Hello Folks,

I would like to ask that a second meeting be scheduled before the semester is over to finish our Multiple Measures discussion so we are ready to go for Spring 2018. Still unresolved at the end of our last meeting were

1. Compliance with AB 705
2. GPA numbers for English
3. GPA numbers for Math
4. The use of single subject grades in determining placement
5. Self reporting

Thanks!

Fran
