Transferring to UC:

Transfer Admission Guarantees

A Transfer Admission Guarantee (TAG), is a formal agreement between a student in attendance at Gavilan College and a receiving baccalaureate granting institution to which the student intends to transfer. **The agreement guarantees admission to a transfer university a year in advance for a fall term admission.** A TAG may also guarantee admission into a major. Because the requirements of universities vary, it is advisable that students consult a counselor for more detailed information. Counselors will help you determine your eligibility for a TAG and assist with the required documents.

Seven UC campuses participate in the TAG program and require an online TAG application. Planning is critical to ensure your TAG is complete, processed and approved.

Determine Eligibility for TAG

- review the TAG basic eligibility by accessing university links below
- read the university website (follow the links) for major preparation requirements
- collect all transcripts (Gavilan and any college attended)
- collect all test scores (Advance Placement, CLEP, IBB)
- calculate transferable units and transferable GPA and compare with minimum TA requirements

After completing the above steps, schedule a counseling appointment to review UC eligibility and TAG. You must hand-carry transcripts and test score information to your appointment. Counseling appointments can be scheduled online: www.gavilan.edu/counseling
