8.0 Discussion Items

8.1 Health Faire follow up, Adam Lopez, President (5 min)

Health Faire went really great. Excellent turnout, great feedback. Vendors loved it. Everything went very smoothly. Ryan- Appreciates the help, made an ASGC table, gave out a few shirts. Need a new map. Very good set of vendors. GECA students don’t have as much time to attend. Undocumented resources table gained more attention. We need more mental health services on campus, more resources for mental health resources that help to destigmatize the need for these resources. Potential involvement from peer mentors. Transfer day is next event of that scale. November 2nd. Need similar resources and volunteer effort. Potential increase in student awareness.

8.2 Leadership Conference CCCSA and General Assembly, Adam Lopez, President (15 min)

Next weekend is leadership conference, November is General Assembly. Makayla, Leslie, Adam, Tanie, Daniel, Nolan, and Ryan to attend. To carpool after meeting next week. Nolan and Tanie can drive. To meet after next week's asgc meeting, in the North South Lounge. Potential matching outfits? Casual Fridays. Resources for students to do homework throughout the event. No schedule pamphlet, to be distributed through their app. GA is much more formal. Nolan is interested in being the delegate. Correction of CCCSA instead of Leadership conference in item title.

What specifically would be on the banner, as well as details on the aesthetics. one location is in the students center, one is on the bridge. moving away from stationary banners. Signage committee discussing what type of signage should be on campus. All banners will be time limited. All signage will need to go through signage committee? Uniform lettering and colors. Maintenance knows about putting up the ASGC signage. Potential image of ASGC logo, with welcome and QR code. List of services

8.5 Planning for upcoming event:Halloween, Adam Lopez, President (10 min)

Halloween is Blanca’s birthday. We have lots of club participation and make it a big event in the student center. need to discuss advertising strategies. Possibility of doing a haunted house instead of a costume contest. Potential to building it to be a community event rather than just a Gav event. Make it NOT during college hour so we can bring more students and have Geca students more involved. We can use the back part of the Theatre. WILL COME BACK FOR NEXT WEEK. Possible Coraline theme, Masquerade, carnival, etc.

Following up to make sure we’re all on a committee and they’re listed on the ASGC website.

8.7 Furniture set up every Friday, Blanca Arteaga, Advisor (10 min)

Vendor that sold us the furniture came back and saw how much the students moved them around, and suggest to put it back the way it was originally, every friday in the morning before the meetings. Help out maintenance. Safety issue is brought up about “egg chairs”. Potential for a liability form. ASGC will test out re-organizing the furniture starting next Friday at 9am.

8.8 ATM in Student Center and news from Wade Ellis, Adam Lopez, President (10 min)

Before student center closed down, we had an ATM in the North side of the student center. Was useful for many students who needed cash on hand, especially for club events. Dr. Rose saw that we don’t have one. Process should be completed by Spring.

8.9 ASGC Leader emails and passwords, Blanca Arteaga, Advisor (5 min)

To update contact list for emails specific to certain members. Student leaders have specific e-mails for their positions. Leslie, Makayla, and Jesus will be using non-ASGC e-mails.

8.10 One Book: Just Mercy, Jillian Wilson & Sydney LaRose (10 min)

One book is a program for everyone to read the same text and have a deep discussion with everyone about themes within book. Activities on
 campus that involve student body and involve community outside. Will be launched in spring 2018 talking about now for publicity, book picked is just mercy----Focuses on racism in judicial system. Has been a big discussion for a long time. They would like student input and student involvement. Want volunteers in committee meetings. Based on availability. Most work on line. Let sydney Larose know if interested. some classes have already assigned as reading. Approximate cost of book is between 6-8 dollars. All criteria of book has to be available and affordable. Equity funds can be used for students in financial need. Contact sydney to get a hold of a book. Literary Society will also be involved with students and One Book. Classes Co-ordinate how to use the book and look into it. Meeting with departments who have invited them to speak in classes. Workshops will also cover offsites and evening students.
