Welcome to Gavilan College

President's message

Gavilan College is here to help you succeed. Our programs of study in Liberal Arts and Sciences, and Career Technical Education, can prepare you to transfer to a four-year university, or enter the workforce.

We have opened a Welcome Center for new students to help you get started, and a Student Success Center to make sure you have the resources to succeed during your crucial first year.

The college is implementing many of the recommendations of the statewide Student Success Initiative -- you will see some changes over the coming semesters regarding enrollment priority, class repetition, and the maximum number of units students can take at the California resident rate. These changes are statewide, and are designed to make colleges more responsive to the needs of students seeking degrees, certificates, or transfer.

Gavilan College has added support to help you succeed in your goals. Please take advantage of the Welcome Center, Student Success Center, DegreeWorks, counseling and orientation. These services can make a positive difference in your academic career.

Superintendent/President
Steven M. Kinsella

Mission

Principles of Community

As members of the Gavilan College community, we value the worth and dignity of every person, the pursuit of truth, devotion to excellence, acquisition of knowledge, and the nurture of democratic citizenship. We strive to maintain these ideals in an environment of inclusiveness and mutual respect.

The Principles of Community provide the foundation which creates this environment. The expectation is that we maintain the highest ethical standards in order to establish an atmosphere of civility, honesty, cooperation, professionalism and fairness.

Gavilan College aspires to be:

Diverse: We embrace and celebrate diversity in all its forms (the heritage, achievements, uniqueness, and contributions of all our members) and seek to uphold an inclusive, open and enlightened community.

Open: We believe free exchange of ideas requires mutual respect, trust and consideration for our differences.

Purposeful: We are a community that maintains a shared commitment to service to society and advancement of knowledge through innovative teaching and learning.

Just: We are committed to respect for individual dignity and equitable access to resources, recognition and security.

These Principles of Community, reflected in Board Policy 2715, guide the institution's actions. They provide guidelines to follow and are to be considered a living document. Adherence to the Principles of Community is the professional responsibility of all staff. Behavior that is in conflict with the principles will be subject to administrative review. Ultimately, Gavilan College is dedicated to fulfilling its mission with compassion, caring and understanding, while respecting all individuals.

Assessment requirements:
- Valid picture ID (a state-issued driver’s license, or ID, passport, Student Body Card, Military ID or Alien Registration Card. Contact the Assessment Office (MP100) or call 408-846-4992 if you do not have a valid ID.)

Instructors will check the roster at the beginning of each class meeting to confirm that the students present are enrolled. View your registration status on MyGav or ask your instructor to verify your name on the official class roster.

Dropping Classes: You may withdraw from a course by submitting a drop card to Admissions & Records or by completing the drop process on self-service Banner. Click on the Add or Drop Classes link (under Registration Tools) on the Student Tab of MyGAV.

Withdrawal Policy: The following grading practices apply when withdrawing from a course:
- If you withdraw from a course after the NRS date, but prior to completion of 75% of the class meetings for the course, you will receive a grade of “W”; thereafter, you will receive whatever grade you have earned based upon the entire semester’s work.
- If you withdraw from a course after the NRS date, but prior to completion of 75% of the class meetings for the course, you will receive a grade of “W”; thereafter, you will receive whatever grade you have earned based upon the entire semester’s work.

Course Conflicts: Students with class conflicts must have a note from 1) either both instructors stating they are aware of the conflict or 2) the instructor of the class from which the student will leave early/arrive late. The note must state what steps will be taken to make up time/work. Conflicts of over 5 minutes are not normally approved.

General Information

Attendance If you fail to attend the first class session you may be dropped by the instructor in order to admit waiting students. It is your responsibility to drop the course. Do not assume that the instructor will do so. You MUST officially withdraw from a class before the refund deadline in order to receive a refund, even if you have never attended the class.

Advisories A course advisory is recommended preparation for a course. It is not a prerequisite to taking a course but is strongly suggested that the advisory be met prior to enrollment, as success in the course may depend upon having that skill or knowledge level. This becomes critical in being able to read and understand college textbooks.

Campus Safety and Crime Statistics Contact the Gavilan College Security Department at 408-710-7490 (or dial “10" from any campus extension) to report criminal or potential criminal activity. Campus safety information and crime statistics are available online at www.gavilan.edu/safety. If you would like a hard copy of this information, copies are available at the Campus Security office (S/F bldg.) or call 408-848-4703 to have a copy mailed to you.

Course Repetition Each course may be attempted a maximum of three times at the same college. An “attempt” is any enrollment in a course after the “No Record Shown” deadline, and that is recorded on your transcript as a “W,” “I,” “CR,” “NC,” “P,” “NP,” or a letter grade (A, B, C, D, F, etc.). Registration for the third attempt must be accompanied by a statement of understanding of repeat limits signed by the student and a counselor along with a registration or add card also signed by the counselor. Students wishing to make appeals should visit the Admissions and Records office.

General Education Reciprocity Agreement Gavilan Community College has entered into a mutual agreement with nine other community colleges to accept the general education of these colleges. The participating colleges are Chabot College (Hayward), De Anza College (Cupertino), Evergreen Valley College (San Jose), Foothill College (Los Altos Hills), Las Positas (Livermore), Mission College (San Jose), Ohlone College (Fremont), San Jose City College (San Jose) and West Valley College (Saratoga).

Students who obtain a Certification of Completion or Associate Degree General Education or complete an associate degree at any of the participating colleges will have both their general education course work and graduation proficiencies accepted as completed at any one of the participating campuses.

Pass/No Pass, Letter Grade Option Some courses have the option of a final grade of Pass/No Pass or a traditional letter grade of “A,” “B,” “C,” etc. The grading option is shown by the class listing in the schedule. See 2013-2015 Catalog for details.

Prerequisites and Co-requisites A prerequisite is a course or skill level that is required before you can enroll in another course. Courses used to meet prerequisite requirements must have been completed with a “C” grade or better or “Pass”. A co-requisite is a set of courses that you must take at the same time.

Challenging a Prerequisite If you believe that you have the equivalent of a prerequisite through other means (courses at another college, AP tests, work experience, etc.) already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, you may challenge the prerequisite by filing a Challenge Form. See Course Catalog for details.

Students who register online and opt not to purchase an ASB card at the time of registration may purchase one at a later time. Students with financial hardship may request assistance at Financial Aid, EOPS, TRIO, and MESA programs. Associated Student Body Card fees support campus activities, educational programs, speakers, and cultural events, and provide discounts to card-holders at campus and off-campus venues. If you do not wish to purchase an ASB card, you may opt-out at the time of registration.

### California Non-resident Tuition Fee Exemption

(ABS40 - California Dream Act) as required by California law, provides an exemption from payment of non-resident tuition for eligible non-immigrant students. To be eligible, you must have attended a California high school for three full years and have graduated from a California high school or have received the equivalent of a California diploma (GED, CHSPE). The exemption does not grant residency status and you may not be eligible for federal financial aid. You are eligible for state and local aid including BOG, EOPS, CalGrants, and scholarships. You must sign an affidavit affirming that you have filed or will file an application with INS to legalize your immigration status as soon as you are eligible to do so. Contact the Admissions & Records Office for more information.

### Student Health Fees

Provide health services and accident insurance for all adult students enrolled in credit classes.

Exemptions for Health Fees: Pursuant to Education Code §76355 (c) the following categories of students are exempted from the health fee required pursuant to subdivision (a):

1. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization.
2. Students who are attending a community college under an approved apprenticeship training program.

Students wishing to seek exemptions should visit the Admissions and Records Office.

Student Life = 408-852-2849

**Student Activities Office** supports students in the development of skills through participation in student life and campus activities. This office supports the ASB and student clubs and coordinates campus-wide events.

**Associated Student Body (ASB)** 408-848-4777 is the official student organization on campus and provides the majority of student input and recommendations on critical campus issues to faculty, staff, administration and the Board of Trustees.

**Student Senate** is a representative body of students who meet weekly to plan, implement and evaluate college activities and services that meet the needs of Gavilan College students. Any student who meets the requirements of the ASB’s by-laws may become a voting member of the Student Senate. The elected and appointed officers provide a liaison between the students and academic departments and student services. The variety of leadership positions allows for different levels of involvement so that students can balance their academic and extracurricular loads effectively.

The political and practical leadership skills that students develop through the ASB are supplemented through a leadership course offered through the Political Science and Psychology Departments (POLS 27; PSYC 27). The curriculum includes practical skills that are applicable to college-related opportunities and other professional and personal environments.

**ASB Student Body Card** revenue supports social and cultural activities on campus and provides the purchaser with free admission to athletic events, discounts at cultural events and free bluebooks and scantrons (testing supplies) in the bookstore. Community-wide businesses offer discounts to card holders such as reduced movie admissions, restaurant, gym, museum, computer and software discounts. ASB cards can be activated as library cards and come with 10 free prints. Please note: There is a $2 charge for replacing lost ASB cards.

**Gavilan Press** 408-848-4837 The Gavilan Press, an independent student-run digital newspaper, gives students a real world journalism experience, training in industry tools, and a public forum for their ideas and opinions. The newspaper has covered events, issues and people that shape, reflect and define the college and the world since 1967. The Gavilan Press is available online at www.gavilanpress.com.
