Mandatory Vaccinations

Board Policy 5210:

• The GJCCD is committed to providing a safe and healthy learning environment.
• The Superintendent/President will establish procedures in line with state and local public health officials for prevention and control of communicable diseases.

Administrative Procedure 5210:

• To comply with the immunization program recommended by the State Department of Health Services, students are required to be fully vaccinated against COVID-19 unless approved as exempt due to verified medical or religious reasons.
• Individuals are considered to be fully vaccinated against COVID-19 2 weeks or more after they received the second dose of a two-dose series or two weeks after they received a single dose vaccine.
• Individuals must provide proof of vaccination to the District and a signed Confidentiality of Medical Information Act (CMIA) Release Form: CMIA Authorization Form 9.27.2021.docx

BP/AP 5210 details can be accessed at: https://go.boarddocs.com/ca/gjccd/Board.nsf/public
Board Policy 7330:
• The GJCCD is committed to providing a safe and healthy learning environment.
• The Superintendent/President will establish procedures in line with state and local public health officials for prevention and control of communicable diseases.
• All employees shall have on file a medical certificate indicating freedom from communicable diseases, the COVID-19 vaccination, and tuberculosis. No employee shall commence service until such medical certificate has been provided to the District.

Administrative Procedure 7330:
• The District will cooperate with state and local public health officials by taking any measures necessary for the prevention and control of diseases in employees.
• The GJCCD Board of Trustees requires all employees working on any campus or performing off-campus person-to-person services for the District to be vaccinated for COVID-19.
• Individuals are considered fully vaccinated against COVID-19 two weeks or more after they received the second dose in a two-dose series or two weeks or more after they have received a single dose vaccine. Employees must provide proof of vaccination to the District and must submit a signed Confidentiality of Medical Information Act (CMIA) Release Form: CMIA Authorization Form 9.27.2021.docx.

Student Exemptions from Vaccination Requirement BP/AP 5210

• **Medical Exemption**: Students must submit a written statement from a licensed medical provider explaining the medical contraindication and the time period for which the exemption is being requested. This must be submitted on the medical provider’s letterhead with the provider’s contact information and date issued.

• **Religious Exemption**: If a student objects to vaccination on the basis of a sincerely held religious belief, the student must complete and submit a request to the Student Services Department.

• If a student provides proof of a medical exemption or has submitted a request for religious exemption, the student will be required to complete weekly testing and provide the test result information to the District.
Employee Exemptions from Vaccination Requirement BP/AP 7330

• **New Employees:** New employee assignment will be conditional for a maximum of 30 days upon signing and submitting a written statement attesting that they have been vaccinated as required or upon seeking an exemption pursuant to protocol.

• **Medical Exemption:** Employee must submit a written statement from a licensed medical provider exempting them due to the person’s disability or serious medical condition.

• **Religious Exemption:** Employee must complete and submit the Religious Accommodation Request Form for COVID-19 Vaccination based on a sincerely held religious belief.

• If an employee provides proof of a medical exemption or has submitted a request for religious exemption, the employee will be required to complete weekly testing and provide the test result information to the District.
