First Year Experience A Wise Choice

First Year Experience (FYE) is a program in place in many colleges across the country. This program was developed because research has shown that students who make connections with their teachers, classmates, and campus are more likely to succeed. So what is FYE? At Gavilan, this program links required English courses together and provides tutoring and counseling. How do students benefit? By working together with your classmates and instructors, you will develop a stronger network of support. Students who enroll in FYE often report:

- higher GPA,
- increased involvement in school,
- more friends,
- more fun in school,
- ability to meet goals,
- stronger critical thinking, reading and writing abilities,
- saving time and money.

MARK YOUR CALENDARS - Thursday, August 26 from 9 am - 1 pm, Student Success Orientation. Meet your instructors! Find out where your classes are and how to get money for books! Get connected with programs on campus such as EOPS, TRIO, MESA and more. Free lunch provided. RSVP to Michelle Foguet-Mendoza at 408-848-4776 ASAP; spaces are limited.

*First Year Experience has been very important to me. I was a shy person and had trouble asking for help. I was not as successful as I wanted to be. I discovered that getting help from people makes it easier to get things done without so much stress about it. Now I ask for help from my teacher, tutors, and counselors, and I visit the Writing Center often. My life has changed a lot. I’m so grateful Gavilan College has this program." Veronica

“I took this class last semester and learned a lot more than I did in high school. It’s amazing and you will learn to like English. I hated English in high school and taking FYE has helped me in many ways, from writing a paper to being organized. You will write a lot in all of your classes and this program helps you be more successful. It does more than just refresh you.” Karissa

“I have gained confidence in English at Gavilan. I will take with me the faster reading strategies on how to take notes or highlight the most important facts that summarize what I finished reading. Overall, the pride of reading will stick with me through the summer and I have never had much confidence in reading going into summer” Alex
