How 90 ▶ 30 Works

1. Earn 60 semester hours/units at your community college.
2. Apply for admission to IU. While you may apply to IU before earning an associate degree at Gavilan College, it is advisable to earn your degree before submitting your IU application.
3. Once admitted to IU, complete an additional 30 semester hours/units from Gavilan College’s curriculum.
4. Take your final 30 semester hours/units of upper-division courses via distance education at Indiana University, and join the thousands of students worldwide who have earned an IU Bachelor of General Studies.

What is the Bachelor of General Studies?
The Indiana University School of Continuing Studies offers a Bachelor of General Studies that you can complete entirely at a distance. There are no on-campus residency requirements.

- Take online courses and/or correspondence courses.
- Pay the same tuition as Indiana residents—no matter where you live.
- Earn your bachelor’s degree from a fully accredited, Big Ten university.

You must complete a minimum of 120 semester hours/units to earn the Bachelor of General Studies. You may transfer up to 90 semester hours/units toward your bachelor’s degree, but you must successfully complete at least 30 of the 120 required hours/units through Indiana University.

As a general studies student, you pursue an interdisciplinary plan of study that encompasses arts and sciences:

- arts and humanities
- social and behavioral sciences
- mathematics and natural sciences

To graduate, you must have completed the required course work in these areas, plus an additional 66 semester hours/units of elective credit.

You interact with your IU instructors by e-mail, phone, fax, and postal mail, and receive academic counseling from experienced advisors who guide you through your course of study, as well as respond to your questions and concerns.
