STUDENT RESPONSIBILITIES & FINANCIAL AID POLICIES

Please read each and initial.  Your initial indicates you have read and understand the following:

_______ Prior Credit Evaluations:  Students who have attended prior colleges and universities will be required to submit official transcripts to Admissions & Records, meet with Gavilan counselor for prior unit evaluation, development of Ed Plan, and sign off on Request for Extension.

_______ Satisfactory Academic Progress Policy (SAP Policy):  Financial aid applicants and recipients are required to maintain academic progress as defined by SAP Policy, which can be viewed at www.gavilan.edu/finaid.

_______ I understand additional requirements may be posted on my MyGav after my documents have been reviewed.  For example, if I am a returning student, I understand my academic status may be updated to “disqualified” if I have not met the conditions of the SAP Policy as of my last semester at Gavilan College.  I can find updated information on my financial aid status and awards by viewing My Gav.
Unusual Circumstances: If you (or your parent) have lost a job, or have reduced work hours, or experienced the death of a parent recently, the Financial Aid Office may use professional judgment to change your income information reported on the FAFSA. Go to http://www.gavilan.edu/finaid/forms/index.html to review and complete Request for Professional Judgment.

Priority Document Deadline: I understand the first document deadline for students whose FAFSAs were fully processed is: 06/01/2012. Documents received by 6/1/2012 will be reviewed, and if the student maintains academic progress and meets other eligibility requirements, grants and student loans will be processed for the first Fall 2012 disbursement. This deadline also applies to Federal Work Study award offers.

Late Document Deadlines by term: Students who miss the priority document deadline of 6/1/2012 are encouraged to submit documents by term deadlines listed on page 1. Document review takes an average of 2 – 3 weeks. Please plan accordingly.

Report current mailing address: I understand it is my responsibility to report current mailing address as the College mails financial aid checks to students. I understand I may change my address on MyGav OR by submitting an address change form to Admissions Office.

PELL Lifetime Limits: I understand effective 7/1/2012, Pell Grants will be limited to the equivalent of six years of full time enrollment. I understand the importance of enrolling in only required classes for my educational goal.

AWARD PROCESSING

Withdrawing from All Classes: If you receive federal aid and withdraw from all of your classes, you may be required to repay funds. Financial Aid will do a return calculation to determine the amount of earned aid – which is based on the number of days you were in class. Students who owe funds will receive “Student Account Statements” from Financial Aid.

If you stop attending all classes: If you receive federal aid and stop attending your classes, you may be required to repay funds. Financial Aid will do a return calculation to determine the amount of earned aid – which is based on the number of days you were in class. Students who owe funds will receive “Student Account Statements” from Financial Aid. Students are responsible for officially withdrawing from classes; failure to “drop classes” may result in “F” grades. Students who receive all “F” grades, or a combination of “F” grades, “W” grades, or “NP” grades may owe funds as they are considered to have stopped attending classes.

Changes in enrollment status: Grants are calculated according to the following enrollment statuses: Full time (12 or more units); ¾ time (9-11.5 units), Half-Time (6.0 – 8.5 units); Less than half-time (0.5 – 5.5 units). If you are paid at an enrollment status and later decrease units, you will be billed for the grant difference and will receive a “Student Account Statement.”

MY STUDENT ACCOUNT

I understand tuition and fees for the current aid year and the prior aid years will be applied to federal aid disbursement. I authorize payment for any other educationally related charges for the current aid year and prior aid years, but am free to cancel this authorization at any time.
