Be Aware
You MAY NOT take courses that overlap (courses that meet at the same day and time!)

Gavilan’s MESA Program is now accepting applications. MESA students are entitled to work-shops, academic advising, campus visits, facilitor and instructor led study groups and more! For more information call 408-848-4887 or visit the MESA Study Center in PH115.

Math + Engineering + Science Majors
Planning to Transfer?
Admission for these majors is very competitive

- High-unit majors do not need to fulfill all general education requirements
- You do not need to get an AA or AS degree to transfer
- You should plan your sequential courses early.
- You may be qualified to sign a Transfer Admissions agreement with UC or CSU.

MESA has been recognized by the White House, the Ford Foundation and Harvard University for its innovation and mentoring success in engineering, science and mathematics. Excelencia in Education recently named MESA as a semifinalist winner in its 2008 Examples of Excelencia which identified MESA as a national community college model in its ability to strengthen Latino student success.
