8.0 Discussion Items

8.1 Resolution Packet for General Assembly, Adam Lopez, President (25 min)

Group consensus on the ambiguity presented in these resolutions. Free speech resolution inserted to reserve the institutional right to protect free speech, not necessarily that it was threatened to begin with. Resolutions are not necessarily policies that our school needs to adhere to, but strong suggestions. Tanie provides us a brief explanation of net neutrality as it applies to measure F17-A-04 on Net Neutrality. Leslie brought up the idea of student-wide training educating students on hate speech. Potential idea of including education on hate speech within our kickstart orientation. Nolan commented on his disappointment in the premise of F17-A-02-01, which states that Students have difficulties finding offices and facilities, and that we'd need an interactive map to be aware of the location of services on our campus. Nolan expressed the need to define a microaggression in measure F12-R-02-01.

8.2 Updated bulletin board layout, Adam Lopez, President (5 min)
Adam’s computer crashed, so we aren’t able to see his layout. Updated posting policies are not posted online. Bulletin board ambiguity yet to be addressed throughout campus.

8.3 ASGC Promotional items, Blanca Arteaga, Advisor (10 min)
Ryan in place of Blanca-- meeting held concerning asgc swag. Water bottles, pins, pens, drawstring bags, rape whistle/flashlights were discussed. Tried to stay within $1 for each item, ordering around 500 of each, seeking a quote from the catalog companies. Polo Shirts, business cards, and nametags are to be discussed separately as our group is seeking more customization. Nolan promotes moo as a potential cost-effective company for designing and ordering our ASGC business cards.

8.4 ASGC Uniform and shirts, Adam Lopez, President (10 min)
Polo shirts we currently have are on sale, we can order them appropriately sized for a reduced cost if we act quickly. ASGC uniforms still a bit in the speculation process. Concerns for the half-zip sweatshirt include placement of the embroidery-- Tabled to next meeting for time’s sake

8.5 Update on Guided Pathways, Adam Lopez, President (10 min)
This Monday Adam attended Guided Pathways educational retreat in Oakland, Adam was 1 of 4 students of 20 community colleges.

Imperative need for centralized information on ICC, posting policies, etc. Working on Region IV meeting today, to be held from 4-8pm. Halloween is coming up, need help arranging goodie bags, writing madlifs theater script. A bit of resistance in Club involvement in this event.
