Spring 2012 Schedule

**FINAL EXAM SCHEDULE**

**Saturday, May 19 — Friday, May 25, 2012**

This schedule is designed to provide dates and two-hour blocks of time for Final Exams in credit courses. Classes meeting prior to 8 a.m. will take their exams during the same week, for a two-hour period beginning at the class starting hour.

All finals are to be given at the scheduled time, and in the room in which the class has regularly met during the semester. Exceptions can be granted only by the department chair and the area dean.

If a class appears not to have a time scheduled according to the chart below, please see the instructor, department chair or area dean. Instructors’ office hours will be changed to accommodate the final exam schedule. Please check your instructor’s office for the revised schedule.

If your class meets on these days:
