ONLINE COUNSELING

Online counseling is available to anyone with internet, webcam, or email access who is a prospective, current, or returning student at Gavilan College. It is a convenient way to connect with a counselor if visiting the campus or off-sites is not convenient. Online counseling is delivered in two ways:

-  **Real-time, webcam and audio interaction with a counselor. You will "Knock" on the counselor's virtual door during scheduled hours.**
-  **24/7 email interaction with a counselor. You can expect an email response within 2 business days.**

Although a counselor can respond to your questions you may want to first check the [Frequently Asked Questions](#) section of this web site- you may find the information you are seeking!

The [Academic](#) and the [Student Services](#) Department homepages also provide specific information regarding their programs and services. It is a good place to start if you have general questions and need quick answers.

Online Counseling can provide you with the following services:

- Information regarding Gavilan College classes, programs, and services
- Transferability of Gavilan College Courses
- General Academic Advisement
