OUT OF CLASS ASSIGNMENTS:
Please choose one of the following topics to research throughout the semester. You will write two papers about your topic. The first is a fieldwork “description” paper, comprising part of your midterm. This paper will be based on your first two hours (round 1) of fieldwork. Your final paper is a “description and analysis” paper, builds on your first paper, and is based on your last two hours (round 2) of fieldwork. Your first paper is mainly descriptive, while your final paper is a thesis-driven, analytical paper. Both papers will be evaluated on the quality of your original research.

1) What can a life history tell you about someone’s religious or spiritual path?
2) How do rituals and ceremonies build a culturally specific sense of community?
3) What kinds of beliefs do people have about the relationship between gender roles and religious/spiritual practices and beliefs?
4) How do people create social change through their religious or spiritual practices?
