High Step Program

Non-CCAP Dual Enrollment Opportunity
High Step Program

- The Gavilan College High Step Program in partnership with local high schools is a Non-CCAP dual enrollment model designed for high school students who have a high school GPA of at least 2.0.
- The program offers students an opportunity to complete college level course work to earn credits while they are pursuing their high school diploma.
- Courses offered at partner high school campuses vary by semester, and are coordinated between the college and high school.
High Step Program

- In recent semesters the program has expanded from two local high schools to seven.

- High Step Courses have been offered in Gilroy, San Juan Bautista, Hollister, Morgan Hill, and North Monterey County.

- High School Contracts are to be electronically submitted to Adriana Servin amartinez@gavilan.edu or we can arrange for contracts to be picked up.

- While courses offered through this program are open to all college aged students, High Step benefits are only included for those who apply through their high school.
Courses Commonly Offered

- AJ 10: Introduction to the Administration of Justice
- CMUN 1A: Public Speaking
- PSYC/CD2: Early Child Development
- PSYC/CD3: Child Growth and Development During the School Years.
- PSYC 10: Intro to Psychology
- New! CSIS 179 Introduction to Cyber Security

We would like to expand High Step with other potential course offerings that may meet your school’s needs.
The Benefits

- The enrollment fee, campus center use fee, health fee and student representation fee are waived. FREE COLLEGE COURSES!!!

- High school students experience college level work and earn college credit while still in high school

- **Gavilan College Admissions will allow Priority 4 Registration for High Step Students.** It is critical we receive High School Contracts directly from the high schools preferably before the Priority 4 Registration date of May 10th.

- Reduces four-year university expense and students advance academically

- Students are competitive in the 4-year college and university admission process

- Normally courses are conveniently offered at the high school after regular school hours, one night a week, for a 16-week period. **However, for Fall 2021 High Step classes will remain fully online as Asynchronous Distance Education Learning.**
The High School District will pay for required textbooks and other related materials fees.

Districts should plan ahead to secure funds for textbooks and other related materials.

Adriana will communicate with college faculty in regards to the required textbooks and ensure that information is shared with high school partners.
Thank you

Gavilan College appreciates the partnership with our local high schools.
