COUNSELING APPOINTMENTS

Specialized Counseling

Programs such as Athletics, Basic Skills, CalWorks, CTE, DRC, EOPS, MESA, Non-credit, Puente, STEM, TRIO and Veterans have counseling faculty that are located throughout the campus and who have different counseling hours. Please contact program personnel for counseling availability and appointments.

Scheduling An Appointment

*(Individualized, confidential, 30 Minute Sessions)*

*If you haven't been enrolled for two consecutive semesters* please complete a new [college application](http://www.gavilan.edu/counseling/appointments.php) BEFORE making an appointment with a counselor. To schedule an appointment please call the Counseling Support Office at (408) 852-2895 or (408) 848-4723. You can also schedule a counseling appointment online by clicking [here](http://www.gavilan.edu/counseling/appointments.php). Our offices are located in the SC Building near Admissions and Records. A Gav ID is required to schedule an appointment. To acquire a Gav ID and PIN, complete a [college application](http://www.gavilan.edu/counseling/appointments.php).

Students require a scheduled appointment to develop Educational Plans, transcript evaluations, and graduation petitions. Students are encouraged to work closely with the counselor who developed the educational plan and/or evaluated prior course work. New students who complete Kick Start and Guidance 210, 6 or KIN 1 will have a comprehensive educational plan and will be able to participate in priority registration.

Schedule changes occur in January, June, July, and August. Please check the [Location and Service Hours](http://www.gavilan.edu/counseling/appointments.php) for updated information. Hours vary at the Hollister and Morgan Hill sites.

*Please note that all counselors observe the academic year calendar and therefore it is highly recommended that you plan ahead and schedule to meet with a counselor early during the semester. During registration months (November-January, May-August), counseling appointments book-up quickly. Avoid the frustration and schedule to meet with a counselor early during the academic year.*
