**PHIL 4 Critical Thinking and Writing**

Prerequisite: English 1A
Transferable: CSU; UC; CSU-GE: A3; IGETC: 1B; GAV-GE: C2

This course is designed to introduce the relationship between critical thinking and critical writing in a way that will be both enjoyable to the student and helpful in other aspects of life. The student will learn techniques of critical thinking, playing close attention to the current events, movies and popular media, music lyrics, as well as the textbook. Students will learn to identify deductive and inductive arguments and be able to evaluate their strength, create a strong argument of their own on a given topic, as well become experts in the area of critical analysis. The goal is to enable students to become strong, well informed, articulate members of the community as well as individuals with an empowered sense of self as an agent of change.

**PHIL 6A Comparative Religions**

Advisory: Eligible for English 1A.
Transferable: CSU; UC; CSU-GE: C2; IGEC: 1B; GAV-GE: C2, F

Religion is a topic that ignites controversy -- most societies engage in religious practices, believe strongly in that tradition, and find a sense of identity within it. The controversy arises when differences are misunderstood, misrepresented, or placed in a hierarchy of assumed supremacy of one religion as superior to others. In this class, students explore the underlying commonality of various religious traditions, explore the uniqueness of the religions with which they are unfamiliar, and learn to see that diversity among beliefs doesn't have to create hostility. Students will explore religions from Indigenous Peoples throughout the world, East Asia (e.g. India), China, the Middle East, as well as some more recent trends in religion.

**PHIL 7A History of Philosophy: Ancient to Medieval Times**

Advisory: Eligible for English 1A.
Transferable: CSU; UC; CSU-GE: C2; IGETC: 3B; GAV-GE: C2

Philosophy 7A is a survey of the history of philosophy from the ancient to the medieval periods. It is a great class to take along with World History or a literature course.

**PHIL 23 Independent Study**

Required: The study outline prepared by the student and the instructor must be filed with the department and the dean.
Transferable: CSU

Designed to afford selected students specialized opportunities for exploring areas at the independent study level. The courses may involve extensive library work, research in the community, or special projects. May be repeated until six units of credit are accrued. This course has the option of a letter grade or credit/no credit.

**PHIL 3A Ethics**

Advisory: Eligible for English 1A.
Transferable: CSU; UC; CSU-GE: C2; IGETC: 3B; GAV-GE: C2; CAN: PHIL 4

Philosophy 3 is intended as a survey of the major areas and traditions of ethical and moral theories. The course examines central and significant questions about who determines what is morally right or wrong, the ideal society, the various notions social justice, moral agency and action in our lives and community, as well as many other topics. In pursuing these questions, students will be asked to read texts from writers around the world, both contemporary and ancient, discuss current events, and apply 'theory' to movies, novels, and any other relevant application of the student's own choice.

**PHIL 2 Logic**

Advisory: Eligible for English 1A.
Transferable: CSU; UC; CSU-GE: A3; GAV-GE: C2; CAN: PHIL 6

Philosophy 2 is intended as a survey of the primary approaches to argumentation and what has been traditionally called 'correct' reasoning. Students will learn techniques of both deductive and inductive argumentation, basic symbolic logic, how to spot a fallacy, as well as how to apply these techniques to other aspects of their lives outside of the classroom. While logic is often quite formal, the goal is to see the practical application of this discipline. Students will become acquainted with the cultural variations to reasoning in addition to the standard Western focal approach.

**PHIL 3A Ethics**

Advisory: Eligible for English 1A.
Transferable: CSU; UC; CSU-GE: C2; IGETC: 3B; GAV-GE: C2; CAN: PHIL 4

**FACULTY**

**Profile**

**Stephanie Pascucci:**

I went to college at San Jose State University where I got a full-ride scholarship for volleyball. I played there from 1999-2002 and graduated Cum Laude in 2003 with my Bachelors of Science degree in Kinesiology, with an emphasis in sport management. While at SJSU, I made the WAC All-Academic team 3 years, got the Order of Sparta award, was named to the 1st team All-WAC for volleyball and was the first athlete at SJSU to get the Stan Bates Award (Top female student-athlete in the WAC). I went on to get my masters degree at SJSU in sport management and graduated in 2005. While getting my graduate degree, I was an assistant coach for the women’s volleyball team.

My philosophy is that you get out of it what you put into it when it comes to academics and athletics. You should push yourself to be the best and do your best!!

I currently teach and coach volleyball at Gavilan and I’m also the volunteer coordinator for the San Jose Grand Prix.
