Summer Distance Education Courses

Online
Online courses allow students who have access to a computer with Internet connection to take college credit classes. Students need to have access to a computer, to an individual email account and to the World Wide Web. Students enrolled in these Internet-delivered classes will meet with their instructors and with their classmates through the Internet. The majority of coursework is done online. However, one or more on-campus meetings may be required. If this is a problem, you may contact your instructor for possible accommodations.

After enrolling online, start the class by going to http://www.gavilan.edu/disted/

BE SURE TO NOTE THE STARTING DATE. Some classes start on June 4 and some start on June 18. Students who have not logged into their class by the end of the first week could be dropped from the class. For more information please see the distance education page at http://www.gavilan.edu/disted/

Orientations: We strongly recommend that students take one of the live orientations to online courses offered in the Gavilan Library. Please see the library homepage at: http://www.gavilan.edu/library/ for a schedule of orientations or you may make a personal appointment with one of the librarians by calling 408-848-4806.
