Ryan got a kindness coin last weekend at the leadership jam from Dr. Rose. Ryan is giving blanca a kindness coin because she’s always straightforward with everybody but is always loving and kind and poised. Adam mentions that he’s surprised it’s been so long since she got a kindness coin.

Brianna mentions that Blanca probably deserves ten kindness coins. They explain kindness coins are part of an online trend and you’re supposed to take a picture and caption it with why this person got a kindness coin and they can then either pass on the kindness coin or they can keep it.

super saturday stuff-- we need to start thinking about stressbusters, what we want to do this year. The ID printer has been a little chaotic--but don’t hit the print button a bunch of times out of frustration. centennial celebrations are coming up and we all need to be aware. think if there’s money for us to donate. Blanca and Ryan need to sit down and look at the budget. good opportunity for ASGC to get their name out there to the public and staff. that will becoming next year. Motion to adopt, J. Ochoa

MSC M. Gomez

Adam mentioned how this is going to go on in late spring/last summer. deadline to apply was may 10th, we’re deciding if we want to dedicate times to this. if we want to approve it this week, we would talk about what kind of float we would have. today is deciding if we want to put in the effort to doing that. Nolan mentions that he’s been trying to recruit but it’s hard because we’re in summertime.

Nolan moves to postpone this item until next Friday’s item so we can have time to talk to Bobbi Jo and confirm that we’ll have time to do this

MSC T. Lopez Cortez

8.0 Discussion Items

8.1 AB 805, Blanca Arteaga, Advisor (5 min)

Blanca wants to give us a flyer on ab 805, an assembly bill passed to support homeless students. it tells us our college must have a food pantry, a liaison for homeless students (Denise), and we must allow homeless students to utilize our showers. students who are homeless will typically come from the admissions/financial aid app. if they’re homeless they’re considered financially independent. no proof necessary except a statement from the student and they can get federal pell grant or any other aid that’s available. blanca says be sure to spread the word

8.2 Student Health Fee, Adam Lopez, President (10 min)

Adam brought it up to president’s council. we pay a health fee of $19 for our services considering she’s our school nurse. Kathleen Moberg said the health fee and Alice aren’t exactly 1-1. we still
offer all the health services even if Alice isn’t here. in the fall they’re looking into having someone oversee the projects that alice has been doing. Blanca suggests we invite Kathleen Moberg so we can ask. Ryan says one school of thought is that they’ll contract out health services. sent this out to be sure students know that their services aren’t guaranteed for next semester. Rose is leaving too.

8.3 Open Mic Assessment, Mikayla Gomez, VP of Activities (5 min)

had their second open mic on Tuesday and it went pretty well. got a few students to sing. got a big board out to advertise. kept the music play to invite students and that helped. she thinks open mic is doing really well and there will be more next month. the next one will be the first tuesday of may

8.4 Alice’s Retirement Party, Adam Lopez, President (5 min)

asked if ASGC wants to do something special for Alice’s retirement party, if we want to speak, buy a cake, and do a balloon arc. Blanca says it’s going to be a simple arch and we should look on Pinterest for ideas. one of the suggestions would be if one of us that’s good at writing. Nolan mentions he’d be able to speak about her since he’s worked with her in the welcome center. Nolan and Tanie will speak and Brianna and Blanca will help with balloon arc construction

8.5 ASGC End of Year Celebration, Blanca Arteaga, Advisor (15 min)

Blanca would like to have an end of year celebration based on our liking. if we want to have it at the park, at her house, at someone else’s house as a good luck and farewell to the members that we’ll be seeing off at the end of the year. Blanca talks about how it makes her emotional being able to watch us go through and grow through all of our personal triumphs and tribulations. we want to be after the semester ends. Blanca says we should all insert our finals schedules into a google doc and we’ll talk about it next week

8.6 Graduation Reception, Blanca Arteaga, Advisor (15 min)

Mikayla, Nolan, Adam, Brianna, Ryan and Blanca will all be working together that day to be sure the reception is cool. catering, dj, photobooth, music, etc. we’ll be sure we blow up balloons. wants to make sure we are all committed to it. Blanca will be available after 1. we’ll meet here after 1

9.0 Communications From the Floor

If anyone is interested on may 3rd there’s free travel that’s compensated, a partner we have is SSCC. will pay for travels to Sac or LA and develop an action plan. Grace brought up a really good idea to consider, we could sell announcement cards. Ryan is on the VPAA hiring committee and Daniel was going to be on that with them but he’d like to have another student involved in the other areas of hiring. Adam will be on the second meeting committee.

Nolan says Region 4 is hosting regional elections next meeting so if there’s anyone interested they can talk with him
