

Gavilan College Music Department presents
Fourth Annual Marian Filice
Youth Piano Competition
March 1, 2009

Dear Teachers and Parents:

It is hard to believe that a year has passed since the third annual Marian Filice Piano Competition. Now entering into its fourth edition we are extremely proud of the results that the Competition obtained through its young history. With the continued support of teachers and parents, we expect the competition to continue its success.

This Competition will take place at the Gavilan College Theatre on Sunday, March 1, 10:00am, Gilroy California. Gavilan College welcomes all who live in the Gavilan College service areas to participate in this event.* It is our goal to help develop and to support the talents of the young people in our community as well as to make available the resources we all can share at Gavilan College.

Marian Filice was a strong supporter of music and arts education, especially local education. She herself taught piano in Gilroy for many years. We join her family, whose generous support makes this competition possible, in hoping to encourage students in striving for musical excellence and in creating an opportunity for them to share their talents with the entire community. A more complete biography can be found on our webpage at www.gavilan.edu/music

The Competition will consist of two divisions. The Junior division will be open for students who are in grades 5-8. The senior division will be open for students who are in grades 9-12. Each participant will be expected to have prepared (by memory) two stylistically contrasting pieces (e.g., Baroque, Classical, Romantic, or Contemporary). One original copy of the piece must be supplied for the judges on the day of the Competition. The entry fee is \$25.00, non refundable, per participant paid to Gavilan College.

There will be two judges, to be announced, who will select three winners and honorable mentions for each division. The winner of the Senior Division will be

invited to play at the Gavilan *Bach To Blues* Concert in March and may be asked to perform for the South Valley Symphony Youth Concert. Each contestant will get a Certificate of Participation.

We are looking forward to next March, in the hope that, as with former edition the Forth Annual Marian Filice Piano Competition will turn into a joyous musical event. See you soon!
