CONTENT, STUDENT PERFORMANCE OBJECTIVES, OUT-OF-CLASS ASSIGNMENTS

Curriculum Approval Date: 10/23/2017

15.5 Hours

CONTENT: Students will receive their greensheets, review lab requirements and procedures, and take a tour of the language lab.

Students will practice greetings and classroom vocabulary and expressions. They will be exposed to the

French pronunciation system

and learn the alphabet. They will learn the days of the week and months and will count with the purpose of telling time. Students will be introduced

to the concept of French formality through the custom of greetings and register. HOMEWORK: Students will do workbook exercises, view instructional French videos and do listening exercises with

accompanying comprehension questions. COURSE PERFORMANCE OBJECTIVES:

Students will recognize and respond to classroom expressions, demonstrate understanding of

French formality through appropriate use of register during greetings, use numbers to give the date and tell the time.

15.5 Hours

CONTENT: Students will learn the names for different people, places and things and will use the form "this is" and articles in doing so. They also learn the present tense of the verb "to be" (etre) along with subject pronouns. Students will read about the French educational system.

HOMEWORK: Students will do workbook exercises, view instructional French videos and do listening exercises with accompanying comprehension questions. STUDENT

PERFORMANCE OBJECTIVES:

Students identify and describe people, place, and things by using the present tense of the verb "to be." Students will discuss and compare French and American school systems.

15.5 Hours

CONTENT: Students will learn vocabulary to talk about their free-time

activities. They will learn how to conjugate and ask questions with regular -er verbs. Students will learn about the French and their regard for food. HOMEWORK:

Students will do workbook exercises, view

instructional French videos and do listening exercises with accompanying comprehension questions. STUDENT PERFORMANCE OBJECTIVES:

Students will speak and ask about activities using the present tense. They will discuss the place of food in French culture.

15.5 Hours

CONTENT: Students will learn the present tense of "to have" (avoir), possessive adjectives and prepositions to talk about themselves and their possessions. They will learn about French-speaking Canada.

HOMEWORK: Students will do workbook exercises, view instructional French videos and do listening exercises with accompanying comprehension

questions. STUDENT PERFORMANCE OBJECTIVES: Students will make use of the irregular verb "to have" to describe their possessions.

They will recognize and express traits of French-speaking Canada.

15.5 Hours

CONTENT: Students will learn the irregular verb "to go" (aller) to express the idea of immediate

future (what they are going to do) They

will also learn verbs for transportation like "prendre" and "venir" to

talk about transportation issues. They will also talk about their

families. They will extend the use of "avoir" to include expressions

of need that use that verb. They will read and discuss French culture

in French Louisiana. HOMEWORK: Students will do

workbook exercises,

view instructional French videos and do listening exercises with

accompanying comprehension questions. **STUDENT PERFORMANCE OBJECTIVES:**

Students will employ the immediate future tense to discuss future activities. They will use "avoir" expressions to express their needs. They will explain the origins and customs of French Louisiana. Students will demonstrate orally and in written form by taking and passing a test.

15.5 Hours

CONTENT: Students will learn the verb "faire" and talk about the weather. They will learn the past tense (passe compose) and talk about their actions in the past. Students will read about and discuss

favorite French past-times. **HOMEWORK:** Students will do workbook exercises, view instructional French videos and do listening exercises with accompanying

comprehension questions. **STUDENT PERFORMANCE**

OBJECTIVES: Students will apply the verb "faire" to talk about the weather and the past tense to describe past activities. Students will

compare and contrast favorite American and French leisure-time activities.

2 Hours

METHODS OF INSTRUCTION:
