CONTENT, STUDENT PERFORMANCE OBJECTIVES, OUT-OF-CLASS ASSIGNMENTS

Curriculum Approval Date: 10/12/2015

3 - 6 Hours

Content: Discuss course syllabus, grading and class procedures. Review throwing and catching. Presentation on throwing/catching skills specific to various positions. Review hitting, including the basic bunt. Introduce the mechanics for the drag, push and squeeze bunts and discuss the situations where each type of bunt might be used.

Student Performance Objectives (SPO): Discuss the throwing/catching skills required for the different positions. Demonstrate the drag, push and squeeze bunts. Explain when/why each type of bunt would be used.

Out-of-Class Assignments:

6 - 12 Hours

Content: Review the drag, push and squeeze bunts. Review the mechanics for fielding a baseball. Presentation on each of the positions - infielders, outfielders, catchers and pitchers. Explain the relationship necessary between the catcher and pitcher. Discuss specific cardio, endurance and agility training required

for each position. For example: pitchers and catchers should be doing plyometric training and endurance training while infielders/outfielders should be doing agility and speed training.

Student Performance Objectives (SPO): Explain the responsibilities of each of the positions and name the types of conditioning required for each position. Participate in class activities.

Out-of-Class Assignments:

3 - 6 Hours

Content: Introduce scorekeeping and how to keep the score book. Review basic base running and explain and demonstrate: base stealing techniques, routes around bases, primary leads and secondary leads. Introduce the mechanics for sliding and diving into a base. Continue working on all baseball skills in a variety of drill and game-like activities. Practice developing the skills required for each position.

Student Performance Objectives (SPO): Practice marking a score book. Demonstrate the correct techniques for sliding and diving. Explain the difference between a primary lead and a secondary lead. Discuss the techniques required to steal a base. Participate in class activities.

Out-of-Class Assignments:

3 - 6 Hours

Content: Review how to keep a score book. Review base stealing, sliding and diving. Continue to practice all baseball skills - catching, throwing, fielding, hitting, base running, sliding and diving - in a variety of drill and game-like activities.

Student Performance Objectives (SPO): Apply all the baseball skills learned to date in a variety of drill and game-like activities. Participate in class.

Out-of-Class Assignments:

6 - 12 Hours

Content: Continue to review each of the positions and explain the defensive positioning for each. Introduce pitcher fielding drills, including how to position for fielding comebackers, bunts and turning double plays. Presentation on relays from the outfield to the infield. Incorporate all skills and the correct mechanics for each into game-like situations.

Student Performance Objectives (SPO): Discuss the defensive positioning for each player, depending on the situation. Explain and perform pitcher fielding drills, including the techniques for comebackers, bunts and turning double plays. Utilize the correct mechanics for each of the baseball skills performed.

Out-of-Class Assignments:

4.5 - 9 Hours Content: Review defensive positioning, including the pitchers responsibilities. Continue to work on skill building by incorporating a variety of activities which allow the students to practice all skills learned. Skill testing.

Student Performance Objectives (SPO): Practice the correct techniques when performing all skills in drill and game-like activities. Participate in class activities, including skill testing.
