A.S.-T DEGREE: 60 units

Associate Degree  
for Transfer™

### DESCRIPTION

The Associate in Arts in Economics for Transfer Degree (A.A.-T) has been established to assist students in seamlessly transferring from Gavilan College to a California State University (CSU), with the objective of pursuing a baccalaureate degree in economics. The A.A.-T therefore necessarily requires the completion of a general education sequence of courses, as well as specific preparation for upper division economics coursework.

### PROGRAM LEARNING OUTCOMES

Upon successful completion of this program, students will be able to:

- ▶ Identify and discuss causes of long-run economic growth and short term business cycle fluctuations in growth (e.g. recessions and expansions), and policy responses and initiatives affecting each.
- ▶ Apply marginal analysis to resource allocation decisions in a variety of settings, including but not limited to: profit maximization strategies for firms in various competitive environments, and utility maximization strategies for consumers with budget constraints.
