in more sophisticated concepts and techniques of vehicle collision investigation which are applicable to follow-up investigations. This is a pass/no pass course. PREREQUISITE: Completion of Basic Police Academy ADVISORY: Eligible for English 250 and English 420

JLE 152  Law Enforcement Modular Course
Units: .5 TO 2.0  Hours: 8.0 TO 40.0 Lecture
Transferable: CSU
A course consisting of modules dealing with 32 different aspects of law enforcement education and training. Each modular course is 8 hours long and is P.O.S.T. Certified Plan IV. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. Each module may be repeated a maximum of three times for credit. ADVISORY: JLE 100

JLE 154  Instructional Development for Administration of Justice
Units: 1.0  Hours: 32.0 Lecture  8.0 Laboratory
Transferable: CSU
The goal of this course is to prepare the experienced law enforcement officer to be an effective instructor for his agency. The course focuses on principles of learning, the police officer as an adult learner, determining training needs, and defining instructional objectives. The student will become familiar with effective communication and teaching strategies and will make presentations using lesson plans, visual support materials, and contemporary teaching techniques. The contents of this course can be applied to the beginning or experienced instructor of law enforcement topics. This is normally conducted as a 40-hour course. This is a pass/no pass course. ADVISORY: JLE 100

JLE 155  Officer Safety/Field Tactics
Units: .5 TO 1.0  Hours: .0 TO 10.0 Lecture, .0 TO 30.0 Laboratory
Transferable: CSU
This is a 16-30 hour variable unit course designed for law enforcement officers to provide a mechanism whereby agencies may insure that the necessary new skills required have been provided and those previously learned skills are maintained. Subjects/topics will change as new mandates or legislation changes. This course may be repeated for credit to meet legally required training mandates.

JLE 156  Homicide Investigation
Units: 1.0  Hours: 40.0 Lecture
Transferable: CSU
A course to train investigators in the highly specialized field of homicide investigation. The course will cover the legal aspects of death investigation, homicide crime scene procedures, autopsy, psychological profiling, criminal psychology, laboratory work, gunshot, asphyxia, drowning, burning, cutting, and stabbing, and interviewing techniques. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. ADVISORY: JLE 100

JLE 157  Firearms Update
Units: .5 TO 1.0  Hours: .0 TO 15.0 Lecture, .0 TO 25.0 Laboratory
Transferable: CSU
This is a variable 16-40 hour course designed for law enforcement officers to provide instruction in the basic and advanced principles and techniques necessary in the use of handguns, shotguns, and/or rifles. Emphasis is on safety, knowledge of weapons and manipulative skills testing. This course may be repeated for credit. Students repeating the course will expand their knowledge of firearm safety, knowledge of weapon and meet legally required training mandates.

JLE 158  Canine Update
Units: .5  Hours: 6.0 Lecture  18.0 Laboratory
Transferable: CSU
Students will learn basic and advanced techniques to properly develop K-9 performance and problem solving. The student will also learn the proper use of had and soft sleeves, hidden sleeve, muzzle, and bite suit. The student will also learn safety techniques in working with Law Enforcement K-9s. Students repeating the course will meet legally mandated training requirements.

JLE 162  Search Warrant Investigator
Units: .5  Hours: 15.0 Lecture  9.0 Laboratory
Transferable: CSU
The course will cover search warrant law and procedure, knock notice, affidavit preparation, problems of search warrant preparation, the actual preparation of a search warrant by each participant, knock and talk. In addition, the course will provide the knowledge, skills and tactics necessary to properly serve and execute a search warrant effectively and safely. The student will develop a sound operational plan for the execution of a search warrant. ADVISORY: JLE 100

JLE 175  Basic Public Safety Dispatcher
Units: 3.0  Hours: 10.0 Lecture  30.0 Laboratory
Transferable: CSU
This course is designed to provide public safety dispatchers with the necessary skills and knowledge to perform their job. Curriculum includes computer systems, familiarization, legal updates, communications techniques, etc. It will contain POST curriculum, as well as local training mandates. ADVISORY: Eligible for English 250 and English 420

JLE 176  Basic Public Safety Dispatcher - Update
Units: 1.0 TO 3.0  Hours: .0 TO 10.0 Lecture, .0 TO 30.0 Laboratory
Transferable: CSU
This course is designed to provide experienced public safety dispatchers with the necessary skills and knowledge to remain current in job skills. Curriculum includes computer systems, familiarization, legal updates and communications techniques. It will contain POST curriculum as well as training mandates. May be repeated three times for credit. ADVISORY: Eligible for English 250 and English 420

JLE 178  Probation Officer Core Course
Units: 5.0  Hours: 33.8 Lecture  7.8 Laboratory
Transferable: CSU
This course provides the trainee with the basic concepts, tools, skills, etc. necessary to perform the job of probation officer within the state of California and prepares the graduate for the job. Certified by the State Board of Corrections, Training, and Standards for corrections (STC). Testing on the various topics will be both written and practical in nature. This course includes 208 hours of training.

JLE 179  Juvenile Counselor Core
Units: 4.0  Hours: 30.0 Lecture  10.0 Laboratory
Transferable: CSU
The Juvenile Counselor Core Course is designed to meet the California Board of Corrections requirements, entry level. Also listed as AJ 179P.
JLE 180  Law Enforcement Seminar I  
Units:  0.5 TO  6.0  Hours:  24.0 TO 40.0 Lecture  
Transferable:  CSU  
Selected symposia in Administration of Justice topics designed for the in-service education and training of personnel employed by criminal justice agencies. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. Course may be repeated 3 times for credit once every 2 years due to significant updating of content as prescribed by changes in law, regulations and procedures.

JLE 181  Law Enforcement Seminar II  
Units:  0.5 TO  3.0  Hours:  8.0 TO 24.0 Lecture  
Transferable:  CSU  
Selected advanced Administration of Justice topics designed for special training and educational needs of criminal justice personnel. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements. Course may be repeated 3 times for credit once every 2 years due to significant updating of content as prescribed by changes in law, regulations and procedures.

JLE 185  Field Training Program  
Units:  1.0 TO 12.0  Hours:  .0 TO 40.0 Laboratory  
Transferable:  CSU  
This course is a two to twenty-four week program certified to Law Enforcement Agencies in the state of California. The program is designed to certify the completion of specifications described in the “Field Training Officer Guide” from the Commission on Peace Officer Standards and Training. Students will be assigned in a patrol car, one-on-one with a certified Field Training Officer. The Field Training Program introduces a newly assigned officer to the personnel procedures, policies, and purposes of the individual law enforcement agency and provides the initial formal and informal training specific to the agency and the day-to-day duties of its officers. This program is one unit of credit for every 80 hours of participation. PREREQUISITE: POST certified as a California Peace Officer. ADVISORY: Eligible for English 250 and English 420.

JLE 340  Citizen Police Academy  
Units:  0.5 TO  1.0  Hours:  12.5 TO 25.0 Lecture  
Transferable:  No  
The purpose of the Citizens Police Academy is to enhance the relationship of the Police Department with the community by educating the citizen in various aspects of police operations. The citizen becomes more aware of what services the police department can, and in some situations, can’t provide, the methodologies and strategies behind its programs and tactics, as well as other important aspects of law enforcement, not only on a neighborhood level but also on a wider scale.

JLE 360  Child Advocates  
Units:  .5  Hours:  24.0 Lecture  
Transferable:  No  
This 24-hour training course was developed to provide child advocate volunteers with a solid understanding of the legal system as it pertains to dependent children. Topics are taught by the professionals and experts in the field.

LIB 6  Web Page Authoring I  
Units:  2.0  Hours:  2.0 Lecture  
Transferable:  CSU; GAV-GE:E2  
A introduction to using Hypertext Mark-Up Language (HTML) and Extensible HTML (XHTML) to create web pages which can be uploaded and displayed on the World Wide Web. Students will use HTML/XHTML to create web pages with text in various sizes and colors, links to other sites, background color or patterns, graphics, tables, and mailto links. Principles of design and color as they apply to screen presentations will be included. This course has the option a letter grade or pass/no pass. May be repeated three times for credit. Also listed as CSIS 6 and DM 6. ADVISORY: CSIS 1 or CSIS 2 or CSIS/LIB 3 advised.

LIB 130  Internet and Consumer Health  
Units:  1.0  Hours:  1.0 Lecture  
Transferable:  CSU  
This course is designed to give the lay person the ability to find and evaluate information from medical literature from the perspective of the client. We will examine websites from the Internet verifying currency and reliability, as well as professional journal literature and reference sources. This course is also listed as AH 130.

LIB 140  Online Health Research  
Units:  2.0  Hours:  2.0 Lecture  
Transferable:  CSU  
A beginning course on how to find reliable and current health-related information, using the internet and other electronic resources. This course is also listed as AH 140.

LIB 141  Advanced Search Techniques for Health Care Professionals  
Units:  1.0  Hours:  1.0 Lecture  
Transferable:  CSU  
Course is designed for health care professionals and includes an in-depth examination of the Medline data base and other online medical sources and examination of related controversies and ethical issues. This course is also listed as AH 141. ADVISORY: LIB/AH 140, LIB/AH 130, or basic Internet search skills.

MGMT 101  Introduction to Management  
Units:  3.0  Hours:  3.0 Lecture  
Transferable:  CSU  
This is a basic course in management introducing a variety of modern management concepts. This course includes the basic management functions of planning, organization, staffing, leadership, and control. In addition, such concepts as team development, communication, business ethics, and global management perspectives will be discussed. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

MGMT 102  Retail Management  
Units:  3.0  Hours:  3.0 Lecture  
Transferable:  CSU  
Principles and practices used in management of retail businesses such as foods, motels, service stations, and direct channels. Includes site selection, layout, organization, staffing, positioning, customer service, promotional techniques, and all aspects of the critical buying function. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

MGMT 103  Human Relations In Business  
Units:  3.0  Hours:  3.0 Lecture  
Transferable:  CSU  
An introduction to the field of industrial psychology through the study of six modules (nine hours each): Human Behavior at Work, Group Behavior and Leadership, Personal Effectiveness, Personal Development, Business Communications, and Conflict Resolution at Work. This course is also listed as PSYC 103. ADVISORY: Eligible for English 250 and English 260.
MGMT 104  Leadership/Human Relations in Business  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
This course is designed to aid future employees and employers to understand and utilize human relations concepts as they apply to the business environment. It will cover such area as morale, personal efficiency, leadership, personality, motivation, and communication. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

MGMT 111  Starting a Small Business  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
The course provides an introduction to the fundamentals of starting (or purchasing) and managing a small business. The student will prepare a comprehensive business plan, in a business of their choice, during the course. Financing, merchandising, and franchising will be covered; with emphasis on decision-making through maintenance and interpretation of accounting data. ADVISORY: Eligible for English 250 and English 260.

MGMT 120  Human Resource Management  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
This course introduces human resource management as a staff function in the administration of an organization. The course examines techniques of human resource planning, recruiting, selecting, training, and evaluating personnel; compensation and benefits administration; and union/management relations. This course has the option of a letter grade or pass/no pass.

MGMT 190  Occupational Work Experience/Management-Supervision  
Units: 1.0 TO 4.0  Hours:  
Transferable: CSU  
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

MKTG 100  Principles of Marketing  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
An introduction to the economic and social problems involved with moving goods and services from the producer to the consumer. This course covers topics such as marketing institutions, channels of distribution, pricing, and government relationships. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

MKTG 102  Techniques of Selling  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
The principles and techniques involved in creative selling of products and services. Characteristics of effective selling, reports, territories, and quotas. Emphasis on securing prospects, the selling process, handling objections and inquiries, closing the sale, and follow-up. ADVISORY: Eligible for English 250 and English 260.

MKTG 103  Principles of Advertising  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
The basic principles and techniques of business promotion. An exploration of the media as used in communicating to the market. ADVISORY: Eligible for English 250 and English 260.

MKTG 190  Occupational Work Experience/Marketing  
Units: 1.0 TO 4.0  Hours:  
Transferable: CSU  
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

MASS COMMUNICATIONS & TELEVISION

Mass Media: see also JOUR 10, Theatre Arts/Television

MCTV 6  Introduction to Audio Production  
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC  
The theory and practice of audio techniques in radio, television, film and multimedia; including acoustics, audio language and terms, signal flow, use of microphones, use of mixers and related production equipment and the aesthetic aspects of sound mixing. Student will apply the learned materials to actual audio production. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. This course is also listed as THEA 6.

MCTV 16  Television History and Practice  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC  
This course examines theories, history and development of television technology and current distribution practices. Programming genres and production techniques are analyzed, evaluated and compared with other societies as tools of mass communication. This course is also listed as THEA 16. ADVISORY: Eligible for English 250 and 260.

MCTV 17A  Television and Video Workshop  
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC  
An introduction to television and video technology, including pre-production, production and post-production techniques such as: camera work, studio equipment, lighting, audio plus off-line and on-line editing. This course is also listed as THEA 17A. ADVISORY: Theatre Arts 16 Intro to TV or consent of instructor.

MCTV 17B  Television and Video Workshop  
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC  
Emphasis placed on production and post-production techniques in video production. Student knowledge and skills are increased by participating in live to tape projects. May be repeated twice for credit. This course is also listed as THEA 17B. ADVISORY: Completion of Theatre Arts 17A.

MCTV 19  Television and Film Acting  
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC  
Theory and practice of acting for film and television. Students will learn basic performance techniques for the camera. Learning experiences include projects in broadcasting, reporting, commercials, public service announcements (PSA), comedy and drama. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. This course is also listed as THEA 19.
MATH 7 Finite Mathematics
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGETC:2A; GAV-GE:B4; CAN:MATH12
Systems of linear equations and matrices, introduction to linear programming, finance, counting
methods and probability, properties of probability and applications of probability. PREREQUISITE:
Mathematics 233 with a grade of 'C' or better.

MATH 8A First Half of Precalculus
Units: 4.0 Hours: 4.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGETC:2A; GAV-GE:B4
Math 8A prepares the student for the study of calculus by providing important skills in algebraic
manipulation, interpretation, and problem solving at the college level. Topics include basic
algebraic concepts, complex numbers, equations and inequalities of the first and second degree,
functions, and graphs, linear and quadratic equations, polynomial functions, exponential and
logarithmic functions, systems of equations, matrices and determinants, right triangle trigonometry,
and the Law of Sines and Cosines. PREREQUISITE: Mathematics 233 with a grade of 'C' or
better. The instructor will be using and supporting TI-83 Plus graphing calculator in all classroom
demonstrations.

MATH 8B Second Half of Precalculus
Units: 4.0 Hours: 4.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGETC:2A; GAV-GE:B4
Math 8B prepares students for the study of calculus by providing important skills in algebraic
manipulation, interpretation, and problem solving at the college level. Topics include
trigonometric functions, identities, inverse trigonometric functions, and equations; applications
of trigonometry, vectors, complex numbers, polar and parametric equations; conic sections;
sequences, series, counting principles, permutations, mathematical induction; analytic geometry,
and an introduction to limits. PREREQUISITE: Mathematics 8A with a grade of 'C' or better.
ADVISORY: Math 208 Survey of Practical Geometry.

MATH 12 Mathematics for Elementary Teachers
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:B4; GAV-GE:B4
This course is intended for students preparing for a career in elementary school teaching.
Emphasis will be on the structure of the real number system, numeration systems, elementary
number theory, and problem solving techniques. Technology will be integrated throughout the
course. PREREQUISITE: High School Geometry and Math 233 (Intermediate Algebra), or, Math
208 (Plane Geometry) and Math 233 (Intermediate Algebra). All courses must be completed with
a grade of 'C' or better.

MATH 14 Math for the Liberal Arts
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGETC:2A; GAV-GE:B4
Survey of selected topics from contemporary mathematics to introduce the student to mathematical
thinking for the non-specialist. Topics include systems of numeration, algebraic modeling, linear
programming, trigonometry, math of finance, probability and statistics, and an introduction to
calculus. PREREQUISITE: Math 233 with a grade of 'C' or better.

MATH 26 Discrete Mathematics
Units: 4.0 Hours: 4.0 Lecture
Transferable: CSU, UC; CSU-GE:B4, IGETC:2A; GAV-GE:B4
Topics covered include set theory, logic, relations and functions, mathematical induction and
recursion, combinatorics, discrete probability, trees and graphs, analysis of algorithms, algebraic
structures. Emphasis on topics of interest to computer science majors. This course has the option
of a letter grade or pass/no pass. Also listed as CSIS 26. PREREQUISITE: Mathematics 10 with
a grade of 'C' or better or equivalent.
MATH 208 Plane Geometry
Units: 3.0  Hours: 3.0 Lecture  1.0 Laboratory
Transferable: No
This course introduces the vocabulary and principles of Euclidean Geometry. Methods of proof including inductive and deductive reasoning will be developed. Concepts of congruence and similarity, angles, lines, polygons, and circles will be covered. Additional topics such as solid geometry, analytical geometry, transformations, and basic trigonometry may be included as time allows. PREREQUISITE: Math 205 or Math 205A and Math 205B with a grade of 'C' or better.

MATH 209 Introduction to Graphing Calculators and Computers
Units: .5  Hours: .3 Lecture .7 Laboratory
Transferable: No
An introduction to the use of the graphing calculator in mathematical applications such as functions, graphing, matrices, statistics, and applications to other mathematics courses, business, and natural sciences. Students will also use a personal computer for basic operations such as drawing and text editing. The focus will be on application programs for statistics, science, and technical courses. This is a 9 week course. ADVISORY: Mathematics 205

MATH 233 Intermediate Algebra
Units: 5.0  Hours: 5.0 Lecture
Transferable: No; GAV-GE-B4
Review of basic concepts, linear equations and inequalities, graphs and functions, systems of linear equations, polynomials and polynomial functions, factoring, rational expressions and equations, roots, radicals, and complex numbers, solving quadratic equations, exponential and logarithmic functions, and problem solving strategies. Mathematics 233, 233A, and 233B have similar course content. This course may not be taken by students who have completed Mathematics 233B with a grade of 'C' or better. This course may be taken for Mathematics 233B credit (2.5 units) by those students who have successfully completed Mathematics 233A with a grade of 'C' or better. PREREQUISITE: Mathematics 205 or Mathematics 205A and 205B or Mathematics 206 with a grade of 'C' or better. The instructor will be using and supporting Ti-83 Plus graphing calculator in all classroom demonstrations.

MATH 233A First Half of Intermediate Algebra
Units: 2.5  Hours: 4.0 Lecture
Transferable: No
The course will start with a review of basic concepts and then cover the following topics with an emphasis on applications and problem solving strategies: solving linear equations; solving linear, compound, and absolute value inequalities; equations and graphs of lines; functions and function notation including composition of functions; solving systems of linear equations and inequalities; and the introduction to matrices and Cramer’s rule; the operations with polynomials; factoring polynomials; and solving polynomial equations. PREREQUISITE: Completion of Mathematics 205 or the equivalent with a grade of 'C' or better.

MATH 233B Second Half of Intermediate Algebra
Units: 2.5  Hours: 4.0 Lecture
Transferable: No
This course will start with a review factoring polynomials, and then cover the following topics with an emphasis on applications and problem solving strategies: solving polynomial equations by factoring; adding, subtracting, multiplying, dividing and simplifying rational expressions and solving rational equations; adding, subtracting, multiplying, dividing and simplifying roots, radicals and complex numbers and solving radical equations; the various methods of solving quadratic equations and inequalities; graphing quadratic functions; and working with exponential and logarithmic functions, equations and expressions. PREREQUISITE: Completion of Mathematics 233A with a grade of 'C' or better.

MATH 400 Elements of Arithmetic
Units: 3.0  Hours: 3.0 Lecture  1.0 Laboratory
Transferable: No
Essential arithmetic operations, whole numbers, integers, fractions, decimals, ratio, proportion, percent, applications of arithmetic, and critical thinking, as well as math-specific study skills. Units earned in this course do not count toward the associate degree and/or other certain certificate requirements.

MATH 402 Pre-Algebra
Units: 3.0  Hours: 3.0 Lecture  1.0 Laboratory
Transferable: No
This course covers operations with integers, fractions and decimals and associated applications, percentages, ratio, and geometry and measurement, critical thinking and applications. Elementary algebra topics such as variables, expressions, and solving equations are introduced. PREREQUISITE: Completion of Math 400 with a 'C' or better, or assessment test recommendation.
MATH 404A-G  Self-Paced Basic Math
These courses are remedial, modular, self-paced courses. Application and critical thinking skills are developed in each module. Module A covers operations with whole numbers, equivalent fractions, multiplying and dividing fractions. Module B covers adding and subtracting fractions, and operations with decimals. Module C covers ratio and proportion, percent, and units of measurement. Module D reviews fractions, decimals, percentages, and covers operations with integers, and working with variables. Module E covers real numbers, fractions, exponents, scientific notation, and order of operations. Module F covers expressions, polynomials, and equations. Module G covers geometric figures, perimeter and area, surface area and volume, triangles and parallelograms, and similar figures. This course has the option of a letter grade or pass/no pass. These courses involve both lecture and hands-on computer assisted software. All sections are open for late registration. Math 404 A-C is the equivalent of Math 400. Math 404 D-F is the equivalent Math 402.

MATH 404A  Self-Paced Basic Math
Units: 1.0  Hours: 1.0 Lecture .3 Laboratory
Transferable: No

MATH 404B  Self-Paced Basic Math
Units: 1.0  Hours: 1.0 Lecture .3 Laboratory
Transferable: No

MATH 404C  Self-Paced Basic Math
Units: 1.0  Hours: 1.0 Lecture .3 Laboratory
Transferable: No

MATH 404D  Self-Paced Basic Math
Units: 1.0  Hours: 1.0 Lecture .3 Laboratory
Transferable: No

MATH 404E  Self-Paced Basic Math
Units: 1.0  Hours: 1.0 Lecture .3 Laboratory
Transferable: No

MATH 404F  Self-Paced Basic Math
Units: 1.0  Hours: 1.0 Lecture .3 Laboratory
Transferable: No

MATH 404G  Self-Paced Basic Math
Units: 1.0  Hours: 1.0 Lecture .3 Laboratory
Transferable: No

MATH 414  Basic Math Skills
Units: .5 TO 3.0  Hours: 1.5 TO 3.0 Laboratory
Transferable: No
A remedial mathematics course designed for those students who need to learn, or re-learn, the basic concepts of math. The primary emphasis is on whole numbers, fractions, decimals, percents, and measurements. This course may be repeated three times for credit. This is a pass/no pass course. Units earned in this course do not count toward the associate degree and/or certain certificate requirements.

Medical Terminology: see Business Office Technology (BOT)

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
MUS 5A  Intermediate Piano  
Units: 2.0  Hours: 1.0 Lecture 2.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of intermediate keyboard skills through means of scales, chords, and technical studies. Continuation of music fundamentals and beginning keyboard harmony; introduction of easier classical and standard piano literature. ADVISORY: Music 4B

MUS 5B  Intermediate Piano  
Units: 2.0  Hours: 1.0 Lecture 2.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of intermediate keyboard skills through means of scales, chords and technical studies. Continuation of music fundamentals and beginning keyboard harmony; introduction of easier classical and standard piano literature. ADVISORY: Music 5A

MUS 5C  Advanced Piano  
Units: 2.0  Hours: 1.0 Lecture 2.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of advanced keyboard skills through means of scales, chords and technical studies. Continuation of music fundamentals and keyboard harmony; introduction of moderately difficult classical and standard piano literature. ADVISORY: Music 5B

MUS 5D  Advanced Piano  
Units: 2.0  Hours: 1.0 Lecture 2.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of advanced keyboard skills through means of scales, chords and technical studies. Continuation of music fundamentals and keyboard harmony; introduction of moderately difficult classical and standard piano literature. ADVISORY: Music 5C

MUS 6  Introduction to World Music  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C1, IGETC:3A; GAV-GE:C1  
This course explores a broad and diverse survey of different non Western music cultures, helping students develop listening skills to identify, distinguish and appreciate the elements and richness of each culture’s music. The course will cover a rich diversity of styles through informed listening, analysis and discernment of musical elements, form and repertoire. Music of various cultures will be explored, for example: India, China, Japan, the Middle East, Indonesia, Africa, Europe and the Americas.

MUS 8A  Beginning Voice  
Units: 2.0  Hours: 2.0 Lecture 1.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of techniques in the art of singing and interpreting serious music in various styles. Study of the basic techniques of tone production, breathing and related skills. Basic repertoire development. ADVISORY: Continues in sequence or by demonstrated proficiency.

MUS 8B  Beginning Voice  
Units: 2.0  Hours: 2.0 Lecture 1.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of techniques in the art of singing and interpreting serious music in various styles. Study of the basic techniques of tone production, breathing and related skills. Basic repertoire development. ADVISORY: Music 8A or demonstrated proficiency.

MUS 8C  Intermediate Voice  
Units: 2.0  Hours: 2.0 Lecture 1.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of techniques in the art of singing and interpreting serious music in various styles. Study of the basic techniques of tone production, breathing and related skills. Basic repertoire development. ADVISORY: Music 8B or demonstrated proficiency.

MUS 8D  Intermediate Voice  
Units: 2.0  Hours: 2.0 Lecture 1.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Development of techniques in the art of singing and interpreting serious music in various styles. Study of the basic techniques of tone production, breathing and related skills. Basic repertoire development. ADVISORY: Music 8C or demonstrated proficiency.

MUS 9A  Guitar  
Units: 1.0  Hours: 3.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
An introduction to playing the guitar. Basic staff notation, correct fingering and chord arpeggios are covered. Emphasis is also placed on developing musical listening skills. Students must provide their own guitars. May be repeated once for credit. ADVISORY: Students must provide their own guitars.

MUS 9B  Guitar  
Units: 1.0  Hours: 3.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
An introduction to playing the guitar. Basic staff notation, correct fingering and chord arpeggios are covered. Emphasis is also placed on developing musical listening skills. Students must provide their own guitars. May be repeated once for credit. ADVISORY: Music 9A; students must provide their own guitars.

MUS 12  Vocal Ensemble  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
The day Vocal Ensemble will focus on individual and group performance of popular and alternative commercial music, and will rehearse and perform with a backup band. The evening Vocal Ensemble will study, rehearse and perform choral music in a broad spectrum of musical genre and styles. Included will be the study of vocal and rehearsal techniques as they relate to ensemble performance. Course may be repeated three times for credit.

MUS 13  Concert Choir  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
The Concert Choir will study, rehearse and perform choral music from the 15th century to the present in a variety of musical styles with emphasis on the larger choral works and their preparation for public concert. Course may be repeated three times for credit. ADVISORY: Previous choral experience is preferred but not required. The student should have the ability to match a given pitch.

MUS 14A  Instrumental Ensemble  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Instruction for the experienced musician with emphasis on the study and performance of a wide variety of musical styles from Renaissance to 20th century music for traditional ensembles, and extensive consideration of contemporary commercial and alternative repertoire, and performance techniques for popular ensembles.

MUS 14B  Instrumental Ensemble  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Instruction for the experienced musician with emphasis on the study and performance of a wide variety of musical styles from Renaissance to 20th century music for traditional ensembles, and extensive consideration of contemporary commercial and alternative repertoire, and performance techniques for popular ensembles.

MUS 14C  Instrumental Ensemble  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Instruction for the experienced musician with emphasis on the study and performance of a wide variety of musical styles from Renaissance to 20th century music for traditional ensembles, and extensive consideration of contemporary commercial and alternative repertoire, and performance techniques for popular ensembles.
MUS 14D Instrumental Ensemble  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Instruction for the experienced musician with emphasis on the study and performance of a wide variety of musical styles from Renaissance to 20th century music for traditional ensembles, and extensive consideration of contemporary commercial and alternative repertoire, and performance techniques for popular ensembles.

MUS 16A Introduction to Audio Recording Techniques  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
Survey of basic audio recording techniques and materials including acoustics, signal flow, block diagrams, cue systems, punch-ins, microphones and mic placement, frequency response, reverb, delay and outboard effects, stereo mixing, pre-mixing and actual recording. May be repeated once for credit.

MUS 19 College Singers  
Units: 2.5  Hours: 1.0 Lecture 4.5 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
The Gavilan College Singers will study, rehearse, and perform choral music in a broad spectrum of musical genre and styles. Included will be the study of vocal and rehearsal techniques as they relate to ensemble performance. Course may be repeated three times for credit. ADVISORY: Previous choral experience is preferred but not required. The student should have the ability to match a given pitch.

MUS 20 Basic Music Education  
Units: 1.0  Hours: 1.0 Lecture  
Transferable: CSU, UC  
A basic course in music education based on the principles of the Kodaly and Orff Methods. Classes will include lecture, development of individual musical and teaching skills, familiarity with instructional materials, and knowledge of folk music from around the world. ADVISORY: Eligible for English 250 and 260.

MUS 21 Electronic Music/Sound Design  
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory  
Transferable: CSU; GAV-GE:C1  
Fundamentals of electronic music synthesis using computers. Midi sequencing, digital sound processing, sampling, digital multi-track recording utilizing the college’s state of the art midi studio. May be repeated three times for credit. ADVISORY: Eligible for English 250, 260 and Mathematics 205.

MUS 26 Symphony  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Study and performance of orchestral literature. Individual and sectional skills development. Perform in public concerts each semester. May be repeated until a maximum of 8 units are accrued. ADVISORY: Demonstrated proficiency on individual’s instrument and ability to read music.

MUS 28 Jazz/Pop Piano  
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC; GAV-GE:C1  
Introduction to jazz and popular piano: Chord symbols, chord voicings, improvisation, arrangements in blues, jazz, and other popular music styles. May be repeated three times for credit. ADVISORY: Music 4A or the equivalent.

MUS 98 Special Topics  
Units: .5 TO 3.0  Hours: .5 TO 3.0 Lecture  
Transferable: CSU; GAV-GE:C1  
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with appropriate department chairperson. For transfer status, check with a counselor. This course may have the option of a letter grade or pass/no pass.

MUS 190 Occupational Work Experience/Commercial Music  
Units: 1.0 TO 4.0  Hours:  
Transferable: CSU  
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Enrollment in a minimum of seven or more units including CWE units except for summer school. For summer school, enrollment in one other class is required. Minimum 2.0 G.P.A.

PHIL 1 Introduction to Philosophy  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2; CAN:PHIL2  
Philosophy 1 is intended as a survey of the major areas and traditions of philosophy. The course examines central and significant questions about the meaning of life, who determines what is morally right or wrong, the ideal society, the various notions social justice, what is reality, and many other ideas. In pursuing these questions, students will be asked to read texts from writers around the world, both contemporary and ancient, discuss current events, and apply ‘theory’ to movies such as ”The Matrix” trilogy, novels, and any other relevant application of the student’s own choice. ADVISORY: Eligible for English 1A.

PHIL 2 Logic  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:A3; GAV-GE:C2; CAN:PHIL6  
Philosophy 2, Introduction to Logic, is intended as a survey of the primary approaches to argumentation and what has been traditionally called ‘correct’ reasoning. Learners will learn techniques of both deductive and inductive argumentation, how to spot a fallacy, as well as how to apply these techniques to other aspects of their lives outside the classroom. While logic is often quite formal, the goal is to see the practical application of this discipline. Additionally, learners will become acquainted with the cultural variations to reasoning in addition to the standard Western focal approach ADVISORY: Eligible for English 1A.
PHIL 3A  Ethics
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2; CAN:PHIL4

Philosophy 3 is intended as a survey of the major areas and traditions of ethical and moral theories. The course examines central and significant questions about who determines what is morally right or wrong, the ideal society, the various notions of social justice, moral agency and action in our lives and community, as well as many other topics. In pursuing these questions, students will be asked to read texts from writers around the world, both contemporary and ancient, discuss current events, and apply 'theory' to movies, novels, and any other relevant application of the student's own choice. ADVISORY: Eligible for English 1A.

PHIL 3B  Contemporary Moral Issues
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2, E2

Contemporary Moral Issues is an applied ethics class that covers major ethical theories and contemporary moral issues in a pluralistic manner. This course will cover such issues as abortion and euthanasia, cloning, experimentation on human subjects, capital punishment, race/ethnicity, sexual orientation and sexual morality, world hunger and poverty, colonialism and post-colonialism, and so forth. ADVISORY: Eligible for English 1A.

PHIL 4  Critical Thinking and Writing
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC; CSU-GE:A3, IGETC:1B; GAV-GE:C2

This course is designed to introduce the relationship between critical thinking and critical writing in a way that will be both enjoyable to the student and helpful in other aspects of life. The student will learn techniques of critical thinking, playing close attention to the current events, movies and popular media, music lyrics, as well as the textbook. Students will learn to identify deductive and inductive arguments and be able to evaluate their strength, create a strong argument of their own on a given topic, as well become experts in the area of critical analysis. The goal is to enable students to become strong, well informed, articulate members of the community as well as individuals with an empowered sense of self as an agent of change. PREREQUISITE: English 1A

PHIL 6  Comparative Religions
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2, F

Religion is a topic that ignites controversy — most societies engage in religious practices, believe strongly in that tradition, and find a sense of identity within it. The controversy arises when differences are misunderstood, misrepresented, or placed in a hierarchy of assumed supremacy of one religion as superior to others. In this class, students explore the underlying commonality of various religious traditions, explore the uniqueness of the religions with which they are unfamiliar, and learn to see that diversity among beliefs doesn't have to create hostility. Students will explore religions from Indigenous Peoples throughout the world, East Asia (e.g. India), China, the Middle East, as well as some more recent trends in religion. ADVISORY: Eligible for English 1A

PHIL 7A  History of Philosophy: Ancient to Medieval Times
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC; CSU-GE:C2, IGETC:3B; GAV-GE:C2

Philosophy 7A is a survey of the history of philosophy from the ancient to the medieval periods. It is a great class to take along with World History or a literature course. ADVISORY: Eligible for English 1A.

PHIL 9  Philosophy of Religions
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU

A reflective examination and analysis of the meanings and beliefs involved in religion and the religious experience. Introductory study of such topics as the nature and grounds of religious belief, relation between religion and ethics, nature and existence of god, problem with evil, and what can be learned from the religious experience. Additionally, the student will discuss the impact of religion on society, social norms, and the political impact of religion. Previously known as PHIL 6B. ADVISORY: Eligible for English 1A.

PHIL 12  Introduction to Political Thought
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC; CSU-GE:D8, IGETC:4H; GAV-GE:D2

This course provides students with an introduction to and grounding in classical and modern political thought. Students will be introduced to theorists such as Plato, Aristotle, Machiavelli, and Marx. Students will also examine such timeless questions as “What is justice?” “What is the good life?” and “What is power?” among others. This course is also listed as POLS 12.

PHYSICAL EDUCATION: ACADEMIC

PE 1  Orientation for Student-Athlete Success
Units: 1.0  Hours: 1.0 Lecture
Transferable:  CSU, CSU-GE:E; GAV-GE: E1

This course identifies and clarifies issues relevant to student-athletes. Students will learn practical skills which will assist them in obtaining their educational objectives, such as proper use of library services, time management and test and note taking information.

PE 2  Introduction to Physical Education
Units: 3.0  Hours: 3.0 Lecture
Transferable:  CSU, UC

This course is designed to examine the field of physical education from a historical and contemporary viewpoint. The broad spectrum of physical education as a discipline will be discussed. Goals and objectives of physical education as well as other career options will be introduced. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

PE 3  Introduction to Athletic Training
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory
Transferable:  CSU, UC

An introductory course in athletic training/sports medicine. This course will familiarize the student with basic knowledge and basic skill level needed to become an athletic trainer. The course will cover anatomy/physiology, first aid, rehabilitation, injury recognition/evaluation/management, report writing/record keeping, facilities maintenance/supply ordering. Also included is hands-on participation at sporting events. ADVISORY: Allied Health 30 (may be concurrent) and eligible for English 260

PE 3A  Athletic Training Field Experience
Units: 2.0  Hours: 6.0 Laboratory
Transferable:  CSU

A coeducational course designed to offer the prospective athletic trainer, physical therapist, or physical educator a continuing practical experience reinforcing and applying the concepts and terminology learned in PE 3, Introduction to Athletic Training, and the field of athletic training. The purpose of PE 3A is to provide a comprehensive, progressive educational and practical foundation in preparation for transition into allied health studies. Knowledge in the recognition, assessment, and care of athletic injuries or practical experience in care and prevention of athletic injuries is recommended. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: PE 3 Introduction to Athletic Training.

PE 5  Individual and Dual Sports
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable:  CSU, UC; GAV-GE:E1

Designed for those planning to work with children in the field of physical education or recreation. Activities such as badminton, bowling, golf, tennis, and archery may be covered. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.
PE 6 Games and Rhythms for Children
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:E1
Nature, function and organization of physical activities for the pre-school and elementary school age child. Emphasis is given to the understanding of psychomotor development and spatial awareness. Designed for those planning to work with children. Also listed as Child Development 6. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

PE 7 Theory of Sports Management
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU
This course introduces the theory of organizing, planning, directing and controlling a sports program. Areas such as budgeting, fundraising, advertising, marketing, and studying contract law will also be included.

PE 8 Psychology of Coaching
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU
A course designed to provide the student with some of the theoretical and practical knowledge necessary for applying psychological techniques within sport situations and to better understand the relevance of mental factors necessary to maximize athletic performance. Special emphasis will be given to coaching and managing youth sports teams. This class has the option of a letter grade or pass/no pass.

PE 9A Fundamentals of Soccer
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course offers basic instruction in the theory, strategies, and techniques of soccer for the purpose of preparing the individual student in the fundamental aspects of playing and coaching the sport. May be repeated once for credit. This course has the option of a letter grade or pass/no pass.

PE 9B Fundamentals of Soccer
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course offers review and advanced instruction in the theory, strategies, and techniques of soccer for the purpose of preparing the individual student in all aspects of playing and coaching the sport. May be repeated once for credit. This course has the option of a letter grade or pass/no pass.

PE 10A Fundamentals of Softball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
Basic theory, strategy, technique, practice and conditioning of softball to prepare the individual student in all aspects of playing and coaching the sport. May be repeated once for credit. This course has the option of a letter grade or pass/no pass.

PE 10B Fundamentals of Softball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
This course offers review and advanced instruction in the theory, strategies, and techniques of softball for the purposes of preparing the individual student in all aspects of playing and coaching the sport. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: PE 10A

PE 11A Fundamentals of Baseball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
Theory, strategy, technique, practice and conditioning of baseball to prepare the individual student in all aspects of playing and coaching the sport. May be repeated once for credit. This course has the option of a letter grade or pass/no pass.

PE 11B Fundamentals of Baseball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
This course offers review and advanced instruction in the theory, strategies, and techniques of baseball for the purpose of preparing the individual student in all aspects of playing and coaching the sport. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Physical Education 11A.

PE 12A Fundamentals of Football
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
Basic organization and administration of a football program involving equipment, practice schedules, personnel, conditioning, scouting, weight training, and football specific drills. May be repeated once for credit. This course has the option of a letter grade or pass/no pass.

PE 12B Fundamentals of Football
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC
The administration and organization of a football program involving practice schedules, personnel, equipment, scouting, conditioning, weight training and football drills. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Physical Education 12A.

PE 13A Fundamentals of Volleyball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course offers basic instruction in the theory, strategies, and techniques of volleyball for the purpose of preparing the student in the fundamental aspects of playing and coaching the game. May be repeated once for credit. This course has the option of a letter grade or pass/no pass.

PE 13B Fundamentals of Volleyball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course offers review and advanced instruction in the theory, strategies, and techniques of volleyball for the purpose of preparing the student in all aspects of playing and coaching the game. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: Physical Education 13A.

PE 14A Fundamentals of Basketball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; GAV-GE:E1
Basic theory, strategy, technique, practice, and conditioning involved in basketball to prepare the individual student in all aspects of playing and coaching the sport. May be repeated once for credit. This course has the option of a letter grade or pass/no pass.

PE 14B Fundamentals of Basketball
Units: 2.0 Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; GAV-GE:E1
More in-depth and advanced instruction in the theory, strategy, practice, and conditioning in basketball to better prepare the individual student in all aspects of playing and coaching the sport. Designed for the student who has already completed PE 14A. May be repeated once for credit. This course has the option of a letter grade or pass/no pass. ADVISORY: PE 14A

All courses listed here are part of Gavilan College’s approved curriculum. All courses are not offered every semester. Check the Class Schedule for current offerings.
PHYSICAL EDUCATION: ACTIVITIES

PE 16  Swimming
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for all skill levels. The course teaches the techniques of a variety of strokes and includes conditioning activities. Instruction is tailored to meet individual and group needs. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 17  Golf
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for all skill levels. Fundamentals, techniques, rules and the etiquette of golf will be covered. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 18  Tennis
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity stressing fundamentals of tennis such as forehand, backhand, serve and volley, along with the rules, etiquette and strategies of the game. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 19  Badminton
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for beginning and intermediate badminton students. Includes rules, fundamentals, and strategies of the game. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 20  Bowling
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for beginning and intermediate bowlers; fundamentals and techniques of bowling. Scoring, bowling etiquette, terminology and team bowling are included. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 21  Volleyball
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for beginning and intermediate volleyball students; rules, strategy and fundamentals of volleyball. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 24  Individualized Weight Training
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
An open laboratory for those who desire an individualized strength program using exercise machines and free weights. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 25  Soccer
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Co-educational activity designed for all skill levels. Fundamentals, strategy and rules of the game are included. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 27  Basketball
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for all skill levels. Fundamentals, strategy and rules of the game are included. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 31  Archery
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for all skill levels, from the beginner to the advanced student. Fundamentals, terminology, scoring, and safety are included. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 33  Walk/Run for Fitness
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
A program of walking and/or running designed to improve cardiovascular fitness and strengthen the muscles throughout the body. This course has the option of a letter grade or pass/no pass and may be repeated three times for credit.

PE 34, 35, 36, 38: see Physical Education: Adapted (APE)

PE 37  Softball
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for all skill levels. Rules, fundamentals, and strategy and gameplay will be included. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 39  Fencing
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course will explore the offensive and defensive fencing skills with a foil. May be repeated three times credit. This course has the option of a letter grade or pass/no pass.

PE 40  Aquatic Exercise
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
A variety of exercises will be performed in shallow water to improve one’s aerobic fitness, flexibility, and strength; while at the same time providing an exercise form easy on skeletal stress. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 44  Aerobics
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
A program of aerobic fitness. Includes various forms of exercise to improve health, heart, and body composition. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 46  Agility and Motor Development
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
An activity class designed to improve and increase agility and motor development through various exercise and exercise programs. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.
PE 60  Folk Dance
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This class provides an opportunity to enjoy and become familiar with culture, music and dances of the many countries of the world. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 61  Swim for Fitness
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Designed to develop endurance and swimming skills in order to maintain good cardiovascular/physical fitness. Intermediate swimming ability recommended. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 62  Yoga
Units: .5 TO 1.0 Hours: 1.5 TO 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Coeducational activity designed for beginning and intermediate yoga students. A program designed to improve flexibility and reduce stress by learning a series of poses and focusing on proper breathing techniques. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 63  Water Polo
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This is a coeducational activity course designed for all skill levels. Includes drills, strategy, techniques, rules, and game play. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 64  Individualized Cardiovascular Fitness
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
A fitness program which develops cardiovascular endurance through an individualized open lab format. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 65  Baseball
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course is designed for students of all skill levels who desire to learn the fundamentals, mechanics, strategy and rules of the game of baseball. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 66  Dance Fundamentals
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Designed to introduce and develop movement principles and skills necessary to perform modern dance and ballet. May also include jazz and/or tap dance. Emphasizes enjoyment of dance as a form of exercise and will include some conditioning. Basic choreography skills will be included. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 68  Bootcamp Fitness
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
A challenging series of drills and exercises that develop, improve and increase strength, flexibility, agility and cardiovascular abilities. Designed for all levels of fitness. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 70  Pilates
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This class utilizes the Pilates exercise system focused on improving flexibility and strength for the total body through a series of controlled movements. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 71  Self-Defense for Women
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Instruction in techniques of self-defense which will help students avoid and respond to dangerous situations. Emphasis will be placed on how women can defend themselves when under attack. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

PE 72  Aikido
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
An introduction to the Japanese-derived martial art. Emphasis will be on mind-body harmony, balance, and relaxation. Aikido self-defense techniques aim toward the creative resolution of conflict and the growth of the individual. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit.

PE 73  Fitness Through Dance
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Conditioning the body through the use of various dances and/or dance steps. This course is designed to strengthen and tone the body, assist in weight loss, and increase endurance. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 74  Hiking
Units: .5 OR 1.0 Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Introduces the Santa Clara county parks, trails, and surrounding areas. Includes fun, challenging hikes which average 5-8 miles on moderate to steep terrain. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.
COURSE OFFERINGS

PHYSICAL EDUCATION - ADAPTED

APE 34  Adapted Aquatic Exercise
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course is designed to help individuals who by the nature of their disability such as wheelchair use, back injury, cardiovascular impairment, multiple sclerosis or other disabling condition require a specific aquatic exercise program that will contribute to their physical well-being. May be repeated as necessary based on measurable progress as documented in the student's educational contract. This course has the option of a letter grade or pass/no pass. Previously known as PE 34.

APE 35  Adapted Swimming for Total Fitness
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
An individualized program of activities designed for students with physical disabilities to improve flexibility and range-of-motion, increase joint movement, improve circulation, and improve control of body movement through water adjustment and activities. Develops an appreciation of physical activity as a regular planned contribution to one's basic overall well-being. May be repeated as necessary based on measurable progress as documented in the student's educational contract. This course has the option of a letter grade or pass/no pass. Previously known as PE 35.

APE 36  Adapted Physical Education
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
An individualized program of adaptive physical education activities designed to meet the needs of students with physical disabilities. Develops an appreciation of physical activity as a regular planned contribution to one's overall well-being. May be repeated as necessary based on measurable progress as documented in the student's educational contract. This course has the option of a letter grade or pass/no pass. Previously known as PE 36.

APE 38  Adapted Cardiovascular Conditioning and Training
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
An individualized program of adapted exercises in weight training, stretching and cardiovascular conditioning for those individuals who have been disabled through stroke, cardiovascular accident, arthritis, multiple sclerosis, or other condition. May be repeated as necessary based on measurable progress as documented in the student's educational contract. This course has the option of a letter grade or pass/no pass. Previously known as PE 38.

APE 534  Adapted Aquatic Exercise
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: No
Designed to help individuals who by the nature of their disability such as wheelchair use, back injury, cardiovascular impairment, multiple sclerosis or other disabling condition require a specific aquatic exercise program that will contribute to their physical well being. May be repeated as necessary based on measurable progress as documented in the student's educational contract. This is a pass/no pass course. Previously known as PE 534.

APE 535  Adapted Swimming for Total Fitness
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: No
An individualized program of activities designed for students with physical disabilities to improve flexibility and range-of-motion, increase joint movement, improve circulation, and improve control over body movement through water adjustment and activities. Develops an appreciation of physical activity as a regular planned contribution to one’s overall well-being. May be repeated as necessary based on measurable progress as documented in the student’s educational contract. This course is pass/no pass. Previously known as PE 535.

PE 75  Sports Conditioning
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This activity class is designed to improve the physical condition of male and female athletes. It includes strength training, cardiovascular endurance, plyometric training, and sport specific techniques. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 76  Marathon Training
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This course is designed to train individuals for participation in long-distance events. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 77  Flag Football
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E; GAV-GE:E1
Instruction in the fundamentals of flag football. Includes skills, rules, and strategy with emphasis on the application of skills and strategies in game play. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 78  Dance Repertory
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
Study, rehearse and perform choreography provided by faculty, guest artists and/or student choreographers. Opportunities to perform at informal settings at the college and various locations in the Gavilan community. The class includes dance warm up and work on technical skills, improvisational study, creating choreographic studies for group and solo forms and rehearsal and performance of finished dances either for the class, college or community. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. Also listed as THEA 78. ADVISORY: An ability to perform more complex patterns of movement with a strong level of dance technique: or Current enrollment in a dance class: or Permission of the instructor.

PE 79  Indoor Racket Sports
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1
This coeducational class will include lessons in the net games of badminton, pickleball and table tennis. Instruction in the basic skills, rules, strategies, and application to game situations will be provided. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 80  Ultimate Frisbee
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU, UC; CSU-GE:E; GAV-GE:E1
A coeducational activity designed for all skill levels. Includes instruction in throwing, catching, and the passing skills of ultimate frisbee. Team strategy, team play and the rules will be presented. Other disc activities, such as frisbee golf, may be included. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PE 81  Kickboxing for Fitness
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU
This course utilizes basic kickboxing techniques and physical conditioning in a cardio exercise program. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

APE 34, 535, 536, 538: see Physical Education: Adapted (APE)
APE 536  Adapted Physical Education  
Units: 1.0 OR 1.5  Hours: 1.0 OR 1.5 Laboratory  
Transferable: No  
An individualized program of adaptive physical education activities designed to meet the needs of students with physical disabilities. Develops an appreciation of physical activity as a regular planned contribution to one's physical well-being. May be repeated as necessary based on measurable progress as documented in the student's educational contract. This is a pass/no pass course. Previously known as PE 536.

APE 538  Adapted Cardiovascular Conditioning & Training  
Units: 1.0 OR 1.5  Hours: 1.0 OR 1.5 Laboratory  
Transferable: No  
An individualized program of adapted exercises in weight training, stretching and cardiovascular conditioning for those individuals who have been disabled through stroke, cardiovascular accident, arthritis, multiple sclerosis, or other condition. May be repeated as necessary based on measurable progress as documented in the student's educational contract. This is a pass/no pass course. Previously known as PE 538.

ATH 47  Soccer  
Units: 2.0  Hours: 10.0 Laboratory  
Transferable: CSU, UC; CSU-GE:E1; GAV-GE:E1  
This course provides practice and competition in intercollegiate soccer. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass.

PHYSICAL SCIENCE

PSCI 1  Principles of Physical Science  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:B1, IGETC:5A; GAV-GE:B1  
An introduction to the physical sciences for the non-science major. Attention is focused on fundamental laws of nature, their development and relation to the physical world. ADVISORY: Mathematics 205 and eligible for English 250 and 260.

PSCI 2  Introduction to Meteorology  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU, UC; CSU-GE:B1, IGETC:5A; GAV-GE:B1  
An introductory course in Meteorology that is both descriptive and analytical on the physical principles affecting the earth’s weather. Topics covered include the nature of the atmosphere, solar energy, heat, temperature, pressure, stability, moisture, wind, storms, severe weather and forecasting. The course introduces climatology as a scientific study and will look at the earth’s climatic history, current research in climate modeling and the possibility of global climate change. ADVISORY: MATH 205.

PHYSICS

PHYS 1  Introduction to Physics  
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3  
This course is an introduction to the fundamental physical principles that control the world around us. Students will explore the fundamental principles of physics, their historical development, their application to everyday phenomena, and their impact upon political, social, and environmental issues. Laboratory exercises will explore the everyday world. ADVISORY: Mathematics 205.

PHYS 2A  General Physics  
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3; CAN:PHYS2, PHYS SEQ A
An introduction to the principles of physics using algebra and trigonometry. Topics include kinematics in one and two dimensions, vectors, equilibrium and non-equilibrium applications of Newton’s Laws, work and energy, momentum, rotational kinematics and dynamics, simple harmonic motion, elasticity, thermal physics, thermodynamics, and waves. PREREQUISITE: MATH 8A or MATH 9. ADVISORY: Eligible for English 250 and English 260.

PHYS 2B  General Physics  
Units: 4.0  Hours: 3.0 Lecture 3.0 Laboratory  
Transferable: CSU, UC; CSU-GE:B1, B3, IGETC:5A; GAV-GE:B1, B3; CAN:PHYS4, PHYS SEQ A
An introduction to the principles of physics using algebra and trigonometry. Topics include electricity and magnetism, light and optics, modern physics, and an introduction to relativity. PREREQUISITE: Physics 2A ADVISORY: Eligible for English 250 and English 260.
### PHYS 4A Physics for Scientists and Engineers - Mechanics/Fluids/Wave

**Units:** 4.0  
**Hours:** 4.0 Lecture, 2.0 Laboratory  
**Transferable:** CSU, UC; CSU-GE:B1, B3; CAN: PHYS SEQ B  

An introduction to the principles of physics using calculus. Topics include kinematics in one, two and three dimensions, vectors, equilibrium and non-equilibrium applications of Newton’s Laws, work and energy, momentum, systems of particles, rotational kinematics and dynamics, simple harmonic motion, elasticity, and waves. **PREREQUISITE:** Physics 2A and Mathematics 1A  

**ADVISORY:** Eligible for English 250 and English 260.

### PHYS 4B Physics for Sci/Engr--Electromagnetism

**Units:** 4.0  
**Hours:** 4.0 Lecture, 2.0 Laboratory  
**Transferable:** CSU, UC; CSU-GE:B1, B3; IGETC:5A; GAV-GE:B1, B3; CAN: PHYS SEQ B  

Fundamental principles of electricity and electromagnetism. Electric and magnetic fields, AC/DC circuits, Maxwell’s equations, and electromagnetic waves. Students gain experience in the application of computers in science. **PREREQUISITE:** Physics 4A  

**ADVISORY:** Mathematics 1B

### PHYS 4C Physics for Sci/Engr--Thermodynamics/Optics/Modern Physics

**Units:** 4.0  
**Hours:** 3.0 Lecture, 3.0 Laboratory  
**Transferable:** CSU, UC; CSU-GE:B1, B3; IGETC:5A; GAV-GE:B1, B3; CAN: PHYS SEQ B  

An introduction to the principles of physics using calculus. Topics include light, optics, interference, diffraction, thermal energy, the Laws of Thermodynamics, the kinetic theory of gases, and an introduction to relativity and modern physics. **PREREQUISITE:** Physics 4A  

**ADVISORY:** Mathematics 1B

### POLITICAL SCIENCE

**POLIS 1 Introduction to American Government**

**Units:** 3.0  
**Hours:** 3.0 Lecture  
**Transferable:** CSU, UC; CSU-GE:D8, IGETC:4H; GAV-GE:D1, D2; CAN:GOVT2  

Explores the development of American political institutions and their utilization in dealing with issues arising at the international, national and state levels. Emphasis is placed on those problems which have defined our federal system of government. California government and appropriate state institutions will be included as a vital part of our federal system of government. **ADVISORY:** Eligible for English 250 and English 260.

**POLIS 3 Introduction to Comparative Politics**

**Units:** 3.0  
**Hours:** 3.0 Lecture  
**Transferable:** CSU, UC; CSU-GE:D8, IGETC:4H; GAV-GE:D2, F  

Comparative survey of political institutions and processes around the globe. Selected nations may include, but are not restricted to: the United Kingdom, France, Germany, Japan, Russia, India, Nigeria, and Mexico. **ADVISORY:** Eligible for English 250 and English 260.

**POLIS 4 Introduction to International Relations**

**Units:** 3.0  
**Hours:** 3.0 Lecture  
**Transferable:** CSU, UC; CSU-GE:D8, IGETC:4H; GAV-GE:D2, F  

This course provides an introduction to key contemporary international problems and the means to analyze them. Major parts of the course cover such topics as war and peace, foreign policymaking, the international economy, and future trends in world politics.

**POLIS 6 Introduction to Conflict Resolution**

**Units:** 3.0  
**Hours:** 3.0 Lecture  
**Transferable:** CSU, UC; CSU-GE:D7; GAV-GE:D2  

Introduction to Conflict Resolution introduces students to conflict resolution and mediation. Integrating theory and practice, students will assess core concepts about the causes and resolution of conflict, and will practice communication skills for conflict resolution. Students will examine how ethnicity, gender, and class affect power in conflict situations. They will be able to formulate appropriate conflict resolution strategies, and will develop and practice various basic co-mediation skills. This course has the option of a letter grade or pass/no pass. This course is also listed as AJ 6 and PSYC 6 and CMUN 6. **ADVISORY:** English 250 and English 260.
PSYC 3  Child Growth and Development During the School Years
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D9, E, IGETC:C4; GAV-GE:D2

Continuation of the study of child development with emphasis on children from six years of age through adolescence. Includes developmental theories and topics relevant to these ages. This course is also listed as CD 3. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260; Psychology 2.

PSYC 5  Self-Assessment and Career Development
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; CSU-GE:E2; GAV-GE:E2

A course designed to assist the student in learning more about personal values, personality, interests, exploration of career choice, and occupational opportunities through the use of various personal assessment instruments. The delivery options for this course include online and self-paced formats. This course is also listed as GUID 1. ADVISORY: Eligible for English 250 and English 260. $12 fee will be charged for career assessment materials.

PSYC 6  Introduction to Conflict Resolution
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; CSU-GE:D7; GAV-GE:D2

Introduction to Conflict Resolution introduces students to conflict resolution and mediation. Integrating theory and practice, students will assess core concepts about the causes and resolution of conflict, and will practice communication skills for conflict resolution. Students will examine how ethnicity, gender, and class affect power in conflict situations. They will be able to formulate appropriate conflict resolution strategies, and will develop and practice various basic co-mediation skills. This course has the option of a letter grade or pass/no pass. This course is also listed as AJ 6 and POLS 6 and CMUN 6. ADVISORY: English 250 and English 260.

PSYC 7  Cultural Context of Child and Family in a Diverse Society
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; CSU-GE:D7; GAV-GE:D2, F

Examines cultural influences on child-rearing practices, family values, and human development. Perspectives from social sciences are used to critique and review theoretical and practical implications of oppression and privilege as they apply to families, schools, and communities, including historical and socio-cultural factors. The processes of socialization and identity development, and the importance of respectful, reciprocal relationships that support and empower families. Self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. Also listed as CD 7 and ANTH 9. ADVISORY: Eligible for English 250 and English 260.

PSYC 27  Contemporary Leadership
Units: 2.0 TO 4.0  Hours: 1.5 TO 3.0 Lecture, 1.5 TO 3.0 Laboratory
Transferable: CSU; GAV-GE:E2

A cross-disciplinary approach to the theory and practice of leadership. Includes effective communication styles including issues related to gender and culture. Class includes topics on ethics, power, and how to run effective meetings including the use of parliamentary procedure. Skills directly applicable to work, personal and college environments. May be repeated for a maximum of 10 units. Also listed as POLS 27. ADVISORY: Eligible for English 250 and English 260.

PSYC 30  Psychology of Interpersonal Communication
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU

This course introduces the student to theory, skills and psychological dynamics of communication used in interpersonal relationships. Course content covers a study of verbal and nonverbal communication, listening skills and barriers, conflict resolution, message clarification and the recognition of destructive communication patterns. ADVISORY: Eligible for English 250 and English 260.

PSYC 41  Psychology of Adjustment
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU; CSU-GE:E2; GAV-GE:E2

Analysis of personal interactions, process of personal adjustment, frustration and defense mechanisms, assertive behavior, values clarification and the goals of individual behavior. ADVISORY: Eligible for English 250 and English 260.

PSYC 52  Peer Counseling
Units: 2.0  Hours: 2.0 Lecture
Transferable: CSU

An overview of the principles, skills, and methods used in peer counseling. Course emphasizes using communication skills, goal setting, intervention techniques and evaluation for peer counselors and others. ADVISORY: Eligible for English 250 and English 260.

PSYC 98  Special Topics
Units: .5 TO 3.0  Hours: .5 TO 3.0 Lecture
Transferable: No

Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topic content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. This course may have the option of a letter grade or pass/no pass.

PSYC 103  Human Relations in Business
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU

An introduction to the field of industrial psychology through the study of six modules (nine hours each): Human Behavior at Work, Group Behavior and Leadership, Personal Effectiveness, Personal Development, Business Communications, and Conflict Resolution at Work. This course is also listed as MGMT 103. ADVISORY: Eligible for English 250 and English 260.

Physiology: see Biological Sciences
Public Speaking: see Communication Studies

REAL ESTATE

RE 160  Real Estate Principles
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU

The fundamental course covering an introduction to the field of real estate. Provides understanding, background and terminology necessary for advanced specialized courses. Will meet requirements for the Real Estate Sales License. This course has the option of a letter grade or pass/no pass. ADVISORY: Eligible for English 250, English 260 and Mathematics 205.

RE 162  Real Estate Practice
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU

Introduction to the practice of real estate in California; emphasis on the practical application of listings, selling, advertising, financing, escrow, taxation, and valuation of real estate. This course meets a requirement for the California Broker’s License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160
RE 163  Real Estate Finance  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
This course covers an analysis of real estate financing transactions in residential, apartment, commercial, and special purpose properties. Various methods of financing properties are emphasized in the course. This course meets a requirement for the California Broker's License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 164  Real Estate Appraisal  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
An introductory course covering the purpose of appraisals, the appraisal process, and the different approaches, methods and techniques used to estimate the value of various types of property, with a special emphasis on single-family residential properties. This course meets a requirement for the California Broker’s License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 165  Legal Aspects of Real Estate  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
A study of California real estate law, including rights incident to property ownership and management, agency contracts, transfer of interest, liens and their foreclosure, encumbrances, and recent legislation relating to the foregoing. This course meets a requirement for the California Broker’s License. This course has the option of a letter grade or pass/no pass. ADVISORY: Real Estate 160

RE 166  Property Management  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
A study of techniques and practices in the management of income property from acquisition to disposal. The course will cover neighborhood analysis, rent schedules, rental finance, collections, eviction, maintenance and rehabilitation, tax considerations, depreciation and the pitfalls in the purchase of income property. This course may be used for the California Broker’s License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 167  Real Estate Economics  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
An introduction to the causes and effects of value fluctuations in real estate, the nature of land economics and development of residential, commercial, industrial, recreational and special purpose properties. The student will study the principles of capitalism, community growth patterns, taxes, and other related economic concepts. This course may be used for the California Broker’s License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 168  Real Estate Escrow  
Units: 3.0  Hours: 3.0 Lecture  
Transferable: CSU  
This is an introductory course to escrow procedures and title insurance. The course will cover the general facets of escrow, title examination, preliminary report preparation and the factors upon which title insurance is based. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 190  Occupational Work Experience/Real Estate  
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory  
Transferable: CSU  
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.
RE 163  Real Estate Finance
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
This course covers an analysis of real estate financing transactions in residential, apartment, commercial, and special purpose properties. Various methods of financing properties are emphasized in the course. This course meets a requirement for the California Broker's License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 164  Real Estate Appraisal
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
An introductory course covering the purpose of appraisals, the appraisal process, and the different approaches, methods and techniques used to estimate the value of various types of property, with a special emphasis on single-family residential properties. This course meets a requirement for the California Broker's License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 165  Legal Aspects of Real Estate
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
A study of California real estate law, including rights incident to property ownership and management, agency contracts, transfer of interest, liens and their foreclosure, encumbrances, and recent legislation relating to the foregoing. This course meets a requirement for the California Broker's License. This course has the option of a letter grade or pass/no pass. ADVISORY: Real Estate 160

RE 166  Property Management
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
A study of techniques and practices in the management of income property from acquisition to disposal. The course will cover neighborhood analysis, rent schedules, rental finance, collections, eviction, maintenance and rehabilitation, tax considerations, depreciation and the pitfalls in the purchase of income property. This course may be used for the California Broker's License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 167  Real Estate Economics
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
An introduction to the causes and effects of value fluctuations in real estate, the nature of land economics and development of residential, commercial, industrial, recreational and special purpose properties. The student will study the principles of capitalism, community growth patterns, taxes, and other related economic concepts. This course may be used for the California Broker's License. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 168  Real Estate Escrow
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU
This is an introductory course to escrow procedures and title insurance. The course will cover the general facets of escrow, title examination, preliminary report preparation and the factors upon which title insurance is based. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: Real Estate 160

RE 190  Occupational Work Experience/Real Estate
Units: 1.0 TO 4.0  Hours: 5.0 TO 20.0 Laboratory
Transferable: CSU
College credit for learning experience obtained on the job in accordance with a training plan developed cooperatively between the employer, college and student. 75 hours per semester per unit or 60 hours per semester for unpaid experience. This is a pass/no pass course. May be taken for a maximum of 16 work experience units. REQUIRED: Declared vocational major. Concurrent enrollment in seven or more units (including CWE units, except for summer school. For summer school, enrollment in one other class is required). Minimum 2.00 G.P.A.

SOCIAL SCIENCES, GENERAL

SSCI 1  Introduction to the Social Sciences
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D7, IGETC:4G; GAV-GE:D2
A broad introduction to key terms, concepts, principles, and unifying frameworks found in the major social science disciplines. Cultivation of research, reasoning, writing, and problem-solving/ critical analysis germane to social science and with a particular focus on student life experience.

SSCI 270A  Introduction to the Social Sciences
Units: 3.0  Hours: 3.0 Lecture
Transferable: No; GAV-GE:A3
An introduction to key concepts, principles, frameworks and issues in the major social science disciplines of history, economics, and political science for students wishing to get a broad overview. Development of research, reasoning, writing, topical reading, and critical analytical skills germane to politics, economics, and social change will be emphasized so students will build skills to evaluate contemporary policies and practices of governments, groups, and individuals. This course has the option of a letter grade or pass/no pass. PREREQUISITE: Completion of English 420 with a grade of ‘C’ or better or Assessment recommendation. ADVISORY: Eligible for English 250.

SSCI 270B  Introduction to the Social Sciences
Units: 3.0  Hours: 3.0 Lecture
Transferable: No; GAV-GE:A3
An introduction to key concepts, principles, frameworks and issues in the major social science disciplines of psychology, sociology, and anthropology for students wishing to get a broad overview. Development of techniques and practice in research, reasoning, writing, topical reading, and critical analytical skills germane to the understanding of individuals, groups, and societies will be emphasized so students will build skills to think critically about contemporary policies and practices of groups, societies, and governments. This course has the option of a letter grade or pass/no pass. PREREQUISITE: Completion of English 420 with a grade of ‘C’ or better or Assessment recommendation. ADVISORY: Eligible for English 250.

SSCI 410A  Themes in Social Science: Introduction to History
Units: 1.0  Hours: 1.0 Lecture
Transferable: No
This course serves as an introduction to history. It will focus on a selected theme such as immigrant experience, slavery, U.S. Constitution, or Native American experience, among many other possible themes, in order to introduce students with key terms, concepts, principles, and unifying frameworks found in history. This course will also cultivate research, reasoning, writing, and critical analysis relevant to the social sciences. This course has the option of a letter grade or pass/no pass.

SOCIOLOGY

SOC 1A  Introduction to Sociology
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D0, IGETC:4J; GAV-GE:D2; CAN:SOC2
Analysis of the structure and dynamics of human society focusing on the development of culture, the socialization process, group behavior, social inequality, deviance, sexism, racism, and ageism, major social institutions, and human ecology. Emphasizes contemporary American society. ADVISORY: Eligible for English 250 and English 260.
SOC 1B  Introduction to Sociology: Social Problems
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D0, IGETC:4J; GAV-GE:D2; CAN:SOC4
Sociology 1B is a course centering on the application of sociological concepts to the analysis of
human ecology, social movements, social change, deviance and other selected social problems.
Emphasis is placed on the study and analysis of problems in contemporary American society.
ADVISORY: Sociology 1A

SOC 3  Sociology of Race, Ethnicity and Cultural Identity
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D0, D3, IGETC:4J; GAV-GE:D2, F
This course is designed to introduce students to the basic sociological concepts and theories of
race, ethnicity and cultural identity in U.S. society. Students will examine race, ethnicity and
cultural identity as social constructs that permeate social structures and institutions, and how they
change over time and space. Over the semester students will critically analyze the ways which
race, ethnicity, class, and gender/sexuality continually shape peoples lives and experiences. While
the class focuses on U.S. societies, students will also critically compare and contrast race and
ethnicity in other societies. ADVISORY: Eligible for English 250 and English 260.

SOC 4  Sociology of Women and Men
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:D0, D4, IGETC:4J; GAV-GE:D2
Analysis of the nature of women’s and men's traditional and changing roles in society including
development of women's and men’s potential, relationships in marriage, influence of mass media,
employment practices, legal provisions and women’s and men’s liberation. ADVISORY: Eligible
for English 250 and English 260.

SOC 10  Mass Media and Society
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, D0, IGETC:4J; GAV-GE:C2, D2
This course helps us understand the 20th century revolution in mass media by focusing on the
history, economics and social impact of the newspaper, book publishing, magazine, film, television,
public relations, advertising and music industries. We will study audience, propaganda and mass
communication theory; we will discuss new technology, ethnic media in the U.S., ethical issues
and attempts to regulate or control the media. Honors students will complete more in-depth
analysis of media issues, and will finish a media-related research project. This course is also
listed as JOUR 10. This course has the option of a letter grade or pass/no pass. ADVISORY:
English 250, English 260

SOC 21  Marriage and the Family
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; CSU-GE:E2; GAV-GE:E2
Survey of information on preparation for marriage, including dating, courtship, engagement, mate
selection, adjustment and parenthood. Time will also be spent on the study of families and how
they function. ADVISORY: Eligible for English 250 and English 260.

SPANISH

SPAN 1A  Elementary Spanish
Units: 5.0  Hours: 5.0 Lecture
Transferable: CSU, UC; CSU-GE:C2; GAV-GE:C2; CAN:SPAN2, SPAN SEQ A
Beginning course with emphasis on understanding and speaking Spanish; introduction to reading
and writing Spanish. This course will also introduce students to Hispanic culture and institutions.
This course has the option of a letter grade or pass/no pass.

SPAN 1B  Elementary Spanish
Units: 5.0  Hours: 5.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:6A; GAV-GE:C2; CAN:SPAN4, SPAN SEQ A
Continuation of Spanish 1A. Further development of the four skills of understanding, speaking,
reading and writing Spanish. This course will continue to emphasize the study of Hispanic culture
and institutions. This course has the option of a letter grade or pass/no pass. ADVISORY:
Spanish 1A or equivalent.

SPAN 2A  Intermediate Spanish
Units: 5.0  Hours: 5.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B, 6A; GAV-GE:C2; CAN:SPAN8, SPAN SEQ B
Review of basic structures through conversation and selected works of literature. Further expansion
of patterns, vocabulary and idioms. Creative expression through discussion and composition. This
course has the option of a letter grade or pass/no pass. ADVISORY: Spanish 1B or equivalent.

SPAN 2B  Intermediate Spanish
Units: 5.0  Hours: 5.0 Lecture
Transferable: CSU, UC; CSU-GE:C2, IGETC:3B, 6A; GAV-GE:C2; CAN:SPAN10, SPAN SEQ B
Review of basic structures and grammar with greater emphasis on vocabulary and idioms.
Introduction to literature as it reflects the characteristics of Hispanic societies. Greater emphasis
on composition as a medium of expression. This course has the option of a letter grade or pass/no pass.
ADVISORY: Spanish 2A or equivalent.

SPAN 8A  Conversational Spanish
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:C2
This course is a beginning Spanish course, focusing on the Spanish sound system, basic grammar
and vocabulary, and cultural elements. Although emphasis is on listening and speaking, basic
reading and writing skills will be developed. This course has the option of a letter grade or
pass/no pass.

SPAN 8B  Conversational Spanish
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:C2
This course requires knowledge of Spanish pronunciation, basic vocabulary, and present tense
grammar. More advanced grammar and vocabulary, and cultural elements will be taught in the
development of listening, speaking, basic reading and writing skills. This course has the option
of a letter grade or pass/no pass. ADVISORY: Spanish 8A or equivalent.

SPAN 8C  Conversational Spanish
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:C2
This course requires considerable knowledge of Spanish pronunciation, vocabulary, grammar and
syntax. More advanced grammar and vocabulary will be taught in the development of listening,
speaking, reading and writing skills. ADVISORY: Spanish 8B or equivalent.

SPAN 8D  Conversational Spanish
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:C2
This course requires fluency in spoken and written Spanish. Advanced grammar and vocabulary
will be presented while the course concentrates on polishing the student’s oral and written skills
and develops a sense of style. ADVISORY: Spanish 8C or equivalent.

General Education Requirements, pages 47-57
This course focuses on formal dramatic presentations for child audiences. Activities will include
preparation and performance of touring plays for young audiences. Special activities in creative
dramatization, improvisation and script development will be studied. ADVISORY: None. May be
taken out of sequence.

THEA 3 El Teatro Campesino
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, IGEC:3A; GAV-GE:C1
Reading, viewing and discussing the work of writer/director Luis Valdez and El Teatro Campesino
(The Farmworkers Theatre) is the focus of this course. It traces the historical development of the
theatrical company from its creation in 1965 to the present. Students will read actos, plays and
view theatrical productions performed by El Teatro Campesino. This course has the option of a
letter grade or pass/no pass. ADVISORY: Eligible for English 250 and English 260.

THEA 4 Oral Reading
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, IGEC:3A; GAV-GE:C1
An introduction to the analysis, preparation and dramatic reading of literature, including classical
and contemporary prose, poetry and drama. Students prepare, analyze and orally present and
interpret great works of drama and literature for an audience. This course is also listed as CMUN
2. ADVISORY: Eligible for English 250 and English 260.

THEA 6 Introduction to Audio Production
Units: 3.0 Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU
The theory and practice of audio techniques in radio, television, film and multimedia; including
acoustics, audio language and terms, signal flow, use of microphones, use of mixers and related
production equipment and the aesthetic aspects of sound mixing. Student will apply the learned
materials to actual audio production. This course has the option of a letter grade or pass/no pass.
May be repeated three times for credit. This course is also listed as MCTV 6.

THEA 7 Theatre Appreciation
Units: 3.0 Hours: 3.0 Lecture
Transferable: CSU, UC; CSU-GE:C1, IGEC:3A; GAV-GE:C1
This learning experience examines how theatre productions are staged and created. Elements
of theatrical production including: writing, producing, directing, designing, and acting will be
explored.

THEA 10 Television/Film and Stage Make-up
Units: 2.0 Hours: 1.0 Lecture 2.0 Laboratory
Transferable: CSU; UC; GAV-GE:C1
Straight, corrective, character and prosthesis make-up application techniques will be discussed
and demonstrated. Basic differences in make-up for television, film and stage will be introduced
through individual projects. This course has the option of a letter grade or pass/no pass. May be
repeated three times for credit.

THEA 11 Dance and Movement for the Theatre
Units: 2.0 Hours: 1.0 Lecture 2.0 Laboratory
Transferable: CSU; UC; GAV-GE:C1
Introduction to basic dance, period movement, stage combat and mime techniques suitable for the
performing arts. This course has the option of a letter grade or pass/no pass. May be repeated
three times for credit.

THEA 12A Acting: History and Practice
Units: 3.0 Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU; UC; CSU-GE:C1; GAV-GE:C1; CAN:DRAM8
An introduction to the historical development of acting as a practice of human cultural expression.
Students will acquire a vocabulary for theatre performance as an art form and analyze dramatic
works in a historical context. Practice of basic acting concepts, character analysis, preparation
and performances of monologues and scenes will be required in the course.
THEA 12B  Acting Techniques
Units: 2.0  Hours: 1.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Techniques for creating characterizations for performance. Various acting approaches will be examined through research, discussion and acting exercises. This course has the option of a letter grade or pass/no pass. May be repeated two times for credit. ADVISORY: Theatre Arts 12A.

THEA 13A  Actor’s Workshop
Units: 1.0 TO 3.0  Hours: 3.0 TO 9.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Audition, rehearsal and performance of a theatrical production for public performance.

THEA 13B  Actor’s Workshop
Units: 1.0 TO 3.0  Hours: 3.0 TO 9.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Audition, rehearsal and performance of a theatrical production for public performance. ADVISORY: Theatre Arts 13B.

THEA 13D  Actor’s Workshop
Units: 1.0 TO 3.0  Hours: 3.0 TO 9.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Audition, rehearsal and performance of a theatrical production for public performance. ADVISORY: Theatre Arts 13C

THEA 14  Stage Production
Units: 1.0 TO 3.0  Hours: 3.0 TO 9.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
An individualized course in technical theatre production for the performing arts. Areas of study include: scenery, lighting, props, costumes, sound, make-up, public relations/box office management or stage management. May be repeated until a maximum of 9 units are accrued. ADVISORY: Eligible for English 250 and English 260.

THEA 15  Introduction to Design for Stage, Film, and Television
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU, UC; GAV-GE:C1
An introductory course in design and technical production for stage, film, and television. Areas of study will include scenery, lighting, costumes, and make-up. ADVISORY: Eligible for English 250 and English 260.

THEA 16  Television History and Practice
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:C1
This course examines theories, history and development of television technology and current distribution practices. Programming genres and production techniques are analyzed, evaluated and compared with other societies as tools of mass communication. This course is also listed as MCTV 16. ADVISORY: Eligible for English 250 and 260.

THEA 17A  Television and Video Workshop
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU; GAV-GE:C1
An introduction to television and video technology, including pre-production, production and post-production techniques such as: camera work, studio equipment, lighting, audio plus off-line and on-line editing. This course is also listed as MCTV 17A. ADVISORY: Theatre Arts 16 Intro to TV or consent of instructor.

THEA 17B  Television and Video Workshop
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU; GAV-GE:C1
Emphasis placed on production and post-production techniques in video production. Student knowledge and skills are increased by participating in live to tape projects. May be repeated twice for credit. This course is also listed as MCTV 17B. ADVISORY: Completion of Theatre Arts 17A.

THEA 19  Television and Film Acting
Units: 3.0  Hours: 2.0 Lecture 3.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Theory and practice of acting for film and television. Students will learn basic performance techniques for the camera. Learning experiences include projects in broadcasting, reporting, commercials, public service announcements (PSA), comedy and drama. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. This course is also listed as MCTV 19.

THEA 20  Introduction to Scriptwriting
Units: 3.0  Hours: 3.0 Lecture
Transferable: CSU; GAV-GE:C1
An introductory course on script development, writing and formatting for broadcast television and film production. This course has the option of a letter grade or pass/no pass. May be repeated three times for credit. ADVISORY: English 250

THEA 21  Mexican Dance and Folklore
Units: 1.0 TO 2.0  Hours: 0.0 TO 3.0 Laboratory
Transferable: CSU, UC; GAV-GE:C1
Selected regional dances of Mexico, taught for technical and cultural understanding. Emphasis is given to the origin, development and styling of the material. Students are afforded the opportunity of appearing in performances. May be repeated until a maximum of 8 units are accrued.

THEA 78  Dance Repertory
Units: .5 OR 1.0  Hours: 1.5 OR 3.0 Laboratory
Transferable: CSU
Study, rehearse and perform choreography provided by faculty, guest artists and/or student choreographers. Opportunities to perform at informal settings at the college and various locations in the Gavilan community. The class includes dance warm up and work on technical skills, improvisational study, creating choreographic studies for group and solo forms and rehearsal and performance of finished dances either for the class, college or community. May be repeated three times for credit. This course has the option of a letter grade or pass/no pass. Also listed as PE 78. ADVISORY: An ability to perform more complex patterns of movement with a strong level of dance technique; or Current enrollment in a dance class; or Permission of the instructor.
Students must be able to document a physical disability.

The course is for the non-matriculating student, is not graded and is without college credit. ADVISORY: An appreciation of physical activity as a regular planned contribution to one’s overall well-being. This course assists in the development and recognition, and increased enjoyment in reading for pleasure. Students will read stories written of survival vocabulary, structured practice in functional reading utilizing phonics and content assessment, and self-management skills.

**THEA 98** Special Topics  
Units: .5 TO 3.0  
Hours: .5 TO 3.0 Lecture  
Transferable: CSU  
Special topics courses examine current problems or issues of interest to students within a specific discipline area. For topical content information, consult with the appropriate department chairperson. For transfer status, check with a counselor. This course may have the option of a letter grade or pass/no pass.
Community Education

If your organization needs training, Contract Education can help. We can train your employees at your site or ours at a time that is convenient for you targeted to your business needs. From leadership to customer service or ESL to supervision, we have trainers that are experts in the field and can bring real-world experience to your organization.

In addition to our customized training, our Professional Development Institute (PDI) was established to meet the needs of the small business. Throughout the year, workshops are held in local cities in employee, management and leadership development. No more traveling to San Jose or San Francisco for training. Just give us a call to find out about our upcoming workshops in your area.

Call 408-852-2801 to find out how we can help you positively impact employee performance and improve the bottom line of your business.

Community Education is designed for the community. Short-term, not-for-credit classes for adults and children provide fun and enrichment in a number of areas.

For adults, we offer business and management training, arts and hobbies classes, programs to improve health and fitness, computer applications to enhance school and work skills, classes to help you make money and much more. Our College for Youth Program includes classes and camps in math, English, study skills, science, sports and more. If you or your children can’t get to campus, we have online classes to help you meet your personal or professional needs. You’ll find something for everyone here at Gavilan. Check out our website at http://gavilan.augusoft.net for our current classes.

Community Education classes are not supported by taxpayers. Fees are charged to cover program expenses.
**Gavilan College Educational Foundation (GCEF)**

This nonprofit organization exists to raise money and enhance community support for college programs, often generating private support for needs which cannot be met through the general fund. GCEF raises money for student scholarships, which are distributed each year at a Scholarship Awards Ceremony. In recent years, they have brought in sponsorships and raised money for athletics and the Puente program through Golf Tournaments, Casino Nights, an annual Dinner-Dance, and other events.

**Gilroy Early College Academy (GECA)**

The Gilroy Early College Academy (GECA) at Gavilan College is an innovative, highly supportive and academically challenging program designed to serve strongly motivated high school students with high potential for future academic and career success.

The Academy is an educational partnership between Gilroy Unified School District and Gavilan Community College District, and is one of the cutting-edge Early College High Schools that are being envisioned and funded all across the United States through the Bill and Melinda Gates Foundation.

Students who qualify will attend four years of high school on the Gavilan College campus and receive both their high school diploma and an Associate of Arts Degree or 60 transferrable units at the end of 4 years. Students may take up to 11 units per semester of college classes for which they receive both college and high school credit. Tuition and books are free.

Applicants are not required to be in a Gilroy Unified school or live in the Gilroy Unified District. For additional information, contact MaryAnn Boylan, Principal of The Gilroy Early College Academy at Gavilan College, by email at mboylan@gavilan.edu or by telephone at 408-846-4909.

**Noncredit Program**

Noncredit courses are offerings designed to meet the special needs and capabilities of those students who do not desire or need to obtain unit credit. These courses provide remedial, developmental, occupational and other general education opportunities. These courses and programs are further defined categorically under the Education Code, Section 84711, whereby state funding is authorized for ten specific categories.

All courses are free of charge. There are no tests, no quizzes and no letter grades. Registration will take place in the Admissions and Records Office or on site at the first class meeting. Students should contact the Noncredit Office directly with any questions or for further information at (408) 848-4859.

**Basic Skills Program**: Instruction in elementary and secondary basic skills and other courses such as remedial academic courses in reading, mathematics and language arts. Instruction serves adults with limited or no formal education, native and non-native speakers of English who wish to improve their basic skills; adults with difficulties in learning; unemployed or displaced workers who lack skills required for entry-level jobs or job training programs; persons referred by mandated programs and adults unable to read, write or compute.

**ESL Program**: Courses are designed to meet the needs of students whose first language is other than English. The mission of ESL programs for adults in California is to equip students with the language and cultural proficiencies required for the eventual fulfillment of personal, vocational, academic, and citizenship for participation in American Society.

**Health and Safety Program**: Instruction in health and safety are designed to both prolong life and add to the quality of living. Courses in this category emphasize the positive aspects of maintaining physical, mental and emotional well being.

**Home Economics Program**: This category of instruction offers courses that prepare individuals for entry and/or advanced training in home occupational areas. Courses may also be designed to help individuals and families meet the challenges of daily living and develop the resources for lifelong growth.

**Immigrant Program**: Courses are provided to persons eligible for educational services in citizenship, English as a Second Language (ESL), and work force preparation courses in the basic skills of speaking, listening, reading, writing, mathematics, decision making and problem solving skills, and other courses required for preparation to participate in job-specific training.

**Older Adults Program**: Older Adults Courses are designed for individuals that are 55 years and older. These are special interest courses for older adults in the community and are held at a variety of locations throughout the college district. These noncredit courses meet at convenient senior citizen centers and other easily accessible places. Students may register with the course instructor at any time during the semester, space permitting. Courses that meet in healthcare centers are designed for geriatric adults.

**Parenting Program**: Parenting courses include parent cooperative preschools, courses in child growth and development and parent-child relationships. Education in parenting and child rearing skills can have a significant positive effect on family life and can contribute to the development of healthy families and children.

**Short-Term Vocational Program**: Noncredit and adult education programs in vocational education consist of organized educational programs directly related to the preparation of individuals for paid or unpaid employment, additional preparation for a career, upgrading needed skills and retraining for new jobs and careers.

**All noncredit classes are open entry/exit and free of charge.**

**MATRICULATION SERVICES**

Matriculation is a process that enhances student access to California Community Colleges and promotes and sustains the efforts of students to be successful in their educational goals. Noncredit matriculation services include:

- Assessment (English, math skills or career interests)
- Orientation (for noncredit programs and procedures)
- Counseling (to assist students in identifying educational and career goals and developing an appropriate program of study)
ADMISSIONS POLICY
Anyone 18 years or older can enroll in a noncredit course. Students may enroll in most courses by attending the first class meeting, space permitting and throughout the semester because these courses are designed to be open entry-open exit. Course and program information is published in the Gavilan College Schedule, other publications and through the off-site locations. There are no fees for noncredit courses.

GRADING
Grades are not issued for any of the Older Adults, Home Economics, ESL or Parenting classes that are not vocational/occupational in nature and non high school diploma Transitional Studies.

COURSES
A noncredit course is designed to meet the special needs and capabilities of those student populations who do not desire or need to obtain unit credit. These courses provide remedial, developmental, occupational and other general education opportunities. Noncredit courses are offered in the following noncredit categories:

Basic Skills Courses

ENGLISH

ENGL 748 Development of Writing Skills
Units: .0 Hours: 1.0 Laboratory
Transferable: No
A series of workshops and directed learning activities allowing individuals to study specific writing strategies and points of grammar and punctuation use. Individuals develop a plan of study as suggested by instructor recommendation and diagnostic assessment.

ENGL 749 Writers’ Workshop
Units: .0 Hours: 1.5 Lecture
Transferable: No
Writers’ Workshop is an open enrollment class that allows community members and students from all disciplines to participate in a regularly scheduled, instructor-facilitated writing response group. Activities include focused response to participants’ writing, generative writing games and prompts and interaction with visiting writers and scholars.

ENGL 756 GED Preparation
Units: .0 Hours: 30.0 Laboratory
Transferable: No
This course is designed to prepare the student to pass the five General Education Development (GED) tests in Writing, Social Studies, Science, Language and Mathematics. English grammar and usage, reading comprehension, writing, vocabulary and computational skills are emphasized. The course is designed for students who are 18 years of age or older and elect to take the High School Equivalency Examination. This course may be repeated three times.

ENGL 758A CAHSEE Preparation A English-Language Arts
Units: .0 Hours: 3.0 Laboratory
Transferable: No
This course is designed to prepare non-high school graduates for the successful completion of the CAHSEE (California High School Exit Examination) English-Language Arts by providing them study skill and test taking strategies for answering multiple choice questions and tips on essay writing. This course will focus on word analysis, reading comprehension, literary response, writing strategies, writing conventions and writing applications.

LIBRARY

LIB 732 Introduction to Online Gavilan
Units: .0 Hours: 18.0 Laboratory
Transferable: No
Introduction to the online classes and student services at Gavilan College. This course will show students how to log into their online courses, find lectures, assignments and exams, take part in online class discussions, submit attachments, and view their grades. The course will also cover all the online student services available to the distant student, including counseling, library resources, records and grades, financial aid, tutoring and technical support.

MATHEMATICS

MATH 758B CAHSEE Preparation B Mathematics
Units: .0 Hours: 3.0 Laboratory
Transferable: No
This course is designed to prepare non-high school graduates for the successful completion of the CAHSEE (California High School Exit Examination) Mathematics Test by providing them with study skills and test taking strategies for answering multiple choice questions. The course will focus on basic arithmetic, statistics, data analysis, measurement, Geometry, Algebra, and mathematical reasoning.

ESL Courses

ENGLISH AS A SECOND LANGUAGE

ESL 704A ESL for the Workplace
Units: .0 Hours: 10.0 Laboratory
Transferable: No
This is part A of a content-based integrated skills course for ESL students who want to prepare for immediate entry into the job force. Students expand their language skills within the realm of the work world and specific vocational career of interest while also developing the soft skills needed in the workplace. This course is a combination of lecture, lab, and self-paced instruction. This course may be repeated three times.

ESL Literacy 1 and ESL Literacy 2
Pending Chancellor's Office approval Gavilan College will offer two ESL Pre-Literacy classes effective fall 2009. Check the Gavilan website at www.gavilan.edu.

LIB 742 Information Competency for Nutrition
Units: .0 Hours: 8.0 Lecture
Transferable: No
Online information competency modules that step through the process of finding and evaluating online health resources. These tutorials are paced with AH11 (Nutrition).

PHYSICAL EDUCATION
PE 701 Tai Chi for Wellness
Units: .0 Hours: 1.0 Laboratory
Transferable: No
This course will introduce the student to the thirty seven posture forms and movements of Tai Chi, an ancient Chinese practice that focuses on slow paced coordinated movements that improve balance, coordination, mobility and breathing. The students will also learn how to use this non-contact exercise program to reduce stress in their daily lives.

Home Economics Courses

ALLIED HEALTH
AH 793 Personal and Career Development
Units: .0 Hours: 42.0 Laboratory
Transferable: No
A wide variety of lectures on general themes offered to students throughout the academic year who want short-formatted content to augment their personal, academic and career development. General themes to be explored are: Communication, Interpersonal Skills, Pre- employment, Decision-Making, Financial Literacy, Career and Personal Development and Self-Management with Nutrition. This noncredit course is a combination of lecture, self-assessments, group activities and individual modules.

Immigrants Courses

ENGLISH AS A SECOND LANGUAGE
ESL 702A ESL Citizenship
Units: .0 Hours: 3.0 Lecture
Transferable: No
This course is designed for second language learners that want to prepare for the United States Citizenship test given by the Department of Immigration and Naturalization Services. The focus will be on communicative English skills and knowledge of American History and Government required for passing the test to become a citizen of the United States. Readings are at the high-beginning/low intermediate ESL level and will focus on American Government with the review of the Constitution, the study of the branches of government and state/local governments.

Older Adults Courses

ALLIED HEALTH
AH 740 Tai Chi for Arthritis and Other Related Illnesses
Units: .0 Hours: 1.0 Laboratory
Transferable: No
This course is designed for the maintenance of the physical and mental well-being of an older adult with arthritis and other related illnesses. Instruction will focus on the postures and movements of Tai Chi, a Chinese exercise regimen that has a slow paced movement that improves balance, coordination, breathing and builds strength and stamina. Activities are included that promote self-care and health awareness.

AH 741 Body Dynamics and Aging
Units: .0 Hours: 2.0 Lecture
Transferable: No
This course is designed for the 55+ adult student to provide awareness and knowledge of physical fitness, stress management and nutrition to personal health. Discussions will focus on nutrition, sleep disorders, depression, leisure/social activities and chronic conditions that effect the body as aging occurs.

For additional Noncredit ESL courses, see page 223.
Credit ESL classes are listed beginning on page 184.

Regional Occupational Programs (ROP)

Mission Statement - ROP training is offered to residents of Santa Clara and San Benito Counties by the Santa Clara County Office of Education. Some classes are offered at Gavilan College. In some of the classes, students may earn high school or college credit*, and upon completion they may be eligible for advanced placement at Gavilan College. ROP provides students with training to secure jobs, upgrade skills, or prepare for advanced career education. Students must be 16 years of age or older to participate. Classes are free for both high school students and adults.

Gavilan College Regional Occupational Program (ROP) provides career development and workforce preparation opportunities. ROP offers classes in diverse areas such as: accounting, business, CISCO Networking Academy, computer science, health careers, public safety, and public and human services. ROP courses focus on the training that students need to compete in today’s technical job market. The skills acquired help students attain employment, upgrade their skills, and/or pursue higher levels of education in their chosen occupation. Following completion of classes, students receive an ROP Certificate of Completion. ROP classes may have additional fees for textbooks and supplies.

*Gavilan College fees are charged for Gavilan College credit. For most current course listings, contact the ROP Specialist.

ROP Classes

Accounting

General Office Accounting
This course is designed to prepare students for entry-level office accounting positions. Emphasis is on practical accounting applications. For college credit, enroll in Gavilan’s ACCT 103.
Advisory: Eligible for Mathematics 205
Hours: 1.5 Lecture, 1.5 Laboratory

Computerized Accounting - QuickBooks
An introduction to computer-assisted accounting. Hands-on use of a microcomputer menu-driven accounting package to do general ledger, sales journal, cash receipts journal, cash payments journal, purchases journal, payroll, receivables, payables and related financial reports. For college credit, enroll in Gavilan’s ACCT/CSIS 120.
Advisory: CSIS 1 or CSIS 2 or the equivalent computer experience. ACCT 20 or ACCT 101 or ACCT 103 or ACCT 105 or the equivalent accounting experience.
Hours: 1 Lecture, 3 Laboratory

Payroll Accounting
An introduction to the calculating, journalizing, paying and reporting of employee earnings, employee withholding and employer payroll tax expenses. The course emphasizes procedures which conform to federal and state legal requirements. For college credit, enroll in Gavilan’s ACCT 105.
Advisory: Eligible for Mathematics 205, completion of Accounting 101.
Hours: 2 Lecture

ROP Computer Classes

Word Processing - MS Word
This introductory course for word processing with Windows is designed for business and non-business majors. Students will develop word processing skills to create a document, select and edit text, move and copy text, use the spelling, grammar and thesaurus features, format text and create headers and footnotes for a research paper. This course has the option of a letter grade or pass/no pass and may be repeated for credit when the software changes. For college credit, enroll in Gavilan’s CSIS 126.
Advisory: Eligible for English 260 and basic keyboarding skills.
Hours: 2 Lecture

Spreadsheet - MS Excel
Introduction to the computer spreadsheet software. A hands-on approach to learning terms, commands and applications of a spreadsheet program. This course will help prepare students for taking the Excel MOUS (Microsoft Office User Specialist) exams. This course has the option of a letter grade or pass/no pass and may be repeated for credit when the software changes. For college credit, enroll in Gavilan’s CSIS 121.
Advisory: CSIS 1 or CSIS 2 or equivalent computer experience.
Hours: 2 Lecture

ROP Computer Repair Technician

Operating Systems
This course will survey current computer operating systems such as Microsoft Windows 98, NT, 2000 and XP. Linux will also be covered. Topics include file system management, systems requirements, network systems integration, security, and regular maintenance procedures. For college credit, enroll in Gavilan’s CSIS 182.
Advisory: CSIS 1 or CSIS 2 or equivalent computer experience.
Hours: 3 Lecture, 3 Laboratory

PC Hardware
This course examines computing hardware, operating systems, and software applications from a technical side to enable students to select, install, maintain and optimize a computer system. This course will help prepare students to pursue the A+ Hardware Certification. For college credit, enroll in Gavilan’s CSIS 181.
Advisory: CSIS 124, CSIS 1 OR CSIS 2, or equivalent computer experience.
Hours: 3 Lecture, 3 Laboratory
ROP Clinical Medical Assisting

**Basic Clinical Medical Assisting**
Course provides a basic introduction to clinical medical assisting. Emphasizes principles, understanding of skills necessary to perform basic clinical medical assisting procedures safely and effectively. For college credit, enroll in Gavilan’s AH 170.
Prerequisites: Eligible for English 250, English 260 and Math 205
Hours: 4 Lecture, 6 Laboratory

**Advanced Clinical Medical Assisting**
Course provides instruction and clinical experience in advanced concepts of clinical medical assisting including specialty procedures and treatments. For college credit, enroll in Gavilan’s AH 171.
Prerequisites: AH 170 with a grade of C or better or equivalent. Equivalency determined by written and performance exams.
Hours: 4 Lecture, 6 Laboratory

ROP Home Health Aide

**Home Health Care**
Course is designed to prepare students to provide basic health care in the home. Includes interpretation of medical/social needs, personal care services, cleaning tasks, nutrition, and the scope of limitations of a home health aide. All students who achieve a grade of “C” or better will be eligible for a Home Health Aide certificate from the State of California. For college credit, enroll in Gavilan’s AH 182.
Prerequisite: California CNA certification or concurrent enrollment in AH 180 or equivalent. Equivalency determined by written and performance exams. Also, eligible for English 250 and English 260. Clearance from the Department of Health Services (Form HS283), fingerprint card, and health clearance required prior to clinical placement.
Hours: 1.5 Lecture, 1.5 Laboratory

ROP Medical Office Procedures

**Medical Billing - MediSoft**
This course in computerized billing procedures for a medical office uses MediSoft software. Students will learn the patient billing features of this software and complete a capstone simulation giving them hands-on realistic medical front office practice. For college credit, enroll in Gavilan’s BOT 181.
Advisory: Eligible for English 250. Some computer experience.
Hours: 1 Lecture, 3 Laboratory

**Medical Coding**
This course will introduce the student to the theory and procedure of coding for medical diagnoses, an increasingly essential and specialized healthcare communication system. The course is not a certification course. CPT coding is covered, with an overview of ICD-9 coding. For college credit, enroll in Gavilan’s BOT 183.
Advisory: BOT 180
Hours: 1 Lecture, 3 Laboratory

Medical Office Procedures

**ROP Medical Office Procedures**
This specialized course includes medical office procedures, patient record management, coding/billing for private/government health insurance programs, and professional ethics. For college credit, enroll in Gavilan’s BOT 182.
Prerequisites: BOT 180 and CSIS 126 with credit or a grade of C or better or experience using Microsoft Word.
Advisory: Eligible for English 250 and Mathematics 402.
Hours: 2 Lecture, 3 Laboratory

**ROP Nursing Assistant**

**Fundamentals of Nursing - Convalescent**
A course to provide a basic introduction to patient care in the convalescent setting. Emphasizes principles, understanding and skills necessary to perform basic nursing procedures safely and effectively. Includes introduction to health care, planning, safety, infection control, personal care, basic procedures, rehabilitation, nutrition and clients’ rights and needs. At the completion of this course students will qualify for state certification as a nursing assistant. For college credit, enroll in Gavilan’s AH 180.
Prerequisites: Eligible for English 250 and English 260. Clearance from the Department of Health Services (Form HS283), fingerprint card, and health clearance required prior to clinical placement.
Hours: 6 Lecture, 7 Laboratory

ROP Networking

**Applied Networking**
This course covers fundamental networking concepts and develops the skills and knowledge to set up and maintain small business/home networks. The course is not hardware or vendor specific. It helps students prepare for the “Network +” certification exam, an industry-wide, vendor-neutral certification program developed and sponsored by the Computing Technology Industry Association (CompTIA). For college credit, enroll in Gavilan’s CSIS 178.
Advisory: CSIS 124
Hours: 3 Lecture, 3 Laboratory
Ability to Benefit
In order to apply for federal financial aid, a student who has not graduated from high school or does not have a GED or the equivalent must take an “ability to benefit” assessment. The government believes that students who score at a certain level are probably more serious about college and, therefore, better choices for receiving financial aid.

Advisory
A strongly suggested recommendation for you to consider before registering for a particular class. The chances of success in a desired class are significantly better when you have mastered the skills in a preparatory class. See the course listings in this catalog for additional information.

Articulation
To help make the transfer process smoother, Gavilan College has an articulation agreement with many four-year colleges and universities which benefits students who are going to transfer. The four-year/receiving colleges have agreed in writing that a variety of Gavilan courses will fulfill many or all of the lower division requirements at the four-year school. The articulation officer, counselors and the Career Center staff have lists of participating institutions.

Assessment Evaluation
An evaluation of skill levels in math and English. (See Placement Assessment)
**Associate’s Degree**
The Associate of Arts (A.A.) degree or Associate of Science (A.S.) degree is a college degree awarded to a student when 60 units have been completed within a specific major program. These degrees can be in a career and technical area or in a transfer area. This is commonly referred to as a “two-year college degree” although it is common for a student to take more than two years to complete the program. The catalog lists about 60 A.A. and A.S. degrees available to Gavilan College students.

**Associated Student Body (ASB)**
The ASB is the official student organization on campus. It represents the student body and student issues to the board of trustees, administration, faculty, and staff. This representative group of students provides leadership opportunities to students through the weekly student senate, a leadership course (Poli Sci/Psychology 27), and through participation on campus committees. Through the fees collected on student body card sales, student representatives plan educational, cultural, political, and social events for the student body. For additional information, see the Student Activities section in this catalog.

**Bachelor’s Degree**
The Bachelor of Arts (B.A.) degree and the Bachelor of Science (B.S.) degree are awarded by four-year colleges and universities upon successful completion of an organized program of study. This is commonly referred to as a “four-year college degree” although it is common for students to take more than four years to earn it. Many students begin their college education at a community college and transfer to a four-year college for their junior and senior years.

**Certificate**
A certificate is awarded to a student who completes a planned course of study in a technical or occupational area. The certificate requires fewer units than an A.A. degree and verifies competence in a specialized area of study without the general education requirements. A student can complete a certificate program and then continue on for an A.A. or A.S. in some areas. There are approximately 50 certificates available at Gavilan College.

**Challenge**
A student can petition to enroll in a class where there are prerequisites and corequisites. A challenge is a college process where a student provides evidence that he/she has satisfactorily met the necessary prerequisite. The Admissions and Records Office has the required forms.

**Community College**
A community college provides a variety of educational opportunities to community members. Admission is open to all people 18 years or older. Students can select technical and vocational programs that provide or upgrade job skills (certificate programs); transfer programs that provide the general education or the first two years of a four-year education; and the Associate of Arts (A.A.) two-year degree programs. Others return to a community college for personal enrichment. Community colleges informally referred to as “junior colleges” when their scope was narrower.

**Corequisite**
A course which must be taken at the same time as another because the skills and the content in one are needed for success in the other.

**Counselors**
Faculty members who provide a variety of counseling services, including academic, personal and career counseling for new and continuing students. Students can schedule appointments at the kiosks outside the Counseling Office, Student Center 113, or call 408-848-4723.

**Course**
A prescribed series of classes; a number of classes in a particular field of study. Sometimes “course” in used interchangeably with “class.”

**Disruptive Behavior**
Willful disobedience, habitual profanity or vulgarity or the open and persistent defiance of the authority of, or persistent abuse of, college personnel.

**Educational Goal**
An educational outcome identified by the student. Examples: A.A. degree, certificate, general education for transfer, etc.

**Educational Plan**
A multi-semester academic plan, designed by a student with a counselor, which moves a student towards his/her educational goal in an efficient yet flexible manner.

**Exemption**
The right of a student to seek self-initiated exclusion from orientation or assessment testing services. This, however, does not allow a student to be exempt from prerequisites.

**General Education Requirements**
An educated person has been exposed to wide range of subjects and ideas in a lifetime. Within the educational system, general education classes provide a foundation for this exposure. Approximately 40 units of coursework in the areas of written and oral communication, math, physical and natural sciences, social science, arts, humanities, and personal development comprise general education requirements. All associate degrees require general education, in addition to the student’s major course of study. Certificate programs do not require general education, only the specific area of study.

**Lecture/Lab**
In the schedule of classes, the abbreviation L/L appears as part of the description of many classes. This means that there are required hours in a lecture or classroom setting and additional hours in a lab setting (computer, language, science, etc.)
**Lower Division**

The classes taken during the first and second years of college are referred to as “lower division” classes. Community colleges only offer lower division classes. When a student transfers to a four-year college, the third and fourth-year courses are referred to as “upper division.” In the Gavilan College catalog, lower division classes that transfer to a four-year college are numbered 1-99. (Always check with the transferring school for confirmation on the acceptance of particular classes at their four-year institution.)

**Major**

A group or series of courses in a specific area that is designed to provide an intensive education or study in that area. A major in a technical or career area prepares a student for employment after community college. A transfer major at the community college begins the specialized area of study that will continue at the four-year level. Transfer students are expected to declare a major in order to transfer, as they apply to both the four-year college and a particular department at that college as upper division students.

**Noncredit Course**

A noncredit course is designed to meet the special needs and capabilities of those student populations who do not desire or need to obtain unit credit. These courses provide remedial, developmental, occupational and other general education opportunities.

**Orientation**

An important part of the matriculation process which increases a students’ comfort and familiarity with the academic environment and programs. Orientation may be done in a group, one-to-one or through specific programs or delivery models (ie., online, video).

**Placement Assessment**

A standardized assessment (test) is given by the college to assist a student in selecting the most appropriate math and English courses. It is administered in group settings throughout the school year. It is one measure for placement.

**Prerequisite**

A course that must be completed in order for a student to advance to another course. The material and skill achieved in the previous course (with a “C” grade or equivalency) are the signs that a student is ready for the following course. The prerequisite must be validated through research to be used.

**President’s Council**

Community colleges are required by Assembly Bill 1725 to practice shared governance. Gavilan College has a college council made up of representatives from the students, faculty, staff and administration. This group recommends actions on policies and practices that affect students, faculty and staff to the president/superintendent.

**Semester**

Colleges divide the academic year into either semesters, quarters or sessions. Gavilan has two semesters: fall and spring, winter intersession and summer session. If a student has attended colleges which use different systems, the units are recalculated for consistency. To learn about semester to quarter conversions, refer to page 40.

**Senator (student)**

A student who has chosen to become a voting member of the student body government. The student represents student opinion in the senate, allocates money for campus events and services and participates on campus-wide committees as the student voice.

**Syllabus**

A course syllabus is an outline of expectations, major projects, test and assignment due dates, attendance policies, and other pertinent information established for an individual course by the instructor. Students should read and review their course syllabus for each course and keep it handy throughout the semester for quick reference. Course syllabi are available online at self-service Banner at http://www.gavilan.edu.

**Transcript**

The official record of a student’s academic coursework. If a student has attended any other colleges, a transcript must be requested from each college previously attended so that Gavilan College has the student’s complete academic history. Transcripts showing academic work at Gavilan are sent to four-year colleges at a student’s request. The first two transcripts are free of charge.

**Unit**

The measurement of college credit given for each course. In general, one unit of credit, or one unit, requires one hour of lecture per week for each week of the semester. For example, an English class that meets one hour, three times per week is awarded three units of credit. Courses with lab sections are calculated differently. The unit value for each course is listed in the college catalog and Schedule of Classes as part of the course description.

**Upper Division**

These are the courses that are part of the junior and senior years of college and are provided by the four-year institutions.

**Waiver**

A student may formally decide not to participate in Matriculation services by filing a “waiver.” Obtain the form from the Admissions and Records Office.
ESL

English as a Second Language

New students who want to take ESL classes at the Gilroy campus will register at the Admissions & Records Office for a placement assessment appointment when completing an application. Call 408-848-4737 or 408-848-4751 to make an appointment or come into Admissions & Records at the Gilroy main campus.

Students interested in taking ESL courses in Hollister should contact Judy Rodriguez at (831) 636-3783 or go to the Briggs Building in Hollister to schedule an assessment appointment.

WHO SHOULD TAKE THE ESL ASSESSMENT?
- Students who do not know any English.
- Students who know some English but have not received formal classes in the English language or who took ESL classes more than three years ago.
- Students who attended high school in this country for less than a year.
- Students who attended high school in this country for a few years but are unsure about their level of proficiency in English.

PLACEMENT ASSESSMENT AND ORIENTATION FOR ESL APPLICANTS
Students who want to enroll in ESL classes must:
- Complete a Gavilan College application at Admissions & Records or at the sites.
- Sign up for a testing appointment at Admissions & Records (Gilroy).
- Return for testing, which includes oral and written exams.

The interview information and the test results will be used to advise and place students into the ESL classes that best match their needs. Students will be ready to register for ESL classes at the end of this three-hour placement assessment appointment.

Orientation for new ESL students will be offered several times during the first two weeks of the semester and will be given in English and Spanish in the classroom setting. New students will be contacted for orientation by their ESL instructors.

ESL (INGLÉS COMO SEGUNDA LENGUA)
Los nuevos estudiantes que deseen tomar clases de Inglés como Segunda Lengua (ESL) en Gilroy deben inscribirse en la Oficina de Admisiones y Archivos para hacer una cita para tomar la evaluación apropiada después de llenar una solicitud. Llame al teléfono 408-848-4737 o 408-848-4751 para hacer una cita o venga a la Oficina de Admisiones y Archivos en Gilroy.

Aquéllos estudiantes que desean estudiar en Hollister, deberán hacer una cita para tomar el examen de colocación en la oficina en Hollister en el Briggs Building o llamar al 831-636-3783.

¿QUIÉN NECESITA TOMAR EL EXAMEN DE EVALUACIÓN DE ESL?
- Los estudiantes que no saben nada de inglés.
- Los estudiantes que saben un poco de inglés pero que no han tomado clases formalmente o que tomaron clases hace más de tres años.
- Los estudiantes que asistieron a la secundaria (high school) en este país por menos de un año.
- Los estudiantes que asistieron a la secundaria (high school) en este país por algunos años pero que no están seguros de su nivel de proficiencia en el inglés.

ASESORAMIENTO, COLOCACIÓN Y ORIENTACIÓN PARA ESTUDIANTES ESL
Los estudiantes que deseen inscribirse en clases de ESL (Inglés como Segundo Idioma) deben hacer lo siguiente:
- Completar una solicitud de admisión en la Oficina de Admisiones y Archivos.
- Obtener una cita para el examen de colocación en la Oficina de Admisiones y Archivos (Gilroy).
- Presentarse al examen de colocación de acuerdo con la cita obtenida para tomar el examen escrito y oral.

Los resultados del examen y la información de la entrevista serán usados para recomendar y colocar a los estudiantes en las clases de Inglés como Segunda Lengua (ESL) más apropiados. Los estudiantes estarán listos para inscribirse en las clases adecuadas al final de esta evaluación de tres horas. Los nuevos estudiantes en el Programa de Inglés como Segunda Lengua (ESL) recibirán una orientación sobre los servicios y regulaciones del Colegio Gavilan en sesiones ofrecidas durante las primeras dos semanas del semestre. Las orientaciones serán dadas en inglés y en español y los maestros se comunicarán con los nuevos estudiantes para asistirlos en seleccionar la sesión más apropiada.
¿QUIERE TOMAR CLASES DE INGLÉS?

¿Quién necesita tomar el examen de evaluación de ESL (Inglés como Segunda Lengua)?

- Los estudiantes que no saben nada de inglés.
- Los estudiantes que saben un poco de inglés pero que no han tomado clases formalmente o que tomaron clases hace más de tres años.
- Los estudiantes que asistieron a la secundaria (high school) en este país por menos de un año.
- Los estudiantes que asistieron a la secundaria (high school) en este país por algunos años pero que no están seguros de su nivel de proficiencia en el inglés.
- Para revisar los horarios de las sesiones CELSA, vea la columna opuesta.

Los nuevos estudiantes que deseen tomar clases de Inglés como Segunda Lengua (ESL) deben inscribirse en la Oficina de Admisiones y Archivos para hacer una cita y tomar la evaluación apropiada después de llenar una solicitud. Cuando los estudiantes se presenten en la oficina de Inglés como Segunda Lengua (ESL) de acuerdo con su cita, tomarán un examen escrito y sostendrán una entrevista oral. Los resultados del examen y la información de la entrevista serán usados para recomendar y colocar a los estudiantes en las clases de Inglés como Segunda Lengua (ESL) que mejor les convengan. Los estudiantes estarán listos para inscribirse en las clases adecuadas al final de esta evaluación de tres horas. Los nuevos estudiantes en el Programa de Inglés como Segunda Lengua (ESL) recibirán una orientación sobre los servicios y regulaciones del Colegio Gavilán en sesiones ofrecidas durante las primeras dos semanas del semestre. Las orientaciones serán dadas en inglés y en español y los maestros se comunicarán con los nuevos estudiantes para asistirlos en seleccionar la sesión más conveniente.

Políticas y Procedimientos

Formas Alternativas

El Catálogo y el Horario de Clases de Gavilán College está disponible en formato de medios alternos.

Por favor comuníquese con El Centro de Recursos para Discapacitados al teléfono (408) 848-4865 o a la Oficina del Vicepresidente de Servicios de Estudiante al teléfono (408) 848-4738.

Servicios Para Estudiantes Con Discapacidades

El Centro de Recursos para Discapacitados (DRC) ofrece una variedad de servicios y clases, en un esfuerzo por igualar las oportunidades de estos estudiantes mientras van en camino hacia sus metas educativas o vocacionales.

Los estudiantes que requieran acomodos académicos o físicos debido a su discapacidad visual, física y/o alguna otra discapacidad verificada, deberán comunicarse con el Departamento del Centro de Recursos para Discapacitados al (408) 848-4865.

Los servicios incluyen toma de notas, asesoría académica, de carreras o personal, servicios de referencias, evaluación de habilidades de aprendizaje, clases vocacionales, tutoría académica y educativa, ayuda con las inscripciones, servicios de movilidad, evaluación de aptitud vocacional, apoyo educativo con tecnología, interpretación con lenguaje de signos, entrenamiento de trabajo y colocación, servicios de ajuste y servicios de los medios de comunicación alternos.

Aviso de No Discriminación

El Distrito está comprometido a proveer igualdad de oportunidades en programas educativos, empleo, y acceso a programas y actividades de la institución.

Prohibición de Abuso y Ofensas por Discriminación

Referencia: Secciones 212.5; 66252; 66281.5 del Código Educativo

El Distrito está comprometido a proveer un ambiente de enseñanza y de trabajo que respete la dignidad de los individuos y grupos. El Distrito estará libre de ofensa y persecución sexual y todas las formas de intimidación sexual y abuso. También estará libre de otros abusos y ofensas por discriminación incluyendo aquellas ofensas basadas en cualquiera de los siguientes estados: raza, religión, ancestro, origen, impedimento, sexo (género), orientación sexual, o la percepción de que una persona tenga alguna de las características mencionadas.
De Acuerdo a la Ley de Americanos con Incapacidades (ADA)

Si usted tiene alguna incapacidad verificada y necesita materiales de estudio en un formato alterno o algún otro servicio, para ayuda comuníquese con el Centro de Recursos para Discapacitados (408-848-4865) o con el Vicepresidente de Servicios Estudiantiles.

Título VI, Título IX, y Norteamericanos con Impedimento/Sección 504/508

Para presentar una queja en cualquiera de las siguientes áreas, por favor comuníquese con el Oficial de Igualdad de Oportunidades, Joseph D. Keeler, Vicepresidente de Servicios Administrativos, HR 101 al teléfono (408) 848-4715 o con Shairon Zingsheim, Director de Recursos Humanos, HR103 al teléfono (408) 848-4753.

Las áreas son las siguientes:

• Quejas por violación de derechos civiles (Título VI)
• Quejas por violación de igualdad de género, discriminación sexual, o abuso (Título IX)
• Quejas por violación contra personas con impedimentos (ADA/Sección 504/508)

Derechos Educativos y Privacidad

Gavilan College está en cumplimiento de los Derechos Educativos Federales y Acto de 1974 (también llamado el Buckley Amendment) y las regulaciones del Título V de California (SB 182). Las siguientes reglas están en efecto:

1. Toda la documentación académica, documentación relacionada con problemas disciplinarios, y cualquiera otra documentación oficial es mantenida para todos los estudiantes que han solicitado admisión a Gavilan College.
2. La documentación oficial es mantenida por y localizada en la Oficina de Admisiones y Registros.
3. La documentación oficial será proveida únicamente cuando la solicitud o permiso sea hecho por escrito por parte del estudiante previo pago de cualquier cargo o costo a la institución, excepto en los casos provistos en ley.
4. La siguiente información puede ser proveida por Gavilan College sin consentimiento escrito por parte del estudiante:
   a. el nombre del estudiante
   b. las fechas de matriculación/asistencia a Gavilan College
   c. la fecha de graduación y título o certificado recibido

   La entrega de cualquier otra información requerirá consentimiento escrito del estudiante, excepto en los casos previstos en ley. Los estudiantes que no deseen que los puntos enumerados en a), b) y c) sean distribuidos, pueden notificar su deseo por escrito a la Oficina de Admisiones y Registros durante la primera semana de cada sesión de estudios.

5. Los estudiantes tienen derecho a revisar sus propios archivos y la documentación que esté en ellos. Cualquier objeción a éstos archivos debe ser presentada por escrito al Vicepresidente de Servicios al Estudiante. Las objeciones serán resueltas por dicho vicepresidente, y la resolución será inserta en el archivo del estudiante pero no entregada con el resto de la documentación. En caso de desacuerdo sobre éste punto, la Política de Quejas de la institución estará en efecto.

Copias de las regulaciones federales y estatales y del Proceso de Resolución de Problemas Estudiantiles son disponibles a través de la Oficina de Admisiones y Registros y pueden ser revisadas por los estudiantes haciendo una cita con el Vicepresidente de Instrucción y Servicios Estudiantiles o el Director de Admisiones y Registros. El Proceso de Resolución de Problemas Estudiantiles también está disponible en éste catálogo, en línea, y en el Manual Estudiantil.

Política para Niños Visitantes en el Campo Colegio

El Colegio Gavilan les da la bienvenida a los niños a nuestro campus, cuando se encuentren inscritos en algún curso o estén acompañados por uno de los padres, un tutor o un adulto a su cargo y bajo supervisión apropiada. Nuestras instalaciones están abiertas al público, cuya situación puede presentar un riesgo para los niños. Es la meta del Colegio mantener un ambiente de bienvenida y seguro, tanto para los niños como para los adultos.

Tenemos la siguiente guía en existencia:

• Un niño quien todavía no se encuentre en la preparatoria deberá estar bajo la supervisión de un adulto quien a su vez asuma su responsabilidad, a menos que el niño se encuentre oficialmente inscrito o participando en un curso o programa en Gavilan.
• A excepción de las situaciones en las que los jóvenes se encuentren oficialmente inscritos o participando, los padres, tutores y adultos a su cargo serán los responsables de mantener a los niños a su lado en todo momento y deberán vigilar todas las actividades y conducta de sus niños mientras se encuentren dentro del campus.
• Cualquier niño que se encuentre sin atención, será reportado a la Oficina de Seguridad de Gavilan y/o a la Oficina del Sheriff.
• Los estudiantes adultos y los empleados deberán planear por el cuidado de sus niños puesto que no se intenta que estos sean parte del ambiente de aprendizaje del salón de clases o lugar de trabajo en el Colegio Gavilan.

Habilidad en inglés para la Estudios Vocacionales

Habilidad limitada en Inglés no será obstáculo para ser admitido y participante en programas educativos vocacionales.
**INFORMACIÓN EN ESPAÑOL**

---

**Estacionamiento Estudiantil**

Hay dos tipos de permisos de estacionamiento - diario y por semestre.

Se pueden comprar permisos diarios de estacionamiento en las máquinas ubicadas en los solares de estacionamiento “A” y el estanque al sur.

Los estudiantes deberán estacionarse solamente en áreas designadas. Las reglas de tráfico se pueden conseguir en el Departamento de Seguridad de Gavilan “College”. Las reglas de estacionamiento son impuestas estrictamente. El “College” cobra una cuota para un Permiso de Estacionamiento semestral.

El Colegio también reserva el derecho de cambiar la cobra y las reglaciones sobre estacionamiento.

---

**Política de Anuncios en el Campus**

Referencia: AP 5550

A los estudiantes se les proporcionarán pizarrones para que lo utilicen para sus anuncios y se encontrarán en ubicaciones convenientes. Todos los materiales exhibidos deberán indicar claramente el autor o la agencia responsable de su producción y la Oficina del Vicepresidente de Servicios estudiantiles, el asesor ASB o la persona designada, deberán poner la fecha del día en que fue colocado. Los anuncios deberán ser removidos después de haber pasado diez (10) días.

---

**Honestidad Académica**

La honestidad académica depende de la integridad de los estudiantes y de la facultad. El Colegio por si mismo es defraudado si su facultad y/o sus estudiantes a sabiendas o inconcientemente permiten que actos deshonestos sean premiados acádemicamente. Es la responsabilidad de la facultad el hacer todo esfuerzo razonable para promover una conducta académica que sea honesta.

Si un miembro de la facultad considera que hay suficiente evidencia de que un estudiante está siendo acádicamente deshonesto es la responsabilidad del miembro de la facultad el tomar la acción apropiada según lo que indiquen estos procedimientos.

Los estudiantes de Gavilan College tienen el derecho de saber a lo que constituye el ser deshonestos acádicamente en el colegio y en cada clase que están inscritos.

- Los miembros de la facultad deberán informar a sus alumnos sobre el estándar de ética requerido en sus clases y de los procedimientos permitidos en el salón durante horas de clases y pruebas.
- Una declaración escrita relacionada a esta póliza y su relación con cada clase será incluida en el resumen de la clase (hoja verde)* y/o en la prueba individual.
- Se informará a los estudiantes sobre las consecuencias de violar estos estándares y de su derecho a apelar, así como de los procedimientos que deben seguirse durante la apelación.

---

**PROCEDIMIENTOS PARA HONESTIDAD ACADEMICA**

Referencia: BP 5500

El propósito de estos procedimientos es ampliar, clarificar y fijar niveles claros de autoridad y de protocolos de disciplina en respuesta a violaciones en contra del Estándar de Conducta Estudiantil, específicamente de su relación con la deshonestidad académica. Estos procedimientos garantizan que el estudiante o estudiantes hagan valer sus derechos legales que les concede las protecciones de la constitución estatal y federal. Estos procedimientos se utilizarán de forma justa y equitativa y no para propósitos de represalia.

Definición de Deshonestidad Académica: El acto de deliberadamente exhibir una serie de comportamientos inaceptables que atentan contra los estándares de ética y de becas. Los ejemplos incluyen, pero no se limitan a:

- El permitir deliberadamente que un estudiante copie de otro durante una prueba.
- El dar tareas, ensayos de fin de semestre, o cualquier otro trabajo acádemic o a otro estudiante para que lo plagiar.
- El someter el trabajo de otra persona a nombre de otra persona.
- Mentir a un instructor o empleado de la Universidad para mejorar una calificación.
- Alterar un trabajo que ya ha sido regresado, y después volverlo a entregar con una calificación para ser archivado, (sin el consentimiento del instructor).
- Remover prueba (s) del salón de clases o de cualquier otro lugar sin el consentimiento del instructor.
- Robarse pruebas o llaves de acceso a las pruebas.
- Falsificar firmas en los formularios de salirse/agregar clases o en otros documentos del colegio.

Definición de hacer trampa: El acto de obtener o intentar obtener crédito para trabajos académicos a través de medios deshonestos, engañosos, o fraudulentos. Los ejemplos incluyen, pero no se limitan a:

- Copiar en parte o completamente, la prueba de otra persona, o cualquier instrumento de evaluación o el obtener respuestas de otra persona para estos fines sin el consentimiento del instructor.
- Someter trabajos previamente entregados en otra clase, si así lo indican los reglamentos por escrito de esa clase.
- Utilizar o consultar, durante una prueba, con fuentes o materiales que no haya previamente autorizado el instructor.
- Intencionalmente alterar, cambiar, mal usar documentos o archivos. Deliberadamente otorgar información falsa o de forma habitual interferir en los procedimientos de calificaciones o en la instrucción de la clase.
- Cualquier otro acto cometido por el estudiante (s) durante su trabajo académico, que defraude o mal represente, incluyendo ayudar o encubrir cualesquiera de las acciones descritas arriba.
Definición de Plagio: El acto de incorporar ideas, palabras, oraciones, párrafos, o partes de éstos, que pertenezcan a otros trabajos sin dar crédito apropiado al autor, y presentar el trabajo como propio. Ejemplos incluyen, pero no están limitados a:

- Representar el trabajo artístico/académico tal como composiciones musicales, escrituras, programas de cómputo, pinturas, dibujos, escrituras, o trabajos similares como propios.

PROCEDIMIENTOS PARA EL REPORTE

Cuando un miembro de la facultad de Gavilan, responsable de la clase, tiene razón para creer, y cuenta con evidencia para sustanciar, que el comportamiento de un estudiante o estudiantes caen en una o en dos de las definiciones descritas arriba, es la responsabilidad del instructor el tomar las siguientes acciones:

1. Hacer una cita para una conferencia en la oficina con el estudiante y durante esa reunión informar al estudiante de las acusaciones y asegurarse que él o ella estén conscientes de la evidencia que sustenta la acusación, y de las consecuencias probables. Cualquier confrontación que se pudiera dar en la clase debe ser lo más discreta posible. Si como resultado de la reunión, el instructor considera que la respuesta por parte del estudiante es insuficiente para contrarrestar los cargos de deshonestidad académica a un nivel que el estudiante pudiera ser disculpado, el instructor le informará al estudiante de las sanciones que recomendará o que serán asesoradas según lo dicta esta póliza.

2. A la discreción del instructor, un reporte escrito de dicha infracción y de la sanción tomada puede ser sometido al Vicepresidente de Instrucción con una copia al decano del departamento apropiado.

3. Cuando un estudiante, que ha sido informado de una conferencia pendiente para hablar sobre la supuesta deshonestidad, falla y no asiste a la reunión, o cuando una aparente deshonestidad es detectada al final del semestre y el instructor hace un intento de buena fe para contactar al estudiante pero no lo logra, el instructor puede imponer sin haber tenido la conferencia, las sanciones recomendadas y archivar un reporte escrito al decano del área en cuestión y al Vicepresidente de Instrucción. En cualquiera de los casos, el derecho de apelación del estudiante permanece vigente.

SANCIONES

Debe de haber dos tipos de clasificaciones principales para las sanciones que puedan ser impuestas por Violaciones a la Honestidad Académica: Académica y Administrativas. La imposición de un tipo de sanción (Académica o Administrativa) no impide la imposición de la otra.

- Sanciones Académicas serán definidas como todas aquellas acciones relacionadas con los trabajos de clases y calificaciones. La facultad es responsable de los tipos de sanciones académicas que se apliquen a los estudiantes involucrados en incidentes relacionados con hacer trampa o de plagio. usualmente, se utilizará una “modificación de calificación”.

- Sanciones Administrativas son aquellas que tienen que ver con el estado del estudiante en el colegio, y éstas son aplicadas por el Vicepresidente de Instrucción.

Discreción de la Facultad: Los casos que tengan que ver con una actitud irresponsable o el uso descuidado de trabajos de autoría, pero que no caen dentro de la definición de hacer trampa/plagio como se define en esta póliza, pueden ser manejados a la discreción del miembro de la facultad afectado.

Sanciones Académicas: Antes de que se pueda aplicar una sanción, el miembro de la facultad debió de haber verificado el hecho (s) de la deshonestidad académica ya sea a través de la observación y/o con documentación. En todos los casos, la violación se debe de reportar al decano del área en cuestión. Un estudiante está sujeto a ser:

1. Fustigado verbalmente. Un estudiante puede ser recomendado para recibir una consejería, pero no puede ser obligado a participar en una consejería.

2. Reprobado en su evaluación de la clase (ensayo o prueba).

3. Que su calificación sea reducida, incluyendo probablemente el ser reprobado de la clase.

4. Recomendar una sanción administrativa. Un miembro de la facultad puede seleccionar el recomendar a un estudiante al Vicepresidente de Instrucción para que se le aplique una acción disciplinaria como la sanción académica única o como una adición a la acción que el miembro de la facultad ya ha tomado.

Sanciones Administrativas: Tal como lo estipula el Código Administrativo de California, Sanción 41301, el hacer trampa o el plagiar en un programa académico en el colegio puede llevar a la expulsión, suspensión, libertad condicional o una sanción menor. Acciones administrativas relacionadas con la deshonestidad académica en Gavilan son la responsabilidad del Vicepresidente de Instrucción según lo estipulan los Estándares de Conducta Estudiantil (Procedimientos de Disciplina Estudiantil, AP5520). El Vicepresidente de Instrucción notificará al miembro de la facultad una vez que se haya tomado la acción.
El Vicepresidente de Instrucción responderá a:
1. recomendaciones giradas por los decanos
2. violaciones claras de los estándares académicos; y
3. violaciones repetidas que sean reportadas a él o ella por la facultad o a través de reportes escritos que han sido archivados con anterioridad con el Vicepresidente de Instrucción y Servicios Estudiantiles.

PROTECCION DE LOS DERECHOS

No hay nada en estos procedimientos que pretenda negar a los estudiantes que se encuentren en esta situación su derecho legal de defenderse. Los estudiantes tienen el derecho de ser informados de los cargos, la naturaleza de la evidencia que sustenta los cargos, y de tener una reunión con el miembro de la facultad, Vicepresidente de Instrucción, o con cualquier otra persona con autoridad. Los estudiantes tienen el derecho de apelar cualquier decisión que resulte de dicha reunión.

1. Las sanciones académicas pueden ser apeladas a través del Vicepresidente de Instrucción y de acuerdo al Proceso de Resolución para Problemas con Estudiantes.
2. Cuando una suspensión disciplinaria o expulsión se recomienda como una sanción administrativa, el estudiante tiene el derecho a una audiencia formal tal y como lo indica el Código de Conducta Estudiantil (Procedimientos de Disciplina Estudiantil, AP5520) (Código de Educación 66017).

Las sanciones administrativas que resulten de una suspensión disciplinaria o de una expulsión pueden ser apeladas a través del Procedimiento de Disciplina Estudiantil.

**Estandares De Conducta Estudiantil**

Gavilan College está comprometido a promover un ambiente social y de aprendizaje que sea armonioso y que esté caracterizado del respeto mutuo para todos los estudiantes, personal y miembros de la comunidad. Un estudiante que se inscriba en Gavilan College asume la obligación de actuar de una manera que sea compatible con la función del colegio como una institución educativa. Los estudiantes y las visitas deben de comportarse y obedecer todas las leyes federales relacionadas con el comportamiento en un colegio, o en eventos patrocinados por un colegio.

Los siguientes estándares de conducta representan un comportamiento inapropiado de los estudiantes y cualquier violación puede constituir una causa para una acción disciplinaria, incluyendo pero no limitadas a la remoción, suspensión o expulsión de un estudiante.

1. Causar, intentar causar, o amenazar con causar un daño físico a otra persona.
2. Posesión, venta, facilitar un arma de fuego, cuchillo, explosivo o cualquier otro objeto peligroso, incluyendo pero no limitado a, cualquier arma de fuego que no sea verdadera, cuchillo o explosivo, al menos que en cualquier caso de posesión de estos objetos, el estudiante haya con anterioridad obtenido permiso por escrito para poseer estos objetos por parte de un empleado del distrito, que a su vez haya sido autorizado por el Superintendente/Presidente del Colegio.
3. La manufactura, posesión, uso, venta, oferta de venta, o facilitar, estar bajo la influencia de cualquier sustancia controlada que esté en la lista del capítulo 2 (comenzando con la Sección 11053) de la División 10 del Código de Salud y Seguridad de California, una bebida alcohólica, cualquier intoxicante, o posesión ilegal de, o ofrecer, arreglar, o negociar la venta de cualquier instrumento para el uso de estupefacientes, tal y como lo define la Sección 11014.5 del Código de Salud y Seguridad de California.
4. Cometer o intentar cometer un robo o extorsión.
5. Causar o intentar causar un daño a la propiedad del distrito o a una propiedad privada que se encuentre en el colegio.
6. Robar o intentar robar propiedad del distrito o una propiedad privada que se encuentre en el colegio, o deliberadamente recibir propiedad privada robada del distrito o propiedad privada que se encuentra en el colegio.
7. Deliberadamente y persistentemente fumar en áreas en donde se prohíbe fumar por ley, o por reglamentos del colegio o del Distrito.
8. Cometer hostigamiento sexual como lo define la ley, o las pólizas y procedimientos del Distrito.
9. Participar en comportamientos de hostigamiento o discriminatorios basados en la raza, sexo (género) religión, edad, origen de nacionalidad, incapacidad, o cualquier otra categoría protegida por la ley.
10. Conducta deliberada que resulte en daños o en la muerte de un estudiante o del personal del colegio, o que resulte en cortar, desfigurar, o cualquier otro daño a propiedad real o personal que pertenezca al Distrito o que se encuentre en el colegio.
11. Comportamiento de Interrupción, desobediencia deliberada, profanidad habitual o vulgaridad, desafiar persistentemente y abiertamente a la autoridad, o el abuso persistente del personal del colegio.
12. Hacer trampa, plagiar (incluyendo el plagio de una publicación estudiantil), o participar en otros actos de desonestidad académica.
13. Deshonestidad; falsificación; alteración o el mal uso de documentos del colegio, archivos o identificaciones; o deliberadamente otorgar información falsa al Distrito.
14. Entrada sin autorización, o uso no autorizado de las instalaciones del colegio.
15. Conducta Lasciva, indecentes u obscena dentro de la propiedad del Distrito o que controle el distrito, y en eventos patrocinados o supervisados por el Distrito.
16. Hacer expresiones que sean obscenas; difamatorias; o que inciten a los estudiantes a crear un peligro real y verdadero al cometer algún acto ilegal en la propiedad del colegio, o violar los procedimientos administrativos del Distrito, o interrumpir de forma sustancial las operaciones ordenadas del Distrito.
17. Mala conducta persistente y preocupante en la cual otros medios disciplinarios para corregirla han fallado.

Los estudiantes que adopten los comportamientos descritos arriba estarán sujetos a los Procedimientos para la Disciplina Estudiantil. (Procedimientos Administrativos 5520, Sección del Código de Educación 66300, 72122, 76030.)
Procedimientos Para La Disciplina Estudiantil

El propósito de estos procedimientos es ofrecer los medios rápidos y apropiados para tratar con violaciones al Estándar de Conducta Estudiantil (BP5500). El procedimiento garantiza que el estudiante o estudiantes hagan valer sus derechos legales para defenderse que les otorga las protecciones constitucionales estatales y federales. Estos procedimientos serán utilizados de una forma equitativa y justa, pero no se aplican para reemplazar los procedimientos civiles o criminales que pudieran ser iniciados por otras agencias.

Violaciones en contra del Estándar de Conducta Estudiantil (BP 5500) son sujetos a acciones disciplinarias y procedimientos que tome el distrito. En todas las acciones disciplinarias, el estudiante será notificado de la naturaleza de los cargos en contra de él o de ella, para que él o ella puedan tener la oportunidad de defenderse, y para que la institución no sea arbitraria en la ejecución de la acción.

ACCIONES DISCIPLINARIAS Y PROCEDIMIENTOS

El tipo de sanción que se aplique por haber violado el Estándar de Conducta deberá ser determinada por los representantes apropiados del colegio o por un comité. Las penalidades están enumeradas dependiendo del grado de severidad, y no por orden administrativo. Estas son:

1. Amonestación: Una amonestación verbal en contra del estudiante que ha violado las leyes del colegio.
2. Aviso: Una notificación entregada al estudiante, ya sea por escrito o verbal, en la que se le indica que de continuar con la conducta indebida podría ser causa para una acción disciplinaria. Los avisos escritos se pueden considerar en los casos de futuras violaciones.
3. Reprimenda: Declaración escrita que especifica la violación de una reglación específica, incluyendo la posibilidad de acciones disciplinarias más severas. Las reprimendas pueden considerarse en los casos de futuras violaciones.
4. Acción Disciplinaria: La exclusión de participar en ciertos privilegios o actividades recreacionales tal y como se indique en la notificación de la acción disciplinaria.
5. Restitución: Reembolso por parte del estudiante por el mal uso de propiedad. El reembolso puede ser en servicio especificado para reparar o para compensar por daños.
6. Remoción de la Clase: [Sección del Código de Educación 76032] Un instructor puede retirar de la clase a su estudiante en los casos que él o ella haya interrumpido el proceso de instrucción. El término de la remoción será por el día de la clase en cuestión y para la siguiente clase.
   a. El instructor debe de completar la forma de Remoción del Estudiante de la Clase y someterla al decano de su departamento.
   b. El decano/a debe de hacer una cita para una reunión entre el estudiante y el instructor para hablar sobre la remoción. Ante la petición del instructor o del estudiante, el decano puede asistir a la conferencia.
7. Suspensión Corta: Una suspensión corta tiene el propósito de dar tiempo para investigar. A través de este medio, el colegio podrá librarse de tensiones debido a la mala conducta de la persona, el retiro de una amenaza en contra del bienestar de los estudiantes, o remoción de un estudiante o estudiantes cuya presencia previene la continuación de una conducta normal dentro del colegio. Una suspensión corta está limitada a un periodo de tiempo necesario para realizar la investigación. La suspensión corta no debe de exceder los diez (10) días escolares.
8. Suspensión Disciplinaria: Exclusión de las clases y de otros privilegios o actividades indicadas en la notificación de suspensión por tiempo definido. Las condiciones para ser readmitido serán descritas en la notificación de suspensión.
   a. Una suspensión de corto tiempo de una o más clases es por un periodo de diez (10) días de escuela consecutivos.
   b. Una suspensión de largo tiempo es una exclusión de una o más clases por lo que resta del semestre o de las clases y actividades del colegio por uno o más semestres.
9. Expulsión: La terminación del estado de un estudiante por tiempo indefinido. Las condiciones para ser readmitido, deben ser indicadas en la orden de expulsión.
MEDIDAS ADMINISTRATIVAS DE CORRECCION PARA LA MALA CONDUCTA

1. Suspensión Inmediata Interina [Sección del Código de Educación 66017]: El Presidente del Colegio o persona designada puede ordenar la suspensión inmediata de un estudiante cuando él o ella concluye que se requiere de una suspensión inmediata para proteger la vida de otras personas, o de propiedad y para asegurarse que se mantenga el orden. En los casos que se ha ordenado una suspensión inmediata, los límites de tiempo descritos en estos procedimientos no se aplican. El derecho a una Audiencia de Apelación Disciplinaria (cuando se recomienda una suspensión o expulsión de largo tiempo) se le otorgará al estudiante dentro de un término de diez (10) días escolares.

2. Renuncia del Consentimiento de Permanecer en el Colegio. El Vicepresidente de Servicios Estudiantiles o su designado, pueden notificar a cualquier persona de la cual se cree que hay una creencia razonable de que está interrumpiendo deliberadamente las operaciones ordenadas en el colegio, que el consentimiento para permanecer en el colegio se le ha sido retirado. Si la persona se encuentra en el colegio en ese momento, él o ella debe abandonarlo rápidamente o ser escoltado fuera del colegio. Si el consentimiento fue retirado por el Vicepresidente de Servicios Estudiantiles, se debe de elaborar un reporte escrito dirigido al Presidente del Colegio. La persona que le fue retirado el consentimiento puede someter una petición escrita para una Audiencia de Apelación Disciplinaria dentro de un término de diez (10) días escolares a partir de la fecha en que se le retiró el consentimiento.

La audiencia será conducida de acuerdo a las provisiones de estos procedimientos relacionadas con la Inmediata Suspensión Interina. En ningún caso, el consentimiento para permanecer en el colegio puede ser negado por más de veinte (20) días escolares a partir de la fecha en que el permiso fue negado originalmente. Cualquier persona que se le haya negado el consentimiento para estar en el colegio y que deliberadamente vuelva a ingresar al colegio durante el periodo de tiempo en el cual el consentimiento fue retirado, excepto para asistir a una reunión o audiencia, está sujeto a ser arrestado [Sección del Código Penal 626.4]

PROCEDIMIENTOS PARA LA AUDIENCIA DE APELACION DISCIPLINARIA

1. Petición de la Audiencia. Dentro de cinco (5) días escolares a partir de la fecha en que recibió la decisión relacionada con la suspensión o expulsión por largo tiempo, el estudiante puede solicitar una audiencia formal. La petición por escrito tiene que ser dirigida al Presidente del Colegio o su designado. Las apelaciones solamente se llevan a cabo en los casos de suspensión o expulsión por largo tiempo.

2. Fecha de la Audiencia. La audiencia formal debe llevarse a cabo dentro de cinco (5) días escolares a partir de la fecha en la que se recibió la petición para la audiencia.

3. Selección de los Miembros del Panel de la Audiencia. El Presidente del Colegio, el Presidente del Senado Académico, y el Presidente de la Junta Estudiantil ASB, deben cada uno al principio de cada año académico, establecer una lista de por lo menos cinco (5) personas que puedan participar en el panel de audiencias de disciplina estudiantil. El Presidente del Colegio debe nombrar a los miembros del panel de la audiencia de la lista de nombres proporcionados. Sin embargo, ningún administrador, miembro de la facultad, o estudiante que tenga un interés personal en el asunto en cuestión a decidirse, quien podría ser un testigo necesario, o que bien no pudiera actuar de manera neutral puede participar en el panel de la audiencia.

4. Composición del Panel de la Audiencia. El panel de la audiencia para cualquier acción disciplinaria debe de estar compuesto de un administrador, un miembro de la facultad, y un estudiante.

5. Presidente del Panel de la Audiencia. El Presidente del Colegio debe nombrar a un miembro del panel para que funja como presidente del mismo. La decisión del presidente del panel en todos los asuntos relacionados con la conducta en cuestión será la decisión final, al menos de que haya una votación por los otros dos miembros del panel que indique lo contrario.

6. Proceso de la Audiencia. Los miembros del panel de la audiencia deben recibir antes de que inicie la audiencia una copia de la acusación en contra del estudiante y cualquier respuesta escrita que haya entregado el estudiante. Un representante del colegio, que debe ser el Vicepresidente de Servicios Estudiantiles, debe de presentar los hechos que apoyan la acusación.

a. El Vicepresidente de Instrucción y Servicios Estudiantiles pueden llamar a testigos e introducir testimonio oral y escrito que sea relevante al asunto en cuestión.

b. No aplican las reglas formales de evidencia. Cualquier evidencia que sea relevante al caso debe ser permitida. Al menos que el panel de la audiencia determine lo contrario, el representante del colegio y el estudiante deben ser permitidos a presentar sus argumentos de apertura. El Vicepresidente de Servicios Estudiantiles deberá hacer la primera presentación, seguido del estudiante. El Vicepresidente de Instrucción y Servicios Estudiantiles puede presentar evidencia contraria una vez que el estudiante haya terminado de presentar su evidencia. La responsabilidad recae en el representante del colegio al tener que comprobar con evidencia sustancial que los hechos argumentados son verdaderos.

7. Representación. El estudiante puede representarse a él o a ella, o también tiene el derecho de ser representado por una persona de su elección. El estudiante no puede ser representando por un abogado, al menos que en la opinión del panel de la audiencia, el caso incluya temas legales complejos. Si el estudiante opta por ser representando por un abogado, debe hacer una petición por escrito no menos de cinco (5) días escolares antes de la fecha de la audiencia. Si se le permite al estudiante ser representando por un abogado, el representante del colegio puede también solicitar asistencia legal. El panel de la audiencia también puede solicitar asistencia legal; cualquier asesor legal que sea proporcionado para el panel, puede sentarse con ellos, con el fin de servir como asesor y ofrecer consejos legales, pero no debe de ser miembro del panel, ni tampoco votar dentro de éste.
8. Confidencialidad. Las audiencias deben ser cerradas y confidenciales, al menos que el estudiante solicite que sean abiertas al público. Cualquier petición de este tipo debe ser sometida no menos de cinco (5) días escolares antes de la fecha de la audiencia.
   a. En una audiencia cerrada, los testigos no deben de estar presentes durante la audiencia mientras no estén testificando, al menos que ambas partes y el panel acuerden lo contrario.
   b. La audiencia debe ser grabada por el Distrito, ya sea en grabación de audio, o por estenógrafo, y debe ser el único tipo de grabación. Ningún testigo que se rehúse a ser grabado, debe ser permitido a dar su testimonio. En caso de que la audiencia sea grabada en audio, el presidente del panel debe, al principio de la audiencia, pedirles a las personas presentes que se identifiquen con su nombre, y después hacer lo mismo con los testigos. Las grabaciones en audio deben de permanecer bajo custodia del Distrito en todo momento, al menos que sean entregadas a una compañía de servicios de transcripción profesional. El estudiante puede solicitar una copia de la grabación.
   c. Todo testimonio debe ser tomado bajo juramento; el juramento debe ser administrado por el presidente del panel de la audiencia. Las declaraciones por escrito de testigos bajo juramento de perjurio no deben de ser utilizadas al menos que al testigo no le sea posible testificar. Un testigo que se rehúsa a ser grabado, no es una persona que no esté disponible.

9. Decisión. Dentro de un lapso de diez (10) días escolares después de que haya concluido la audiencia, el panel de la audiencia debe preparar y enviar al Presidente del Colegio una decisión por escrito. La decisión debe incluir hechos verídicos que fueron encontrados en relación a la acusación, y debe incluir conclusiones específicas sobre las secciones del Estándar de Conducta Estudiantil que fueron violadas. La decisión también debe incluir las recomendaciones específicas relacionadas con la acción disciplinaria impuesta, de ordenarse una. La decisión debe permanecer sólo para el expediente de dicha audiencia y no utilizarse para ningún otro asunto fuera de ese archivo. El expediente consiste de la acusación original, la respuesta por escrito, de existir, del estudiante, y la evidencia oral y escrita que fue producida durante la audiencia.

PROCESO DE APELACION DESPUÉS DE LA DECISIÓN DEL PANEL DE LA AUDIENCIA
Suspensión por largo-tiempo. Dentro de un período de diez (10) días escolares después de la fecha en que se recibió la decisión recomendada por el panel de la audiencia, el Presidente del Colegio debe emitir una decisión final por escrito. El Presidente del Colegio puede aceptar, modificar o rechazar los resultados, decisiones y recomendaciones del panel de la audiencia. Si el Presidente del Colegio modifica o rechaza la decisión del panel de la audiencia, el Presidente del Colegio debe revisar el expediente de la audiencia, y debe preparar una nueva decisión por escrito, que contenga resultados específicos y conclusiones. La decisión del Presidente del Colegio será final y absoluta.

Expulsión. Dentro de un período de diez (10) días escolares después de la fecha en que se recibió la decisión recomendada por el panel de la audiencia, el Presidente del Colegio debe presentar a la Junta de Fideicomisarios del Colegio su decisión por escrito. El Presidente del Colegio puede aceptar, modificar, o rechazar los resultados, decisiones y recomendaciones del panel de la audiencia. Si el Presidente del Colegio modifica o rechaza la decisión del panel de la audiencia, él o ella deben revisar el expediente de la audiencia, y debe preparar una nueva decisión por escrito, que contenga los resultados verídicos y conclusiones. La decisión emitida por el Presidente del Colegio debe ser remitida a la Junta de Fideicomisarios.

La Junta de Fideicomisarios debe considerar cualquier recomendación por parte del Presidente del Colegio para una expulsión en la siguiente reunión programada de la Junta a partir de la fecha en que se haya recibido la decisión recomendada.
• La Junta debe considerar una recomendación para una expulsión en reunión a puerta cerrada, al menos que el estudiante haya solicitado que el asunto se trate en una reunión pública de acuerdo a estos procedimientos. (Sección del Código de Educación 72122)
• El estudiante debe recibir notificación por escrito, ya sea por correo verificado o certificado o por servicio de entrega personal, al menos tres (3) días antes de la reunión, información sobre la fecha, horario y lugar de la reunión de la Junta.
• El estudiante puede, dentro de un periodo de cuarenta y ocho horas después de que se haya recibido la notificación, solicitar que la reunión se sostenga como reunión pública.
• Aún cuando el estudiante le solicite a la Junta tratar la recomendación para una expulsión en una reunión pública, la Junta sostendrá a puerta cerrada cualquier discusión que esté en conflicto con el derecho de privacidad de cualquier otro estudiante, aparte del estudiante que solicitó la reunión pública.
• La Junta puede aceptar, modificar, rechazar los resultados, decisión y recomendaciones del Presidente del Colegio y/o de la audiencia del panel. Si la Junta modifica o rechaza la decisión, la Junta debe revisar el expediente de la audiencia, y debe preparar una nueva decisión por escrito, que contenga los resultados verídicos y conclusiones. La decisión de la Junta es final y absoluta.

La Junta debe tomar su acción final en relación a la expulsión en una reunión pública, y el resultado de la acción debe ser tratado como archivo público del Distrito.
Proceso De Resolución Para Problemas De Estudiantes

Los conflictos y la mala comunicación, son desafortunadamente parte de la vida cotidiana. El seleccionar la manera en que reaccionaremos a situaciones difíciles se convierte en una decisión personal que todos debemos tomar en cualquier momento. En un ambiente educacional, también hay ocasiones en que los estudiantes y personal del colegio (facultad/maestro/instructor/ empleado de apoyo o administrador) pueden presentar problemas o diferencias que necesitan ser aclaramos y solucionadas. Por esa razón, Gavilan College cuenta con un procedimiento para asistir a los estudiantes a solucionar sus problemas y buscar soluciones que ojalá sean para el beneficio de todas las personas involucradas.

El siguiente proceso para resolver problemas se llama EL PROCESO DE RESOLUCION PARA PROBLEMAS DE ESTUDIANTES y se aplica a situaciones específicas que se presentan en el colegio.

También suele haber situaciones en que los intentos de un estudiante por querer resolver problemas deben de adherirse a los reglamentos que ha determinado la Oficina Federal sobre Derechos Civiles.

Estas situaciones incluyen supuestas discriminaciones u hostigamientos relacionados con la raza/etnicidad, hostigamiento sexual, incapacidad, religión, género, color de piel, origen nacional y edad. Si usted considera que ha sido víctima de discriminación por cualquiera de estas razones, usted debe de seguir ciertos procedimientos que están disponibles vía el oficial de acción afirmativa de Gavilan College. Consulte al personal de la oficina del Vicepresidente de Negocios, ubicada en HR 101.

Las áreas que cubre EL PROCESO DE RESOLUCION PARA PROBLEMAS DE ESTUDIANTES pueden incluir inconformidad con una calificación (dentro de los límites del Código de Educación 76224), mala comunicación, o comportamiento negativo entre usted y un miembro del personal del colegio, etc. Le pedimos que hable con un consejero para recibir asistencia en aclarar las diferencias y entender mejor el proceso adecuado que debe seguir.

Si su problema surge con un miembro de la facultad, usted debe de estar consciente de los conceptos y derechos relacionados con la “libertad académica”.

LIBERTAD ACADÉMICA

La política del Colegio debe ser el mantener y promover una total libertad para que la facultad pueda enseñar, investigar y promover el aprendizaje dentro de las provisiones aplicables de la ley.

En la ejecución de esta libertad, el miembro de la facultad puede, tal y como lo indica las Constituciones de los EEUU y de California y otras leyes que se aplican, discutir su área de especialización y de competencia en el salón, así como otros temas relacionados, incluyendo temas controversiales, siempre y cuando él o ella, haga la distinción entre su opinión personal e información verídica.

La facultad debe estar libre de hostigamiento ilegal o de interferencia ilegal o de restricciones basadas en sus creencias políticas.

La facultad debe ser libre de cualquier o de todas formas de métodos electrónicos de grabación, excepto con su permiso expreso y específico, al menos que la ley dicte lo contrario.

La Junta no debe ilegalmente indagar, ni predicar cualquier acción adversa en contra de un miembro de la facultad debido a sus creencias personales, políticas o actividades en organizaciones o preferencias.

La Junta no debe intervenir con el derecho de expresión de cualquier miembro de la facultad o en contra de los materiales de instrucción que utilice en su enseñanza, excepto en casos que lo permita la ley.

La intención es permitir aquellas actividades que están protegidas por el derecho constitucional a la libre expresión y por la libertad académica que está protegida por las leyes del Estado de California y por las leyes de los Estados Unidos. (Contrato de Facultad de Gavilan College, Artículo VII, Libertad Académica.)

El colegio reconoce y entiende las dudas que usted pueda tener al momento de considerar dar a conocer algún problema. Usted puede tener miedo a que su calificación en su clase sea afectada, o que usted tenga en un futuro que tener que tomar otra clase con el mismo instructor, o que piense que nada va a cambiar, entonces, ¿por qué molestarse a hacer algo?

Por estas percepciones equivocadas, usted puede llegar a pensar que no vale la pena intentar aclarar un malentendido o resolver un conflicto. Esperamos que usted si intente resolver cualquier problema, ya que los problemas no solucionados pueden restarle energía a otros aspectos de su vida.

La premisa básica para resolver cualquier problema es el hablar sobre el problema con la persona que está directamente involucrada. Aunque, esto a veces suele ser difícil, es la mejor manera de resolver un problema.

Este PROCESO DE RESOLUCION DE PROBLEMAS también requiere de este primer paso:

La preparación para su sesión de resolución de problemas incluye el pregun
tarse a sí mismo lo siguiente:

1. ¿Cuál fue el comportamiento específico con el que tengo un problema?
2. ¿Cómo me hizo sentir este comportamiento?
3. ¿Qué acciones específicas quiere ver como parte de una posible resolu

ción?

Muy frecuentemente, nuestras reacciones emocionales a un incidente empañan el comportamiento actual al que estamos reaccionando. Estas reac

ciones comunes también pueden prevenir que no podamos especificar lo que deseamos como parte de la resolución.

Usted puede identificar el problema por si sólo o tratar de hacerlo con la ayuda de un consejero, miembro del personal o una amistad. Este razonamiento pre
liminario debe de ayudarle a presentar sus preocupaciones de una manera clara y concisa.
**Pasos Del Proceso De Resolución Para Problemas De Estudiantes**

El propósito de este procedimiento es ofrecer los medios adecuados y equitativos para poder emitir quejas relacionadas con asuntos académicos, administrativos, y de instrucción relacionadas con los estudiantes, e incluyendo, pero sin estar limitadas, a cualquier queja que tenga que ver con personal certificado, clasificado o empleados supervisores de Gavilan College.

Las áreas que cubren estos procedimientos pueden incluir, pero no están limitadas a mala comunicación, o comportamientos negativos entre el estudiante y un representante del colegio. Los estudiantes que tengan inconformidades con sus calificaciones deben de estar conscientes de la Sección del Código de Educación 76224 (a), el cual dicta los reglamentos relacionados con las calificaciones. El código especifica: “Cuando se otorga una calificación por cualquier curso de instrucción impartido en un distrito de colegio comunitario, la calificación que se otorga a cada estudiante debe de ser la que haya determinado el instructor de la clase, y la determinación que hace el instructor de la calificación del estudiante, en la ausencia de errores, fraude, mala fe, o incompetencia debe ser final y absoluta”.

Este procedimiento no es apropiado en las situaciones relacionadas con discriminación o con hostigamiento por raza/étnica, hostigamiento sexual, incapacidad, religión, género, color de piel, origen nacional y edad (por favor referirse a AP 5530).

Este procedimiento garantiza al estudiante o estudiantes involucrados su derecho a defenderse que les concedan las protecciones de la constitución del estado y del gobierno federal. Estos procedimientos serán aplicados de una manera justa y equitativa, y no para propósitos de represalia. No se intenta sustituir los procedimientos penales o civiles que pudieran ser entablados por otras agencias.

**PASO 1.** Dentro de un periodo de diez (10) días escolares de haber ocurrido el incidente, el estudiante debe reunirse con la persona con la que tiene el problema. El estudiante puede traer a un acompañante a la reunión, (por ejemplo, personal del colegio, amistad, otro estudiante). Esta persona no podrá opinar en nombre del estudiante y sólo jugará el rol de apoyo al permanecer en silencio.

Si el estudiante aún está inconforme, el estudiante debe notificar al personal del colegio que desea abordar el problema en el siguiente paso.

**PASO 2.** Dentro de un periodo de diez (10) días escolares de que se haya realizado el paso 1, el estudiante se debe reunir con el director del departamento o con el supervisor de la persona con la cual tiene el problema. El director del departamento o supervisor puede pedirle al estudiante, a su acompañante, y al miembro del personal del colegio que se reúnan juntos o por separado con el estudiante o con el empleado con el cual surgió el problema. El director del departamento/ supervisor pueden reunirse con el estudiante una vez más para hablar sobre el problema, revisar lo ocurrido en la junta anterior, (Paso 1) y discutir la resolución propuesta por el estudiante. El estudiante puede traer como acompañante para apoyo moral a la misma persona que lo acompañó para este fin en la primera reunión.

Si el estudiante aún permanece insatisfecho, el estudiante podrá avanzar al Paso 3 del proceso.

**PASO 3.** El estudiante debe reunirse con el decano del departamento afectado en un periodo de diez (10) días escolares desde el paso 2. Esta reunión debe incluir al estudiante, director del departamento/supervisor, al decano del departamento afectado. Durante esta reunión, los resultados de las reuniones anteriores se discutirán así como las resoluciones recomendadas.

Si el estudiante aún permanece insatisfecho, el estudiante podrá avanzar al Paso 4 del proceso.

**PASO 4.** Dentro de un periodo de diez (10) días, el estudiante debe reunirse con el Vicepresidente de la área en cuestión. Durante esta reunión, los resultados de las reuniones anteriores se discutirán así como las resoluciones recomendadas.

Si el estudiante aún está insatisfecho, dentro de un periodo de cinco (5) días escolares, el estudiante debe notificar al Vicepresidente con el cual se reunió en el paso 4, que solicita que se lleve a cabo una revisión por el comité de audiencias para poder resolver el caso. Esta solicitud será enviada al Superintendente/Presidente del Colegio, el cual dentro de un lapso de cinco (5) días de haber recibido la petición, convocará un comité de audiencia en una fecha que será determinada por el Presidente del Colegio.

**PASO 5.** Dentro de un periodo de cinco (5) días de haber recibido la petición, el Superintendente/Presidente del Colegio convocará a un comité de audiencia para escuchar el problema.

El comité estará compuesto:

a) Un estudiante nombrado por la Junta Estudiantil ASB

b) Un miembro de la facultad de una disciplina no relacionada nombrado por el Senado de la Facultad

c) Un miembro de la facultad nombrado por el Director del Departamento de Consejería

d) Un miembro del personal clasificado de un área no relacionada nombrado por el Presidente del Personal de Apoyo Profesional

e) Un decano de un departamento o vicepresidente de un departamento no relacionado que sea nombrado por el Superintendente/Presidente del Colegio

f) El director del departamento o supervisor del área involucrada.

El Comité de la Audiencia conducirá la audiencia en privado. Ellos llamarán al estudiante o personal involucrado si consideran que ayudará a resolver el problema. El comité hará una recomendación que sea satisfactoria para todas las partes, y enviará estas recomendaciones a todas las partes involucradas y al Superintendente/Presidente del Colegio.

Si el estudiante o el miembro del personal del colegio no están satisfechos con las recomendaciones del Comité de la Audiencia, el siguiente paso, una apelación, le seguirá. El estudiante debe solicitar una apelación dentro de un periodo de cinco (5) días escolares a partir de la fecha en que el estudiante y el miembro del personal del colegio recibieron la recomendación por parte del Comité de la Audiencia. De no ser así, el proceso de resolución se da por cerrado y no hay apelación.
INFORMACIÓN EN ESPAÑOL

PASO 6. Se puede hacer una apelación al Superintendente/Presidente del Colegio.

Este paso requiere que el estudiante o el otro miembro del personal involucrado escriban una carta especificando la acción que se ha tomado y la resolución que esperaban. El Superintendente/Presidente del Colegio revisará esta carta y las recomendaciones hechas por el Comité de la Audiencia. El o ella fijarán y tendrán una reunión privada con el estudiante para hablar y tratar de resolver el problema satisfactoriamente.

Si el estudiante o el miembro del personal no se sienten satisfechos con la resolución del Presidente, se puede recurrir al paso final.

PASO 7. Una apelación por escrito se puede hacer a la Junta de Fideicomisos del colegio.

La Junta debe responder por escrito dentro de treinta y cinco (35) días escolares a partir de haber recibido la apelación escrita. Este es el último paso del Proceso que tiene el colegio para la Resolución de Problemas. Las decisiones de este nivel son finales y absolutas.

Matriculación

La “matriculación” significa el registrarse como estudiante con el intento de graduarse o terminar un programa de estudio. Como parte del esfuerzo estatal de mejorar el éxito estudiantil e incrementar la transferencia a universidades de 4 años, el Colegio Gavilan ofrece una gran variedad de servicios de matriculación, los cuales ayudarán a los estudiantes a identificar y terminar con éxito sus metas educativas.

Los servicios de matriculación incluyen:

- Un claro y accesible proceso de ADMISION y Evaluación y colocación de curso
- Una ORIENTACIÓN del colegio y a los servicios que ofrecemos.
- EVALUACION de su nivel académico a través de un exámen de colocación y la consideración a otros factores relacionados
- SERVICIOS DE CONSEJERÍA Y ASESORIA para que así puedan terminar su programa lo más pronto posible y con los requisitos correctos
- UN SEGUIMIENTO de su progreso para que sientan y tengan éxito

Lo anterior es nuestro compromiso con ustedes. Su parte en el equipo es:

- Identificar y declarar una meta educativa y una especialidad
- Reunirse con un consejero para formular y actualizar su plan educativo para mantenerse en el camino
- Buscar los servicios dentro del plantel que lo apoyaran y mantendrán en la escuela
- Hacer el progreso debido hacia su meta

ORIENTACIÓN

La Orientación en línea a través del Internet es una manera fácil, conveniente y productiva de familiarizarse con el Colegio Gavilan. Dicha orientación le mostrará lo que es diferente en el colegio – las expectativas y los retos a los que se enfrentarán. Ya sea que su plan sea trasferirse a una universidad de cuatro años o que se encuentre en el camino hacia su carrera; existen cosas importantes que usted debe saber antes de iniciar. Los patrones de educación general, los asuntos de transferencia, los requisitos para un certificado o para una especialidad, las expectativas de tareas y los servicios de apoyo, son solamente algunos de los aspectos incluidos. Aquellos que terminan una orientación tienen un inicio más fácil en el colegio y avanzarán hacia su meta con más confianza y en una cantidad de tiempo razonable. Para acceder la orientación en línea, vaya a la página de Internet del colegio: http://www.gavilan.edu/orientation.

Puede usted escoger el no participar en una orientación: sin embargo, no será elegible para prioridad en su registro.

EVALUACIÓN Y COLOCACIÓN DE CURSO

Las habilidades de lenguaje y matemáticas serán medidas por un exámen de colocación. Los resultados del exámen junto con indicadores adicionales de las habilidades del estudiante, serán utilizados por los consejeros y asesores para recomendar la colocación apropiada en cursos de inglés y matemáticas y en otros cursos transferibles a la universidad que requieran lectura, escritura y habilidades de matemáticas. Para mayores informes vea la página 21.

Los estudiantes deberán haber terminado el octavo grado para obtener los servicios de evaluación.

SESIONES DE RE-EVALUACION:

Los estudiantes que hayan tomado anteriormente la evaluación de colocación pueden, si lo consideran necesario, volver a hacer el exámen después de treinta (30) días. Usted podrá volver a hacer el exámen una vez por semestre. Comuníquese a la Oficina de Evaluaciones para confirmar las fechas, horarios y ubicaciones.

CONSEJERÍA Y PLANES EDUCATIVOS

Antes de que se matricule, los consejeros se encuentran disponibles para reunirse con los estudiantes e interpretar los resultados de las evaluaciones, hablar sobre la selección de un curso y ayudar con el desarrollo de un plan educativo. Dicho plan es un factor importante para promover el progreso a tiempo, hacia la terminación de un certificado, un grado o un programa de transferencia. Los estudiantes desarrollan un plan educativo con un consejero, cuando se matriculan por primera vez en Gavilan y después, se reúnen regularmente con el/ella, para actualizar su plan y revisar su progreso. Los consejeros se encuentran disponibles para reunirse con los estudiantes durante todo el año, para hablar sobre inquietudes académicas y personales y para referir a los estudiantes a otro tipo de ayuda necesaria. Para mayores informes vea la página 21.
SERVICIOS DE APOYO PARA UN SEGUIMIENTO
Ayudarle a que se mantenga en el colegio es muy importante para nosotros. Sabemos que existen muchas razones por las cuales los estudiantes se retiran en su trabajo, dejan sus clases y su desempeño se encuentra por debajo de las normas académicas aceptables. Los consejeros y el demás personal de apoyo trabajarán con los estudiantes quienes experimenten alguna dificultad. Otros programas especiales (TRIO, EOPS, DRC, MESA, etc.) les ayudarán a mantenerse en el camino hacia alcanzar sus metas educativas.

Pero habrá algunas ocasiones en las que los estudiantes se queden abajo del nivel académico o del progreso requerido - 2.0 de GPA (Promedio) y terminar por lo menos el 50% de las unidades que se intentaron. Las normas del período de prueba y salida (ver pagina 42) serán revisadas con los estudiantes y se desarrollará un plan para volver a obtener una buena posición en el plantel. Múltiples visitas con un consejero proveerán las estrategias y el apoyo necesario para alcanzar esto. El tomar ventaja de servicios de apoyo adicional, puede ser incluido dentro del plan, como: ayuda financiera, cuidado de niños, asesoría personal, tutoría, laboratorios de escritura y matemáticas, laboratorio de computadoras, etc.

EXCEPCIONES EN LOS SERVICIOS
Algunas veces un estudiante no desea tomar ventaja de los servicios de matriculación. Ese es un derecho que usted tiene. Para poder estar exento de la evaluación y de la orientación, usted deberá satisfacer uno de los siguientes criterios:

- Tener un grado de asociado o mayor
- Haber acumulado menos de 12 unidades en cursos de transferencia
- Estar actualmente matriculado en menos de seis unidades
- No tener planes de obtener un certificado o un grado
- Formalmente estar exento de sus derechos para evaluación y orientación, en la Oficina de Admisiones y Récords. Si usted está exento del derecho de evaluación y orientación, no será elegible para la prioridad de matriculación temprana.

Aun así, todavía tendrá el derecho de utilizar los otros servicios de matriculación y les sugerimos que lo hagan.

Servicios Estudiantiles y Programas de Apoyo para la Instrucción

Resultado Del Aprendizaje Estudiantil
La División de Servicios Estudiantiles ofrece numerosos programas y servicios para ayudar a los estudiantes a tener éxito. Tomando ventaja de estos servicios, los estudiantes podrán:

- Puedan identificar y utilizar los programas de apoyo y servicios apropiados.
- Se fijen una meta educativa que puedan lograr.
- Puedan identificar y abogar por sus necesidades personales y educativas.

Servicios de Asesoría
Inscribirse y tener éxito en clases a nivel post-secundario requieren dedicación y tiempo. A veces ocurren problemas personales y familiares que distraen a los estudiantes de sus tareas y clases y en estos casos, la única solución parece ser abandonar los estudios. Antes de tomar esta decisión tan difícil, por favor consulte a un consejero. Una buena plática puede ayudar a poner la situación en perspectiva, identificar posibles soluciones, y dar el apoyo necesario para hacer modificaciones necesarias en el horario y las clases. Gavilán College provee consejeros que hablan español y las citas con ellos pueden ser hechas para el día o para la tarde. No hay que pagar por este servicio. Por favor llame al (408) 848-4723 para hacer una cita.

Centro de Recursos para Servicios de Evaluación de Elegibilidad para Discapacitados
El Centro de Recursos para Discapacitados (DRC por sus siglas en inglés) ofrece asesoría individual para evaluar las destrezas de los estudiantes en las áreas de lectura, matemáticas, escritura, razonamiento, lenguaje oral, percepción y memoria. Los resultados son utilizados para determinar la elegibilidad de los estudiantes para los servicios del Laboratorio de Aprendizaje y de otros servicios que ofrece DRC.

Servicios para Carreras
Los servicios están a la disposición de los estudiantes y de la comunidad para ayudar a investigar las diferentes posibilidades de carreras, planificar una carrera, obtener entrenamiento especializado, entrar en un programa académico o vocacional. El Centro para Carreras ofrece una biblioteca sobre carreras que incluye libros y videos de carreras, información acerca de los varios elementos de la exploración de carreras, tendencias en el mercado del trabajo y las técnicas de buscar un empleo.
Centro de Desarrollo Infantil/Programa Preescolar/Infantes

El Centro de Desarrollo Infantil ofrece cuidado de niños en edad preescolar, en dos programas financiados por el estado y para familias cuyo ingreso mensual va de acuerdo al criterio establecido. Además, ofrecemos un programa preescolar y para infantes, disponible a todos los padres, a bajo costo. Estos programas sirven a niños con necesidades especiales o con alguna incapacidad, así como a niños que no hablan inglés. Este centro es el único en Gilroy que ha sido acreditado por la Asociación Nacional de Educación para Niños Pequeños (NAEYC).

Servicios De Salud

El Colegio Gavilan cuenta con una Enfermera de tiempo completo quien provee servicios de salud, información y referencias a los estudiantes que se encuentran tomando clases con créditos. El Servicio de Salud es un centro extenso que ofrece varios servicios de salud y se encuentra localizado en el Centro Estudiantil 118. Estos servicios son gratuitos y están disponibles de lunes a viernes.

Los estudiantes reciben de una Enfermera Titulada, asesoría sobre salud personal en numerosos problemas de salud, por ej. Control de la Natalidad, enfermedades de transmisión sexual, hábitos saludables, cambios de estilo de vida, etc. Los Servicios de Salud ofrecen tratamiento de primeros auxilios, exámenes de presión arterial, prueba de tuberculosis para estudiantes participando en el programa estudio/trabajo, referencias para la prueba del SIDA, condones y medicamentos que no requieran receta medica, como la aspirina.

El Centro ofrece folletos de salud con más de 100 tópicos. Se ofrecen clases y talleres sobre nutrición, hepatitis, manejo del estrés, SIDA y otros temas de salud, presentados en pequeños grupos. También se ofrecen referencias y programas de salud incluyendo intervención con el alcoholismo y la drogadicción. En la página de Internet http://www.gavilan.edu/health encontrarán un Centro para Enfermedades Viales.

El Servicio de Salud ofrece equipos de primero auxilios para uso de los estudiantes y responde a las llamadas de emergencia del colegio. También se ofrece información referente a Seguro Médico a bajo costo para estudiantes del colegio. Se recomienda que los estudiantes hagán uso del Centro de Salud.

La cuota de salud pagada como parte de la cuota de inscripción apoya estos servicios, además de ofrecer un seguro contra accidentes para los estudiantes.

PROGRAMAS DE PREVENCION E INTERVENCION CONTRA EL USO DE DROGAS

Gavilan College, en colaboración con agencias de servicios en contra del consumo del alcohol y drogas de los condados de Santa Clara County y San Benito County ofrecen a los estudiantes programas de educación y prevención en contra del uso de las drogas.

Mediación Estudiantil

Servicios de Mediación ayudan a que los estudiantes tengan una oportunidad de resolver sus problemas dentro de un ambiente seguro. Estudiantes que están capacitados como mediadores ayudarán a dos o más estudiantes que tienen problemas entre ellos a resolver sus conflictos para llegar a una solución mutuamente acordada. Los servicios de mediación son gratuitos y confidenciales. La mediación no es apropiada para los siguientes casos: problemas con personal del colegio, comportamiento criminal, abuso infantil, amenazas de violencia, hostigamiento sexual, discriminación sexual o racial.

Los estudiantes que desean ser mediadores pueden inscribirse en la clase Introducción a la Resolución de Conflicto (Psicología 6). Para obtener servicios de mediación, favor de contactar al Departamento de Consejería.

Servicios de Transferencia

El Centro de carreras/transferencia ofrece servicios para apoyar a estudiantes interesados en transferirse a colegios y universidades de cuatro años. Los servicios incluyen: requerimientos específicos para transferirse, información acerca de carreras ofrecidas en universidades, y requerimientos de graduación, asistencia para llenar aplicaciones, y un número de talleres.

Oficina de Ayuda Financiera

El Colegio Gavilan participa en varios tipos de programas de ayuda financiera. Estos programas están diseñados para asistir a los estudiantes que necesitan apoyo financiero para poder continuar su educación universitaria. Se encuentran financiados a través de varias fuentes: federal, estatal y agencias privadas.

PROCEDIMIENTO PARA LA SOLICITUD

La Solicitud Gratuita para Ayuda Financiera Federal (FAFSA) determina su elegibilidad para los siguientes programas. Los estudiantes pueden llenar y presentar la solicitud a FAFSA por escrito o en línea a www.fafsa.ed.gov. Asegúrense de incluir el código escolar del Colegio Gavilan en su FAFSA para que la Oficina de Ayuda Financiera pueda recibir una copia de su solicitud procesada. Nuestro código es 001202.

La solicitudes para cada ciclo escolar están disponibles en enero. La fechas de entrega para los diferentes programas varían considerablemente. Para mas información comuníquese con o visite la Oficina de Ayuda Financiera.

BECAS

- Beca Federal Pell
- Beca Federal de Oportunidad de Ayuda Educativa Suplementaria
- Beca Federal por Trabajo en el Estudio
- Beca por Competitividad Académica
- Beca Cal B
- Beca Cal C
- Beca Chafee
- Beca para la Carrera de Desarrollo Infantil
Programas De Éxito
Estudiantil y Servicios

CalWORKs

CalWORKs ayuda a los estudiantes que reciben asistencia pública, a llegar a ser autosuficientes a través de obtener educación, empleo y servicios de apoyo. Los programas ocupacionales para estudiantes de CalWORKs responden a las demandas del mercado laboral y apoyan a los estudiantes a obtener una carrera para poder lograr eventualmente el poder obtener un ingreso para el sostenimiento de su familia. Los servicios de apoyo que CalWORKs ofrece incluyen, asesoría personal y académica, libros de texto, ayuda pararabajar, colocación de trabajo y sirven de enlace con los departamentos de servicios sociales del condado. CalWORKs 75/25, es un programa de empleos subsidiados disponible para ayudar a los estudiantes a obtener habilidades relacionadas con un trabajo.

CARE

Las Agencias de Cooperación de Recursos para la Educación (CARE por sus siglas en inglés) es un programa especial diseñado para asistir a los padres solteros que asisten o desean asistir a Gavilan College. CARE es un esfuerzo conjunto entre el Departamento de Servicios Sociales, EOPS y Gavilan College. Para ser elegible para CARE, el estudiante debe de tener por lo menos 18 años de edad, ser padre soltero a cargo del hogar, recibir asistencia monetaria y tener por lo menos un hijo que sea menor de 14 años de edad.

Los servicios incluyen transferencia, educación vocacional, consejería, prioridad para la inscripción, asesoría académica, ayuda financiera, guardería, ayuda para la compra de libros, útiles escolares, gastos de transporte y otros servicios de apoyo.

Los estudiantes que estén interesados en participar en el programa EOPS o en CARE deben de contactar a la oficina de EOPS de Gavilan College para reunirse con personal de la oficina. Hay personal bilingüe disponible.

Centro de Recursos para Discapacitados (DRC)

El Centro de Recursos para Incapacitados (DRC) ofrece variedad de servicios, para igualar las oportunidades educativas para estudiantes con incapacidades temporales o permanentes. Los servicios incluyen asesoría académica, asesoría vocacional y para carreras, orientación del colegio, tutoría educativa, ayuda para transferencia a colegios de cuatro años, entrenamientos para trabajar y colocación, evaluaciones de habilidades de aprendizaje, una persona de contacto con el Departamento de Rehabilitación Estatal, asistencia para la movilidad, apoyo de tecnología educativa, persona que tome notas, servicios de referencia, ayudante de inscripciones, intérpretes del lenguaje de señas, apoyo en las clases, toma de exámenes con acomodaciones y asistencia en tecnología con acomodaciones y entrenamiento. Tenemos personal bilingüe disponible (Ingles-Español).
ACCESIBILIDAD
El Colegio Gavilan es un colegio accesible. Todos los edificios de los salones, la biblioteca, el centro de tutoría, los edificios de la administración y el Centro Estudiantil son accesibles para las personas con incapacidades físicas. Las rampas proveen acceso a los niveles superiores e inferiores. Se proporciona ayuda con la movilidad para los estudiantes incapacitados, el estacionamiento se ofrece a vehículos mostrando el permiso o placa para incapacitados autorizada por el estado. Llame al (408) 848-4823 o al (408) 848-4865 para servicio de transporte.

EVALUACIÓN DEL CENTRO DE RECURSOS PARA DISCAPACITADOS
El Centro de Recursos para Discapacitados (DRC) ofrece evaluaciones individualizadas para conocer los puntos fuertes y debilidades de los estudiantes en lectura, matemáticas, lenguaje escrito, razonamiento, lenguaje oral, percepción y memoria. Los resultados se utilizan para determinar la elegibilidad de los estudiantes para los servicios del laboratorio de aprendizaje de habilidades y/o algunos otros servicios DRC.

CLASES Y PROGRAMAS

Educación Física Adaptada - Una gran cantidad de clases son específicamente diseñadas para los estudiantes con incapacidades, para incrementar su flexibilidad y fuerza, facilitar el movimiento y ayudar a mejorar la condición física relacionada con varios movimientos y la flexibilidad de las articulaciones y ayudarles a mejorar su condición cardiovascular y con asuntos de salud relacionados. Estas clases son ofrecidas por instructores calificados a través de un número de actividades acuáticas y en el gimnasio. Vea el horario de las clases para las fechas y horas.

Apoyo y Entrenamiento en Computadoras - El Centro de Recursos de Tecnología para Discapacitados, es de lo más avanzado y ofrece tecnología asistiva en computadoras y personal entrenado para apoyo de los estudiantes con incapacidades, para que puedan alcanzar sus metas educativas. Las habilidades y conocimientos que un estudiante obtiene en el centro “High Tech” pueden ser llevados a otros colegios, universidades y por último al lugar de trabajo.

Preparación para una Carrera – Este programa esta ofrecido dentro del colegio, para los estudiantes graduados de preparatoria y de educación especial quienes requieran educación especial adicional y entrenamiento vocacional para el nivel apropiado, para el ingreso al mercado laboral en la comunidad. Se le da énfasis a las habilidades prácticas de trabajo así como a las habilidades interpersonales, en una serie de clases diseñadas para el progreso individual.

Evaluación para Acceso a la Computadora - El curso CSIS 570 ofrece al estudiante una evaluación profunda para el acceso a la computadora, para poder determinar un ambiente de acceso apropiado para un estudiante con una o múltiples incapacidades.

Programas y Servicios de Oportunidad Adicional (EOPS)
La oficina de Programas y Servicios de Oportunidad Adicional (EOPS) provee apoyo a estudiantes que experimentan desafíos económicos, sociales, y educativos. La intención del programa es asistir a éstos estudiantes a alcanzar sus metas educativas incrementando el acceso, la retención, y la transferencia a otras instituciones de enseñanza. Para calificar para el programa de EOPS, los estudiantes deben demostrar necesidad financiera y educativa y matricularse en un mínimo de 12 unidades.

Hay consejeros que proveen asistencia académica con la elección de clases, carreras, programas vocacionales, problemas personales, e intervención en situaciones de crisis. El programa de EOPS incluye servicios de orientación de los recursos educativos de la institución, becas y ayuda para libros de texto, servicio de préstamo de libros, prioridad en la inscripción, visitas a universidades de cuatro años y seminarios para estimular el éxito estudiantil.

La oficina de EOPS está localizada en Library 101A. Hay personal de habla hispana.

Evaluación de Aprendizaje de Habilidades - El curso La Guía 557 ofrece una evaluación individual de sus fuerzas y debilidades en lectura, matemáticas, razonamiento para el lenguaje escrito, lenguaje oral, percepción y memoria. Los resultados son utilizados para determinar la elegibilidad de los servicios del Laboratorio de Aprendizaje de Habilidades y de otros ajustes DRC.

Laboratorio de Aprendizaje de Habilidades - Este laboratorio ofrece servicios de apoyo e instrucción a los estudiantes con incapacidades verificadas. Instrucción individualizada y en pequeños grupos, tutoria en materias académicas básicas y apoyo para los estudiantes quienes estén tomando cursos de universidad en Library 116.

Habilidades de Desarrollo Vocacional para Adultos con Incapacidades de Desarrollo – Este programa promueve la autodependencia en actividades de máxima independencia y trabajo. Las clases son ofrecidas en las instalaciones de Rehabilitación HOPE en Gilroy y en Hollister en conjunto con un programa de actividades de trabajo.

**Estudiantes De Primer Año**

Gavilan College ofrece el programa “primera vez” para los estudiantes nuevos que desean reforzar su lectura, escritura, y hábitos de estudio a la vez que se familiarizan con el colegio y sus recursos. Maestros y consejeros trabajan conjuntamente para ayudar a que los estudiantes desarrollen una conexión entre sus clases y su experiencia colegial. La meta es que los estudiantes construyan una fundación sólida para dirigirse hacia el camino del éxito en el colegio.

**Comunidades De Aprendizaje**

Los estudiantes aprenden mejor cuando aprenden juntos. En los cursos de comunidades de aprendizaje (learning communities), el estudiante trabaja y estudia con otros estudiantes para poder tener más éxito en la clase. Además, al juntar dos o más clases, el estudiante empezará a notar la conexión entre las diversas disciplinas. Los estudios señalan que cuando el estudiante toma unas clases de aprendizaje comunitario, el estudiante aprende mejor y como resultado tiende a hacer mejor en sus otras clases en el colegio.

**Realización en Matemáticas, Ingeniería y Ciencias (MESA)**

El programa de Realización en Matemáticas, Ingeniería, y Ciencias (MESA) es un programa académico que provee servicios de apoyo a estudiantes elegibles que desean transferirse a una universidad y tengan intención de especializarse en las ciencias o matemáticas (química, ciencia en computación, e ingeniería.) Los estudiantes interesados en MESA deben calificar para el programa. MESA ofrece un Centro de Estudio, talleres académicos, visitas a universidades, y consejeros académicos.

Para más detalles visiteen en el Centro de Estudio (PH 115), o visita nuestra página en http://www.gavilan.edu.

**Programa PUENTE - EL PUENTE Hacia el Éxito**

La misión del Programa Puente es incrementar el número de estudiantes quienes no tienen los servicios educativos adecuados y que planean transferirse a una universidad o colegio de cuatro años, obtener un título y regresar a su comunidad como líderes y mentores para futuras generaciones. Las investigaciones indican que los estudiantes de Puente se transfieren en un porcentaje mayor y tiene más éxito académico. El programa está abierto para todos los estudiantes.

Instrucción en Inglés: Los estudiantes de Puente toman dos clases consecutivas de escritura, English 250 (Escritura Práctica) e English 1A (Composición). Estas clases ofrecen un ambiente de apoyo y de estímulo la cual está basada en la confianza de sus habilidades de escritura, explorando la experiencia Latina/México-Americana.

Consejería: Los estudiantes Puente trabajan muy de cerca con su consejero hasta que se gradúan, explorando opciones de carreras, desarrollando un plan académico e identificando sus metas a largo plazo. Los estudiantes visitan los campus de la Universidad de California y de la Universidad Estatal de California y asisten a una conferencia anual de transferencia de estudiantes Puente. Se requiere que todos ellos se inscriban en las clases de Guidance 6 (Habilidades para una Mayor Educación) y Guidance 1 (Auto evaluación y Desarrollo de una Carrera).

Mentores: A cada estudiante de Puente se le asigna un mentor de la comunidad empresarial o profesional. Los mentores comparten sus experiencias personales, académicas y de la carrera y les ofrecen una ventana hacia los ambientes de trabajo en la “vida real”. La red de mentores entrenados de Puente, ofrece muchos recursos a los estudiantes, sus familias, sus colegios y sus comunidades.

**Programa de TRIO**

El programa TRIO, recibe sus fondos del Departamento de Educación de los E.E.U.U. para identificar y apoyar específicamente estudiantes que califican bajo el próximo criterio: Ser el primero de asistir a la universidad (estudiantes universitarios de primera generación), estudiantes de bajos recursos, o estudiantes que verifican su incapacidad.

TRIO provee una variedad de servicios que apoya a estudiantes mientras atienden en el Colegio Gavilán. Los servicios incluyen: asesoramiento académico y personal, enseñanza particular en inglés y matemáticas, asistencia adicional de becas, biblioteca de préstamo de textos, préstamo de un “laptop” por una semana, comunidades de aprendizaje (cursos conectados), programa de puente en el verano, talleres de información, actividades sociales y culturales, oportunidades voluntarias, y visitas a universidades.
Información en español

Apoyo para la Instrucción

**Laboratorio de Computadoras de ESL**

El programa de ESL tiene su propio laboratorio de computadoras con una variedad de programas para todos los niveles y clases. Los programas de software permiten a los estudiantes practicar y mejorar el lenguaje aprendido en clase. El ambiente amistoso les permite obtener práctica adicional cuando es conveniente. Trabajar con programas de software en las computadoras estimula la auto-confianza porque los estudiantes trabajan independientemente e interactúan con una computadora en vez de hacerlo con una persona, y además porque tienen múltiples oportunidades de ver un punto de lenguaje específico para mejorar habilidades de comprensión auditiva, comprensión de lectura, gramática, escritura, y pronunciación. Somos afortunados de poder ofrecer este maravilloso recurso a nuestros estudiantes del programa de ESL.

**Biblioteca y Recursos Electrónicos**

La Biblioteca de Gavilán "College" ofrece varios recursos electrónicos y de imprenta para la comunidad universitaria. Además de la colección de 60,000 libros, la biblioteca cuenta con 19,000+ libros electrónicos, y 2,500 revistas que son disponibles bajo el control de una computadora central. Los empleados de la biblioteca están orgullosos de su liderazgo en proyectos de instrucción en el uso de acceso a información electrónica. La biblioteca ha recibido varias becas del estado para apoyar este esfuerzo. Los estudiantes llegan al recinto universitario con diversos niveles de experiencia en el uso de computadoras e informática, y la facultad de la biblioteca está dispuesta a proveer asistencia personal en todo momento. La facultad de la biblioteca también enseña varios cursos y trabaja con otros instructores en la planificación y revisión de cursos con el componente de información electrónica. El "website" de la Biblioteca de Gavilán tiene una descripción detallada de todos sus recursos y provee un catálogo de libros conectados a varias de las clases que se ofrecen en el colegio Gavilán. El sitio es http://www.gavilan.edu/library.

**Laboratorio de Matemáticas**

El laboratorio ofrece tutoría, programa de computadora de matemáticas, y ayuda con computadoras.

**Servicios de Tutoría**

Los Servicios de Tutoría están diseñados para ayudar a los estudiantes a incrementar su éxito en los cursos universitarios y en el desarrollo de sus habilidades de aprendizaje. Esto se logra a través de ofrecer a los estudiantes, oportunidades para trabajo con tutores entrenados quienes los involucran en el examen de conceptos y procesos; en discusión de ideas y teorías; en prácticas manuales y resumen de los resultados. Es en el ambiente de colaboración en donde los estudiantes desarrollan su confianza e independencia como estudiantes. Los servicios de tutoría son gratuitos a todos los estudiantes de Gavilán.

**Centro de Escritura**

El Centro de Escritura de Gavilán College sirve a la comunidad escolar a través de fomentar, felicitar y animar a los escritores en los múltiples y variados propósitos y las audiencias a las que sirve.

Vengan al centro para consultar con nuestros ayudantes quienes están especialmente entrenados. Ellos les ayudarán a los escritores a iniciar y a reforzar toda clase de trabajos, poesía y pequeñas historias, letras de canciones, cartas empresariales y curriculums. Gocen de una taza de café o té en la reconfortante atmósfera del centro y conozcan a otros escritores de todo el campus. El centro también ofrece espacio para discusiones sobre la escritura, juntas, talleres y grupos de estudio. Los eventos especiales incluyen actividades con aclamados escritores y maestros en los programas de residencia. Llaman o pasen al centro de información para conocer los horarios. También podemos ofrecer mini lecciones autodirigidas y temas para escritura. Trabajen a su propio paso y aprendan como plasmar sus ideas en una hoja. Escriban con más poder, sean creativos, gocen de la escritura y practiquen usando gramática, ortografía y puntuación correctas.

El centro también colabora con los maestros en todo el programa educativo, para incrementar las oportunidades de hablar con el personal sobre el progreso académico del estudiante, proporcionándoles las ligas de las tareas, la investigación efectiva y las estrategias de escritura. Ofrecemos talleres de apoyo con asistencia especial como usted lo solicite. Encuéntrenos en la página de Internet en: http://www.gavilan.edu/writing/.
Actividades Estudiantiles

Gavilan College provee oportunidades para estudiantes que participen en el gobierno estudiantil, gobierno colegial, clubs del colegio, y actividades atléticas intercolegiales.

EL CUERPO ASOCIADO ESTUDIANTIL (ASB) es una organización oficial estudiantil que provee información de interés para la mayoría de los estudiantes acerca de asuntos críticos del colegio.

Actividades sociales y culturales de todo el colegio son patrocinadas por los fondos coleccionados a través de la venta de tarjetas de descuento de ASB. La compra de la tarjeta de ASB le da derecho a un número de descuentos en el colegio y en varios negocios de la comunidad.

CLUBS EN EL CAMPUS Se han establecido una gran variedad de clubes y organizaciones que ofrecen a los estudiantes la búsqueda de oportunidades escolares, sociales, políticas, culturales y recreativas. Las actividades están coordinadas y apoyadas por un Senado Estudiantil. Recomendamos que los estudiantes inician un club si es que existe un interés en particular, el cual no esté representado actualmente dentro del campus.

ACTIVIDADES ATLÉTICAS INTERCOLEGIALLAS Los equipos atléticos de Gavilan College participan en competencia de juegos atléticos intercolegiales con otros colegios de la comunidad.

PRODUCCIONES TEATRALES El Teatro del Colegio Gavilan ofrece una variedad de producciones desde obras infantiles, musicales y hasta obras de Shakespeare. Además de experimentar la actuación en el escenario, los estudiantes aprenden a trabajar detrás del escenario y adquieren conocimientos sobre producción técnica. Para mayores informes visite la página de Internet: www.gavilan.edu/theatre.

Producciones TADA – El Club Teatral ASB de Gavilan patrocinan varios eventos sociales y culturales durante el ciclo escolar., los cuales incluyen: "Fiesta Mexicana", un concierto folklórico; "Historias de mi Madre", un evento de la Agencia "Community Solutions", para el Mes de la Violencia Domestica; Función de una Noche(s), talleres en vivo de otoño y primavera y Noche(s) de Comedia; y otras presentaciones generadas por estudiantes.

En 1985, el Programa del Repertorio Teatral de Verano (STAR), fue creado para ofrecer a los estudiantes de Artes Escénicas del Colegio Gavilan, una oportunidad para compartir su pasión por las artes esenciales con la juventud del Sur del Condado. Los estudiantes del programa académico sirven como líderes de STAR, dirigiendo y produciendo obras continuamente. El Programa de Artes Esenciales ofrece créditos académicos, experiencia en el área de producción y oportunidad para crecimiento individual por medio de las artes. Para mayores informes, llame al 408-848-4764 o visite: www.gavilan.edu.star.
Información en español

**Educación Para la Comunidad**

**Educación Comunitaria**
La Educación Comunitaria está diseñada para la comunidad. Las Clases cortas o sin créditos para niños y adultos ofrecen enriquecimiento y diversión en muchas áreas.

Para los adultos, ofrecemos entrenamiento empresarial y de manejo de empresas, clases de arte y pasatiempos, programas para mejorar la salud y el acondicionamiento físico, aplicaciones en computadora para mejorar la escuela y habilidades de trabajo, la clase que les ayudará a hacer dinero y mucho más.

Nuestro colegio para Programas Juveniles incluye clase y campamentos de matemáticas, inglés, habilidades de estudio, ciencias, deportes y mucho más.

Si usted o sus niños no pueden atender el colegio, tenemos clases en línea que le ayudarán a satisfacer su necesidades personales. Ustedes siempre encontrarán algo para todos aquí en Gavilan. Vea nuestra página de Internet en http://gavilan.augusoft.net para nuestras clases actuales.

Las clases de Educación Comunitaria no reciben fondos de impuestos locales o estatales. Las cuotas han cambiado para cubrir los gastos del programa.

**Programa de No-Credito**
Clases de No-Crédito son ofrecidas y diseñadas para responder a las necesidades específicas e intereses de aquellos estudiantes que no desean obtener créditos por unidades. Estas clases ofrecen oportunidades para mejorar en materias, crecimiento del desarrollo, poder aprender ocupaciones y para aprender otras áreas de educación general. Estos cursos y programas están definidos categoríricamente bajo el Código de Educación, Sección 84711, mientras que los fondos del estado se permiten en diez categorías específicas.

Programa para Personas Mayores - Este programa ofrece clases de interés especial para adultos mayores de 55 años de edad. La mayoría de nuestras clases se llevarán a cabo en lugares de reuniones de adultos mayores con el fin de promover una inscripción satisfactoria y facilidad para dichos estudiantes. Todas las clases son gratuitas. No se requieren pruebas, exámenes ni tampoco se otorgan calificaciones. Las inscripciones se realizan a través de la Oficina de Admisiones y Archivos en el lugar en donde se vaya a impartir la clase, durante la primera sesión de la clase. Los estudiantes deben de contactar directamente a la Oficina de No-Crédito si tienen preguntas o si necesitan más información, teléfono número (408) 848-4859.

**SERVICIOS DE MATRICULACION**
La matriculación es un proceso que facilita el acceso de los estudiantes a los Colegios Comunitarios de California y promueve y mantiene los esfuerzos de los estudiantes para que puedan tener éxito en sus metas educativas. Los servicios de matriculación para clases de no-crédito incluyen:

- Asesoría (inglés, matemáticas, o intereses de carreras)
- Orientación (para programas de no-crédito y procedimientos)
- Asesoría Académica (asiste a los estudiantes a identificar sus metas educativas y de carreras y desarrollar un programa de estudio apropiado)

**POLÍTICA DE ADMISION**
Cualquier persona mayor de 18 años puede inscribirse en clases de no-crédito. Los estudiantes pueden inscribirse en la mayoría de las clases con sólo asistir a la primer clase, si hay espacio, y en cualquier momento del semestre ya que estas clases están diseñadas como inscripción abierta/salida abierta. La información de las clases y de los programas se publica en el Horario de Clases de Gavilan Collage, en otras publicaciones y a lo largo de las instalaciones que se encuentran fuera del colegio. No hay cuotas para las clases de no-crédito.

**CALIFICACIONES**
No se otorgan calificaciones para las clases de Adultos de Edad Mayor, Economía del Hogar, ESL o Parentela, que no sean vocacional o para carreras técnicas o que no sean parte de un programa de Estudios para el Diploma de Transición de la Preparatoria.

**CURSOS**
Una clase de no-crédito está diseñada para responder a las necesidades y aptitudes de aquellos grupos de estudiantes que no desean o necesitan obtener unidades de crédito. Las clases de no-crédito se ofrecen en las siguientes categorías de no-crédito:

**CURSOS DE CONOCIMIENTOS BÁSICOS**
Instrucción de clases de conocimientos básicos de primaria y secundaria así como otros cursos para mejorar materias como lectura, matemáticas e idiomas. La instrucción se ofrece a aquellos que no lo dominan y que desean ampliar sus conocimientos del idioma; adultos con dificultades para el aprendizaje; trabajadores desempleados o desplazados que no cuentan con los conocimientos para obtener empleos de nivel de principiantes o para participar en programas de entrenamiento; personas recomendadas por programas obligatorios y para los adultos que no pueden leer, escribir o hacer cuentas.
CURSOS DE ESL
As clases están diseñadas para satisfacer las necesidades de los estudiantes cuyo idioma natal es otro que el inglés. La misión del programa de ESL para adultos de California es fortalecer a los estudiantes con los conocimientos del idioma y de la cultura que requieren para que puedan lograr tener una mejor vida personal, vocacional, académica y poder obtener la ciudadanía dentro de la Sociedad Americana.

CURSOS DE SALUD Y SEGURIDAD
La instrucción en el área de la salud y seguridad están diseñados para prolongar y mejorar la calidad de la vida de las personas. Las clases en esta categoría recalcan los aspectos positivos de mantener una buena salud física, mental y emocionalmente.

CURSOS DE LA ECONOMÍA DEL HOGAR
Esta categoría de instrucción ofrece cursos que preparan a las personas para obtener empleos de nivel de principiantes o para entrenamientos avanzados en áreas relacionadas con el hogar. Las clases pueden diseñarse para ayudar a las personas y a sus familias a superar los desafíos de la vida cotidiana y desarrollar a la vez los recursos para el crecimiento personal.

CURSOS PARA INMIGRANTES
Las clases se ofrecen a personas que son elegibles para recibir servicios educativos en las materias de ciudadanía, Inglés como Segundo Idioma (ESL) y preparación para la fuerza laboral en las áreas básicas de oratoria, escuchar, lectura, escritura, matemáticas, toma de decisión, y resolución de problemas y otros cursos requeridos para poder participar en entrenamientos específicos para ciertos empleos.

CURSOS PARA ADULTOS MAYORES
Los cursos para adultos de edad avanzada están diseñados para personas mayores de 55 años de edad. Estos son cursos de interés especial para los adultos de edad avanzada que se imparten en la comunidad en varias ubicaciones del distrito del colegio. Estos cursos de no-crédito se imparten por lo regular en centros para ‘seniors’ y en otros lugares accesibles. Los estudiantes se pueden inscribir con el instructor de la clase en cualquier momento del semestre, siempre y cuando haya espacio disponible. No se cobran cuotas por estas clases. Las clases que se imparten en centros del cuidado de la salud están diseñadas para el estudio de la geriatría o de la vejez.

CURSOS PARA PADRES
Los cursos para padres incluyen la participación y cooperación de los padres en las escuelas pre-escolares, cursos en desarrollo infantil y crecimiento y de relaciones padres-hijos. La educación para padres y el fortalecimiento de una buena crianza pueden tener un efecto positivo y significativo en la vida familiar y contribuir al desarrollo saludable de las familias y los niños.

PROGRAMAS VOCACIONALES DE CORTO-TIEMPO
Los programas de no-créditos y de educación para adultos en las áreas vocacionales consisten de una serie de programas encaminados a preparar a las personas para que adquieran empleos pagados o no renumerados, puedan adquirir preparación adicional para incursionar a una carrera, adquirir un nuevo conocimiento o destreza específica para participar en un reentrenamiento laboral para obtener nuevos empleos o empezar carreras nuevas.

Programa de Ocupación Regional (ROP)
Misión –La Oficina de Educación del Condado de Santa Clara ofrece entrenamiento de ROP a los residentes de los condados de Santa Clara y San Benito. Algumas clases se ofrecen en Gavilan College. En algunas clases, los estudiantes pueden obtener créditos para la preparatoria o para el colegio, y una vez que terminen el curso pudieran ser elegibles para inscribirse en clases avanzadas en Gavilan College. ROP ofrece un entrenamiento a los estudiantes para que puedan asegurar empleos, adquirir nuevos conocimientos, o prepararse para una educación en una carrera avanzada. Los estudiantes deben ser mayores de 16 años para participar. Las clases son gratuitas para los estudiantes de preparatoria y para los adultos. El Programa de Ocupación Regional (ROP) de Gavilan College ofrece desarrollo para carreras y oportunidades de preparación para la fuerza laboral. ROP ofrece clases en áreas tan diversas como: contabilidad, negocios, Academia CISCO Networking, ciencias de computación, carreras de salud, seguridad pública y servicios públicos y humanos. Los cursos de ROP se enfocan en el entrenamiento que requieren los estudiantes para poder competir en el mercado laboral técnico de hoy día. Las destrezas adquiridas ayudan a los estudiantes a obtener empleos, reforzar sus conocimientos, y/o buscar una educación superior en el área de su especialización. Una vez que se concluyan los cursos, el estudiante recibirá un Certificado de Constancia de ROP. Las clases de ROP pudieran incluir gastos adicionales para la compra de libros y útiles escolares.

*Las cuotas que cobra Gavilan College son para las clases de crédito de Gavilan College. Para información más actualizada sobre los horarios y clases, favor de contactar a un especialista de ROP.

Kathleen Rose  (2009)
B.A., SUNY Geneso; M.Ed., University of Arizona; Ed.D., University of Arizona

**Vice President, Student Services**
John Pruitt  (2005)
B.M.E., M.Ed., University of Oklahoma

**Vice President, Administrative Services**
Joseph Keeler  (1999)
B.S., Humboldt State University; M.S., Golden Gate University; C.P.A. (California)

**Dean, Career Technical Education**
Sherrean Carr  (1985)
B.A., University of California, Santa Barbara; M.A., San Jose State University

**Dean, Liberal Arts and Sciences**
Frances Lozano  (1995)
B.A., University of California, Berkeley; M.A., California State University, Fresno

**Dean, Physical Education & Athletics**
Ron Hannon  (2001)
B.A., M.A., San Jose State University

**Associate Dean, Community Development/Grants Management**
Rachel Perez  (1998)
B.A., M.A., San Jose State University

**Associate Dean, Disability Resource Center**
Frances Lopez  (1996)
B.A., M.A., San Jose State University

**Associate Dean, EOPS, CalWORKs & CARE**
Anne Ratto  (1999)
B.A., Sonoma State University; M.A., University of San Francisco

**Executive Director, South Bay Regional Public Safety Training Consortium**
Steven Cushing  (2007)
B.S., San Jose State University; M.S., University of San Francisco
Full-Time Faculty

Abad-Cardinalli, Marilyn (1973) 408-848-4764
Fine Arts, Theatre Arts, Television
B.A., M.A., San Jose State University

Amaro, Debra (1999) 408-848-4841
Allied Health
B.S.N., San Jose State University; M.S.N., San Jose State University

Amirkhanian, Maria (2006) 408-848-4796
Music
B.M., Komitas State Conservatory of Music, Yerevan, Armenia; M.A., California State University, Fresno; Ph.D., Tchaikovsky State Conservatory of Music, Moscow, Russia

Andrade, Neal (2006) 408-846-4916
Head Baseball Coach, Physical Education Instructor
A.A., Gavilan Community College; B.S., Portland State University, Portland, OR; M.A., Nova Southeastern University, North Miami Beach, FL

Arteaga, Blanca (2007) 408-848-4747
Counseling, EOPS, CalWORKs
A.A., Gavilan College; B.A., M.A., San Jose State University

Auyeung, Shuk Chun (1989) 408-834-4009
Library
B.A., University of Hong Kong; M.S.L.S., Catholic University of America

Bedell, Kaye (1983) 408-848-4866
Allied Health
R.N., Jefferson Medical College Hospital, Philadelphia, PA; B.S.N., California State University, Sacramento; M.S.N., University of California, San Francisco; F.N.P., University of California, Davis

Beede, Robert (2001) 408-848-4843
Digital Media
A.S., Cabrillo College; B.S., San Francisco State University; M.S., San Jose State University

Besson-Silvia, Denise (2001) 408-848-4831
Communication Studies
B.A., Stanislaus State University; M.A., San Jose State University

Brown, Cheryl S. (2001) 408-842-0334
CareerPrep, HOPE, Disability Resource Center
A.A., West Valley College; B.A., San Jose State University; M.S.W., San Jose State University

Bumgarner, Marlene Anne (1985) 408-848-4805
Child Development, Social Science
A.A., College of San Mateo; B.A., San Diego State University; Elementary Teaching Credential for Life, California Commission on Teacher Credentialing & Licensing; M.A., San Jose State University; Ed.D., Nova Southeastern University

Burgman, Lori (2008) 408-848-4861
Disability Resource Center
A.A., Gavilan College; B.A., M.A., San Jose State University

Campbell, Kathleen (2001) 408-846-4982
English as a Second Language
B.A., University of California, Riverside; M.A., San Jose State University

Cisneros, Nicole (2007) 408-852-2829
English as a Second Language
B.A., University of the Pacific, Stockton, CA; M.A. TESOL, Monterey Institute of International Studies; Language Program Administration Certificate, Monterey Institute of International Studies, Monterey, CA; California Single Subject Teaching Credential (Spanish), Chapman University, Monterey, CA

Clark, Dale (2000) 408-848-4836
Chemistry
B.S., California State University, Bakersfield; Ph.D., University of California, Santa Cruz

Connal, David T. (1980) 831-637-1151
Aviation
California Community College Life Credential; A&P License

Cribb, Gary D. (1993) 408-852-2806
Computer Place
A.A., San Jose City College; B.A., M.A., San Jose State University

Crook, Erin (2001) 408-846-4913
English
A.A., A.S., Cabrillo College; B.A., M.A., Stanford University

Dachkova, Elena (2001) 408-848-4708
Mathematics
B.S., M.S., Moscow Institute of Petrochemical and Gas Industry

Dequin, Nikki (2007) 408-848-4894
Head Softball Coach/Physical Education Instructor
A.A., B.S., M.S., San Jose State University

Dodd, Susan (1976) 408-848-4893
Physical Education, Athletics
B.S., California State University, Chico; M.S., University of Bridgeport

Dresch, Marla (2001) 408-846-4915
Mathematics
B.S., California State University, Chico; M.A., University of California, Davis; M.S., California State University, Hayward

Dufresne-Reyes, Alice (1996) 408-848-4791
Health Nurse
A.A., A.S., Chaffey Community College, Alto Loma; B.S., Nursing, Sonoma State University; M.S., University of California, San Francisco

Parking Fees:
All cars parked on campus must display a parking permit.
Visitors may park in Lot F with a permit issued by the receptionist located next to the Admissions Office. Staff stickers are required for all staff areas.

Student Parking Information:
Student parking is permitted in marked spaces in Lots A, C, E or H, except where restricted to persons with disabilities, staff or visitors.
Day parking permits can be obtained for 75 cents from coin operated machines in Lot A, E and at the South entrance to the campus.

Students with Physical Disabilities:
All buildings on campus are accessible. Campus maps indicating the locations of ramps are available at the information desk in the administration building or the Disability Resource Center Office located in LI 117.

Statement of Accuracy
The Gavilan Community College District has made every reasonable effort to determine that everything stated in this catalog is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the Gavilan Joint Community College District. The district and the college further reserve the right to add, amend, or repeal any of the rules, regulations, policies and procedures, consistent with applicable laws.
