Have you ever thought of pursuing a career in Science, Technology, Engineering, or Math, (STEM)?

[\(Español\)](#)

[STEM Students Explore A Range Of Science Experiment During Summer Internship \(Click to Read More\)](#)

Gavilan College has been awarded three successive STEM grants ([News](#)) through the Department of Education to build our programs and support our students.

We Also offer:

Academic support:

Supplemental Instruction, Academic Excellence Workshops (AEW), in class tutoring, the Math Lab, the [STEM Center](#), and Math Boot Camps will help you with the rigorous academic requirements of STEM courses.

Employment Opportunities:

We hire student tutors for the Math lab, the STEM Center, as Supplemental Instruction Leaders, and as in class tutors. We also offer training for these positions.

Paid Summer Interns:

Students gain valuable work experience doing research with Professors from San Jose State or working in private industry after the second or third year of coursework.

The STEM Academy:

This summer program provides; information on STEM careers and educational opportunities; assistance with writing resumes, getting financial aid and scholarships, applying for internships and four year universities; connection to other students, campus resources and services, and preparation for math. ([Learn More](#))

Accelerated Math Classes:

Get two semesters of Math completed in one semester and develop confidence and mastery in math to provide a strong preparation for future courses.

MESA Program:

Mathematics, Engineering, Science Achievement ([MESA](#)) Community College Program provided academic development to educationally disadvantaged undergraduate community college students so they will excel academically and transfer to four-year institutions in calculus-based majors.

For more information on STEM/STEM Center, please check the **QUICKLINKS**.
