5.0 Public Comments

Public comments will be limited to five minutes per speaker and a total of fifteen minutes per topic. There is no discussion allowed during public comments per the California Brown Act.

Dr. Rose came in to say thank you to the representatives of ASGC that met with her regarding the missing camera. She took the issue to cabinet, along with the quote for the two cameras. The district is willing to pay half of the costs for ASGC’s new camera. We will take further measures
6.0 **ASGC Leader Reports** will be limited to **two** minutes. No questions are allowed at this time.

6.1 **President**

*Went to De Anza with Nolan and Daniel to talk about how they manage their student engagement both in the school and the larger community. Interesting to see how their campus is run, noting that they do have a bit of a different environment. They will be attending the Advocacy and Policy conference up in Sacramento this weekend. Attended president's council this Wednesday. Talked about graduation and will get back to students before April 1st.*

6.2 **Student Trustee**

*echoes Adam's report on De Anza talking to Trustee Walt about how a lot of curriculum was cancelled, with Ken Wagman as well about how many classes were cancelled this semester. There was a bit of misinformation at this past board meeting regarding if the classes that were cancelled adversely affected students graduating this Spring*

6.3 **Vice President of Athletics**

*Shared graduation survey w GECA both staff & seniors, wondering if other GECA students can take the survey as well. Won't be sworn in as Director for this Region IV meeting either.*

6.4 **Vice President of Clubs**

*echoes adam and daniels report. They produced a lot of information that we haven't considered yet. A lot of ideas on how we can implement student advocacy and engagement. Grateful that Debbie Klein is running for FACC, and looking to how she can support ASGC. ICC bylaws going to ICC on March 10th for revisions. Final draft is coming to us on May 8th. Club day has been pushed back to march 29th in conjunction w cesar chavez day. Good to see clubs engaging with one another now. ICC team has been doing well developing a better communication climate. Congratulates Ryan for being elected employee of the month. Ryan does so much for us as students and as our advisor and it's lovely to see that being recognized.*

6.5 **Vice President of Community Outreach**

*no report*

6.6 **Vice President of Finance**

*no report*

6.7 **Vice President of Marketing**

*no report*

6.8 **Vice President of Records**

*Last week after our meeting, attended 3CSN’s workshop on Habits of Mind and Growth Mindsets and it was mostly instructors talking about how they can bring it into their classroom. Super enriching discussion, however, was the only student participant. Just came back from the Guided Pathways 2-day long retreat in Oakland with some of the other taskforce members. Gained a lot of good insight as to how Guided Pathways can work for our school & has many ideas to come.*

6.9 **Senators**

6.9.1 **Senator of Region IV**

*attended President’s council this past Wednesday, talked about accreditation being behind schedule.*
6.10 Advisor
a few updates: Ryan and I worked on the poster printing policy. Created a policy which we will touch on soon. Will be an official agenda item next week. March 16th is the deadline for scholarships. Reminder that today is the financial aid priority deadline and the CA dream act application deadline. Not only DACA students, but for any student that is under AB 540. if a student is confused send them to the welcome center for more information.
As of 3:37 today 104 students have completing our survey, 86% are graduating. 75% would prefer to have 14% 1pm 10% for 10am, with intentions of availability of the people attending.
GECA has sober grad nite the night before and they don’t get out until 6am. will continue to collect and report again next week.

6.11 Student Life Coordinator
thanks everyone for their praise regarding employee of the month. notes that it takes great support to do the work blanca and him do. engaged almost over 400 students in our black history month events, those went really well. Moving into women’s history month, looking into presenters. A few things to look into in the future are welcome week in the fall, welcome week is usually done by the students and student government. We’re starting to plan our centennial celebration in the 19-20 school year. Hoping that throughout the whole year the events we do will be centered around our centennial, as well as the floats. plan to get the floats together for community engagement. Got the athletes leadership team together, talked about things that are happening, some suggestions for improvement. Started working on an athletics poster so we can put it up on the lattice board. really good start to collaboration and bringing athletics over the bridge. basketball won the conference for the first time in 50 years. potentially work on some kind of event to help recognize them. good start for us to start talking about that. Hopefully next year we can do a pep rally to get ASGC involved

7.0 Information Items
7.1 Status of DACA and what students need to know, Adam Lopez, President (5 min)
in the news on monday it came up that a year ago when trump rescended DACA the date was supposed to be march 5th and now it’s being pushed back, going to supreme ct. If you’ve had DACA status you can renew it until March 15th.
Blanca adds that St. Mary’s church is helping to fundraise for the renewal of DACA, if you know students who need assistance, refer them. as well as SIRENs, they can help students compile their documents and funding as well

8.0 Action Items
8.1 Portable Speaker Purchase (ICC Funds), Ryan Shook, Student life coordinator
Daniel, Nolan
invoice for the portable speaker. We don’t have our own PA system. there used to be one wired all around the student center but it was torn out after seismic renovations. every time we have events, Sean and geronimo have to sit there during our event because they can’t leave the equipment. it’s under 300 dollars. funding may have to come from ICC funds. this wasn’t in the budget initially. could it be taken from the student rep fee? it’s ASGC money, they have $4,000 from ASGC. right now there’s a sort of ghost budget for ICC. there’s about 30-40 inactive clubs that can have their funds moved into ICC general funds. if we don’t make purchases by next week, we can’t purchase.
8.1 approved unanimously

9.0 Discussion Items
9.1 Food Trucks on Gavilan College, Adam Lopez, President (15 min)
brought up last spring meeting, desire for alternative food on campus. last year there was a point
in which the student center was closed and had food trucks along sycamore lane. Students liked it
because it added variety, allowed them to buy different types of food, allows for much more
flexibility regarding food variety
unanimously approved
tanie, leslie, jesus and julissa to come back and give ASGC more information (in two weeks)
focus on requirements for food trucks on campus
maybe make it so clubs can sell food on campus
9.2 Recurring Event: Open Mic, Adam Lopez, President (10 min)
open mic was a really fun event and students asked for it to come back
as a method for expressing student voice
