Get more student support

MyEnglishLab provides extra support for your students outside the classroom, when you're not around. As students complete homework they receive extra hints and tips, to encourage and support learning.

Integrates with your systems

MyEnglishLab can be integrated with systems like Moodle, Blackboard and Canvas.

Available on all devices

MyEnglishLab can be used on desktop computers, tablets and mobile phones, at home or at school. View technical requirements.

Supported by customer service

Free training webinars, help videos and dedicated support areas for teachers and students make it easy to start using MyEnglishLab.

MyEnglishLab is used in over 190 countries.

Our customers speak more than 180 languages.

There are almost 80,000 activities available in MyEnglishLab

In 2015, learners completed over 82 million MyEnglishLab activities

That's 2 activities every SECOND!

Students who used MyEnglishLab

performed 10% better on test results than students who only used a text book

Blended Learning

Do you use blended learning in your classroom? According to one study, following a blended learning model can increase learning by over 11% compared to that of a traditional classroom (Siltzmann, Ely 2009).

Students can learn at their own pace, repeat activities and get extra support outside the classroom - plus they are using digital tools, just like in their life outside school.
