8.1 Gavilan College District Measure for a General Obligation Bond and Survey on Important Community Issues, Omar Lopez (15 min)
Receive e-mail about survey for obligation bond that will be put forward. Nobody else received e-mail. 248,000,000 for stuff (see four bullet point in attached document),
borrowed money that has to be paid back through property taxes. Average homeowner would pay $113 in extra taxes. Helping students through education. Opposing arguments: unfair to taxpayers; 400 million over 30 years, no guarantee that money will be distributed fairly. As student leaders we will have to take position on this.
