APPLICATION PROCESS

NursingCAS application link will be available on the Allied Health [webpage](#):

A complete RN application process includes the following:

1. Mandatory Meeting with Nursing Counselor

2. Request that official transcripts from all US institutions attended be sent to NursingCAS

3. Request High School Diploma, GED, or College/University Transcripts

- ❖ If you are a current Gavilan College student and your high school transcript is already on file there is no need to resubmit.

For High School Diplomas or GED Certificates:

- Log into your NursingCAS account.
- Navigate to the "Academic History" section.
- Follow the prompts to request your High School diploma or GED records from your educational institution.
- You will be directed to Parchment, a service that securely handles transcript requests.

For College/University Transcripts:

- In the "Academic History" section, add the details of your college/university courses.
- Select the institution(s) you attended and follow the instructions to request your official transcripts through Parchment.
- Ensure that all documents are sent directly from the institution to NursingCAS to maintain the integrity of your application.

Verify Document Submission

- Once your documents have been requested through Parchment, check the status on your NursingCAS account.
- Make sure your High School diploma, GED, or college/university transcripts are marked as "Received" in your NursingCAS application.
- If there are any issues with your request or documents, you will be notified through NursingCAS.

Foreign high school, college/university transcripts must be evaluated by:

- Transcript inquiry through Nursing CAS using WES-World Education Services

4. Complete online NursingCAS application. In addition, you will upload the following documentation into NursingCAS

- A. ATI TEAS- TEAS Scores are required to apply. A Minimum Score of 62% is required. Must self-report score within the NursingCAS application
- B. Current BLS Provider card from the American Heart Association (Biannual Renewal)
- C. Multi-Criteria Supporting Documentation Form: Form must be completed with all required signature and supporting documentation uploaded to NursingCAS in designated required documentation area.

SELECTION OF ELIGIBLE APPLICANTS (Multi-Criteria Selection)

The multi-criteria selection process will be used for class selection.

1. All applicants are screened for minimum eligibility. Application must be complete, this includes submitting transcripts, and all supporting documents. An application missing any document will be considered incomplete.
2. Selection criteria is applied to all eligible applicants.
The top 22 applicants will be selected for the program and the next 10 will be alternates.
3. Students including alternates not selected will need to reapply the following year. The program does not have a wait list.
