Category	9. Information / Staff Reports
Subject	D. MESA and TRIO Student Support Services Report and Update
Type	Information

Proposal:

Update on the Mathematics Engineering Science Achievement Program (MESA) and TRIO Student Support Services Program.

Background:

MESA

The Mathematics, Engineering, Science Achievement (MESA) Community College Program provides science, technology, engineering and math (STEM) academic development to educationally disadvantaged undergraduate community college students so they will excel academically and transfer to four-year institutions in calculus-based majors.

TRIO Student Support Services

College students as they prepare to obtain a two-year degree and/or transfer to a four-year university. Gavilan TRIO Student Support Services is a federally funded program designed to empower first generation, low-income, and/or disabled.

Budgetary Implications:

None

Follow Up/Outcome:

None
