CONTENT, STUDENT PERFORMANCE OBJECTIVES, OUT-OF-CLASS ASSIGNMENTS
Curriculum Approval Date: 03/23/2015

30 Hours
Discussion of course requirements/expectations of the class. Stretching and conditioning activities specific to volleyball will be presented. Conditioning drills designed for improving volleyball skills will be introduced. This may include such activities as: shuttling drills, agility footwork, passing drills, and run throughs. Students who repeat the class will be provided a leadership opportunity by the instructor. They will have their skills or proficiencies enhanced by supervised repetition and practice.

SPO: Students will demonstrate proper stretching and warm-up techniques. They will execute a variety of conditioning and skill drills.

42 Hours
Development of individual and team skills required for volleyball. This may include working on 3-person passing and hitting schemes. Continue work on conditioning drills and skills required to compete. Introduce/review the offensive and defensive schemes that will be used throughout the season. Implement offense (combination hits) and defenses (read and rotation). Discussion and practice of team defense responsibilities. Students who repeat this course will become more proficient in these skills through repetition of the drills. They will be able to explain the strategies involved in the sport as well as demonstrate improvement in their consistency.

SPO: Skill techniques specific to the individual's position will be demonstrated by the player. They will be able to demonstrate individual and combination offensive attacks and execute fundamentally sound defensive skills. They will be able to execute these strategies in scrimmage and game situations.

96 Hours
Formulate and execute a game plan specific to that week's opponent(s). Students who repeat the course will improve on consistency and increase their success rate.

SPO: Students will be able to execute each game plan.

NOTE: The daily class schedule will generally utilize the following format:
---warm up (stretching and conditioning)
---skill work (such as passing, setting, and run throughs with and without partners)
---individual work on skills/techniques broken down into small groups by position (examples being 3-person passing, hitting drills, and block and transition footwork)
---team drills (implementing/reviewing offensive and defensive situations, may include scrimmage)

NOTE: A week is typically broken into:
---Monday - conditioning, fundamentals work on passing and hitting and serving and receiving
---Tuesday - skill work on passing, hitting, and competitive situation drills
---Wednesday - intercollegiate competition
---Thursday - individual and team work on passing, blocking and transition, serving, and defense.
---Friday - intercollegiate competition
10 Hours
Individual meetings/evaluations of each player with the coach/instructor.

2 Hours
Final.

NOTE: Intercollegiate athletics at Gavilan College is conducted according to the regulations of the California Community College Athletic Association and under the supervision of the Coast Conference.
