The Librarian is IN: Faculty Consultations for Library Resources

Facilitated by: Doug Achterman, Dana Young

Library resources have evolved dramatically in function and interface. These tools have strong potential to help students succeed when integrated into their instruction. These consultations offer faculty the opportunity to meet 1 on 1 or in small groups with their librarians to gain knowledge and skills in the use of Gavilan library resources such as OneSearch, Gavilan Research Guides, E-Book Collections, new databases and other learning resources. Call, email, or drop in! This activity meets the criteria for Flex credit under Chancellor's Office Guidelines for Instructional Improvement. Thanks to Santa Rosa Junior College Libraries for language and the concept for this flex opportunity.
