Gavilan College Financial Aid will evaluate all loan requests on case-by-case and will reduce or deny loan requests for students that, in our professional judgment, are at serious risk for loan default. High levels of indebtedness (including loans from other colleges), coupled with a small amount of progress in an academic program, is a common indicator of high risk for default.

**If your loan request is modified or denied, you will be notified in writing. Loan requests may be denied for the following reasons:**

- Loan application is incomplete
- Student is not making Satisfactory Academic Progress
- Student appears to be or has been in default or delinquent on financial obligations.
- Student does not understand rights and responsibilities of borrowing student loan.
- The purpose of the loan is not related to an educational goal at Gavilan College.
- Students at risk of loan default due to high levels of indebtedness, coupled with a small amount of academic progress.

Direct Subsidized Time Limit (at Gavilan)

For first time borrowers on or after July 1, 2013, there is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. If this limit applies to you, you may not receive Direct Subsidized Loans for more than 150 percent of you declared program. This is called your “maximum eligibility period.” For example, if you are enrolled in a two-year associate degree program, the maximum period for which you can receive Direct Subsidized Loans is three years (150 percent of 2 years = 3 years). If you are enrolled in a one-year certificate program, the maximum period for which you can receive Direct Subsidized loans is one and a half years (150 percent of 1 year= 1.5 years). More information available on: https://studentaid.ed.gov/types/loans.

*TOTAL $________________

*Total expenses will be reviewed and considered for Subsidized Loan first. Any remaining eligibility will be reviewed for Unsubsidized loan, which has higher interest.

Are you requesting higher interest loans (unsubsidized loans)? ___NO ___YES

Step 2: Identify your Federal Student Loan Debt & Remaining Loan Eligibility

Go to https://www.nslds.ed.gov to find out how much you have already in federal student loans

\[ \text{Subsidized Loan(s)} + \text{Unsubsidized Loan(s)} = \text{TOTAL LOAN DEBT} \]

Aggregate Loan Limits

The maximum loan limit for a dependent undergraduate student is $31,000.
The maximum loan limit for an independent undergraduate student is $57,500.

Step 3: Determine your Estimated Loan Payment Amounts:

On a standard 10 year plan, my approximate loan payment will be $_________________ per month. A loan repayment calculator may be found at http://www.finaid.org/calculators/loanpayments.phtml

A general guideline is that your student loan payment should be no more than 15% of your income, or you may be at risk of defaulting (not paying) your loan(s).

Step 4: Determine Loan Period

Identify the loan period you are eligible for. Please note, once funded, Financial Aid Office will not authorize change to your loan period for current aid year (Fall, Spring, Summer). Plan accordingly.

You are required to submit an updated Ed Plan Verifying transcript evaluation. Ed Plan appointments are available September – November and February – April.

2. Gavilan College is a 2-yr institution. Students are only eligible to apply as 1st or 2nd year student.

3. Loans are available to students attending Gavilan College for at least half-time (6 units)

Loan Disclosure and Terms

- Federal regulations state that effective July 1, 2013, first time borrowers will have a limit on maximum period of time available to receive Direct Subsidized Loans (loans with the lowest interest rate). Maximum Period will be 150% of declared Program of Study. Only “Unsubsidized” Loan funds may be offered to first time borrowers who’ve exceeded the maximum timeframe.

- Students who are not maintaining academic progress are not eligible to apply for federal student loans for example: denied appeal, denied extension, disqualification status.

- Gavilan College Financial Aid will determine your academic program year, if you are 1st year or 2nd year student.

- No more than two loan requests per student, per academic year (Fall, Spring, Summer) will be processed.

- As listed on cover sheet, there are document deadlines each term. Loan requests will be evaluated on a case-by-case basis. Loan periods will be adjusted for students, in our professional judgment, based on expected (not prior) enrollment.

- Loan amounts may be reduced or denied for students that, in our professional judgment, are at serious risk for loan default. High levels of indebtedness (including loans from other colleges), coupled with a small amount of progress in an academic program, is a common indicator of high risk for default. Your loan amount will be denied or reduced if:
  - Have an undeclared major or undecided educational goal.
  - Have not enrolled in a Title IV eligible program of study (16 or more units in length).
  - Are not making steady progress in an eligible program or are not currently meeting Gavilan College satisfactory academic progress standards.
  - Students at risk of loan default due to high levels of indebtedness, coupled with a small amount of academic progress.
  - Appear to be or have been in default or delinquent on financial obligations.
  - Have an incomplete or missing Student Budget Worksheet, Loan Request Form.
  - You do not progress academically as of your last term. For example, if you do not earn at least 6 units with a 2.0 GPA for Fall 2015 term, you will lose eligibility for the Spring 2016. Any remaining loan disbursement will be cancelled.

Obligations and responsibilities of student borrowers:

- Federal loans are not grants. I understand I must repay this debt.
- There is a 1.073 percent origination fee that will be deducted from each loan check for loans with first disbursement between August 1, 2015 and September 30, 2015.
- There is a 1.068 percent origination fee that will be deducted from each loan check for loans with first disbursement on or after October 1, 2015.
- Interest on subsidized loans is paid by the taxpayers while I am in college. I must be enrolled in and complete at least 6 units with a 2.0 GPA.
- I must pay the interest on unsubsidized loans while I am in college, or I may have it added to the principal (this increases the amount I must repay later).
- I must begin repaying the loan six months after I graduate, withdraw, or drop below half-time status.
- If I do not earn at least 6 units each semester with a term GPA of 2.0, I will lose loan eligibility for the following semester and my remaining loan disbursements will be canceled.
- My awards cannot exceed my cost of attendance. If additional grants, awards, or scholarships are added after a loan has been approved, my loan amounts will be reduced to accommodate the new awards. For example: EOPS grants, book vouchers, Gavilan Scholarships, Federal Work Study, CalWORKs Work Study, etc.

I have read and understand all of the above statements.
