Colleges must evaluate prior credit, grant credit as appropriate, notify the student of the evaluation, and shorten the program certified accordingly. Whenever a student initially enrolls or changes programs a credit evaluation must be completed within the first semester. VA Department will review credit evaluation during compliance reviews and credit evaluation records must be kept and made available.

Only classes reflected on your Gavilan Student Educational Plan will be certified for benefits

Veteran’s Benefits Statement of Responsibility
While attending Gavilan College, it is your responsibility to comply with the following guidelines. This list is a combination of Veterans Administration regulations and college policy, but is not inclusive.

Gavilan Student ID: G00____________________  Veteran File (SSN) _____________________________

Name: ______________________________________________________________________________________

Last       First     Middle

Address: ____________________________________________________________________________________

Street Address     City      State      Zip

Telephone: __________________________ Email Address: ______________________________________

I understand that I have the following obligations while attending Gavilan College and receiving VA Educational Benefits:

1. You must submit official transcripts from all previous colleges you attended prior to enrolling at Gavilan College. Official transcripts must be on file before the second semester certification in order to give proper credit for courses completed.

2. You must complete a Student Educational Plan (SEP) with an academic counselor prior to the beginning of your first semester. Thereafter you are required to maintain an updated SEP. If you change classes after certification and the new classes are not on your SEP then you must meet with an academic counselor to update your plan or risk decertification.

3. **Students must declare an educational objective/major.** You must be enrolled in a VA approved program for an associate degree, certificate, or to transfer by your second semester at Gavilan College. The classes a veteran or dependent student enrolls in must be required for the major. If the class is not part of the required coursework, the VA will not pay for the class.

4. You may change your educational objective/major between semesters. Changing your objective requires obtaining a new SEP from your academic counselor.

5. You must notify the Gavilan Certifying Official immediately of any change in the number of units or classes you are taking or if you have terminated/withdrawn from the school. You may require to pay back to the VA any money received when a grade of “F” or Not Passing (NP) is received unless there are mitigating circumstances. Withdrawing from a class requires you to pay back cost of the class.

6. Chapter 30 (Active Duty), Chapter 1606 (Selected Reserve), Chapter 1607, and VRAP must notify the VA on the last day of each month or within the 1st week after to verify your enrollment. You can call (877)823-2378 or go online at www.gibill.va.gov/wave/ for enrollment verification. Chapter 33 (Post 9/11) and Chapter 365 (Dependents) are not required to verify enrollment.

7. If you are called to active duty, you are entitled to a full refund of your enrollment fee. If called to active duty you are not required to pay back any VA money due to terminating enrollment. You must submit a copy of your orders to Gavilan College.

8. Keep in mind that the Summer Semester unit value is different than the fall and spring semesters. For summer semester 6 units is full-time.

**Chapter 33 (Post 9/11) only:**

1. In order to collect the monthly allowance, you must be certified for more than half-time (7 units in the fall and spring semesters). If your certification drops to half-time or below, you will stop receiving a monthly payment. Veterans must be enrolled full-time to receive their BAH entitlement. Your BAH will be less or differ greatly in the amount you receive if taking online classes only.

2. If you withdraw, drop, or receive a failing grade this may lead to an overpayment resulting in a debt. If an overpayment is created resulting in a debt you may be responsible for repaying the VA for tuition and fees, books, and the basic housing allowance. The amount of the overpayment may vary depending on the date in which you withdraw, drop, or receive a failing grades

**FYI: The time in receiving educational benefits once you are certified can be anywhere from six to eight weeks or longer. This is why it is important to turn in your SEP and Enrollment Data Request (EDR) as soon as you register for classes.**

I, the undersigned, do hereby affirm that I have received, understand and will comply with the “Veteran Statement of Responsibility”. I further affirm that I understand I will be liable for any overpayment caused by my failure to adhere to the “Veteran Statement of Responsibility” and will advise Gavilan College Certifying Officials of any changes in my enrollment.

**Summary: Satisfactory Academic Progress Policy**

The primary purpose of Veteran Educational Benefits is to assist students in achieving an educational objective. Academic status is an index of student’s academic eligibility for continuing enrollment and certification for Veteran Educational Benefits. Remember you have a limited time to complete your education goal.

<table>
<thead>
<tr>

**If on Academic**

Continuing Veteran will not be certified until grades are posted for probation term and academic progress is demonstrated.

You will have to pay tuition & fees or complete the Free Application for Federal Student Aid (FAFSA). To apply go to [ww.fafsa.edu.gov](http://ww.fafsa.edu.gov).

**Academic Requirements**

<table>
<thead>
<tr>
<th>OVERALL GPA</th>
<th>TERMIN PACE</th>
<th>OVERALL PACE</th>
</tr>
</thead>
<tbody>
<tr>
<td>♦ Maintain overall grade point average of at least 2.0</td>
<td>♦ Earn at least 67% of units you attempt each semester.</td>
<td>♦ Earn at least 67% of units you attempt on overall basis</td>
</tr>
</tbody>
</table>

**How is pace calculated?**

Pace is calculated by dividing the number of units earned by number of units attempted.

**Example:**

Student attempted 12 units in fall semester and successfully completed 8 units. To calculate term pace: Divide 8 (units completed) by 12 (units attempted). Student completed 66.67% of courses attempted, which is below 67%. Student was required to complete 8.5 units, which calculates term pace of 70.83%.

**Maximum Timeframe**

Student Veterans are required to have an educational goal of certificate, associate degree or transfer program to be certified for Veteran Education Benefits. Completing educational goal in a reasonable amount of time is essential, given the number of months you are eligible to receive your Veteran Educational Benefits. Students who don’t complete their educational goal within the maximum timeframe can exhaust their VA Educational Benefits.

Students with extenuating circumstances may submit an Education Plan and Request for Extension for consideration.
