VISITS TO UNIVERSITY/COLLEGE CAMPUSES

Visiting college and universities can be very helpful in exploring and deciding on potential transfer universities. Colleges and universities host preview days, open houses, and transfer information sessions, on their campus throughout the year, so take advantages of these events.

The Career & Transfer Center and [Gavilan College's Child Development and Educational Studies](#) is hosting a field trip for **Future Educators** to **CSUMB**, **Friday, October 26th** the trip will be from 8:00 AM to 3:30 PM. Campus visits are open to currently registered students.

Whether you are applying to transfer there or this is your first year at Gavilan and you are thinking about transferring, this will be a great opportunity for you to learn more about their student life and tour their campus. There are 20 seats available on a first come, first basis.
