Under the current bylaws we must have “half of the currently occupied positions plus one” to hold a meeting and conduct business. ASGC currently has six members and under the current bylaws would require four members to be present.

9.5 ASGC Textbook Scholarships, Discussion Item, Dr. Blanca Arteaga, ASGC Advisor (5 min)
This conversation comes because the bookstore did not allow recipients of the scholarship to price match per the business office. The business office claims that the students are making money from price match since they receive a gift card for the difference. ASGC had agreed that the remaining scholarship money would be used to buy school related supplies. This semester, once again, the students were not able to buy their supplies. We will be hearing back from Connie Phillips and Wade Ellis to confirm the changes of the ASGC scholarship. This remains a work in progress. The minutes of the meeting in which it was approved to allow students to purchase school supplies were sent as supporting documents.

MSC (O. Lopez, D. Chavez)
Ryan Shook suggested that asterisks should be added to show that some dates are tentative. It was suggested the food pantry hygiene products drive be added. It was suggested that only ASGC events should be on the flyer. It was suggested we separate flyers by month and by ASGC and campus events. Someone would have to willing to do the work of creating separate flyers. All events will also be added on the Grad Guru application available to Gavilan students. It was settled that for now the current flyer should be in use.
Approved Unanimously

MSC (A. Lopez, D. Chavez)

There is a possibility that David DiDenti would have to give his seat as Region IV Representative if he is elected Region Chair. A presentation ensued about the Region IV Representative duties to those interested in taking over. Ryan Shook suggested that ASGC members should rotate the duties each month.
