FAQs

SLO Assessment FAQs

Will the SLO data be used to evaluate instructors?

Is there compensation available for SLO assessment?

Where do I find the SLOs for my course that need to be assessed?

How should I assess my SLOs?

I have assessed the SLOs for my course... now what?

Why do we have to assess SLOs?

I already assess student learning when I assign grades... how does assessing SLOs add anything useful?

How does SLO assessment contribute to student learning?

When did SLOs become part of the accreditation requirements?

Who can I ask for support with the SLO assessment process?
