- Must have an unmet need of $1,000 or more based on 09/10 FAFSA
- Must be an ACTIVE TRIO Student

(Continued on next page)
Typically TRIO only awards approximately 15 grants each Spring, however due to a one time increase in grant funds, we were in a position to award another 14 students TRIO Grants.

In Spring 2011, we are planning to award at least 15 TRIO Grants based on the requirements above, so please be sure to do your best to maintain academic good standing, maintain active status in TRIO, and make sure you complete your FAFSA for the 10/11 academic year. If we do not receive another one-time increase for our TRIO Grants, students may have to apply for the TRIO grant next year. As we get closer, we will make sure to provide you further details.
