## Ability to Benefit Certification Form for Six Units of Degree Applicable Coursework

One of the requirements for eligibility for federal financial aid is that all applicants must show the ability to benefit from a college education. Students who have earned a high school diploma, a GED, or a State Certificate of Proficiency are automatically determined to have the ability to benefit.

You can also show ability to benefit by earning a passing grade on an ability to benefit test or by satisfactorily completing six credit hours of coursework that are applicable toward a degree or certificate at Gavilan College. Once you have successfully met one of these requirements, we can resume processing your federal financial aid application.

Please make an appointment to see a Gavilan College counselor to determine if meet the six units of degree applicable coursework.

I certify that the above named student has **satisfactorily completed** the following six units that are applicable toward a degree or certificate at Gavilan College.
