Noncredit courses are always **free** and open to **all** community members. Students can join our classes at any time during the term. Our courses are offered throughout the community at sites in Gilroy, San Benito County, and Morgan Hill.

Our courses provide excellent instruction in:

- ESL
- Citizenship
- High School Equivalency (GED)
- Basic Academic Skills (English/Math)
- Short term vocational (courses to improve employment skills)

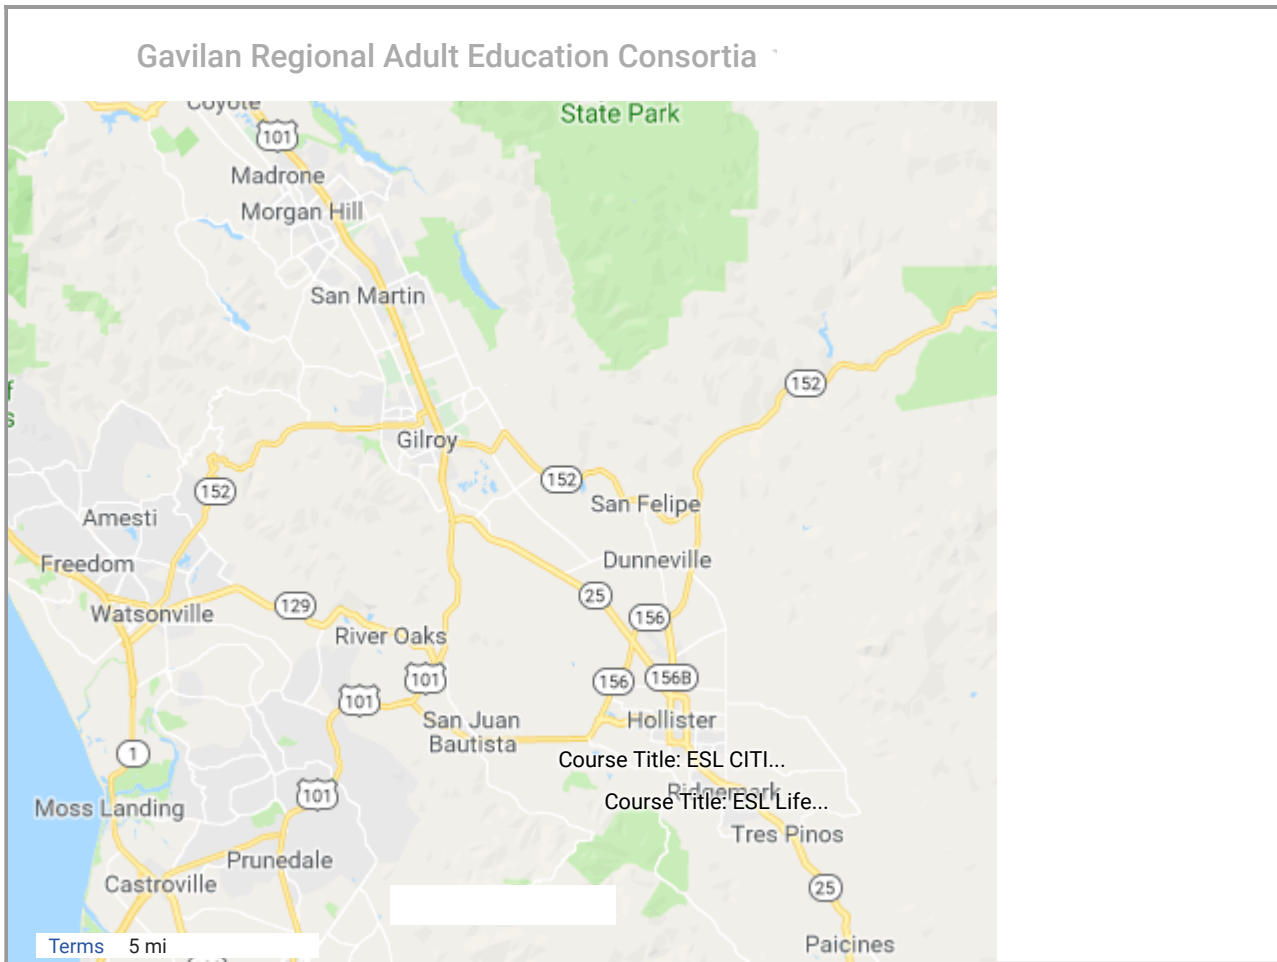

We also support students in their employment and educational goals.

In order to enroll in one of our classes, attend an orientation (see schedule) or just show up to any of our classes at any time (see list of classes).

We welcome new students at any time!

Please contact the Gavilan College Noncredit office for more information or if you have more information at (408) 852-2824 or visit us on the Gavilan College main campus in the Child Development Building.
