

BP 4100 Graduation Requirements for Degrees and Certificates

Reference:

Education Code Section 70902(b)(3); Title 5, Sections 55070, 55800 et seq.

The District grants the degrees of Associate in Arts and Associate in Science to those students who have completed the subject requirements for graduation and who have maintained a 2.0 average in subjects attempted. Students must also complete the general education residency and competency requirements set forth in Title 5 regulations

Students may be awarded a Certificate of Achievement upon successful completion of 18 semester units of degree-applicable coursework designed as a pattern of learning experiences which develop certain capabilities that may be oriented to career or general education. In some cases, pending approval by the State Chancellor's Office, a Certificate of Achievement may be awarded with between 12 and 18 units.

The President of the College shall establish procedures to determine degree and certificate requirements that include appropriate involvement of the Curriculum Committee. The procedures shall assure that graduation requirements are published in the district's catalog(s) and included in other resources that are convenient for students.
