Agenda Item Details

Meeting	Apr 10, 2018 - Board of Trustees Regular Meeting
Category	9. Information/Staff Reports
Subject	A. Noncredit ESL transitions
Type	Information

Proposal:

A summary of the impact of program and curriculum improvements on ESL students transitions will be presented, along with lessons learned.

Background:

A series of curriculum changes allowed students in community-based ESL classes to transition to the academic ESL pathway. These changes, along with intensive program supports, have increased enrollment and the % of students who transition to the academic ESL pathway. These results provide lessons learned for the future of guided pathways work across the campus.

Budgetary Implications:N/A

Follow Up/Outcome:

The Board will receive regular updates on developments and outcomes associated with the Noncredit program.
