FIRE TECHNOLOGY CLASSES

REAL SKILLS. REAL CAREERS. REAL IMPACT.

We are excited to continue building the Fire Technology program at Gavilan College and appreciate your support as we work to grow enrollment in our Fall courses.

JFT 101 – FIRE PREVENTION Course #13005

**NEW START DATE:
SEPTEMBER 8**

The start date has been moved from August 24 to September 8 to reach incoming and prospective Fire Technology students.

If you know someone interested in becoming a firefighter, pursuing a career in fire prevention, or earning a Fire Technology degree, please encourage them to enroll. Share the course information with friends, coworkers, Fire Explorers, EMT students, or others interested in the fire service can make a difference!

JFT 130 – BUILDING CONSTRUCTION FOR FIRE PROTECTION Course #13006

**STARTS
OCTOBER 19**

**ENROLL BY
OCTOBER 1**

JFT 150 – PRINCIPLES OF FIRE AND EMERGENCY SERVICES SAFETY AND SURVIVAL Course #13007

**STARTS
OCTOBER 19**

**ENROLL BY
OCTOBER 1**

These courses provide an excellent opportunity for students to continue progressing toward their Fire Technology degree while developing knowledge that will support their future careers in the fire and emergency services.

If you know someone who has been thinking about starting a career in the fire service, this is a great opportunity to get them started!
