Your 2013-14 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says
that before awarding Federal Student Aid, we may ask you to confirm the information you (and your spouse if married) reported on your
FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the
information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be
corrected. Note: Gavilan College may require additional documentation if we have reason to believe that the information regarding
the household members enrolled in eligible postsecondary educational institutions is inaccurate.

C. Independent Student’s Income Information to Be Verified

1. TAX RETURN FILERS—

Instructions:

Complete this section if you, the student, filed or will file a 2012 income tax return with the IRS. The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2012 IRS income tax information into your FAFSA. It takes 2-3 weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and 8-11 weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.

Check the box that applies:

☐ I, the student, have used the IRS Data Retrieval Tool in FAFSA on the Web to transfer my (and, if married, my spouse’s) 2012 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. Your school will use the IRS information that was transferred in the verification process.

☐ I, the student, am unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and I am submitting to the school 2012 IRS tax return transcript(s)—not photocopies of the income tax return. To obtain an IRS tax return transcript, go to www.IRS.gov and click on the “Order a Return or Account Transcript” link, or call 1-800-908-9946. Make sure to request the “IRS tax return transcript” and not the “IRS tax account transcript.” You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when your 2012 IRS tax return was filed). It takes 2-3 weeks for IRS income information to be available for electronic IRS tax return filers, and 8-11 weeks for paper IRS tax return filers. If you are married and you and your spouse filed separate 2012 tax returns, you must submit tax return transcripts for both you and your spouse.

☐ Check here if an IRS tax return transcript(s) is attached to this worksheet.

2. TAX RETURN NONFILERS—

Complete this section if you, the student (and, if married, your spouse), will not file and are not required to file a 2012 income tax return with the IRS. Check the box that applies:

☐ The student (and, if married, the student’s spouse) was not employed and had no income earned from work in 2012.

☐ The student (and/or the student’s spouse if married) was employed in 2012 and has listed below the names of all employers, the amount earned from each employer in 2012, and whether an IRS W-2 form is attached. Attach copies of all 2012 W-2 forms issued to you (and, if married, to your spouse) by employers. List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and SSN at the top.

I have indicated below the name of the person who paid the child support, the name of the person to whom the child support was paid, the names of the children for whom child support was paid, and the total annual amount of child support that was paid in 2012 for each child. ☐ NO: I did not pay child support in 2012. If married, my spouse did not pay child support in 2012.

Note: If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as:

- A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
- A statement from the individual receiving the child support certifying the amount of child support received; or
- Copies of the child support payment checks or money order receipts.
